Rep. Abdullah Hammoud, from the 15th District, offered the following invocation:

“Given it is the Holy month of Ramadan, I thought I would read some excerpts of a nightly prayer that I was taught to recite each night during these Holy nights

The prayer, or dua, is known as Dua al Iftitah, the prayer that speaks to the shortcomings of humankind and the grace and mercy of Allah sbwt

Bismillah

- Allah, I begin the glorification of You with praising You
- and You always guide us to the right out of Your favors upon us.
- I am certain that You are the most Merciful of all those who show mercy
- Allah, You have permitted me to pray and beseech You.
- So, listen, O All-hearer, to my words of praise,
- reply my prayer, O All-merciful,
- and overlook my slips, O Oft-Forgiving.
- You, O my God, have relieved so many of my grievances,
- dispelled so many of my sorrows,
- overlooked so many of my slips,
- spread over me many of Your mercies,
- and unlocked so many rings of misfortunes (in which I was detained).”

Rep. Frederick moved that Rep. Paquette be excused from today’s session.
The motion prevailed.

Messages from the Senate

Senate Concurrent Resolution No. 15.

A concurrent resolution of tribute offered as a memorial for Tom Casperson, former member of the House of Representatives and the Senate.

Whereas, It is with great sadness that the members of the Michigan Legislature learned of the passing of Tom Casperson. A steadfast public servant, he worked tirelessly during his legislative tenure for the residents of the Upper Peninsula and all Michiganders; and

Whereas, A life-long resident of Escanaba, Tom Casperson worked in his family’s log truck business for 27 years, 12 as owner/operator. He was proud of the fact that he was the third generation to participate in the family business. Hours of working in the woods and driving log trucks through the Upper Peninsula forged his respect and sense of responsibility for the natural resources of our state and instilled a passion for their sustained and strategic use. He was active in his profession as a member of the Michigan Association of Timbermen and the Timber Producers Association. A log truck accident and his subsequent efforts to pursue safety measures and design changes in the industry inspired him to run for elected office; and

Whereas, Tom Casperson served for 14 years in the Legislature, relying on his experience in business and forestry, his faith and passion for the interests of the Upper Peninsula, and his willingness to work with all interested parties to address the problems facing our state. First elected in 2002 to the House of Representatives, he served 6 years representing the One hundred-eighth District. In the House, he held the position of Assistant Majority Whip. During this time, he served as chair of the Conservation, Forestry and Outdoor Recreation Committee and the subcommittee on Forestry and Mineral Rights. He was vice chair of the Transportation Committee and minority vice chair of the Tourism, Outdoor Recreation and Natural Resources Committee. He also served on the Agriculture, Energy and Technology, and Veterans Affairs and Homeland Security committees, and the Appropriations Subcommittee on Transportation; and

Whereas, In 2010, Tom Casperson was elected, and reelected in 2014, to the Michigan Senate, representing the Thirty-eighth District for 8 years. In the Senate, he served as chair of the Natural Resources and Transportation committees. He also served on the Outdoor Recreation and Tourism; Reforms, Restructuring and Reinventing; Families, Seniors, and Human Services; and Finance committees; and

Whereas, Tom Casperson’s ability to listen and courteously discuss contested issues provided him with an avenue to champion matters important to his constituents. He worked hard to find common ground and

consensus on contentious issues, such as mining and land management, that allowed economic development in northern Michigan while also protecting the natural resources that make the Upper Peninsula a special place. He took the lead on incorporating the castle doctrine in state law, protected the autonomy of the Mackinac Bridge, and required the state to implement a Land Management Plan. He secured funding for a wide variety of key Upper Peninsula projects, including repairing infrastructure in Houghton County following the “thousand year flood,” aiding numerous communities impacted by the historic Freeze Crisis in 2014, and rebuilding a breakwall in Grand Marais Harbor that had been in disrepair for decades. His perseverance and ability to work across the aisle resulted in his sponsoring 118 bills that became public acts during his 14-year tenure as a legislator. Moreover, he was recognized by many organizations as being an effective legislator, with several awarding him Legislator of the Year including *MIRS News* in 2013; and

