(b) The suspension, limitation, or revocation of the person's license or certificate of authority.

(2) After notice and opportunity for hearing, the director may by order reopen and alter, modify, or set aside, in whole or in part, an order issued under this section if, in the director's opinion, conditions of fact or law have changed to require that action or the public interest requires that action.

(3) If a person knowingly violates a cease and desist order under this section and has been given notice and an opportunity for a hearing held under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the director may order a civil fine of $20,000.00 for each violation, or a suspension, limitation, or revocation of the person's license, or both. 500.221 Insurance compliance self-evaluative audit document; privilege; disclosure; exceptions; definitions.

Sec. 221. (1) Except as otherwise provided in this section, an insurance compliance self-evaluative audit document is privileged information and is not discoverable or admissible as evidence in a civil, criminal, or administrative proceeding.

(2) Except as otherwise provided in this section, a person involved in preparing an insurance compliance self-evaluative audit or insurance compliance self-evaluative audit document is not subject to examination concerning the audit or audit document in a civil, criminal, or administrative proceeding. However, if the insurance compliance self-evaluative audit, insurance compliance self-evaluative audit document, or a portion of the audit or audit document is not privileged, the individual involved in the preparation of the audit or audit document may be examined concerning the portion of the audit or audit document that is not privileged. A person involved in preparing an insurance compliance self-evaluative audit or insurance compliance self-evaluative audit document who becomes aware of an alleged criminal violation of this act shall report the act to the insurer. Within 30 days after receiving the report, the insurer shall provide the information to the

director.

(3) The director shall not provide an insurance compliance self-evaluative audit document, furnished to the director voluntarily or as a result of a request of the director under a claim of authority to compel disclosure under subsection (7), to any other person. The insurance compliance self-evaluative audit document must be accorded the same confidentiality and other protections as provided in section 222(7) without waiving the privileges in subsections (1) and (2). Any use of an insurance compliance self-evaluative audit document furnished voluntarily or as a result of a request of the director under a claim of authority to compel disclosure under subsection (7) is limited to determining whether or not any disclosed defects in an insurer's policies and procedures or inappropriate treatment of customers has been remedied or that an appropriate plan for remedy is in place.

(4) An insurance compliance self-evaluative audit document submitted to the director remains subject to all applicable statutory or common law privileges including, but not limited to, the work product doctrine, attorney-client privilege, or the subsequent remedial measures exclusion. An insurance compliance self-evaluative audit document submitted to the director remains the property of the insurer and is not subject to disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(5) Disclosure of an insurance compliance self-evaluative audit document to a governmental agency, whether voluntary or pursuant to compulsion of law, does not constitute a waiver of the privileges under subsections (1) and (2) with respect to any other person or other governmental agency.

(6) The privileges under subsections (1) and (2) do not apply to the extent that they are expressly waived by the insurer that prepared or caused to be prepared the insurance compliance self-evaluative audit document.

(7) The privileges in subsections (1) and (2) do not apply as follows:

(a) If a court, after an in camera review, requires disclosure in a civil or administrative proceeding after determining 1 or more of the following:

(*i*) The privilege is asserted for a fraudulent purpose.

(*ii*) The material is not subject to the privilege as provided under subsection (13).

(b) If a court, after an in camera review, requires disclosure in a criminal proceeding after determining 1 or more of the following:

(*i*) The privilege is asserted for a fraudulent purpose.

(*ii*) The material is not subject to the privilege as provided under subsection (13).

(*iii*) The material contains evidence relevant to the commission of a criminal offense under this act.

(8) Within 14 days after the director or the attorney general makes a written request by certified mail for disclosure of an insurance compliance self-evaluative audit document, the insurer that prepared the document or caused the document to be prepared may file with the Ingham County circuit court a petition requesting an in camera hearing on whether the insurance compliance self-evaluative audit document or portions of the audit document are subject to disclosure. Failure by the insurer to file a petition waives the privilege provided by this section for the request. An insurer asserting the insurance compliance self-evaluative privilege in response to a request for disclosure under this subsection shall include in its request for an in camera hearing all of the information listed in subsection (10). Within 30 days after the filing of the petition, the court shall issue an order scheduling an in camera hearing to determine whether the insurance compliance self-evaluative audit document or portions of the audit document are privileged or are subject to disclosure.

(9) If the court requires disclosure under subsections (7) and (8), the court may compel the disclosure of only those portions of an insurance compliance self-evaluative audit document relevant to issues in dispute in the underlying proceeding. Information required to be disclosed shall not be considered a public document and shall not be considered to be a waiver of the privilege for any other civil, criminal, or administrative proceeding.

(10) An insurer asserting the privilege under this section in response to a request for disclosure under subsection (8) shall provide to the director or the attorney general, at the time of filing an objection to the disclosure, all of the following information:

(a) The date of the insurance compliance self-evaluative audit document.

(b) The identity of the entity or individual conducting the audit.

(c) The general nature of the activities covered by the insurance compliance self-evaluative audit.

(d) An identification of the portions of the insurance compliance self-evaluative audit document for which the privilege is being asserted.

(11) An insurer asserting the privilege under this section has the burden of demonstrating the applicability of the privilege. Once an insurer has established the applicability of the privilege, a party seeking disclosure under subsection (7)(a)(*i*) has the burden of proving that the privilege is asserted for a fraudulent purpose. The director or attorney general seeking disclosure under subsection (7)(b)(*iii*) has the burden of proving the

elements listed in subsection (7)(b)(*iii*).

(12) The parties may at any time stipulate in proceedings under this section to entry of an order directing that specific information contained in an insurance compliance self-evaluative audit document is or is not subject to the privileges provided under subsections (1) and (2). Any such stipulation may be limited to the instant proceeding and, absent specific language to the contrary, is not applicable to any other proceeding.

(13) The privileges provided under subsections (1) and (2) do not extend to any of the following:

(a) Documents, communications, data, reports, or other information expressly required to be collected, developed, maintained, or reported to a regulatory agency under this act or other federal or state law.

(b) Information obtained by observation or monitoring by any regulatory agency.

(c) Information obtained from a source independent of the insurance compliance audit.

(d) Documents, communication, data, reports, memoranda, drawings, photographs, exhibits, computer records, maps, charts, graphs, and surveys kept or prepared in the ordinary course of business.

(14) This section does not limit, waive, or abrogate the scope or nature of any other statutory or common law privilege.

(15) As used in this section:

(a) "Insurance compliance audit" means a voluntary, internal evaluation, review, assessment, audit, or investigation for the purpose of identifying or preventing noncompliance with or promoting compliance with laws, regulations, orders, or industry or professional standards, conducted by or on behalf of an insurer licensed or regulated under this act or that involves an activity regulated under this act.

(b) "Insurance compliance self-evaluative audit document" means a document prepared as a result of or in connection with an insurance compliance audit. An insurance compliance self-evaluative audit document may include a written response to the findings of an insurance compliance audit. An insurance compliance self-evaluative audit document may include, but is not limited to, field notes and records of observations, findings, opinions, suggestions, conclusions, drafts, memoranda, drawings, photographs, exhibits, computer-generated or electronically recorded information, phone records, maps, charts, graphs, and surveys, if this supporting information is collected or prepared in the course of an insurance compliance audit or attached as an exhibit to the audit. An insurance compliance self-evaluative audit document also includes, but is not limited to, any of the following:

(*i*) An insurance compliance audit report prepared by an auditor, who may be an employee of the insurer or an independent contractor, that may include the scope of the audit, the information gained in the audit, and conclusions and recommendations, with exhibits and appendices.

(*ii*) Memoranda and documents analyzing portions or all of the insurance compliance audit report and discussing potential implementation issues.

(*iii*) An implementation plan that addresses correcting past noncompliance, improving current compliance, and preventing future noncompliance.

(*iv*) Analytic data generated in the course of conducting the insurance compliance audit.

(c) "Insurer" means that term as defined in section 106 and includes a nonprofit dental care corporation operating under 1963 PA 125, MCL 550.351 to 550.373.

500.222 Examination of insurers; examination report; hearing; public inspection; disclosure of confidential information; effect of current examination; director's authority to terminate or suspend examination not limited; limitation on foreign insurer examination.

Sec. 222. (1) The director, in person or by any of his or her authorized deputies or examiners, may examine any or all of the books, records, documents, and papers of an insurer at any time after its articles of incorporation have been executed and filed, or after it has been authorized to do business in this state. The director in his or her discretion may examine the affairs of a domestic insurer and, if he or she considers it expedient to do so, examine the affairs of a foreign or alien insurer doing business in this state.

(2) Instead of an examination under this act of a foreign or alien insurer authorized to do business in this state, the director may accept an examination report on the insurer as prepared by the insurance regulator for the insurer's state of domicile or port-of-entry state if that state accepts examination reports prepared by the director. This subsection applies only as follows:

(a) Until this state becomes accredited by the National Association of Insurance Commissioners' financial regulation standards and accreditation program.

(b) If this state loses accreditation by the National Association of Insurance Commissioners' financial regulation standards and accreditation program.

(3) Instead of an examination under this act of a foreign or alien insurer authorized to do business in this state, the director may accept an examination report on the insurer as prepared by the insurance regulator for the insurer's state of domicile or port-of-entry state if that state accepts examination reports prepared by the director and if the insurance regulatory agency of the state of domicile or port-of-entry state was accredited by the National Association of Insurance Commissioners' financial regulation standards and accreditation program at the time of the examination or if the examination is performed under the supervision of an accredited insurance regulatory agency or with the participation of 1 or more examiners who are employed by an accredited insurance regulatory agency and who, after a review of the examination work papers and report, state under oath that the examination was prepared in a manner consistent with the standards and procedures required by their accredited regulatory agency. This subsection only applies during the time this state is accredited by the National Association of Insurance Commissioners' financial regulation standards and accreditation program.

(4) The director, in person or by any of his or her authorized deputies or examiners, shall once every 5 years examine the books, records, documents, and papers of each authorized insurer. The director may examine an insurer more frequently and on its request shall examine a domestic insurer that has not been examined for the 3 years preceding the request. This section does not authorize the examination of books, records, documents, or papers if those items involve matters that are a subject of a currently pending administrative or judicial proceeding against the insurer from whom the information is sought, unless the director or judge specifically finds on the record of the proceeding that the examination is reasonably necessary to protect the interests of policyholders, creditors, or the public or to make a determination of whether an insurer is safe, reliable, and entitled to public confidence.

(5) The business affairs, assets, and contingent liabilities of insurers are subject to examination by the director at any time. The director may supervise and make the same examination of the business and affairs of every foreign or alien insurer doing business in this state as of domestic insurers doing the same kind of business and of its assets, books, accounts, and general condition. A foreign or alien insurer and the agents and officers of the insurer are subject to the same obligations, the same examinations, and, if the insurer, agent, or officer defaults in an obligation, the same penalties and liabilities that a domestic insurer doing the same kind of business and the agents and officers of the insurer are subject to under the laws of this state or the rules promulgated by the director. The director may, whenever he or she considers it expedient to do so, either in person or by a person appointed by him or her, go to the general office or other offices of the foreign or alien insurer, wherever located, and make an investigation and examination of the insurer's affairs and condition.

(6) On an examination under this section, the director, his or her deputy, or any examiner authorized by him or her may examine in person, by writing, and, if appropriate, under oath the officers or agents of the insurer or all persons considered to have material information regarding the insurer's property, assets, business, or affairs. The director may compel the attendance and testimony of witnesses and the production of any books, accounts, papers, records, documents, and files relating to the insurer's business or affairs, and may sign subpoenas, administer oaths and affirmations, examine witnesses, and receive evidence for this purpose. The insurer and its officers and agents shall produce its books and records and all papers in its or their possession relating to its business or affairs, and any other person may be required to produce any books, records, or papers considered relevant to the examination for the inspection of the director, or his or her deputy or examiners, whenever required. The insurer's officers or agents shall facilitate the examination and aid in making the examination so far as it is in their power to do so. If the director's order or subpoena is not followed, the director may request the Ingham County circuit court to issue an order requiring compliance with the order or subpoena.

(7) Not later than 60 days after completing an examination under this section, the deputy or examiners shall make a full and true report, and furnish the insurer a copy of the examination report, that shall comprise only facts appearing on the insurer's books, records, or documents or ascertained from examination of its officers or agents or other persons concerning its affairs and the conclusions and recommendations as may be reasonably warranted from the facts disclosed. On request by an insurer examined under this section, the director shall grant the insurer a hearing before the director or his or her designee before the report is filed. On request of the insurer, the director shall close the hearing to the public. A hearing under this subsection is not subject to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. Each examination report must be withheld from public inspection until the report is final and filed with the director. In addition, the director may withhold any examination report or any analysis of an insurer's financial condition from public inspection for any time that he or she considers proper. In any event, the department shall withhold from public inspection all information and testimony furnished to the department and the department's work papers, correspondence, memoranda, reports, records, and other written or oral information related to an

examination report or an investigation and these items are confidential, are not subject to subpoena, and must not be divulged to any person, except as provided in this section. If assurances are provided that the information will be kept confidential, the director may disclose confidential work papers, correspondence, memoranda, reports, records, or other information as follows:

(a) To the governor or the attorney general.

(b) To any relevant regulatory agency or authority, including regulatory agencies or authorities of other states, the federal government, or other countries.

(c) In connection with an enforcement action brought under this or another applicable act.

(d) To law enforcement officials.

(e) To persons authorized by the Ingham County circuit court to receive the information.

(f) To persons entitled to receive the information in order to discharge duties specifically provided for in this act.

(8) The confidentiality requirements of subsection (7) apply to a nonprofit dental care corporation operating under 1963 PA 125, MCL 550.351 to 550.373. The confidentiality requirements of subsection (7) do not apply in any proceeding or action brought against or by the insurer under this act or any other applicable act of this state, any other state, or the United States.

(9) Notwithstanding the other provisions of this section, the director is not required to finalize and file an examination report for an insurer for a year in which an examination report was not finalized and filed, if the insurer is currently undergoing an examination subsequent to the year for which an examination report was not finalized and filed. This section does not limit the director's authority to terminate or suspend any examination to pursue other legal or regulatory action under the insurance laws of this state. Findings of fact and conclusions made in connection with any examination under this section are prima facie evidence in any legal or regulatory action.

(10) The examination of an alien insurer is limited to its United States business, except as otherwise required by the director.

500.224 Examinations and investigations of insurers; expenses; statement to insurers; employment of expert personnel; regulatory fees; expense of administering delinquency proceeding; definitions.

Sec. 224. (1) All actual and necessary expenses incurred in connection with the examination or other investigation of an insurer or other person regulated under the director's authority must be certified by the director, together with a statement of the work performed including the number of days spent by the director and each of the director's deputies, assistants, employees, and others acting under the director's authority. If correct, the expenses must be paid to the persons by whom they were incurred, on the warrant of the state treasurer payable from appropriations made by the legislature for this purpose.

(2) Except as otherwise provided in subsection (4), the director shall prepare and present to the insurer or other person examined or investigated a statement of the expenses and reasonable cost incurred for each person engaged on the examination or investigation, including amounts necessary to cover the pay and allowances granted to the persons by the Michigan civil service commission, and the administration and supervisory expense including an amount necessary to cover fringe benefits in conjunction with the examination or investigation. Except as otherwise provided in subsection (4), the insurer or other person, on receiving the statement, shall pay to the director the stated amount. The director shall deposit the money with

the state treasurer as provided in section 225.

(3) The director may employ attorneys, actuaries, accountants, investment advisers, and other expert personnel not otherwise employees of this state reasonably necessary to assist in the conduct of the examination or investigation or proceeding with respect to an insurer or other person regulated under the director's authority at the insurer's or other person's expense except as otherwise provided in subsection (4). Except as otherwise provided in subsection (4), on certification by the director of the reasonable expenses incurred under this section, the insurer or other person examined or investigated shall pay those expenses directly to the person or firm rendering assistance to the director. Expenses paid directly to such person or firm and the regulatory fees imposed by this section are examination expenses under section 22e of the former single business tax act, 1975 PA 228, or under section 239(1) of the Michigan business tax act, 2007 PA 36, MCL 208.1239.

(4) An insurer is subject to a regulatory fee instead of the costs and expenses provided for in subsections (2) and (3). By June 30 of each year or within 30 days after the enactment into law of any appropriation for the department's operation, the director shall impose on all insurers authorized to do business in this state a regulatory fee calculated as follows:

(a) As used in this subsection:

(*i*) "A" means total annuity considerations written in this state in the preceding year.

(*ii*) "B" means base assessment rate. The base assessment rate must not exceed .00038 and must be a fraction, the numerator of which is the total regulatory fee and the denominator of which is the total amount of direct underwritten premiums written in this state by all insurers for the preceding calendar year, as reported to the director on the insurer's annual statements filed with the director.

(*iii*) "I" means all direct underwritten premiums other than life insurance premiums and annuity considerations written in this state in the preceding year by all insurers.

(*iv*) "L" means all direct underwritten life insurance premiums written in this state in the preceding year by all life insurers.

(*v*) Total regulatory fee must not exceed 80% of the gross appropriations for the department's operation for a fiscal year and must be the difference between the gross appropriations for the department's operation for that current fiscal year and any restricted revenues, other than the regulatory fee itself, as identified in the gross appropriation for the department's operation.

(*vi*) Direct premiums written in this state do not include any amounts that represent claims payments that are made on behalf of, or administrative fees that are paid in connection with, any administrative service contract, cost-plus arrangement, or any other noninsured or self-insured business.

(b) Two actual assessment rates must be calculated so as to distribute 75% of the burden of the regulatory fee shortfall created by the exclusion of annuity considerations from the assessment base to life insurance and 25% to all other insurance. The 2 actual assessment rates must be determined as follows:

(*i*) $\frac{L \times B + .75 \times B \times A}{L}$ = assessment rate for life insurance.

(*ii*) $\frac{I \times B + .25 \times B \times A}{I}$ = assessment rate for insurance other than life insurance.

(c) Each insurer's regulatory fee must be a minimum fee of $250.00 and must be determined by multiplying the actual assessment rate by the assessment base of that insurer as determined by the director from the insurer's annual statement for the immediately preceding calendar year filed with the director.

(5) Not less than 55% of the revenue derived from the regulatory fee under subsection (4) may be used for the regulation of financial conduct of persons regulated under the director's authority and for the regulation of persons regulated under the director's authority engaged in the business of health care and health insurance in this state.

(6) The amount, if any, by which amounts credited to the director under section 225 exceed actual expenditures under appropriations for the department's operation for a fiscal year must be credited toward the appropriation for the department in the next fiscal year.

(7) All money paid into the state treasury by an insurer under this section must be credited as provided under section 225.

(8) An insurer shall not treat a regulatory fee under this section as a levy or excise on premium but as a regulatory burden that is apportioned in relation to insurance activity in this state. A regulatory fee under this section reflects the insurance regulatory burden on this state as a result of this insurance activity. A foreign or alien insurer authorized to do business in this state may consider the liability required under this section as a burden imposed by this state in the calculation of the insurer's liability required under section 476a.

(9) An insurer may file with the director a protest to the regulatory fee imposed not later than 15 days after receipt of the regulatory fee. The director shall review the grounds for the protest and hold a conference with the insurer at the insurer's request. The director shall transmit his or her findings to the insurer with a restatement of the regulatory fee based on the findings. Statements of regulatory fees to which protests have not been made and restatements of regulatory fees are due and must be paid not later than 30 days after their receipt. Regulatory fees that are not paid when due bear interest on the unpaid fee, which must be calculated at 6-month intervals from the date the fee was due at a rate of interest equal to 1% plus the average interest rate paid at auctions of 5-year United States treasury notes during the 6 months preceding July 1 and January 1, as certified by the state treasurer, and compounded annually, until the assessment is paid in full. An insurer who fails to pay its regulatory fee within the prescribed time limits may have its certificate of authority or license suspended, limited, or revoked as the director considers warranted until the regulatory fee is paid. If the director determines that a regulatory fee or a part of a regulatory fee paid by an insurer is in excess of the amount legally due and payable, the amount of the excess must be refunded or, at the insurer's option, be applied as a credit against the regulatory fee for the next fiscal year. An overpayment of $100.00 or less must be applied as a credit against the insurer's regulatory fee for the next fiscal year unless the insurer had a $100.00 or less overpayment in the immediately preceding fiscal year. If the insurer had a $100.00 or less overpayment in the immediately preceding fiscal year, at the insurer's option, the current fiscal year overpayment of $100.00 or less must be refunded.

(10) Any amounts stated and presented to or certified, assessed, or imposed on an insurer as provided in subsections (2), (3), and (4) that are unpaid as of the date that the insurer is subjected to a delinquency proceeding under chapter 81 are regarded as an expense of administering the delinquency proceeding and are payable as such from the general assets of the insurer.

(11) In addition to the regulatory fee provided in subsection (4), each insurer that locates records or personnel knowledgeable about those records outside this state under section 476a(3) or section 5256 shall reimburse the department for expenses and reasonable costs incurred by the department as a result of travel and other costs related to examinations or investigations of those records or personnel. The reimbursement must not include any costs that the department would have incurred if the examination had taken place in this state.

(12) As used in this section:

(a) "Annuity considerations" means receipts on the sale of annuities as used in section 22a of the former single business tax act, 1975 PA 228, or in section 235 of the Michigan business tax act, 2007 PA 36, MCL 208.1235.

(b) "Insurer" means an insurer authorized to do business in this state and includes nonprofit health care corporations, dental care corporations, and health maintenance organizations.

(2) An insurer may petition of right for a stay of an order issued pursuant to sections 436, 436a, and 437 or any other proceeding for the suspension, revocation, or limitation of a certificate of authority. The petition shall be on an emergency basis to the circuit court for the county in which the insurer has its principal place of business in the state or to the circuit court for Ingham county. The petition shall be disposed of within 14 days. The court shall direct the filing and time of filing of appropriate pleadings. A court shall not issue a stay unless the court finds that the issuance of a stay is not hazardous to policyholders, creditors, or the public. The decision of the court shall be limited to the issue of a stay, and the court shall not decide the merits of the case, which shall be determined pursuant to section 437 or to any other provision of this act under which the proceeding for the suspension, revocation, or limitation of the certificate of authority is being conducted.

(3) An order of a court issuing a stay may be appealed on an emergency basis, and during the pendency of an appeal the stay issued shall be without force or effect, unless the insurer deposits cash or securities pursuant to subsection (4). The appeal shall be disposed of within 14 days. The court shall direct the filing and time of filing of appropriate pleadings. (2) To qualify for and maintain authority to transact insurance in this state on or after January 1, 1999, a domestic, foreign, or alien insurer shall possess and thereafter maintain unimpaired capital and surplus in an amount determined adequate by the commissioner to continue to comply with section 403 but not less than $7,000,000.00. However, an insurer authorized to transact insurance prior to July 21, 1965, that attains the level of minimum capital and surplus required by subsection (1) shall maintain compliance with this section unless the direct premiums written and any reinsurance assumed by the insurer in an annual period are less than the insurer's surplus.

(6) Upon withdrawal of trusteed assets deposited in another state in which the insurer is authorized to do business, it is sufficient if the trust agreement requires similar written approval of the insurance supervising official of that state in lieu of approval by the commissioner provided that the total trusteed assets are not thereby less than the amount required to be maintained pursuant to section 431c.

(7) For all withdrawals, the U.S. branch shall give the commissioner at least 15 days' prior notice in writing of the nature and extent of the proposed withdrawal. For a withdrawal due to overfunding, it shall be considered that the commissioner has approved the withdrawal in either of the following cases:

(9) Refusal or neglect of any trustee to comply with the requirements of subsection (8) is grounds for injunctive relief and other remedies including suspension, limitation, or revocation of the insurer's license, liquidation of its U.S. branch, or the trustee's removal. If removal occurs prior to the appointment of a new trustee, the trusteed assets shall be deposited with the commissioner or as the commissioner directs. (10) Within 90 days after the effective date of this section, the commissioner shall inform each U.S. branch that the trust agreement in force on that date to which the U.S. branch is party is subject to review by the commissioner and the approximate date of the review. Following the review, the commissioner shall inform the relevant U.S. branch in a written notice of any deficiencies in its trust agreements. The U.S. branch shall amend or replace its trust agreement in accordance with this amendatory act within 30 days after receiving the notice from the commissioner.

(d) Increase the insurer's liability in an amount equal to any contingent liability, pledge, or guarantee not otherwise included if there is a substantial risk that the insurer will be called upon to meet the obligation undertaken.

(5) If the director determines that an insurer authorized to transact business in this state has ceased to be safe, reliable, and entitled to public confidence or that the insurer's continued operation may be hazardous to policyholders, creditors, or the public, the director, in addition to his or her authority under section 437 and chapter 81, may issue an order requiring the insurer to do any of the following:

500.436b Certificate of authority limited by order of commissioner.

Sec. 436b. If the commissioner finds on the basis of appropriate investigation and public hearings that a type of insurance or a subset of a type of insurance or of other contracts entered into by insurers authorized to do business in this state present a degree of risk or hazard to the insurer not adequately taken into account by insurance accounting techniques or normal methods of measuring insurance or other contractual risk, the commissioner may conclude that only those authorized insurers possessed of a sufficient degree of financial strength, measured by relevant methods, techniques, analysis, rating systems, and other appropriate financial standards uniformly applied, may engage with safety to policyholders, creditors, or the public in assuming obligations of such a type or subset of a type of insurance or other contracts. In these circumstances, the commissioner may limit by appropriate order the certificate of authority of an insurer that does not possess such a sufficient degree of financial strength so as to preclude prospectively the authority of the insurer to engage in assuming obligations in this state of such a type or subset of a type of insurance or other contracts.

(2) The credit under this section shall be claimed in the manner prescribed by the revenue commissioner.

(3) A taxpayer claiming a credit under this section shall claim a portion of the credit allowed by this section equal to the payments made during a calendar quarter pursuant to section 352 of the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.352, against the quarterly payments required under section 443. Sec. 443. (1) Before April 30, July 31, October 31, and January 31 of each year, each foreign insurer admitted to do insurance business in this state and subject to the tax prescribed in section 476a shall pay to the state treasurer, accompanied by forms prescribed by the revenue commissioner, quarterly installments of the insurer's total estimated tax for the current year. Failure of an insurer to make quarterly payments of at least 1/4 of either of the following shall subject the insurer to the penalty and interest prescribed in 1941 PA 122, MCL 205.1 to 205.31:

(a) If the preceding year's liability was $20,000.00 or less, the total tax liability of the insurer for the previous calendar year. For purposes of this subdivision, an insurer's tax liability for the previous calendar year shall be considered to be the amount of tax imposed that year under section 476a or under the former single business tax act, 1975 PA 228, or the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601, whichever is greater.

The taxes prescribed in this code may be collected, in case of delinquency, together with any interest or penalty on those taxes, by the revenue commissioner, out of money or by the sale of securities, deposited with the state treasurer by the delinquent insurer or if securities or money are not deposited, by an action in a court of competent jurisdiction as for the collection of a debt to the state. In such an action the computation of the revenue commissioner duly sworn to is prima facie evidence of the amount of the computation.

500.464 Additional deposits by domestic insurers.

Sec. 464. (1) Whenever a domestic insurer desiring to do business in any other state or in any foreign country is required to make or maintain a deposit of cash or securities or both in some state other than or in addition to the deposit required to be made with the state treasurer under this act, the other or additional

(2) Deposits by insurers with the state treasurer pursuant to this act or in compliance with the law of another state or a foreign country, shall be held for the purposes specified in the applicable law. Special deposits by insurers with the state treasurer shall be held for the purposes specified by the insurer in making the deposit.

500.476a Alien or foreign insurers; deposit of securities or making certain payments; computation; revocation of certificate of authority; purpose of section; domestic insurer owned or controlled by alien or foreign insurer; domestic insurer as alien or foreign insurer; compliance; taxes subject to MCL 208.22d or MCL 208.1243; administration of tax; disclosure of tax return.

Sec. 476a. (1) Beginning August 3, 1987, whenever, by a law in force outside of this state or country, a domestic insurer or agent of a domestic insurer is required to make a deposit of securities for the protection of policyholders or otherwise, or to make payment for taxes, fines, penalties, certificates of authority, valuation of policies, or otherwise, or a special burden or other burden is imposed, greater in the aggregate than is required by the laws of this state for a similar alien or foreign insurer or agent of an alien or foreign insurer, the alien or foreign insurer of that state or country is required, as a condition precedent to its transacting business in this state, to make a like deposit for like purposes with the state treasurer of this state, and to pay to the revenue commissioner for taxes, fines, penalties, certificates of authority, valuation of policies, and otherwise an amount equal in the aggregate to the charges and payments imposed by the laws of the other state or country upon a similar domestic insurer and the agents of a domestic insurer, regardless of whether a domestic insurer or agent of a domestic insurer is actually transacting business in that state or country. For fire department or salvage corps taxes or other local taxes the amount shall be computed by the revenue commissioner by dividing the total of the payments made by domestic insurers in that state or country by the gross premium received by domestic insurers in that state or country less return premiums. The commissioner shall revoke the certificate of authority of an alien or foreign insurer refusing for 30 days to make payment of fees or taxes as required by this chapter. Except as provided in subsections (3) and (4), for purposes of this section, an insurer organized under the laws of a state or country other than these United States shall be considered an insurer of the state in which its general deposit for the benefit of its policyholders is made.

(2) The purpose of this section is to promote the interstate business of domestic insurers by deterring other states from enacting discriminatory or excessive taxes.

(3) Subsection (4) does not apply to a domestic insurer that is owned or controlled, directly or indirectly, by an alien or foreign insurer who prior to 1998 and with the commissioner's approval did not keep books,

records, and files or true copies thereof in this state.

(4) For purposes of this section, the state treasurer, after consultation with the commissioner, shall determine that a domestic insurer is an alien or foreign insurer domiciled in a state or country determined by the state treasurer if the insurer does not comply with all of the following:

(a) Maintain its principal place of business in this state.

(b) Maintain in this state officers and personnel responsible for and knowledgeable of the company's operation, books, records, administration, and annual statement.

(c) Conduct in this state a substantial portion of its underwriting, sales, claims, legal, and, if applicable, medical operations relating to Michigan policyholders and certificate holders.

(d) Comply with section 5256(1)(a) and (2) through (6). The commissioner shall inform the state treasurer when a domestic insurer is not in compliance with section 5256(1)(a) or (2) through (6).

(5) Taxes collected pursuant to this section are subject to section 22d of the former single business tax act, 1975 PA 228, or section 243 of the Michigan business tax act, 2007 PA 36, MCL 208.1243.

(6) The state treasurer shall administer the tax prescribed by this section in the manner provided in 1941 PA 122, MCL 205.1 to 205.31.

(7) The requirements of section 28 of 1941 PA 122, MCL 205.28, that prohibit an employee or an authorized representative or former employee or authorized representative or anyone connected with the department of treasury from divulging any facts or information obtained in connection with the administration of taxes, do not apply to disclosure of the tax return prescribed in this act.

Constitutionality: Neither Michigan's retaliatory tax nor the 1988 amendment to that tax violates the state or federal constitutions. The retaliatory tax, and the amendments of it, are rationally related to the legitimate governmental purpose of promoting Michigan insurers in other states. Because the tax and its amendments do not violate equal protection, they also do not violate the Michigan Constitution's Uniformity of Taxation Clause (Const. 1963, art 9, § 3). Sec. 478. (1) On or before October 1 of each year, the NAIC shall file a report of its activities with the commissioner and the senate and house of representatives standing committees on insurance issues. The report shall include all of the following:

(a) A summary of the activities of the NAIC during the preceding year.

(b) A fiscal report, in accordance with generally accepted accounting principles and on a form approved by the commissioner, stating each category of personal, operating, and capital expenditures, and each category of revenue from all sources for the NAIC's preceding fiscal year, and anticipated expenses and revenues for the current and succeeding fiscal years. The fiscal report shall include for each fiscal year statements of expenditures by major program; an audit opinion of the association's fiscal report; the salaries and other compensation for the association's officers; the salaries and other compensation of the professional and managerial employees receiving the highest 5 salaries; the salary range and other compensation of all other professional and managerial employees; and other information as may be requested on or before August 1 of each year by the commissioner or the senate and house of representatives standing committees on insurance issues.

(c) A list of each proposed or required NAIC standard, identified by name and version, to be enacted, adopted, or followed in order for a state to receive or continue its status as an NAIC accredited state, including a detailed explanation of how each NAIC standard benefits the public interest and why alternative means, less restrictive of state sovereignty and innovation, would not accomplish an equal or greater benefit to the public interest.

(d) A list of each NAIC standard adopted or proposed to be adopted during the preceding calendar year, identified by name and version, that is not required or proposed to be required for a state to receive or continue its status as an NAIC accredited state.

(e) A description of the policies and procedures in effect with the NAIC that are designed to ensure that a state's accreditation status is determined solely based on the merits of a state's regulatory effectiveness, a statement on whether the NAIC has complied with those policies and procedures, and a detailed explanation of any noncompliance with those policies and procedures.

(f) A description of the policies and procedures designed to ensure that the NAIC conducts its deliberations and makes its decisions in meetings that are open to the public and in a manner that provides fair notice and a fair opportunity for all affected persons to be heard; a statement on whether the NAIC has complied with those policies and procedures; and a detailed explanation of any noncompliance with those policies and procedures.

(2) On or before March 15 of each year, the senate and house of representatives standing committees on insurance issues shall review the NAIC report filed under subsection (1). The committees may provide an opportunity for consumers, the commissioner and other state regulators, insurers, and any other interested person to be heard on matters relating to the NAIC and any other matter relative to the efficient and effective regulation of insurers. The committees may explore the feasibility of conducting legislative oversight hearings together with the legislative committees of other states that have jurisdiction over insurance matters. The committees may transmit the record of their oversight review to the national conference of insurance legislators, the NAIC, and the commissioner on or before July 1 of each year.

500.479 Imposition of fee by NAIC.

Sec. 479. (1) An insurer domiciled in this state and authorized to transact insurance in this state is not required and cannot be compelled to pay any fee imposed by the NAIC, unless the fee is authorized by an order of the commissioner pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(2) In determining whether to authorize the payment of a fee imposed by the NAIC, the commissioner shall consider the NAIC's annual report required under section 478, any legislative oversight reports, records, or findings transmitted by the senate and house of representatives standing committees on insurance issues under section 478, and the following factors:

(a) How the NAIC dedicates the use of the fees, including the degree to which any solvency-related revenue is improperly used to subsidize NAIC functions other than solvency oversight.

(b) The degree to which fees imposed by the NAIC are based on an insurer's annual amount of premium volume, rather than the cost of a service rendered by the NAIC.

(c) Whether the NAIC has exceeded its legal authority, as determined by an examination of the fiscal report required under section 478, as well as any other factors considered appropriate by the commissioner.

(d) The level of accountability shown by the NAIC to legislative and regulatory authorities.

(e) The effect of NAIC standards on state sovereignty and innovation.

(f) Whether the NAIC determines the state's accreditation status solely on the basis of its regulatory effectiveness.

(g) Whether NAIC proceedings and decision making are open and publicly accessible.

(3) An order issued under this section shall include a detailed explanation of the commissioner's findings concerning the factors listed in subsection (2).

(4) The commissioner may by an appropriate order authorize or prohibit, in whole or in part, the payment of a fee imposed by the NAIC. The commissioner may rescind or modify, in whole or in part, an order issued by the commissioner under this section as circumstances warrant.

(4) For a cybersecurity event in a system maintained by a third-party service provider, of which the licensee has become aware, the licensee shall treat the event as it would under this section. The computation of the licensee's deadlines begins on the day after the third-party service provider notifies the licensee of the cybersecurity event or the licensee otherwise has actual knowledge of the cybersecurity event, whichever is earlier. This chapter does not prevent or abrogate an agreement between a licensee and another licensee, a third-party service provider, or any other party to fulfill any of the investigation requirements imposed under section 557 or notice requirements imposed under this section.

(5) For a cybersecurity event involving nonpublic information that is used by the licensee that is acting as an assuming insurer or in the possession, custody, or control of a licensee that is acting as an assuming insurer and that does not have a direct contractual relationship with the affected consumers, the assuming insurer shall notify its affected ceding insurers and the director of its state of domicile within 10 business days after making the determination that a cybersecurity event has occurred. The ceding insurers that have a direct contractual relationship with affected consumers shall fulfill the consumer notification requirements imposed under this section. custody, or control of a third-party service provider of a licensee that is an assuming insurer, the assuming insurer shall notify its affected ceding insurers and the director of its state of domicile within 10 business days after receiving notice from its third-party service provider that a cybersecurity event has occurred. The ceding insurers that have a direct contractual relationship with affected consumers shall fulfill the consumer notification requirements imposed under this chapter.

(6) A licensee acting as an assuming insurer does not have other notice obligations relating to a cybersecurity event or other data breach under this section or any other law of this state.

(7) For a cybersecurity event involving nonpublic information that is in the possession, custody, or control of a licensee that is an insurer or its third-party service provider for which a consumer accessed the insurer's services through an independent insurance producer, and for which consumer notice is required under this chapter, the insurer shall notify the producers of record of all affected consumers of the cybersecurity event not later than the time at which notice is provided to the affected consumers. The insurer is excused from this obligation for any producer who is not authorized by law or contract to sell, solicit, or negotiate on behalf of the insurer, and in those instances in which the insurer does not have the current producer of record information for any individual consumer.

Sec. 561. (1) Unless the licensee determines that the cybersecurity event has not or is not likely to cause substantial loss or injury to, or result in identity theft with respect to, 1 or more residents of this state, a licensee that owns or licenses data that are included in a database that discovers a cybersecurity event, or receives notice of a cybersecurity event under subsection (2), shall provide a notice of the cybersecurity event to each resident of this state who meets 1 or more of the following:

(a) That resident's unencrypted and unredacted personal information was accessed and acquired by an unauthorized person.

(b) That resident's personal information was accessed and acquired in encrypted form by a licensee with unauthorized access to the encryption key.

(2) Unless the licensee determines that the cybersecurity event has not or is not likely to cause substantial loss or injury to, or result in identity theft with respect to, 1 or more residents of this state, a licensee that maintains a database that includes data that the licensee does not own or license that discovers a breach of the security of the database shall provide a notice to the owner or licensor of the information of the cybersecurity event.

(3) In determining whether a cybersecurity event is not likely to cause substantial loss or injury to, or result in identity theft with respect to, 1 or more residents of this state under subsection (1) or (2), a licensee shall act with the care an ordinarily prudent person or agency in like position would exercise under similar circumstances.

(4) A licensee shall provide any notice required under this section without unreasonable delay. A licensee may delay providing notice without violating this subsection if either of the following is met:

(a) A delay is necessary in order for the licensee to take any measures necessary to determine the scope of the cybersecurity event and restore the reasonable integrity of the database. However, the licensee shall provide the notice required under this subsection without unreasonable delay after the licensee completes the measures necessary to determine the scope of the cybersecurity event and restore the reasonable integrity of the database.

(b) A law enforcement agency determines and advises the licensee that providing a notice will impede a criminal or civil investigation or jeopardize homeland or national security. However, the licensee shall provide the notice required under this section without unreasonable delay after the law enforcement agency determines that providing the notice will no longer impede the investigation or jeopardize homeland or national security.

(5) A licensee shall provide any notice required under this section by providing 1 or more of the following to the recipient:

(*ii*) The recipient has expressly consented to receive notice by telephone, or if the recipient has not expressly consented to receive notice by telephone, the licensee also provides notice under subdivision (a) or (b) if the notice by telephone does not result in a live conversation between the individual representing the licensee and the recipient within 3 business days after the initial attempt to provide telephonic notice.

(d) Substitute notice, if the licensee demonstrates that the cost of providing notice under subdivision (a), (b), or (c) will exceed $250,000.00 or that the licensee has to provide notice to more than 500,000 residents of this state. A licensee provides substitute notice under this subdivision by doing all of the following:

(*i*) If the licensee has electronic mail addresses for any of the residents of this state who are entitled to receive the notice, providing electronic notice to those residents.

Sec. 602. (1) "Life" insurance is insurance upon the lives and health of persons and every insurance pertaining thereto, and to grant, purchase, or dispose of annuities. Notwithstanding any other provision of law, life insurance includes insurance upon the lives of persons which insurance prepays the death benefit.

(2) Transaction of life insurance includes the issuance of policies of life and endowment insurance and contracts for the payment of annuities and pure endowments, and contracts supplemental to those that contain only those provisions relating to accident and sickness insurance as provide additional benefits for death or dismemberment or loss of sight by accident or as operate to safeguard those policies or contracts against lapse or to give a special surrender value or special benefit or an annuity if the insured or annuitant shall become totally and permanently disabled, as defined by the contract or supplemental contract.

500.603 Definitions; accelerated benefits; acknowledgment; disclosures; waiver of premium; qualifying event; powers of insurer; pro rata reduction in cash value; actuarial memorandum; policy reserves.

Sec. 603. (1) As used in this section:

(a) "Accelerated benefits" means benefits payable under a life insurance contract to a policyowner or certificateholder, during the lifetime of the insured, in anticipation of death or upon the occurrence of specified life-threatening or catastrophic conditions as defined by the policy or rider that reduce the death benefit otherwise payable under the life insurance contract and that are payable upon the occurrence of a single qualifying event that results in the payment of a benefit amount fixed at the time of acceleration. Accelerated benefits do not include benefits payable to an insured under a long-term care insurance policy.

(b) "Chronic illness" means a permanent medical condition that results in an individual being unable to attend to basic physical activities such as eating, toileting, bathing, grooming, dressing, or ambulating. Chronic illness also includes a permanent severe cognitive impairment or a similar form of dementia.

(c) "Qualifying event" means 1 or more of the following:

(*i*) A medical condition that would result in a drastically limited life span as specified in the contract.

(*ii*) A medical condition that has required or requires extraordinary medical intervention including, but not limited to, major organ transplant or continuous artificial life support, without which the insured would die.

(*iii*) A condition that usually requires continuous confinement in an eligible institution as defined in the contract if the insured is expected to remain there for the rest of his or her life.

(*iv*) A medical condition that would, in the absence of extensive or extraordinary medical treatment, result in a drastically limited life span. Such conditions may include, but are not limited to, coronary artery disease resulting in an acute infarction or requiring surgery, permanent neurological deficit resulting from cerebral vascular accident, end stage renal failure, acquired immune deficiency syndrome, or other medical conditions that the director of the department of insurance and financial services has approved for any particular filing.

(*v*) A chronic illness.

(*vi*) Other qualifying events that the director of the department of insurance and financial services approves for a particular filing.

