- (b) The court may impose any or all of the following:
 - (i) Any fine authorized by the statute for a violation of which the defendant entered a plea of guilty or nolo contendere or the court determined that the defendant was guilty.
 - (ii) Any cost authorized by the statute for a violation of which the defendant entered a plea of guilty or nolo contendere or the court determined that the defendant was guilty.
 - (iii) Until October 1, 2022, any cost reasonably related to the actual costs incurred by the trial court without separately calculating those costs involved in the particular case, including, but not limited to, the following:
 - (A) Salaries and benefits for relevant court personnel.

(B) Goods and services necessary for the operation of the court.

(C) Necessary expenses for the operation and maintenance of court buildings and facilities.

(2) In addition to any fine, cost, or assessment imposed under subsection (1), the court may order the defendant to pay any additional costs incurred in compelling the defendant's appearance.

(3) Subsections (1) and (2) apply even if the defendant is placed on probation, probation is revoked, or the defendant is discharged from probation.

(4) The court may require the defendant to pay any fine, cost, or assessment ordered to be paid under this section by wage assignment.

(5) The court may provide for the amounts imposed under this section to be collected at any time.

(7) The court shall make available to a defendant information about any fine, cost, or assessment imposed under subsection (1), including information about any cost imposed under subsection (1)(b)(iii). However, the information is not required to include the calculation of the costs involved in a particular case.
