Pastor Matt Rohde, Head Pastor of Springport Bible Church in Springport, offered the following invocation:

“Dear Lord and heavenly Father. We lift up the great state of Michigan and the leaders in this room in Jesus name. We declare that loving kindness and mercy, truth, and faithfulness preserve those in authority and their offices. Like a river, Lord we ask that You direct the decisions made by the leadership in this room. We ask that the honest and just men and women in authority have discernment, understanding, and knowledge so that they remain in their positions for long durations and that the state in which we reside will remain stable. We declare that the righteous will be in authority in the state of Michigan and that their offices shall be established and made secure by righteousness. We thank You for Your truth and bind any plans to stop Your good news from being spread to those in the state of Michigan. We declare that the upright shall dwell in the government. That men and women of integrity blameless and complete in Your sight shall remain in their positions. We declare that the wicked shall be cut off and that fraud or treachery shall be rooted out in Jesus name. Lord we ask that You bind the works of the wicked and have them removed from among the good. Lord we bind and rebuke any and all corruption right now. We break the power of the enemy in the name of Jesus so that we may live a quiet and peaceful life in all Godliness and honesty. Lord we ask that skillful and Godly wisdom will enter and overflow in the heart of all of the leaders in this room. We pray that knowledge shall be pleasant to them, that discretion will watch over them, and that understanding will keep those in authority and places of leadership and deliver them from the ways of evil. And last of all Lord I pray for civility and understanding as things are discussed and voted upon in this room. The word of God instructs us that we are to love God and love people. Even though we might disagree with each-other let us still show respect and love for one another. In Your heavenly holy name we pray amen.”

Rep. Aiyash moved that Rep. St. Germaine be excused from today’s session.
The motion prevailed.

Messages from the Senate

Senate Concurrent Resolution No. 19.

A concurrent resolution offered as a memorial for Nancy C. Cassis, former member of the Michigan Senate and Michigan House of Representatives.

Whereas, It is with great sorrow that the members of the Legislature learned about the passing of Nancy Cassis. She will be remembered as a dedicated public servant and leader who was committed to her constituents in the Fifteenth Senate District and Thirty-Eighth House District; and

Whereas, Nancy Cassis was born and raised in New York. She came to the Midwest to pursue a bachelor’s degree at Ohio University, from which she graduated in 1966. Afterwards she went into teaching. She came to Michigan to get a master’s degree from the University of Michigan, completing that degree in 1979, and continued her studies for an additional year to attain an education specialist degree. Thereafter, she began working as a school psychologist for Novi Community Schools; and

Whereas, Nancy got her start in elected office in 1985, when she won a seat on the Novi City Council. She served until 1993, and then returned to the City Council in 1995. In 1996, she won a special election to fill a vacancy in the House, where she served until she was elected to the Senate in 2002, serving for the next eight years in that chamber; and

Whereas, Nancy was a trailblazer throughout her time in the Legislature. She was the first woman to serve as Chair of the House Tax Policy Committee. In 1999, she was named Legislator of the Year by the National Republican Legislators’ Association. Myriad other groups, such as the Michigan Credit Union League, Michigan Soft Drink Association, Michigan Manufacturers Association, Michigan School Psychologists, Small Business Association of Michigan, and Building Owners and Manufacturers, recognized her with awards for her contributions in the Legislature. Immediately upon her arrival in the Senate, she was named Chair of the Finance Committee, a role she would retain throughout her Senate service; and

Whereas, Nancy’s signature issue in the Legislature, as demonstrated by her pathbreaking committee service, was public finance. She sponsored Michigan’s original earned income tax credit. When the Legislature was looking for a way to replace the former Single Business Tax, she sponsored the Michigan

Business Tax Act to replace it. Nancy considered her most significant achievements to be passing legislation to ensure accountability and transparency in the subsidies and tax credit programs provided by the Michigan Economic Growth Authority and Michigan Film Office. Her interest in taxation extended to personal finances more generally and saw her sponsor the Social Security Number Privacy Act, a vital measure in protecting the privacy and credit rating of Michigan residents; and