(2) An accelerated benefit rider and a life insurance policy with accelerated benefit provisions are primarily mortality risks rather than morbidity risks and are life insurance benefits subject to all of the following:

(a) Chapters 40 and 44.

(b) The rider or provisions must provide the option to take the benefit as a lump sum and not as an annuity contingent upon the life of the insured.

(c) The rider or provisions must have no restrictions on the use of the proceeds.

(d) If any death benefit remains after payment of an accelerated benefit, the rider or provisions must not affect the accidental death benefit provision, if any, by the payment of the accelerated benefit.

(e) The rider or provisions must include the terminology "accelerated benefit" in the descriptive title and not be described or marketed as long-term care insurance or as providing long-term care benefits. This subdivision does not apply to life insurance policies or riders that provide directly or supplement long-term care insurance as described in section 3901.

(3) Except as otherwise provided in this section, the insurer of an accelerated benefit rider or life insurance policy with accelerated benefit provisions is required to obtain from an assignee or irrevocable beneficiary a signed acknowledgment of concurrence for payout before the payment of the accelerated benefit. If the insurer making the accelerated benefit is itself the assignee under the policy, an acknowledgment is not required.

(4) An insurer of an accelerated benefit rider or life insurance policy with accelerated benefit provisions shall provide a disclosure statement at the time of application and at the time the accelerated benefit payment request is submitted that receipt of these accelerated benefits may be taxable and that assistance should be sought from a personal tax advisor. The disclosure statement must be prominently displayed on the first page

of the policy or rider and any other related documents. If a policyowner or certificateholder of an accelerated benefit rider or life insurance policy with accelerated benefit provisions requests an acceleration, the insurer shall send a statement to the policyowner or certificateholder and irrevocable beneficiary showing any effect that the payment of the accelerated benefit will have on the policy's cash value, accumulation account, death benefit, premium, policy loans, and policy liens. The statement shall disclose that receipt of accelerated benefit payments may adversely affect the recipient's eligibility for medicaid or other government benefits or entitlements and may be taxable and that assistance should be sought from a personal tax advisor. If a previous disclosure statement becomes invalid as a result of an acceleration of the death benefit, the insurer shall send a revised disclosure statement to the policyowner or certificateholder and irrevocable beneficiary. If the insurer agrees to accelerate death benefits, the insurer shall issue an amended schedule page to the policyholder to reflect, or shall notify the certificateholder under a group policy of, any new, reduced in-force face amount of the contract.

(5) A written disclosure, including, but not necessarily limited to, a brief description of the accelerated benefit and definitions of the conditions or occurrences triggering payment of the benefits shall be given to the applicant for an accelerated benefit rider or life insurance policy with accelerated benefit provisions. The description must include an explanation of any effect of the payment of a benefit on the policy's cash value, accumulation account, death benefit, premium, policy loans, and policy liens. For agent solicited insurance, the agent shall provide the disclosure form to the applicant before or concurrently with the application. Acknowledgment of the disclosure shall be signed by the applicant and writing agent. For a solicitation by direct response methods, the insurer shall provide the disclosure form to the applicant at the time the policy is delivered, with a notice that a full premium refund will be received if the policy is returned to the company within the free look period. For group insurance policies, the disclosure form must be contained as part of the certificate of coverage or any related document furnished by the insurer for the certificateholder.

(6) If there is a premium or cost of insurance charge, the insurer shall give the applicant for an accelerated benefit rider or life insurance policy with accelerated benefit provisions a generic illustration numerically demonstrating any effect of the payment of a benefit on the policy's cash value, accumulation account, death benefit, premium, policy loans, and policy liens. For agent solicited insurance, the agent shall provide the illustration to the applicant before or concurrently with the application. For a solicitation by direct response methods, the insurer shall provide the illustration to the applicant at the time the policy is delivered. For group insurance policies, the disclosure form must be contained as part of the certificate of coverage or any related document furnished by the insurer for the certificateholder.

(7) An insurer of an accelerated benefit rider or life insurance policy with accelerated benefit provisions with financing options other than as described in subsection (12)(b) shall disclose to the policyowner any premium or cost of insurance charge for the accelerated benefit. The insurer shall make a reasonable effort to assure that the certificateholder is aware of any additional premium or cost of insurance charge if the certificateholder is required to pay a charge. Upon request of the director of the department of insurance and financial services, an insurer shall furnish an actuarial demonstration disclosing the method of arriving at its cost for the accelerated benefit.

(8) The insurer of an accelerated benefit rider or life insurance policy with accelerated benefit provisions shall disclose to the policyowner any administrative expense charge. The insurer shall make a reasonable effort to assure that the certificateholder is aware of any administrative expense charge if the certificateholder is required to pay the charge.

(9) An accelerated benefit provision is effective as follows:

(a) On the effective date of the policy or rider for accidents.

(b) No more than 30 days after the effective date of the policy or rider for illness.

(10) The insurer of an accelerated benefit rider or life insurance policy with accelerated benefit provisions may offer a waiver of premium for the accelerated benefit provision if a regular waiver of premium provision is not in effect. At the time the benefit is claimed, the insurer shall explain any continuing premium requirement to keep the policy in force.

(11) An insurer of an accelerated benefit rider or life insurance policy with accelerated benefit provisions shall not unfairly discriminate among insureds with differing qualifying events covered under the policy or among insureds with similar qualifying events covered under the policy. An insurer shall not apply further conditions on the payment of the accelerated benefits other than those conditions specified in the policy or rider.

(12) The insurer of an accelerated benefit rider or life insurance policy with accelerated benefit provisions may do any of the following:

(a) Require a premium charge or cost of insurance charge for the accelerated benefit if based on sound actuarial principles. For group insurance, the additional cost may also be reflected in the experience rating.

(b) Pay a present value of the face amount. The calculation shall be based on any applicable actuarial discount appropriate to the policy design. The interest rate or interest rate methodology used in the calculation shall be based on sound actuarial principles and disclosed in the contract or actuarial memorandum. The maximum interest rate used shall be no greater than the greater of the current yield on 90-day treasury bills or the current maximum statutory adjustable policy loan interest rate.

(c) Accrue an interest charge on the amount of the accelerated benefits. The interest rate or interest rate methodology used in the calculation shall be based on sound actuarial principles and disclosed in the contract or actuarial memorandum. The maximum interest rate used shall be no greater than the greater of the current yield on 90-day treasury bills or the current maximum statutory adjustable policy loan interest rate. The interest rate accrued on the portion of the lien that is equal in amount to the cash value of the contract at the time of the benefit acceleration shall be no more than the policy loan interest rate stated in the contract.

(13) Except as otherwise provided in this subsection, if an accelerated benefit on an accelerated benefit rider or life insurance policy with accelerated benefit provisions is payable, there shall be no more than a pro rata reduction in the cash value based on the percentage of death benefits accelerated to produce the accelerated benefit payment. Alternatively, the payment of accelerated benefits, any administrative expense charges, any future premiums, and any accrued interest may be considered a lien against the death benefit of the policy or rider and the access to the cash value may be restricted to any excess of the cash value over the sum of any other outstanding loans and the lien. Future access to additional policy loans may be limited to any excess of the cash value over the sum of the lien and any other outstanding policy loans.

(14) If payment of an accelerated benefit on an accelerated benefit rider or life insurance policy with accelerated benefit provisions results in a pro rata reduction in the cash value, the payment shall not be applied toward repaying an amount greater than a pro rata portion of any outstanding policy loans.

(15) For an accelerated benefit rider or life insurance policy with accelerated benefit provisions, a qualified actuary shall describe the accelerated benefits, the risks, the expected costs, and the calculation of statutory reserves in an actuarial memorandum. The insurer shall maintain in its files descriptions of the bases and procedures used to calculate benefits payable. These descriptions and the actuarial memorandum shall be made available for examination by the director of the department of insurance and financial services upon request.

(16) If benefits are provided through the acceleration of benefits under group or individual life policies or riders to an accelerated benefit rider or life insurance policy with accelerated benefit provisions, policy reserves shall be determined in accordance with section 834. All valuation assumptions used in constructing the reserves shall be determined as appropriate for statutory valuation purposes by a member in good standing of the American academy of actuaries. The actuary shall follow both actuarial standards and certification for good and sufficient reserves. Reserves in the aggregate should be sufficient to cover policies upon which no claim has yet arisen and policies upon which an accelerated claim has arisen. For policies and certificates that provide actuarially equivalent benefits, additional reserves do not need to be established. Policy liens and policy loans, including accrued interest, represent assets of the insurer for statutory reporting purposes. For a policy on which the policy lien exceeds the policy's statutory reserve liability, the excess shall be held as a nonadmitted asset.

CHAPTER 7
RESERVE STANDARDS FOR DISABILITY INSURANCE

500.701 Definitions.

Sec. 701. As used in this chapter:

(a) "Annual claim cost" means the net annual cost per unit of benefit before the addition of expenses, including claim settlement expenses, and a margin for profit or contingencies.

(b) "Accrued claims" means that portion of claims payable under a health insurance policy or certificate and incurred on or prior to the valuation date that result in liability of the insurer for the payment of benefits for medical services rendered on or prior to the valuation date and for the payment of benefits for days of hospitalization and days of disability that have occurred on or prior to the valuation date that the insurer has not paid as of the valuation date but for which it is liable and will have to pay after the valuation date.

(c) "Date of disablement" means the earliest date the insured is considered as being disabled under the definition of disability in the health insurance policy or certificate based on a doctor's evaluation or other evidence.

(d) "Date of incurral" means the date a claim is determined to be a liability of the insurer.

(e) "Elimination period" means a specified number of days, weeks, or months starting at the beginning of each period of loss, during which benefits under a health insurance policy or certificate are not payable.

(f) "Gross premium" means the amount of premium charged by the insurer. Gross premium includes the net premium, based on claim-cost, for the risk together with any loading for expenses, profit, or contingencies.

(g) "Group insurance" means blanket insurance and franchise insurance and any other forms of group insurance.

(h) "Level premium" means a premium on a health insurance policy or certificate calculated to remain unchanged throughout either the lifetime of the policy or certificate or for some shorter projected period of years.

(i) "Long-term care insurance" means any insurance policy, certificate, or rider advertised, marketed, offered, or designed to provide coverage for not less than 12 consecutive months for each covered person on an expense incurred, indemnity, prepaid, or other basis, for 1 or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital. Long-term care insurance includes a policy, certificate, or rider that provides for payment of benefits based upon cognitive impairment or the loss of functional capacity. Long-term care insurance does not include an insurance policy or certificate offered primarily to provide basic medicare supplement coverage, basic hospital expense coverage, basic medical-surgical expense coverage, hospital confinement indemnity coverage, major medical expense coverage, disability income or related asset-protection coverage, accident only coverage, specified disease or specified accident coverage, or limited benefit health coverage.

(j) "Modal premium" means the premium paid on a health insurance policy or certificate based on a premium term that could be annual, semiannual, quarterly, monthly, or weekly.

(k) "Preliminary term reserve method" means the method under which the valuation net premium for each year falling within the preliminary term period is exactly sufficient to cover the expected incurred claims of that year, so that the terminal reserves will be zero at the end of the year. As of the end of the preliminary term period, a new constant valuation net premium or stream of changing valuation premiums becomes applicable such that the present value of all such premiums is equal to the present value of all claims expected to be incurred following the end of the preliminary term period.

(*l*) "Reserve" means all items of benefit liability, whether in the nature of incurred claim liability or in the nature of contract liability relating to future periods of coverage, and whether the liability is accrued or unaccrued. An insurer under its contracts promises benefits that result in either of the following:

(*i*) Claims that have been incurred, that is, for which the insurer has become obligated to make payment, on or prior to the valuation date. On these claims, payments expected to be made after the valuation date for accrued and unaccrued benefits are liabilities of the insurer which should be provided for by establishing claim reserves.

(*ii*) Claims that are expected to be incurred after the valuation date. Any present liability of the insurer for these future claims should be provided for by the establishment of contract reserves and unearned premium reserves.

(m) "Unearned premium reserve" means that portion of the premium on a health insurance policy or certificate paid or due to the insurer that is applicable to the period of coverage extending beyond the valuation date.

(n) "Valuation net modal premium" means the modal fraction of the valuation net annual premium that corresponds to the gross modal premium in effect on any contract to which contract reserves apply. For example, if the mode of payment in effect is quarterly, the valuation net modal premium is the quarterly equivalent of the valuation net annual premium.

(2) Appropriate claim expense reserves are required with respect to the estimated expense of settlement of all incurred but unpaid claims on health insurance policies and certificates.

(3) All claim reserves on health insurance policies and certificates for prior valuation years are to be tested for adequacy and reasonableness consistent with claim runoff schedules in accordance with the insurer's annual statutory financial statement including consideration of any residual unpaid liability.

Sec. 705. (1) The maximum interest rate for claim reserves related to disability income is that rate specified in section 733.

(2) Minimum standards with respect to morbidity are those specified in rules promulgated pursuant to this chapter except that, at the option of the insurer, for claims with a duration from date of disablement of less than 2 years, reserves may be based upon the insurer's experience, if such experience is considered credible, or upon other assumptions designed to place a sound value on the liabilities.

(3) For group disability income claims with a duration from date of disablement of 2 years or more but less than 5 years, reserves may, with the approval of the commissioner, be based on the insurer's experience for which the insurer maintains underwriting and claim administration control. The request for approval of a plan of modification to the reserve basis shall include all of the following:

(a) An analysis of the credibility of the experience.

(b) A description of how all of the insurer's experience is proposed to be used in setting reserves.

(c) A description and quantification of the margins to be included.

(d) A summary of the financial impact that the proposed plan of modification would have had on the insurer's last filed annual statement.

(e) A copy of the approval of the proposed plan of modification by the commissioner.

(f) Any other information considered necessary by the commissioner.

(4) For health insurance policies and certificates with an elimination period, the duration of disablement shall be measured as dating from the time that benefits would have begun to accrue if there had not been an elimination period.

Approximations based on groupings and averages may also be employed, provided, however, that the adequacy of the claim reserves shall be determined in the aggregate.

500.711 Unearned premium reserves; treatment of premiums due and unpaid; discount of certain gross premiums paid in advance.

Sec. 711. (1) Unearned premium reserves are required for all health insurance policies and certificates with respect to the period of coverage for which premiums, other than premiums paid in advance, have been paid beyond the date of valuation.

(2) If premiums due and unpaid are carried as an asset, such premiums shall be treated as premiums in force, subject to unearned premium reserve determination. The value of unpaid commissions, premium taxes, and the cost of collection associated with due and unpaid premiums shall be carried as an offsetting liability.

(3) The gross premiums paid in advance for a period of coverage commencing after the next premium due date that follows the date of valuation may be appropriately discounted to the valuation date and shall be held either as a separate liability or as an addition to the unearned premium reserve that would otherwise be required as a minimum.

500.713 Minimum unearned premium reserve; basis; sum of unearned premium and contract reserves; limitation.

Sec. 713. (1) The minimum unearned premium reserve with respect to any health insurance policy or certificate is the pro rata unearned modal premium that applies to the premium period beyond the valuation date, with such premium determined on the basis of either of the following:

(a) The valuation net modal premium on the contract reserve basis applying to the health insurance policy or certificate.

(b) The gross modal premium for the health insurance policy or certificate if no contract reserve applies.

(2) The sum of the unearned premium and contract reserves for all health insurance policies and certificates of the insurer subject to contract reserve requirements shall not be less than the gross modal unearned premium reserve on all such health insurance policies and certificates, as of the date of valuation. This reserve shall not be less than the expected claims for the period beyond the valuation date represented by the unearned premium reserve, to the extent not provided for under this chapter.

500.717 Contract reserves; required for certain policies and certificates; exception; addition to claim and premium reserves; methods and procedures; date of incurral defined.

Sec. 717. (1) Except as otherwise provided for in subsection (2), contract reserves are required for both of the following:

(a) All health insurance policies and certificates that use level premiums.

(b) All health insurance policies and certificates with respect to which, due to the gross premium pricing structure at issue, the value of the future benefits at any time exceeds the value of any appropriate future valuation net premiums at that time. The values specified in this subdivision shall be determined in the manner provided for in section 719.

(2) Health insurance policies and certificates not requiring a contract reserve include the following:

(a) Policies and certificates that cannot be continued after 1 year from issue.

(b) Policies and certificates already in force on the effective date of this chapter for which a contract reserve was not required under standards in effect before the effective date of this chapter.

(3) The contract reserve is in addition to claim reserves and premium reserves.

(4) The methods and procedures for contract reserves shall be consistent with those methods and procedures for claim reserves for any health insurance policy or certificate, or else appropriate adjustment shall be made when necessary to assure provision for the aggregate liability. The definition of the date of incurral shall be the same in both determinations.

500.719 Morbidity standards; rules; structure of valuation net premiums; valuation of health insurance policies and certificates for which tabular morbidity standards not specified; maximum interest rate for contract reserves; termination rates; adjustment of morbidity standard on aggregate basis; minimum reserve; application of certain reserve adjustments; offset of negative reserves against positive reserves; total contract reserve not less than zero.

Sec. 719. (1) Minimum standards with respect to morbidity are those set forth in rules promulgated pursuant to this chapter. Valuation net premiums used under each health insurance policy or certificate shall have a structure consistent with the gross premium structure at the date of issuance of the policy or certificate as this relates to advancing age of the insured, contract duration, and period for which gross premiums have been calculated.

(2) Health insurance policies and certificates for which tabular morbidity standards are not specified in rules promulgated pursuant to this chapter shall be valued using tables established for reserve purposes by a qualified actuary and acceptable to the commissioner.

(3) The maximum interest rate for contract reserves is that rate specified in section 733.

(4) Termination rates used in the computation of reserves shall be on the basis of mortality as specified in section 735 except that under policies or certificates for which premium rates are not guaranteed, and where the effects of insurer underwriting are specifically used by policy or certificate duration in the valuation morbidity standard, or for return of premium or other deferred cash benefits, total termination rates may be used at ages and durations where these exceed specified mortality table rates, but not in excess of the lesser of the following:

(a) 80% of the total termination rate used in the calculation of the gross premiums.

(b) 8%.

(5) If a morbidity standard specified in rules promulgated pursuant to this chapter is on an aggregate basis, the morbidity standard may be adjusted to reflect the effect of insurer underwriting by policy or certificate duration. The adjustments shall be appropriate to the underwriting and be acceptable to the commissioner.

(6) For health insurance, except for long-term care insurance and return of premium or other deferred cash benefits, the minimum reserve is the reserve calculated on the 2-year full preliminary term method where the terminal reserve is zero at the first and second year anniversary of the policy or certificate. For long-term care insurance, the minimum reserve is the reserve calculated on the 1-year full preliminary term method. For health insurance, except for return of premium or other deferred cash benefits, the preliminary term method may be applied only in relation to the date of issue of a policy or certificate. For return of premium or other deferred cash benefits issued on or after the effective date of this chapter, the minimum reserve is the reserve, calculated as of the date of issue of the return of premium or other deferred cash benefits, set forth as follows:

(a) On the 1-year preliminary term method if such benefits are provided at any time before the twentieth anniversary.

(b) On the 2-year preliminary term method if such benefits are only provided on or after the twentieth anniversary.

(7) Reserve adjustments made after issuance of the health insurance policy or certificate as a result of rate increases, revisions in assumptions, or for other reasons are to be applied immediately as of the effective date of adoption of the adjusted basis.

(8) Negative reserves on any benefit may be offset against positive reserves for other benefits in the same health insurance policy or certificate, but the total contract reserve with respect to all benefits combined shall not be less than zero.

500.721 Application of alternative method or basis to contract reserve; assumptions; methods to determine sound value of liabilities.

Sec. 721. (1) If the contract reserve on all health insurance policies and certificates to which an alternative method or basis is applied is not less in the aggregate than the amount determined according to the applicable standards specified in this chapter, an insurer may use any reasonable assumptions as to interest rates, termination, and mortality rates, and rates of morbidity or other contingency.

(2) Subject to subsection (1), the insurer may employ other methods in determining a sound value of its liabilities under health insurance policies and certificates, including, but not limited to, the following:

(a) The net level premium method.

(b) The 1-year full preliminary term method.

(c) Prospective valuation on the basis of actual gross premiums with reasonable allowance for future expenses.

(d) The use of approximations such as those involving age groupings, groupings of several years of issue, average amounts of indemnity, and grouping of similar contract forms.

(e) The computation of the reserve for 1 contract benefit as a percentage of, or by other relation to, the aggregate contract reserves exclusive of the benefit or benefits so valued.

(f) The use of a composite annual claim cost for all or any combination of the benefits included in the policies or certificates valued.

500.723 Tabular reserves; annual review; increments; restriction of future gross premiums; establishment of contract reserves for insufficiency in aggregate.

Sec. 723. (1) A review shall be made annually of the insurer's prospective contract liabilities on health insurance policies and certificates valued by tabular reserves, to determine the continuing adequacy and reasonableness of the tabular reserves giving consideration to future gross premiums. The insurer shall make appropriate increments to the tabular reserves if the tests indicate that the basis of the reserves is no longer adequate, subject to the minimum standards of section 719.

(2) If an insurer has a health insurance policy or certificate for which future gross premiums will be restricted by contract, insurance bureau regulations, or for other reasons, such that the future gross premiums reduced by expenses for administration, commissions, and taxes will be insufficient to cover future claims, the insurer shall establish contract reserves for the insufficiency in the aggregate.

The insurer may, however, elect to use the other tables with respect to any subsequent annual statement year.

noncompliance; examination of reserve practices and investment incomes.

Sec. 810. (1) Each insurer transacting business in this state, at all times, shall maintain reserves in an amount estimated in the aggregate to provide for the payment of all losses and claims incurred, whether reported, or unreported, which are unpaid and for which the insurer may be liable and to provide for the expenses of adjustment or settlement of losses and claims. The reserves shall be computed in accordance with rules promulgated by the commissioner, after due notice and hearing, based upon reasonable consideration of the ascertained experience and the character of those kinds of business, for the purpose of adequately protecting the insureds and securing the solvency of the insurer.

(2) If the loss and loss expense experience of the insurer or the anticipated loss expense experience of the insurer as determined by an actuarial evaluation shows the reserves, calculated in accordance with the rules, to be inadequate, the commissioner shall require the insurer to maintain additional reserves. Within 30 business days after notification by the commissioner that its reserves have been determined to be in noncompliance with the requirements of subsection (1), the insurer shall file a plan to restore compliance. The commissioner, upon written request by the insurer, may grant a period of time within which to restore compliance. The period of time may be granted only if the commissioner is satisfied the insurer is safe, reliable, and entitled to public confidence and the commissioner approves the plan filed by the insurer for restoring compliance within the time granted. If the plan is not approved by the commissioner, or if the plan is approved but at the end of 1 year the insurer is not in compliance with the requirements of this section, the commissioner may grant additional time to comply, or the commissioner may suspend, revoke, or limit the certificate of authority of the insurer pursuant to section 436.

(3) The commissioner shall annually examine the reserve practices and investment incomes of medical malpractice, products liability, and municipal liability insurers licensed to do business in this state.

Sec. 830. (1) The director shall annually value the reserve liabilities, hereinafter called reserves, for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurer doing business in this state issued before the operative date of the valuation manual, except that for an alien insurer, the valuation is limited to its United States' business. In calculating the reserves, the director may use group methods and approximate averages for fractions of a year or otherwise. Instead of the valuation of the reserves required in this section of any foreign or alien insurer, the director may accept any valuation made by the insurance supervisory official of any state or other jurisdiction, if the valuation complies with the minimum standard provided in this section.

(2) The director shall annually value the reserve liabilities hereinafter called reserves for all outstanding life insurance contracts, annuity and pure endowment contracts, accident and health contracts, and deposit-type contracts of every company issued on or after the operative date of the valuation manual. On the election of a company, for a contract acquired by the company through a business acquisition or reinsurance transaction after the effective date of the amendatory act that added section 836a, regardless of when the contract was issued, the director shall annually value the reserves for the contract. Instead of the valuation of the reserves required of a foreign or alien company, the director may accept a valuation made by the insurance supervisory official of any state or other jurisdiction if the valuation complies with the minimum standard provided in this section.

(3) Except as otherwise provided in this subsection, the insurer shall pay to the director, as compensation for the valuation, 1 cent for each thousand dollars insured, under policies insuring residents of the United States, or issued by an insurer organized under the laws of this state. For annual valuations after December 31, 1987, the valuation fee imposed under this section does not apply to contracts of reinsurance. A valuation fee under this subsection does not apply to an annual valuation of a domestic insurer after December 31, 1987. For annual valuations for the 1994 calendar year, the valuation fee imposed under this subsection for alien insurers is .67 cent for each thousand dollars insured. After December 31, 1994, the valuation fee imposed under this subsection does not apply to alien insurers.

(4) An insurer that has adopted a standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard provided in this section may, with the approval of the director, adopt a lower standard of valuation, but not lower than the minimum provided in this section.

(5) A foreign cooperative or assessment insurer shall value its business and shall maintain reserves under the standards required of domestic insurers transacting similar insurance under this section.

(6) As used in this section:

(a) "Accident and health insurance" means contracts that incorporate morbidity risk and provide protection against economic loss resulting from accident, sickness, or medical conditions and as may be specified in the valuation manual.

(b) "Company" means an entity that has written, issued, or reinsured life insurance contracts, accident and health insurance contracts, or deposit-type contracts in this state and has at least 1 life insurance, accident and health insurance, or deposit-type policy in force or on claim, or that has written, issued, or reinsured life insurance contracts, accident and health insurance contracts, or deposit-type contracts in any state and is

required to hold a certificate of authority to write life insurance, accident and health insurance, or deposit-type contracts in this state.

(c) "Deposit-type contract" means a contract that does not incorporate mortality or morbidity risks and as may be specified in the valuation manual.

(d) "Life insurance" means a contract that incorporates mortality risk, including annuity and pure endowment contracts, and as may be specified in the valuation manual.

(e) "NAIC" means the national association of insurance commissioners.

(f) "Valuation manual" means the manual of valuation instructions adopted by the NAIC as described in section 836b.

500.830a Life insurance; actuarial opinion; form; submission to director; liability of actuary; “qualified actuary” defined; limitation; public hearing; company with outstanding life insurance contracts, accident and health insurance contracts, or deposit-type contracts; actuarial opinion; requirements; definitions.

Sec. 830a. (1) A life insurance company doing business in this state shall annually submit to the director the opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the director by rule are computed appropriately, are based on assumptions that satisfy contractual provisions, are consistent with prior reported amounts, and comply with applicable laws of this state. The actuarial opinion required by this section must be submitted in a form prescribed by the director and may include any other items that the director considers necessary.

(2) A life insurance company, except as exempted by or under rule, shall also annually include in the opinion required by subsection (1) an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the director by rule, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including, but not limited to, the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provision for the company's obligations under the policies and contracts, including, but not limited to, the benefits under and expenses associated with the policies and contracts. By order, the director may provide for a transition period for establishing any higher reserves that the qualified actuary may consider necessary to render the opinion required by this subsection.

(3) All of the following apply to an opinion required by subsection (2):

(a) A memorandum must be prepared to support each actuarial opinion that is in form and substance acceptable to the director.

(b) If the insurance company does not provide a supporting memorandum within the period of time requested by the director or the director determines that the supporting memorandum provided by the insurer does not meet the standards prescribed by applicable laws or rules or is otherwise unacceptable to the director, the director may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare a supporting memorandum as is required by the director.

(4) All of the following apply to an opinion required by this section:

(a) The opinion must be submitted with the annual statement reflecting the valuation of the reserve liabilities for each year ending on or after December 31, 1994.

(b) The opinion applies to all business in force including individual and group disability insurance plans in form and substance acceptable to the director.

(c) The opinion must be based on standards as the director may prescribe by rule.

(d) For an opinion required to be submitted by a foreign or alien insurer, the director may accept the opinion filed by the foreign or alien insurer with the insurance supervisory official of another state if the director determines that the opinion reasonably meets the requirements applicable to a company domiciled in this state.

(e) A memorandum in support of the opinion, and any other material provided by the insurer to the director in connection with it, shall be kept confidential by the director, shall not be made public, and is not subject to subpoena, other than for the purpose of defending an action seeking damages from a person by reason of an action required by this section or by rules promulgated under this section. However, the director may release the memorandum or other material in any of the following instances:

(*i*) With the written consent of the insurer.

(*ii*) To the American academy of actuaries if the memorandum or other material is required for the purpose of professional disciplinary proceedings and the request describes procedures satisfactory to the director for preserving the confidentiality of the memorandum or other material.

(*iii*) If any portion of the confidential memorandum is cited by the insurer in its marketing or is cited before any governmental agency other than a state insurance regulatory agency or is released by the insurer to the news media. A confidential memorandum cited as described under this subparagraph is not confidential.

(5) Except for fraud or willful misconduct, the qualified actuary is not liable for damages to a person other than the insurance company and the director for an act, error, omission, decision, or conduct with respect to the actuary's opinion. Disciplinary action by the director against the insurer or the qualified actuary shall be defined in rules by the director.

(6) For purposes of this section, "qualified actuary" means a member of either the american academy of actuaries or the society of actuaries who also meets any other criteria established by the director by rule.

(7) The director shall not accept as a qualified actuary or accept an actuarial opinion prepared in whole or in part by an individual who has done any of the following:

(a) Been convicted of fraud, bribery, a violation of 18 USC 1961 to 1968, or any dishonest conduct or practices under federal or state law.

(b) Violated the insurance laws of this state with respect to any previous reports submitted under this section.

(c) Did not detect or disclose material information in 1 or more previous reports filed under this section.

(8) The director may hold a public hearing under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, to determine if an actuary is qualified. After considering the evidence presented, the director may find that the actuary is not qualified for purposes of expressing his or her opinion on reserves and related actuarial items as required by this section, and may require the insurer to replace the actuary with another actuary.

(9) Every company with outstanding life insurance contracts, accident and health insurance contracts, or deposit-type contracts in this state and subject to regulation by the director shall annually submit the opinion of the appointed actuary as to whether the reserves and related actuarial items held in support of the policies and contracts are computed appropriately, are based on assumptions that satisfy contractual provisions, are consistent with prior reported amounts, and comply with applicable laws of this state. The valuation manual must provide the specifics of this opinion, including any items considered necessary to its scope.

(10) Every company with outstanding life insurance contracts, accident and health insurance contracts, or deposit-type contracts in this state and subject to regulation by the director, except as exempted in the valuation manual, shall also annually include in the opinion required by subsection (9) an opinion of the same appointed actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified in the valuation manual, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including, but not limited to, the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, make adequate provisions for the company's obligations under the policies and contracts, including, but not limited to, the benefits under and expenses associated with the policies and contracts.

(11) Both of the following apply to an opinion required under subsection (10):

(a) A memorandum, in form and substance as specified in the valuation manual, and acceptable to the director, shall be prepared to support each actuarial opinion.

(b) If an insurance company does not provide a supporting memorandum at the request of the director within a period specified in the valuation manual or the director determines that the supporting memorandum provided by the insurance company does not meet the standards prescribed by the valuation manual or is otherwise unacceptable to the director, the director may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the supporting memorandum required by the director.

(12) All of the following apply to an opinion required under subsection (9) or (10):

(a) The opinion must be in form and substance as specified in the valuation manual and acceptable to the director.

(b) The opinion must be submitted with the annual statement reflecting the valuation of the reserve liabilities for each year ending on or after the operative date of the valuation manual.

(c) The opinion applies to all policies and contracts described in subsection (10), and to other actuarial liabilities as may be specified in the valuation manual.

(d) The opinion must be based on standards adopted from time to time by the actuarial standards board or its successor, and on such additional standards as may be prescribed in the valuation manual.

(e) For an opinion required to be submitted by a foreign or alien company, the director may accept the

opinion filed by the foreign or alien company with the insurance supervisory official of another state if the director determines that the opinion reasonably meets the requirements applicable to a company domiciled in this state.

(f) Except for fraud or willful misconduct, the appointed actuary is not liable for damages to a person other than the insurance company and the director for an act, error, omission, or decision, or conduct, with respect to the appointed actuary's opinion.

(g) The director shall determine by regulation disciplinary action against the company or the appointed actuary.

500.832 Valuation of life insurance policies and contracts issued before operative date of standard nonforfeiture law.

Sec. 832. (1) This section shall apply to only life insurance policies and contracts issued before the operative date of section 4060, the standard nonforfeiture law.

(2) Except as otherwise provided in section 835 for group annuity and pure endowment contracts issued before the operative date of section 4060, in valuing the policies to which this section applies, the rate of interest to be assumed shall, after and including the year 1896, be 4% per annum, and at the election of the insurer the rate of 4% shall be assumed any year before 1896, and the rate of mortality shall be that established by the "table of mortality based on American experience". Group life insurance policies may be valued on the basis of the American men ultimate table of mortality with interest at the rate of 3-1/2% per annum, except that the minimum standard for the valuation of annuities and pure endowments purchased under group annuity and pure endowment contracts shall be that provided in this section, but replacing the interest rates specified in this section by an interest rate of 5% per annum. However, at least 90 days before an insurer revalues reserves relative to annuities and pure endowments purchased under group annuity and pure endowment contracts in accordance with this subsection, the insurer shall give notice to the commissioner of its intent to do so in a form prescribed by the commissioner. The notice shall specify the amount of the reserves affected and the amount by which the reserves are proposed to be revalued. The notice shall also contain an actuarial certification that, after the proposed revaluation, the reserves will still be adequate to mature the obligations of the insurer on the policies and contracts for which the reserves were established.

The certification shall be made by an actuary qualified to certify an annual statement described in section 438. Except as otherwise provided in section 834, all outstanding industrial life insurance policies issued on or after January 1, 1944 shall be valued on a basis of not less than the standard industrial table of mortality or the substandard industrial table of mortality with interest at the rate of 3-1/2% per annum. Upon written application of the insurer, the commissioner may vary the standards of mortality and interest required by this section. This section shall not permit the use of standards of mortality and interest or methods of producing aggregate reserves lower than those based upon the standard prescribed by this section. The policies shall be valued in accordance with the terms of the policy contracts. In each case in which the actual premium charged for an insurance is less than the net premium for the insurance, based upon the American experience table of mortality with interest at the rate of 4%, the insurer shall also be charged with the value of an annuity, the amount of which shall be equal to the difference between the premium charged and the net premium for the insurance based upon the American experience table with interest at the rate of 4% and the terms of which in years shall equal the number of future annual payments due on the insurance at the date of valuation.

For any category of those policies issued on female risks, all modified net premiums and present values referred to in this section may be calculated according to an age not more than 6 years younger than the actual age of the insured; and, for those policies issued on or after the operative date of paragraphs 9 to 18 of section 4060(5), the Commissioner's 1980 Standard Ordinary Mortality Table or, at the election of the company for any 1 or more specified plans of life insurance, the Commissioner's 1980 Standard Ordinary Mortality Table with 10-year select mortality factors or any ordinary mortality table adopted after 1980 by the National Association of Insurance Commissioners that is approved by a rule promulgated by the director for use in determining the minimum standard of valuation for those policies or the 2001 CSO mortality table under section 838.

(b) For all industrial life insurance policies issued on the standard basis, excluding any disability and accidental death benefits in those policies: the 1941 Standard Industrial Mortality Table for those policies issued before the operative date of paragraph 7 of section 4060(5); and for those policies issued on or after that operative date, the Commissioner's 1961 Standard Industrial Mortality Table or any industrial mortality table adopted after 1980 by the National Association of Insurance Commissioners that is approved by a rule promulgated by the director for use in determining the minimum standard of valuation for those policies.

(c) For individual annuity and pure endowment contracts, excluding any disability and accidental death benefits in those policies: the 1937 Standard Annuity Mortality Table or, at the option of the company, the annuity mortality table for 1949, ultimate, or any modification of either of those tables approved by the director.

(d) For group annuity and pure endowment contracts, excluding any disability and accidental death benefits in those policies: the Group Annuity Mortality Table for 1951, any modification of that table approved by the director, or, at the option of the company, any of the tables or modifications of tables specified for individual annuity and pure endowment contracts.

(e) For total and permanent disability benefits in or supplementary to ordinary policies or contracts: for policies or contracts issued after December 31, 1965, the tables of period 2 disablement rates and the 1930 to

1950 termination rates of the 1952 Disability Study of the Society of Actuaries, with due regard to the type of benefit or any tables of disablement rates and termination rates adopted after 1980 by the National Association of Insurance Commissioners that are approved by a rule promulgated by the director for use in determining the minimum standard of valuation for those policies; for policies or contracts issued after December 31, 1960, and before January 1, 1966, either those tables or, at the option of the company, the class (3) disability table, 1926; and for policies issued before January 1, 1961, the class (3) disability table, 1926. For active lives, a table must be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(f) For accidental death benefits in or supplementary to policies: for policies issued after December 31, 1965, the 1959 Accidental Death Benefits Table or any accidental death benefits table adopted after 1980 by the National Association of Insurance Commissioners that is approved by a rule promulgated by the director for use in determining the minimum standard of valuation for those policies; for policies issued after December 31, 1960, and before January 1, 1966, 1 of the above tables or at the option of the insurer the intercompany double indemnity mortality table. A table must be combined with a mortality table permitted for calculating the reserves for life insurance policies.

(g) For group life insurance, life insurance issued on the substandard basis, and other special benefits: any table approved by the director.

(2) Except as otherwise provided in subsections (3) and (6), reserves according to the Commissioner's Reserve Valuation Method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums, is the excess, if any, of the present value, at the date of valuation, of the future guaranteed benefits provided for by those policies over the then present value of any future modified net premiums for the policies. The modified net premiums for the policy is a uniform percentage of the respective contract premiums for the future guaranteed benefits so that the present value of all modified net premiums equals, at the date of issue of the policy, the sum of the then present value of these benefits provided for by the policy and the excess of subdivision (a) over subdivision (b), as follows:

(a) A net level annual premium equal to the present value, at the date of issue, of the future guaranteed benefits provided for after the first policy year divided by the present value, at the date of issue, of an annuity of 1 per annum payable on the first and each subsequent anniversary of the policy on which a premium falls due. However, the net level annual premium must not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age 1 year higher than the age at issue of the policy.

(b) A net 1-year term premium for the future guaranteed benefits provided for in the first policy year.

However, for any life insurance policy issued after December 31, 1985 for which the contract premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for that excess and that provides an endowment benefit or a cash surrender value or a combination of endowment benefit and cash surrender value in an amount greater than the excess premium, the reserve according to the Commissioner's Reserve Valuation Method as of any policy anniversary occurring on or before the assumed ending date, defined as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than the excess premium, is, except as otherwise provided in subsection (6), the greater of the reserve as of that policy anniversary calculated as described in paragraph 1 of this subsection and the reserve as of that policy anniversary calculated as described in that paragraph, but with the value defined in subdivision (a) being reduced by 15% of the amount of the excess first year premium; all present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date; the policy being assumed to mature on that date as an endowment; and the cash surrender value provided on that date being considered as an endowment benefit. In making the above comparison, the mortality and interest bases stated in subsection (1) and section 836 must be used.

Reserves according to the Commissioner's Reserve Valuation Method for life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums; group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the internal revenue code of 1986, 26 USC 408; disability and accidental death benefits in all policies and contracts; and all other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, must be calculated by a method consistent with the principles of this subsection.

(3) This subsection applies to all annuity and pure endowment contracts other than group annuity and pure

endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the internal revenue code of 1986, 26 USC 408. Without action by the Michigan Legislature to adopt Actuarial Guideline 35, reserves according to the Commissioner's Annuity Reserve Method for benefits under annuity or pure endowment contracts, excluding any disability and accidental death benefits in those contracts, must be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by those contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of the contract, that become payable before the end of that respective contract year. The future guaranteed benefits must be determined by using the mortality table, if any, and the interest rate specified in those contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of the contracts to determine nonforfeiture values.

(4) An insurer's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, must not be less than the aggregate reserves calculated in accordance with the methods described in subsections (2), (3), (6), and (7), and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for the policies. The aggregate reserves for all policies, contracts, and benefits must not be less than the aggregate reserves determined by the appointed actuary to be necessary to render the opinion required by section 830a.

(5) Reserves for all policies and contracts issued before June 27, 1994 may be calculated, at the option of the insurer, according to any standards that produce greater aggregate reserves for all those policies and contracts than the minimum reserves required by the laws in effect immediately before June 27, 1994. Reserves for a category of policies, contracts, or benefits as established by the director, issued after June 26, 1994, may be calculated at the option of the insurer according to any standards that produce greater aggregate reserves than those calculated according to the minimum standard provided in this act. However, the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, must not be greater than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided for in those policies and contracts. An insurer that had previously adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard provided in this section and sections 835 and 835a may, with the director's approval, adopt any lower standard of valuation, but not lower than the minimum standard provided by this section and sections 835 and 835a. However, for the purposes of this section, the holding of additional reserves previously determined by an appointed actuary to be necessary to render the opinion required by section 830a is not considered to be the adoption of a higher standard of valuation.

(6) If in any contract year the gross premium charged by an insurer on a policy or contract is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve on the policy or contract, the insurer may use the minimum valuation standards of mortality, either at the time of issue or the time of valuation of the policy or contract and the minimum valuation rate of interest at time of issue or the time of valuation of the policy or contract, if the minimum reserve required for the policy or contract is the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for the policy or contract, or the reserve calculated by the method actually used for the policy or contract using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this subsection are those standards stated in subsection (1) and section 836. However, for any life insurance policy issued after December 31, 1985 for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for that excess and that provides an endowment benefit or a cash surrender value or a combination of endowment benefit and cash surrender value in an amount greater than the excess premium, this subsection applies as if the method actually used in calculating the reserve for that policy were the method described in subsection (2), ignoring paragraph 2 of that subsection. The minimum reserve at each policy anniversary of that policy must be the greater of the minimum reserve calculated in accordance with subsection (2), including paragraph 2 of that subsection, and the minimum reserve calculated in accordance with this subsection.

(7) For any plan of life insurance that provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or, for any plan of life insurance or annuity that the minimum reserves cannot be determined by the methods described in subsections (2), (3), and (6), the reserves that are held under those plans must be appropriate in relation to the

benefits and the pattern of premiums for that plan and computed by a method that is consistent with the principles of this standard valuation law, as determined by rules promulgated by the director.

(8) This section applies to only life insurance policies and contracts issued on and after the operative date of section 4060, the standard nonforfeiture law, except as otherwise provided in sections 835 and 836 for group annuity and pure endowment contracts issued on or after the operative date of section 4060 and except as otherwise provided in section 837 for universal life contracts.

500.836 Calendar year statutory valuation interest rates; use; determination; weighting factors; “reference interest rate” defined; alternative method for determination of reference interest rate; changes to policy or contract forms; computing reference interest rate for calendar year 1986.

