1 A resolution to declare March 22, 2023, as Michigan Water Day
2 and World Water Day in the state of Michigan.

3 Whereas, Since 1993, the United Nations has designated March
4 22nd as World Water Day. In 2010, the United Nations acknowledged
5 "the importance of equitable access to safe and clean drinking
6 water and sanitation as an integral component of the realization of
7 all human rights"; and

2 change to solve the water and sanitation crisis. Billions of people
3 around the world do not have access to clean water and sanitation;
4 and