Whereas, In addition to chairing the House Tax Policy Committee and the Senate Finance Committee, Nancy served on many other committees in the chambers. These included the House Mental Health Committee; House Urban Policy and Economic Development Committee; House Energy and Technology Committee; House Family and Children Services Committee; House Senior Health, Security and Retirement Committee; House Redistricting and Elections Committee; Senate Education Committee; Senate Government Operations and Reform Committee; Senate Technology and Energy Committee; Senate Banking and Financial Institutions Committee; and Joint Select Committee on Business Competitiveness; and

Whereas, After completing her time in the Senate, Nancy retired to Florida. There, she and her husband, Victor, achieved what so many Michigan residents dream of: living near the ocean. With the backdrop of a stunning view of the Atlantic, she spent her retirement years enjoying the company of her three siblings, seven children, and 13 grandchildren; and

Whereas, Upon Nancy Cassis's passing, we offer our condolences to her loved ones. Nancy Cassis's contributions to the Michigan Legislature and the state of Michigan will be remembered; now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That we offer this expression of our highest tribute to honor the memory of Nancy Cassis, a member of the House of Representatives from 1996 to 2002, and of the Senate from 2003 to 2010; and be it further

Resolved, That copies of this resolution be transmitted to the Cassis family as evidence of our lasting esteem for her memory.

The Senate has adopted the concurrent resolution.

The question being on the adoption of the concurrent resolution,

The concurrent resolution was adopted by unanimous standing vote.

By unanimous consent the House returned to the order of

Motions and Resolutions

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 291.

A resolution of tribute offered as a memorial for Robert M. Gosselin, former member of the House of Representatives.

Whereas, It is with great sorrow that the members of the House of Representatives learned about the passing of Robert (Bob) M. Gosselin. He will be remembered as a dedicated public servant by his constituents in the Troy and Rochester Hills areas; and

Whereas, Bob Gosselin was born and raised in Berkley, Michigan, where he graduated from high school before studying mechanical and architectural engineering at Lawrence Technological University; and

Whereas, Upon graduating from college, Bob Gosselin found professional success, spending many years working as a designer for General Motors, while also acting as a licensed real estate agent and builder. These endeavors allowed him to be a dedicated provider for his family; and

Whereas, Throughout his life, Bob Gosselin maintained a passion for politics and public service. He served as the Troy Mayor pro-tem, acted as a delegate at the 1992 and 1996 Republican National Conventions, and served as a member of numerous organizations, including the Troy Community Coalition, the Troy School Board, and the Troy City Council. This same passion led to the 1998 election of Bob Gosselin to the Michigan House of Representatives, where he served from 1999 to 2002, and then again from 2005 to 2006; and

Whereas, After retirement, Bob Gosselin did not slow down and continued to serve his community. He served as a board member for Hope Against Trafficking, an organization based in Pontiac that is dedicated to helping women escaping trafficking situations. Using his knowledge and experience in real estate and home renovations, Bob Gosselin became an integral part of the organization's ability to provide safe housing for survivors of human trafficking; and

Whereas, Though Bob Gosselin found success in the professional and political aspects of his life, his true joy and success came from his faith and family. One of his favorite things to do was spend time with his family, which included three children and six grandchildren. Bob Gosselin also always made time for his Christian faith, belonging to a number of churches throughout his lifetime. During every stage and adventure of his life, Bob Gosselin let his Christian faith guide him, and always stayed true to his beliefs; and

Whereas, Upon Bob Gosselin's passing, we offer our condolences to his loved ones. Bob Gosselin's contributions to this chamber and the State of Michigan will be remembered; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Robert (Bob) Gosselin, a member of the House of Representatives from 1999 to 2002 and 2005 to 2006; and be it further

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 292.

A resolution of tribute offered as a memorial for Michael Griffin, former member of the House of Representatives.

