Heavenly Father, we praise Your name forever. We come to You humbly and ask for Your continued favor, that we do not deserve yet You give us freely. The Bible tells us in Ephesians 3:12 that because of Christ and our faith in Him, we can come boldly and confidently into Your presence.

And so, we come into Your presence now, God. We ask You to bless this body and its members that we may work together for Your glory, that we may set aside our own selfish desires, and work to show love to our neighbors as You have commanded. Guide the works of our hands and of our hearts and help us to put on a spirit of compassion, kindness, humility, gentleness, and patience.

We pray for these things in the name of Your Son, Jesus Christ. Amen.

Senator Santana's statement is as follows:

Thank you to everyone in this chamber for supporting Senate Bill No. 788. This legislation recognizes the unique challenges that quite often are overlooked, sacrifices of our fastest-growing veteran population: women veterans. According to the United States Department of Veterans Affairs, the state of Michigan is home to the 15th-largest women veteran populations with over 46,000 women veterans. Currently, 17 other states identify women veterans for their sacrifice with a plate identifying the woman as the veteran. On June 12, 2023, Michigan celebrated the 75th anniversary of the Women's Armed Services Integration Act and made women veterans a permanent holiday for the state. Women veterans in 2000 made up only 4 percent of the veteran population and by 2040, will be 18 percent of the veteran population. We must recognize the sacrifices of the fastest-growing veteran population. This bill allows women veterans to identify themselves and apply for a women veterans plate. I am grateful that we will recognize the contributions that these mothers, sisters, and daughters, have made to the United States military and that we are formally recognizing their dedication. Thank you all so much for your support, and I look forward to the bill signing into law.