Whereas, Tom Casperson loved helping people. He was willing to listen and forge relationships and give the time to mentor the next generation of leaders, and he was humble and passionate in these efforts. His devotion to the people of Michigan and his passion to provide a voice for the Upper Peninsula will not soon be forgotten. The Senator’s sincere faith in God, concern for people, and legislative efforts and achievements will impact the state for many years; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we offer this expression of our highest tribute to honor the memory of Tom Casperson, a member of the Michigan House of Representatives from 2003 to 2008 and the Michigan Senate from 2011 to 2018; and be it further

Resolved, That copies of this resolution be transmitted to the Casperson family as evidence of our lasting esteem for his memory.

The Senate has adopted the concurrent resolution.

The question being on the adoption of the concurrent resolution,

The concurrent resolution was adopted by unanimous standing vote.

The Speaker called the Speaker Pro Tempore to the Chair.

By unanimous consent the House returned to the order of

Motions and Resolutions

Reps. Martin, O’Malley, Beeler, Roth, Beson, Bellino, Wozniak, Paquette, Bezotte, Clements, Damoose, Bollin, Griffin, Rogers, Kuppa, Hood, Aiyash, Mueller, Meerman, Allor, Brabec, Cavanagh, Cherry, Garza, Hope, Morse, Sabo, Sneller, Weiss and Witwer offered the following resolution:

House Resolution No. 90.

A resolution to declare May 2021 as Veteran Suicide Awareness Month in the state of Michigan.

Whereas, Veteran suicide is a major problem both in Michigan and nationwide; and

Whereas, According to the U.S. Department of Veterans Affairs, Michigan veterans had a suicide rate of 33.8 per 100,000 in 2018, well above the overall state suicide rate of 18.8. Among veterans age 18 to 34, the rate was 65.1 per 100,000; with rates at 40.9 per 100,000 for those age 35 to 54; and

Whereas, There were 6,435 veteran suicides nationwide in 2018 alone. By comparison, there have been 7,035 troop deaths in conflict zones since September 11th, 2001; and

Whereas, Suicide is indeed preventable through clinically based and community-based prevention efforts and interventions, as well as through research and surveillance within and beyond veteran affairs agencies; and

Whereas, The more connected servicemen and veterans are to services and their earned benefits, the less likely they are to self-harm; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2021 as Veteran Suicide Awareness Month in the state of Michigan. We urge businesses, local governments, hospitals, and others to do their part in working toward zero suicides within Michigan’s population of service members, veterans, and their families; and be it further

Resolved, That copies of this resolution be transmitted to the Governor of Michigan, the Director of the Michigan Department of Health and Human Services, and the Director of the Michigan Department of Military and Veterans Affairs.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Kahle, Whiteford, Roth, Wakeman, Tisdell, Mueller, Hauck, Meerman, Witwer, Frederick, Stone, Kuppa, Aiyash, Allor, Brabec, Cherry, Garza, Rogers, Sneller and Weiss offered the following resolution:

House Resolution No. 91.

A resolution to declare May 2-8, 2021, as Tardive Dyskinesia Awareness Week in the state of Michigan.

Whereas, Many peoples with serious, chronic mental illness, such as schizophrenia and other schizoaffective disorders, bipolar disorder, or severe depression, require treatment with medications that work as dopamine receptor blocking agents (DRBAs), including antipsychotics; and

Whereas, While ongoing treatment with these medications can be very helpful, and even lifesaving, for many people, it can also lead to tardive dyskinesia (TD); and

Whereas, Many people who have gastrointestinal disorders, including gastroparesis, nausea, and vomiting also require treatment with DRBAs; and

Whereas, Treatment of gastrointestinal disorders with DRBAs can be very helpful, but for many patients can lead to tardive dyskinesia; and