Sec. 836. (1) The calendar year statutory valuation interest rates as defined in this section are the interest rates used in determining the minimum standard for the valuation of the following:

(a) All life insurance policies issued in a particular calendar year on or after the operative date of paragraphs 9 to 18 of section 4060(5).

(b) All individual annuity and pure endowment contracts issued in a calendar year after December 31, 1982.

(c) All annuities and pure endowments purchased in a calendar year after December 31, 1982 under group annuity and pure endowment contracts.

(d) The net increase, if any, in a calendar year after January 1, 1983 in amounts held under guaranteed interest contracts.

(2) The calendar year statutory valuation interest rates, I, shall be determined as follows, and the results rounded to the nearer 0.25%:

(a) For life insurance,

$$I = .03 + W (R1 - .03) + \frac{W}{2} (R2 - .09).$$

where R is the reference interest rate defined in this section, R1 is the lesser of R and .09, R 2 is the greater of R and .09, and W is the weighting factor defined in this section.

(b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options, I = .03 + W (R - .03) where R is the reference interest rate defined in this section, R1 is the lesser of R and .09, R 2 is the greater of R and .09, and W is the weighting factor defined in this section.

(c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in subdivision (b), the formula for life insurance stated in subdivision (a) applies to annuities and guaranteed interest contracts with guaranteed durations in excess of 10 years and the formula for single premium immediate annuities stated in subdivision (b) applies to annuities and guaranteed interest contracts with guaranteed duration of 10 years or less.

(d) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium immediate annuities stated in subdivision (b) applies.

(e) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in subdivision (b) applies.

(3) However, if the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year determined without reference to this sentence differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than 0.5%, the calendar year statutory valuation interest rate for the life insurance policies must be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year must be determined for 1980 using the reference interest rate defined for 1979 and must be determined for each subsequent calendar year regardless of when paragraphs 9 to 18 of section 4060(5) become operative.

(4) The weighting factors referred to in the formulas in subsection (2) are given in the following tables:

(a) The weighting factors for life insurance are:

Guaranteed Duration (Years)	Weighting Factors
10 or less	.50
more than 10, but not more than 20	.45
more than 20	.35

For life insurance, the guaranteed duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in the policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values, or both, that are guaranteed in the original policy.

(b) The weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options is .80.

(c) The weighting factors for other annuities and for guaranteed interest contracts, except as stated in subdivision (b), are specified in subparagraphs (*i*), (*ii*), and (*iii*), according to the rules and definitions in subparagraphs (*iv*), (*v*), and (*vi*) as follows:

(*i*) For annuities and guaranteed interest contracts valued on an issue year basis:

Guaranteed Duration (Years)	Weighting Factor For Plan Type A	B	C
5 or less:	.80	.60	.50
more than 5, but not more than 10:	.75	.60	.50

more than 10, but not more than 20:	.65	.50	.45
more than 20:	.45	.35	.35

	Plan Type		
	A	B	C
(*ii*) For annuities and guaranteed interest contracts valued on a change in fund basis, the factors shown in subparagraph (*i*) increased by:	.15	.25	.05

	Plan Type		
	A	B	C
(*iii*) For annuities and guaranteed interest contracts valued on an issue year basis, other than those with no cash settlement options, that do not guarantee interest on considerations received more than 1 year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis that do not guarantee interest rates on considerations received more than 12 months beyond the valuation date, the factors shown in subparagraph (*i*) or derived in subparagraph (*ii*) increased by:	.05	.05	.05

(*iv*) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guaranteed duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guaranteed duration in excess of 20 years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guaranteed duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence.

(*v*) As used in subparagraphs (*i*) to (*iii*):

(A) "Plan Type A" means at any time the policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; without the adjustment but in installments over 5 years or more; as an immediate life annuity; or no withdrawal permitted.

(B) "Plan Type B" means before expiration of the interest rate guarantee, the policyholder may withdraw funds only with an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; without the adjustment but in installments over 5 years or more; or no withdrawal permitted. At the end of interest rate guarantee, funds may be withdrawn without the adjustment in a single sum or installments over less than 5 years.

(C) "Plan Type C" means the policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than 5 years either without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company or subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund.

(*vi*) A company may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this section, an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract, and the change in fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund.

(5) As used in subsections (2) and (3), "the reference interest rate" means:

(a) For all life insurance, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30 of the calendar year next preceding the year of issue, of Moody's corporate bond yield average - monthly average corporates, as published by Moody's investors service, inc.

(b) For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of 12 months, ending on June 30 of the calendar year of issue or year of purchase or December 31 of the calendar year preceding the year of issue or year of purchase, of Moody's corporate bond yield average - monthly average corporates, as published by Moody's investors service, inc. An insurer shall use the same method of computing the reference interest rate under this subdivision in all of its contracts. An insurer shall not change its method of computing the reference interest rate under this subdivision unless the insurer has notified and received approval from the director.

(c) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in subdivision (b), with guaranteed duration in excess of 10 years, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase or December 31 of the calendar year preceding the year of issue or year of purchase, of Moody's corporate bond yield average - monthly average corporates, as published by Moody's investors service, inc. An insurer shall use the same method of computing the reference interest rate under this subdivision in all of its contracts. An insurer shall not change its method of computing the reference interest rate under this subdivision unless the insurer has notified and received approval from the director.

(d) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in subdivision (b), with guaranteed duration of 10 years or less, the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase or December 31 of the calendar year preceding the year of issue or year of purchase, of Moody's corporate bond yield average - monthly average corporates, as published by Moody's investors service, inc. An insurer shall use the same method of computing the reference interest rate under this subdivision in all of its contracts. An insurer shall not change its method of computing the reference interest rate under this subdivision unless the insurer has notified and received approval from the director.

(e) For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of 12 months, ending on June 30 of the calendar year of issue or purchase or December 31 of the calendar year preceding the year of issue or year of purchase, of Moody's corporate bond yield average - monthly average corporates, as published by Moody's investors service, inc. An insurer shall use the same method of computing the reference interest rate under this subdivision in all of its contracts. An insurer shall not change its method of computing the reference interest rate under this subdivision unless the insurer has notified and received approval from the director.

(f) For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except as stated in subdivision (b), the average over a period of 12 months, ending on June 30 of the calendar year of the change in the fund or December 31 of the calendar year preceding the year of the change in the fund, of Moody's corporate bond yield average - monthly average corporates, as published by Moody's investors service, inc. An insurer shall use the same method of computing the reference interest rate under this subdivision in all of its contracts. An insurer shall not change its method of computing the reference interest rate under this subdivision unless the insurer has notified and received approval from the director.

(6) If Moody's corporate bond yield average - monthly average corporates is no longer published by Moody's investors service, inc. or if the national association of insurance commissioners determines that Moody's corporate bond yield average - monthly average corporates as published by Moody's investors service, inc. is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the national association of insurance commissioners and approved by a rule promulgated by the director, may be substituted.

(7) Any changes to policy or contract forms that are needed because of changes in valuation rates do not require refiling with, or approval by, the director.

(8) An insurer may use December 31, 1985 for purposes of computing the reference interest rate for the calendar year 1986 only.

(2) As used in this section, the following definitions apply on and after the operative date of the valuation manual:

(a) "Accident and health insurance" means contracts that incorporate morbidity risk and provide protection against economic loss resulting from accident, sickness, or medical conditions and as may be specified in the valuation manual.

(b) "NAIC" means the national association of insurance commissioners.

(c) "Valuation manual" means the manual of valuation instructions adopted by the NAIC as specified in section 836b.

Sec. 836b. (1) All of the following apply to the valuation manual:

(a) The operative date of the valuation manual is January 1 of the first calendar year following the first July 1 as of which all of the following have occurred:

(*i*) The NAIC has adopted the valuation manual by a vote of at least 42 members, or 3/4 of the members voting, whichever is greater.

(*ii*) The standard valuation law, as amended by the NAIC in 2009, or legislation including substantially similar terms and provisions, has been enacted by states representing greater than 75% of the direct premiums written as reported in the following annual statements submitted for 2008: life, accident, and health annual statements; health annual statements; or fraternal annual statements.

(*iii*) The standard valuation law, as amended by the NAIC in 2009, or legislation including substantially similar terms and provisions, has been enacted by at least 42 of the following 55 jurisdictions: the 50 states of the United States, American Samoa, the American Virgin Islands, the District of Columbia, Guam, and Puerto Rico.

(b) Unless a change in the valuation manual specifies a later effective date, a change to the valuation manual is effective on January 1 after the date the NAIC adopts the change to the valuation manual by a vote representing both of the following:

(*i*) At least 3/4 of the members of the NAIC, but not less than a majority of the total membership.

(*ii*) Members of the NAIC representing jurisdictions that amount to greater than 75% of the direct premiums written as reported in the following annual statements most recently available before the vote in subparagraph (*i*): life, accident, and health annual statements; health annual statements; or fraternal annual statements.

(c) The valuation manual must specify all of the following:

(*i*) Minimum valuation standards for and definitions of the policies or contracts subject to section 830(2). The minimum valuation standards are all of the following:

(A) The director's reserve valuation method for life insurance contracts, other than annuity contracts, subject to section 830(2).

(B) The director's annuity reserve valuation method for annuity contracts subject to section 830(2).

(C) Minimum reserves for all other policies or contracts subject to section 830(2).

(*ii*) The policies or contracts or types of policies or contracts that are subject to the requirements of a principle-based valuation under subsection (2) and the minimum valuation standards consistent with those requirements.

(*iii*) For policies and contracts subject to a principle-based valuation under subsection (2), all of the following apply:

(A) Requirements for the format of reports to the director under subsection (3)(c) and that must include information necessary to determine if the valuation is appropriate and in compliance with this section.

(B) Assumptions must be prescribed for risks over which the company does not have significant control or influence.

(C) Procedures for corporate governance and oversight of the actuarial function, and a process for appropriate waiver or modification of the procedures.

(*iv*) For policies that are not subject to a principle-based valuation under subsections (2), (3), and (4), the minimum valuation standard is 1 of the following:

(A) The standard is consistent with the minimum standard of valuation before the operative date of the valuation manual.

(B) The standard develops reserves that quantify the benefits and guarantees, and the funding, associated with the contracts and their risks at a level of conservatism that reflects conditions that include unfavorable events that have a reasonable probability of occurring.

(*v*) Other requirements, including, but not limited to, those relating to reserve methods, models for measuring risk, generation of economic scenarios, assumptions, margins, use of company experience, risk measurement, disclosure, certifications, reports, actuarial opinions and memorandums, transition rules, and internal controls.

(*vi*) The data and form of the data required under subsection (5), to whom the data must be submitted, and

may specify other requirements including data analyses and reporting of analyses.

(d) If there is not a specific valuation requirement or if the director determines that a specific valuation requirement in the valuation manual does not comply with this section, the company shall, with respect to the requirement, comply with minimum valuation standards prescribed by the director by rule.

(e) The director may engage a qualified actuary, at the expense of the company, to perform an actuarial examination of the company and opine on the appropriateness of any reserve assumption or method used by the company, or to review and opine on a company's compliance with any requirement of this section. The director may rely on the opinion, regarding this section, of a qualified actuary engaged by the commissioner of another state, district, or territory of the United States. As used in this subdivision, "engage" includes employment and contracting.

(f) The director may require a company to change any assumption or method that the director considers necessary to comply with the requirements of the valuation manual or this section, and the company shall adjust the reserves as required by the director.

(2) A company shall establish reserves using a principle-based valuation that meets all of the following conditions for policies or contracts as specified in the valuation manual:

(a) Quantify the benefits and guarantees, and the funding, associated with the contracts and their risks at a level of conservatism that reflects conditions that include unfavorable events that have a reasonable probability of occurring during the lifetime of the contracts. For polices or contracts with significant tail risk, reflects conditions appropriately adverse to quantify the tail risk.

(b) Incorporate assumptions, risk analysis methods, financial models, and management techniques that are consistent with, but not necessarily identical to, those used within the company's overall risk assessment process, while recognizing potential differences in financial reporting structures and any prescribed assumptions or methods.

(c) Incorporate assumptions that are derived in 1 of the following manners:

(*i*) The assumption is prescribed in the valuation manual.

(*ii*) For assumptions that are not prescribed in the valuation manual, the assumptions must do the following, as applicable:

(A) Use the company's available experience, to the extent it is relevant and statistically credible.

(B) To the extent that company data are not available, relevant, or statistically credible, use other relevant and statistically credible experience.

(d) Provide margins for uncertainty, including adverse deviation and estimation error, such that the greater the uncertainty, the larger the margin and resulting reserve.

(3) A company that uses principle-based valuation for 1 or more policies or contracts subject to this section as specified in the valuation manual shall do all of the following:

(a) Establish procedures for corporate governance and oversight of the actuarial valuation function consistent with those described in the valuation manual.

(b) Provide to the director and the board of directors an annual certification of the effectiveness of the internal controls with respect to the principle-based valuation. The internal controls must be designed to assure that all material risks inherent in the liabilities and associated assets subject to the valuation are included in the valuation, and that valuations are made in accordance with the valuation manual. The certification must be based on the controls in place at the end of the preceding calendar year.

(c) Develop, and file with the director on request, a principle-based valuation report that complies with standards prescribed in the valuation manual.

(4) A principle-based valuation may include a prescribed formulaic reserve component.

(5) A company shall submit mortality, morbidity, policyholder behavior, or expense experience and other data as prescribed in the valuation manual.

(6) Except as otherwise provided in this section, confidential information is confidential and privileged, is not subject to disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, is not subject to subpoena, and is not subject to discovery or admissible in evidence in a private civil action. However, the director may use the confidential information in the furtherance of any regulatory or legal action brought as a part of the director's official duties.

(7) The director or any person who received confidential information while acting under the authority of the director shall not testify in a private civil action concerning confidential information.

The director shall maintain as confidential or privileged any documents, materials, or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or information.

(9) The director may enter into written agreements governing sharing and use of information provided under this section.

(10) The disclosure or sharing of confidential information to the director under this section is not a waiver of an applicable privilege or claim of confidentiality.

(11) A privilege established under the law of any state or jurisdiction that is substantially similar to the privilege established under this section applies in any proceeding in, and in any court of, this state.

(12) As used in subsections (6) to (10), "regulatory agency", "law enforcement agency", and "NAIC" include, but are not limited to, their employees, agents, consultants, and contractors.

(a) The confidential information is subject to subpoena for the purpose of defending an action seeking damages from the appointed actuary submitting the related memorandum in support of an opinion submitted under section 830a or principle-based valuation report developed under subsection (3)(c) by reason of an action required by section 830a or subsection (3)(c) or by rules promulgated under this section.

(b) The director may release the confidential information with the written consent of the company.

(c) If any portion of a memorandum in support of an opinion submitted under section 830a or a principle-based valuation report developed under subsection (3)(c) is cited by the company in its marketing, is cited before a governmental agency other than a state insurance department, or is released by the company to the news media, the memorandum or report is not confidential.

500.837 Definitions; valuation requirements for universal life insurance policies.

Sec. 837. (1) As used in this section:

(a) "A" means the present value of all future guaranteed benefits at the date of valuation.

(b) "B" means the quantity

$$\frac{PVFB_a}{a}$$

(c) "C" is the quantity

$$((g) - (h))\,(a_{\overline{a}|})\,(r)$$

where (g) and (h) are the same as (g) and (h) as defined in section 834(2) for the plan of insurance defined at issue by the guaranteed maturity premiums and all guarantees contained in the policy or declared by the insurer.

(d) "D" is the sum of any additional quantities analogous to "C" that arise because of structural changes in the policy, with each such quantity being determined on a basis consistent with that of "C" using the maturity date in effect at the time of the change.

(e) "Guaranteed maturity fund at any duration" means that amount which, together with future guaranteed maturity premiums, will mature the policy based on all policy guarantees at issue.

(f) "Guaranteed maturity premium for fixed premium universal life insurance policies" shall be the premium defined in the policy that at issue provides the minimum policy guarantees.

(g) "Guaranteed maturity premium for flexible premium universal life insurance policies" means that level

gross premium, paid at issue and periodically thereafter over the period during which premiums are allowed to be paid, which will mature the policy on the latest maturity date, if any, permitted under the policy for an amount that is in accordance with the policy structure. If there is no applicable latest maturity date, the highest age in the valuation mortality table shall be used.

(h) "Maturity amount" means the initial death benefit if the death benefit is level over the lifetime of the policy except for the existence of a minimum death benefit corridor, or means the specific amount if the death benefit equals a specified amount plus the policy value or cash surrender value except for the existence of a minimum death benefit corridor.

(i) "PVFB" means the present value of all benefits guaranteed at issue assuming future guaranteed maturity premiums are paid by the policyowner and taking into account all guarantees contained in the policy or declared by the insurer.

(j) "Structural changes" are those changes that are separate from the automatic workings of the policy. Such changes usually would be initiated by the policyholder and include changes in the guaranteed benefits, changes in latest maturity date, or changes in allowable premium payment period. For fixed premium universal life policies with redetermination of all credits and charges no more frequently than annually, on policy anniversaries, structural changes also include changes in guaranteed benefits, or in fixed premiums, unanticipated by the guaranteed maturity premium for such policies at the date of issue, even if such changes arise from automatic workings of the policy.

(k) The letter "r" is equal to 1, unless the policy is a flexible premium policy and the policy value is less than the guaranteed maturity fund, in which case "r" is the ratio of the policy value to the guaranteed maturity fund.

(*l*) The letter "t" means the duration of the policy.

(m) The letter "x" means the issue age.

(n) "a_x" and "a_{x+t}" are present values of an annuity of 1 per year payable on policy anniversaries beginning at ages x and x+t, respectively, and continuing until the highest attained age at which a premium may be paid under the policy.

(2) All of the following are valuation requirements for universal life insurance policies:

(a) The minimum valuation standard for universal life insurance policies shall be the commissioner's reserve valuation method as described in this section and the tables and interest rates as specified in this section.

(b) The terminal reserve for the basic policy and any benefits or riders for which premiums are not paid separately as of any policy anniversary shall be equal to the net level premium reserves less "C" and less "D", where net level premium reserves shall be equal to (A-B)(r).

(c) The guaranteed maturity premium is calculated at issue based on all policy guarantees at issue, excluding guarantees linked to an external referent. The guaranteed maturity premium for both flexible and fixed premium policies shall be adjusted for death benefit corridors provided by the policy. The guaranteed maturity premium may be less than the premium necessary to pay all charges.

(d) The guaranteed maturity premium, the guaranteed maturity fund, and "B" shall be recalculated to reflect any structural changes in the policy. This recalculation shall be done in a manner consistent with this section.

(e) The recomputation of "B", for fixed premium universal life structural changes, shall exclude from "PVFB", the present value of future guaranteed benefits, those guaranteed benefits that are funded by the excess of the insurer's declared guarantees of interest, mortality and expenses, over the guarantees contained in the policy at the date of issue.

(f) Future guaranteed benefits shall be determined by both of the following:

(*i*) Projecting the greater of the guaranteed maturity fund and the policy value, taking into account future guaranteed maturity premiums, if any, and using all guarantees of interest, mortality, expense deductions, etc., contained in the policy or declared by the insurer.

(*ii*) Taking into account any benefits guaranteed in the policy or by declaration that do not depend on the policy value.

(g) To the extent that the insurer declares guarantees more favorable than the contractual guarantees in the policy, the declared guarantees shall be applicable to the determination of future guaranteed benefits.

(h) All present values shall be determined using all of the following:

(*i*) An interest rate or rates specified in section 834(1) for policies issued in the same year.

(*ii*) The mortality rates specified in section 834(1) for policies issued in the same year or contained in such other table as may be approved by the commissioner for this purpose.

(*iii*) Any other tables needed to value supplementary benefits provided by a rider that is being valued together with the policy.

(i) The mortality and interest bases for calculating present values are the minimum standards specified in section 834(1).

(j) If, in any policy year, the guaranteed maturity premium on any universal life insurance policy is less than the valuation net premium for the policy, calculated by the valuation method actually used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for the contract shall be the greater of the following:

(*i*) The reserve calculated according to the method, the mortality table, and the rate of interest actually used.

(*ii*) The reserve calculated according to the method actually used but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the guaranteed maturity premium in each policy year for which the valuation net premium exceeds the guaranteed maturity premium.

(k) For universal life insurance reserves on a net level premium basis, the valuation net premium is

$$\frac{PVFB}{a}$$

and for reserves on a commissioner's reserve valuation method, the valuation net premium is

$$\frac{PVFB}{a} + \frac{(g)-(h)}{a}.$$

500.838 Definitions; use of NAIC accounting practices and procedures manual; mortality table; separate rates for smokers and nonsmokers; determining minimum reserve liabilities, minimum cash surrender values, and amounts of paid-up nonforfeiture benefits; actuarial opinion; application of accounting practices and procedural manual; rates and charges based on gender; blended tables; basis as sex-distinct and sex-neutral.

Sec. 838. (1) As used in this section:

(a) "2001 CSO mortality table" means that mortality table, consisting of separate rates of mortality for male and female lives, developed by the American academy of actuaries CSO task force from the valuation basic mortality table developed by the society of actuaries individual life insurance valuation mortality task force and adopted by the NAIC in December 2002. Unless the context indicates otherwise, the 2001 CSO mortality table includes both the ultimate form of that table and the select and ultimate form of that table and includes both the smoker and nonsmoker mortality tables and the composite mortality tables. It also includes both the age-nearest-birthday and age-last-birthday bases of the mortality tables.

(b) "2001 CSO mortality table (F)" means that mortality table consisting of the rates of mortality for female lives from the 2001 CSO mortality table.

(c) "2001 CSO mortality table (M)" means that mortality table consisting of the rates of mortality for male lives from the 2001 CSO mortality table.

(d) "Composite mortality tables" means mortality tables with rates of mortality that do not distinguish between smokers and nonsmokers.

(e) "NAIC" means the national association of insurance commissioners.

(f) "Smoker and nonsmoker mortality tables" means mortality tables with separate rates of mortality for smokers and nonsmokers.

(2) In addition to the other requirements of this act, a life insurer shall use appendix A-830 of the NAIC accounting practices and procedures manual for the valuation of life insurance policies. Any supplements, replacements, or changes to appendix A-830 of the NAIC accounting practices and procedures manual that are adopted by the NAIC only take effect if adopted by the director by rules promulgated under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. This section does not expand the applicability of appendix A-830 of the NAIC accounting practices and procedures manual to include life insurance policies otherwise exempt under appendix A-830 of the NAIC accounting practices and procedures manual.

(3) At the election of an insurer for each plan of insurance and subject to this section, the 2001 CSO mortality table may be used as the minimum standard for policies issued on or after July 1, 2004 and before January 1, 2009 to which sections 834(1)(a) and 4060(5)(f) and (g) are applicable. If an insurer elects to use the 2001 CSO mortality table, it shall do so for both valuation and nonforfeiture purposes. Subject to this section, the 2001 CSO mortality table must be used in determining minimum standards for policies issued on or after January 1, 2009 to which sections 834(1)(a) and 4060(5)(f) and (g) are applicable.

(4) For plans of insurance without separate rates for smokers and nonsmokers, the composite mortality tables must be used. For each plan of insurance with separate rates for smokers and nonsmokers, an insurer may use any of the following:

(a) Composite mortality tables to determine minimum reserve liabilities, minimum cash surrender values, and amounts of paid-up nonforfeiture benefits.

(b) Smoker and nonsmoker mortality tables to determine the valuation net premiums and additional minimum reserves, if any, required by section 834 and composite mortality tables to determine the basic minimum reserve liabilities, minimum cash surrender values, and amounts of paid-up nonforfeiture benefits.

(c) Smoker and nonsmoker mortality tables to determine minimum reserve liabilities, minimum cash surrender values, and amounts of paid-up nonforfeiture benefits.

(5) An insurer may, at the option of the insurer for each plan of insurance, use the 2001 CSO mortality table in its ultimate or select and ultimate form for the purpose of determining minimum reserve liabilities, minimum cash surrender values, and amounts of paid-up nonforfeiture benefits for each plan of insurance.

(6) If the 2001 CSO mortality table is the minimum reserve standard for any plan for an insurer, the actuarial opinion in the annual statement filed with the director must be completed under section 830a. The director may exempt an insurer that does business in this state and in no other state from this subsection.

(7) In valuing life insurance policies pursuant to appendix A-830 of the NAIC accounting practices and procedures manual, all of the following apply:

(a) In determining the applicability to any universal life policy, the net level reserve premium for the secondary guarantee period is based on the ultimate mortality rates in the 2001 CSO mortality table.

(b) All calculations under the contract segmentation method are made using the 2001 CSO mortality rate, and, if elected, the optional minimum mortality standard for deficiency reserves. The value of "$q_{x+k+t-1}$" is the valuation mortality rate for deficiency reserves in policy year k+t, but using the unmodified select mortality rates if modified select mortality rates are used in the computation of deficiency reserves.

(c) For purposes of general calculation requirements for basic reserves and premium deficiency reserves, the 2001 CSO mortality table is the minimum standard for basic reserves.

(d) For purposes of general calculation requirements for basic reserves and premium deficiency reserves, the 2001 CSO mortality table is the minimum standard for deficiency reserves. If select mortality rates are used, they may be multiplied by X percent for durations in the first segment, subject to the conditions set forth in appendix A-830 of the NAIC accounting practices and procedures manual. In demonstrating compliance with those conditions, the demonstrations may not combine the results of tests that utilize the 1980 CSO mortality table with those tests that utilize the 2001 CSO mortality table, unless the combination is explicitly required by regulation or is necessary to be in compliance with relevant actuarial standards of practice.

(e) When determining minimum value for policies with guaranteed nonlevel gross premiums or guaranteed nonlevel benefits, other than universal life policies, the valuation mortality table used in determining the tabular cost of insurance is the ultimate mortality rates in the 2001 CSO mortality table.

(f) When determining the optional exemption for yearly renewable term reinsurance for policies with guaranteed nonlevel gross premiums or guaranteed nonlevel benefits, other than universal life policies, the calculations must use the maximum valuation interest rate and the ultimate mortality rates in the 2001 CSO mortality table.

(g) When determining the optional exemption for attained-age-based yearly renewable term life insurance policies with guaranteed nonlevel gross premiums or guaranteed nonlevel benefits, other than universal life policies, the calculations must use the maximum valuation interest rate and the ultimate mortality rates in the 2001 CSO mortality table.

(h) When determining the exemption from unitary reserves for certain n-year renewable term life insurance policies with guaranteed nonlevel gross premiums or guaranteed nonlevel benefits, other than universal life policies, the calculations must use the ultimate mortality rates in the 2001 CSO mortality table.

(i) For flexible premium and fixed premium universal life insurance policies that contain provisions resulting in the ability of a policyowner to keep a policy in force over a secondary guarantee period, the 1-year valuation premium for purposes of identifying policies with a secondary guarantee is calculated using the ultimate mortality rates in the 2001 CSO mortality table.

(8) For any ordinary life insurance policy delivered or issued for delivery in this state on or after July 1, 2004 that uses the same premium rates and charges for male and female lives or is issued in circumstances where applicable law does not permit distinctions on the basis of gender, a mortality table that is a blend of the 2001 CSO mortality table (M) and the 2001 CSO mortality table (F) may, at the option of the insurer for each plan of insurance, be substituted for the 2001 CSO mortality table for use in determining minimum cash surrender value and amounts of paid-up nonforfeiture benefits. No change in minimum valuation standards is implied by this subsection.

(9) In determining minimum reserve liabilities and nonforfeiture benefits, an insurer may choose from among the blended tables developed by the American academy of actuaries CSO task force and adopted by the NAIC in December 2002.

(10) It is not, by itself, a violation of chapter 20 for an insurer to issue the same kind of policy of life insurance on both a sex-distinct and sex-neutral basis.

500.838a Definitions; 2001 CSO preferred class structure mortality table.

Sec. 838a. (1) As used in this section:

(a) "2001 CSO mortality table" means that term as defined in section 838.

(b) "2001 CSO preferred class structure mortality table" means mortality tables with separate rates of mortality for super preferred nonsmokers, preferred nonsmokers, residual standard nonsmokers, preferred smokers, and residual standard smoker splits of the 2001 CSO nonsmoker and smoker tables as adopted by the NAIC at the September 2006 national meeting and published in the "NAIC Proceedings" (3rd Quarter 2006). Unless the context indicates otherwise, the "2001 CSO preferred class structure mortality table" includes both the ultimate form of that table and the select and ultimate form of that table. It includes both the smoker and nonsmoker mortality tables. It includes both the male and female mortality tables and the gender composite mortality tables. It also includes both the age-nearest-birthday and age-last-birthday bases of the mortality table.

(c) "Director" means the director of the department of insurance and financial services.

(d) "NAIC" means the national association of insurance commissioners.

(e) "Smoker and nonsmoker mortality tables" means that term as defined in section 838.

(f) "Statistical agent" means an entity with proven systems for protecting the confidentiality of individual insured and insurer information; demonstrated resources for and history of ongoing electronic communications and data transfer ensuring data integrity with insurers that are its members or subscribers; and a history of and means for aggregation of data and accurate promulgation of the experience modifications in a timely manner.

(2) Subject to subsections (6) and (7), an insurer may substitute the 2001 CSO preferred class structure mortality table in place of the 2001 CSO smoker and nonsmoker mortality tables as the minimum valuation standard for policies issued after June 30, 2004 and before January 1, 2007. An insurer may, for each calendar year of issue for any 1 or more specified plans of insurance and subject to this section, substitute the 2001 CSO preferred class structure mortality table in place of the 2001 CSO smoker and nonsmoker mortality tables as the minimum valuation standard for policies issued on or after January 1, 2007. An insurer shall not elect the 2001 CSO preferred class structure mortality table until the insurer demonstrates that not less than 20% of the business valued on this table is in 1 or more of the preferred classes. A table from the 2001 CSO preferred class structure mortality table used in place of a 2001 CSO mortality table as provided in this section is treated as part of the 2001 CSO mortality table only for purposes of reserve valuation under section 838.

(3) For each plan of insurance with separate rates for preferred and standard nonsmoker lives, an insurer may use the super preferred nonsmoker, preferred nonsmoker, and residual standard nonsmoker tables to substitute for the nonsmoker mortality table found in the 2001 CSO mortality table to determine minimum reserves. At the time of election and annually thereafter, except for business valued under the residual standard nonsmoker table, the appointed actuary shall certify both of the following:

(a) That the present value of death benefits over the next 10 years after the valuation date, using the anticipated mortality experience without recognition of mortality improvement beyond the valuation date for each class, is less than the present value of death benefits using the valuation basic table corresponding to the valuation table being used for that class.

(b) That the present value of death benefits over the future life of the contracts, using anticipated mortality experience without recognition of mortality improvement beyond the valuation date for each class, is less than the present value of death benefits using the valuation basic table corresponding to the valuation table being used for that class.

(4) For each plan of insurance with separate rates for preferred and standard smoker lives, an insurer may use the preferred smoker and residual standard smoker tables to substitute for the smoker mortality table found in the 2001 CSO mortality table to determine minimum reserves. At the time of election and annually thereafter, for business valued under the preferred smoker table, the appointed actuary shall certify both of the

following:

(a) That the present value of death benefits over the next 10 years after the valuation date, using the anticipated mortality experience without recognition of mortality improvement beyond the valuation date for each class, is less than the present value of death benefits using the preferred smoker valuation basic table corresponding to the valuation table being used for that class.

(b) That the present value of death benefits over the future life of the contracts, using anticipated mortality experience without recognition of mortality improvement beyond the valuation date for each class, is less than the present value of death benefits using the preferred smoker valuation basic table.

(5) Unless exempted by the director, every authorized insurer using the 2001 CSO preferred class structure mortality table shall file annually with the director, with the NAIC, or with a statistical agent designated by the NAIC and acceptable to the director statistical reports showing mortality and other information as the director considers necessary or expedient for the administration of this section. The director shall establish the form of the reports under this subsection.

(6) The use of the 2001 CSO preferred class structure mortality table as the minimum valuation standard for policies issued after June 30, 2004 and before January 1, 2007 is subject to both of the following:

(a) The consent of the director. In determining consent, the director may rely on whether consent for the use of the 2001 CSO preferred class structure mortality table was given to the insurer by the commissioner of the insurer's state of domicile.

(b) The use is not permitted if the insurer reports in any statutory financial statement for a coinsured policy or portion of a policy coinsured, either of the following:

(*i*) If the mode of payment of the reinsurance premium is less frequent than the mode of payment of the policy premium, a reserve credit that exceeds by more than the amount specified in this subdivision as "Y", the gross reserve calculated before reinsurance. "Y" is the amount of the gross reinsurance premium that provides coverage for the period from the next policy premium due date to the earlier of the end of the policy year and the next reinsurance premium due date, and would be refunded to the ceding entity upon the termination of the policy.

(*ii*) If the mode of payment of the reinsurance premium is more frequent than the mode of payment of the policy premium, a reserve credit that is less than the gross reserve, calculated before reinsurance, by an amount that is less than the amount specified in this subdivision as "Z". "Z" is the amount of the gross reinsurance premium that the ceding entity would need to pay the assuming company to provide reinsurance coverage from the period of the next reinsurance premium due date to the next policy premium due date minus any liability established for the proportionate amount not remitted to the reinsurer.

(7) For purposes of (6)(b), the reserve for the mean reserve method is the mean reserve minus the deferred premium asset, and the reserve for the midterminal reserve method includes the unearned premium reserve. To satisfy subsection (6)(b), an insurer may estimate and adjust its accounting on an aggregate basis.

(3) The issuance of a capital note is not subject to the commissioner's prior approval.

(4) A capital note shall be treated as a liability in the computation of statutory surplus and shall be reported as a liability on the domestic insurer's annual statement filed with the commissioner under section 438.

(5) In a liquidation proceeding pursuant to chapter 81, a capital note is a similar obligation under section 8142(1)(h).

(6) A capital note may be included in a domestic insurer's total adjusted capital. For a capital note to be so included, the commissioner may require the capital note to contain other features as the commissioner determines are adequate and appropriate to ensure that the insurer continues to be safe, reliable, and entitled to public confidence.

(7) As used in this section:

(a) If purchased at par, at the par value.

(b) If purchased above or below par, on the basis of the purchase price adjusted so as to bring the value to par at maturity and so as to yield in the meantime the effective rate of interest at which the purchase was made, or in lieu of such method, according to the accepted method of valuation as approved by the commissioner.

(2) The purchase price of a bond or evidence of debt under subsection (1) shall not be taken at a higher figure than the actual market value at the time of purchase, plus actual brokerage, transfer, postage, or express charges paid in the acquisition of the securities.

(3) The commissioner shall have full discretion in determining the method of calculating values under this section, but a method or valuation shall not be inconsistent with any applicable valuation or method used by insurers in general.

500.901 Asset requirements for insurers.

Sec. 901. (1) Each domestic insurer shall maintain assets in cash or as defined in this chapter in a total amount at least equal to the sum of its liabilities including its reserves as required by this act, plus an amount equal to the lesser of the following:

(a) The minimum capital and surplus required to be maintained by sections 408 and 410.

(b) One of the following:

(*i*) For a fraternal benefit society regulated under chapter 81a, $1,000,000.00.

(*ii*) $7,000,000.00.

(2) For purposes of meeting the assets required by subsection (1), the following apply:

(a) The value of all computers shall not exceed 2% of the assets required by subsection (1) and the value of

each computer shall not exceed the original cost of the computer amortized over a period not to exceed 3 years. For purposes of this section, "computer" means an electronic data processing system, composed of 1 or more components, that utilizes storage and processing mechanization and has a direct automatic means of input and output, including, but not limited to, central processing units, data input/output channels, main storage or memory, and peripheral devices for systems control, data input, output, or temporary or permanent storage of information, and associated reusable media required by these devices and operating systems software.

(b) Title insurers may include their net investment in their title plant.

(c) Assets described in sections 946 and 947 that are encumbered with prior liens that affect the salability of the asset to a material extent shall not be used to satisfy the requirements of subsection (1). For purposes of this subdivision, liens that do not affect the salability of the asset to a material extent are real estate taxes or assessments that are not delinquent, liens against an asset for which an insurer is insured against loss by title insurance, and any other liens that in the aggregate are not in excess of 5% of the fair market value of the asset. Assets described in sections 946 and 947 shall not be used to satisfy more than 20% of the requirements of subsection (1). This subdivision does not apply to assets described in section 942.

(d) Amounts receivable from broker/dealers registered under the securities exchange act of 1934, chapter 404, 48 Stat. 881, or from the issuer of a security or asset in connection with the disposition of assets qualified to satisfy subsection (1) may be included, provided the amount is not more than 5 business days past the date of disposition.

(e) Assets not otherwise defined in this chapter may be used as qualified assets for purposes of subsection (1) if the assets are rated investment grade by a securities rating organization approved by the commissioner.

(f) No more than 20% of the assets required by subsection (1) shall be high-yield, high-risk obligations. As used in this subdivision, "high-yield, high-risk obligations" means obligations that are not in 1 of the top 2 numbered classifications of bonds reported in the insurer's annual financial statement on a form approved by the commissioner.

(3) The sum of the liabilities and reserves computed for purposes of this section may be reduced by 1 or more of the following:

(a) A reinsurance balance recoverable or other credit due from a reinsurer that complies with existing or other applicable rules or orders promulgated or issued by the commissioner, to the extent that the balance recoverable or other credit due may be used to offset a liability as authorized in an insurer's annual statement concerning its affairs filed pursuant to section 438.

(b) Policy loans secured by policies included in the liabilities and reserves but not in excess of the cash surrender value of the policies.

(c) Premium notes secured by letters of credit, security trust funds, or unearned premium reserves.

(d) The net amount of insurance premiums and annuity considerations booked but deferred and not yet due. Reduction under this subdivision shall not be allowed for credit life and credit accident and health premiums deferred and uncollected, whether individual or group, except as allowed pursuant to subdivision (e).

(e) Amounts receivable from an agent, agency, policyholder, or other person that does not have control of more than 10% of all the insurer's agents' balances, and that is not affiliated with the insurer on policies with an effective date not more than 1 month old to the extent that the amounts are offset by unearned premium reserves on the same policies.

(f) Amounts receivable from a person to the extent the amounts offset liabilities or amounts payable to that person. Receivables and payables with respect to reinsurance may be allowed so long as the reinsurance contract has a right of offset provision. A reduction under this subdivision shall not be allowed for agents' balances or uncollected premiums as defined by subdivision (e).

(4) Assets, liabilities, and reserves under subsection (1) shall exclude assets, liabilities, and reserves included in separate accounts established in accordance with section 925. The value of income due and accrued in respect to assets required by subsection (1) may be included in the total amount. The assets shall not be valued at more than the actual value as ascertained in a manner approved by the commissioner, except those assets described in sections 912, 914, 918, 934, 938, and 942 that have a fixed term and rate, if amply secured and not in default as to principal and interest which may be valued as follows: if purchased at par, the par value; if purchased above or below par, on the basis of the purchase price adjusted so as to bring the value to par at maturity and so as to yield in the meantime the effective rate of interest at which the purchase was made. The purchase price shall not be taken at a higher figure than the actual market value at the time of purchase.

(5) The commissioner may permit other assets not specifically described in this section to be used as qualified assets for purposes of subsection (1), as long as the assets are financially equivalent to those assets

described in sections 910 to 947, are approved by the commissioner as adequate as to quality and liquidity to secure the liabilities they support, and are valued in a manner approved by the commissioner.

(6) No more than 5% of the assets required by subsection (1) shall be invested in, loaned to, receivable from, secured by, leased or rented to, or deposited with 1 person or 1 group of affiliated persons or invested in 1 parcel of real estate. In calculating this restriction, the following apply:

(a) For purposes of this section, each issue of mortgage-backed securities secured by residential mortgage pools and rated investment grade by a securities rating organization approved by the commissioner, and each issue of asset-backed security rated investment grade by a securities rating organization approved by the commissioner, shall be considered a separate person regardless of other obligations issued by the same or affiliated issuer.

(b) This restriction does not apply to mortgage-related securities issued by the federal home loan mortgage corporation or the federal national mortgage association.

(c) This restriction does not apply to the extent that the principal and interest are fully guaranteed by the United States or any state.

(d) This restriction does not apply to assets invested in, loaned to, receivable from, secured by, leased or rented to, or deposited with an affiliate of the insurer that is authorized to transact insurance in any state or Canada.

(e) For an alien insurer that is an insurer authorized to transact the business of life insurance, for purposes of this subsection the 5% restriction applies to the total assets of the insurer, excluding assets included in separate accounts, as reported in the total business annual statement filed by the insurer with its domiciliary authority.

(f) This restriction does not apply to the value of a noninsurance affiliate that is owned solely by the insurer as described in subsection (7)(c).

(g) This restriction does not apply to the value of a noninsurance affiliate that is not owned solely by the insurer if the value of the noninsurance affiliate is determined in accordance with procedures approved by the commissioner and if the investment in the noninsurance affiliate is approved by the commissioner as adequate in quality and liquidity to secure the liabilities of the insurer.

(7) The assets referred to in subsection (1) shall not include assets invested in, loaned to, receivable from, secured by, leased or rented to, or deposited with a person that is, directly or indirectly, owned or controlled by the insurer or that, directly or indirectly, owns, controls, or is affiliated with the insurer as control is defined in section 115, except as follows:

(a) Amounts receivable from, secured by, leased or rented to, or deposited with an insurer affiliated with the insurer may be included if the amount receivable is not more than 90 days past due and its affiliated insurer complies with this section.

(b) Amounts invested in an affiliated publicly traded investment company that is registered and regulated under the investment company act of 1940, title I of chapter 686, 54 Stat. 789, 15 U.S.C. 80a-1 to 80a-3 and 80a-4 to 80a-64, may be included.

(c) The value of a noninsurance affiliate that is owned solely by the insurer may be included. The value of the noninsurance affiliate shall be the value of all assets qualifying under this section in excess of the assets required by this section, but shall not exceed the value determined by the securities valuation office of the national association of insurance commissioners. In support of the noninsurance affiliate's value, the insurer shall submit to the commissioner an audited financial statement for the noninsurance affiliate supplemented with a list of qualifying assets and associated values.

(d) Amounts invested in a noninsurance affiliate that is not owned solely by the insurer may be included if the investment in the noninsurance affiliate is approved by the commissioner as adequate in quality and liquidity to secure the liabilities of the insurer. The value of the noninsurance affiliate shall be the value determined in accordance with procedures adopted by the commissioner.

