Rep. Beau Matthew LaFave, from the 108th District, offered the following invocation:

“In the name of the Father, Son and Holy Spirit

Lord, watch over the 10,000,000 souls in the State of MI. In today’s world of instant gratification, 24/7 cable news and social media, it is easy to criticize leaders for not acting expeditiously enough, It is similarly tempting for leaders to only listen to the loudest voices, ignore the potential wisdom of our perceived political opponents, and accept silence as tacit of expressed approval.

Unlike You, Lord, this world and we who inhabit it, are not perfect. This is not due to a lack of trying on the part of the citizens or their temporary leaders. Grant us wisdom to be prudent and the virtue of patience. Your will will be done on Your timeline. Show us the way to accomplish it.

This we pray in the name of the Father, the Son and the Holy Spirit.”

Rep. Rabhi moved that Reps. Brixie, Jones and Whitsett be excused from today’s session.
The motion prevailed.

Rep. Frederick moved that Rep. Mekoski be excused from today’s session.
The motion prevailed.

House Resolution No. 312.

A resolution to declare June 12, 2022, as Women Veterans Recognition Day in the state of Michigan.

Whereas, Women have proudly served their country throughout all periods of the history of the United States, whether disguised as male soldiers during the American Revolution and Civil War, as nurses in World War I, or as combat helicopter pilots in Afghanistan; and

Whereas, Women have formally been a part of the United States Armed Forces since the inception of the Army Nurse Corps in 1901, but have informally served since the inception of our nation's military; and

Whereas, During the American Revolution, women served on the battlefield alongside the men, mainly as nurses, water bearers, often called "Molly Pitchers," cooks, laundresses, and saboteurs. Despite Army regulations that only men could enlist, women who wanted to join in the fighting circumvented the rules by masquerading as young men or boys; and

Whereas, In 1917, the Navy announced it would open enlistment to women. About 12,000 female yeomen entered the Navy and filled a variety of jobs including draftsmen, interpreters, couriers, and translators; and

Whereas, During World War I, 307 women enlisted in the Marine Corps. Like their sisters in the Navy, they were limited to the enlisted ranks and worked mainly in Washington, D.C. doing various administrative jobs. Women's service contributions in World War I showed that they either had or could quickly learn nontraditional skills needed by the military; and

Whereas, Following Pearl Harbor, Congress authorized new components for women's services that increased the number of active duty positions in the Army and Navy Nurse Corps. In May 1942, the Army was given the authority to establish the Women's Army Auxiliary Corps (WAAC). The Navy, Coast Guard, and Marine Corps followed suit, but rather than making women an auxiliary component, they opted to enroll them in the reserves on the same basis as their male counterparts, while the Army Air Forces enlisted nearly 1,100 female civilian volunteers who earned their silver wings as Women Airforce Service Pilots (WASP); and

Whereas, At the end of World War II in 1945, of the approximately 12 million people remaining in the Armed Forces, about 280,000 were women; and

Whereas, With the passage of the Women's Armed Services Integration Act of 1948, women became a permanent part of the United States military but continued to be restricted to two percent of the military population. That restriction was finally lifted in 1967 with an amendment to the Women's Armed Services Integration Act, which also opened senior officer ranks to women; and

Whereas, The early 1990s were a historic time in the military with over 40,000 women deploying in support of the Persian Gulf War, making women service members more visible in the eyes of the public. In addition, the Defense Authorization Act of 1992 repealed combat exclusion laws that had prevented women from flying combat aircrafts; and

Whereas, Women who served in the United States military were often referred to as the "invisible veterans" because their service contributions, until the 1970s, went largely unrecognized by politicians, the media, academia, and the general public; and

Whereas, Even though women have been officially serving in the military since the creation of the Army Nurse Corps in 1901, they have not always been considered qualified for veteran status for the purpose of receiving benefits from the Department of Veterans Affairs. Even after women were granted veteran status, issues of access, exclusion, and improper management of their health care remained; and

Whereas, It was not until well after World War II that women who served in the military began to officially be recognized as veterans; and

Whereas, In the late 1970s and early 1980s, many of the contributions made by women in World War II were formally recognized through laws granting these women official veteran status for their service. This opened the doors for women to take advantage of programs, opportunities, and benefits from the federal and state governments, the Department of Veterans Affairs, and other veteran service organizations; and

