Rep. John Reilly, from the 46th District, offered the following invocation:

“Lord,

We thank You for this day and for constantly knocking on our door seeking us because of Your great love for us. Lord we thank You for coming to this world, to go to battle against the enemy, demonstrating the greatest act of love known to man.

We ask for Your help. Give us eyes to see clearly the battlefield we are on. Help us to know our need to depend on You since we are unable to compete against the powers of this world on our own.

Lord do not let us be deceived by the enemy and his lies, who uses fear to trick us from not trusting Your many promises revealed clearly in Your word.

Grant us the unbelievable, give us the true perspective that You spoke into existence billions of galaxies each containing billions of stars, and with You, by our side, we have nothing to fear.

Finally, Lord remind us Your promise of the abundant life You want to give each one of us which You created in Your image, and in whom You delight.

We ask all this in Jesus’ name. Amen.”

Rep. Frederick moved that Reps. Haadsma, Jones, Mekoski, Pepper and Whitsett be excused from today’s session.

The motion prevailed.

By unanimous consent the House returned to the order of

**Motions and Resolutions**

Rep. Frederick moved that Rule 71 be suspended.

The motion prevailed, 3/5 of the members present voting therefor.

By unanimous consent the House considered **House Resolution No. 322** out of numerical order.

Reps. Sneller, Breen, Tyrone Carter, Cherry, Hertel, Hope, Kuppa, Morse, Pohutsky, Rabhi, Rogers, Sabo, Sowerby, Steenland, Tate, Thanedar and Weiss offered the following resolution:

**House Resolution No. 322.**

A resolution to recognize June 28-July 3, 2022, as Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Week in the state of Michigan.

Whereas, Pride began 52 years ago in 1970 with the one year anniversary of the Stonewall Riots. In 1969, a black trans woman named Marsha P. Johnson, along with other LGBTQ individuals, risked their lives to protest the over-policing of the LGBTQ community and the injustice that threatened their existence on a daily basis. This multi-day protest became known as the Stonewall Riots and is credited by many for starting the modern-day LGBTQ equality movement; and

Whereas, The LGBTQ movement has endured through tragedy and struggle, including the slow and insufficient government response to assist those with HIV/AIDS and the ongoing effort today to protect the rights of the LGBTQ community; and

Whereas, The movement has also celebrated victories of recognition, especially the historic *Obergefell v. Hodges* decision in 2015 which affirmed marriage equality nationwide and the recent *Bostock v. Clayton County* decision in 2020 that upheld federal employment protections for the LGBTQ community; and

Whereas, Everyone in Michigan benefits from the multiple talents, viewpoints, and cultural backgrounds of all of its residents and from preserving the freedom, worth, and dignity of those in the LGBTQ community; and

Whereas, Michigan should expend all efforts to attract and retain talent and signal to the nation we are welcoming to all those who wish to contribute to the economic vitality of our state; and

Whereas, The people of Michigan understand, appreciate, and value the cultural, civic, and economic contributions of the LGBTQ communities to the greater community of the state and affirm a celebration of love, living authentically, and accepting ourselves; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body recognize June 28-July 3, 2022, as Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) Pride Week in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Griffin, Calley, Morse, Rogers, Hall and Frederick offered the following resolution:

**House Resolution No. 318.**

A resolution to oppose the United States Department of Labor's proposed rule change regarding Wagner-Peyser Act Employment Service services without an exception for states like Michigan that previously transferred this work out of state employment.

Whereas, The United States Department of Labor (USDOL) has published a Notice of Proposed Rulemaking (Docket No. ETA-2022-0003) that would reverse current federal policy that allows states maximum flexibility in staffing to provide Wagner-Peyser Act Employment Service (ES) services. The proposal would require states, with no exceptions, to use state merit staff to provide ES services; and

Whereas, Current federal policy has allowed Michigan to use local merit staff to deliver ES services through the local network of Michigan Works! agencies. In 2021, these agencies provided services to over 86,000 job seekers; and

Whereas, The current federal policy of staffing flexibility allows for strong local relationships with businesses, higher education, nonprofits, childcare, elementary and secondary education, adult education providers, and other partners. These partnerships allow for more efficient customer service to connect job seekers with in-demand jobs and training opportunities; and

Whereas, The staffing model under the proposed federal changes would negatively impact both job seekers and employers in Michigan and other states that have previously transferred this work out of state employment. The new staffing model would result in staff and service reductions that would limit the ability to provide critical services. The change would also risk the potential loss of several of the 99 full and satellite Michigan Works! American Job Centers across the state; now, therefore, be it

Resolved by the House of Representatives, That we oppose the United States Department of Labor's proposed rule change regarding Wagner-Peyser Act Employment Service (ES) services without an exception for states like Michigan that previously transferred this work out of state employment; and be it further

Resolved, That copies of this resolution be transmitted to the U.S. Secretary of Labor, the members of the Michigan Works! Association Board of Directors, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Workforce, Trades, and Talent.

