Rep. David LaGrand, from the 75th District, offered the following invocation:

“Creator God,

We come together here again to do the people’s work. We to do that work together. Help us to act and speak in charity. Help us to assume good intentions, and to model for one another receptivity, engagement, and good cheer.

Forgive us our sins of omission, as well as commission. Help us to avoid the easy posturing of self-righteousness, the false reinforcements that allow us to feel smug, superior, and right. We cannot do this job alone. We cannot do this job well without help. Thank You for those who help us. Thank You for having us all in Your care. We confess that this world is Yours, not ours, and we thank You for the chance to work for You, in our small way, in its care.

Amen.”

#### **Motions and Resolutions**

Reps. Stone, Kuppa, Shannon, Thanedar, Sowerby, Steenland, Hertel, Brenda Carter, Sneller, Hope, Cherry, Glanville, Haadsma, Hood, Koleszar, Morse, Rogers, Witwer and Young offered the following resolution:

**House Resolution No. 295.**

A resolution to declare May 14, 2022, as Hmong American Day in the state of Michigan.

Whereas, The first Hmong families arrived in the United States as refugees of war in 1976, with thousands settling in Michigan; and

Whereas, During the Vietnam War, the Central Intelligence Agency (CIA) and United States Armed Forces recruited, organized, trained, and assisted Hmong forces to combat the North Vietnamese Army and communist Pathet Lao forces; and

Whereas, Hmong guerrilla soldiers courageously fought alongside Americans during the “Secret War” in Laos; and

Whereas, Thousands of Hmong men, women and children died in Laos. Their deaths were unaccounted for, while their commitment to rescuing downed American pilots and saving U.S. troops did not waver; and

Whereas, When the U.S withdrew from Laos, the Hmong faced harsh retribution from the communist government for their involvement in the American war effort and many were ultimately forced to flee their native land; and

Whereas, On May 14th, 1975, the last of the Hmong soldiers and their families fled Laos for the Nam Phong refugee camp in Thailand, later resettling in communities throughout the United States, including in Michigan; and

Whereas, Michigan is home to a significant number of Hmong refugees, after providing political asylum and citizenship because of their unique contribution to American interests; and

Whereas, We recognize that our state is home to a significant number of Hmong Americans and the importance of educating the general public about the historic contributions of our Hmong American residents; and

Whereas, The diversity of the Hmong people adds much to the cultural fabric of our city, state and country, as they have shared their traditions, food and practices of faith; and

Whereas, Today is an occasion to reflect upon the tremendous heroism and sacrifice of our Hmong American community. We honor their commitment to leadership, establishment of businesses and contribution to the economic growth of our state; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 14, 2022, as Hmong American Day in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Ellison, Mueller, Hall, Beeler, Koleszar, Neeley, Sneller, Cherry, Cavanagh, Stone, Kuppa, Yancey Glanville, Haadsma, Hertel, Hood, Hope, Lightner, Morse, Rogers, Sabo, Shannon, Sowerby, Steenland, Thanedar, Witwer and Young offered the following resolution:

**House Resolution No. 296.**

A resolution to declare May 2022 as Cystic Fibrosis Awareness Month in the state of Michigan.

Whereas, Cystic fibrosis (CF) is a genetic disease affecting approximately 30,000 children and adults in the United States; and

Whereas CF is a common autosomal recessive inherited disease, with a carrier rate of 1 in 29 among Caucasians and 1 in 65 among African Americans; and

Whereas, A defective gene causes the body to produce an abnormally thick, sticky mucus that clogs the lungs. These secretions produce life-threatening lung infections and obstruct the pancreas, preventing digestive enzymes from reaching the intestines to help break down and absorb food; and

Whereas, More than 10 million Americans are symptomless carriers of the defective cystic fibrosis gene; and

Whereas, There are approximately 1,000 people in Michigan living with the disease. The median age of survival for a person with cystic fibrosis is 50 years; and

Whereas, Infant blood screening to detect genetic defects is the most reliable and least costly method to identify persons likely to have CF. Early diagnosis of cystic fibrosis permits early treatment and enhances quality of life and longevity. The treatment of CF depends on the stage of the disease and the organs involved. A critical component of treating patients with cystic fibrosis includes access to innovative treatments, which can play a critical role in the lives of patients; and

Whereas, Michigan has the second CF Task Force in the country that raises awareness and advocates for people with CF. Michigan-based non-profit advocacy groups, such as the Rock CF Foundation, the Bonnell Foundation: Living with Cystic Fibrosis, and Hunt for a Cure raise awareness and funds to assist the CF community. The CF Foundations local chapter continues to raise much needed funds for research and medications; and

