25 holiday under this act not less than 60 days before the first day  
26 of the calendar month in which the exemption period will begin.

27 (2) A purchase of eligible property under a layaway sale  
28 qualifies for a use tax holiday exemption if either of the

1 following applies:

2 (a) Final payment on a layaway order is made by, and the  
3 property is given to, the purchaser during the exemption period.

4 (b) The purchaser selects the property and the retailer  
5 accepts the order for the item during the exemption period, for  
6 immediate delivery upon full payment, even if delivery is made  
7 after the exemption period.

8 (3) If the seller offers a discount on eligible property, the  
9 discount reduces the purchase price of the property and the  
10 discounted purchase price determines whether the purchase price is  
11 within a use tax holiday price threshold. If a discount applies to  
12 the total amount paid by a purchaser rather than to the purchase  
13 price of a particular item and the purchaser has purchased both  
14 eligible property and taxable property, the seller must allocate  
15 the discount based on the total purchase prices of the taxable  
16 property compared to the total purchase prices of all property sold  
17 in that same transaction.

18 (4) A coupon that reduces the purchase price is treated as a  
19 discount under subsection (3) if the seller is not reimbursed for  
20 the coupon amount by a third party.

21 (5) Articles normally sold as a single unit must continue to  
22 be sold as a single unit during a use tax holiday. Such articles  
23 must not be priced separately and sold as individual items in order  
24 to obtain a use tax holiday exemption.

25 (6) Eligible property that a customer purchases during the  
26 exemption period with the use of a rain check qualifies for the use  
27 tax holiday exemption regardless of when the rain check was issued.  
28 Issuance of a rain check during the exemption period does not  
29 qualify eligible property for the use tax holiday exemption if the

1 property is actually purchased after the exemption period.

2 (7) All of the following provisions apply to an exchange made  
3 in regard to a use tax holiday:

4 (a) If a customer purchases an item of eligible property  
5 during the exemption period, but later exchanges the item for a  
6 similar eligible item, even if a different size, different color,  
7 or different with respect to another feature, no additional tax is  
8 due even if the exchange is made after the exemption period.

9 (b) If a customer purchases an item of eligible property  
10 during the exemption period, but after the exemption period has  
11 ended, the customer returns the item and receives credit on the  
12 purchase of a different item, the appropriate use tax is due on the  
13 purchase of the newly purchased item.

14 (c) If a customer purchases an item of eligible property  
15 before the exemption period, but during the exemption period the  
16 customer returns the item and receives credit on the purchase of a  
17 different item of eligible property, no use tax is due on the  
18 purchase of the new item if the new item is purchased during the  
19 exemption period.

20 (8) For purposes of determining a use tax holiday price  
21 threshold, if all the property in a shipment qualifies as eligible  
22 property and the purchase price for each item in the shipment is  
23 within the use tax holiday price threshold, then the seller does  
24 not have to allocate the delivery, handling, or service charge to  
25 determine if the price threshold is exceeded and the shipment is  
26 considered a purchase of eligible products. If the shipment  
27 includes eligible property and taxable property, including an  
28 eligible item with a purchase price in excess of the price  
29 threshold, the seller must allocate the delivery charge by using 1

1 of the following methods and tax the delivery charge allocated to  
2 the taxable property:

3 (a) A percentage based on the total purchase prices of the  
4 taxable property compared to the total purchase prices of all  
5 property in the shipment.

6 (b) A percentage based on the total weight of the taxable  
7 property compared to the total weight of all property in the  
8 shipment.

9 (9) For the purpose of a use tax holiday, eligible property  
10 qualifies for exemption if either of the following requirements is  
11 met:

12 (a) The item is both delivered to and paid for by the customer  
13 during the exemption period.

14 (b) The customer orders and pays for the item and the seller  
15 accepts the order during the exemption period for immediate  
16 shipment, even if delivery is made after the exemption period. The  
17 seller accepts an order when the seller has taken action to fill  
18 the order for immediate shipment. Actions to fill an order include  
19 placement of an "in date" stamp on a mail order or assignment of an  
20 "order number" to a telephone order. An order is for immediate  
21 shipment if the customer does not request delayed shipment. An  
22 order is for immediate shipment notwithstanding that the shipment  
23 may be delayed because of a backlog of orders or because stock is  
24 currently unavailable to, or on back order by, the seller.

25 (10) For a 60-day period immediately after a use tax holiday  
26 exemption period, if a customer returns an item that would qualify  
27 for the exemption, no credit for or refund of use tax shall be  
28 given unless the customer provides a receipt or invoice that shows  
29 that use tax was paid, or the seller has sufficient documentation

1 to show that use tax was paid on the specific item. The 60-day  
2 period under this subsection is set solely for the purpose of  
3 designating a time period during which the customer must provide  
4 documentation that shows that use tax was paid on returned  
5 merchandise. The 60-day period under this subsection does not  
6 change a seller's policy on the time period during which the seller  
7 will accept returns.

8 (11) The time zone of the seller's location determines the  
9 authorized time period for a use tax holiday when the purchaser is  
10 located in one time zone and a seller is located in another.

11 (12) As used in this section:

12 (a) "Eligible property" means an item of a type that qualifies  
13 for a use tax holiday exemption under this act.

14 (b) "Layaway sale" means a transaction in which property is  
15 set aside for future delivery to a customer who makes a deposit,  
16 agrees to pay the balance of the purchase price over a period of  
17 time, and, at the end of the payment period, receives the property.  
18 An order is accepted for layaway by the seller when the seller  
19 removes the property from normal inventory or clearly identifies  
20 the property as sold to the purchaser.

21 (c) "Rain check" means the seller allows a customer to  
22 purchase an item at a certain price at a later time because the  
23 particular item was out of stock.