Reps. Cavanagh, Morse, Aiyash, Young, Pohutsky, Camilleri, Weiss, Sowerby, Steckloff, Tyrone Carter, Brabec, Peterson, Liberati, Hope, Scott, Hood, O'Neal, Pepper, Stone, Kuppa, Anthony, Manoogian, Rabbi, Puri, Brixie, Tate, Yancey, Cherry, Glanville, Rogers, Sneller and Thanedar offered the following resolution:

**House Resolution No. 319.**

A resolution to declare June 23-29, 2022, as Grassroots Week in the state of Michigan.

Whereas, Grassroots Week is a week to appreciate, highlight, and honor precinct delegates and grassroots leaders throughout the state of Michigan; and

Whereas, A healthy democracy requires participation from every person; and

Whereas, The term “grassroots” has come to refer to movements which mobilize masses to participate in politics; and

Whereas, Grassroots movements are often organized by everyday people rather than elected leaders; and

Whereas, Precinct delegates represent the smallest level of organization in our districting system; and

Whereas, Precinct delegates must be residents of their precinct and act as the link between their community and their elected party; and

Whereas, Precinct delegates are often the principal organizers of grassroots work in their neighborhoods, calling upon their network of connections to move forward a worthy cause; and

Whereas, Precinct delegates commit themselves to many important duties, including registering their neighbors to vote and electing candidates in party conventions based on the preferences of their precinct; and

Whereas, Precinct delegates and grassroots organizers are deserving of recognition for their sacrifice of time, energy, and passion that is essential for building participation in our democracy; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 23-29, 2022, as Grassroots Week in the state of Michigan. We salute the service of precinct delegates and grassroots leaders across the state; and be it further

Resolved, That we encourage every Michigan resident to express their gratitude for precinct delegates’ active engagement in our democratic process.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Beeler, Roth, Fink, Allor, Damoose, Bollin, Outman, Borton, Markkanen, Reilly, LaFave, Paquette, Lightner, Carra, Maddock and Bezotte offered the following resolution:

**House Resolution No. 320.**

A resolution to urge the Congress of the United States to permanently extend the Tax Cuts and Jobs Act of 2017 with commensurate spending cuts to avoid increasing the federal tax burden.

Whereas, Prior to government-mandated economic shutdowns during the COVID-19 Pandemic, the Tax Cuts and Jobs Act of 2017 (TCJA) spurred steady economic expansion and allowed the spirit of entrepreneurship to flourish, while creating new jobs and opportunities for tens of millions of Americans. The act resulted in a \$1.5 trillion net tax cut, and was followed by historically low unemployment rates, an increase in business investment, and a \$6,000 increase in real median household income over the next two years. This includes scores of raises and bonuses for workers immediately after the law was adopted; and

Whereas, The TCJA reduced federal tax rates for households across every income level, and this relief resulted in a tax cut of more than \$1,500 for the average middle-income earner. The act had many provisions to reduce the individual income taxes including reductions in personal income tax rates, nearly doubling the standard deduction, and substantially reducing the hated Alternative Minimum Tax (AMT); and

Whereas, The TCJA set an annual cap of \$10,000 on the state and local tax (SALT) deduction, broadening the tax base at the federal level and in many states. This caused state level budget surpluses and lead to many states offering substantial tax relief; and

Whereas, Prior to the TCJA, the top corporate income tax rate in the United States was thirty-five percent, the highest among all nations in the Organization for Economic Co-operation and Development (OECD). The act reduced the tax rate to twenty-one percent, bringing the United States back to average among OECD member nations, and dramatically enhancing American competitiveness; and

Whereas, Many significant provisions of the TCJA are set to expire after December 31, 2025. Allowing these provisions to expire would result in a massive federal tax increase on hardworking American taxpayers, a significant decline in American competitiveness, fewer jobs, reduced wage income for workers, and higher prices. In addition, the expiration of these provisions would incentivize many states to return to a period of higher taxes and inflated spending; and

Whereas, More than 100 million American taxpayers from all income groups, but especially those in the middle and working classes, have enjoyed real tax relief due to the TCJA. The majority of Americans support making these tax cuts permanent; now, therefore, be it

Resolved by the House of Representatives, That we urge the Congress of the United States to permanently extend the Tax Cuts and Jobs Act of 2017 with commensurate spending cuts to avoid increasing the federal tax burden; and be it further

Resolved, That copies of this resolution be transmitted to the Speaker of the United States House of Representatives, the President of the United States Senate, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Tax Policy.

