Pastor Brian Grothe, Pastor of Lighthouse Ministries in Tipton, offered the following invocation:

“Our Dear Heavenly Father,

We come before You in this legislative gathering, inviting Your grace and peace to be a covering that envelops us. Grace each one here with divine wisdom to discern Your will, and the moral courage and integrity to diligently pursue it.

Lord, we invite Your presence to guide all deliberations and actions, bringing them into alignment with Your perfect will.

Father as these legislators dedicate their work to You today, may it be honoring and pleasing to You.

May every decision made and every word spoken reflect Your divine character and nature.

Help and strengthen these men and women to uphold integrity and righteousness in all their endeavors.

Thank You Father, for Your unfailing love and guidance.

May Your peace have preeminence in each heart and mind throughout this meeting, bringing clarity and harmony to their discussions.

May all the results and outcomes of this legislative meeting bring Glory to Your Name!

In Jesus Name we pray. Amen.”

Rep. Posthumus moved that Reps. Andrews, Hoadley, St. Germaine and Whitsett be excused from today’s session.

The motion prevailed.

Motions and Resolutions

Reps. Borton, Alexander, Fox, Paiz and Schuette offered the following resolution:

House Resolution No. 123.

A resolution to declare June 2025 as Great Outdoors Month in the state of Michigan.

Whereas, Michigan is blessed with an abundance of natural resources, including over 100 state parks and recreation areas, 11,000 inland lakes, 36,000 miles of rivers and streams, 13,000 miles of state-designated trails, and access to four of the five Great Lakes; and

Whereas, The great outdoors of Michigan provide countless opportunities for outdoor recreation such as hiking, biking, fishing, boating, swimming, hunting, camping, wildlife observation, and more. These outdoor experiences not only enhance physical and mental well-being, but also help make Michigan one of the most rewarding and enjoyable places to live, work, and raise a family; and

Whereas, Michigan's vast trail system plays a crucial role in connecting residents and visitors to the great outdoors, and among these, the North Central State Trail stands out as a treasured 62-mile route from Gaylord to Mackinaw City, offering scenic opportunities for hiking, biking, snowmobiling, and wildlife observation through some of the state's most beautiful natural landscapes; and

Whereas, The outdoor recreation industry is a major contributor to Michigan's economy, generating over \$13.9 billion in value-added economic activity and supporting over 118,000 jobs across the state, according to the U.S. Bureau of Economic Analysis' 2023 report; and

Whereas, Michigan's natural lands and waters are vital to environmental health, conservation education, and the stewardship ethic passed from one generation to the next; and

Whereas, Great Outdoors Month, celebrated nationwide each June, encourages all Americans to explore the outdoors, participate in recreational activities, and appreciate the natural beauty and resources of their communities; and

Whereas, Public and private partners across Michigan play a key role in protecting access to these spaces and expanding outdoor opportunities for all; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 2025 as Great Outdoors Month in the state of Michigan; and be it further

Resolved, That we encourage all Michiganders to experience and enjoy our unparalleled outdoor spaces.

The question being on the adoption of the resolution,

The resolution was adopted.

By unanimous consent the House considered **House Resolution No. 125** out of numerical order.

Reps. Wozniak, Alexander, Fox, Lightner, Paiz and Schuette offered the following resolution:

House Resolution No. 125.

A resolution to declare June 8-14, 2025, as National Flag Week in the state of Michigan.

Whereas, The flag of the United States of America was first authorized by the Second Continental Congress on June 14, 1777, and has since stood as a powerful emblem of the American spirit, representing liberty, democracy, and the sacrifices made in defense of those ideals; and

Whereas, Flag Day, observed annually on June 14, commemorates the adoption of the Stars and Stripes and serves as a time for Americans to reflect on our shared history, values, and responsibilities as citizens; and

Whereas, The origin story of the first American flag remains subject to historical debate, though one popular account attributes its creation to Philadelphia seamstress Betsy Ross; and

Whereas, The design choices of the American flag carry symbolic significance. The red symbolizes hardiness and valor, while the white symbolizes purity and innocence, and the blue represents vigilance, perseverance, and justice; and

Whereas, The American flag has accompanied our nation through moments of great challenge and triumph, serving as a beacon of hope to generations at home and abroad; and

Whereas, This week provides an opportunity to honor not only the flag itself, but also the service members, veterans, public servants, and everyday citizens who uphold the values it represents; and

Whereas, Communities across Michigan can use this observance to promote civic education, celebrate national pride, and foster a deeper understanding of our nation's founding principles; and

Whereas, The period of June 8 through June 14 is recognized as National Flag Week, during which Americans are encouraged to display the flag proudly at their homes, schools, and workplaces as a visible expression of unity and patriotism; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 8-14, 2025, as National Flag Week in the state of Michigan. We encourage all residents to observe this week with appropriate programs, ceremonies, and the prominent display of the American flag.