Whereas, It was with great sorrow that the members of the House of Representatives learned about the passing of Michael Griffin. He will be remembered as a dedicated public servant by his constituents in the Jackson area and the people of the State of Michigan; and

Whereas, Michael Griffin was born in Jackson, Michigan and proudly served his country in the United States Army as a young man. Before beginning his nearly three-decade long career as a public servant, he studied Public Administration at the University of Michigan and had a career in manufacturing. After returning to his hometown of Jackson, Michael Griffin began working tirelessly for the city he loved and its residents. He was proud of his hometown and always put its people first. He was also an active member of Jackson's Saint John the Evangelist Catholic Church. He is survived by his wife of sixty-five years, Janet, seven children, eight grandchildren, and two great-grandchildren; and

Whereas, Michael Griffin was first elected to the House of Representatives in 1972, where he would faithfully serve his constituents for the next twenty-six years. During his tenure in the House of Representatives, Michael Griffin served on numerous committees including the House Committees on Elections, Urban Affairs, and City Government. He was commended by many for his work on revising Michigan's 1976 Item Pricing Law; and

Whereas, The influence of Michael Griffin's legacy has and will continue to inspire others to follow in his footsteps as an elected official, including his children. Martin, his son, served as Jackson's mayor from 1995 to 2006 and was elected to the Michigan House of Representatives in 2006. Another son, John, served as a Jackson City Commissioner. He is celebrated by his family as a fair and honest man with a passion for learning and reading in addition to being a huge Detroit Tigers fan. Fondly known as "Mick," he was regarded by his colleagues as a patient and humble public servant; and

Whereas, Upon Michael Griffin's passing, we offer our condolences to his loved ones. His contributions to this chamber and the State of Michigan will be remembered; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Michael Griffin, a member of the House of Representatives from 1972 to 1998; and be it further

Resolved, That copies of this resolution be transmitted to the Griffin family as evidence of our lasting esteem for his memory.

The question being on the adoption of the resolution,

The resolution was adopted by unanimous standing vote.

The Speaker, on behalf of the entire membership of the House of Representatives, offered the following resolution:

House Resolution No. 293.

A resolution of tribute offered as a memorial for Timothy Sneller, former member of the House of Representatives.

Whereas, It is with great sorrow that the members of the House of Representatives learned about the passing of Timothy (Tim) Sneller. He will be remembered as a dedicated public servant by his constituents in the Fiftieth Representative District, which included the city of Burton and surrounding Genesee County areas; and

Whereas, Raised by parents Anthony and Margaret alongside siblings Carol, Ronald, and Sandi, Tim Sneller was a lifelong Genesee County resident. A graduate of Bentley High School in Burton, Tim Sneller earned a bachelor's degree in political science and a secondary teaching certificate in social studies and English from the University of Michigan-Flint; and

Whereas, While pursuing his bachelor's degree, Tim Sneller worked for the General Motors Truck and Bus Assembly in Flint. This led to him being a proud union member with UAW Local 598, for which he served as an alternate committeeman; and

Whereas, In 1983, Tim Sneller headed to Lansing to begin what would become a nearly four-decade career with the Michigan Legislature. From 1983 to 2016, he served as a legislative aide to a number of state legislators, imparting upon him an unrivaled amount of institutional knowledge. In 2016, Tim Sneller himself successfully ran for a seat in the House of Representatives, where he would serve his constituents in the Fifth Representative District until 2022; and

Whereas, Tim Sneller's energetic and youthful personality is fondly remembered by those who knew him, with many recalling his humor and indelible spirit. However, as those who worked with Tim Sneller will often recall, he always maintained a level of honesty and candor that was often missing in the world; and

Whereas, While his current and former colleagues remember his professionalism and commitment to the legislative process, Tim Sneller's passion and dedication to the community that raised him is what is most often remembered by those who knew and worked with him. During his time as a member of the House of Representatives, Tim Sneller held 300 constituent coffee hours in his district and personally responded to over 30,000 constituent calls during the COVID-19 pandemic. It has been said that no one worked harder for the residents of Burton and its surrounding areas than Tim Sneller; and

Whereas, During his time in the House of Representatives, Tim Sneller worked on issues across the board that he believed would better the lives of not only those in his district, but also Michiganders statewide. This included introducing and passing legislation dealing with transportation and vehicle safety, as well as advocating for stronger civil rights protections. Tim Sneller's passions also extended to the growth of job opportunities and the economy, children and education, and natural resources; and

Whereas, After leaving the House of Representatives in 2022, Tim Sneller continued to serve the community he loved. He worked as a legislative staffer in both chambers, while also working as a substitute teacher in Burton schools. Tim Sneller also served as a member of the Grand Blanc Chamber of Commerce, the Burton Chamber of Commerce, and the Greater Flint Health Coalition Board of Directors, as well as acted as a sponsor of the Burton Project Heat's On; and

Whereas, Upon Tim Sneller's passing, we offer our condolences to his loved ones. Tim Sneller's contributions to this chamber and the State of Michigan will be remembered; now, therefore, be it

Resolved by the House of Representatives, That we offer this expression of our highest tribute to honor the memory of Timothy Sneller, a member of the House of Representatives from 2017 to 2022; and be it further

Resolved, That copies of this resolution be transmitted to the Sneller family as evidence of our lasting esteem for his memory.