Whereas, Over the past 20 years, the Veteran Health Administration (VHA) has introduced initiatives designed to improve health care access and quality of care for women veterans; and

Whereas, In 2008, VHA's Women Veterans Health Strategic Health Care Group began a five-year plan to redesign the nation's health care delivery system for women. A fundamental component of this plan is to ensure that all women veterans have access to comprehensive primary care from skilled women's health providers; and

Whereas, Originally, the 1980 decennial census marked the first time that information on women veterans was ever captured in a large national survey. At the time of the 1980 decennial census, women made up just over two percent of the veteran population. Today, that proportion has increased to almost eight percent; and

Whereas, There are currently over two million women veterans living in the United States and Puerto Rico. Of this number, nearly 44,000 make Michigan their home; now, therefore, be it

Resolved by the House of Representatives, That members of this legislative body declare June 12, 2022 as Women Veterans Recognition Day in the state of Michigan; and be it further

Resolved, That we urge all Michiganders to honor women veterans on this momentous occasion.

The question being on the adoption of the resolution,

Rep. Frederick moved that consideration of the resolution be postponed temporarily.

The motion prevailed.

By unanimous consent the House considered **House Resolution No. 313** out of numerical order.

Reps. Roth, Allor, Rogers, Markkanen, Borton, Cherry, Maddock, Bezotte, Garza, Glanville, Haadsma, Hood, Morse, Sabo, Sneller, Steenland and Young offered the following resolution:

House Resolution No. 313.

A resolution to declare June 4-11, 2022, as Boating and Fishing Week in the state of Michigan.

Whereas, Michigan is home to more than 800,000 registered boats and an estimated 600,000 non-registered canoes and kayaks. Michigan is also home to an estimated 4 million boating enthusiasts, and

Whereas, Michigan ranks third nationally in boating registration and ranks as the third largest boating market in the country; and

Whereas, Recreational boating has an annual \$7.8 billion impact on the state's economy and the boating industry provides more than 58,000 jobs in Michigan; and

Whereas, In Michigan, recreational boaters are never farther than 6 miles from a lake or stream. Michigan has 11,037 inland lakes and ponds and 36,350 miles of rivers and streams; and

Whereas, Michigan has 1,300 public access sites, more than 1000 marinas, and 80 Harbors of Refuge available for boaters to launch and or store their vessels; and

Whereas, Michigan has 3,288 miles of Great Lakes shoreline which exceeds that of the United States Atlantic general coastline of 2,069 miles; and

Whereas, Michigan's Harbors program provides that boaters are never more than 30 miles from a safe harbor when boating Michigan's Great Lakes shoreline; and

Whereas, Michigan's varied water surfaces are home to 154 species of fish which enhance the incredible range of freshwater boating experiences for all types and sizes of recreational watercraft; and

Whereas, Fifty percent of all boating activity is fishing-related. Boating and fishing are recreational activities open to individuals of any age and agility; and

Whereas, Boating and fishing offer a safe, outdoor, recreational opportunity to commune with nature, destress, and spend quality time with friends and family making memories that last a lifetime; and

Whereas, Michigan Boating and Fishing Week is an opportunity for government to join forces with recreational boating associations, businesses, manufacturers, groups, organizations, clubs and citizens to promote boating and the abundance of freshwater resources Michigan has to offer its citizens and visitors; and

Whereas, 2022 celebrates the 75th anniversary of the Michigan State Waterways Commission and is to be honored by celebrating the deep connection between Michigan's maritime history and a commitment to the sustainability of the natural resources now and into the future; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 4-11, 2022, as Boating and Fishing Week in the state of Michigan.

The resolution was referred to the Committee on Natural Resources and Outdoor Recreation.

By unanimous consent the House considered **House Resolution No. 314** out of numerical order.

Reps. Sneller, Ellison, O'Neal, Scott, Rabhi, Koleszar, Hope, Neeley, Brabec, Glanville, Cavanagh, Lasinski, Puri, Camilleri, Hood, Sowerby, Manoogian, Morse, Tyrone Carter, Young, Rogers, Pohutsky, Cherry, Garza, Haadsma, Sabo, Steenland, Thanedar and Weiss offered the following resolution:

House Resolution No. 314.

