16 section must be conducted in a manner that permits 2-way
17 communication so that members of the public body can hear and be
18 heard by other members of the public body, and so that public
19 participants can hear members of the public body and can be heard
20 by members of the public body and other participants during a
21 public comment period. A public body may use technology to
22 facilitate typed public comments during the meeting submitted by
23 members of the public participating in the meeting that may be read
24 to or shared with members of the public body and other participants
25 to satisfy the requirement under this subsection that members of
26 the public be heard by others during the electronic meeting and the
27 requirement under section 3(5) that members of the public be
28 permitted to address the electronic meeting.

29 (3) Except as otherwise provided in subsection (8), a physical

1 place is not required for an electronic meeting held under this
2 section, and members of a public body and members of the public
3 participating electronically in a meeting held under this section

7 official internet presence that includes monthly or more frequent
8 updates of public meeting agendas or minutes, the public body
9 shall, in addition to any other notices that may be required under
10 this act, post advance notice of a meeting held electronically
11 under this section on a portion of the public body's website that
12 is fully accessible to the public. The public notice on the website
13 must be included on either the homepage or on a separate webpage
14 dedicated to public notices for nonregularly scheduled or
15 electronic public meetings that is accessible through a prominent
16 and conspicuous link on the website's homepage that clearly
17 describes its purpose for public notification of nonregularly
18 scheduled or electronic public meetings. Subject to the
19 requirements of this section, any scheduled meeting of a public
20 body may be held as an electronic meeting under this section if a
21 notice consistent with this section is posted at least 18 hours
22 before the meeting begins. Notice of a meeting of a public body
23 held electronically must clearly explain all of the following:

24 (a) Why the public body is meeting electronically.

25 (b) How members of the public may participate in the meeting
26 electronically. If a telephone number, internet address, or both
27 are needed to participate, that information must be provided
28 specifically.

29 (c) How members of the public may contact members of the

1 public body to provide input or ask questions on any business that
2 will come before the public body at the meeting.

3 (d) How persons with disabilities may participate in the
4 meeting.

5 (5) Beginning on October 16, 2020, if an agenda exists for an
6 electronic meeting held under this section by a public body that
7 directly or indirectly maintains an official internet presence that
8 includes monthly or more frequent updates of public meeting agendas
9 or minutes, the public body shall, on a portion of the website that
10 is fully accessible to the public, make the agenda available to the
11 public at least 2 hours before the electronic meeting begins. This
12 publication of the agenda does not prohibit subsequent amendment of
13 the agenda at the meeting.

14 (6) A public body shall not, as a condition of participating
15 in an electronic meeting of the public body held under this
16 section, require a person to register or otherwise provide the
17 person's name or other information or otherwise to fulfill a
18 condition precedent to attendance, other than mechanisms
19 established and required by the public body necessary to permit the
20 person to participate in a public comment period of the meeting.

21 (7) Members of the general public otherwise participating in a
22 meeting of a public body held electronically under this section are
23 to be excluded from participation in a closed session of the public
24 body held electronically during that meeting if the closed session
25 is convened and held in compliance with the requirements of this
26 act applicable to a closed session.

27 (8) At a meeting held under this section that accommodates
28 members absent due to military duty or a medical condition, only
29 those members absent due to military duty or a medical condition

1 may participate remotely. Any member who is not on military duty or
2 does not have a medical condition must be physically present at the
3 meeting to participate. This subsection does not apply to a meeting
4 of a public body held electronically under subsection (1)(d), (e),
5 ~~or~~(f), **or (g)**.