The question being on the adoption of the resolution,

The resolution was adopted by unanimous standing vote.

Pursuant to Joint Rule 20, the full title of the act shall be inserted to read as follows:

“An act to provide for the levy, assessment, and collection of a specific excise tax on the storage, use, or consumption in this state of tangible personal property and certain services; to appropriate the proceeds of that tax; to prescribe penalties; and to make appropriations.”

Rep. Hood, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

Requested amendments have not been addressed, in particular ratepayer protections and energy generation have not been adequately addressed. I’m concerned that ratepayers will be harmed with this vote, increasing water and electricity costs across the state.”

Rep. Wegela, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

This legislation gives a major tax cut to the Billionaire Class. Data Centers are typically owned by some of the largest and wealthiest corporations in the country. It makes no sense to exempt them from paying their fair share of taxes. Considering that the primary function of data centers will be powering AI technology, it is concerning to subsidize an industry that could lead to the automation of millions of jobs. In addition, I am concerned about the lack of ratepayer protections. This legislation also fails to protect Michigan’s water resources and doesn’t adequately address the necessary protections around our energy generation.”

Rep. Paiz, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

Concerns about missing language in bill package re embedded costs passed on to ratepayers.”

Rep. Hill, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

The bills as presented did not contain guardrails to ensure that embedded costs would be paid by the companies that would increase the electric load. I strongly support new manufacturing coming to Michigan. At the same time, these companies should pay their fair share.”

Rep. Hope, having reserved the right to explain her protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I regret that I cannot support this legislation because of the environmental implications as well as its failure to protect other utility users from footing the bill for data centers’ energy and water usage. It is unfortunate for everyone that a vote is being forced at this inauspicious time.”

Rep. Wilson, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

These bills need more protections including:

- Require data centers to use at least 90% clean and renewable energy
- Require data centers to achieve credible energy and water efficiency certifications
- Require data centers to protect residential energy and water ratepayers
- Require data centers to utilize existing infrastructure or cover the costs of necessary upgrades.”

By unanimous consent the House returned to the order of

House Resolution No. 296.

A resolution to commemorate the 50th anniversary of the signing of Michigan Indian Day.

Whereas, The state of Michigan is home to many people indigenous to the Americas, sometimes referred to as Native American, Indian, or First Nation; and

Whereas, Michigan's current borders include the twelve federally recognized tribal nations with each having a unique and independent government with different management and decision-making structures which exercise sovereign authority; and

Whereas, Public Act 30 of 1974 established the fourth Friday in September as Indian Day in Michigan; and

Whereas, The people of the state of Michigan benefit from an understanding of the historical and contemporary lives of those who came before us and currently live on these pleasant peninsulas; and

Whereas, Our shared history of the place we call Michigan dates back approximately 14,000 years to the time before the last glacier retreated from the land, and humans, including the Anishinaabeg, populated the area. Our tribal partners pass along the history of these first people; and

Whereas, In 2002, the State of Michigan and federally recognized tribal nations entered into a government-to-government accord, providing a framework for a government-to-government partnership that recognizes that the parties share a responsibility to provide for and protect the health, safety, and welfare of their common citizens. The 2002 accord sought to enhance and improve communication between the parties, foster respect for their sovereign status, and facilitate the resolution of potentially contentious issues; and

Whereas, In 2019, the Governor signed Executive Directive 2019-17, to further strengthen relations between the State of Michigan and the federally recognized tribal nations. The Directive reaffirmed the commitments made during the 2002 accord, reiterated tribal sovereignty, and ordered each Executive Branch department and agency to seek consultation on any actions or decisions that they make that would impact any of the tribes; and

Whereas, In 2023, the State of Michigan designated Manoomin as the state's official native grain, honoring its contemporary, historical, cultural, and spiritual significance to the Indigenous peoples that have lived here for thousands of years; and