The question being on the adoption of the resolution,

The resolution was adopted.

Messages from the Governor

The following message from the Governor was received June 5, 2025 and read:

EXECUTIVE ORDER
No. 2025-7
Declaration of State of Emergency

On May 15, 2025, a strong system of severe storms brought tornadoes, straight-line winds, heavy rains and flash flooding, which impacted many areas of the state. In the Upper Peninsula, localized heavy rainfall in Baraga County, up to four inches in the overnight hours, created flash flooding that flooded and washed out many roads and caused overflow issues and release into public waterways at a nearby wastewater treatment plant. Downstate, these severe storms brought a total of 11 confirmed tornadoes across lower Michigan. In the City of Lansing, a confirmed EF-1 tornado combined with straight-line winds caused significant damage to the utility infrastructure in a heavily populated area of the capital city. Power poles were snapped and lines brought down, affecting thousands of residents. Trees and other vegetative debris blocked roads and created obstacles for first responders and utility crews. In Allegan County, two EF-1 tornadoes and straight-line winds of up to 95 miles per hour caused significant damage to thousands of residents in 11 communities. Power poles and lines fell as well as trees, causing damage to homes and public infrastructure throughout these communities.

Two weeks after this storm system, all communities are still cleaning up and recovering from the event. Local officials in Baraga and Allegan counties, as well as the City of Lansing, have taken several actions to respond to the situation, including but not limited to issuing local declarations. Despite these efforts, local resources have proven insufficient to address the situation. State assistance and other outside resources are necessary to effectively respond to and recover from the impacts of this emergency, protect public health, safety, and property, and lessen or avert the threat of more severe and lasting harm.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor. Under the Emergency Management Act, 1976 PA 390, as amended, MCL 30.403(4), “[t]he governor shall, by executive order or proclamation, declare a state of emergency if he or she finds that an emergency has occurred or that the threat of an emergency exists.”

Therefore, acting under the Michigan Constitution of 1963 and Michigan law, including the Emergency Management Act, 1976 PA 390, as amended, MCL 30.401 to 30.421, I find it reasonable and necessary to order the following:

1. A state of emergency is declared for Baraga County, Allegan County, and the City of Lansing.
2. The Emergency Management and Homeland Security Division of the Department of State Police must coordinate and maximize all state efforts and may call upon all state departments to use available resources to assist in the designated areas pursuant to the Michigan Emergency Management Plan.
3. The state of emergency is terminated at such time as the threats to public health, safety, and property caused by the emergency no longer exist, and appropriate programs have been implemented to recover from the effects of this emergency, but in no case later than July 3, 2025, unless extended as provided by the Emergency Management Act.

Motions and Resolutions

Reps. Conlin, MacDonell and Paiz offered the following resolution:

House Resolution No. 124.

A resolution to declare June 2-6, 2025, as Survival Flight Week in the state of Michigan.

Whereas, Survival Flight services provide a critically important benefit to the people of Michigan, offering rapid, lifesaving transport for patients in acute medical crisis, including the transport of critically ill or injured individuals, donor organs, and lifesaving equipment such as ECMO systems; and

Whereas, These services support health systems and residents across the state, delivering timely and specialized care that often determines the difference between life and death for Michigan’s patients; and

Whereas, On June 4, 2007, a Survival Flight aircraft tragically crashed into Lake Michigan while returning from an organ procurement mission in Milwaukee. Aboard the aircraft were six dedicated professionals, returning with donor lungs for a transplant candidate awaiting care at the University of Michigan Transplant Center. The six lives lost that day were: David Ashburn, M.D., Richard Chenault II, Dennis Hoyes, Rick LaPensee, Bill Serra, Martin Spoor, M.D. These exemplary individuals had committed their lives to the service of others—saving and improving lives through organ donation, critical care, aviation safety, and transplant surgery. Their selfless dedication represents the very highest values of the medical profession and public service. The Survival Flight and transplant communities were forever changed by this profound loss, which continues to be remembered with deep respect and gratitude; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare June 2-6, 2025, as Survival Flight Week in the state of Michigan. We recognize and celebrate the enduring impact of Survival Flight services and the ongoing sacrifices made by its team members in the service of health and humanity throughout Michigan; and be it further

Resolved, That copies of this resolution be transmitted to the families of those lost, the leadership of Michigan Medicine, and the University of Michigan Transplant Center as a symbol of our enduring appreciation.

The question being on the adoption of the resolution,

The resolution was adopted.

Rep. Posthumus moved to suspend that portion of Rule 40 requiring bills to be handed to the Clerk three hours prior to calling the House to order.

The motion prevailed, a majority of the members present voting therefor.
