Rep. Laurie Pohutsky, from the 19th District, offered the following invocation:

“Today I would like us all to take time to reflect on the moment we are in and the job we have been called to do. We come from every corner of the state to represent each Michigander and act in their best interests. May we understand that our diversity is our strength and take pride in it.

In these divisive times, it’s more important than ever that we come together and work for the betterment of our state. I often hear doubt about our ability to work together towards common goals, but it’s important to remember that we all have more in common than not. We all want our families, neighbors, and children to be safe and healthy. We want to be treated with respect and dignity. We want continued success for our state. When constituents ask me if there is still unity to be found, I remind them of all the good, unified work that has come out of this legislative body. I have to give them hope, because if our state doesn’t have faith and hope in us, we have failed them. They have to have hope that we will do the job they elected us to do. They have to have hope that we represent all of them. They have to have hope that they are seen and valued by their elected representatives. They have to see themselves in us.

As Harvey Milk said five months before he was assassinated, representation is important because it ‘gives a green light to all who feel disenfranchised, a green light to move forward. It means hope to a nation that has given up, ...that the doors are open to everyone. So if there’s a message that I have to give... you have to give people hope.’

Let us leave here today and give the people of our state hope that they are loved, valued, and truly represented. Thank you.”

Rep. Rabhi moved that Reps. Brixie, Jones and Whitsett be excused from today’s session. The motion prevailed.

Rep. Frederick moved that Rep. Mekoski be excused from today’s session. The motion prevailed.

Instead of continuing to create carve-outs for specific public bodies, we need to consider whether to amend the Open Meetings Act to allow all public bodies the option for remote meetings. People who serve on public bodies have taken responsibility to participate and how they participate - whether in person or remotely - is important. A resolution to declare June 12, 2022, as Women Veterans Recognition Day in the state of Michigan.

(The resolution was introduced and postponed for the day on June 8, see House Journal No. 53, p. 859.)

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Manoogian, Glanville, Haadsma, Morse, Rogers, Sowerby, Stone, Thanedar, Weiss and Young offered the following resolution:

House Resolution No. 315.

A resolution to call upon the Russian Federation to respect the human and legal rights of and to immediately release two-time Olympic gold medalist and American professional basketball player Brittney Griner from detention in the Russian Federation and urge President Joe Biden to make her safe return to the United States a priority for his Administration.

Whereas, On February 17, 2022, American professional basketball player Brittney Griner, a U.S. citizen, two-time Olympic gold medalist for Team USA, NCAA Champion for Baylor University, and seven-time WNBA All Star center for the Phoenix Mercury, was detained at the Sheremetyevo airport near Moscow, Russia, as she attempted to board a flight while playing for the Russian professional basketball team, UMMC Ekaterinburg, a team she has led to four Euroleague Titles and seven Russian League Championships during the WNBA offseason; and

Whereas, The Russian Federation failed to announce their detention of Brittney Griner until March 5, 2022, more than two weeks after the Russian Federal Customs Service had detained her. American consular officials were unable to see her until April 27, 2022, more than two months after her detention; and

Whereas, Brittney Griner has been detained for nearly three months, and a Russian court extended her detention by one month and has denied appeals from her legal team to have her transferred to house arrest; and

Whereas, There have been multiple reports by U.S. authorities that Brittney Griner has been denied consular assistance, which is an essential component of normal diplomatic relations between two nation states; and

Whereas, On May 2, 2022, the United States Department of State emailed a statement to ESPN stating that they have determined that the Russian Federation has wrongfully detained Brittney Griner; and

Whereas, The WNBA issued a statement saying that Brittney Griner “has the WNBA’s full support and our main priority is her swift and safe return to the United States.” This season, the WNBA has emblazoned the league’s 12 basketball courts with Brittney Griner’s initials and her number, 42; and

Whereas, The State Department is monitoring the situation, but more can be done to secure Brittney Griner’s release. She is a global sport icon who engages the world as a track II diplomat through her leadership on and off the court with Team USA at the Olympic Games and in FIBA. She uses the game of basketball both in the United States as a WNBA star for the Phoenix Mercury and abroad to promote inclusion and understanding. It is morally unacceptable that Brittney Griner is being used by the Russian government as a political pawn; now, therefore, be it

Resolved by the House of Representatives, That we call upon the Russian Federation to immediately release two-time Olympic gold medalist and American professional basketball player Brittney Griner; and be it further

Resolved, That we urge the Russian Federation to provide consular access to Brittney Griner while she remains in detention; and be it further

Resolved, That we urge the Russian Federation to respect the human rights of Brittney Griner; and be it further

Resolved, That we urge President Joe Biden to make Brittney Griner's safe return a top priority for his Administration; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the United States Secretary of State, and the Griner family.

The resolution was referred to the Committee on Military, Veterans and Homeland Security.

Reps. Bellino, Bezotte, Glanville, Green, Haadsma, Harris, Koleszar, Kuppa, Lightner, Morse, Rogers, Sneller, Steenland, Thanedar, Weiss and Witwer offered the following resolution:

House Resolution No. 316.

A resolution to declare June 10, 2022, as Alcoholics Anonymous Day in the state of Michigan.

Whereas, On June 10, 1935, Bill Wilson and Dr. Bob Smith first met and what grew out of that meeting was Alcoholics Anonymous; and

Whereas, Out of Alcoholics Anonymous, the 12 step program, a set of spiritual guiding principles to assist in recovery from alcoholism was developed; and

Whereas, Alcoholics Anonymous has been a positive guide for countless people the world over as they have battled the disease of alcoholism; and

Whereas, Numerous people, both in America and worldwide, are sober because of their experiences in Alcoholics Anonymous; and

Whereas, The 12 step program developed by Alcoholics Anonymous has been adopted by numerous other groups around the world to assist people struggling with other addictions, such as narcotics, gambling, and overeating; and

Whereas, We stand in solidarity with our families, friends, and neighbors struggling with alcoholism; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 10, 2022, as Alcoholics Anonymous Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.