(e) The assets required by subsection (1) may include the value of amounts invested in or loaned to an affiliate authorized to transact insurance in any state or in Canada in an amount equal to the assets that would qualify for compliance with this section that are held by the affiliate and are in excess of the amount of assets that would be required for the affiliate by this section, prorated to reflect the extent of the insurer's investment in or loans to the affiliate. Qualified assets for purposes of subsection (1) include loans, other than surplus notes, to an affiliate authorized to transact insurance in any state or in Canada provided that the affiliate has assets in excess of the amount of assets that are required for the affiliate under subsection (1). With the commissioner's approval, surplus notes may be treated as an investment for purposes of this section.

(f) Amounts loaned to a noninsurance affiliate may be included if the loans are rated investment grade by a securities rating organization approved by the commissioner. The insurer shall submit documentation satisfactory to the commissioner in support of the investment grade rating.

(8) An insurer may comply with this section if the insurer elects to provide alternative security to Michigan policyholders and claimants satisfactory to the commissioner or elects to deposit funds or securities of the kind described in section 912, or other securities acceptable to the commissioner, registered in the name of the state treasurer of Michigan, designated as exclusively held and deposited for the sole benefit of Michigan policyholders, claimants, and creditors pursuant to section 8141a, in an amount, at market value, considered adequate by the commissioner to secure Michigan policyholders, but not less than the greater of the aggregate sum of 100% of Michigan direct unpaid losses and unpaid loss adjustment expense plus 100% of Michigan direct unearned premiums and policy and contract reserves or the direct premiums written in Michigan during the most recent 12 months available in filed statements. Direct unpaid losses and unpaid loss adjustment expenses shall include a provision for incurred but not reported losses and associated loss adjustment expense. The deposit shall be a special deposit and shall be subject to special deposit claims for the benefit of Michigan policyholders and claimants pursuant to section 8141a. The deposit of funds required by this subsection shall be increased by adjustment each quarter. A decrease to the deposited fund may be made annually only upon a satisfactory showing by the insurer to the commissioner that a decrease in the deposit is justified. The commissioner may require the special deposits set forth in this subsection as a condition for any insurer to transact insurance in this state if the commissioner finds that a special deposit is necessary for the protection of Michigan policyholders and claimants.

(9) Compliance with subsection (1) is the obligation of each insurer, fund, or fraternal benefit society authorized to transact the business of insurance in this state. Failure to comply shall limit the insurer, fund, or fraternal benefit society under the remainder of this act. If, at any time following compliance with the requirements of this section, an insurer, fund, or fraternal benefit society fails to maintain compliance, the commissioner shall notify the insurer, fund, or fraternal benefit society that it has failed to maintain compliance with this section. Within 30 business days after notification by the commissioner of noncompliance with the provisions of this section, an insurer shall file a plan to restore compliance with this section. Failure of the insurer to file a plan shall create a presumption that the insurer is not safe, reliable, and entitled to public confidence. The commissioner, upon written request by the insurer, may grant a period of time within which to restore compliance. The period of time may be granted only if the commissioner is satisfied the insurer is safe, reliable, and entitled to public confidence; is satisfied the insurer would suffer a material financial loss from an immediate forced conversion of its assets; and approves the plan filed by the insurer for restoring compliance within the time granted. If the plan is not approved by the commissioner, or if the plan is approved, and, at the end of 1 year the insurer still does not comply with the requirements of this section, the commissioner may grant additional time to comply, or the commissioner may suspend, revoke, or limit the certificate of authority of the insurer pursuant to section 436.

(10) The requirements of this section constitute a discrete determination of financial solidity and liquidity and are not intended to apply to other provisions of this act with respect to financial condition or to the accounting practices and procedures governing the preparation of financial statements pursuant to section 438.

500.925 Application of amounts paid life insurer to purchase of retirement benefits; income, gains, or losses on accounts; limitations on charges and deductions; investment or amounts allocated; standards; “contract on a variable basis” defined; compliance with investment company act of 1940; identification of investments and liabilities; “investment company act of 1940” defined; rules.

Sec. 925. (1) A life insurer, after adoption of a resolution by its board of directors and certification thereof to the commissioner, may allocate to 1 or more separate accounts, in accordance with the terms of a written agreement or a contract on a variable basis, amounts which are paid to the insurer, in connection with a pension, retirement or profit-sharing plan, or in connection with a contract on a variable basis, whether on an individual or group basis, and which amounts are to be applied to purchase retirement benefits in fixed or in variable dollar amounts, or both, or to provide benefits in accordance with a contract on a variable basis.

The income, if any, and gains or losses realized or unrealized on each such account may be credited to or charged against the amount allocated to such account in accordance with such agreement, without regard to the other income, gains or losses of the insurer. The commissioner may prescribe reasonable limitations on charges against and permissible deductions from the investment experience credited to life insurance contracts on a variable basis. Notwithstanding any other provision in the insurer's articles of incorporation or in this act, the amounts allocated to such accounts and accumulations thereon may be invested and reinvested in any

class of loans and investments specified in such agreement, or, with respect to life insurance contracts on a variable basis, as prescribed by the commissioner, and such loans and investments shall not be considered in applying any limitation in this chapter. The commissioner may, with respect to separate accounts for life insurance on a variable basis, establish reasonable standards for procedures to be used in changing investment policy and provisions to safeguard the rights of insured persons and beneficiaries.

(2) "Contract on a variable basis" means a contract issued by an insurer providing for the dollar amount of benefits or other contractual payments or values thereunder to vary so as to reflect investment results of a segregated portfolio of investments or of a designated account in which amounts received in connection with such a contract have been placed and such other contracts as may be approved by the commissioner.

(3) Notwithstanding any other provision of law, a life insurer, if necessary to comply with the investment company act of 1940, with respect to any such account or any portion thereof may:

(a) Exercise the voting rights of the stock or shares or interest in accordance with instructions from the persons having the beneficial interests in such account ratably according to their respective interests in the account.

(b) Establish a committee for the account, the members of which may be directors or officers or other employees of the insurer, or persons having no such relationship to the insurer, or any combination thereof, who may be elected to membership by the vote of the persons having the beneficial interests in the account ratably according to their respective interests in the account. The committee may alone, in conjunction with others, or by delegation to the insurer or any other person, as investment manager or investment adviser, authorize purchases and sales of investments for the account if, as long as the life insurer or any subsidiary or affiliate of the life insurer is the investment manager or investment adviser of the account, the investments of the account are eligible under this section. If compliance with the investment company act of 1940 involves only a portion of the account, the insurer may establish a committee for only that portion, and its members may be elected by the vote of the persons having the beneficial interests in the portion. A committee for only a portion of the account may be given the further power to require the subdivision of the account into 2 accounts so that the portion of the account with respect to which the committee is acting shall constitute a separate account. If the committee so requires, the insurer shall segregate from the account being so subdivided a portion of each asset held with respect to the reserve liabilities of the account. That portion shall be in the same proportion to the total of the asset as the reserve liability for the portion of the account with respect to which the committee is acting bears to the total reserve liability of the account; and notwithstanding any other provision of law, the assets so segregated shall be transferred to a separate account with respect to which the committee shall act.

(4) The investments and liabilities of the account shall at all times be clearly identifiable and distinguishable from the other investments and liabilities of the insurer. A sale, transfer, or exchange of investments shall not be made between any of the separate accounts or between any other investment account of the company and 1 or more of the separate accounts, except for the purpose of (i) conducting the business of the account in accordance with provisions of a "contract on a variable basis", or (ii) making adjustments necessitated by the contract for mortality experience adjustment, and then only if the transfers are made by a transfer of cash or by a transfer of securities having a valuation which can readily be determined in the market place. The commissioner may require for domestic life insurers that a transfer of cash or investments from a separate account or accounts to the company be approved in advance of the transfer. The commissioner may prescribe reasonable limitations on charges against and permissible deductions from separate accounts for life insurance contracts on a variable basis.

(5) As used in this section, "investment company act of 1940" means the act of congress approved August 22, 1940 entitled "investment company act of 1940" as amended from time to time, or any similar statute enacted in substitution therefor.

(6) The commissioner may promulgate rules pursuant to Act No. 306 of the Public Acts of 1969, as amended, being sections 24.201 to 24.315 of the Michigan Compiled Laws, as may be necessary to carry out this section.

500.942 Qualified assets in real estate loans; purchase of loan or certificate of participation.

Sec. 942. (1) Qualified assets for purposes of section 901 include real estate loans secured by first liens upon improved or income bearing real estate, including also improved farmland and improved business and residential properties, or that are secured by first mortgages or deeds of trust on leasehold estates having an unexpired term equivalent to the term of the mortgage, inclusive of the term or terms that may be provided by enforceable options of renewal. Vacant property, at least 60% of which is under contract of sale and the contract or contracts in connection therewith trusteed or pledged as additional collateral, is income bearing real estate within the meaning of this section.

(2) Real estate is not encumbered within the meaning of this section because it is subject to lease in whole or in part and rents or profits are reserved to the owner or because it is subject to an easement for a right of way.

(3) A loan secured by real estate shall be in the form of obligations secured by mortgage, trust deed, or other such instrument upon real estate, and an insurer may purchase an obligation so secured when the entire amount of the obligation is sold to the insurer, except that an insurer may purchase a part of an obligation if the investment of each participant is not less than $50,000.00 at the time of the insurer's investment, if all other participants are insurers, banks, savings and loan associations, or any other financial institution as that term is defined in the Gramm-Leach-Bliley act, public law 106-102, 113 Stat. 1338, 12 U.S.C. 1811, and if the entire indebtedness of which participation is a part would qualify under the provisions of this section, and either the insurer holds a senior participation, giving it substantially the rights of a first mortgagee, or each

participation is of equal rank.

(4) Except as otherwise provided in this subsection, any portion of a loan that exceeds 66-2/3% of the appraised value, at the time of the loan, of the real estate constituting or offered as security and any loan the term of which exceeds 5 years is not a qualified asset for purposes of section 901. However, the following loans are qualified assets for the purposes of section 901:

(a) A loan on land improved with permanent buildings used for agriculture or pasture in an amount not to exceed 75% of the appraised value, at the time of the loan, of the real estate constituting or offered as security if the loan is secured by an amortized mortgage, deed of trust, or other instrument under the terms of which the installment payments are sufficient to amortize on not to exceed an annual basis of 40% or more of the principal of the loan within a period of not more than 10 years.

(b) A loan on single family residential property in an amount not to exceed 80% of the appraised value, at the time of the loan, of the real estate offered as security, if the loan is secured by a mortgage, deed of trust, or other instrument for a term of not more than 35 years.

(c) Subject to subsection (6), a loan on multifamily residential property in an amount not to exceed 85% of the appraised value, at the time of the loan, of the real estate offered as security, if the loan is secured by a mortgage, deed of trust, or other instrument for a term of not more than 35 years.

(d) A loan in an amount not to exceed 75% of the appraised value of the real estate offered as security and for a term not longer than 35 years, if the real estate is improved if it is not used for agriculture or pasture, and if the loan is secured by a mortgage, deed of trust, or other instrument for a term of not more than 35 years.

(5) The limitations and restrictions in subsection (4) do not apply to real estate loans that are insured under the provisions of title II of the national housing act, chapter 847, 48 Stat. 1247, 12 U.S.C. 1707 to 1709, 1710 to 1715g, 1715k to 1715r, and 1715t to 1715z-1, by the federal housing administration, to loans insured under the Canadian national housing act of 1954 by the central mortgage and housing corporation, or to real estate loans that are guaranteed as to principal by the United States government or Canadian government or an agency or instrumentality of the United States or Canadian government.

(6) If the total amount of multifamily residential loans that exceed 75% of the appraised value of the real estate offered as security for those loans is greater than 20% of an insurer's mortgage portfolio, the portion of those loans that exceed 75% of the appraised value shall not be treated as a qualified asset for purposes of section 901.

(7) An insurer shall not make any such loan unless an appraisal has been made in writing by a competent appraiser appointed or employed by the insurer and filed with the investment committee authorized to approve the loan.

(8) Qualified assets for the purposes of section 901 include a loan or certificate of participation secured by a loan made on a single-family residential property in an amount not to exceed 95% of the appraised value, at the time of the loan, of the real estate offered as security, if the loan is secured by a mortgage, deed of trust, or other instrument for a term of not more than 35 years, and the loan is insured by a private mortgage insurer approved by the federal home loan mortgage corporation and the federal national mortgage association and is licensed to do business in the state of Michigan.

(9) Qualified assets for the purposes of section 901 include real estate loans that do not qualify as first mortgages as described in subsections (1) and (3). Total investments that may be treated as qualified assets under this subsection shall not exceed 25% of the insurer's total investments in real estate loans as described in subsections (1) and (3).

(10) A domestic insurer shall not invest more than 10% of its surplus in real estate loans that exceed the appraised value limitations under subsection (4), (6), or (8) unless the real estate loan is the result of a restructuring of an existing real estate loan and the insurer provides written notice to the commissioner on or before the date of the restructuring. The commissioner may increase the 10% investment limit of this section to 20% for an insurer who demonstrates to the commissioner's satisfaction the soundness of a particular investment or investment strategy that would cause the insurer to exceed the lower limit. If the loans under this subsection exceed 5% of an insurer's assets within any 12-month period, no other loans may be made pursuant to this subsection except with the commissioner's prior approval.

(11) A domestic insurer shall not invest more than 20% of its mortgage portfolio in multifamily residential mortgages that exceed 75% of the appraised value, at the time of the loan, of the real estate offered as security.

(b) Valuation standards.

(c) Reporting requirements.

(5) An insurer shall include all counter party exposure amounts in determining compliance with the limitations in section 901(6).

(6) In measuring the net amount of credit risk exposure using counter party exposure amount, all of the following apply:

(a) The net amount of credit risk equals the market value of the over-the-counter derivative instrument if the liquidation of the derivative instrument would result in a final cash payment to the insurer or zero if the liquidation of the derivative instrument would not result in a final cash payment to the insurer.

(b) If over-the-counter derivative instruments are entered into pursuant to a written master agreement that provides for netting of payments owed by the respective parties, and the domiciliary jurisdiction of the counter party is either within the United States or, if not within the United States, within a foreign jurisdiction approved as eligible for netting, the net amount of credit risk is the greater of zero or the net sum of the market value of the over-the-counter derivative instruments entered into pursuant to the agreement, the liquidation of which would result in a final cash payment to the insurer and the market value of the over-the-counter derivative instruments entered into pursuant to the agreement, the liquidation of which would result in a final cash payment by the insurer to the business entity.

(7) As used in subsection (6), market value shall be determined for open transactions at the end of the most recent quarter of the insurer's fiscal year and shall be reduced by the market value of acceptable collateral held by the insurer or placed in escrow by 1 or both parties.

(8) As used in this section:

(a) "Cap" means an agreement obligating the seller to make payments to the buyer with each payment based on the amount by which a reference price or level or the performance or value of 1 or more underlying interests exceeds a predetermined number, sometimes called the strike rate or strike price.

(b) "Collar" means an agreement to receive payments as the buyer of an option, cap, or floor, and to make payments as the seller of a different option, cap, or floor.

(c) "Collateralized mortgage obligation" means an asset-backed security that has cash flows originating directly or indirectly from underlying mortgage assets.

(d) "Counter party exposure amount" means the net amount of credit risk attributable to a derivative instrument entered into with a business entity other than through a qualified exchange or qualified foreign exchange or cleared through a qualified clearinghouse such as an over-the-counter derivative instrument.

(e) "Derivative instrument" means any agreement, option, or instrument, or any series or combinations of an agreement, option, or instrument to make or take delivery of, or assume or relinquish, a specified amount of 1 or more underlying interests, or to make a cash settlement in lieu of 1 or more underlying interests, or that has a price, performance, value, or cash flow based primarily upon the actual or expected price, yield, level, performance, value, or cash flow of 1 or more underlying interests. Derivative instruments include options, warrants, caps, floors, collars, swaps, swaptions, forwards, futures, and any other substantially similar agreements, options, or instruments, or any series or combinations and any further agreements, options, or instruments included under rules promulgated by the commissioner. Derivative instruments do not include collateralized mortgage obligations, other asset-backed securities, principal-protected structured securities, or instruments that an insurer is otherwise permitted to invest in or receive under this chapter other than under this section. The sale or purchase of a derivative instrument by an insurer in connection with a written investment policy that insulates the purchaser from the risk of default of an underlying financial instrument shall be treated as a derivative and not as insurance for purposes of this act.

(f) "Derivative transaction" means a transaction involving the use of 1 or more derivative instruments. For purposes of this section, dollar roll transactions, repurchase transactions, reverse repurchase transactions, and securities lending transactions are not derivative transactions.

(g) "Floor" means an agreement obligating the seller to make payments to the buyer in which each payment is based on the amount by which a predetermined number, sometimes called the floor rate or price, exceeds a reference price, level, performance, or value of 1 or more underlying interests.

(h) "Forward" means an agreement, other than a future, to make or take delivery in the future of 1 or more underlying interests, or effect a cash settlement, based on the actual or expected price, level, performance, or value of the underlying interests. Forward includes spot transactions effected within customary settlement periods, when-issued purchases, or other similar cash market transactions.

(i) "Future" means an agreement traded on a futures exchange, to make or take delivery of, or effect a cash settlement based on the actual or expected price, level, performance, or value of 1 or more underlying interests.

(j) "Hedging transaction" means a derivative transaction that is entered into and maintained to manage the risk of a change in the value, yield, price, cash flow, or quantity of assets or liabilities that the insurer has acquired or incurred or anticipates acquiring or incurring or the currency exchange rate risk related to assets or liabilities that an insurer has acquired or incurred or anticipates acquiring or incurring.

(k) "Option" means an agreement giving the buyer the right to buy or receive, known as a call option, sell or deliver, known as a put option, enter into, extend, or terminate or effect a cash settlement based on the actual or expected price, spread, level, performance, or value of 1 or more underlying interests.

(*l*) "Replication transaction" means a derivative transaction or combination of derivative transactions effected either separately or in conjunction with cash market investments included in the insurer's investment portfolio in order to replicate the risks and returns of another authorized transaction, investment, or instrument or to operate as a substitute for cash market transactions. A derivative transaction entered into by the insurer as a hedging transaction is not a replication transaction.

(m) "Structured security" means an obligation whose principal or interest payments are determined partially or entirely by reference to an index, market, event, or asset unrelated to the issuer's ability to pay.

(n) "Swap" means an agreement to exchange or to net payments at 1 or more times based on the actual or expected price, yield, level, performance, or value of 1 or more underlying interests.

(o) "Swaption" means an option to purchase or sell a swap at a given price and time or at a series of prices and times. A swaption does not mean a swap with an embedded option.

(p) "Underlying interest" means the assets, liabilities, other interests, or a combination of assets, liabilities, or other interests underlying a derivative instrument such as any 1 or more securities, currencies, rates, indices, commodities, or derivative instruments.

(q) "Warrant" means an instrument that gives the holder the right to purchase or sell the underlying interest at a given price and time or at a series of prices and times outlined in the warrant agreement.

(9) The amendatory act that added this subsection does not affect the validity of any derivative transaction entered into or derivative instrument acquired by an insurer before the effective date of the amendatory act that added this subsection.

(1) Each insurer required by this chapter to file an annual audited financial report shall register with the commissioner in writing, within 60 days after becoming subject to this requirement, the name and address of the independent public accountant or accounting firm retained to conduct the annual audit under this chapter. Insurers not retaining an independent public accountant on the effective date of this chapter shall register the name and address of their retained independent public accountant not less than 6 months before the date when the first audited financial report is to be filed.

(2) The insurer shall obtain a letter from the insurer's independent public accountant and shall file a copy with the commissioner stating that the independent public accountant is aware of the insurance code's provisions and the rules and regulations of the state of domicile's insurance department that relate to accounting and financial matters and affirming that he or she will express his or her opinion on the financial statements as to whether they conform to the accounting practices prescribed or otherwise permitted by that department, specifying the exceptions as he or she believes appropriate.

(3) If the independent public accountant for the immediately preceding filed audited financial report is dismissed or resigns, the insurer shall notify the commissioner within 5 business days of this event. Popular name: Act 218

500.1010 Recognition of person or firm as independent public accountant; mediation or arbitration of disputes; limitation on period of service; relief from rotation requirement; restrictions; hearing; ruling by commissioner; exemption from subsection (7); nonaudit

services; preapproval; waiver; independent public accountant not recognized as qualified; condition; relief from subsection (14).

Sec. 1010. (1) The commissioner shall not recognize a person or firm as an independent public accountant unless that person or firm meets both of the following:

(a) Is in good standing with the American institute of certified public accountants and in good standing in all states in which the independent public accountant is licensed to practice, or, for a Canadian or British company, unless that person or firm is a chartered accountant.

(b) Has not either directly or indirectly entered into an indemnification agreement, whether an agreement of indemnity or release from liability, with respect to the insurer's audit.

(2) Except as otherwise provided, a certified public accountant shall be recognized as independent as long as he or she conforms to the standards of his or her profession, as contained in the code of professional ethics of the American institute of certified public accountants, its rules and regulations, and this state's board of accountancy's code of ethics and rules of professional conduct.

(3) A qualified independent accountant may enter into an agreement with an insurer to have disputes relating to an audit resolved by mediation or arbitration. However, if a delinquency proceeding is commenced against the insurer under chapter 81, the mediation or arbitration provision shall operate at the option of the statutory successor.

(4) An individual independent public accountant or a lead partner having primary responsibility for an annual audit or other person responsible for rendering a report by an independent public accounting firm retained to conduct an annual audit under this chapter shall not act in that capacity for the same insurer for more than 5 consecutive years. Following such a 5-year period of service, the individual independent public accountant or partner or other responsible person for the accounting firm shall not conduct an annual audit under this chapter for the same insurer or its insurance subsidiaries or affiliates for a period of 5 years. An insurer may apply for relief from the commissioner from this rotation requirement on the basis of unusual circumstances. This application shall be made at least 30 days before the end of the calendar year. The commissioner may consider the following factors in determining if relief should be granted:

(a) Number of partners, expertise of the partners, or the number of insurance clients in the independent public accounting firm.

(b) The insurer's premium volume.

(c) Number of jurisdictions in which the insurer transacts business.

(5) An approval for relief granted under subsection (4) shall be filed by the insurer with its annual statement filing with the states that it is licensed in or doing business in and with the national association of insurance commissioners. If the nondomestic state accepts electronic filing with the national association of insurance commissioners, the insurer shall file the approval in an electronic format acceptable to the national association of insurance commissioners.

(6) The commissioner shall not recognize as a qualified independent public accountant, or accept an annual audited financial report, prepared in whole or in part by an individual who has done any of the following:

(a) Been convicted of fraud, bribery, a violation of chapter 96 of title 18 of the United States Code, 18 USC 1961 to 1968, or any dishonest conduct or practices under federal or state law.

(b) Been found to have violated the insurance laws of this state with respect to any previous reports submitted under this chapter.

(c) Has failed to detect or disclose material information in 1 or more previous reports filed under this chapter.

(7) The commissioner shall not recognize as a qualified independent public accountant, or accept an annual audited financial report prepared in whole or in part by, an individual who provides to an insurer, contemporaneously with the audit, any of the following nonaudit services:

(a) Bookkeeping or other services related to the accounting records or financial statements of the insurer.

(b) Financial information systems design and implementation.

(c) Appraisal or valuation services, fairness opinions, or contribution-in-kind reports.

(d) Actuarially oriented advisory services involving the determination of amounts recorded in the financial statements. The accountants may assist an insurer in understanding the methods, assumptions, and inputs used in the determination of amounts recorded in the financial statements only if it is reasonable to conclude that the services provided will not be subject to audit procedures during an audit of the insurer's financial statements. An accountant's actuary may also issue an actuarial opinion or certification on an insurer's reserves if all of the following conditions have been met:

(*i*) Neither the accountant nor the accountant's actuary has performed any management functions or made any management decisions.

(*ii*) The insurer has competent personnel or engages a third party actuary to estimate the reserves for which management takes responsibility.

(*iii*) The accountant's actuary tests the reasonableness of the reserves after the insurer's management has determined the amount of the reserves.

(e) Internal audit outsourcing services.

(f) Management functions or human resources.

(g) Broker or dealer, investment adviser, or investment banking services.

(h) Legal services or expert services unrelated to the audit.

(i) Any other services that the commissioner determines, by order or regulation, are impermissible.

(8) To be a qualified independent public accountant, the accountant shall not function in the role of management, shall not audit his or her own work, and shall not serve in an advocacy role for the insurer.

(9) The commissioner may hold a public hearing pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, to determine whether a certified public accountant is qualified. After considering the evidence presented, the commissioner may rule that the accountant is not qualified for purposes of expressing his or her opinion on the financial statements in the annual audited financial report made pursuant to this chapter and may require the insurer to replace the accountant with another whose relationship with the insurer is qualified within the meaning of this chapter.

(10) Insurers having direct written and assumed premiums of less than $100,000,000.00 in any calendar year may request an exemption from subsection (7). An insurer requesting an exemption shall file with the commissioner a written statement discussing the reasons why the insurer should be exempt. The commissioner shall grant the exemption if after review of the statement the commissioner finds that compliance with subsection (7) would constitute a financial or organizational hardship upon the insurer.

(11) A qualified independent public accountant who performs an audit under this chapter may engage in other nonaudit services, including tax services, that are not described in subsection (7) and that do not conflict with subsection (8), only if the activity is approved in advance by the audit committee as provided in subsection (12).

(12) All auditing services and nonaudit services provided to an insurer by a qualified independent public accountant of the insurer shall be preapproved by the audit committee. The preapproval requirement is waived with respect to nonaudit services in either of the following cases:

(a) If the insurer is a SOX compliant entity or a direct or indirect wholly-owned subsidiary of a SOX compliant entity.

(b) If the aggregate amount of all such nonaudit services provided to the insurer constitutes not more than 5% of the total amount of fees paid by the insurer to its qualified independent public accountant during the fiscal year in which the nonaudit services are provided, the services were not recognized by the insurer at the time of the engagement to be nonaudit services, and the services are promptly brought to the attention of the audit committee and approved prior to the completion of the audit by the audit committee or by 1 or more members of the audit committee who are the members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.

(13) The audit committee may delegate to 1 or more designated members of the audit committee the authority to grant the preapprovals required by subsection (12). The decisions of any member to whom this authority is delegated shall be presented to the full audit committee at each of its scheduled meetings.

(14) The commissioner shall not recognize an independent public accountant as qualified for a particular insurer if a member of the board, president, chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for that insurer was employed by the independent public accountant and participated in the audit of that insurer during the 1-year period preceding the date that the most current statutory opinion is due. This subsection only applies to partners and senior managers involved in the audit. An insurer may request relief from this subsection by filing a request with the commissioner 30 days prior to the end of the calendar year for the audit in a manner prescribed by the commissioner showing the unusual circumstances that support the need for relief from this subsection. An approval for relief granted by the commissioner under this subsection shall be filed by the insurer with its annual statement filing with the states that it is licensed in or doing business in and with the national association of insurance commissioners. If the nondomestic state accepts electronic filing with the national association of insurance commissioners, the insurer shall file the approval in an electronic format acceptable to the national association of insurance commissioners.

500.1027 Applicability of section to domestic insurer not SOX compliant entity; duties of audit committee; member of audit committee as independent; election of controlling person; report by accountant; reports provided on aggregate basis; structure of audit committee; waiver from section based on hardship; effective date of section; "direct written and assumed premiums" defined.

Sec. 1027. (1) This section applies to a domestic insurer that is not a SOX compliant entity. A domestic insurer that is a direct or indirect subsidiary of a SOX compliant entity is considered to be a SOX compliant entity for purposes of this section.

(2) The audit committee is directly responsible for the appointment, compensation, and oversight of the work of any accountant, including resolution of disagreements between management and the accountant regarding financial reporting, for the purpose of preparing or issuing the audited financial report or related work under this chapter. Each accountant shall report directly to the audit committee.

(3) The audit committee of an insurer or group of insurers is responsible for overseeing the insurer's internal audit function and granting the person and persons performing the function suitable authority and resources to fulfill their responsibilities if required under section 1028.

(4) Each member of the audit committee must be a member of the board of directors of the insurer or a member of the board of directors of an entity elected under subsection (7).

(5) To be considered independent for purposes of this section, a member of the audit committee must not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee, accept any consulting, advisory, or other compensatory fee from the entity audited or be an affiliated person of the entity or subsidiary audited, unless the individual serves on the board to meet another statutory requirement related to the composition of the board. However, the independent audit committee member must not be an officer or employee of the insurer or 1 of its affiliates.

(6) If a member of the audit committee ceases to be independent for reasons outside the member's reasonable control, that person, with notice by the responsible entity to the state, may remain an audit committee member of the responsible entity until the earlier of the next annual meeting of the responsible entity or 1 year from the occurrence of the event that caused the member to be no longer independent.

(7) To exercise the election of the controlling person to designate the audit committee for purposes of this section, the ultimate controlling person shall provide written notice to the director. Notification must be made timely before the issuance of the statutory audit report and include a description of the basis for the election. The election can be changed through notice to the director by the insurer, which must include a description of the basis for the change. The election must remain in effect until rescinded.

(8) The audit committee shall require the accountant that performs for an insurer any audit required by this chapter to timely report to the audit committee in accordance with the requirements of SAS 61, communication with audit committees, or a substantially similar replacement publication as required by the director, including all of the following:

(a) All significant accounting policies and material permitted practices.

(b) All material alternative treatments of financial information within statutory accounting principles that have been discussed with management officials of the insurer, ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the accountant.

(c) Other material written communications between the accountant and the management of the insurer, such as any management letter or schedule of unadjusted differences.

(9) If an insurer is a member of an insurance holding company system, the reports required by subsection (8) may be provided to the audit committee on an aggregate basis for insurers in the holding company system, provided that any substantial differences among insurers in the system are identified to the audit committee.

(10) All insurers are encouraged to structure their audit committees with at least a supermajority of independent committee members. An insurer with $300,000,000.01 or less of direct written and assumed premiums in the prior calendar year is not required to have independent audit committee members. An insurer with over $300,000,000.01 but less than $500,000,000.00 of direct written and assumed premiums in the prior calendar year must have 50% or more of its audit committee members be independent. An insurer with over $500,000,000.00 of direct written and assumed premiums in the prior calendar year must have 75% or more of its audit committee members be independent.

(11) The director may require an entity's board to enact improvements to the independence of the audit committee membership if the insurer is in a risk-based capital action level event, meets 1 or more of the standards listed in chapter 4 of an insurer considered to be in hazardous financial condition, or otherwise exhibits signs of a troubled insurer.

(12) An insurer with direct written and assumed premium, excluding premiums reinsured with the Federal Crop Insurance Corporation and National Flood Insurance Program, of less than $500,000,000.00 may apply to the director for a waiver from this section based on hardship. The insurer shall file, with its annual statement filing, the approval for relief from this section granted by the commissioner with the states that it is licensed in or doing business in and with the National Association of Insurance Commissioners. If the nondomestic state accepts electronic filing with the National Association of Insurance Commissioners, the insurer shall file the approval in an electronic format acceptable to the National Association of Insurance Commissioners.

(13) This section takes effect January 1, 2010. An insurer or group of insurers that is not required to have independent audit committee members or only 50% independent audit committee members because the total written and assumed premium is below the required threshold in subsection (10) and subsequently becomes subject to 1 of the independence requirements due to changes in premium, whether through business combination or not, has 1 year after the year the threshold is exceeded to comply with the independence requirements of subsection (10).

(14) As used in this section, "direct written and assumed premiums" is the combined total of direct premiums and assumed premiums from nonaffiliates for the reporting entities.

500.1028 Internal audit function; exemption; confidentiality; report to audit committee.

Sec. 1028. (1) An insurer is exempt from the requirements of this section if the insurer has annual direct written and unaffiliated assumed premium, including international direct and assumed premium but excluding premiums reinsured with the Federal Crop Insurance Corporation and National Flood Insurance Program less than $500,000,000.00 and if the insurer is a member of a group of insurers that has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and National Flood Insurance Program less than $1,000,000,000.00.

(2) An insurer or group of insurers not exempt under subsection (1) shall establish an internal audit function providing independent, objective, and reasonable assurance to the audit committee and management

regarding the insurer's governance, risk management, and internal controls. This assurance must be provided by performing general and specific audits, reviews and tests, and by employing other techniques considered necessary to protect assets, evaluate control effectiveness and efficiency, and evaluate compliance with policies and regulations.

(3) General and specific audits performed under this section are not considered an insurance compliance self-evaluative audit under section 221. Documents prepared or produced as a result of or in connection with audits performed under this section must be disclosed to the director on written request. Except as otherwise provided in this subsection, the director shall withhold from public inspection all information and documents submitted to the department under this section and these items are confidential, are not subject to subpoena, are not subject to disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and must not be divulged to any person. However, the director may divulge the information and documents described in this subsection to a relevant state or federal agency, or to the National Association of Insurance Commissioners, if the director receives assurances that the information and documents will be kept confidential. The director shall not use the information and documents submitted under this section to form the sole basis for an examination under section 222.

(4) To ensure that internal auditors remain objective, the internal audit function must be organizationally independent. Specifically, the internal audit function must not defer ultimate judgment on audit matters to others, and must appoint an individual to head the internal audit function who will have direct and unrestricted access to the board of directors. Organizational independence does not preclude dual-reporting relationships.

(5) The head of internal audit function shall report to the audit committee regularly, but no less than annually, on the periodic audit plan, factors that may adversely impact the internal audit function's independence or effectiveness, material findings from completed audits, and the appropriateness of corrective actions implemented by management as a result of audit findings.

(6) If an insurer is a member of an insurance holding company system or included in a group of insurers, the insurer may satisfy the internal audit function requirements set forth in this section at the ultimate controlling parent level, an intermediate holding company level, or the individual legal entity level.

(7) An insurer that meets the premium thresholds under this section must have an internal audit function and must have the function in place by no later than January 1, 2021. If an insurer or group of insurers that is exempt no longer qualifies for the exemption, it has 1 year after the year the threshold is exceeded to comply with the requirement.

An accredited reinsurer under this subsection is a reinsurer that meets all of the following requirements:

(a) Files with the director evidence of the reinsurer's submission to this state's jurisdiction.

(b) Submits to this state's authority to examine its books and records and bears the expense of the examination.

(c) Is licensed to transact insurance or reinsurance in at least 1 state or for a United States branch of an alien assuming insurer is entered through and licensed to transact insurance or reinsurance in at least 1 state.

(d) Files annually with the director a copy of its annual statement filed with the insurance department of its state of domicile and a copy of its most recent audited financial statement.

(e) Demonstrates to the satisfaction of the director that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers. An assuming insurer meets the requirement of this subdivision as of the time of its application if it maintains a surplus as regards policyholders in an amount not less than $20,000,000.00 and its accreditation has not been denied by the director within 90 days after submission of its application.

(3) A ceding insurer is allowed credit for reinsurance as either an asset or a reduction from liability on account of reinsurance ceded if the reinsurance is ceded to an assuming insurer that is domiciled in, or for a United States branch of an alien assuming insurer is entered through, a state that employs standards regarding credit for reinsurance substantially similar to those applicable under this chapter and the assuming insurer or United States branch of an alien assuming insurer meets both of the following requirements:

(a) Except for reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system, maintains a surplus as regards policyholders in an amount not less than $20,000,000.00.

(b) Submits to this state's authority to examine its books and records and bears the expense of the examination.

(4) Subject to subsection (19), a ceding insurer is allowed credit for reinsurance ceded as either an asset or a reduction from liability on account of reinsurance ceded if the reinsurance is ceded to an assuming insurer that maintains a trust fund in a qualified United States financial institution for the payment of the valid claims of its United States ceding insurers, their assigns, and successors in interest, the trust agreement complies with subsection (21), and the assuming insurer submits to the director's authority to examine its books and records and bears the expense of the examination. The assuming insurer shall report annually to the director information substantially the same as an authorized insurer is required to report under section 438 to enable the director to determine the sufficiency of the trust fund. The trust fund must meet all of the following requirements:

(a) For a single assuming insurer, all of the following apply:

(*i*) The trust must consist of a trusteed account representing the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers and, in addition, the assuming insurer shall maintain a trusteed surplus of an amount sufficient in the opinion of the director to maintain compliance with section 403 as respects reinsurance ceded by United States ceding insurers but not less than $20,000,000.00.

(*ii*) Except as otherwise provided in this subparagraph and subparagraph (*iii*), after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least 3 full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trusteed surplus. The commissioner with principal regulatory oversight of the trust shall not authorize a reduction in the required trusteed surplus unless the commissioner with principal regulatory oversight of the trust determines, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders, and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and must consider all material risk factors, including, when applicable, the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer's liquidity or solvency.

(*iii*) The minimum required trusteed surplus must not be reduced to an amount less than 30% of the

assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.

(b) For a group including incorporated and individual unincorporated underwriters, all of the following apply:

(*i*) For reinsurance ceded under reinsurance agreements with an inception date, amendment, or renewal date on or after January 1, 1993, the trust must consist of a trusteed account in an amount not less than the respective underwriters' several liabilities attributable to business ceded by United States domiciled ceding insurers to any underwriter of the group.

(*ii*) For reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding this section, the trust must consist of a trusteed account in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States.

(*iii*) In addition to subparagraphs (*i*) and (*ii*), the group shall maintain a trusteed surplus of which an amount sufficient in the opinion of the director to maintain compliance with section 403 as respects reinsurance ceded by United States domiciled ceding insurers but not less than $100,000,000.00 must be held jointly for the benefit of United States domiciled ceding insurers of any member of the group for all years of account. The incorporated members of the group shall not engage in any business other than underwriting as a member of the group and are subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members. Within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, the group shall provide the director with an annual certification of the solvency of each underwriter member by the group's domiciliary regulator or if certification is unavailable, financial statements prepared by independent public accountants for each underwriter group member.

(c) For a group of incorporated underwriters under common administration, all of the following apply:

(*i*) The group must have continuously transacted an insurance business outside the United States for at least 3 years immediately before applying for accreditation.

(*ii*) The group must maintain an aggregate policyholders' surplus of not less than $10,000,000,000.00.

(*iii*) The group must maintain a trust fund in an amount not less than the group's several liabilities attributable to business ceded by United States domiciled ceding insurers to any member of the group pursuant to reinsurance contracts issued in the name of the group.

(*iv*) In addition to subparagraph (*iii*), the group must maintain a joint trusteed surplus of which $100,000,000.00 is held jointly for the benefit of United States domiciled ceding insurers of any member of the group as additional security for those liabilities.

(*v*) Within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, the group shall provide to the director an annual certification of each underwriter member's solvency by the member's domiciliary regulator and financial statements of each underwriter member of the group prepared by its independent public accountant.

(d) The trust and any amendments to the trust must be established in a form approved by the commissioner of the state where the trust is domiciled or the commissioner of another state who under the trust instrument terms has accepted principal regulatory oversight of the trust. The trust instrument must provide that contested claims are valid and enforceable on the final order of a court of competent jurisdiction in the United States. The trust must vest legal title to its assets in the trustees of the trust for its United States ceding insurers and their assigns and successors in interest. The trust and the assuming insurer are subject to examination as determined by the director, and the assuming insurer shall bear the expense of the examination. The trust must remain in effect while the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust.

(e) No later than February 28 of each year, the trustees of the trust shall report to the director in writing the balance of the trust and listing the trust's investments at the preceding year end and shall certify the date of termination of the trust, if a termination is planned, or certify that the trust does not expire before the following December 31.

(5) A ceding insurer is allowed credit for reinsurance ceded as either an asset or a reduction from liability on account of reinsurance ceded if reinsurance is ceded to an assuming insurer that does not meet the requirements of this section but only for the insurance of risks located in jurisdictions where the reinsurance is required by applicable law or regulation of that jurisdiction.

(6) A ceding insurer is allowed credit for reinsurance ceded as either an asset or a reduction from liability on account of reinsurance if the reinsurance is ceded to an assuming insurer that has been certified by the director as a certified reinsurer in this state and secures its obligations as required under this subsection. Certification requirements include all of the following:

(a) The director shall not certify an assuming insurer as a certified reinsurer unless the assuming insurer meets all of the following requirements:

(*i*) The assuming insurer is domiciled and licensed to transact insurance or reinsurance in a qualified jurisdiction, as determined by the director under subdivision (c).

(*ii*) The assuming insurer maintains minimum capital and surplus, or its equivalent, in an amount determined by the director pursuant to rule.

(*iii*) The assuming insurer maintains financial strength ratings from 2 or more rating agencies considered acceptable by the director pursuant to rule.

(*iv*) The assuming insurer agrees to submit to the jurisdiction of this state.

(*v*) The assuming insurer agrees to appoint the director as its agent for service of process in this state.

(*vi*) The assuming insurer agrees to provide security for 100% of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if it resists enforcement of a final United States judgment.

(*vii*) The assuming insurer agrees to meet applicable information filing requirements as determined by the director, both with respect to an initial application for certification and on an ongoing basis.

(*viii*) The assuming insurer satisfies any other requirements for certification that the director considers relevant.

(b) The director may certify an association including incorporated and individual unincorporated underwriters as a certified reinsurer if the association meets all of the following requirements:

(*i*) The association meets the requirements of subdivision (a).

(*ii*) The association satisfies its minimum capital and surplus requirements through the capital and surplus equivalents, net of liabilities, of the association and its members, that include a joint central fund that may be applied to an unsatisfied obligation of the association or any of its members, in an amount determined by the director to provide adequate protection.

(*iii*) The incorporated members of the association are not engaged in any business other than underwriting as a member of the association. The incorporated members are subject to the same level of regulation and solvency control by the association's domiciliary regulator as the unincorporated members.

(*iv*) Within 90 days after its financial statements are due to be filed with the association's domiciliary regulator, the association provides to the director an annual certification by the association's domiciliary regulator of the solvency of each underwriter member; or if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.

(c) The director shall create and publish a list of qualified jurisdictions under which an assuming insurer licensed and domiciled in a qualified jurisdiction is eligible to be considered for certification by the director as a certified reinsurer. All of the following apply to the list of qualified jurisdictions:

(*i*) To determine if the domiciliary jurisdiction of a non-United States assuming insurer is eligible to be recognized as a qualified jurisdiction, the director shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits, and extent of reciprocal recognition afforded by the non-United States jurisdiction to reinsurers licensed and domiciled in the United States. A qualified jurisdiction shall agree to share information and cooperate with the director with respect to all certified reinsurers domiciled within that jurisdiction. The director shall not recognize a jurisdiction as a qualified jurisdiction if the director determines that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards. The director may consider additional factors to determine if the domiciliary is eligible to be recognized as a qualified jurisdiction.