Whereas, Michigan is honored to have twelve federally recognized tribes within its borders: the Bay Mills Chippewa Community, the Grand Traverse Bay Band of Ottawa and Chippewa Indians, the Hannahville Indian Community, the Keweenaw Bay Indian Community, the Lac Vieux Desert Band of Lake Superior Chippewa Indians, the Little River Band of Ottawa Indians, the Little Traverse Bay Bands of Odawa Indians, the Match-e-be-nash-she-wish Band of Potawatomi Indians of Michigan, the Nottawaseppi Huron Band of Potawatomi Indians, the Pokagon Band of Potawatomi Indians, the Saginaw Chippewa Indian Tribe, and the Sault Ste. Marie Tribe of Chippewa Indians; and

Whereas, The state of Michigan and our tribal partners have engaged in many fruitful and cooperative efforts to improve the lives of our citizens and Michigan Indian Day is an annual opportunity to honor those accomplishments; now, therefore, be it

Resolved, That the members of this legislative body commemorate the 50th anniversary of the signing of Michigan Indian Day. We recognize the significant contributions of Indian nations, their citizens, and predecessors to our great state's rich history and bright future; and be it further

Resolved, That our common future will be improved with thorough cooperation and communication between tribal and state leadership.

House Resolution No. 297.

A resolution to declare September 11-17, 2024, as Patriot Week in the state of Michigan.

Whereas, The events that led to the signing of the Constitution of the United States by the delegates to the Constitutional Convention on September 17, 1787, have significance for every citizen of the United States and are honored in public schools across the United States on Constitution Day, which is September 17 of each year; and

Whereas, The rule of law, the social compact, democracy, liberty, equality, and unalienable human rights are the essential values upon which the United States flourishes; and

Whereas, Diversity is one of the greatest strengths of the United States, and the motto inscribed on the Great Seal of the United States, "E pluribus unum", Latin for "out of many, one", symbolizes that individuals in the United States from all walks of life are unified by shared values; and

Whereas, Exceptional, visionary, and indispensable individuals such as Thomas Paine, Patrick Henry, John Adams, John Marshall, George Washington, Elizabeth Cady Stanton, Susan B. Anthony, Rosa Parks, Harriet Tubman, Abraham Lincoln, Frederick Douglass, Martin Luther King, Jr., Thomas Jefferson, and James Madison founded or advanced the United States; and

Whereas, The Declaration of Independence, the Constitution of the United States, the Declaration of Sentiments and Resolutions signed in Seneca Falls, New York, the Gettysburg Address, the Emancipation Proclamation, and the “I Have a Dream” speech delivered by Martin Luther King, Jr., express sentiments that have advanced liberty in the United States; and

Whereas, The Bennington flag (commonly known as the “76 flag”), the Betsy Ross flag, the current flag of the United States, the flag of the women’s suffrage movement, the Union flag (commonly known as the “Fort Sumter flag”), the Gadsden flag, and the flags of the States are physical symbols of the history of the United States: now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 11-17, 2024, as Patriot Week in the state of Michigan. We recognize that understanding the history of the United States and the first principles of the United States is indispensable to the survival of the United States as a free people; acknowledge in great reverence to the victims of the September 11, 2001, attacks, that citizens of the United States should take time to honor the first principles, founders, documents, and symbols of their history; recognize that each generation should renew the spirit of the United States based on the first principles, historical figures, founding documents, and symbols of the United States; and encourage citizens, schools and other educational institutions, and federal, state, and local governments and their agencies to recognize and participate in Patriot Week by honoring, celebrating, and promoting the study of the history of the United States so that all people of the United States may offer the reverence that is due to the free republic.

A resolution to declare September 16-20, 2024, as Septic Smart Week in the state of Michigan.