A resolution to recognize June 2022 as Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month in the state of Michigan.

Whereas, Pride began 52 years ago in 1970 with the one year anniversary of the Stonewall Riots. In 1969, a black trans woman named Marsha P. Johnson, along with other LGBTQ individuals, risked their lives to protest the over-policing of the LGBTQ community and the injustice that threatened their existence on a daily basis. This multi-day protest became known as the Stonewall Riots and is credited by many for starting the modern-day LGBTQ equality movement; and

Whereas, The LGBTQ movement has endured through tragedy and struggle, including the slow and insufficient government response to assist those with HIV/AIDS and the ongoing effort today to protect the rights of the LGBTQ community; and

Whereas, The movement has also celebrated victories of recognition, especially the historic *Obergefell v. Hodges* decision in 2015 which affirmed marriage equality nationwide and the recent *Bostock v. Clayton County* decision in 2020 that upheld federal employment protections for the LGBTQ community; and

Whereas, Everyone in Michigan benefits from the multiple talents, viewpoints, and cultural backgrounds of all of its residents and from preserving the freedom, worth, and dignity of those in the LGBTQ community; and

Whereas, Michigan should expend all efforts to attract and retain talent and signal to the nation we are welcoming to all those who wish to contribute to the economic vitality of our state; and

Whereas, The people of Michigan understand, appreciate, and value the cultural, civic, and economic contributions of the LGBTQ communities to the greater community of the state, and affirm a celebration of love, living authentically, and accepting ourselves; and

Whereas, June is recognized and celebrated as LGBTQ Pride Month throughout the country and worldwide; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body recognize June 2022 as Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Month in the state of Michigan.

The resolution was referred to the Committee on Rules and Competitiveness.

Reps. Manoogian, Rabhi, Kahle, Weiss, Aiyash, Bezotte, Brabec, Tyrone Carter, Cherry, Garza, Glanville, Haadsma, Hood, Hope, Koleszar, Morse, Rogers, Sabo, Sneller, Sowerby, Steenland, Thanedar and Young offered the following resolution:

House Resolution No. 311.

A resolution to declare June 2022 as Alzheimer's and Brain Awareness Month in the state of Michigan.

Whereas, Alzheimer's disease, a progressive neurodegenerative brain disorder, tragically robs individuals of their memories and leads to progressive mental and physical impairments; and

Whereas, There are no known treatments to prevent, cure, or even delay the onset or slow the progression of Alzheimer's disease; and

Whereas, An estimated 5.6 million people aged 65 and over have Alzheimer's disease and another 200,000 people under age 65 have younger-onset Alzheimer's disease; and

Whereas, In Michigan, there are an estimated 190,000 people aged 65 and over currently living with Alzheimer's, with that number projected to grow to 220,000 by 2025; and

Whereas, Alzheimer's disease is the sixth leading cause of death in the United States and the fifth leading cause among the elderly; and

Whereas, According to the Alzheimer's Association's Facts and Figures report, the direct costs of caring for those with Alzheimer's is valued at \$271 billion and more than 11 million caregivers provided over 16 billion hours of unpaid care for those with Alzheimer's and other dementias in 2021. In Michigan, 466,000 family members and friends cared for people with Alzheimer's and other dementias, providing 495 million hours of unpaid care; and

Whereas, The state of Michigan recognizes the efforts of the Alzheimer's Association to raise funds and promote awareness to fight Alzheimer's disease and other dementias, thereby improving the quality of human life for those living with Alzheimer's disease, their families and their caregivers; and

Whereas, The month of June 2022 has been declared Alzheimer's Month to help spread awareness and educate the public on this debilitating disease and the need to increase efforts to combat its human and economic costs; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 2022 as Alzheimer's and Brain Awareness Month in the state of Michigan. We recognize the individuals, families, friends, and caregivers dealing with Alzheimer's disease and the researchers who are seeking a cause or cure, and urge all residents to wear purple to help spread awareness of the Alzheimer's Association's vision of imagining a world without Alzheimer's disease.

The question being on the adoption of the resolution,

The resolution was adopted.
