*As of February 7, 2023.

- Major Boilerplate Changes from FY 2022-23 Year-to-Date:**
- Deleted - Citing a variety of reasons such as Constitutionality, Enforceability, and Necessity; but in some cases, no explanation was provided.** The Senate proposed eliminating the following sections from current-year boilerplate. Sec. 214 (Legacy Cost Reporting), 219 (Interdepartmental Transfers), 223 (COVID-19 Vaccination), 241 (Incident Notification), 408 (Land Transaction Reports), 506 (Deer Harvest), 901 (Snowmobile Registration Fees), 902 (Marine Safety Grant Reports), 903 (Body Camera Language), 1201-1203 (One-time Removal).
 - Modified - Amendments made to streamline reporting and partially removed provisions of certain sections.** The Senate proposed amending the following sections: Sec. 201 (Payments to Locals) to require the state budget director to report differences in payments, 210 (Expenditure of Unanticipated Revenues) to streamline receipt and expenditure of such funds, 802 (Timber Harvest Report) to change the report from quarterly to annual.
 - NEW Sections - Included language to address the implementation of new programs and one-time appropriations.** The Senate proposed adding the following sections: Sec. 242 (Prohibiting the consolidation of DNR labs), 252 (Allows for the expenditure of revenues in the Invasive Species Fund), 303 (Receipt and expend language relating to the operation of the Carbon Credit Program), 1201 (One-time Appropriation for Invasive Species Prevention and Control), 1203 (One-time Appropriation for Forest Land Management), and 1204 (One-time Appropriation for State Parks Projects).