Whereas, Proper septic system use and routine care are vital to protecting public health, preserving our groundwater, lakes, streams, and waterways, and avoiding costly repairs that can result from neglect; and

Whereas, Over 1.3 million septic systems in Michigan treat wastewater from homes and businesses and represent a significant part of Michigan’s wastewater infrastructure; and

Whereas, If not used and maintained properly, septic systems can become leaky, broken, or outdated and introduce nitrogen, phosphorous, household chemicals, bacteria, viruses, and other harmful pollutants into state waters; and

Whereas, Wastewater professionals in Michigan use their expertise in the design, installation, maintenance, and regulation of septic systems in Michigan; and

Whereas, The United States Environmental Protection Agency’s SepticSmart Program, used by Michigan health officials, educates homeowners about the need for proper septic system use and routine maintenance; and

Whereas, Residents and the environment of Michigan benefit from properly designed, installed, operated, and maintained septic systems; and

Whereas, The State of Michigan has created and started a new statewide septic replacement loan program that assists system owners in replacing failing septic systems; now, therefore, be it

House Resolution No. 299.

A resolution to declare October 5-12, 2024, as Student Athlete Mental Health Week in the state of Michigan.

Whereas, Nearly 500,000 high school and college students in Michigan currently participate in athletics; and
Whereas, Student athletes in Michigan demonstrate exceptional dedication, sportsmanship, and leadership both on and off the field, court, or track; and

Whereas, These student athletes represent the pride of their schools, communities, and the entire state through their hard work, perseverance, and commitment to excellence; and

Whereas, National Student Athlete Mental Health Week provides an opportunity to recognize and honor the unique mental health challenges of student athletes in Michigan and across the United States; and

Whereas, A 2021 National Collegiate Athletic Association (NCAA) survey on mental health reported elevated levels of mental health concerns among student athletes; and

Whereas, Less than half of survey respondents indicated they felt comfortable seeking mental health support on campus; and

Whereas, Student athletes in high school and college experience unique mental health stressors, including expectations to perform and achieve in sports on top of their academic requirements; and

Whereas, Student athletes and their peers experience issues with stress and burnout, eating disorders, body dysmorphia, depression, and anxiety, which in the most severe cases if left untreated may lead to suicide or suicidal ideation; and

Whereas, NCAA data shows that suicide is the second leading cause of death among college athletes; and

Whereas, Studies show student athletes may be less likely to seek counseling and other professional help services; and

Whereas, Mental health stigma significantly contributes to student athletes not seeking needed care or vocalizing their mental health concerns to parents, peers, and coaches; and

Whereas, Coaches and support staff are mentors to student athletes, and their knowledge of stigmatizing language and mental health services and resources can make a difference in the lives of athletes; and

Whereas, It is important to acknowledge the physical risks that student athletes face, including the risks of concussion and sudden cardiac arrest, and to promote awareness and prevention efforts in these areas; and

Whereas, Mental health and physical health are equally important components of overall health and well-being; and

Whereas, Better publicly available data is needed to track the mental health of student athletes, including the rate of suicide among this demographic; and

Whereas, The people of Michigan commemorate the courage of student athletes who seek out the help needed to take on these obstacles; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 5-12, 2024, Student Athlete Mental Health Week in the state of Michigan.

Whereas, Hispanic Heritage Month recognizes the various many histories and accomplishments of our Hispanic and Latino citizens, and celebrates with special events highlighting their diverse cultures and communities; now, therefore, be it

House Resolution No. 303.

A resolution to declare October 2024 as Menopause Awareness Month in the state of Michigan.

Whereas, October 18 marks World Menopause Day, a day when organizations and individuals around the world advocate to improve awareness of menopause and support options available for improving health and well-being; and

Whereas, By 2030, the world population of menopausal and postmenopausal women is projected to increase to 1.2 billion, with 27 million new entrants each year; and

Whereas, Each year women in the United States enter the menopausal transition with little guidance on what to expect before, during, and after their reproductive years; and

Whereas, According to the Department of Health and Human Services, as many as three out of four women experience hot flashes, the most common menopause symptom; and other symptoms including memory loss, urinary problems, depression, and anxiety; and

Whereas, Menopausal symptoms can be severe and affect daily activities and quality of life with hot flashes lasting an average of 7 to 9 years, with a third of women experiencing vasomotor symptoms for a decade or longer; and

Whereas, Studies show that Black and Hispanic women may experience menopause earlier, more intense menopausal symptoms, and for a longer period of time; and

Reps. Arbit and Steckloff offered the following resolution:

House Resolution No. 304.

A resolution to condemn the recent rise in antisemitic incidents.