(*ii*) In determining whether a jurisdiction is a qualified jurisdiction, the director shall consider a list of qualified jurisdictions published by the NAIC committee process. If the director approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the director shall provide thoroughly documented justification to the NAIC in accordance with criteria required pursuant to rules.

(*iii*) The director shall recognize a United States jurisdiction that meets the requirement for accreditation under the NAIC financial standards and accreditation program as a qualified jurisdiction.

(*iv*) If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the director may suspend the reinsurer's certification indefinitely, instead of revoking it.

(d) The director shall assign a rating to each certified reinsurer, giving consideration to the financial strength ratings that have been assigned by rating agencies considered acceptable to the director pursuant to rule. The director shall publish a list of all certified reinsurers and their ratings.

(e) A certified reinsurer shall secure obligations assumed from United States ceding insurers under this subsection at a level consistent with its rating, as specified in rules promulgated by the director. All of the following apply to a certified reinsurer securing its obligations:

(*i*) Except as otherwise provided in this subsection, a domestic ceding insurer does not qualify for full financial statement credit for reinsurance ceded to a certified reinsurer unless the certified reinsurer maintains security in a form acceptable to the director and consistent with section 1105, or in a multibeneficiary trust in accordance with subsection (4).

(*ii*) If a certified reinsurer maintains a trust to fully secure its obligations described in subsection (4), and chooses to secure its obligations incurred as a certified reinsurer in the form of a multibeneficiary trust, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed as a certified reinsurer with reduced security provided under this subsection or comparable laws of other United States jurisdictions and for its obligations described under subsection (4). The director shall not certify a reinsurer under this subsection unless the reinsurer binds itself, by the language of the trust and agreement with the commissioner with principal regulatory oversight of each trust account, to fund, on termination of a trust account, out of the remaining surplus of the trust any deficiency of any other trust account.

(*iii*) The minimum trusteed surplus requirements provided in subsection (4) are not applicable with respect to a multibeneficiary trust maintained by a certified reinsurer for the purpose of securing obligations incurred under this subsection, except that the trust must maintain a minimum trusteed surplus of $10,000,000.00.

(*iv*) With respect to obligations incurred by a certified reinsurer under this subsection, if the security is insufficient, the director shall reduce the allowable credit by an amount proportionate to the deficiency, and may impose further reductions in allowable credit on finding that there is a material risk that the certified reinsurer's obligations will not be paid in full when due.

(*v*) For purposes of this subsection, a certified reinsurer whose certification has been terminated for any reason is considered a certified reinsurer required to secure 100% of its obligations. If the director continues to assign a higher rating under this section, the requirement under this subparagraph does not apply to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended. As used in this subparagraph, "terminated" means revoked, suspended, voluntarily surrendered, or placed in inactive status.

(f) If an applicant for certification has been certified as a reinsurer in an NAIC-accredited jurisdiction, the director may defer to that jurisdiction's certification, and may defer to the rating assigned by that jurisdiction, and the applicant is considered a certified reinsurer in this state.

(g) A certified reinsurer that ceases to assume new business in this state may request to maintain its certification in inactive status to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subsection, and the director shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business.

(7) A ceding insurer is allowed credit when the reinsurance is ceded to an assuming insurer that meets all of the following conditions:

(a) The assuming insurer must have its head office or be domiciled in, as applicable, and be licensed in a reciprocal jurisdiction.

(b) The assuming insurer must have and maintain, on an ongoing basis, minimum capital and surplus, or its equivalent, calculated according to the methodology of its domiciliary jurisdiction, in an amount to be set forth in rule. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, minimum capital and surplus equivalents, net of liabilities, calculated according to the methodology applicable in its domiciliary jurisdiction, and a central fund containing a balance in amounts to be set forth in rule.

(c) The assuming insurer must have and maintain, on an ongoing basis, a minimum solvency or capital ratio, as applicable, that will be set forth in rule. If the assuming insurer is an association, including incorporated and individual unincorporated underwriters, it must have and maintain, on an ongoing basis, a minimum solvency or capital ratio in the reciprocal jurisdiction where the assuming insurer has its head office or is domiciled, as applicable, and is also licensed.

(d) The assuming insurer must agree and provide adequate assurance to the director, in a form specified by the director pursuant to rule, as follows:

(*i*) The assuming insurer must provide prompt written notice and explanation to the director if it falls below the minimum requirements under subdivision (b) or (c), or if any regulatory action is taken against it for serious noncompliance with applicable law.

(*ii*) The assuming insurer must consent in writing to the jurisdiction of the courts of this state and to the appointment of the director as agent for service of process. The director may require that consent for service of process be provided to the director and included in each reinsurance agreement. This subparagraph does not limit or alter the capacity of parties to a reinsurance agreement to agree to alternative dispute resolution mechanisms, except to the extent the agreements are unenforceable under applicable insolvency or

delinquency laws.

(*iii*) The assuming insurer must consent in writing to pay all final judgments, wherever enforcement is sought, obtained by a ceding insurer or its legal successor, that have been declared enforceable in the jurisdiction where the judgment was obtained.

(*iv*) Each reinsurance agreement must include a provision requiring the assuming insurer to provide security in an amount equal to 100% of the assuming insurer's liabilities attributable to reinsurance ceded pursuant to the agreement if the assuming insurer resists enforcement of a final judgment that is enforceable under the law of the jurisdiction in which it was obtained or a properly enforceable arbitration award, whether obtained by the ceding insurer or by its legal successor on behalf of its resolution estate.

(*v*) The assuming insurer must confirm that it is not presently participating in any solvent scheme of arrangement that involves this state's ceding insurers, and agree to notify the ceding insurer and the director and to provide security in an amount equal to 100% of the assuming insurer's liabilities to the ceding insurer, if the assuming insurer enters into a solvent scheme of arrangement described in this subparagraph. The security must be in a form consistent with subsection (6) and section 1105 and as specified by the director in rule.

(e) The assuming insurer or its legal successor must provide, if requested by the director, on behalf of itself and any legal predecessors, certain documentation to the director, as specified by the director in rule.

(f) The assuming insurer must maintain a practice of prompt payment of claims under reinsurance agreements, pursuant to criteria set forth in rule.

(g) The assuming insurer's supervisory authority must confirm to the director on an annual basis, as of the preceding December 31 or at the annual date otherwise statutorily reported to the reciprocal jurisdiction, that the assuming insurer complies with the requirements under subdivisions (b) and (c).

(h) This subsection does not preclude an assuming insurer from providing the director with information on a voluntary basis.

(8) The director shall timely create and publish a list of reciprocal jurisdictions that is published through the NAIC committee process. Both of the following apply to the director's list published under this subsection:

(a) The director's list must include a reciprocal jurisdiction that meets the conditions under subsection (27)(b)(*i*) and (*ii*) and must consider any other reciprocal jurisdiction included on the NAIC list. The director may approve a jurisdiction that does not appear on the NAIC list of reciprocal jurisdictions in accordance with criteria to be developed under rules promulgated by the director.

(b) The director may remove a jurisdiction from the list of reciprocal jurisdictions on a determination that the jurisdiction no longer meets the requirements of a reciprocal jurisdiction, in accordance with a process set forth in rules promulgated by the director, except that the director shall not remove from the list a reciprocal jurisdiction that meets the conditions under subsection (27)(b)(*i*) and (*ii*). On removal of a reciprocal jurisdiction from this list, a ceding insurer is allowed credit for reinsurance ceded to an assuming insurer that has its home office or is domiciled in that jurisdiction if otherwise allowed under this section, section 1105, or section 1106.

(9) The director shall timely create and publish a list of assuming insurers that have satisfied the conditions set forth in subsection (7) and to which cessions must be granted credit in accordance with subsection (7). The director may add an assuming insurer to the list if an NAIC accredited jurisdiction has added the assuming insurer to a list of assuming insurers or if, on initial eligibility, the assuming insurer submits the information to the director as required under subsection (7)(d) and complies with any additional requirements that the director may impose by rule, except to the extent that they conflict with an applicable covered agreement.

(10) If the director determines that an assuming insurer no longer meets 1 or more of the requirements under subsection (7), the director may revoke or suspend the eligibility of the assuming insurer for recognition under subsection (7) in accordance with procedures set forth in rule.

(11) While an assuming insurer's eligibility is suspended, no reinsurance agreement issued, amended, or renewed after the effective date of the suspension qualifies for credit except to the extent that the assuming insurer's obligations under the contract are secured in accordance with section 1105.

(12) If an assuming insurer's eligibility is revoked, no credit for reinsurance may be granted after the effective date of the revocation with respect to any reinsurance agreements entered into by the assuming insurer, including reinsurance agreements entered into before the date of revocation, except to the extent that the assuming insurer's obligations under the contract are secured in a form acceptable to the director and consistent with section 1105.

(13) If subject to a legal process of rehabilitation, liquidation, or conservation, as applicable, the ceding insurer, or its representative, may seek and, if determined appropriate by the court in which the proceedings are pending, may obtain an order requiring that the assuming insurer post security for all outstanding ceded

liabilities.

(14) Subsection (7) does not limit or alter the capacity of parties to a reinsurance agreement to agree on requirements for security or other terms in that reinsurance agreement, except as expressly prohibited under this section, section 1105, or section 1106 or other applicable law or rule.

(15) Credit may be taken under subsection (7) only for reinsurance agreements entered into, amended, or renewed on or after the effective date of the amendatory act that added this subsection, and only with respect to losses incurred and reserves reported on or after the later of the following:

(a) The date on which the assuming insurer has met all eligibility requirements under subsection (7).

(b) The effective date of the new reinsurance agreement, amendment, or renewal.

(16) Subsection (15) does not alter or impair a ceding insurer's right to take credit for reinsurance, to the extent that credit is not available under subsection (7), if the reinsurance qualifies for credit under any other applicable provision under this section, section 1105, or section 1106.

(17) Subsection (7) does not authorize an assuming insurer to withdraw or reduce the security provided under any reinsurance agreement except as permitted by the terms of the agreement.

(18) Subsection (7) does not limit or alter the capacity of parties to any reinsurance agreement to renegotiate the agreement.

(19) If the assuming insurer is not licensed, accredited, or certified to transact insurance or reinsurance in this state, the credit under subsection (4) is not allowed unless the assuming insurer agrees in the reinsurance agreements to both of the following:

(a) That if the assuming insurer fails to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer, will submit to the jurisdiction of any court of competent jurisdiction in any state of the United States, will comply with all requirements necessary to give the court jurisdiction, and will abide by the final decision of the court or any appellate court if there is an appeal.

(b) To designate the director or a designated attorney as its true and lawful attorney on whom may be served any lawful process in an action, suit, or proceeding instituted by or on behalf of the ceding insurer.

(20) Subsection (19) is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if the obligation is created in the agreement.

(21) The credit under subsection (4), (6), or (7) is not allowed unless the assuming insurer agrees in the trust agreement to all of the following:

(a) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by subsection (4) or (6), or if the trust grantor has been declared or placed into receivership, rehabilitation, liquidation, or similar proceedings under the laws of its state or country of domicile, the trustee will comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight all of the assets of the trust fund.

(b) The assets will be distributed by and claims will be filed with and valued by the commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies.

(c) If the commissioner with regulatory oversight determines that the trust fund assets or any part of the trust fund assets is not necessary to satisfy the claims of the United States ceding insurers of the trust grantor, the trust fund assets or any part of the trust fund assets will be returned by the commissioner with regulatory oversight to the trustee for distribution in accordance with the trust agreement.

(d) The trust grantor waives any right otherwise available under United States laws inconsistent with subdivisions (a) to (c).

(22) If an accredited or certified reinsurer ceases to meet the requirements for accreditation or certification, the director may suspend or revoke the reinsurer's accreditation or certification. The director shall give the reinsurer notice and opportunity for hearing. The suspension or revocation must not take effect until after the director's order on hearing, unless 1 of the following occurs:

(a) The reinsurer waives its right to hearing.

(b) The director's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under subsection (6)(f).

(c) The director finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the director's action.

(23) While a reinsurer's accreditation or certification is suspended, a reinsurance contract issued or renewed after the effective date of the suspension does not qualify for credit except to the extent that the reinsurer's obligations under the contract are secured under section 1105. If a reinsurer's accreditation or

certification is revoked, credit for reinsurance may not be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured under subsection (6)(e) or section 1105.

(24) A ceding insurer shall take steps to manage its reinsurance recoverable assets proportionate to its own book of business. A domestic ceding insurer shall notify the director within 30 days after reinsurance recoverable assets from any single assuming insurer, or group of affiliated assuming insurers, exceeds 50% of the domestic ceding insurer's last reported surplus to policyholders, or after it has determined that reinsurance recoverable assets from any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification must demonstrate that the exposure is safely managed by the domestic ceding insurer.

(25) A ceding insurer shall take steps to diversify its reinsurance program. A domestic ceding insurer shall notify the director within 30 days after ceding to any single assuming insurer, or group of affiliated assuming insurers, more than 20% of the ceding insurer's gross written premium in the prior calendar year, or after it has determined that the reinsurance ceded to any single assuming insurer, or group of affiliated assuming insurers, is likely to exceed this limit. The notification must demonstrate that the exposure is safely managed by the domestic ceding insurer.

(26) A ceding insurer that is a member of the catastrophic claims association created under section 3104 is exempt from subsections (24) and (25) for purposes of cessions to the catastrophic claims association.

(27) As used in this section:

(a) "NAIC" means the National Association of Insurance Commissioners.

(b) "Reciprocal jurisdiction" is a jurisdiction that meets 1 of the following conditions:

(*i*) A non-United States jurisdiction that is subject to an in-force covered agreement with the United States, each within its legal authority or, for a covered agreement between the United States and European Union, is a member state of the European Union. As used in this subparagraph, "covered agreement" means an agreement entered into pursuant to Dodd-Frank Wall Street Reform and Consumer Protection Act, 31 USC 313 and 314, that is currently in effect, or in a period of provisional application and addresses the elimination, under specified conditions, of collateral requirements as a condition for entering into any reinsurance agreement with a ceding insurer domiciled in this state or for allowing the ceding insurer to recognize credit for reinsurance.

(*ii*) A United States jurisdiction that meets the requirements for accreditation under the NAIC financial standards and accreditation program.

(*iii*) A qualified jurisdiction, as determined by the director under subsection (6)(c), that is not otherwise described in subparagraph (*i*) or (*ii*) and that meets certain additional requirements, consistent with the terms and conditions of in-force covered agreements, as specified by the director in rule.

Popular name: Act 218

500.1105 Reduction from liability by ceding insurer to assuming insurer not meeting requirements of MCL 500.1103; security.

Sec. 1105. An asset or a reduction from liability for the reinsurance ceded by a ceding insurer to an assuming insurer that does not meet the requirements of section 1103 is allowed in an amount not to exceed the liabilities carried by the ceding insurer. In addition, any asset or reduction from liability for reinsurance ceded is allowed under this section only to the extent that it is consistent with any rules promulgated by the director under section 1106 regarding the valuation of reserve credits or assets, the amount and forms of security supporting reinsurance agreements, or the circumstances under which credit will be reduced or eliminated. The reduction must be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with the assuming insurer as security for the payment of obligations under the reinsurance contract, if the security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer and, for a trust, held in a qualified United States financial institution. This security may be in the form of any of the following:

(a) Cash.

(b) Securities that may be valued by the director under sections 841 and 842 and are approved for investment by insurers under chapter 9, including those considered exempt from filing as defined by the purposes and procedures manual of the Securities Valuation Office of the National Association of Insurance Commissioners.

Letters of credit that meet applicable standards of issuer acceptability on the date the letters of credit are issued or confirmed are, notwithstanding the issuing or confirming institution's subsequent failure to meet applicable standards of issuer acceptability, acceptable as security until their expiration, extension, renewal, modification, or amendment, whichever occurs first.

(d) Any other form of security acceptable to the director.

500.1121 Applicability of MCL 500.1123 to 500.1127 to certain insurers.

Sec. 1121. The provisions of sections 1123 through 1127 apply to all life and disability insurers and also apply to licensed property and casualty insurers with respect to their disability insurance business. Sections 1123 through 1127 do not apply to assumption reinsurance, yearly renewable term reinsurance, or certain nonproportional reinsurance such as excess or catastrophe reinsurance.

History: Add. 1994, Act 226, Imd. Eff. June 27, 1994.

Popular name: Act 218

500.1123 Reinsurance agreement; conditions prohibiting reduction in liability or establishment of asset; approval of commissioner; filing agreements.

Sec. 1123. (1) For reinsurance ceded an insurer subject to this section shall not reduce any liability or establish any asset in any financial agreement filed with the commissioner if, by the terms of the reinsurance agreement, in substance or effect, any of the following conditions exist:

(a) Renewal expense allowances provided or to be provided to the ceding insurer by the reinsurer in any accounting period are not sufficient to cover anticipated allowable renewal expenses of the ceding insurer on the portion of the business reinsured, unless a liability is established for the present value of the shortfall, using assumptions equal to the applicable statutory reserve basis on the business reinsured. Those expenses include commissions, premium taxes, and direct expenses including, but not limited to, billing, valuation, claims, and maintenance expected by the company at the time the business is reinsured.

(b) The ceding insurer can be deprived of surplus or assets at the reinsurer's option or automatically upon the occurrence of some event, such as the insolvency of the ceding insurer, except that termination of the reinsurance agreement by the reinsurer for nonpayment of reinsurance premiums or other amounts due, such as modified coinsurance reserve adjustments, interest and adjustments on funds withheld, and tax reimbursements, shall not be considered to be such a deprivation of surplus or assets.

(c) The ceding insurer is required to reimburse the reinsurer for negative experience under the reinsurance agreement, except that neither offsetting experience refunds against current and prior years' losses under the agreement nor payment by the ceding insurer of an amount equal to the current and prior years' losses under the agreement upon voluntary termination of in-force reinsurance by the ceding insurer shall be considered such a reimbursement to the reinsurer for negative experience. Voluntary termination does not include situations where termination occurs because of unreasonable provisions that allow the reinsurer to reduce its risk under the agreement. An example of such a provision is the right of the reinsurer to increase reinsurance premiums or risk and expense charges to excessive levels forcing the ceding insurer to prematurely terminate the reinsurance treaty.

(d) The ceding insurer must, at specific points in time scheduled in the agreement, terminate or automatically recapture all or part of the reinsurance ceded.

(e) The reinsurance agreement involves the possible payment by the ceding insurer to the reinsurer of amounts other than from income realized from the reinsured policies. For example, a ceding insurer may not pay reinsurance premiums or other fees or charges to a reinsurer that are greater than the direct premiums collected by the ceding insurer.

(f) The treaty does not transfer all of the significant risk inherent in the business being reinsured. The following table identifies for a representative sampling of products or type of business the risks that are considered to be significant. For products not specifically included, the risks determined to be significant shall be consistent with this table.

Risk Categories:

(*i*) Morbidity.

(*ii*) Mortality.

(*iii*) Lapse. This is the risk that a policy will voluntarily terminate prior to the recoupment of a statutory surplus strain experienced at issue of the policy.

(*iv*) Credit quality (C1). This is the risk that invested assets supporting the reinsured business will decrease in value. The main hazards are that the assets will default or that there will be a decrease in earning power. It

excludes market value declines due to changes in interest rate.

(*v*) Reinvestment (C2). This is the risk that interest rates will fall and funds reinvested, such as coupon payments or money received upon asset maturity or call, will therefore earn less than expected. If asset durations are less than liability durations, the mismatch will increase.

(*vi*) Disintermediation (C3). This is the risk that interest rates rise and policy loans and surrenders increase or maturing contracts do not renew at anticipated rates of renewal. If asset durations are greater than the liability durations, the mismatch will increase. Policyholders will move their funds into new products offering higher rates. The company may have to sell assets at a loss to provide for these withdrawals.

(g) The credit quality, reinvestment, or disintermediation risk is significant for the business reinsured and, other than for the classes of business excepted in subdivision (h), the ceding insurer does not either transfer the underlying assets to the reinsurer or legally segregate such assets in a trust or escrow account or otherwise establish a mechanism satisfactory to the commissioner that legally segregates, by contract or contract provision, the underlying assets.

(h) Notwithstanding the requirements of subsection (g), the assets supporting the reserves for the following classes of business and any classes of business that do not have a significant credit quality, reinvestment, or disintermediation risk may be held by the ceding insurer without segregation of such assets:

(*i*) Health insurance - LTC/LTD.

(*ii*) Traditional nonparticipating permanent life.

(*iii*) Traditional participating permanent life.

(*iv*) Adjustable premium permanent life.

(*v*) Indeterminate premium permanent life.

(*vi*) Universal life fixed premium.

The associated formula for determining the reserve interest rate adjustment must use a formula that reflects the ceding insurer's investment earnings and incorporates all realized and unrealized gains and losses reflected in the statutory statement. The following is an acceptable formula:

$$RATE = \frac{2(I + CG)}{X+Y-I-CG}$$

WHERE: I is the net investment income

CG is capital gains less capital losses

X is the current year cash and invested assets plus investment income due and accrued less borrowed money

Y is the same as X but for the prior year

(i) Settlements are made less frequently than quarterly or payments due from the reinsurer are not made in cash within 90 days of the settlement date.

(j) The ceding insurer is required to make representations or warranties not reasonably related to the business being reinsured.

(k) The ceding insurer is required to make representations or warranties about future performance of the business or liabilities being reinsured.

(*l*) The reinsurance agreement is entered into for the principal purpose of producing significant surplus aid for the ceding insurer, typically on a temporary basis, while not transferring all of the significant risks inherent in the business reinsured and, in substance or effect, the expected potential liability to the ceding insurer remains basically unchanged.

(2) Notwithstanding subsection (1), an insurer subject to this section and sections 1125 and 1127 may, with the prior approval of the commissioner, take such reserve credit or establish such asset as the commissioner may consider consistent with this act.

(3) Agreements entered into after the effective date of this chapter that involve the reinsurance of business, excluding annually renewable reinsurance treaties and agreements, issued prior to the effective date of the agreements, along with any subsequent amendments thereto, shall be filed by the ceding insurer with the commissioner within 30 days from its date of execution. Each filing shall include data detailing the financial impact of the transaction. The ceding insurer's actuary who signs the financial statement actuarial opinion with respect to valuation of reserves shall consider this section and any applicable actuarial standards of practice when determining the proper credit in financial statements filed with the commissioner. The actuary should maintain adequate documentation and be prepared upon request to describe the actuarial work performed for inclusion in the financial statements and to demonstrate that the work conforms to this section. A foreign insurer is not required to file the agreements with the commissioner as required by this subsection if it is subject to filing requirements adopted by statute or regulation in its state of domicile that the commissioner has determined are substantially similar to those required under this subsection. Any increase in surplus net of federal income tax resulting from arrangements described in this subsection shall be identified separately on the insurer's statutory financial statement as a surplus item under aggregate write-ins for gains and losses in surplus in the capital and surplus account, and recognition of the surplus increase as income shall be reflected on a net of tax basis and identified as "reinsurance ceded" in the annual financial statement as earnings emerge from the business reinsured.

500.1125 Reinsurance agreement; use; execution; “reasonable period of time” defined; provisions; assumption of obligations by life and health insurance guaranty association.

Sec. 1125. (1) Neither a reinsurance agreement nor any amendment to that agreement shall be used to reduce any liability or to establish any asset in any financial statement filed with the commissioner unless the agreement, amendment, or a binding letter of intent has been duly executed by the appropriate party no later than the filing date of the financial statement.

(2) A letter of intent, a reinsurance agreement, or an amendment to a reinsurance agreement shall be executed within a reasonable period of time in order for credit to be granted for the reinsurance ceded. As used in this subsection, "reasonable period of time" means that period of time as provided by the national association of insurance commissioners accounting practices and procedures manual and as approved by the commissioner.

(3) Except for facultative certificates duly executed by a property and casualty reinsurer or its duly appointed agent, a reinsurance agreement shall contain both of the following:

(a) That the agreement constitutes the entire agreement between the parties with respect to the business being reinsured thereunder and that there are no understandings between the parties other than as expressed in the agreement.

(b) That any change or modification to the agreement is null and void unless made by amendment to the agreement and signed by both parties.

(4) A ceding insurer shall not be allowed credit for reinsurance ceded as either an asset or a reduction from liability on account of reinsurance ceded, unless the reinsurance contract provides, in substance, that if the

ceding insurer becomes insolvent, the reinsurance shall be payable pursuant to the terms of the reinsurance contract by the assuming insurer on the basis of reported claims allowed by the liquidation court, except as provided in subsection (6), without diminution because of the insolvency of the ceding insurer. The payments shall be made directly to the ceding insurer or its domiciliary liquidator unless the reinsurance contract requires or an endorsement signed by the reinsurer to the policies reinsured requires the reinsurer to make payment to the payees under the policies reinsured if the ceding insurer becomes insolvent.

(5) The reinsurance agreement may provide that the domiciliary liquidator of an insolvent ceding insurer shall give written notice to the assuming insurer of the pendency of a claim against the ceding insurer on the contract reinsured within a reasonable time after the claim is filed in the liquidation proceeding.

(6) If a life and health insurance guaranty association or its designated successor life or health insurer has assumed policy obligations as direct obligations of the insolvent ceding insurer and has succeeded to the rights of the insolvent insurer under the contract of reinsurance, then the reinsurer's liability shall continue under the contract of reinsurance and shall be payable pursuant to the direction of the guaranty association or its designated successor. As a condition to succeeding to the insolvent insurer's rights under the contract, the guaranty association or successor life or health insurer shall be responsible for premiums payable under the reinsurance contract for periods after the date of liquidation.

Any material change in a program of study requires the reapproval of the director. If the information in an application for approval or reapproval is insufficient for the director to determine whether the program of study meets the requirements under subsection (3), the director shall give written notice to the provider, within 15 days after the provider's filing of the application for approval or reapproval, of the additional information needed by the director. An application for approval or reapproval is considered approved unless disapproved by the director within 90 days after the application for approval or reapproval is filed, or within 90 days after the receipt of additional information if the information was requested by the director, whichever is later.

(5) A provider of a program of study approved by the director under this section shall pay a provider authorization fee of $500.00 for the first year the provider's program of study is approved under this section and a $100.00 provider renewal fee for each subsequent year that the provider offers the approved program of study.

(6) A person dissatisfied with an approved program of study may petition the director for a hearing on the program or the director on his or her own initiative may request a hearing on a program of study. If the director finds that the petition was submitted in good faith, that the petition if true shows that the program of study does not satisfy the criteria in subsection (3), or that the petition otherwise justifies holding a hearing, the director shall hold a hearing under chapter 4 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.271 to 24.287, within 30 days after receipt of the petition and on not less than 10 days' written notice to the petitioner and the provider of the program of study. If the director requests a hearing on a program of study on his or her own initiative, the director shall hold a hearing under chapter 4 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.271 to 24.287, on not less than 10 days' written notice to the provider of the program of study.

approval of the program of study, which date must be within a reasonable time of the issuance of the order.

A representative of the approved program of study shall file the form and a fee of $1.00 per hour for course credit for each insurance producer license renewal as directed by the director within 30 days after the insurance producer completes the program. A copy of the form must also be mailed first-class to the insurance producer who attended, taught, or successfully completed the program of study. The director may enter into contracts to provide for the administrative functions of this subsection.

(9) The director shall waive the continuing education requirements of this section for an insurance producer if the producer is unable to comply with the continuing education requirements of this section because of military service or if the director determines that enforcement of the requirements would cause a severe hardship. An insurance producer who is in the process of selling his or her insurance business and who has not met the continuing education requirements of this section shall not solicit or sell new policies of insurance, bind coverage, or otherwise act as an insurance producer, except that the insurance producer may continue to service policies previously sold and may receive commissions on policies previously sold as well as receive partial commissions on policies of insurance sold by a purchasing insurance producer, for a period not to exceed 12 months after the selling insurance producer's license review date under subsection (1). (15) For an insurance producer program of study under this section, the director may refuse to approve an

insurance education instructor, and the director may place an approved insurance education instructor on probation or suspend or revoke approval of an approved insurance education instructor, or take any combination of these actions, if 1 or more of the following apply:

Sec. 1207. (1) An agent is a fiduciary for all money received or held by the agent in the agent's capacity as an agent.

(2) An agent shall treat all premiums and return premiums as fiduciary money and segregate the premiums from the agent's own money. Except as otherwise provided in this subsection, an agent shall not commingle premiums or return premiums with any other money of the agent. An agent may make an initial deposit from the agent's own money to establish the separate account. An agent may make additional deposits from the agent's own money into the separate account solely for the purpose of paying or avoiding financial institution charges or fees, or both, required to maintain the separate account. Any of the agent's own money deposited into the separate account under this subsection must be separately accounted for and identifiable in the agent's books and records.

(3) The separate account under subsection (2) must be established and maintained in any state or federally chartered financial institution that is federally insured. The separate account may be interest-bearing.

(4) An agent may hold returned premiums in the separate account for the purpose of paying future premiums on behalf of an insured with the insured's written authorization.

(9) An agent shall not accept payment of a premium for a Medicare supplemental policy or certificate in the form of a check or money order made payable to the agent instead of the insurer. On receiving payment of a premium for a Medicare supplemental policy or certificate, an agent shall immediately provide a written receipt to the insured.

(10) Records required by this section must be open to examination by the director.

(11) Except as provided in sections 1211 and 1212 and subsection (12), an agent shall not reward or remunerate any person for procuring or inducing business in this state, furnishing leads or prospects, or acting in any other manner as an agent.

An agent who attempts to place the refused part of the coverage through another licensed agent shall advise the buyer in writing that the refused part of the coverage is not in effect until the buyer receives written evidence of insurance.

(13) A person shall not sell or attempt to sell insurance by means of intimidation or threats, whether express or implied. Except as provided in section 2077(4), a person may not induce the purchase of insurance through a particular agent or from a particular insurer by means of a promise to sell goods, lend money, or provide services, or by a threat to refuse to sell goods, lend money, or provide services.

(14) After January 1, 1973, an insurer or an agent may not be a party to a contract under which the agent assumes any responsibility or obligation for payment, from the agent's commission or any allocation of premium to the agent by the insurer, of any losses on insurance policies sold by the agent unless the claim adjusting is done by insurance company adjusters or licensed independent adjusters.

Upon the written request of the commissioner, the insurer shall provide additional information, documents, records, or other data pertaining to the termination or activity of the producer.

(2) An insurer or authorized representative of the insurer that terminates the appointment, employment, or contract with a producer for any reason not listed in section 1239 shall notify the commissioner using a format prescribed by the commissioner of the termination within 30 days following the effective date of the termination. Upon written request of the commissioner, the insurer shall provide additional information, documents, records, or other data pertaining to the termination.

(3) The insurer or the authorized representative of the insurer shall promptly notify the commissioner in a format acceptable to the commissioner if, upon further review or investigation, the insurer discovers additional information that would have been reportable to the commissioner in accordance with subsection (1) had the insurer then known of its existence.

(4) Not later than 15 days after making the notification required by subsection (1), (2), or (3), the insurer shall mail a copy of the notification to the producer at his or her last known address. If the producer is terminated for cause for any of the reasons listed in section 1239, the insurer shall provide a copy of the notification to the producer at his or her last known address by certified mail, return receipt requested, postage prepaid or by overnight delivery using a nationally recognized carrier. Within 30 days after the insurance producer has received the original or additional notification, the insurance producer may file written comments concerning the substance of the notification with the commissioner. The insurance producer shall, by the same means, simultaneously send a copy of the comments to the reporting insurer, and the comments shall become a part of the commissioner's file and accompany every copy of a report distributed or disclosed for any reason about the producer as permitted under section 1246.

(5) In the absence of actual malice, an insurer, the authorized representative of the insurer, an insurance producer, the commissioner, or an organization of which the commissioner is a member and that compiles the information and makes it available to other commissioners or regulatory or law enforcement agencies is not subject to civil liability for making this information available, and a civil cause of action of any nature shall not arise against these entities or their respective representatives or employees, as a result of reporting or providing any statement or information required by or provided pursuant to this section or any information relating to any statement that may be requested in writing by the commissioner, from an insurer or insurance producer; or a statement by a terminating insurer or insurance producer to an insurer or insurance producer limited solely and exclusively to whether a termination for cause under subsection (1) was reported to the commissioner, provided that the propriety of any termination for cause under subsection (1) is certified in writing by an officer or authorized representative of the insurer or insurance producer terminating the relationship. In any action brought against a person that may have immunity under this subsection for making any statement required by this section or providing any information relating to any statement that may be requested by the commissioner, the party bringing the action shall plead specifically in any allegation that the

immunity permitted under this subsection does not apply because the person making the statement or providing the information did so with actual malice. This subsection does not abrogate or modify any existing statutory or common law privileges or immunities.

500.1209 Termination of insurance producer's authority to represent insurer; responsibility and authority of insurance producer following notice of termination; exceptions; condition of insurer's authority to transact business in state; construction of subsection (2); "automobile insurance" and "home insurance" defined.

Sec. 1209. (1) If an insurance producer's authority to represent an insurer is terminated, the responsibility of an insurance producer having property rights in the renewal shall continue until the existing policies of insurance are canceled, replaced, or have expired. The insurance producer's authority during the period following notice of termination shall be governed by the written agreement between the insurance producer and the insurer. An insurer shall not cancel or refuse to renew the policy of an insured because of the termination of an insurance producer's contract. If the written agreement does not cover the insurance producer's authority during this period, the insurance producer may continue to represent the insurer in servicing existing policies, but the insurance producer shall not bind a new risk, renew a policy, nor increase the obligation of the insurer under the policy without the approval of the insurer. This subsection does not apply to a life insurer, an insurance producer of a life insurer, an insurance producer who is an employee of an insurer, or to an insurance producer who by contractual agreement represents only 1 insurer or group of affiliated insurers, if the property rights in the renewal are owned by the insurer or group of affiliated insurers and the alteration of the insurance producer's contract does not result in the cancellation or nonrenewal of any insurance policy.

(2) As a condition of maintaining its authority to transact insurance in this state, an insurer transacting automobile insurance or home insurance in this state shall not cancel an insurance producer's contract or otherwise terminate an insurance producer's authority to represent the insurer with respect to automobile insurance or home insurance, except for 1 or more of the following reasons:

(a) Malfeasance.

(b) Breach of fiduciary duty or trust.

(c) A violation of this act.

(d) Failure to perform as provided by the contract between the parties.

(e) Submission of less than 25 applications for home insurance and automobile insurance within the immediately preceding 12-month period.

(3) Subsection (2) shall not be construed as permitting a termination of an insurance producer's authority based primarily upon any of the following:

(a) The geographic location of the insurance producer's home insurance or automobile insurance business.

(b) The actual or expected loss experience of the insurance producer's automobile or home insurance business, related in whole or in part to the geographical location of that business.

(c) The performance of the insurance producer's obligations under chapter 21.

(4) Subsection (2) and the written notice requirement under section 1208b(4) do not apply with respect to an insurance producer who is an employee of an insurer or to an insurance producer who by contractual agreement represents only 1 insurer or group of affiliated insurers, if the property rights in the renewal are owned by the insurer or group of affiliated insurers and the cancellation or termination of the insurance producer's contract does not result in the cancellation or nonrenewal of any home or automobile insurance policy.

(5) As used in this section, "automobile insurance" and "home insurance" mean those terms as defined in chapter 21.

(2) Within a reasonable time after receipt of a properly completed application and notice of appointment forms, the commissioner shall subject the applicant to a written examination. A certificate of completion of the registered program of study shall be filed with the commissioner on a form prescribed by the commissioner and shall indicate that the course of study was completed by the applicant not more than 6 months before the application is received by the commissioner. (5) An applicant may act on behalf of the applicant's sponsoring insurance producer after receipt of a license from the commissioner.

(6) The license shall set forth the name of the solicitor and the lines of insurance permitted by the license. A person who is licensed to act as a solicitor for casualty insurance is permitted to act as a solicitor for legal expense insurance without obtaining additional authorization or licensure from the commissioner.

(7) The license shall continue in effect until suspended or revoked by the commissioner or voluntarily surrendered by the licensee. If a lender acquires ownership in or becomes affiliated with an agency with an existing license under this act, an application for a new license is not required. The commissioner may issue an insurance agency or agent license directly to a lender or an employee of the lender who is not an employee of an affiliated agency if the commissioner determines that the lender or employee has met the prerequisites for licensure and will conduct the sale of insurance in substantial compliance with this section.

(3) This section applies to all of the following:

(a) A lender that has been affiliated with a licensed agency or has employed a licensed agent before March 30, 1995 and that affiliation or employment continues or is renewed on and after March 30, 1995.

(6) Applications for insurance agency or agent licenses under this act shall be promptly reviewed by the commissioner. (7) Interrogatories propounded by the commissioner regarding the proposed business conduct between a lender and an affiliated insurance agency shall be limited to questions pertaining to compliance with this section.

(8) There is no limit on the percentage of insurance business sold to customers of a lender through an insurance agency affiliated with the lender or agent employed by the lender if sold in compliance with this act.

(9) A lender shall not do either of the following:

(a) Require a borrower to purchase any policy or contract of insurance through a particular agency or agent or with a particular insurer or fix or vary the terms or conditions of a loan as an inducement to purchase insurance. This subdivision does not prohibit a lender from requiring a borrower to purchase a required insurance policy that conforms to the requirements, if any, of the loan.

(b) Except as otherwise provided by law, require a person to purchase any insurance product from the lender or an affiliate as a condition of making a loan.

(10) The board of directors of an insurance agency affiliated with a lender shall act separately from the board of directors of the lender. A director of a lender may also serve as a director of an affiliated agency, except that a majority of directors of the affiliated agency shall not be directors of the lender. This subsection does not apply to a lender that is also the licensed agency.

(11) An officer or employee of a lender may be an officer or employee of an affiliated agency. However, except as otherwise provided by this section, for purposes of soliciting or selling insurance products, such officer or employee shall not use or disclose information that the lender may not disclose to the affiliated agency.

(12) An officer or employee of a lender shall not directly or indirectly delay or impede the completion of a loan transaction for the purpose of influencing a consumer's selection or purchase of insurance products from an agent, solicitor, agency, or insurer that is not affiliated with the lender.

(13) A loan representative may not act as an agent or solicitor for the sale or provision of required insurance related to an application, approval, commitment, or closing of a loan if the loan representative participated in the application, approval, commitment, or closing of that loan.

(14) A lender or its employees shall not knowingly initiate a discussion concerning the availability of insurance products from the lender or an affiliated agency to or with a person in response to an inquiry about credit made by the person or to a loan applicant prior to the loan applicant being notified of the disposition of a loan application. This subsection does not prohibit a lender or its employees from discussing with the person making the inquiry or loan applicant that certain required insurance must be maintained as a condition of obtaining a loan.

(15) If asked about the availability of insurance products by a person inquiring about a loan or a loan applicant, the lender may indicate that insurance products are available from the lender or an affiliated agency and may provide instruction about how to obtain further information concerning the agency or agent and available insurance products.

(16) If insurance is required as a condition of obtaining a loan, and if the required insurance is available through the lender or an affiliate of the lender, the lender shall disclose to the applicant all of the following:

(a) That the lender will not require the borrower to purchase any policy or contract of insurance through a particular agent, agency, or with a particular insurer.

(b) Except as otherwise provided by law, that the lender will not require the borrower to purchase any insurance product from the lender or an affiliate as a condition of the loan.

(c) That the purchase of any insurance product from the lender or its affiliated agency is optional and will not in any way affect current or future credit decisions.

(17) The disclosure required by subsection (16) shall be made to a loan applicant at the time the loan applicant inquires about the availability of required insurance or at such time as the lender advises the loan applicant that the required insurance is available through the lender or an affiliate of the lender, whichever is earlier. The disclosure shall be confirmed in writing, dated, and signed by the applicant no later than the closing of the loan.

(18) If insurance is required as a condition of obtaining a loan, the credit and insurance transactions shall be completed independently and through separate documents. A loan for premiums on required insurance shall not be included in the primary credit without the written consent of the customer.

(19) The offering of a loan by a lender and the sale or provision of insurance products by the lender or an affiliated agency shall be made in different areas that are clearly and conspicuously signed and separated so as to preclude confusion on the part of customers. However, in the limited situation where physical or employee considerations prevent lending and the sale of insurance products from being conducted in different areas, the lender shall take appropriate measures to minimize customer confusion. In unique circumstances to accommodate the needs of or for the convenience of particular customers, this subsection does not prohibit on an irregular basis, taking applications for loans, extensions of loans, and the sale of insurance products at the same location.

(20) Signs and other informational material concerning the availability of insurance products from the lender or an affiliated agency shall not be displayed in an area when loan applications are being taken and when loans are being closed in that area.

(21) A lender, its employees, or its representatives may advise the general public and its customers, through mailings or otherwise, that insurance products are available from the lender or affiliated agency and may advise the general public and its customers how to obtain more information about those insurance products, so long as:

(a) The information is not provided because of a submission of any loan application until after the loan applicant has been notified of the disposition of the application, or in response to any inquiry about the availability, terms, and conditions of any loan.

(b) The timing of the communications is not based on the maturity or expiration date of a policy of required insurance or an insurance policy in the lender's possession.

(c) No information concerning customers that is prohibited for use in the solicitation or sale of insurance products under subsections (23) and (25) is used to determine which customers should receive the information.

(22) A lender may provide the names, addresses, telephone numbers, and information related to account relationships with customers to an affiliated agency or an agent employed by the lender so long as the lender does not disclose account balances or maturity dates of certificates of deposit and does not disclose account relationships to an affiliated agency or an agent employed by the lender in a manner that account balances or maturity dates of certificates of deposit may be determined by the agency or agent. This section does not prohibit disclosure of minimum required balances, terms, or conditions of an account.

(23) A lender shall not directly or indirectly provide to an affiliated agency or an agent employed by the lender the following information if obtained from an insurance policy or preauthorized payment agreement that is in the possession of the lender:

(a) The expiration date of the insurance policy.

(b) The name of the insurance company that issued the policy.

(c) The amount of the premium.

(d) Scheduled coverages and policy limits contained in the policy.

(e) Any deductibles contained in the policy.

(f) Any information contained on the declaration sheet of the policy.

(g) Cash or surrender values.

(24) A lender may disclose to an affiliated agency or an agent employed by the lender information obtained from a policy of required insurance that the borrower has failed to keep in force, if the information is necessary to obtain the required insurance through the affiliated agency, employee, or elsewhere. If a customer has failed to keep required insurance in force, this section does not prohibit a lender from obtaining the required insurance in accordance with the terms of the loan or from obtaining insurance limited to repayment of the outstanding balance due in the event of loss or damage to property used as collateral on the loan.

