Rep. Carol Glanville, from the 84th District, offered the following invocation:

“As we approach our work, let us invoke reason, wisdom, clarity, courage, and above all else, compassion in our decision-making. Let us open our hearts and minds to truly hear, understand, and accept the lived experiences of others. Striving to be just and equitable in our actions, seeking the common good above all else.

Let us engage in constructive dialogue and seek common ground as we tackle the challenges that face our state. And as we work amongst ourselves, with stakeholder groups, and individual constituents, may we approach others with equanimity, respect, and openness.

And finally, let us be grateful for the trust that has been placed in us. May we use this privilege to serve with humility and dedication, always mindful of the greater good.

Amen.”

Rep. Aiyash moved that Rep. Bierlein be excused from today’s session.
The motion prevailed.

Motions and Resolutions

By unanimous consent the House considered **House Resolution No. 277** out of numerical order.

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 277.

A resolution of tribute offered as a memorial for Paul E. Muxlow, former member of the House of Representatives.

Whereas, It was with great sorrow that the members of the House of Representatives learned about the passing of Paul Muxlow. He will be remembered as a dedicated public servant by his constituents in the Thumb and the people of the state of Michigan; and

Whereas, Paul Muxlow had deep roots in the Thumb long before he entered the Legislature. He was a 1956 graduate of Brown City High School who went on to serve in the Air National Guard and earn degrees from Eastern Michigan University, the University of Michigan, and Siena Heights University. After beginning a teaching career at Ferndale High School and Henry Ford Community College, he returned to Brown City and spent 20 years working at the Lapeer County Education & Technology Center. He also owned Muxlow’s Drug Store and had success as a real estate broker, being twice named Red Carpet’s Top Salesman of the Year; and

Whereas, Paul was also a pillar of his community. Beginning in 1976, he was elected to six consecutive terms on the Brown City Community Schools Board of Education. He also served on the Sanilac Intermediate School District Board of Education, the Sanilac County Economic Development Commission, and the Board of Directors of Marlette Regional Hospital; and

Whereas, In 2010, Paul was first elected to the House of Representatives, where he went on to serve three terms. In his time in the House, he developed a reputation of being an extremely principled advocate for the causes he believed in. He championed the Scrap Metal Regulatory Act to make it more difficult for thieves to steal copper and other metals, as well as “Logan’s Law,” which made the Internet Criminal History Access Tool available to animal shelters so that they could determine whether an individual seeking to adopt an animal had previously been convicted of an animal abuse offense; and

Whereas, Through it all, Paul Muxlow was supported by his loving family. He married his wife, Elizabeth, in 1964, and they had three sons—Jeff, Doug, and Matt—who all made Paul proud; and

Whereas, Upon Paul Muxlow’s passing, we offer our condolences to his loved ones. Paul Muxlow’s contributions to this chamber and the state of Michigan will be remembered; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Paul E. Muxlow, a member of the House of Representatives from 2011 to 2016; and be it further

Resolved, That copies of this resolution be transmitted to the Muxlow family as evidence of our lasting esteem for his memory.

The question being on the adoption of the resolution,

The resolution was adopted by unanimous standing vote.

The Speaker called the Speaker Pro Tempore to the Chair.

House Resolution No. 271.

A resolution to declare June 2024 as Dairy Month in the state of Michigan.

Whereas, Michigan's dairy industry is one of the largest agricultural industries in our state with an annual economic impact of \$24.36 billion and our state's dairy farmers and processors play an important role in feeding Michiganders and people across the nation; and

Whereas, Michigan has 993 permitted dairy farms of all sizes in our state, with farmers who take pride in producing safe, nutritious, and delicious products for Michiganders; and

Whereas, There are 440,000 dairy cows on dairy farms of all sizes in our state, which produced twelve billion pounds of milk in 2023, ranking Michigan sixth in the nation for milk production; and

Whereas, Michigan's dairy industry generates nearly 111,000 jobs directly and indirectly, both on and off the farm; and

Whereas, Michigan ranks first in milk production per cow among all states in the United States with an average of 27,564 pounds produced per cow in 2023; and

Whereas, Michigan dairy businesses have a range of technologies, from large dairy processors with automated 'robotic' milking systems to smaller on-farm artisanal cheese makers. Dairy processing in Michigan supports farm families and communities across the state and keeps healthy, nutritious dairy products affordable for all residents; and

Whereas, Dairy products, including milk, cheese, sour cream, ice cream, and more, are both delicious and nutritious. Milk alone provides 22% of the calcium, 40% of the vitamin D and 10% of the potassium in the American diet. Research shows that healthy eating styles, including low-fat and fat-free dairy foods, are linked to a reduced risk of some of the most prevalent chronic diseases in the U.S., as well as improved bone health; and

Whereas, National Dairy Month is traditionally celebrated in June to encourage Americans to reduce the risks of osteoporosis, high blood pressure, obesity, and colon cancer through consumption of dairy products and help parents and caregivers teach children the importance of healthy eating habits, good nutrition, and physical activity, and how dairy fits into a well-balanced, healthy meal plan; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 2024 as Dairy Month in the state of Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

By unanimous consent the House considered **House Resolution No. 273** out of numerical order.