Whereas, Hate, intimidation, discrimination, and violence based on ethnicity or religion have no place in Michigan; and

Whereas, On October 7, 2023, in the deadliest attack on Jews since the Holocaust, Hamas terrorists invaded peaceful Israeli communities situated along the border of the Gaza Strip. The attack was appalling, with terrorists massacring approximately 1,200 individuals, including more than 800 civilians; brutally raping

women; slaughtering babies and children and the elderly with indiscriminate terror; and taking hostage hundreds more, simply because they were citizens of the Jewish state; and

Whereas, Violence against Jews is not isolated to the Middle East; it has infected the United States, as well. October 27, 2024, marks six years since the horrific shooting at the Tree of Life Synagogue in Pittsburgh, Pennsylvania. This event tragically took the lives of eleven worshippers and injured seven others, including five responding officers who bravely attempted to defend the victims. This is believed to be the deadliest antisemitic attack in American history; and

Whereas, Since the massacre of innocent Israeli citizens by the terrorist group Hamas on October 7, 2023, antisemitic incidents of harassment, vandalism, and assault targeting Jews in the United States have risen dramatically. The Anti-Defamation League (ADL) recorded 5,204 antisemitic incidents between October 7 and the end of 2023, which is more than the total number of incidents in all of 2022. The ADL identified 8,873 antisemitic incidents across the United States in 2023, a nearly 140 percent increase from the 3,697 reported in 2022. Three years in a row – in 2021, 2022, and 2023 – the ADL reported that a new record was set for the highest number of antisemitic incidents since the organization began tracking these incidents in 1979; and

Whereas, College and university campuses across Michigan and the United States have become hotspots for antisemitic incidents, threatening the physical safety and mental and emotional well-being of Jewish students. Students are facing hostile environments where antisemitic rhetoric, symbols, and actions are used to intimidate, harass, marginalize, and even physically assault them as they pursue a higher education. The degradation of free and open discourse into base intimidation, threats, slurs, and hate speech harms everyone in an academic community; and

Whereas, Antisemitism has unique characteristics, including the employment of conspiracy theories that blame the various evolving ills of society on Jews and the Jewish people, or attribute to individual Jews a variety of evil and harmful characteristics, including a portrayal of Jews as maliciously all-powerful or controlling and deserving of hatred and mistrust; and

Whereas, Antisemitism also exists when Jews are held responsible, individually or collectively, for policies pursued by the government of the State of Israel, or attacked, disparaged, or demonized based on their real or perceived connection to, affiliation with, or support for, the State of Israel as a Jewish state; and

Whereas, Holocaust denial and distortion continue to be prevalent in the United States and around the world. Holocaust denial and distortion include intentional efforts to deny, justify, excuse, or minimize the genocidal crimes of the Nazi regime and its many collaborators against the Jewish people, as well as attempts to downplay the impact of the Holocaust on the Jewish people, all of which dishonor Holocaust victims and survivors. The continued presence of these beliefs reinforces the need to advance accurate and comprehensive Holocaust education globally. Protecting the history of the Holocaust and recognizing and confronting Holocaust denial and distortion are critical to preventing antisemitism; and

Whereas, Antisemitism is present across the political spectrum in America. Antisemitic beliefs are found among right-wing extremists who wax poetic with conspiracies about Jewish control over the media, government, entertainment, and banking, as well as those who harbor a profound racial hatred of Jews, who are perceived to be an inferior and separate race. And they are found among left-wing extremists who increasingly do not bother to attempt to thinly veil their deep-seated antisemitism within biased arguments about Middle East politics or anti-capitalist critiques; and

Whereas, Michigan is home to a vibrant Jewish community nearly 120,000 strong. There is a particularly significant Jewish presence in the communities of West Bloomfield, Oak Park, Huntington Woods, Southfield, and Bloomfield Hills, though the community has grown and flourished across the state. Michiganders have long attempted to provide resources to ensure that our state's residents understand the implications of targeted hate violence, including the Zekelman Holocaust Center in Farmington Hills, and we have recognized the importance of our Jewish citizens to our state. Michigan's Jewish community has had a profound impact on the development and character of the state of Michigan; now, therefore, be it

Resolved by the House of Representatives, That we condemn the recent rise in antisemitic incidents.