(25) A lender shall not directly or indirectly provide to an affiliated agency or agent employed by the lender the following customer documents or information:

(a) Loan applications, except that a lender may provide to an affiliated agency or agent employed by the lender the name, address, telephone number, and account relationship concerning a loan applicant after the applicant has been notified of the disposition of the application.

(i) Appraisals.

(j) Personal guarantees and related information.

(k) Insurance policy, certificate, or binder.

(26) This section does not require the lender to remove the name, address, or other information concerning the customer from the customer list if information concerning a customer of a lender is on a customer list by reason of other account relationships with the lender and the lender is otherwise authorized to disclose the list to an affiliate agency or an agent employed by the lender.

(27) This section does not prohibit a lender from providing information about the customers of the lender to an affiliated agency or an agent employed by the lender if that information is otherwise available from a public record.

(28) This section does not prohibit a lender from releasing customer information in its possession to any person if the customer authorizes the release of that information. The release shall be in writing, dated, and signed by the customer. A lender shall not knowingly ask a loan applicant to release such information prior to the applicant being notified of the disposition of the application unless the applicant has asked about the availability of insurance products as provided under subsection (15). A lender shall not require the release as a condition of applying for the loan.

(29) The use or disclosure of information allowed under this section is not a violation of the use or disclosure of information under section 2077.

(30) Except as provided in subsection (31), an insurance agency or agent shall not reward or remunerate an affiliated lender for procuring or inducing insurance product business for the agency or agent or for furnishing leads and prospects or acting in any other manner as an agent. This subsection does not preclude an affiliated agency from compensating its employees, who may also be employees of the lender, or reimbursing its affiliated lender at fair market value for any goods, services, or facilities that the lender may provide to the agency or for expense incurred by the lender in advising its customers and the general public of the agency's services.

(31) An insurance agency may pay dividends and make other distributions of assets to the agency's shareholders, including an affiliated lender, as a return on the capital invested and risks assumed by the shareholders or in conjunction with a merger, liquidation, or other corporate transaction.

(35) This section does not apply to the offering of life insurance by a lender under section 4418.

(36) Notwithstanding section 4418, payment by an insurer of consideration to an agency or agent licensed under this act for an individual policy of insurance on the life of the borrower issued in connection with a loan on a dwelling or mobile home made or serviced by an affiliated lender is not considered a monetary or financial benefit to the lender as a result of the insurance.

(37) If after an opportunity for a hearing pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the commissioner finds that a person has violated this section, the commissioner shall reduce the findings and decision to writing and serve upon the person charged with the violation a copy of the decision and an order requiring the person to cease and desist from the violation. (b) Agreeing to obtain and provide proof of coverage that meets the destination jurisdiction's requirements before departure.

Sec. 1315. (1) The director shall approve a merger or other acquisition of control described in section 1311 of a domestic insurer unless the director determines from information furnished to the director on the merger or other acquisition of control 1 or more of the following:

(a) After the change of control, the domestic insurer described in section 1311 would not be able to satisfy the requirements for the issuance of a certificate of authority to write the types of insurance for which it is presently authorized.

(b) The merger or other acquisition of control would substantially lessen competition in insurance in this state or tend to create a monopoly in this state.

(c) The financial condition of an acquiring party might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of a remaining securityholder who is unaffiliated with the acquiring party.

(d) The terms of the offer, request, invitation, agreement, or acquisition described in section 1311 are unfair and unreasonable to the insurer's policyholders or securityholders.

(g) The acquisition is likely to be hazardous or prejudicial to the insurance-buying public.

(2) The director may hold a public hearing to receive evidence and to hear parties affected by the merger or acquisition. A hearing under this subsection must be held within 30 days after the filing of a statement under section 1311. The director may opt out of a consolidated hearing and shall provide notice to the person who filed the statement under section 1311 of the opt-out within 10 days after the receipt of the statement required by section 1311. A hearing conducted on a consolidated basis must be held within the United States before the commissioners of

(3) In connection with a change of control of a domestic insurer, a determination by the director that the person acquiring control of the insurer shall be required to maintain or restore the capital of the insurer to the level required by this act shall be made not later than 60 days after the date of notification of the change of control submitted under section 1311.

(4) A person aggrieved by the director's order under this section is entitled to a contested case hearing before the director under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. Sec. 1325a. (1) Except as otherwise provided in subsection (2), the ultimate controlling person of an insurer subject to registration under section 1324 shall file an annual enterprise risk report with the director or a jurisdiction designated by the director. The report must be appropriate to the nature, scale, and complexity of the operations of the insurance holding company system and must, to the best of the ultimate controlling person's knowledge and belief, identify the material risks within the insurance holding company system that

could pose enterprise risk to the insurer. The ultimate controlling person of an insurer subject to registration under section 1324 may request an exemption from this section. The ultimate controlling person of the insurer shall file with the director a written statement discussing the reasons why the ultimate controlling person of the insurer should be exempt. The director may grant the exemption if after review of the statement the director finds that compliance with this section would create an undue financial or organizational hardship on the ultimate controlling person.

(2) The ultimate controlling person of an insurance holding company system subject to registration under section 1324 that meets the requirements of this subsection before December 23, 2015 is not required to file an annual enterprise risk report under subsection (1) if all of the following requirements are met:

Sec. 1325b. (1) Except as otherwise provided in this section, the ultimate controlling person of an insurer subject to registration under section 1324 shall concurrently file with the registration an annual group capital calculation as directed by the lead state commissioner.

(a) An insurance holding company system that meets all of the following requirements:

(*ii*) Writes only business.

(*iii*) Is licensed only in its domestic state.

(*iv*) Does not assume business from any other insurer.

(b) An insurance holding company system that is required to perform a group capital calculation specified by the Federal Reserve Board, if the lead state commissioner requests the calculation from the Federal Reserve Board under the terms of any information sharing agreement in effect and the Federal Reserve Board shares the calculation with the lead state commissioner.

(c) Except as otherwise provided in subsection (4), an insurance holding company system whose non-United States group-wide supervisor is located within a reciprocal jurisdiction, as described in section 1103, that recognizes the United States state's regulatory approach to group supervision and group capital.

(d) Except as otherwise provided in subsection (4), an insurance holding company system that meets both of the following requirements:

(*i*) The system provides information to the lead state that meets the requirements for accreditation under the NAIC financial standards and accreditation program, either directly or indirectly, through the group-wide supervisor who has determined that the information is satisfactory to allow the lead state to comply with the NAIC group supervision approach, as detailed in the NAIC Financial Analysis Handbook.

(*ii*) The system's non-United States group-wide supervisor is not in a reciprocal jurisdiction, as described in section 1103, and recognizes and accepts, as specified by the director, the group capital calculation as the world-wide group capital assessment for United States insurance groups that operate in that jurisdiction.

(4) The lead state commissioner shall require the group capital calculation for United States operations of any non-United States based insurance holding company system if, after any necessary consultation with other supervisors or officials, it is considered appropriate by the lead state commissioner for prudential oversight and solvency monitoring purposes or for ensuring the competitiveness of the insurance marketplace.

(5) The lead state commissioner may exempt the ultimate controlling person from filing the annual group capital calculation or accept a limited group capital filing or report in accordance with criteria specified by the director.

(6) If the lead state commissioner determines that an insurance holding company system no longer qualifies as 1 or more of the systems exempted under subsection (3), the insurance holding company system must file the group capital calculation at the next annual filing date unless given an extension by the lead state commissioner based on reasonable grounds shown.

(7) As used in this section, "group capital calculation instructions" means the group calculation instructions that are adopted by the NAIC and amended by the NAIC from time to time in accordance with the procedures adopted by the NAIC.

(2) A change to the NAIC liquidity stress test framework or to the data year for which the scope criteria are to be measured must be effective on January 1 of the year following the calendar year when the change is adopted by NAIC.

(3) An insurer that meets at least 1 threshold of the scope criteria is considered scoped into the NAIC liquidity stress test framework for the specified data year, unless the lead state commissioner, in consultation with the NAIC financial stability task force or its successor, determines that the insurer should not be scoped into the framework for the specified data year.

(4) An insurer that does not meet at least 1 threshold of the scope criteria is considered scoped out of the NAIC liquidity stress test framework for the specified data year, unless the lead state commissioner, in consultation with the NAIC financial stability task force or its successor, determines the insurer should be scoped into the NAIC liquidity stress test framework for the specified data year.

(5) As part of a determination made under subsection (3) or (4), the lead state commissioner, in consultation with the NAIC financial stability task force or its successor, shall consider that regulators wish to avoid having insurers scoped in and out of the NAIC liquidity stress test framework on a frequent basis.

(6) The performance of, and filing of the results from, a specified year's liquidity stress test must comply with the NAIC liquidity stress test framework's instructions and reporting templates for that year and any lead state commissioner determination, in conjunction with the NAIC financial stability task force or its successor, provided within the NAIC liquidity stress test framework.

(a) A sale, purchase, exchange, loan, extension of credit, or investment, if the transaction is equal to or greater than the lesser of 3% of the insurer's assets or 25% of capital and surplus as of December 31 of the immediately preceding year.

(b) A loan or extension of credit to a person who is not an affiliate, if the insurer makes the loan or extends the credit with the agreement or understanding that the proceeds of the transaction, in whole or in substantial part, will be used to make a loan or extend credit to, to purchase an asset of, or to invest in, an affiliate of the insurer making the loan or extending credit if the transaction is equal to or greater than the lesser of 3% of the insurer's assets or 25% of capital and surplus as of December 31 of the immediately preceding year.

(c) A guarantee that is quantifiable and exceeds the lesser of 0.5% of the insurer's admitted assets or 10% of surplus as of December 31 of the immediately preceding year. A guarantee that is not quantifiable under this subdivision is subject to prior approval of the director.

(d) A direct or indirect acquisition of, or investment in, a person that controls the insurer or that controls an affiliate of the insurer, if the amount of the transaction plus the insurer's present holdings in investment exceeds 2.5% of surplus. This subdivision does not apply to a direct or indirect acquisition of, or investments in, a subsidiary acquired under section 1305 or any other section of this chapter, or a nonsubsidiary insurance affiliate that is subject to this act.

(e) A reinsurance treaty or agreement.

(f) Rendering of services on a regular systematic basis.

(g) A tax allocation agreement.

(h) A cost-sharing agreement.

(i) A material transaction, specified by regulation, that the director determines may adversely affect the interests of the insurer's policyholders.

(4) An insurer shall informally notify the director of a termination of transaction under subsection (3) no later than 30 days after the transaction terminates.

(5) Subsection (3) does not authorize or permit a transaction that, for an insurer that is not a member of the same holding company system, would be otherwise contrary to law.

(6) A domestic insurer shall not enter into transactions that are part of a plan or series of like transactions with persons within the holding company system if the purpose of those separate transactions is to avoid the threshold amount under this chapter and thus avoid the review that would otherwise occur. If the director determines that the separate transactions were entered into over any relevant period for that purpose, he or she may exercise his or her authority under section 1371.

(7) In reviewing a transaction under subsection (2), the director shall consider whether the transaction

complies with the standards described in subsection (1) and whether it may otherwise adversely affect the interests of policyholders, creditors, or the public.

(8) A domestic insurer shall notify the director within 30 days of the domestic insurer's investment in any 1 corporation if the insurance holding company system's total investment in the corporation exceeds 10% of the corporation's voting securities.

500.1341a Domestic insurer investments; limitations.

Sec. 1341a. (1) In addition to investments in common stock, preferred stock, debt obligations, and other securities permitted under this chapter, and except as otherwise provided in this section, a domestic insurer may invest in common stock, preferred stock, debt obligations, and other securities of 1 or more subsidiaries, amounts that do not exceed the lesser of 10% of the insurer's assets or 50% of the insurer's surplus with regard to policyholders, if after the investments, the insurer's surplus with regard to policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to meet its financial needs.

(2) In calculating the amount described in subsection (1), any investment in domestic or foreign insurance subsidiaries, licensed third-party administrators, and domestic health maintenance organizations must be excluded from the calculation and both of the following must be included in the calculation:

(a) Total net monies or other consideration expended and obligations assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of the subsidiary whether or not represented by the purchase of capital stock or issuance of other securities.

(b) All amounts expended in acquiring additional common stock, preferred stock, debt obligations, and other securities, and all contributions to the capital or surplus of a subsidiary subsequent to its acquisition or formation.

(3) With the approval of the director, an insurer may invest a greater amount than prescribed by subsection (1) in common stock, preferred stock, debt obligations, or other securities of 1 or more subsidiaries, if after the investment the insurer's surplus with regard to policyholders will be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(4) All existing investments held on or before the effective date of the amendatory act that added this section comply with this section and do not count toward the limits prescribed by subsection (1) if held by an insurer that writes only premium in this state or that is a nonprofit insurer statutorily prohibited from converting to a mutual holding company under chapter 60. Any additional amounts expended in the investments are subject to the requirements of this section except for any additional amounts expended by or in existing investments held by any nonprofit insurer that is statutorily prohibited from converting to a mutual holding company under chapter 60. An investment in new subsidiaries after the effective date of the amendatory act that added this section by a nonprofit insurer statutorily prohibited from converting to a mutual holding company that exceeds the thresholds prescribed by subsection (1) is subject to the approval of the director.

500.1343 Ordinary shareholder dividends paid by domestic insurers; review by director; determination of reasonableness; factors; limiting or disallowing payment of shareholder dividends; declaration or payment from earned surplus; declaration of shareholder dividend by domestic insurer as member of insurance holding company system; extraordinary dividend or distribution to shareholders; hearing.

Sec. 1343. (1) Each year the director shall review the ordinary shareholder dividends paid by domestic insurers to determine whether each insurer's surplus following those dividends is reasonable in relation to the insurer's outstanding liabilities and adequate to its needs so that it continues to comply with section 403. In conducting the review and making the determination, the director shall consider all of the following factors in

addition to factors listed in section 436a:

(a) The adequacy of the level of surplus as regards policyholders remaining after the dividend payment or payments.

(b) The quality of the insurer's earnings and the extent to which the reported earnings include extraordinary items, such as surplus relief reinsurance transactions and reserve destrengthening.

(c) The quality and liquidity of investments in subsidiaries. The director may discount any of those investments or refuse to consider the investment as an asset for purposes of determining the adequacy of surplus as regards policyholders if the investment so warrants.

(2) If the director determines that an insurer's surplus as regards policyholders is not reasonable in relation to the insurer's outstanding liabilities and is not adequate to its financial needs so that the insurer will not continue to comply with section 403, the director shall limit or disallow the payment of shareholder dividends.

(3) Shareholder dividends shall be declared or paid only from earned surplus, unless the director approves the dividend before payment. The director shall consider whether the dividend will be paid from the insurer's net gain from operations if the insurer is a life insurer, or the insurer's net income if the insurer is not a life insurer, for the 12-month period ending December 31 of the immediately preceding year. For purposes of this subsection, earned surplus excludes surplus arising from unrealized capital gains or a revaluation of assets.

(4) A domestic insurer that is a member of an insurance holding company system and declares a shareholder dividend shall report the dividend to the director within 5 business days after declaring the dividend. The insurer shall not pay the dividend until 10 days after the director receives a report under this subsection.

(5) An insurer subject to registration under section 1324 shall not pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until 30 days after the director has received notice of the declaration and has not disapproved or has approved the payment within that period. If the director, applying the criteria in subsection (1), determines that the insurer's surplus as regards policyholders is not reasonable in relation to the insurer's outstanding liabilities and is not adequate to its financial needs so that the insurer will not continue to comply with section 403, the director may, before the expiration of the 30-day period described in this subsection, enter an order prohibiting the payment of the dividend.

(6) An extraordinary dividend or distribution includes a dividend or distribution of cash or other property, whose fair market value plus the fair market value of other dividends or distributions made within the preceding 12 months exceeds the greater of 10% of the insurer's surplus as regards policyholders as of December 31 of the immediately preceding year, or the net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month period ending December 31 of the immediately preceding year, but shall not include pro rata distributions of any class of the insurer's own securities.

(7) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution that is conditional on the director's approval. The declaration does not confer rights on shareholders until the director has approved or has not disapproved the payment of the dividend or distribution within the 30-day period described in subsection (5).

(8) Notwithstanding subsections (5) through (7), a dividend shall not be declared and paid by an insurer to an affiliate if after the payment the insurer could not satisfy the standards described in section 403.

(9) An insurer aggrieved by the director's determination or order under this section is entitled to a contested case hearing under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. A hearing under this subsection must be held no later than 10 days after receipt of the insurer's request. The director's determination or order shall remain in effect except as modified by the director during the pendency of the hearing and until a final decision by the director. The director shall render a final decision within 30 days after the conclusion of the hearing.

500.1351 Examination of insurer or affiliates; information; experts; expenses.

Sec. 1351. (1) Subject to the limitation in this section and in addition to the powers that the director has under chapters 2 and 4 relating to the examination of insurers, the director may order an insurer registered under section 1324 to produce records, books, or other information papers in the possession of the insurer or its affiliates as are necessary to determine the insurer's financial condition, including enterprise risk to the insurer by the ultimate controlling party, or by combination of entities within the insurance holding company system, or by the insurance holding company system on a consolidated basis, or legality of conduct. If the insurer fails to comply with the order, the director may examine the affiliates to obtain the information. The director may order an insurer registered under section 1324 to produce information not in the possession of the insurer if the insurer can obtain access to the information under a contractual relationship, statutory obligation, or other method. If the insurer cannot obtain the information requested by the director, the insurer shall provide the director with a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of information. If the director determines the detailed explanation is without merit, the director may require, after notice and hearing, the insurer to pay a civil fine of $1,000.00 for each day's delay or may suspend or revoke the insurer's license.

(2) The director may retain at the registered insurer's expense attorneys, actuaries, accountants, and other experts not otherwise a part of the director's staff as are reasonably necessary to assist in the conduct of the examination under subsection (1). The expense of the attorneys, actuaries, accountants, and other experts shall be certified by the director and paid as provided in sections 216 and 224. The person retained is under the direction and control of the director and shall act in a purely advisory capacity.

(3) Each registered insurer producing for examination records, books, and papers under subsection (1) is liable for and shall pay the expense of the examination under sections 216 and 224.

(4) Except as otherwise provided in subsections (2) and (5), the director may, after giving the insurer and its affiliates that would be affected by the disclosure notice and opportunity to be heard, disclose all or part of any document, material, or information described in subsection (1) if the director determines that the interests of policyholders, shareholders, or the public will be served by the publication of the document, material, or information.

(5) The director shall not disclose any of the following information:

(a) All of the following information reported and provided to the department under section 1325b:

(*i*) The group capital calculation.

(*ii*) The group capital ratio produced within the group capital calculation.

(*iii*) Any group capital information received from an insurance holding company supervised by the Federal Reserve Board or any United States group-wide supervisor.

(7) Except as otherwise provided in subsection (8), the director may share documents, materials, or other information, including documents, materials, and information that are confidential, privileged, proprietary, and constitute trade secrets under subsection (1), with any of the following entities if the entity agrees in writing to maintain the confidentiality and privileged status of the document, material, or information and has verified in writing the legal authority to maintain the confidentiality:

(a) A state, federal, or international regulatory agency.

(b) The NAIC.

(c) A third-party consultant designated by the director.

(d) A state, federal, or international law enforcement authority, including a member of a supervisory college under section 1357.

(8) The director may only share confidential and privileged documents, material, or information that are reported under section 1325a with commissioners of states having statutes or regulations substantially similar to subsections (1) to (5) and who have agreed in writing to not disclose the documents, materials, or information.

(9) The director may receive documents, materials, or information, including documents, materials, or information that are confidential, privileged, or proprietary or that constitute trade secrets under subsection (1), from the NAIC and its affiliates and subsidiaries and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any document, material, or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the document, material, or information.

(10) The disclosure of documents, materials, or other information to the director or another person under this section or the sharing of documents, materials, or other information under this section is not a waiver of an applicable privilege or claim of confidentiality.

(11) Documents, materials, or other information in the possession or control of the NAIC or a third-party consultant designated by the director under this chapter are confidential and privileged, are not subject to the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, are not subject to subpoena, and are not subject to discovery or admissible as evidence in a private civil or administrative action.

(12) The director shall enter into written agreements with the NAIC and any third-party consultant designated by the director governing sharing and use of information provided under this chapter. The written agreement must meet all of the following requirements:

(a) Specify procedures and protocols regarding the confidentiality and security of information shared with the NAIC or a third-party consultant designated by the director under this chapter, including procedures and protocols for sharing by the NAIC with other state, federal, or international regulators. The procedures and protocols must require the recipient of the shared documents, materials, or information to agree in writing to maintain the confidentiality and privileged status of the documents, materials, and information and verify in writing the legal authority to maintain the confidentiality.

(b) Specify that the director owns the information shared with the NAIC or a third-party consultant designated by the director under this chapter and that the NAIC's or the third-party consultant's use of the information is subject to the direction of the director.

(c) Prohibit the NAIC or a third-party consultant designated by the director from storing information shared under this chapter in a permanent database after the underlying analysis is completed. This subdivision does not apply to documents, materials, or other information reported under 1325c.

(d) Require prompt notice to be given to an insurer whose confidential information in possession of the NAIC or a third-party consultant designated by the director under this chapter is subject to a request or subpoena to the NAIC or a third-party consultant designated by the director for disclosure or production.

(e) Require the NAIC or a third-party consultant designated by the director to consent to intervention by an insurer in a judicial or administrative action in which the NAIC or the third-party consultant designated by the director may be required to disclose confidential information about the insurer shared under this chapter with the NAIC or third-party consultant designated by the director.

(13) In addition to any requirement for an agreement set forth in subsection (12), if a third-party consultant designated by the director is a party to the agreement, with regard to documents, materials, or information reported under section 1325c, the agreement must provide for notification of the identity of the third-party consultant to the applicable insurer.

(14) The group capital calculation and resulting group capital ratio required under section 1325b and the NAIC liquidity stress test and its results and supporting disclosures required under section 1325c are regulatory tools for assessing group risk and capital adequacy and group liquidity risks, respectively, and are not intended as a means to rank insurers or insurance holding company systems.

(15) Except as otherwise provided under this chapter, a person shall not, directly or indirectly, make, publish, disseminate, circulate, or place before the public, in a newspaper, magazine, or other publication, in the form of a notice, circular, pamphlet, letter, or poster, over any radio or television station, by any electronic means of communication available to the public, or in any other way as an advertisement, announcement, or statement containing a representation or statement with regard to the group capital calculation or group capital ratio under section 1325b, or the liquidity stress test results or supporting disclosures for the liquidity stress tests under section 1325c, of any insurer or any insurer group, or of any component derived in the calculation by any insurer group, or of any component derived in the calculation by any insurer, broker, or other person engaged in any manner in the insurance business, that would be misleading.

Sec. 1357. (1) The director may participate in a supervisory college for a domestic insurer that is part of an insurance holding company system with international operations to determine the insurer's financial condition, business strategy, risk management, risk exposures, governance processes, regulatory position, or legality of conduct. The director may participate in a supervisory college with other regulators including state, federal, and international regulatory agencies, charged with the supervision of the insurer or its affiliates. The authority of the director under this section includes, but is not limited to, initiating a supervisory college, clarifying membership and participation of other supervisors in the supervisory college, clarifying the functions of the supervisory college and roles of other regulators including establishing a groupwide supervisor, coordinating ongoing activities of the supervisory college, and establishing a crisis management plan.

(2) The insurer is liable for and shall pay the reasonable expenses for the director to participate in the supervisory college, including reasonable travel expenses, if the director considers it appropriate to require the insurer to pay these costs.

(3) The director may enter into agreements under section 1355 providing the basis for cooperation and sharing of confidential information with state, federal, and international regulatory agencies that regulate the domestic insurer or affiliates within the insurance holding company system. This section does not delegate to the supervisory college the authority of the director to regulate or supervise the domestic insurer or its affiliates within its jurisdiction.

500.1359 Internationally active insurance group; group-wide supervisor; determination factors; duties.

Sec. 1359. (1) The director may act as the group-wide supervisor for any internationally active insurance group in accordance with this section. However, the director may otherwise acknowledge another regulatory

official as the group-wide supervisor if any of the following apply to the internationally active insurance group:

(a) The internationally active insurance group does not have substantial insurance operations in the United States.

(b) The internationally active insurance group has substantial insurance operations in the United States, but not in this state.

(c) The internationally active insurance group has substantial insurance operations in the United States and this state, but the director has determined under the factors set forth in subsections (3), (4), and (8) that the other regulatory official is the appropriate group-wide supervisor.

(2) An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the director make a determination or acknowledgement as to a group-wide supervisor under this section.

(3) Subject to subsection (4), in cooperation with other state, federal, and international regulatory agencies, the director shall identify a single group-wide supervisor for an internationally active insurance group. The director may determine that the director is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this state. However, the director may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group. The director shall consider all of the following factors when making a determination or acknowledgement under this subsection:

(a) The place of domicile of the insurers within the internationally active insurance group that hold the largest share of the group's written premiums, assets, or liabilities.

(b) The place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group.

(c) The location of the executive offices or largest operational offices of the internationally active insurance group.

(d) Whether another regulatory official is acting or is seeking to act as the group-wide supervisor under a regulatory system that the director determines to be either of the following:

(*i*) Substantially similar to the system of regulation provided under the laws of this state.

(*ii*) Otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials.

(e) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the director with reasonably reciprocal recognition and cooperation.

(4) A commissioner identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another supervisor to serve as the group-wide supervisor. The acknowledgement of the group-wide supervisor must be made in consideration of the factors under subsection (3), and must be made in cooperation with and subject to the acknowledgement of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

(5) Notwithstanding any other provision of law, if another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the director shall acknowledge that regulatory official as the group-wide supervisor. However, the director shall make a determination or acknowledgement as to the appropriate group-wide supervisor for the internationally active insurance group under subsection (3) in the event of a material change in the internationally active insurance group that results in either of the following:

(a) The internationally active insurance group's insurers domiciled in this state holding the largest share of the group's premiums, assets, or liabilities.

(b) This state being the place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group.

(6) Pursuant to section 1351, the director may collect from an insurer registered under section 1324 all information necessary to determine whether the director may act as the group-wide supervisor of an internationally active insurance group or if the director may acknowledge another regulatory official to act as the group-wide supervisor. Before issuing a determination that an internationally active insurance group is subject to group-wide supervision by the director, the director shall notify the insurer registered under section 1324 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group has at least 30 days to provide the director with additional information pertinent to the pending determination. The director shall publish on its website the identity of internationally active insurance groups that the director has determined are subject to group-wide supervision by the director.

(7) If the director is the group-wide supervisor for the internationally active insurance group, the director may engage in any of the following group-wide supervision activities:

(a) Assess the enterprise risks within the internationally active insurance group to ensure both of the following:

(*i*) That the material financial condition and liquidity risk to the members of the internationally active insurance group that are engaged in the business of insurance are identified by management.

(*ii*) That reasonable and effective mitigation measures are in place.

(b) Request, from any member of the internationally active insurance group subject to the director's supervision, information necessary and appropriate to assess enterprise risk, including, but not limited to, information about the members of the internationally active insurance group regarding any of the following:

(*i*) Governance, risk assessment, and management.

(*ii*) Capital adequacy.

(*iii*) Material intercompany transactions.

(c) Coordinate and, through the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of the internationally active insurance group that are engaged in the business of insurance.

(d) Communicate with other state, federal, and international regulatory agencies for members within the internationally active insurance group and share relevant information, subject to the confidentiality provisions of section 1355, through supervisory colleges as provided in section 1357 or otherwise.

(e) Enter into agreements with or obtain documentation from any insurer registered under section 1324, any member of the internationally active insurance group, and any other state, federal, and international regulatory agencies for members of the internationally active insurance group, providing the basis for or otherwise clarifying the director's role as group-wide supervisor, including provisions for resolving disputes with the other regulatory officials. The agreements or documentation described in this subdivision must not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this state is doing business in this state or is otherwise subject to jurisdiction in this state.

(f) Other group-wide supervision activities, consistent with the authorities and purposes provided in this subsection, as considered necessary by the director.

(8) If the director acknowledges that another regulatory official from a jurisdiction that is not accredited by the NAIC is the group-wide supervisor, the director may reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision undertaken by the group-wide supervisor if both of the following apply:

(a) The director's cooperation is in compliance with the laws of this state.

(b) The regulatory official acknowledged as the group-wide supervisor also recognizes and cooperates with the director's activities as a group-wide supervisor for other internationally active insurance groups where applicable. If recognition and cooperation described in this subdivision is not reasonably reciprocal, the director may refuse recognition and cooperation.

(9) The director may enter into agreements with or obtain documentation from any insurer registered under section 1324, any affiliate of the insurer, and other state, federal, and international regulatory agencies for members of the internationally active insurance group, that provide the basis for or otherwise clarify a regulatory official's role as group-wide supervisor.

(10) A registered insurer subject to this section is liable for and shall pay the reasonable expenses of the director's participation in the administration of this section, including the engagement of attorneys, actuaries, and any other professionals and all reasonable travel expenses.

500.1371 Violation of chapter; action by director; criminal proceeding; penalty; disapproval of dividends or distributions.

Sec. 1371. (1) An insurer that does not, without just cause, file a registration statement required under this chapter shall, after notice and hearing, pay a civil fine of $1,000.00 for each day's delay, up to a maximum of $50,000.00, to be recovered by the director and paid into the general fund. The director may reduce the penalty if the insurer demonstrates to the director that the civil fine would cause financial hardship to the insurer.

(2) Every director or officer of an insurance holding company system who knowingly violates, knowingly participates in or assents to, or with actual knowledge permits any of the officers or agents of the insurer to engage in material acts, omissions, or transactions or make investments that have not been properly reported or submitted under section 1324, 1341, or 1343, that, with respect to material transactions, violate this chapter, or that result in material false or misleading statements to the director with respect to the financial condition of the insurer or any of its affiliates shall pay, in their individual capacity, a civil forfeiture of not more than $10,000.00 per violation, after notice and hearing before the director. In determining the amount of the civil forfeiture, the director shall take into account the appropriateness of the forfeiture with respect to the gravity of the violation, the history of previous violations, and other matters as justice requires. In addition, a violation of this subsection is grounds for removal of a director or officer from a position of trust or responsibility in an insurer domiciled in this state in accordance with the procedures established in section 250.

(3) If it appears to the director that an insurer subject to this chapter or an insurer's director, officer, employee, or agent has engaged in a transaction or entered into a contract that is subject to section 1341 or

1344 and that would not have been approved had approval been requested, the director may order the insurer to cease and desist immediately any further activity under that transaction or contract. After notice and hearing, the director may also order the insurer to void the contract, transaction, or distribution, and restore the status quo if that action is in the best interest of the policyholders, creditors, or the public.

(4) If it appears to the director that an insurer or an insurer's director, officer, employee, or agent has committed a willful violation of this chapter, the director may institute criminal proceedings in the circuit court for the county in which the principal office of the insurer is located or, if the insurer does not have a principal office in this state, in the Ingham county circuit court against the insurer or the insurer's responsible director, officer, employee, or agent. An insurer that willfully violates this chapter may be fined not more than $50,000.00. An individual who willfully violates this chapter may be fined not more than $10,000.00 or, if the willful violation involves the deliberate perpetration of a fraud upon the director, imprisoned not more than 2 years, or both.

(5) An officer, director, or employee of an insurance holding company system who willfully and knowingly subscribes to or makes or causes to be made a false statement, false report, or false filing with the intent to deceive the director in the performance of his or her duties under this chapter, shall be imprisoned for not more than 2 years, or fined $10,000.00, or both. The officer, director, or employee shall pay a fine in his or her individual capacity.

(6) If the director determines that a person violated section 1311 and the violation prevents the full understanding of the enterprise risk of the insurer by affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under an order of supervision under chapter 81.

500.1375 Violation of chapter; receivership.

Sec. 1375. If it appears to the commissioner that a person has committed a violation of this chapter that so impairs the financial condition of a domestic insurer as to threaten insolvency or make the further transaction of business by it hazardous to its policyholders, creditors, shareholders, or the public, the commissioner may proceed as provided in chapter 81 to take possession of the property of the domestic insurer and conduct the insurer's business.

500.1377 Liquidation or rehabilitation; recovery of certain distributions or payments.

Sec. 1377. (1) If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed under the order shall have a right to recover on behalf of the insurer both of the following:

(a) From any parent corporation, holding company, or person who otherwise controls the insurer, the amount of distributions, other than distributions of shares of the same class of stock, paid by the insurer on its capital stock if made at any time during the 3 years preceding the petition for liquidation, conservation, or rehabilitation.

(b) Any payment in the form of an extraordinary bonus, termination settlement, or lump sum salary adjustment made by the insurer or its subsidiary to a director, officer, or employee if made at any time during the 3 years preceding the petition for liquidation, conservation, or rehabilitation.

(2) A distribution or payment shall not be recoverable under this section if the parent or affiliate or the director, officer, or employee shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution or payment might adversely affect the ability of the insurer to fulfill its contractual obligations. If payments were made to more than 1 director, officer, or employee, this subsection shall apply to the aggregate of those payments.

(3) A person who was a parent corporation, holding company, or a person who otherwise controlled the insurer or affiliate at the time the distribution was paid shall be liable up to the amount of distributions or payments under subsection (1) that the person received. A person who otherwise controlled the insurer at the time the distribution was declared shall be liable up to the amount of distributions he or she would have received if they had been paid immediately. If 2 or more persons are liable with respect to the same distribution, they are jointly and severally liable.

(4) The maximum amount recoverable under this section shall be the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer and to reimburse any guaranty funds.

(5) To the extent that any person liable under subsection (3) is insolvent or otherwise fails to pay claims due from it pursuant to subsection (3), its parent corporation, holding company, or person who otherwise controlled it at the time the distribution was paid, is jointly and severally liable for any resulting deficiency in the amount recovered from that person.

(3) A controlled insurer shall not accept business from a controlling producer and a controlling producer shall not place business with a controlled insurer unless there is a written contract between the controlling producer and the insurer specifying the responsibilities of each party, which contract has been approved by the board of directors of the insurer and contains the following minimum provisions:

The due date shall be fixed so that the premiums or installments collected shall be remitted no later than 90 days after the effective date of any policy placed with the controlled insurer under this contract.

(g) That the controlled insurer shall provide the controlling producer with its underwriting standards, rules and procedures, manuals setting forth the rates to be charged, and the conditions for the acceptance or rejection of risks. The controlling producer shall adhere to the standards, rules, procedures, rates, and conditions. The standards, rules, procedures, rates, and conditions shall be the same as those applicable to comparable business placed with the controlled insurer by a producer other than the controlling producer.

(h) That the rates and terms of the controlling producer's commissions, charges, or other fees and the purposes for those charges or fees shall be specified. The rates of the commissions, charges, and other fees shall be no greater than those applicable to comparable business placed with the controlled insurer by producers other than controlling producers. For purposes of this subdivision and subdivision (g), examples of comparable business include the same lines of insurance, same kinds of insurance, same kinds of risks, similar policy limits, and similar quality of business.

(i) That if the contract provides that the controlling producer, on insurance business placed with the insurer, is to be compensated contingent upon the insurer's profits on that business, then such compensation shall not be determined and paid until at least 5 years after the premiums on policies that include liability insurance are earned and at least 1 year after the premiums are earned on any other insurance. In no event shall the commissions be paid until the adequacy of the controlled insurer's reserves on remaining claims has been independently verified as required by subsection (5).

(j) A limit on the controlling producer's writings in relation to the controlled insurer's surplus and total writings shall be set. The insurer may establish a different limit for each line or subline of business. The controlled insurer shall notify the controlling producer when the applicable limit is approached and shall not accept business from the controlling producer if the limit is reached. The controlling producer shall not place business with the controlled insurer if it has been notified by the controlled insurer that the limit has been reached.

(k) That the controlling producer may negotiate but shall not bind reinsurance on behalf of the controlled insurer on business the controlling producer places with the controlled insurer, except that the controlling producer may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the controlled insurer contains underwriting guidelines including, for both reinsurance assumed and ceded, a list of reinsurers with which such automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured, and commission schedules.

(4) Every controlled insurer shall have an audit committee of the board of directors composed of independent directors. The audit committee shall meet annually with management, the insurer's independent public accountants as defined in section 1001, and an independent casualty actuary or other independent loss reserve specialist acceptable to the commissioner to review the adequacy of the insurer's loss reserves.

(5) Every controlled insurer shall file the following reports:

(a) In addition to any other required loss reserve certification, the controlled insurer shall file with the commissioner on April 1 of each year an opinion of an independent casualty actuary or such other independent loss reserve specialist acceptable to the commissioner reporting loss ratios for each line of business written and attesting to the adequacy of loss reserves established for losses incurred and outstanding as of year-end, including provisions for incurred but not reported losses, on business placed by the controlling producer.

(b) The controlled insurer shall annually report to the commissioner the amount of commissions paid to the controlling producer, the percentage such amount represents of the net premiums written, and comparable amounts and percentage paid to noncontrolling producers for placements of the same kinds of insurance.

(6) A foreign controlled insurer is not required to file the reports with the commissioner required by subsection (5) if the insurer is subject to reporting requirements adopted by statute or regulation in its state of domicile that the commissioner has determined are substantially similar to those required under this chapter.

(*l*) "Loss ratio" means the ratio of incurred losses to earned premium.

(m) "Net debt" means the amount necessary to liquidate the remaining debt in a single lump-sum payment, excluding all unearned interest and other unearned charges.

500.1609 Premiums; calculation; limitation; charges creating balloon payment prohibited.

Sec. 1609. (1) Premiums for creditor-placed insurance coverage may be calculated based on an amount not exceeding the net debt even though the coverage may limit the insurer's liability to the net debt, actual cash value, or cost of repair, or other premium calculation methods that more closely reflect the exposure of each item insured and approximate the premium calculation method of the coverage required by the credit agreement.

(2) An insurer shall not write creditor-placed insurance for which the premium rate differs from that determined by the schedules of the insurer on file with the commissioner. The premium or amount charged to the debtor for creditor-placed insurance shall not exceed the premiums charged by the insurer, computed at the time the charge to the debtor is determined.

(3) A method of billing insurance charges to the debtor on closed-end credit transactions that creates a

balloon payment at the end of the credit transaction or extends the credit transaction's maturity date is prohibited, unless specifically disclosed at the time of the origination of the credit agreement and specifically agreed to by the debtor at the time the charge is added to the outstanding credit balance.

(d) Coverage that requires a debtor's insurance deductible to be less than $250.00.

(e) Coverage that is broader than the insurance coverages that meet the minimum insurance requirements of the credit agreement.

500.1615 Policy forms and certificates of insurance; filing; schedule of premium rates; withdrawal of approval.

Sec. 1615. (1) All policy forms and certificates of insurance to be delivered or issued for delivery in this state and the schedules of premium rates pertaining to them shall be filed with the commissioner.

(2) Within 30 days after the filing of the policy forms and certificates of insurance, the commissioner shall disapprove a form that does not conform to this act. Within 30 days of filing, the commissioner shall disapprove a schedule of premium rates pertaining to the form if it does not conform to the standard set forth in subsection (5).

(3) If the commissioner disapproves a form or schedule of premium rates, the commissioner shall promptly notify the insurer in writing of the disapproval, and the insurer shall not issue or use the form or schedule. The commissioner shall specify the reasons for disapproval in the notice and state that a hearing will be granted upon request pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(4) Unless the commissioner disapproves the form or schedule of premium rates as provided in this section or gives written approval of the form or schedule within 30 days after the filing, the form or schedule is considered approved 31 days after the filing.

(5) A schedule of premium rates shall provide for premiums that are not unreasonable in relation to the benefits provided by the form to which the schedule applies. A premium rate or schedule of premium rates is reasonable for purposes of this section if the rate or schedule of rates produces or may reasonably be expected to produce a loss ratio of 60% or greater. This subsection does not prohibit the commissioner from approving other loss ratios he or she finds reasonable.

(6) The commissioner may withdraw approval of an approved form or schedule of premium rates when the commissioner would be required to disapprove the form or schedule of premium rates if it were filed at the time of the withdrawal. The withdrawal shall be in writing and shall specify the reasons for withdrawal and the effective date of the withdrawal. An insurer adversely affected by a withdrawal may, within 30 days after receiving the written notification of the withdrawal, request a hearing pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, to determine whether the withdrawal should be annulled, modified, or confirmed. Unless the commissioner grants an extension in writing in the withdrawal or subsequently grants an extension, the withdrawal, in the absence of a request for hearing, shall become effective prospectively and not retroactively, 91 days after delivery of the notice of withdrawal and, if the request for hearing is filed, 91 days after delivery of written notice of the commissioner's determination.

(5) A creditor or insurer shall not abandon salvage to a towing or storage facility in lieu of payment of storage fees without the consent of the facility and the claimant. The insurer shall be responsible for the payment of towing and storage charges for a covered loss occurrence from the time the claim is reported to the insurer in accordance with the terms of the policy to the time the claim is paid. (b) Paying a commission to a person, including a creditor, who is not appropriately licensed as a producer in this state.

(a) The paying of commissions and other compensation to a duly licensed and appointed producer, whether or not affiliated with the creditor.

(b) The paying to the creditor policyholder of group experience rated refunds or policy dividends.

(c) The providing of insurance tracking and other services incidental to the creditor-placed insurance program.

(d) The paying to the creditor of amounts intended to reimburse the creditor for its expenses incurred incidental to the creditor-placed insurance program, such as costs of data processing, mail processing, telephone service, insurance tracking, billing, collection, and related activities, provided that these payments are approved in a manner consistent with the procedures in section 1615 and are calculated in a manner that does not exceed an amount reasonably estimated to equal the expenses incurred by the creditor.

(5) An insurer that pays commissions to producers for creditor-placed insurance that are greater than 20% of the net written premium shall demonstrate to the commissioner that the commissions are not unreasonably high in relation to the value of the services rendered.

(6) This section does not prohibit or restrict an insurer or producer from maintaining a demand, premium deposit, or other account or accounts with a creditor for which the insurer or producer provides insurance if the accounts pay the market interest rate and charges that the creditor applies to other customers for deposit accounts of similar amounts and duration.

500.1625 Adequate disclosure of requirement to maintain insurance; notice; final notice; noncompliance.

Sec. 1625. (1) A creditor shall not impose charges, including premium costs and related interest and finance charges, on a debtor for creditor-placed insurance coverage unless adequate disclosure of the requirement to maintain insurance has been made to the debtor. Adequate disclosure is accomplished if all of the following occur:

(a) The credit agreement sets forth the requirement that the debtor must maintain insurance on the collateral as provided for in section 1621.

(b) The creditor makes reasonable efforts to notify the debtor of the requirement to maintain insurance and allows a reasonable time for compliance with this requirement.