Rep. Carra offered the following resolution:

**House Resolution No. 321.**

A resolution to declare January 6, 2022, as Remembrance Day in the state of Michigan.

Whereas, The erosion of our constitutional republic has been drastic in the past two years culminating on January 6th, 2021; and

Whereas, A man-made virus outbreak ravaged humanity around the globe; and

Whereas, Racism was on life support until it was revived by the Marxist Black Lives Matter movement that burned down cities around our nation; and

Whereas, Unconstitutional mandates, government intrusion, and power grabs by political elitists subverted freedom and replaced familial and faith-based guidance with mandated obedience to a secular government; and

Whereas, Parents were intimidated and prevented from participating in their children's education as critical race theory, sexual perversion, and social justice indoctrination infiltrated our public schools; and

Whereas, The people of Michigan are growing intolerant with a scheme that redistributes wealth from the working class in our country (and other countries-frequently with minorities working for inhumane wages) to the politically connected and able-bodied people through corporate and individual welfare; and

Whereas, The FBI was found responsible for orchestrating and entrapping individuals in a plot to kidnap the Governor of Michigan; and

Whereas, The FBI improperly raided gubernatorial candidate Ryan Kelley's house over 500 days after January 6th on misdemeanor charges; and

Whereas, Congresswoman Maxine Waters encouraged the intimidation and mistreatment of certain individuals over political differences and incited violence in our streets; and

Whereas, The January 6th committee couldn't be bothered to investigate Ray Epps and John Sullivan as well as their motives for inciting violence; and

Whereas, U.S. citizens are being indefinitely detained without due process of law while Ray Epps remains free and unquestioned; and

Whereas, Blame for inciting violence has consistently been placed on Donald Trump by mainstream media and others based on unsubstantiated claims; and

Whereas, Nancy Pelosi was content to have our National Guard present for Joe Biden's inauguration and subsequent weeks under inhumane conditions with rotten food but could not be bothered to have the National Guard present when a crowd of hundreds of thousands of people converged in Washington DC; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare January 6, 2022, as Remembrance Day in the state of Michigan. We condemn the tyrannical actions of the government over the past two years; and be it further

Resolved, That we blame a few rogue and malicious agitators, a small fraction of passionate individuals from the crowd in attendance for the rally who got caught up in the moment, and most importantly a lack of proper security on-site, for the damage that was done on January 6, 2021; and be it further

Resolved, That we recognize January 6 for the heinous and tyrannical actions levied on society by an unhinged and politically motivated ruling elite seeking compliance and subversion from the American people; and be it further

Resolved, That all elected officials wittingly complicit in the misinformation scheme resign and apologize for the disgrace they have been to our country; and be it further

Resolved, That copies of this resolution be sent to the Governor of Michigan, the Attorney General of Michigan, the Secretary of State of Michigan, Congresswoman Maxine Waters, The Biden Administration, and each state and federal department head in Michigan and Washington DC.

The resolution was referred to the Committee on Rules and Competitiveness.

Rep. Hood, having reserved the right to explain her nay vote, made the following statement:

“Mr. Speaker and members of the House:

Our West Michigan farmers and employers of all kinds are hopeful for bi-partisan, federal solutions, that create an accessible border for permitted workers and legal immigration across the Americas and the globe. Immigrants advance our economy rather than hinder it. And finally, safe, efficient, legal immigration is a hallmark of American social mores.”

Rep. Brixie, having reserved the right to explain her nay vote, made the following statement:

“Mr. Speaker and members of the House:

My no vote on this resolution reflects my opposition of inflammatory language of a political nature, in a state building, on government time. We were not sent to Lansing to make purely political statements using the taxpayers’ time and money. There is a time and place for that, and it’s on the campaign trail. I am concerned that continued attacks on immigrants, has and will negatively impact Michigan Farmers and their reliance on legal, migrant farm workers to plant, harvest, and process some of the 38 labor intensive crops grown here.”

Rep. Kuppa, having reserved the right to explain her nay vote, made the following statement:

“Mr. Speaker and members of the House:

I stand in opposition to the resolution because it was passed through Tax Policy Committee without a hearing and any discussion on its merits and its relevance to the Committee.

I support our national sovereignty: we must enforce our laws and secure our borders, and ensure that our immigration laws are serving our nation well. This resolution does not offer any solutions to our outdated immigration policies, and instead contains inflammatory language of a partisan political nature. We were not sent to Lansing to make purely political statements using the taxpayers’ time and money.”

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Hope, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted no on House Bill 4640 because I am concerned that it could have a disparate impact on Black parents and other parents of color. The bill presents constitutional issues, and it could result in more children being unnecessarily removed from their homes. ‘Threat of harm’ is already sufficiently addressed under current law. This terminology as passed is too broad.”
