truck safety fund and administration of the fund for truck safety purposes; to set up and establish the Michigan truck safety commission; to establish certain standards for road contracts for certain businesses; to provide for the continuing review of transportation needs within the state; to authorize the state transportation commission, counties, cities, and villages to borrow money, issue bonds, and make pledges of funds for transportation purposes; to authorize counties to advance funds for the payment of deficiencies necessary for the payment of bonds issued under this act; to provide for the limitations, payment, retirement, and security of the bonds and pledges; to provide for appropriations and tax levies by counties and townships for county roads; to authorize contributions by townships for county roads; to provide for the establishment and administration of the state trunk line fund, local bridge fund, comprehensive transportation fund, and certain other funds; to provide for the deposits in the state trunk line fund, critical bridge fund, comprehensive transportation fund, and certain other funds of money raised by specific taxes and fees; to provide for definitions of public transportation functions and criteria; to define the purposes for which Michigan transportation funds may be allocated; to provide for Michigan transportation fund grants; to provide for review and approval of transportation programs; to provide for submission of annual legislative requests and reports; to provide for the establishment and functions of certain advisory entities; to provide for conditions for grants; to provide for the issuance of bonds and notes for transportation purposes; to provide for the powers and duties of certain state and local agencies and officials; to provide for the making of loans for transportation purposes by the state transportation department and for the receipt and repayment by local units and agencies of those loans from certain specified sources; to investigate and study the tolling of roads, streets, highways, or bridges; and to repeal acts and parts of acts,"

(MCL 247.651 to 247.675) by adding section 11i.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

- 1 **Sec. 11i. (1) The department shall create and operate a local**
- 2 **grade separation grant program for the separation of motor vehicle**
- 3 **traffic and railroad traffic in this state. The department shall**
- 4 **provide grants to cities, villages, and county road commissions in**
- 5 **this state.**

1 (2) An application for funds from the local grade separation
2 grant program must be made on a form approved by the department and
3 must contain the information required by the department. An
4 application for funds under this section may be made at any time as
5 determined by the department.

6 (3) The department shall establish a review process for
7 considering funding applications under this section that includes
8 the parameters for prioritizing the funding of grant applications
9 described in section 11j. No later than 180 days after receiving a
10 funding application under this section, the department shall notify
11 the applicant in writing whether the application is approved or
12 rejected. Before releasing local grade separation grant funds, the
13 department must enter into a written agreement with the funding
14 recipient.

15 (4) The written agreement between the department and the
16 funding recipient must provide for all of the following:

17 (a) Complete details of the grade separation project.

18 (b) A local, private, or federal match of not less than 20% of
19 the cost of the grade separation project.

20 (5) For each year in which the department receives funding
21 applications, the department shall report by December 1 to the
22 standing committees of the senate and house of representatives with
23 primary jurisdiction over issues pertaining to transportation and
24 the senate and house of representatives appropriations committees
25 on the utilization of funds from the local grade separation grant
26 program. The report must include, at a minimum, all of the
27 following:

28 (a) The number of funding applications received under this
29 section.

1 (b) The name of each city, village, or county road commission
2 applying for funding, and whether each application was approved or
3 denied.

4 (c) The amount of local match for each award under this
5 section.

6 (6) The local grade separation fund is created within the
7 state treasury.

8 (7) The state treasurer may receive money or other assets from
9 any source for deposit into the local grade separation fund. The
10 state treasurer shall direct the investment of the local grade
11 separation fund. The state treasurer shall credit to the local
12 grade separation fund interest and earnings from local grade
13 separation fund investments.

14 (8) Money in the local grade separation fund at the close of
15 the fiscal year remains in the local grade separation fund and does
16 not lapse into the general fund.

17 (9) The state transportation department is the administrator
18 of the local grade separation fund for auditing purposes.

19 (10) The state transportation department shall expend money
20 from the local grade separation fund, upon appropriation, only to
21 fund and operate the local grade separation grant program created
22 in subsection (1).

23 (11) As used in this section, "grade separation" means an
24 intersection of a railroad and roadway at different levels with the
25 railroad either above or below the highway.

26 Enacting section 1. This amendatory act does not take effect
27 unless Senate Bill No. ____ or House Bill No. 4523 (request no.
28 02267'21) of the 101st Legislature is enacted into law.