(c) A final notice as required by this chapter is sent to the debtor.

(d) If creditor-placed insurance coverage is issued, a copy of the policy or certificate is sent to the debtor as provided for in section 1613.

(2) After adequate disclosure of the request to maintain insurance has been made to the debtor as required by this section, a creditor may proceed to impose charges for creditor-placed insurance if the debtor fails to provide evidence of insurance. A creditor may impose charges no earlier than 10 days after sending the final notice.

(3) Reasonable efforts to notify the debtor under subsection (1)(b) are accomplished if the creditor does all of the following:

(a) Mails a notice by first-class mail to the debtor's last known address as contained in the creditor's records, stating that the creditor intends to charge the debtor for creditor-placed insurance coverage on the collateral if the debtor fails to provide evidence of the property insurance to the creditor.

(b) Allows the debtor at least 20 days to respond to the notice and provide evidence of acceptable insurance coverage before sending a final notice.

(c) Sends a final notice in compliance with this section by first-class mail to the debtor's last known address as contained in the creditor's records at least 10 days before the cost of insurance is charged to the debtor by the creditor. Proof of the mailing of the final notice shall be retained for at least 3 years following the expiration or termination of the coverage or as otherwise required by law.

(4) The initial notice under this section shall be in a form determined by the creditor to remind the debtor of the requirement to maintain insurance on the collateral. The final notice under this section shall be as complete as the following notice, printed in not less than 12-point type, and modified where necessary to fit the nature of the credit transaction:

FINAL NOTICE

Your credit agreement with us requires you to have property insurance on the collateral until you pay off your loan. You have not given us proof you have insurance on the property. You can ask your insurance company or agent to give us proof of insurance or you can send us proof you have property insurance within 10 calendar days after the date this letter was postmarked. If you do not, we will buy the insurance and charge the cost to you.

You must pay for the property insurance we buy. It may cost more than insurance you can buy on your own. The cost of the insurance we buy may be added to your loan balance and we may charge you interest on it. If we do, you will pay interest at the same rate you pay on your loan.

The insurance we buy will pay claims to us (the creditor) for physical damage to your property. It will not pay any claims made against you [and it may not pay you for any claims you make (delete if limited dual interest coverage)]. The insurance we buy will not give you any liability insurance coverage and will not meet the requirements of a state's financial responsibility law.

We may receive compensation for placing this insurance, which is included in the cost of coverage charged to you.

The property coverage we buy will start on the date shown in the policy or certificate, which may go back to the date of the loan or the date your prior coverage stopped. We will cancel the insurance we bought for you and give you a refund or credit of unearned charges if you give us proof you have bought property insurance somewhere else or if you have paid off the loan.

(5) All creditor-placed insurance shall be set forth in an individual policy or certificate of insurance. Not earlier than the sending of the final notice nor 25 days after a charge is made to the debtor for creditor-placed insurance coverage, the creditor shall cause a copy of the individual policy, certificate, or other evidence of insurance coverage evidencing the creditor-placed insurance coverage to be sent, first-class mail, to the debtor's last known address.

(6) A creditor's compliance with or failure to comply with this chapter shall not be construed to require the creditor to purchase insurance coverage on the collateral, and the creditor is not liable to the debtor or a third party as a result of its failure to purchase the insurance.

500.1627 Investigations or examinations; enforcement; hearing; consent agreement; injunctive relief.

Sec. 1627. (1) In addition to other powers under this act, the commissioner may conduct investigations or examinations of insurers and producers to ensure compliance with and enforcement of the provisions of this chapter.

(2) Upon finding that an insurer or producer has violated a provision of this chapter or a regulation promulgated under this chapter, the commissioner may issue an order directing that the insurer or producer cease and desist from committing the violations, impose a civil penalty for the violations, provide an equitable remedy for past violations, or any combination of these.

(3) Upon the issuance of an order under subsection (2), the insurer or producer may request a hearing. At the hearing, the burden shall be on the insurer or producer to show cause why an order issued pursuant to subsection (2) should be annulled, modified, or confirmed. Pending the hearing and the decision by the commissioner, the commissioner shall suspend the effective date of the order. Not more than 60 days after the hearing, the commissioner shall enter an order of final determination that shall specify all relevant findings of fact, conclusions of law, and orders. With the agreement of each affected insurer or producer, and in lieu of a hearing, the commissioner may enter into a consent agreement disposing of the matters that would be the subject of the hearing and order.

(4) The commissioner may bring an action in the circuit court for Ingham county for an injunction or other appropriate relief to enjoin threatened or existing violations of this chapter or of the commissioner's orders or regulations or for restitution on behalf of persons aggrieved by a violation of this chapter or of the

commissioner's orders or regulations.

Sec. 1629. (1) A person aggrieved by a final order, decision, finding, ruling, action, or inaction provided for under this chapter may seek judicial review as provided in section 244.

(2) To the extent that the order or final determination of the commissioner is affirmed, the court shall issue its own order commanding obedience to the terms of the commissioner's order or final determination. If either party applies to the court for leave to produce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for the failure to produce the evidence in the proceeding before the commissioner, the court may order the additional evidence to be taken before the commissioner and to be produced in a hearing in the manner and upon the terms and conditions the court considers proper. The commissioner may modify the findings of fact or make new findings by reason of the additional evidence taken and shall file the modified or new findings with a recommendation, if any, for the modification or setting aside of the original order or final determination, with the return of the additional evidence.

(3) An order issued by the commissioner under section 1627 shall become final upon the expiration of the time allowed for filing a petition for review if no petition has been duly filed within that time, except that the commissioner may thereafter modify or set aside the order to the extent provided in section 1627 or upon the final decision of the court if the court directs that the order of the commissioner be affirmed or the petition for review dismissed.

(4) An order of the commissioner under this chapter or an enforcement order of a court does not relieve or absolve any person affected by the order from liability under any other laws of this state.

Sec. 1707. (1) An insurer shall annually submit to the director an ORSA summary report, or any combination of reports that together contain the information as described in the ORSA guidance manual, applicable to the insurer, the insurance group of which it is a member, or both. Within 90 days after the effective date of the amendatory act that added this section, the insurer shall submit to the director the calendar date the insurer will annually submit the ORSA summary report required under this section. 500.1709 Exemptions; waiver; requirement to maintain risk management framework, conduct ORSA, and file ORSA summary report; compliance by insurer no longer qualifying for exemption.

Sec. 1709. (1) Except as otherwise provided in subsection (5), an insurer is exempt from the requirements of this chapter, if both of the following apply:

(a) The insurer has annual direct written and unaffiliated assumed premium, including international direct and assumed premium but excluding premiums reinsured with the Federal Crop Insurance Corporation and federal flood program, less than $500,000,000.00.

(b) The insurance group of which the insurer is a member has annual direct written and unaffiliated assumed premium, including international direct and assumed premium but excluding premiums reinsured with the Federal Crop Insurance Corporation and federal flood program, less than $1,000,000,000.00.

(2) If an insurer qualifies for exemption under subsection (1)(a) but the insurance group of which the insurer is a member does not qualify for exemption under subsection (1)(b), the ORSA summary report that may be required under section 1707 must include every insurer within the insurance group. This requirement may be satisfied by the submission of more than 1 ORSA summary report for any combination of insurers if the combination of reports includes every insurer within the insurance group.

(3) If an insurer does not qualify for exemption under subsection (1)(a) but the insurance group of which it is a member qualifies for exemption under subsection (1)(b), the only ORSA summary report that may be required under section 1707 is the report applicable to the insurer.

(4) Subject to subsection (5), an insurer that does not qualify for exemption under subsection (1) may apply to the director for a waiver from the requirements of this chapter based on unique circumstances. In deciding whether to grant the insurer's request for a waiver, the director may consider the type and volume of business written, ownership and organizational structure, and any other factor the director considers relevant to the insurer or insurance group of which the insurer is a member. If the insurer is part of an insurance group with insurers domiciled in more than 1 state, the director shall coordinate with the lead state commissioner and with the other domiciliary commissioners in considering whether to grant the insurer's request for a waiver.

(5) Notwithstanding the exemption provided in subsection (1), the director may require 1 or more of the following:

(a) The director may require that an insurer maintain a risk management framework, conduct an ORSA, and file an ORSA summary report based on unique circumstances including, but not limited to, the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests.

(b) The director may require that an insurer maintain a risk management framework, conduct an ORSA, and file an ORSA summary report if the director determines 1 or more of the following:

(*i*) The insurer has risk-based capital for a company action level event.

(*ii*) The insurer meets 1 or more of the conditions described in section 436.

(*iii*) The operation of the insurer is hazardous to policyholders, creditors, or the public under section 436a.

(*iv*) The insurer exhibits qualities of a troubled insurer.

(6) If an insurer that qualifies for an exemption under subsection (1) subsequently no longer qualifies for that exemption because of an increase in premium as reflected in the insurer's most recent annual statement or in the most recent annual statements of the insurers within the insurance group of which the insurer is a member, the insurer has 1 year following the year the premium exceeded the limitation provided in subsection (1) to comply with this chapter.

The commissioner may delegate to an association the power to process and to make recommendations on applications for recognition as an eligible surplus lines insurer. Notwithstanding a delegation by the commissioner, an applicant may file an application for recognition directly with the commissioner.

(3) The commissioner shall recognize an insurer making an application in accordance with subsection (2) as an eligible surplus lines insurer if he or she is satisfied that the insurer is in a stable and unimpaired financial condition and that the insurer is qualified to provide coverage in compliance with this chapter. If filed with full supporting documentation before July 1 of any year, an application submitted under subsection (2) shall be acted upon by the commissioner before December 31 of the year of submission.

(4) The commissioner shall not recognize an insurer as an eligible surplus lines insurer unless the insurer continuously maintains capital and surplus of at least $1,500,000.00, and is safe, reliable, and entitled to public confidence. This subsection shall not be construed to require an alien insurer to file financial statements in the form required of authorized insurers under section 438. However, each alien applicant shall have current financial data filed with the national association of insurance commissioners.

(5) If the commissioner considers it necessary, he or she may request information about or examine the affairs of any eligible unauthorized insurer, at the expense of the insurer except as provided in sections 1905 and 1951, to determine whether the insurer should continue to remain on the list of eligible surplus lines insurers. If the commissioner finds that it is in the public interest to remove an insurer from the list because the insurer no longer meets the requirements of this chapter or is no longer qualified to provide coverage under this chapter, the commissioner shall do so without the necessity of a hearing.

If the insurance is placed with an insurer which is neither an authorized insurer nor an eligible unauthorized insurer, upon obtaining coverage, the licensee shall do all of the following:

(a) Mail or deliver to the resident the following notice: "This insurance has been placed with an insurer not licensed by the state of Michigan nor recognized by the insurance commissioner as an eligible unauthorized insurer. (b) Employing any method of marketing having the effect of or tending to induce the purchase of insurance through force, fright, or threat, whether explicit or implied, or undue pressure.

History: Add. 1992, Act 84, Imd. Eff. June 2, 1992.

Popular name: Act 218

500.2006 Payment of benefits on timely basis; payment of interest in alternative; failure to pay claims or interest as unfair trade practice; liability for claim pursuant to judgment; proof of loss; inability to pay claim; interest requirements; failure of reinsurer to pay benefits on timely basis; effect of inconsistency with certain acts; exceptions; processing and payment procedures; notices; payment of 1 or more services listed on claim; violations; fines; definitions; section applicable to nonprofit dental care corporation.

Sec. 2006. (1) A person must pay on a timely basis to its insured, a person directly entitled to benefits under its insured's insurance contract, or a third party tort claimant the benefits provided under the terms of its policy, or, in the alternative, the person must pay to its insured, a person directly entitled to benefits under its insured's insurance contract, or a third party tort claimant 12% interest, as provided in subsection (4), on claims not paid on a timely basis. Failure to pay claims on a timely basis or to pay interest on claims as provided in subsection (4) is an unfair trade practice unless the claim is reasonably in dispute.

(2) A person shall not be found to have committed an unfair trade practice under this section if the person is found liable for a claim pursuant to a judgment rendered by a court of law, and the person pays to its insured, the person directly entitled to benefits under its insured's insurance contract, or the third party tort claimant interest as provided in subsection (4).

(3) An insurer shall specify in writing the materials that constitute a satisfactory proof of loss not later than 30 days after receipt of a claim unless the claim is settled within the 30 days. If proof of loss is not supplied as

to the entire claim, the amount supported by proof of loss is considered paid on a timely basis if paid within 60 days after receipt of proof of loss by the insurer. Any part of the remainder of the claim that is later supported by proof of loss is considered paid on a timely basis if paid within 60 days after receipt of the proof of loss by the insurer. If the proof of loss provided by the claimant contains facts that clearly indicate the need for additional medical information by the insurer in order to determine its liability under a policy of life insurance, the claim is considered paid on a timely basis if paid within 60 days after receipt of necessary medical information by the insurer. Payment of a claim is not untimely during any period in which the insurer is unable to pay the claim if there is no recipient who is legally able to give a valid release for the payment, or if the insurer is unable to determine who is entitled to receive the payment, if the insurer has promptly notified the claimant of that inability and has offered in good faith to promptly pay the claim on determination of who is entitled to receive the payment.

(4) If benefits are not paid on a timely basis, the benefits paid bear simple interest from a date 60 days after satisfactory proof of loss was received by the insurer at the rate of 12% per annum, if the claimant is the insured or a person directly entitled to benefits under the insured's insurance contract. If the claimant is a third party tort claimant, the benefits paid bear interest from a date 60 days after satisfactory proof of loss was received by the insurer at the rate of 12% per annum if the liability of the insurer for the claim is not reasonably in dispute, the insurer has refused payment in bad faith, and the bad faith was determined by a court of law. The interest must be paid in addition to and at the time of payment of the loss. If the loss exceeds the limits of insurance coverage available, interest is payable based on the limits of insurance coverage rather than the amount of the loss. If payment is offered by the insurer but is rejected by the claimant, and the claimant does not subsequently recover an amount in excess of the amount offered, interest is not due. Interest paid as provided in this section must be offset by any award of interest that is payable by the insurer as provided in the award.

(5) If a person contracts to provide benefits and reinsures all or a portion of the risk, the person contracting to provide benefits is liable for interest due to an insured, a person directly entitled to benefits under its insured's insurance contract, or a third party tort claimant under this section if a reinsurer fails to pay benefits on a timely basis.

(6) If there is any specific inconsistency between this section and chapter 31 or the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941, the provisions of this section do not apply. Subsections (7) to (14) do not apply to a person regulated under the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941. Subsections (7) to (14) do not apply to the processing and paying of Medicaid claims that are covered under section 111i of the social welfare act, 1939 PA 280, MCL 400.111i.

(7) Subsections (1) to (6) do not apply and subsections (8) to (14) do apply to health plans when paying claims to health professionals, health facilities, home health care providers, and durable medical equipment providers, that are not pharmacies and that do not involve claims arising out of chapter 31 or the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941. This section does not affect a health plan's ability to prescribe the terms and conditions of its contracts, other than as provided in this section for timely payment.

(8) Each health professional, health facility, home health care provider, and durable medical equipment provider in billing for services rendered and each health plan in processing and paying claims for services rendered shall use the following timely processing and payment procedures:

(a) A clean claim must be paid within 45 days after receipt of the claim by the health plan. A clean claim that is not paid within 45 days bears simple interest at a rate of 12% per annum.

(b) A health plan shall notify the health professional, health facility, home health care provider, or durable medical equipment provider within 30 days after receipt of the claim by the health plan of all known reasons that prevent the claim from being a clean claim.

(c) A health professional, health facility, home health care provider, or durable medical equipment provider has 45 days, and any additional time the health plan permits, after receipt of a notice under subdivision (b) to correct all known defects. The 45-day time period in subdivision (a) is tolled from the date of receipt of a notice to a health professional, health facility, home health care provider, or durable medical equipment provider under subdivision (b) to the date of the health plan's receipt of a response from the health professional, health facility, home health care provider, or durable medical equipment provider.

(d) If a health professional's, health facility's, home health care provider's, or durable medical equipment provider's response under subdivision (c) makes the claim a clean claim, the health plan shall pay the health professional, health facility, home health care provider, or durable medical equipment provider within the 45-day time period under subdivision (a), excluding any time period tolled under subdivision (c).

(e) If a health professional's, health facility's, home health care provider's, or durable medical equipment

provider's response under subdivision (c) does not make the claim a clean claim, the health plan shall notify the health professional, health facility, home health care provider, or durable medical equipment provider of an adverse claim determination and of the reasons for the adverse claim determination within the 45-day time period under subdivision (a), excluding any time period tolled under subdivision (c).

(f) A health professional, health facility, home health care provider, or durable medical equipment provider must bill a health plan within 1 year after the date of service or the date of discharge from the health facility in order for a claim to be a clean claim.

(g) A health professional, health facility, home health care provider, or durable medical equipment provider shall not resubmit the same claim to the health plan unless the time period under subdivision (a) has passed or as provided in subdivision (c).

(h) A health plan that is a qualified health plan for the purposes of 45 CFR 156.270 and that, as required in 45 CFR 156.270(d), provides a 3-month grace period to an enrollee who is receiving advance payments of the premium tax credit and who has paid 1 full month's premium may pend claims for services rendered to the enrollee in the second and third months of the grace period. A claim during the second and third months of the grace period is not a clean claim under this section, and interest is not payable under subdivision (a) on that claim if the health plan has complied with the notice requirements of 45 CFR 155.430 and 45 CFR 156.270.

(9) Notices required under subsection (8) must be made in writing or electronically.

(10) If a health plan determines that 1 or more services listed on a claim are payable, the health plan shall pay for those services and shall not deny the entire claim because 1 or more other services listed on the claim are defective. This subsection does not apply if a health plan and health professional, health facility, home health care provider, or durable medical equipment provider have an overriding contractual reimbursement arrangement.

(11) A health plan shall not terminate the affiliation status or the participation of a health professional, health facility, home health care provider, or durable medical equipment provider with a health maintenance organization provider panel or otherwise discriminate against a health professional, health facility, home health care provider, or durable medical equipment provider because the health professional, health facility, home health care provider, or durable medical equipment provider claims that a health plan has violated subsections (7) to (10).

(12) A health professional, health facility, home health care provider, durable medical equipment provider, or health plan alleging that a timely processing or payment procedure under subsections (7) to (11) has been violated may file a complaint with the director on a form approved by the director and has a right to a determination of the matter by the director or his or her designee. This subsection does not prohibit a health professional, health facility, home health care provider, durable medical equipment provider, or health plan from seeking court action.

(13) In addition to any other penalty provided for by law, the director may impose a civil fine of not more than $1,000.00 for each violation of subsections (7) to (11) not to exceed $10,000.00 in the aggregate for multiple violations.

(14) As used in subsections (7) to (13):

(a) "Clean claim" means a claim that does all of the following:

(*i*) Identifies the health professional, health facility, home health care provider, or durable medical equipment provider that provided service sufficiently to verify, if necessary, affiliation status and includes any identifying numbers.

(*ii*) Sufficiently identifies the patient and health plan subscriber.

(*iii*) Lists the date and place of service.

(*iv*) Is a claim for covered services for an eligible individual.

(*v*) If necessary, substantiates the medical necessity and appropriateness of the service provided.

(*vi*) If prior authorization is required for certain patient services, contains information sufficient to establish that prior authorization was obtained.

(*vii*) Identifies the service rendered using a generally accepted system of procedure or service coding.

(*viii*) Includes additional documentation based on services rendered as reasonably required by the health plan.

(b) "Health facility" means a health facility or agency licensed under article 17 of the public health code, 1978 PA 368, MCL 333.20101 to 333.22260.

(c) "Health plan" means all of the following:

(*i*) An insurer providing benefits under a health insurance policy, including a policy, certificate, or contract that provides coverage for specific diseases or accidents only, an expense-incurred vision or dental policy, or a hospital indemnity, Medicare supplement, long-term care, or 1-time limited duration policy or certificate, but not to payments made to an administrative services only or cost-plus arrangement.

(*ii*) A MEWA regulated under chapter 70 that provides hospital, medical, surgical, vision, dental, and sick care benefits.

(d) "Health professional" means an individual licensed, registered, or otherwise authorized to engage in a health profession under article 15 of the public health code, 1978 PA 368, MCL 333.16101 to 333.18838.

(15) After December 31, 2017, this section applies to a nonprofit dental care corporation operating under 1963 PA 125, MCL 550.351 to 550.373.

Sec. 2008. (1) Upon the written request of an insured, an insurer shall audit or cause to be audited an insured's payroll expenditures for the purpose of determining the proper worker's compensation insurance premiums. The written request of the insured shall include a statement that the insured has reason to believe that there has been not less than a 20% change in payroll expenditures and the reasons for that belief. The audit shall be completed within 120 days of the receipt of the written request, if all required information to complete the audit has been made available. Only 1 audit per calendar year conducted at the request of the insured is required under this subsection.

(2) Except for a final audit, it is an unfair or deceptive act or practice in the business of insurance for an insurer to fail to complete a payroll audit which is required pursuant to the terms of a policy within 120 days after the date specified in the policy for the commencement of an audit, if all required information to complete the audit has been made available. It is an unfair or deceptive act or practice in the business of insurance if a final audit is not completed by an insurer within 120 days after the date of termination of the policy, if all required information to complete the audit has been made available.

(3) An insurer shall pay on a timely basis to its insured any adjustment in a premium, any dividend, a retrospective premium adjustment, or any similar amount which is due. It is an unfair or deceptive act or practice in the business of insurance for an insurer to not pay these amounts on a timely basis. As used in this section, "timely basis" means the following, as applicable:

(a) If the amount is due pursuant to a payroll audit, within 60 days after the completion of that audit.

(b) If the policy specifies a date on which an amount is due, on or before that date.

(c) If the date the amount is due is not specified in the policy, within 60 days after the expiration of the policy.

(d) In the case of a retrospective premium adjustment, as specified in the policy, or 9 months after expiration of the policy.

(e) In the case of a dividend, within 60 days after determination of the specific amount due.

(4) When an adjustment in a premium, a dividend, a retrospective premium adjustment, or a similar amount due an insured is not paid on a timely basis, the amount due shall bear simple interest from the applicable date specified in subsection (3) at the rate of 12% per annum. This interest shall be paid in addition to and at the time of payment of the amount due.

(5) This section only applies to worker's compensation insurance.

(c) Failing to adopt and implement reasonable standards for the prompt investigation of claims arising under insurance policies.

(d) Refusing to pay claims without conducting a reasonable investigation based upon the available information.

(e) Failing to affirm or deny coverage of claims within a reasonable time after proof of loss statements have been completed.

(f) Failing to attempt in good faith to effectuate prompt, fair, and equitable settlements of claims in which liability has become reasonably clear.

(g) Compelling insureds to institute litigation to recover amounts due under an insurance policy by offering substantially less than the amounts due the insureds.

(h) Attempting to settle a claim for less than the amount to which a reasonable person would believe the claimant was entitled, by reference to written or printed advertising material accompanying or made part of an application.

(i) Attempting to settle claims on the basis of an application which was altered without notice to, or knowledge or consent of, the insured.

(j) Making a claims payment to a policyholder or beneficiary omitting the coverage under which each payment is being made.

(k) Making known to insureds or claimants a policy of appealing from arbitration awards in favor of insureds or claimants for the purpose of compelling them to accept settlements or compromises less than the amount awarded in arbitration.

(*l*) Delaying the investigation or payment of claims by requiring an insured, claimant, or the physician of either to submit a preliminary claim report and then requiring subsequent submission of formal proof of loss forms, seeking solely the duplication of a verification.

(m) Failing to promptly settle claims where liability has become reasonably clear under 1 portion of the insurance policy coverage in order to influence settlements under other portions of the insurance policy.

Sec. 2027. Unfair methods of competition and unfair or deceptive acts or practices in the business of insurance include:

(*i*) Race, color, creed, marital status, sex, national origin, gender, gender identity or expression, or sexual orientation, except that marital status may be used to classify individuals or risks for the purpose of insuring family units.

(*ii*) The residence, age, disability, or lawful occupation of the individual or the location of the risk, unless there is a reasonable relationship between the residence, age, disability, or lawful occupation of the individual or the location of the risk and the extent of the risk or the coverage issued or to be issued, but subject to subparagraph (*iii*). This section does not prohibit an insurer from specializing in or limiting its transactions of insurance to certain occupational groups, types, or risks as approved by the director. The director shall approve the specialization for an insurer licensed to do business in this state and whose articles of incorporation contained a provision on July 1, 1976, requiring that specialization.

As used in this subparagraph, "area" means a single zip code number under the zoning improvement plan of the United States Postal Service.

(b) Refusing to insure or refusing to continue to insure an individual or risk solely because the insured or applicant was previously denied insurance coverage by an insurer.

(c) Charging a different rate for the same coverage based on race, color, creed, marital status, sex, national origin, gender, gender identity or expression, sexual orientation, age, residence, location of risk, disability, or lawful occupation of the risk unless the rate differential is based on sound actuarial principles and a reasonable classification system, and is related to the actual and credible loss statistics or, for new coverages, reasonably anticipated experience. This subdivision does not apply if the rate has previously been approved by the director.

Sec. 2043. (1) Whenever the commissioner has probable cause to believe that any person engaged in the business of insurance is engaging in this state in any method of competition or in any act or practice in the conduct of such business which is not defined in sections 2005 through 2025, that such method of competition is unfair or that such act or practice is unfair or deceptive and that a proceeding by him in respect thereto would be in the interest of the public, the commissioner may issue and serve upon such person a statement of the charges in that respect and a notice of a hearing thereon to be held at a time and place fixed in the notice, which shall not be less than 15 days after the date of the service thereof. Each such hearing shall be conducted in the same manner as the hearings provided for in section 2029. The commissioner shall, after such hearing, state in writing his findings of fact, his decision, and his order if any; and he shall serve a copy thereof upon all parties of record to the proceeding.

(2) If such finding and decision charges a violation of this uniform trade practices act and if such method of competition, act or practice has not been discontinued, the commissioner may, through the attorney general of this state, at any time after 15 days after the service of such finding and decision cause a petition to be filed in the circuit court of Ingham county to enjoin and restrain such person from engaging in such method, act or practice. The court shall have jurisdiction of the proceeding and shall have power to make and enter appropriate orders in connection therewith and to issue such writs as are ancillary to its jurisdiction or are necessary in its judgment to prevent injury to the public pendente lite.

(3) A transcript of the proceedings before the commissioner including all evidence taken and the findings and decision shall be filed with such petition. If any party of record shall apply to the court for leave to adduce additional evidence and shall show, to the satisfaction of the court, that such additional evidence is material and there were reasonable grounds for the failure to adduce such evidence in the proceeding before the commissioner the court may order such additional evidence to be taken before the commissioner and to be adduced upon the hearing in such manner and upon such terms and conditions as to the court may seem proper. The commissioner may modify his findings of fact and decision or make new findings and decision by reason of the additional evidence so taken, and he shall file such modified or new findings and decision with the return of such additional evidence.

(4) If the court finds that the method of competition complained of is unfair or that the act or practice complained of is unfair or deceptive, that the proceeding by the commissioner with respect thereto is in the interest of the public and that the findings of the commissioner are supported by the weight of the evidence, it shall issue its order enjoining and restraining the continuance of such method of competition, act or practice.

(5) The commissioner shall not proceed with any formal statement of charges or notice of hearing under subsection (1) of this section until he shall first have provided such person sought to be charged, within 10 days' preliminary notice of the commissioner's proposed statement of charges or intention to call a hearing. Such preliminary proceedings shall be deemed to be privileged and shall not be subject to public inspection or announcement. Such person sought to be charged, may within 10 days after receipt of such notice make application for a trade conference as provided for in section 2047 unless the practice complained of has been previously defined as an unfair trade practice by published rule, regulation or standard as provided in section 2047. If such application is made by such person, it shall be the duty of the commissioner to call such a trade conference as provided in section 2047 to discuss the method of competition, act or practice which is the subject matter of the proposed charge; and the commissioner shall not proceed to any action under subsection (1) of this section until after such trade conference shall have been held.

Upon such review, the court shall have authority to issue appropriate orders and decrees in connection therewith, including, if the court finds that it is in the interest of the public, orders enjoining and restraining the continuance of any method of competition, act or practice which it finds, notwithstanding such finding and decision of the commissioner, constitutes a violation of this chapter.

Before any such rule, regulation or standard shall be promulgated, the commissioner shall advise all persons or insurers who would be directly affected thereby and shall give 30 days' notice in writing to such persons or insurers to file their objections, if any. Any rule, regulation or standard so arrived at shall be filed and shall become effective in accordance with the statutes of Michigan governing rules of administrative agencies.

(4) Trade practice rules, regulations or standards promulgated under this section may be amended or rescinded by the commissioner upon his own motion, or upon motion of any directly affected person or insurer, after the commissioner shall have given reasonable notice to the persons or insurers directly affected thereby, and after there has been a hearing, if requested by such affected persons or insurers, concerning such amendment or rescission: Provided, That such request is made in writing within 30 days after notice is given.

(5) This section shall not be construed as limiting any other provision of the insurance code.

solicitations; signed statement authorizing release of assignment proceeds; failure to sign authorization statement; conditions to sale or solicitation of sale of life insurance policy or annuity contract with intention of having purchaser assign proceeds; action to enforce compliance; damages; violation as misdemeanor; separate offenses; penalties; creation, administration, and use of funeral consumers education and advocacy fund; definitions.

Sec. 2080. (1) A life or accident insurer authorized to do business in this state shall not own, manage, supervise, operate, or maintain a funeral establishment or permit its officers, agents, or employees to own or maintain a funeral establishment.

(2) Except as otherwise provided in subsection (6), a life insurance company, a sick or funeral benefit company, or a company, corporation, or association engaged in a similar business shall not contract or agree with a funeral director, undertaker, or mortuary to the effect that the funeral director, undertaker, or mortuary conducts the funeral of a person insured by the company, corporation, or association.

(3) A funeral establishment, cemetery, or seller must not be licensed as an insurance producer under chapter 12 other than as a limited licensee under this subsection and chapter 12. A funeral establishment, cemetery, or seller must not be a limited life insurance producer unless the funeral establishment, cemetery, or seller provides a written assurance to the director at the time of application for the limited licensure and with each license renewal that he or she has read and understands the conditions contained in subsection (9) and agrees to comply with those conditions. A person licensed as a limited life insurance producer under this subsection and chapter 12 is authorized and licensed to sell only an associated life insurance policy or annuity contract and is not authorized or licensed to sell any other type of insurance policy or annuity contract. A person licensed as a limited life insurance producer under this subsection and chapter 12 to sell associated life insurance policies or annuity contracts shall not sell cemetery goods or services or funeral goods or services unless all of the conditions provided in subsection (9) are met. A person licensed as a life insurance producer, other than a limited life insurance producer, shall not sell cemetery goods or services or funeral goods or services or be associated with a funeral establishment, cemetery, or seller. Notwithstanding any other provision in this act, a funeral establishment, cemetery, or seller may advise customers or potential customers of the availability of life insurance, the proceeds of which may be assigned under subsection (6), and may provide application forms and other information regarding that life insurance. If an application form is provided, the funeral establishment, cemetery, or seller shall also provide to the person a list annually prepared by the director that lists the life insurance companies that offer Michigan associated life insurance policies or annuity contracts. The list must include the name, address, and telephone number of a producer for each of the life insurance companies listed. The list also must include a statement that a person who is insured under any life insurance policy or annuity contract may assign all or a portion of the proceeds, not to exceed the amount provided in subsection (6)(g), of the existing life insurance policy or annuity contract for the payment of funeral services or goods or cemetery services or goods to any funeral establishment, cemetery, or seller that has accepted any other assignment of an associated life insurance policy or annuity contract during that calendar year. The funeral establishment, cemetery, or seller shall accept an assignment of the proceeds from any associated or nonassociated life insurance policy or annuity contract under subsection (6), and this requirement on the funeral establishment, cemetery, or seller must be set forth in the statement prepared by the director. The assignor or the person or persons legally entitled to make funeral arrangements for the person whose life was insured may contract with the funeral establishment, cemetery, or seller of his or her choice for the rendering of the funeral goods or services or cemetery goods or services. Except as otherwise provided in this subsection, each associated life insurance policy or annuity contract delivered or issued for delivery in this state must have a death benefit that is sufficient to cover the initial contract price of the cemetery goods or services or funeral goods or services. However, a life insurer may provide an associated life insurance policy or annuity contract with a limited death benefit to an insured who does not meet insurance requirements for a policy that provides immediate full coverage or who chooses not to answer medical questions required for a policy that provides immediate full coverage. An associated life insurance policy or annuity contract with a limited death benefit must disclose in boldfaced type that the death benefit will not be sufficient to cover the initial contract price for the cemetery goods and services or funeral goods and services for a period of up to 2 years if the premium is not paid in full and that during this period the price for those goods and services may increase at a rate higher than the increase in the Consumer Price Index for this period.

(4) A person must not be designated as the beneficiary in any policy of life or accident insurance under which the beneficiary, directly or indirectly, must, in return for all or a part of the proceeds of the policy of insurance, furnish cemetery services or goods or funeral services or goods in connection with the policy.

(5) Except as otherwise provided in subsection (6), a life or accident or sick or funeral benefit company, or

any other person, shall not offer or furnish goods or services or anything but money to its insureds or the insured's heirs, representatives, attorneys, relatives, associates, or assigns in connection with, or by way of encumbrance, assignment, payment, settlement, satisfaction, discharge, or release of, an insurance policy. However, this subsection does not prohibit a company, corporation, or association from furnishing medical, surgical, or hospital service.

(6) Notwithstanding any other provision in this act, a life insurer may write a life insurance policy or annuity contract that is subject to an assignment of the proceeds of the insurance policy or annuity contract as payment for cemetery services or goods or funeral services or goods as provided in this subsection regardless of the relationship between the life insurer and the assignee. An assignment of the proceeds of the insurance policy or annuity contract under this subsection must be in writing on a form approved by the director. A predeath assignment of the proceeds of a life insurance policy or annuity contract as payment for cemetery services or goods or funeral services or goods is void unless all of the following conditions and criteria are met:

(a) The assignment is an inseparable part of the contract for the cemetery services or goods or funeral services or goods for which the assigned proceeds serve as payment.

(b) The assignment is revocable by the assignor, the assignor's successor, or if the assignor is the insured, the representative of the insured's estate before the cemetery services or goods or funeral services or goods are provided.

(c) The contract for funeral services or goods or cemetery services or goods and the assignment provide that on revocation of the assignment, the contract for the cemetery services or goods or funeral services or goods is revoked and cemetery services or goods or funeral services or goods may be obtained from any cemetery, funeral establishment, or seller.

(d) The assignment contains the following disclosure in boldfaced type:

"This assignment may be revoked by the assignor or assignor's successor or, if the assignor is also the insured and deceased, by the representative of the insured's estate before the cemetery services or goods or funeral services or goods are provided. If the assignment is revoked, the death benefit under the life insurance policy or annuity contract will be paid in accordance with the beneficiary designation under the insurance policy or annuity contract."

(e) The assignment provides for all of the following:

(*i*) That the actual price of the cemetery services or goods or funeral services or goods delivered at the time of death may be more than or less than the price set forth in the assignment.

(*ii*) For the assignment of an associated life insurance policy or annuity contract, that any increase in the price of the cemetery services or goods or funeral services or goods will not exceed the ultimate death benefit under the life insurance policy or annuity contract. This requirement does not apply to an insurance policy or annuity contract with a limited death benefit during the period that the limited death benefit is in effect. During this period, the beneficiary and the seller are not obligated to fulfill the terms of the contract for the cemetery services or goods or funeral services or goods for which the assigned proceeds serve as payment and the assignment of the associated life insurance policy or annuity contract may be revoked.

(*iii*) For the assignment of a nonassociated life insurance policy or annuity contract, that any increase in the price of the cemetery services or goods or the funeral services or goods must not exceed the Consumer Price Index or the retail price list in effect when the death occurs, whichever is less.

(*iv*) That if the ultimate death benefit under the life insurance policy or annuity contract exceeds the price of the cemetery services or goods or funeral services or goods at the time of performance, the excess amount must be distributed to the beneficiary designated under the life insurance policy or annuity contract or the insured's estate.

(*v*) That any addition to or modification of the contract for cemetery services or goods or funeral services or goods does not revoke the assignment or the contract for the cemetery services or goods or funeral services or goods that are not affected by the addition or modification for which the assigned proceeds are payment unless the assignment is revoked.

(f) The assignment is limited to that portion of the proceeds of the life insurance policy or annuity contract that is needed to pay for the cemetery services or goods or funeral services or goods for which the assignor has contracted.

(g) For an associated life insurance policy or annuity contract, the death benefit of the life insurance policy or annuity contract subject to the assignment does not exceed $12,720.00 when the first premium payment is made on the life insurance policy or annuity contract. For a nonassociated life insurance policy or annuity contract, the initial amount of proceeds assigned does not exceed $12,720.00. The maximum amounts in this subdivision must be adjusted annually in accordance with the Consumer Price Index.

(h) The assignment must contain the dispute resolution rights in subsection (8). After the death of the

insured but before the cemetery services or goods or funeral services or goods are provided, the funeral establishment, cemetery, or seller shall provide to a representative of the insured's estate a separate document entitled, "dispute resolution disclosure statement," that must clearly set forth the dispute resolution rights in subsection (8). The dispute resolution disclosure statement must be filed with the director and is considered approved unless disapproved within 30 days after the submission. The language used to set forth the dispute resolution rights in subsection (8) must be written in a manner that is understood by a person of ordinary intelligence.

(i) The assignor and not the assignee is responsible for making the premium payments due on the life insurance policy or annuity contract. This subdivision does not apply to an insurance producer when acting as a fiduciary under section 1207.

(j) After the death of the insured but before the cemetery services or goods or funeral services or goods are provided, the representative of the insured's estate is provided with a current price list for the cemetery services or goods or funeral services or goods provided under the assignment.

(k) At the time the assignment is made, the assignee complies with the price disclosure rules of the Federal Trade Commission prescribed in 16 CFR part 453 whether or not the rules by their own terms apply to the offering.

(*l*) At the time the assignment is made, the assignor certifies that the insured does not have in effect other life insurance policies or annuity contracts that have been assigned as payment for cemetery goods or services or funeral goods or services that together with the additional assignment would have an aggregate face value in excess of the limitation provided in subdivision (g).

(m) For the assignment of a nonassociated life insurance policy or annuity contract, the assignment complies with both of the following:

(*i*) The assignment is sufficient to cover the initial contract price of the cemetery goods or services or funeral goods or services.

(*ii*) The assignment provides that any increase in the price of the cemetery services or goods or the funeral services or goods must not exceed the Consumer Price Index or the retail price list in effect when the death occurs, whichever is less.

(7) An insurer or an insurance producer shall not make a false or misleading statement, oral or written, regarding an assignment subject to subsection (6) or regarding the rights or obligations of any party or prospective party to the assignment. An insurer or an insurance producer shall not advertise or promote an assignment subject to subsection (6) in a manner that is false, misleading, deceptive, or unfair. The director shall promulgate rules regulating the solicitation of plans promoting assignments subject to subsection (6) to protect against solicitations that are intimidating, vexatious, fraudulent, or misleading, or which take unfair advantage of a person's ignorance or emotional vulnerability.

(8) After cemetery services or goods or funeral services or goods that are subject to an assignment under this section are provided, the funeral establishment, cemetery, or seller shall provide to a representative of the insured's estate a statement to be signed by the representative of the insured's estate authorizing the release of the assignment proceeds for the payment of the cemetery services or goods or funeral services or goods. The insurer shall release to the funeral establishment, cemetery, or seller the assignment proceeds on receipt of the authorization statement signed by a representative of the insured's estate. If a representative of the insured's estate fails to sign the authorization statement, all of the following apply:

(a) The funeral establishment, cemetery, or seller shall provide the representative of the insured's estate with a dispute resolution notice, a copy of which is to be sent to the insurer and the director that states all of the following:

(*i*) That the funeral establishment, cemetery, or seller has provided the cemetery services or goods or funeral services or goods.

(*ii*) That a representative of the insured's estate has refused to authorize the insurer to release the assignment proceeds for the payment of the cemetery services or goods or funeral services or goods.

(*iii*) That a representative of the insured's estate may seek arbitration to resolve the payment dispute.

(b) On the receipt of the dispute resolution notice described in subdivision (a), the insurer shall retain the assignment proceeds for 30 days. The insurer shall release the assignment proceeds to the funeral establishment, cemetery, or seller if after the expiration of the 30 days the insurer is not informed that arbitration proceedings have been commenced, or pursuant to the award of the arbitrator.

(c) The funeral establishment, cemetery, seller, or a representative of the insured's estate may commence arbitration proceedings to determine the disposition of the assignment proceeds. Arbitration must be conducted under the rules and procedures of the American Arbitration Association. Expenses of the arbitration must be shared equally by the insured's estate and the assignee unless otherwise ordered by the arbitrator.

(d) This subsection does not limit the right of any party involved in the payment dispute to seek other recourse permitted by law.

(9) A life insurance producer shall not sell or solicit the sale of a life insurance policy or annuity contract with the intention of having the purchaser assign the proceeds of the policy or contract to a funeral establishment, cemetery, or seller with which the producer is associated unless all of the following conditions are met:

(a) The producer discloses in writing to the purchaser the nature of his or her association with the funeral establishment, cemetery, or seller and that both the funeral establishment, cemetery, or seller and the producer will or may profit from the transaction, if that is the case.

(b) A funeral establishment, cemetery, or seller that accepts assignments under subsection (6) also offers to sell or provide cemetery goods or services or funeral goods or funeral services under prepaid funeral contracts as provided in the prepaid funeral and cemetery sales act, 1986 PA 255, MCL 328.211 to 328.235, or under the trust provisions of the cemetery regulation act, 1968 PA 251, MCL 456.521 to 456.543.

(c) If the contemplated assignment is to be made to pay the cost of cemetery goods or services or funeral goods or funeral services, the producer discloses in writing to the purchaser that the cemetery goods or services or funeral goods or services may also be purchased before death by making payment directly to a funeral establishment, cemetery, or seller who will hold funds in escrow for the benefit of the purchaser under the prepaid funeral and cemetery sales act, 1986 PA 255, MCL 328.211 to 328.235, or in trust under the cemetery regulation act, 1968 PA 251, MCL 456.521 to 456.543. The written disclosure must also state that on cancellation of the prepaid funeral contract, the purchaser is entitled to a refund of at least 90% of the principal and income earned.

(d) The sale of cemetery goods or services or funeral goods or services is not conditioned on the purchaser buying or agreeing to buy a life insurance policy or annuity contract or on the assignment of the proceeds of the policy or contract to the funeral establishment, cemetery, or seller.