Whereas, Tardive dyskinesia is a movement disorder that is characterized by random, involuntary, and uncontrolled movements of different muscles in the face, trunk and extremities. In some cases, people may experience movement of the arms, legs, fingers, and toes. In some cases, it may affect the tongue, lips and jaw. In other cases, symptoms may include swaying movements of the trunk or hips and may impact the muscles associated with walking, speech, eating and breathing; and

Whereas, Tardive dyskinesia can develop months, years, or decades after a person starts taking DRBAs and even after they have discontinued use of those medications. Not everyone who takes a DRBA develops TD, but if it develops it is often permanent; and

Whereas, Common risk factors for tardive dyskinesia include advanced age and alcoholism or other substance abuse disorders. Postmenopausal women and people with a mood disorder are also at a higher risk of developing tardive dyskinesia; and

Whereas, A person is at higher risk for TD after taking DRBAs for three months or longer, but the longer the person is on these medications, the higher the risk of developing tardive dyskinesia; and

Whereas, Studies suggest that overall risk of developing tardive dyskinesia is between 10 and 30 percent; and

Whereas, It is estimated that over 500,000 Americans suffer from tardive dyskinesia. According to the National Alliance for Mental Illness, one in every four patients receiving long-term treatment with an antipsychotic medication will experience tardive dyskinesia; and

Whereas, Years of difficult and challenging research have resulted in recent scientific breakthroughs, with two new treatments for tardive dyskinesia approved by the United States Food and Drug Administration; and

Whereas, Tardive dyskinesia is often unrecognized and patients suffering from the illness are commonly misdiagnosed. Regular screening for TD in patients taking DRBA medications is recommended by the American Psychiatric Association (APA); and

Whereas, Patients suffering from tardive dyskinesia often suffer embarrassment due to abnormal and involuntary movements, which leads them to withdraw from society and increasingly isolate themselves as the disease progresses; and

Whereas, Caregivers of patients with tardive dyskinesia face many challenges and are often responsible for the overall care of the TD patient; and

Whereas, We can raise awareness of tardive dyskinesia in the public and medical community; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2-8, 2021, as Tardive Dyskinesia Awareness Week in the state of Michigan. We encourage each individual in the United States to become better informed about and aware of tardive dyskinesia.

The question being on the adoption of the resolution,

The resolution was adopted.

Rep. Yaroch offered the following concurrent resolution:

House Concurrent Resolution No. 9.

A concurrent resolution to urge the United States Congress to enact legislation returning the residential areas of the District of Columbia back to the state of Maryland.

Whereas, The people living on the land that would eventually be designated as the District of Columbia were provided the right to vote for representation in Congress when the U.S. Constitution was ratified in 1788; and

Whereas, The passage of the Organic Act of 1801 placed the District of Columbia under the exclusive authority of Congress; and

Whereas, In 1847, the federal government returned the portion of the District of Columbia that came from Virginia back to Virginia; and

Whereas, Residents of the District of Columbia share all of the responsibilities of citizenship, including paying federal taxes, serving on federal juries, and defending the country as members of the U.S. Armed Forces in every war since the Revolutionary War, yet they are denied full representation in Congress; and

Whereas, Congress has repeatedly interfered with the District of Columbia's limited self-government by enacting laws that affect its expenditure of locally-raised tax revenue. This interference has included barring the use of local revenue, violating a fundamental principle of democracy that states and local governments are best suited to enact legislation that represents the will of their citizens; and

Whereas, Although the District of Columbia has passed consecutive balanced budgets since 1997, it still faces the possibility of being shut down yearly because of congressional deliberations over the federal budget; and

Whereas, No other democratic nation denies the right of self-government, including full participation in its national legislature, to the residents of its capital; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge the United States Congress to enact legislation returning the residential areas of the District of Columbia back to the state of Maryland; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The concurrent resolution was referred to the Committee on Government Operations.