Reps. Fitzgerald, Tyrone Carter, Bezotte, Brabec, Breen, Byrnes, Glanville, Haadsma, Hill, Liberati, Paiz, Rogers, Wilson and Young offered the following resolution:

House Resolution No. 273.

A resolution to declare June 1-7, 2024, as CPR and AED Awareness Week in the state of Michigan.

Whereas, Michigan communities were saddened by the tragic sudden death of Wes Leonard in 2011, a young student-athlete, after a high school basketball game in Fennville. This young athlete was not the first victim of sudden cardiac arrest and he will not be the last. Tragedies such as these, however, have boosted support for successful efforts to ensure that external defibrillators are more readily available; and

Whereas, Other young student-athletes, adult coaches, adult spectators and even some young spectators may be at risk of sudden cardiac arrest. There are often no warning signs or symptoms that someone may fall victim to sudden cardiac arrest. When sudden cardiac arrest occurs, action must be swift. The administration of CPR and restoration of the heart rhythm with an automated external defibrillator, or AED, device in the first minutes after an arrest buys time for first responders to treat and transport a victim to a hospital where more lifesaving measures can be administered; and

Whereas, Across the state, our schools are gathering places for many people in our communities. Families and friends that attend events at schools increase the likelihood that someone might suffer a sudden cardiac arrest. It makes sense to locate AED devices where large crowds gather to increase the chance that this technology will be available when an arrest occurs. This legislative body responded to this risk by requiring AEDs in every school alongside lifesaving training and response plans; and

Whereas, More communities need to work together to make AED devices available in public spaces. The state, schools, and communities are working to acquire these devices and develop response plans for use at athletic and other public events. Training is inexpensive, and AEDs are easy to use. Response plans can outline the training and procedures for making an AED device accessible at a site where the crowd is gathered. Planning need not be onerous, but is necessary to make sure the procedure is consistent with how community facilities are used and trained users are present and ready to use an AED at events; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 1-7, 2024, as CPR and AED Awareness Week in the state of Michigan; and be it further

Resolved, That the House of Representatives declares the importance of CPR training and AEDs in public spaces and their capacity to save the lives of young and old alike.

The question being on the adoption of the resolution,

Rep. Fitzgerald moved to substitute (H-1) the resolution as follows:

Substitute for House Resolution No. 273.

A resolution to declare June 1-7, 2024, as CPR and AED Awareness Week in the state of Michigan.

Reps. VanderWall, Bezotte, Breen, Glanville, Haadsma and Liberati offered the following resolution:

House Resolution No. 274.

A resolution to declare June 2024 as Professional Pest Management Month in the state of Michigan.

Whereas, Effective pest management in homes, businesses, and public places throughout our state is an important factor in maintaining the health and well-being of all Michiganders; and

Whereas, Pest management professionals help protect Michigan's food supply, homes, and the environment from disease and pest-related illnesses by practicing environmentally-friendly pest control methods; and

Whereas, The Michigan Pest Management Association provides networking and leadership opportunities for Michigan's pest management professionals and is recognized for its efforts to protect our environment as well as to ensure the safe and effective use of pest management materials; and

Whereas, Through its website www.pestworld.org, the National Pest Management Association is committed to educating the public about the dangers posed by pests and the damage they can cause; and

Whereas, Professional Pest Management Month offers all Michiganders an opportunity to understand and appreciate the important role that pest management providers play in ensuring the welfare of Michiganders; now, therefore, be it

House Resolution No. 275.

A resolution to declare June 15, 2024, as World Elder Abuse Awareness Day in the state of Michigan.

Whereas, Michigan's older adults are valued members of our state, and it is our responsibility to ensure their safety and minimize crimes against them; and

Whereas, One in ten older adults in the United States experience abuse, neglect and exploitation and crimes against older adults often go unnoticed and unreported, leaving victims without the help and support they need; and

Whereas, All Michigan residents should watch for signs of abuse, such as physical trauma, withdrawal, depression, anxiety and fear of family members, friends, or caregivers; efforts to identify, report and investigate elder abuse are critically important in reducing the harm to older adults; and

Whereas, To help victims and to prevent more older adults from being victimized, we urge Michiganders to learn more about the signs of elder abuse and how to report it; on this day, we join with the Michigan Department of Health and Human Services Division of Adult Services and the Attorney General to help raise awareness of elder abuse in Michigan; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 15, 2024, as World Elder Abuse Awareness Day in the state of Michigan.

