Rep. Phil Green, from the 84th District, offered the following invocation:

“Our Gracious Heavenly Father,

What a privilege it is to call You ‘our Father,’ when we understand that You care for us and look out for us as dear children, I can only think of that special relationship I have with my biological father and children as well. I know there are times that a father never wants to see their children endure, but I also know how diligently I prepare my children for life. Lord, You have prepared each and every one of us in this body to serve their fellow man in days like this. Lord, I pray that You would give us the courage and strength to persevere in our calling especially when times are tough.

As we begin what is called ‘session’ for the day, we have already had a full day of meetings, committees and staff meetings. We are now assembled here as a body to work together for the good of the citizens of the state of Michigan. I pray for Wisdom. Every word that we say has the potential to do so much good; likewise, every word that we say has the potential to do so much harm. Lord, I pray the same words and sentiments as the Psalmist David who said, ‘May the words of my mouth and the meditation of my heart be acceptable in Thy sight.’ Lord, give us wisdom today in our interactions. Lord, give us wisdom to know which battles to fight, which legislation to propose, and which legislation to oppose.

Coming to You as one of Your children, Lord, I would ask that You make clear Your foot prints as we attempt to follow You that we can confidently say that we are acting as Your ministers to reprove evil and reward good.

Lord, Thank You for bringing us together from different walks of life, from different geographic regions, from different socio and economic backgrounds that we can all lend our voice to make our government work for the people of this great state.

We ask these things in Your precious son’s name,
Amen.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Frederick moved that Rep. Schroeder be excused from today’s session.
The motion prevailed.

Messages from the Governor

The following message from the Governor was received February 22, 2021 and read:

EXECUTIVE ORDER

No. 2021-3

Declaration of State of Energy Emergency

Extreme cold across most of the Central United States caused by an arctic air mass, coupled with people spending more time at home due to the global pandemic, has created a strong demand for home heating fuel. At the same time, these conditions have caused longer delivery times. Heavy snowfall has produced hazardous road conditions and increased demand has led to longer wait times at supply and distribution terminals. As a result, many drivers are nearing or reaching maximum weekly driving and on-duty limits, which are set by federal and state law in 49 CFR Part 395, and adopted in Public Act 181 of 1963, MCL 480.11 et seq. In short, while supply is available, the current weather event has hindered distribution of that supply.

At present, Michigan's neighboring states and a majority of states in the nation are under some form of federal or state energy emergency declaration due to the extreme weather event.

Under Public Act 191 of 1982, "the governor may declare, by executive order . . . a state of emergency . . . upon the governor's own initiative if the governor finds that an energy emergency exists or is imminent." MCL 10.83(1). An "energy emergency" means a "condition of danger to the health, safety, or welfare of the citizens of this state due to an impending or present energy shortage." MCL 10.81(b). Moreover, an "energy shortage" means a "lack of adequate available energy resources in the state, or any part of the state." MCL 10.81(e).

Among other powers, during a declared state of energy emergency, the governor may issue an executive order to "suspend a statute or an order or rule of a state agency or a specific provision of a statute, rule, or order, if strict compliance with the statute, rule, or order or a specific provision of the statute, rule, or order will prevent, hinder, or delay necessary action in coping with the energy emergency." MCL 10.84(c).

Therefore, acting under the Michigan Constitution of 1963 and Michigan law, including 1982 PA 191, MCL 10.81 to 10.87, I order the following:

1. A state of energy emergency is declared across the State of Michigan.
2. Motor carriers and drivers transporting propane and heating oil are exempt from compliance with MCL 480.11a and any other applicable state statute, order, or rule substantially similar to MCL 480.11a, and 49 CFR Part 395. Any provision of a state statute, order, or rule pertaining to the hours-of-service is suspended. This exemption and suspension apply to all highways in Michigan, including the national system of interstate and defense highways.
3. No motor carrier or driver operating under the terms of this order may require or allow an ill or fatigued driver to operate a motor vehicle. Any driver who informs a carrier that he or she needs immediate rest must be given at least ten consecutive off-duty hours before the driver is required to return to work.
4. Nothing in this order creates an exemption from applicable controlled substances and alcohol use and testing requirements (49 CFR Part 382 and any similar state statute, order, or rule); the commercial driver's license requirements (49 CFR Part 383 and any similar state statute, order, or rule); the financial responsibility requirements (49 CFR Part 387 and any similar state statute, order, or rule); driver qualifications (49 CFR Part 391); driving of commercial motor vehicle requirements (49 CFR Part 392); requirements for equipment, parts, and accessories necessary for the safe operation of vehicles (49 CFR Part 393); applicable size and weight requirements; or any portion of federal and state regulations not specifically identified.
5. Motor carriers or drivers currently subject to an out-of-service order are not eligible for the exemption and suspension until the out-of-service order expires or the conditions for rescission have been satisfied.
6. Upon expiration of this order, or when a motor carrier or driver ceases to provide direct assistance to the emergency relief effort, a driver that has had at least 34 consecutive off-duty hours must be permitted to start his or her on-duty hours and 60/70-hour clock at zero.
7. This order applies only to propane and heating oil. No other petroleum products are covered by the exemption and suspension under this order.
8. The Commercial Vehicle Enforcement Division of the Michigan Department of State Police must coordinate state compliance with this order.
9. This order is effective upon filing and remains in effect for the duration of the emergency or until Sunday, February 28, 2021, at 11:59 p.m., whichever comes first.

Date: February 20, 2021

Time: 9:44 a.m.

Motions and Resolutions

Reps. Cynthia Johnson, Rabhi, Aiyash, Breen, Garza, Sneller, Sowerby, Thanedar and Weiss offered the following resolution:

House Resolution No. 37.

A resolution to urge Congress to pass legislation that prohibits water shutoffs, requires reconnection, and ensures water affordability during the COVID-19 national emergency.

Whereas, Millions of Americans lack running water in their homes due to service shutoffs driven by exorbitant rates and unaffordable bills. While water shutoffs are prevalent in all 50 states, shutoffs disproportionately impact cities with higher rates of poverty, unemployment, and people of color; and

Whereas, Access to running water is essential to maintain proper hygiene and to help prevent the transmission of COVID-19. Regular handwashing is one of the best ways to remove germs, avoid getting sick, and prevent the spread of germs; and

Whereas, Although many municipalities and states, including Michigan, have issued moratoriums on water shutoffs for nonpayment during the COVID-19 crisis, we must ensure a comprehensive federal response that protects all households; and

Whereas, The Emergency Water is a Human Right Act (H.R. 616) has been introduced in Congress to prohibit water shutoffs to all households during the COVID-19 emergency period. If passed, it would ensure water affordability protections for households with incomes up to 150 percent of the federal poverty level by providing grants to states so that they may provide drinking water and wastewater assistance to low-income households; and

Whereas, No person living in the United States should be forced to live without access to running water, especially during a pandemic. Every effort should be made at all levels of government to ensure people are able to protect themselves from COVID-19; now, therefore, be it

Resolved by the House of Representatives, That we urge Congress to pass legislation that prohibits water shutoffs, requires reconnection, and ensures water affordability during the COVID-19 national emergency; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Local Government and Municipal Finance.