Whereas, Michigan also has eight cystic fibrosis care centers: Children's Hospital of Michigan, Wayne State University Harper University Hospital, Helen DeVos Women and Children's Center, Spectrum Health Adult Cystic Fibrosis Care Center, Michigan State University Pediatric, University of Michigan Pediatric and Adult, Hurley Children's Clinic at Mott Children's Health Center, and Western Michigan University School of Medicine Clinics. Toledo, Ohio is also home to the Toledo Children's Hospital and Northwest Ohio Cystic Fibrosis Center which serve Michigan patients as well; and

Whereas, During the month of May, cystic fibrosis chapters and volunteers will come together throughout the state of Michigan to raise awareness about the disease to achieve their mission of curing and providing support and treatment to those with cystic fibrosis; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 2022 as Cystic Fibrosis Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hall, Cherry, Haadsma, Harris, Hertel, Hope, Koleszar, Lightner, Morse, Sabo, Shannon, Sneller, Steenland, Witwer and Yaroch offered the following resolution:

**House Resolution No. 297.**

A resolution to declare May 15-21, 2022, as Police Week in the state of Michigan.

Whereas, In 1962, President Kennedy proclaimed May 15th as National Peace Officers Memorial Day and the calendar week in which May 15th falls as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others; and

Whereas, There are more than 800,000 law enforcement officers serving in communities across the United States, including the approximately 17,000 full-time uniformed police officers in Michigan. These dedicated individuals serve in more than 600 state, county, and local departments; and

Whereas, Members of law enforcement deserve the appreciation and respect of the people of Michigan for the merit, dignity, bravery, and reliability they exhibit each and every day. We must also honor the sacrifices made by families of police officers, as each day they must face constant fear as their loved one works to protect us; and

Whereas, In 2021 alone, 458 law enforcement officers were killed in the line of duty across the country. The names of these dedicated public servants are engraved on the walls of the National Law Enforcement Officers Memorial in Washington, D.C.; and

Whereas, Michigan's fallen officers will never be forgotten, nor will their service to their respective communities. By choosing to commit themselves to law enforcement, these brave individuals answered the call for service and willingly put their lives in jeopardy. We commend them for recognizing service as a noble career, and protecting the public safety; and

Whereas, Michigan citizens have turned to members of law enforcement for assistance and support in times of distress, whether they are coping with a personal crisis, or struggling through civil disorder or a natural disaster. Our communities rely on these courageous individuals when it is difficult to stand on our own, and we are indebted to the unwavering public service of our local and state police. We are indeed fortunate and grateful for the contributions of law enforcement officers to the people of this state; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare May 15-21, 2022, as Police Week in the state of Michigan. We publicly salute the service of law enforcement officers in our state and nation and honor police who place their lives on the line for the safety and security of their communities.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Kупpa, Brenda Carter, Stone, Garza, Hertel, Scott, Brixie, Neeley, Steckloff, Hood, Rogers, Pepper, Whitsett, Jones, Yancey Glanville, Haadsma, Hope, Morse, Sowerby, Thanedar and Young offered the following resolution:

**House Resolution No. 298.**

A resolution to urge Congress to pass legislation to recognize the critical role of direct support professionals.

Whereas, Direct support professionals provide crucial services to individuals living with disabilities. These professionals may assist with daily tasks, provide career support, and help individuals with disabilities participate in their communities; and

Whereas, The direct support workforce is in crisis. On average, direct support professionals earn a wage of \$12.50 per hour. Many direct support professionals face high stress and receive little recognition, leading to career burnout. The field experiences an average annual turnover rate of 45 percent; and

Whereas, Turnover among frontline workers is a critical cost driver for the behavioral health and long-term care systems, affecting the fiscal health of providers, the quality of care that individuals receive, and the efficiency of resource allocation within the public payer system; and

Whereas, United States Senate Bill 1437 of 2021, titled "Recognizing the Role of Direct Support Professionals Act," would require the Director of the Office of Management and Budget to establish a separate code for direct support professionals in the Standard Occupational Classification system. Doing so would not only allow for more accurate data collection, but it would also recognize the critical role that direct support professionals have in supporting individuals with disabilities across the United States; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States Congress to pass legislation to recognize the critical role of direct support professionals; and be it further

Resolved, That copies of this resolution be transmitted to the Speaker of the United States House of Representatives, the President of the United States Senate, and the members of the Michigan congressional delegation.