By unanimous consent the House considered **House Resolution No. 276** out of numerical order.

Reps. Zorn, Bezotte, Breen, Glanville, Haadsma, Hill, Paiz, Rogers and Wilson offered the following resolution:

House Resolution No. 276.

A resolution to declare June 11, 2024, as Humanities Day in the state of Michigan.

Whereas, Michigan Humanities was founded in 1974 as part of the National Endowment for the Humanities and has helped Michiganders view the humanities as ideas, words, and activities that help us understand our lives and our world; and,

Whereas, Michigan Humanities connects us to Michigan's rich cultural and historical resources through initiatives that help the people of our state reason together and learn from one another. Through stories, histories, cultures, and conversations, the humanities introduce us to people, places, and ideas; and,

Whereas, The organization supports over five hundred partners annually across the state to examine diverse heritages, traditions, and histories that can point the way to mutual understanding and empathy. These partnerships impact over 300,000 Michiganders each year; and,

Whereas, The grants and programs offered by Michigan Humanities support a variety of projects in Michigan that emphasize collaboration among cultural, educational, and community-based organizations. These grants and programs play a vital role in defining our culture, our state, our community, and ourselves; and,

Whereas, Now fifty years since its founding, Michigan Humanities continues to promote and support humanities programming throughout our state that explores, strengthens, and celebrates expansively and inclusively the stories, histories, and cultures of the people in our state; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 11, 2024, as Humanities Day in the state of Michigan. We call upon our community members to celebrate and promote the humanities in our state.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Brabec, Morse, Weiss, Conlin, Glanville, Arbit, MacDonell, Xiong, Grant, Rheingans, Koleszar, Churches, Martus, Skaggs, Hoskins, Wegela, Wilson, Fitzgerald, Brixie, Mentzer, Liberati, Paiz, McFall, Andrews, Coffia, Breen, Hope, Byrnes, Snyder, Price, Steckloff, Scott, Tsernoglou, Tyrone Carter, Brenda Carter, Young, O'Neal, Dievendorf, Edwards, Neeley, McKinney, Aiyash, Morgan, Puri, Rogers, Hood, Pohutsky, Haadsma and Whitsett offered the following resolution:

House Resolution No. 272.

A resolution to declare June 7, 2024, as Gun Violence Awareness Day in the state of Michigan.

Whereas, We honor and remember all victims and survivors of gun violence, especially those affected by the tragedies at Michigan State University and Oxford High School; and

Whereas, The effects of gun violence in the United States are pervasive and all-encompassing on every community; and

Whereas, Michigan has 1,406 gun deaths every year, with a rate of 14 deaths per 100,000 people, a crisis that costs the state \$16.8 billion each year, of which \$380.5 million is paid by taxpayers. Michigan has the 28th highest rate of gun deaths in the US; and

Whereas, Every day, more than 120 Americans are killed by gun violence and more than two hundred are shot and wounded, with an average of more than 18,000 gun homicides every year; and

Whereas, Americans are twenty-six times more likely to die by gun homicide than people in other high-income countries; and

Whereas, Since 1968, more individuals have died from guns in the United States than have died in the battlefields of all the wars in United States' history; and

Whereas, Protecting public safety in the communities they serve is among a legislator's highest responsibilities; and

Whereas, Support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with keeping guns away from people that shouldn't have them; and

Whereas, Gun violence prevention is more important than ever as we see an increase in firearm homicides, and nonfatal shootings across the country, increased calls to domestic violence hotlines, and an increase in city gun violence; and

Whereas, In January 2013, Hadiya Pendleton was tragically shot and killed at age 15. On June 7, 2024, to recognize the 27th birthday of Hadiya Pendleton (born June 2, 1997), people across the United States will recognize National Gun Violence Awareness Day and wear orange in tribute to her and other victims of gun violence, and the loved ones of those victims; and

Whereas, The idea was inspired by a group of Hadiya's friends, who asked their classmates to commemorate her life by wearing orange; they chose this color because hunters wear orange to announce themselves to other hunters when out in the woods, and orange is a color that symbolizes the value of human life; and

Whereas, Anyone can join this campaign by pledging to wear orange on June 7th, the first Friday in June in 2024, to help raise awareness about gun violence; and

Whereas, By wearing orange on June 7, 2024, Americans will raise awareness about gun violence and honor the lives of gun violence victims and survivors; and

Whereas, We renew our commitment to reduce gun violence and pledge to do all we can to keep firearms out of the hands of people who should not have access to them, and encourage responsible gun ownership to help keep our families and communities safe; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 7, 2024, as Gun Violence Awareness Day in the state of Michigan; and be it further

Resolved, That we encourage all citizens to support their communities' efforts to prevent the tragic effects of gun violence and to honor and value human life all in an effort to end this public health crisis.