(e) The sale of a life insurance policy or annuity contract is not conditioned on the purchaser buying or agreeing to buy cemetery goods or services or funeral goods or services from the funeral establishment, cemetery, or seller with which the producer is associated or on the assignment of the proceeds of the policy or contract to the funeral establishment, cemetery, or seller.

(f) A discount from the current price of cemetery goods or services or funeral goods or services is not offered as an inducement to purchase or assign a life insurance policy or annuity contract.

(g) If the life insurance policy or annuity contract sold by the producer is canceled by the purchaser within 10 days after the receipt of the policy or annuity contract, a full refund of all premiums is paid to the purchaser.

(h) The producer discloses in writing to the purchaser that the funeral establishment, cemetery, or seller with which the producer is associated will accept assignments of life insurance policies or annuity contracts sold by any other licensed producer.

(10) The director or any other person, in order to force compliance with subsection (6) or (7), may bring an action in a circuit court in any county in which the assignee or insurance producer or any other person has solicited or sold a life insurance policy or annuity contract that is assigned under subsection (6), whether or not that person has purchased the life insurance policy or annuity contract or is personally aggrieved by a violation of this section. The court may award damages and issue equitable orders in accordance with the Michigan court rules to restrain conduct in violation of this section.

(11) A person that violates this section is guilty of a misdemeanor, punishable on conviction by a fine of not more than $1,000.00 or by imprisonment for not more than 6 months, or both, within the discretion of the courts. Each violation is a separate offense.

(12) In addition to the penalty provided in subsection (11), if, after a hearing conducted under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, the director determines a person has violated this section, the director may order the person to pay a civil fine of not more than $10,000.00 for each violation and may also impose other sanctions provided under chapter 12. The money collected under this subsection must be deposited in the funeral consumers education and advocacy fund. The funeral consumers education and advocacy fund is created within the department. The director shall administer the fund. The money in the fund must be used to do both of the following:

(a) To promote the education of consumers concerning the prearrangement and purchase of cemetery or funeral services or goods through the purchase and assignment of life insurance or annuity contracts.

(b) To provide legal assistance to persons who were injured as a result of a violation of this section.

(13) For purposes of this section, a life insurance producer is associated with a funeral establishment, cemetery, or seller if any of the following apply:

500.2108 Filing of manual or plan; statement of character and extent of coverage; maintaining rates in effect for eligible persons; insurer as member of or subscriber to rating organization; deviations; certification, contents, and public inspection of filing; trade secret; contract or policy to be in accordance with filings; automobile insurance compliance with chapter 24; redlining practices prohibited.

Sec. 2108. (1) On the effective date of a manual of classification, manual of rules and rates, rating plan, or modification of a manual of classification, manual of rules and rates, or rating plan that an insurer proposes to use for home insurance, the insurer shall file the manual or plan with the director. For automobile insurance, an insurer shall file a manual or plan described in this subsection in accordance with subsection (6). Each filing under this subsection must state the character and extent of the coverage contemplated. An insurer that is subject to this chapter and that maintains rates in any part of this state shall at all times maintain rates in effect for all eligible persons meeting the underwriting criteria of the insurer.

(2) An insurer may satisfy its obligation to make filings under subsection (1) by becoming a member of, or a subscriber to, a rating organization licensed under chapter 24 or chapter 26 that makes the filings, and by filing with the director a copy of its authorization of the rating organization to make the filings on its behalf. This chapter does not require an insurer to become a member of or a subscriber to a rating organization. An insurer may file and use deviations from filings made on its behalf. The deviations are subject to this chapter.

(3) A filing under this section must be accompanied by a certification by or on behalf of the insurer that, to the best of the insurer's information and belief, the filing conforms to the requirements of this chapter.

(4) A filing under this section must include information that supports the filing with respect to the requirements of section 2109. The information may include 1 or more of the following:

(a) The experience or judgment of the insurer or rating organization making the filing.

(b) The interpretation of the insurer or rating organization of any statistical data it relies on.

(c) The experience of other insurers or rating organizations.

(d) Any other relevant information.

(5) Except as otherwise provided in this subsection, the department shall make a filing under this section and any accompanying information open to public inspection on filing. An insurer or a rating organization filing on the insurer's behalf may designate information included in the filing or any accompanying information as a trade secret. The insurer or the rating organization filing on behalf of the insurer shall demonstrate to the director that the designated information is a trade secret. If the director determines that the

information is a trade secret, the information is not subject to public inspection and is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246. As used in this subsection, "trade secret" means that term as defined in section 2 of the uniform trade secrets act, 1998 PA 448, MCL 445.1902. However, trade secret does not include filings and information accompanying filings under this section that were subject to public inspection before January 11, 2016.

(6) For automobile insurance, an insurer shall file a manual or plan in accordance with chapter 24, except that the manual or plan must remain on file for a waiting period of 90 days before it becomes effective, which period may not be extended by the director, and the waiting period applies regardless of whether supporting information is required by the director under section 2406(1). Upon written application by the insurer, the director may authorize a filing that he or she has reviewed to become effective before expiration of the waiting period.

(7) An insurer shall not make, issue, or renew a contract or policy except in accordance with filings that are in effect for the insurer under this chapter.

(8) A filing under this chapter must specify that the insurer will not refuse to insure, refuse to continue to insure, or limit the amount of coverage available because of the location of the risk, and that the insurer recognizes those practices to constitute redlining. An insurer shall not engage in redlining as described in this subsection.

500.2109 Rates for automobile insurance and home insurance; requirements; determining existence of reasonable degree of competition.

Sec. 2109. (1) All rates for automobile insurance and home insurance shall be made in accordance with the following provisions:

(a) Rates shall not be excessive, inadequate, or unfairly discriminatory. A rate shall not be held to be excessive unless the rate is unreasonably high for the insurance coverage provided and a reasonable degree of competition does not exist for the insurance to which the rate is applicable.

(b) A rate shall not be held to be inadequate unless the rate is unreasonably low for the insurance coverage provided and the continued use of the rate endangers the solvency of the insurer; or unless the rate is unreasonably low for the insurance provided and the use of the rate has or will have the effect of destroying competition among insurers, creating a monopoly, or causing a kind of insurance to be unavailable to a significant number of applicants who are in good faith entitled to procure that insurance through ordinary methods.

(c) A rate for a coverage is unfairly discriminatory in relation to another rate for the same coverage if the differential between the rates is not reasonably justified by differences in losses, expenses, or both, or by differences in the uncertainty of loss, for the individuals or risks to which the rates apply. A reasonable justification shall be supported by a reasonable classification system; by sound actuarial principles when applicable; and by actual and credible loss and expense statistics or, in the case of new coverages and classifications, by reasonably anticipated loss and expense experience. A rate is not unfairly discriminatory because it reflects differences in expenses for individuals or risks with similar anticipated losses, or because it reflects differences in losses for individuals or risks with similar expenses.

(2) A determination concerning the existence of a reasonable degree of competition with respect to subsection (1)(a) shall take into account a reasonable spectrum of relevant economic tests, including the number of insurers actively engaged in writing the insurance in question, the present availability of such insurance compared to its availability in comparable past periods, the underwriting return of that insurance over a period of time sufficient to assure reliability in relation to the risk associated with that insurance, and the difficulty encountered by new insurers in entering the market in order to compete for the writing of that insurance.

provisions; grouping risks by classifications.

Sec. 2110. (1) In developing and evaluating rates pursuant to the standards prescribed in section 2109, due consideration shall be given to past and prospective loss experience within and outside this state, to catastrophe hazards, if any; to a reasonable margin for underwriting profit and contingencies; to dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers; to past and prospective expenses, both countrywide and those specially applicable to this state exclusive of assessments under this code; to assessments under this code; to underwriting practice and judgment; and to all other relevant factors within and outside this state.

(2) The systems of expense provisions included in the rates for use by any insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the requirements of the operating methods of the insurer or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable.

(3) Risks may be grouped by classifications for the establishment of rates and minimum premiums. The classifications may measure differences in losses, expenses, or both.

Sec. 2111. (1) Notwithstanding any provision of this act or this chapter to the contrary, classifications and territorial base rates used by an insurer in this state with respect to automobile insurance or home insurance must conform to the applicable requirements of this section.

(2) Classifications established under this section for automobile insurance must be based only on 1 or more of the following factors, which must be applied by an insurer on a uniform basis throughout this state:

(a) With respect to all automobile insurance coverages:

(*i*) Either the age of the driver; the length of driving experience; or the number of years licensed to operate a motor vehicle.

(*ii*) Driver primacy, based on the proportionate use of each vehicle insured under the policy by individual drivers insured or to be insured under the policy.

(*iii*) Average miles driven weekly, annually, or both.

(*iv*) Type of use, such as business, farm, or pleasure use.

(*v*) Vehicle characteristics, features, and options, such as engine displacement, ability of the vehicle and its equipment to protect passengers from injury, and other similar items, including vehicle make and model.

(*vi*) Daily or weekly commuting mileage.

(*vii*) Number of cars insured by the insurer or number of licensed operators in the household. However, number of licensed operators must not be used as an indirect measure of marital status.

(*viii*) Amount of insurance.

(b) In addition to the factors prescribed in subdivision (a), with respect to personal protection insurance coverage:

(*i*) Earned income.

(*ii*) Number of dependents of income earners insured under the policy.

(*iii*) Coordination of benefits.

(*iv*) Use of a safety belt.

(c) In addition to the factors prescribed in subdivision (a), with respect to collision and comprehensive coverages:

(*i*) The anticipated cost of vehicle repairs or replacement, which may be measured by age, price, cost new, or value of the insured automobile, and other factors directly relating to that anticipated cost.

(*ii*) Vehicle make and model.

(*iii*) Vehicle design characteristics related to vehicle damageability.

(*iv*) Vehicle characteristics relating to automobile theft prevention devices.

(d) With respect to all automobile insurance coverage other than comprehensive, successful completion by the individual driver or drivers insured under the policy of an accident prevention education course that meets the following criteria:

(*i*) The course must include a minimum of 8 hours of classroom instruction.

(*ii*) The course must include, but not be limited to, a review of all of the following:

(A) The effects of aging on driving behavior.

(B) The shapes, colors, and types of road signs.

(C) The effects of alcohol and medication on driving.

(D) The laws relating to the proper use of a motor vehicle.

(E) Accident prevention measures.

(F) The benefits of safety belts and child restraints.

(G) Major driving hazards.

(H) Interaction with other highway users, such as motorcyclists, bicyclists, and pedestrians.

(3) Each insurer shall establish a secondary or merit rating plan for automobile insurance, other than comprehensive coverage. A secondary or merit rating plan required under this subsection must provide for premium surcharges for all coverages for automobile insurance, other than comprehensive coverage, based on any of the following, when that information becomes available to the insurer:

(a) Substantially at-fault accidents.

(b) Convictions for, determinations of responsibility for civil infractions for, or findings of responsibility in probate court for civil infractions for violations under chapter VI of the Michigan vehicle code, 1949 PA 300, MCL 257.601 to 257.750. However, an insured must not be merit rated for a civil infraction under chapter VI of the Michigan vehicle code, 1949 PA 300, MCL 257.601 to 257.750, for a period of time longer than that which the secretary of state's office carries points for that infraction on the insured's motor vehicle record.

(4) An insurer shall not establish or maintain rates or rating classifications for automobile insurance based

on any of the following:

(a) Sex.

(b) Marital status.

(c) Home ownership.

(d) Educational level attained.

(e) Occupation.

(f) The postal zone in which the insured resides.

(g) Credit score as provided in section 2162.

(5) Notwithstanding other provisions of this chapter, automobile insurance risks may be grouped by territory.

(6) This section does not limit insurers or rating organizations from establishing and maintaining statistical reporting territories. This section does not prohibit an insurer from establishing or maintaining, for automobile insurance, a premium discount plan for senior citizens in this state who are 65 years of age or older, if the plan is uniformly applied by the insurer throughout this state. If an insurer has not established and maintained a premium discount plan for senior citizens, the insurer shall offer reduced premium rates to senior citizens in this state who are 65 years of age or older and who drive less than 3,000 miles per year, regardless of statistical data.

(7) Classifications established under this section for home insurance other than inland marine insurance provided by policy floaters or endorsements must be based only on 1 or more of the following factors:

(a) Amount and types of coverage.

(b) Security and safety devices, including locks, smoke detectors, and similar, related devices.

(c) Repairable structural defects reasonably related to risk.

(d) Fire protection class.

(e) Construction of structure, based on structure size, building material components, and number of units.

(f) Loss experience of the insured, based on prior claims attributable to factors under the control of the insured that have been paid by an insurer. An insured's failure, after written notice from the insurer, to correct a physical condition that presents a risk of repeated loss is a factor under the control of the insured for purposes of this subdivision.

(g) Use of smoking materials within the structure.

(h) Distance of the structure from a fire hydrant.

(i) Availability of law enforcement or crime prevention services.

(8) Notwithstanding other provisions of this chapter, home insurance risks may be grouped by territory.

(9) An insurer may use factors in addition to those permitted by this section for insurance if the plan is consistent with the purposes of this act and reflects reasonably anticipated reductions or increases in losses or expenses.

500.2111f Automobile insurance; premium rate reduction requirements for personal protection insurance coverage; approval by director; use of savings; applicability to certain increases; inclusion of catastrophic claims assessment; severability; definitions.

Sec. 2111f. (1) Before July 1, 2020, an insurer that offers automobile insurance in this state shall file premium rates for personal protection insurance coverage for automobile insurance policies effective after July 1, 2020.

(2) Subject to subsections (6) and (7), the premium rates filed as required by subsection (1), and any subsequent premium rates filed by the insurer for personal protection insurance coverage under automobile insurance policies effective before July 2, 2028, must result, as nearly as practicable, in an average reduction per vehicle from the premium rates for personal protection insurance coverage that were in effect for the insurer on May 1, 2019 as follows:

(a) For policies subject to the coverage limits under section 3107c(1)(a), an average 45% or greater reduction per vehicle.

(b) For policies subject to the coverage limits under section 3107c(1)(b), an average 35% or greater reduction per vehicle.

(c) For policies subject to the coverage limits under section 3107c(1)(c), an average 20% or greater reduction per vehicle.

(d) For policies not subject to any coverage limit under section 3107c(1)(d), an average 10% or greater reduction per vehicle.

(3) For a policy under which an election under section 3107d has been made to not maintain coverage for personal protection insurance benefits payable under section 3107(1)(a), or for a policy to which an exclusion under section 3109a(2) applies, the premium rates filed under subsection (1), and any subsequent premium rates filed by the insurer for personal protection insurance coverage, must result in no premium charge for coverage for personal protection insurance benefits payable under section 3107(1)(a).

(4) The director shall review a filing submitted by an insurer under subsections (1) to (3) for compliance with this section. Subject to subsection (7), the director shall disapprove a filing if after review the director determines that the filing does not result in the premium reductions required by subsections (2) and (3).

(5) If the director disapproves a premium rate filing under subsection (4), the insurer shall submit a revised premium rate filing to the director within 15 days after the disapproval. The premium rate filing is subject to review in the same manner as an original premium rate filing under subsection (4).

(6) For policies issued or renewed in the year beginning July 1, 2024 and in the year beginning July 1, 2026, an automobile insurer that offers automobile insurance in this state shall make filings demonstrating its compliance with this section.

(7) At any time, an insurer may apply to the director for approval to file rates that result in a lower premium reduction level or an exemption from the requirements of subsection (2) and the director shall approve the application if the rates otherwise comply with this act and compliance with the premium reductions required by subsection (2) will result in any of the following:

(a) The insurer reaching the company action level risk-based capital.

(b) A violation of the Fourteenth Amendment of the United States Constitution as to the insurer. This subdivision does not apply after July 1, 2023.

(c) A violation of section 17 of article I of the state constitution of 1963, as to deprivation of property without due process. This subdivision does not apply after July 1, 2023.

(8) An insurer shall pass on, in filings to which this section applies, savings realized from the application of section 3157(2) to (12) to treatment, products, services, accommodations, or training rendered to individuals who suffered accidental bodily injury from motor vehicle accidents that occurred before July 2, 2021. An insurer shall provide the director with all documents and information requested by the director that the director determines are necessary to allow the director to evaluate the insurer's compliance with this subsection. After July 1, 2022, the director shall review all rate filings to which this section applies for compliance with this subsection.

(9) This section does not prohibit an increase for any individual insurance policy premium if the increase results from applying rating factors as approved under this chapter, including the requirements of this section.

(10) After July 1, 2020 and before July 2, 2028, an insurer shall not issue or renew an automobile insurance policy in this state unless the premium rates filed by the insurer for personal protection insurance coverage are approved under this section.

(11) For purposes of calculating a personal protection insurance premium or premium rate under this section, the premium must include the catastrophic claims assessment imposed under section 3104.

(12) If subsection (2) or the application of subsection (2) to any insurer is found to be invalid by a court, the remaining portions of the amendatory act that added this section are not severable and shall be deemed invalid and inoperable.

(13) As used in this section:

(a) "Authorized control level RBC" means the number determined under the risk-based capital formula in accordance with the RBC report, including risk-based capital instructions adopted by the National Association of Insurance Commissioners and the director.

(2) In a written notice provided under subsection (1), the insurer shall provide the policyholder with a telephone number and an Internet address, by either of which the policyholder may contact the insurer to request the information listed in subsection (1). On request of the policyholder, the insurer shall provide the policyholder with the requested information in either a written or electronic format, as requested by the policyholder.

Sec. 2113. (1) A person who has reason to believe that an insurer has improperly denied him or her automobile insurance or home insurance or has charged an incorrect premium for that insurance shall be entitled to a private informal managerial-level conference with the insurer and to a review before the commissioner, if the conference fails to resolve the dispute.

(2) An insurer shall establish reasonable internal procedures to provide a person with a private informal managerial-level conference regarding the matters described in subsection (1). These procedures shall include all of the following:

(a) A method of providing the person, upon request and payment of a reasonable copying charge, with information pertinent to the denial of insurance or to the premium charged.

(b) A method for resolving the dispute promptly and informally, while protecting the interests of both the person and the insurer.

(3) If the insurer fails to provide a conference and proposed resolution within 30 days after a request by a person, or if the person disagrees with the proposed resolution of the insurer after completion of the conference, the person shall be entitled to a determination of the matter by the commissioner.

(4) The commissioner shall by rule establish a procedure for determination under this section, which shall be reasonably calculated to resolve these matters informally and as rapidly as possible, while protecting the interests of both the person and the insurer.

(5) If either the insurer or the person disagrees with a determination of the commissioner under this section, the commissioner, if requested to do so by either party, shall proceed to hear the matter as a contested case under Act No. 306 of the Public Acts of 1969, as amended.

Sec. 2114. (1) A person or organization aggrieved with respect to any filing which is in effect and which affects the person or organization may make written application to the commissioner for a hearing on the filing. However, the insurer or rating organization which made the filing shall not be authorized to proceed under this subsection. The application shall specify the grounds to be relied upon by the applicant. If the commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if the grounds specified are established, or that the grounds specified otherwise justify holding a hearing, the commissioner, not more than 30 days after receipt of the application, shall hold a hearing in accordance with Act No. 306 of the Public Acts of 1969, as amended, upon not less than 10 days' written notice to the applicant, the insurer, and the rating organization which made the filing.

(2) If after hearing initiated under subsection (1) or upon the commissioner's own motion pursuant to Act No. 306 of the Public Acts of 1969, as amended, the commissioner finds that a filing does not meet the requirements of sections 2109 and 2111, the commissioner shall issue an order stating the specific reasons for that finding. The order shall state when, within a reasonable time after issuance of the order, the filing shall be considered no longer effective. A copy of the order shall be sent to the applicant, if any, and to each insurer and rating organization subject to the order. The order shall not affect a contract or policy made or issued before the date the filing becomes ineffective, as indicated in the commissioner's order.

500.2115 Finding by commissioner that reasonable degree of competition does not exist on statewide basis; order requiring compliance with chapter 24 or 26; hearing; notice; new order.

Sec. 2115. (1) If as part of a decision in a proceeding under section 2114, or in a separate proceeding on the commissioner's own motion, held pursuant to Act No. 306 of the Public Acts of 1969, as amended, the commissioner finds that a reasonable degree of competition does not exist on a statewide basis with respect to automobile insurance or home insurance, the commissioner shall by order require each insurer which transacts that type of insurance in this state to comply with the provisions of chapter 24 or 26, as the case may be, with respect to that insurance which was the subject of the commissioner's finding. The order shall take effect not less than 90 nor more than 150 days after the order is issued. On or after the effective date of an order issued under this subsection, none of the provisions of this chapter shall be applicable to the insurance which was the subject of the order.

(2) After an order issued pursuant to subsection (1) has been in effect for 1 year, if the commissioner has reason to believe that there would be a reasonable degree of price competition for the type of insurance affected by the order, or if, upon the petition of an insurer or a resident of this state, there is a showing that there is reason to believe that there would be a reasonable degree of price competition for that type of insurance, the commissioner shall hold a hearing pursuant to Act No. 306 of the Public Acts of 1969, as amended, to determine if a reasonable degree of price competition would exist if the order were no longer in effect. The hearing shall be held upon not less than 20 days' written notice to each insurer subject to the order and upon not less than 20 days' notice in not less than 3 newspapers of general circulation within this state.

(3) If the commissioner finds after the hearing that a reasonable degree of price competition would exist, the commissioner shall by order state when, not less than 90 nor more than 150 days after issuance of a new order, the preceding order will no longer be effective. On and after the effective date of an order issued under this subsection, the provisions of this chapter shall be applicable to the type of insurance which was the subject of the order.

(e) For automobile insurance only, at least annually, supply, with the renewal of a policy, to each insured, unless the information is available from the insurer, all of the following:

(*ii*) A statement that if the insured is an eligible person he or she may qualify for insurance from more than 1 insurer, and possibly at a lower rate.

(*iii*) A statement that the agent will, on request, furnish to the insured a set of quotations from insurers represented by the agent from whom the insured may obtain insurance, as required in this subsection.

500.2117 Home insurance; condition of maintaining insurer's certificate of authority; basis of underwriting rules; provisions applicable to repair cost policy; rates; aggregation of claims; adjustment of minimum dollar amounts.

Sec. 2117. (1) As a condition of maintaining its certificate of authority, an insurer shall not refuse to insure, refuse to continue to insure, or limit the coverage available to an eligible person for home insurance, except in accordance with underwriting rules established under this section and section 2119.

(2) The underwriting rules that an insurer may establish for home insurance shall be based only on the following:

(a) Criteria identical to the standards set forth in section 2103(2).

(b) The physical condition of the property insured or to be insured, if the underwriting rules are objective, are directly related to the perils insured against, and, without regard to the age of the structure, are based on the specific provisions of a national, state, or local housing and safety code, a manufacturer's specification, or standards of similar specificity. If an applicant or insured obtains a certificate of compliance or habitation issued by an appropriate governmental unit or agency, certifying that a building is in substantial compliance with local housing and safety codes, the certificate creates a rebuttable presumption that the dwelling meets the insurer's underwriting rules relating to physical condition.

(c) For the renewal of a home insurance policy, the claim history of the person insured or to be insured during the 3-year period immediately preceding renewal of the policy, if that history is based on 1 or both of the following:

(*i*) Claim experience arising out of the insured's negligence.

(*ii*) Failure by the insured, after written notice from the insurer, to correct a physical condition that is directly related to a paid claim or that presents a clear risk of a significant loss under the property or liability portions of a homeowners policy.

(d) The relationship between market value and replacement cost of a dwelling insured or to be insured for a replacement cost policy, if a repair cost policy is offered by the insurer under subsection (3).

(e) For nonrenewal of a home insurance policy, the claim history under the policy, excluding liability claims, as follows:

(*i*) If there has been 1 or more of the following:

(A) Three paid claims within the immediately preceding 3-year period totaling $3,000.00 or more, exclusive of weather-related claims.

(B) Three paid claims within the immediately preceding 3-year period totaling $4,000.00 or more, including weather-related claims.

(*ii*) A history of 3 or more paid claims within an immediately preceding 3-year period if the insurer meets all of the following:

(A) Has an underwriting rule under subparagraph (*i*) in effect.

(B) The underwriting rule under this subparagraph is for a paid claim history that totals not less than the amount in subparagraph (*i*)(A) exclusive of weather-related claims and totals not less than the amount in subparagraph (*i*)(B) including weather-related claims.

(C) The underwriting rule under this subparagraph applies to an insured who has had a home insurance policy with the insurer for a continuous minimum period of time as determined by the insurer that may be any period of time between 5 and 10 years.

(f) Whether the number of residences within the dwelling are inconsistent with the policy forms approved by the commissioner for the insurer.

(g) Whether a dwelling has been unoccupied for more than 60 days, if there is evidence of an intent to vacate or keep the premises vacant or unoccupied, as to the applicant or insured.

(h) The existence of an adjacent physical hazard, if the hazard presents a significant risk of loss directly related to the perils insured or to be insured against for which a rate surcharge is not applicable. For purposes of this subdivision only, residential property or traffic patterns shall not be considered to cause a significant risk of loss. Nonrenewals based upon an adjacent physical hazard shall be due to a change in the hazard from that which existed at the original date of issuance of the policy.

(i) The failure of the insured or applicant to purchase an amount of insurance in excess of 80% of the replacement cost of the property to be insured under a replacement cost policy, if both of the following conditions are met:

(*i*) The purchase of an amount of insurance in excess of 80% of the replacement cost is a condition for sale of the policy.

(*ii*) The insurer offers in this state at least 1 form of a replacement cost policy for which the insurer requires only a minimum amount of insurance equal to 80% of the replacement cost of the dwelling as a condition of purchase.

(j) One or more incidents involving a threat, harassment, or physical assault by the insured or applicant for insurance on an insurer employee, agent, or agent employee while acting within the scope of his or her employment, if a report of the incident was filed with an appropriate law enforcement agency.

(3) If an insurer establishes an underwriting rule based on the relationship between the market value and replacement cost under subsection (2)(d), both of the following apply to the repair cost policy:

(a) The insurer shall offer the repair cost policy with deductibles, terms and conditions, perils insured against, and types and amounts of coverage, which are substantially equivalent to the deductibles, terms and conditions, perils insured against, and types and amounts of coverage provided by the replacement cost policy of the insurer, at least equivalent to the HO-2 form replacement cost policy filed and in effect in this state for the principal rating organization as of October 1, 1979.

(b) The insurer shall not use an underwriting rule based on the relationship between the market value and replacement cost for the repair cost policy.

(4) The rates of an insurer for a repair cost policy shall be established so that the premium for a repair cost policy shall not exceed 105% of the premium for an amount of insurance equal to 80% of the replacement cost of the dwelling under the equivalent replacement cost policy described in subsection (3)(a). Premiums for dwellings with identical replacement costs shall vary on a schedule determined by the insurer in accordance with the market value of the dwellings.

(5) Off-premises claims may be aggregated for the purposes of subsection (2)(e), irrespective of the location of the insured dwelling. All claims other than off-premises losses used in a determination for purposes of subsection (2)(e) shall be aggregated only as to an insured dwelling. The minimum dollar amounts prescribed in subsection (2)(e)(*i*) shall be adjusted on January 1, 2006, and on January 1 of every sixth year thereafter to reflect the aggregate annual average percentage change in the consumer price index since the previous adjustment, rounded to the nearest hundred dollars. As used in this subsection, "consumer price index" means the consumer price index for all urban consumers in the U.S. city average, as most recently reported by the United States department of labor, bureau of labor statistics, and after certification by the commissioner in an administrative bulletin.

500.2118 Automobile insurance; condition of maintaining insurer's certificate of authority; basis of underwriting rules.

Sec. 2118. (1) As a condition of maintaining its certificate of authority, an insurer shall not refuse to insure, refuse to continue to insure, or limit coverage available to an eligible person for automobile insurance, except in accordance with underwriting rules established as provided in this section and sections 2119 and 2120.

(2) The underwriting rules that an insurer may establish for automobile insurance must be based only on the following:

(a) Criteria identical to the standards set forth in section 2103(1).

(b) The insurance eligibility point accumulation in excess of the amounts established by section 2103(1) of a member of the household of the eligible person insured or to be insured, if the member of the household usually accounts for 10% or more of the use of a vehicle insured or to be insured. For purposes of this subdivision, a person who is the principal driver for 1 automobile insurance policy is rebuttably presumed not to usually account for more than 10% of the use of other vehicles of the household not insured under the policy of that person.

(c) With respect to a vehicle insured or to be insured, substantial modifications from the vehicle's original manufactured state for purposes of increasing the speed or acceleration capabilities of the vehicle.

(d) Except as otherwise provided in section 2116a or 2116b, failure by the person to provide proof that insurance required by section 3101 was maintained in force with respect to any vehicle that was both owned by the person and driven or moved by the person or by a member of the household of the person during the 6-month period immediately preceding application. The proof must take the form of a certification by the

person on a form provided by the insurer that the vehicle was not driven or moved without maintaining the insurance required by section 3101 during the 6-month period immediately preceding application.

(e) Type of vehicle insured or to be insured, based on 1 of the following, without regard to the age of the vehicle:

(*i*) The vehicle is of limited production or of custom manufacture.

(*ii*) The insurer does not have a rate lawfully in effect for the type of vehicle.

(*iii*) The vehicle represents exposure to extraordinary expense for repair or replacement under comprehensive or collision coverage.

(f) Use of a vehicle insured or to be insured for transportation of passengers for hire, for rental purposes, or for commercial purposes. Rules under this subdivision must not be based on the use of a vehicle for volunteer or charitable purposes or for which reimbursement for normal operating expenses is received.

(g) Payment of a minimum deposit at the time of application or renewal, not to exceed the smallest deposit required under an extended payment or premium finance plan customarily used by the insurer.

(h) For purposes of requiring comprehensive deductibles of not more than $150.00, or of refusing to insure if the person refuses to accept a required deductible, the claim experience of the person with respect to comprehensive coverage.

(i) Total abstinence from the consumption of alcoholic beverages except if such beverages are consumed as part of a religious ceremony. However, an insurer shall not use an underwriting rule based on this subdivision unless the insurer was authorized to transact automobile insurance in this state before January 1, 1981, and has consistently used such an underwriting rule as part of the insurer's automobile insurance underwriting since being authorized to transact automobile insurance in this state.

(j) One or more incidents involving a threat, harassment, or physical assault by the insured or applicant for insurance on an insurer employee, agent, or agent employee while acting within the scope of his or her employment, if a report of the incident was filed with an appropriate law enforcement agency.

Sec. 2119. (1) Each insurer subject to this chapter shall put in writing all underwriting rules used by the insurer. An insurer shall not transact automobile or home insurance inconsistently with its underwriting rules.

(2) An insurer shall apply its underwriting rules uniformly and without exception throughout this state, so that every applicant or insured conforming with the underwriting rules will be insured or renewed, and so that every applicant or insured not conforming with the underwriting rules will be refused insurance or nonrenewed, when the information becomes available to the insurer.

(3) An insurer with more than 1 rating plan for automobile insurance contracts providing identical coverages shall not adopt underwriting rules that would permit a person to be insured, for automobile insurance, under more than 1 of the rating plans.

(4) An insurer may establish underwriting rules for new applicants that are different than rules for renewals of existing insureds only if the applicants or existing insureds are not eligible persons. Underwriting rules pertaining to renewals of existing insureds who are not eligible persons may be based on a contractual obligation of the insurer not to cancel or nonrenew.

(5) For informational purposes, an insurer shall file with the commissioner its underwriting rules before their use in this state. All filed underwriting rules shall be available for public inspection. If the commissioner finds that an underwriting rule is inconsistent with this chapter, the commissioner, after a hearing held under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, shall by order prohibit further use of the underwriting rule.

(6) This section does not prohibit an insurer from insuring persons who are not eligible persons under

underwriting rules established under this section and sections 2117, 2118, and 2120.

Sec. 2120. (1) Affiliated insurers may establish underwriting rules so that each affiliate will provide automobile insurance only to certain eligible persons. This subsection applies only if an eligible person can obtain automobile insurance from 1 of the affiliates. The underwriting rules must be in compliance with this section and sections 2118 and 2119.

(2) An insurer may establish separate rating plans so that certain eligible persons are provided automobile insurance under 1 rating plan and other eligible persons are provided automobile insurance under another rating plan. This subsection applies only if all eligible persons can obtain automobile insurance under a rating plan of the insurer. Underwriting rules consistent with this section and sections 2118 and 2119 must be established to define the rating plan applicable to each eligible person.

(3) Underwriting rules under this section must be based only on the following:

(a) With respect to a vehicle insured or to be insured, substantial modifications from the vehicle's original manufactured state for purposes of increasing the speed or acceleration capabilities of the vehicle.

(b) Except as otherwise provided in section 2116a or 2116b, failure of the person to provide proof that insurance required by section 3101 was maintained in force with respect to any vehicle owned and operated by the person or by a member of the household of the person during the 6-month period immediately preceding application or renewal of the policy. The proof must take the form of a certification by the person that the required insurance was maintained in force for the 6-month period with respect to the vehicle.

(c) For purposes of insuring persons who have refused a deductible lawfully required under section 2118(2)(h), the claim experience of the person with respect to comprehensive coverage.

(d) Refusal of the person to pay a minimum deposit required under section 2118(2)(g).

(e) A person's insurance eligibility point accumulation under section 2103(1)(h), or the total insurance eligibility point accumulation of all persons who account for 10% or more of the use of 1 or more vehicles insured or to be insured under the policy.

(f) The type of vehicle insured or to be insured as provided in section 2118(2)(e).

The commissioner, after a hearing held pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, shall disapprove the further use of inspection criteria if the commissioner finds that the criteria are inconsistent with this chapter.

(a) A condition exists for which the commissioner may suspend, revoke, or limit the authority of the insurer pursuant to section 436, and the commissioner determines that suspension of all or a part of the insurer's obligations would be in the best interests of the public, the insurer, and the policyholders of the insurer.

(b) The insurer requests suspension and the commissioner finds that requiring the insurer to comply with section 2117, 2118, or both would cause the insurer undue financial or administrative hardship.

(2) If an insurer requests suspension and avers that there is an immediate need to cease its compliance with section 2117, 2118, or both, because of undue financial or administrative hardship under subsection (1)(b), the insurer's obligation to comply with section 2117, 2118, or both shall be suspended 10 business days after the insurer has filed the request and supporting documentation with the commissioner, unless within that time, the commissioner holds a hearing and finds that undue hardship under subsection (1)(b) will not be caused by continued compliance.

(2) The exemption granted under this section shall continue indefinitely with respect to an insurer initially qualifying, so long as that insurer experiences no disproportionate growth in premium volume in automobile insurance or home insurance, or changes in the insurer's pattern, location, or contours of that insurance business which indicate that the insurer is utilizing its exemption to take unfair competitive advantage of competing insurers who do not enjoy the benefits of the exemption.

(d) "Credit report" means any written, oral, or other communication of information by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing, or credit capacity that is used or expected to be used or collected in whole or in part for the purpose of serving as a factor in the rating of personal insurance.

500.2153 Credit information or insurance score; use.

Sec. 2153. An insurer shall not use credit information or an insurance score as any part of a decision to deny, cancel, or nonrenew a personal insurance policy under chapters 21, 24, and 26. However, credit information and an insurance score may be used to determine premium installment payment options and availability. An insurer shall not apply credit information or a credit-based insurance score that is otherwise permitted under this act unless all of the following are met:

(a) The insurer or its producer discloses, either on the insurance application or at the time the application is taken, that it may obtain credit information in connection with the application. This disclosure shall be either written or provided to an applicant in the same medium as the application for insurance. An insurer may use the following disclosure statement:

"In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score.".

(b) The insurer or a third party on behalf of the insurer does not use income, gender, address, zip code, ethnic group, religion, marital status, or nationality of the insured or insurance applicant in calculating an

insurance score.

(c) The insurer does not take an adverse action against a consumer because he or she does not have a credit card account. However, an insurer may take an adverse action against that insured if it is based on any other applicable factor that is independent of the fact that the consumer does not have a credit card account.

(d) The insurer or a third party on behalf of the insurer does not consider an absence of credit information or an inability to calculate an insurance score in the rating of personal insurance unless any resulting rate differential is filed with and not disapproved by the office of financial and insurance regulation. The office of financial and insurance regulation shall not disapprove a filing under this subdivision if it meets 1 of the following:

(*i*) Is reasonably justified by differences in losses, expenses, or both.

(*ii*) Provides the insured or insurance applicant with a discount that is not less, on average, than the average credit based discount received by the insurer's insureds in this state.

(e) The insurer or a third party on the insurer's behalf uses a credit report issued within 90 days before the date an insurance score based on that credit report is first applied to the insured.

(f) Upon the insured's request or with the insured's permission the insured's producer's request at annual renewal, or upon the insured's request during the course of the policy, an insurer or a third party on the insurer's behalf shall obtain a new credit report or insurance score and rerate the insured. An insurer or a third party on the insurer's behalf is not required to obtain a new credit report or recalculate the insurance score more frequently than once in a 12-month period. An insurer or a third party on the insurer's behalf may order a credit report upon any renewal if the insurer does so using a consistent methodology with all its insureds.

(g) For insurance scores calculated or recalculated on or after the effective date of the amendatory act that added this section, the insurer or a third party on the insurer's behalf does not use the following as a negative factor in any insurance score or in reviewing credit information:

(*i*) Credit inquiries not initiated by the consumer or requested by the consumer for his or her own credit information.

(*ii*) Credit inquiries relating to insurance coverage, if so identified on an insured's or insurance applicant's credit report.

(*iii*) Multiple lender inquiries, if coded by the consumer reporting agency on the credit report as being from the home mortgage industry and made within 30 days of one another, unless only 1 inquiry is considered.

(*iv*) Multiple lender inquiries, if coded by the consumer reporting agency on the credit report as being from the automobile lending industry and made within 30 days of one another, unless only 1 inquiry is considered.

(*v*) Collection accounts with a medical industry code, if so identified on the consumer's credit report.

(a) Catastrophic event, as declared by the federal or state government.

(b) Serious illness or injury, or serious illness or injury to an immediate family member.

(c) Death of a spouse, child, or parent.

(d) Divorce or involuntary interruption of legally owed alimony or support payments.

(a) Require a reasonable written and independently verifiable documentation of the event.

(b) Require the insured or insurance applicant to demonstrate that the event had direct and meaningful impact on the insured's or insurance applicant's credit information.

(c) Require a request to be made no more than 60 days from the date of the application for insurance or the

policy renewal.

(d) Grant an exception even if the insured or insurance applicant did not provide an initial request for an exception in writing.

(e) Grant an exception where the insured or insurance applicant asks for consideration of repeated events or the insurer has considered this event previously.

(3) A law, rule, or regulation relating to underwriting, rating, or rate filing is not violated by any insurer as a result of granting an exception under this section.

This communication shall be in writing or provided in the same medium as the request for a reasonable exception.

Sec. 2156. If an insurer takes an adverse action based upon credit information, the insurer shall notify the insured or applicant for insurance in accordance with 15 USC 1681m(a), that an adverse action has been taken. The insurer shall provide notice in clear and specific language of the reasons for the adverse action, including a description of all factors that were the primary or most significant influences for the adverse action and the insured's or the applicant's insurance score if not otherwise provided. However, not more than 4 factors for the adverse action need to be given. Subsection (4) and section 2212e apply to a prior authorization methodology that utilizes an internet webpage, internet webpage portal, or similar electronic, internet, and web-based system.

500.2212e Standard electronic prior authorization transaction process; requirements; adverse determination process; denial and appeals; standard report; modification program; definitions.

Sec. 2212e. (1) For an insurer that delivers, issues for delivery, renews, or administers a health benefit plan in this state, if the health benefit plan requires a prior authorization with respect to any benefit, the insurer or its designee utilization review organization shall, by June 1, 2023, make available a standardized electronic prior authorization request transaction process utilizing an internet webpage, internet webpage portal, or similar electronic, internet, and web-based system. Beginning June 1, 2023, an insurer described in this subsection or its designee utilization review organization and the health professional shall perform a prior authorization utilizing only a standard electronic prior authorization transaction process, which allows the transmission of clinical information, unless the health professional is not able to use the standard electronic prior authorization transaction process because of a temporary technological or electrical failure. The current prior authorization requirements must be described in detail and written in easily understandable language. An insurer described in this subsection or its designee utilization review organization shall make any current prior authorization requirements and restrictions, including the written clinical review criteria, readily accessible and conspicuously posted on its website to insureds, enrollees, health professionals, and health care providers. Content published by a third party and licensed for use by an insurer described in this subsection or its designee utilization review organization may be made available through the insurer or its designee utilization review organization's secure, password-protected website if the access requirements of the website do not unreasonably restrict access to the content. The prior authorization requirements must be based on peer-reviewed clinical review criteria. All of the following apply to clinical review criteria under this subsection:

(a) Unless the criteria are developed as described in subdivision (g), the clinical review criteria must be

criteria developed by either of the following:

(*i*) An entity to which both of the following apply:

(A) The entity works directly with clinicians, either within the organization or outside the organization, to develop the clinical review criteria.

(B) The entity does not receive direct payments based on the outcome of the clinical care decision.

(*ii*) A professional medical specialty society.

(b) The clinical review criteria must take into account the needs of atypical patient populations and diagnoses.

(c) The clinical review criteria must ensure quality of care and access to needed health care services.

(d) The clinical review criteria must be evidence-based criteria.

(e) The clinical review criteria must be sufficiently flexible to allow deviations from norms when justified on a case-by-case basis.

(f) The clinical review criteria must be evaluated and updated, if necessary, at least annually.

(g) For coverage other than prescription drug benefit coverage, before establishing, or substantially or materially altering, its own written clinical review criteria, an insurer or its designee utilization review organization must obtain input from actively practicing licensed physicians representing major areas of the specialty. For coverage of a prescription drug benefit, before establishing, or substantially or materially altering, its own clinical review criteria, an insurer or its designee utilization review organization must obtain input from actively practicing licensed pharmacists or actively practicing licensed physicians. If criteria are developed for a health care service provided by a health professional not licensed to engage in the practice of medicine under part 170 of the public health code, 1978 PA 368, MCL 333.17001 to 333.17097, or osteopathic medicine and surgery under part 175 of the public health code, 1978 PA 368, MCL 333.17501 to 333.17556, an insurer or designee utilization review organization must also seek input from a health professional in the same profession as the health professional providing the health care service.

(2) An insurer described in subsection (1) shall make available on the insurer's public website in a readily accessible format a list of all benefits that are subject to a prior authorization under the health benefit plan.

(3) If an insurer described in subsection (1) implements a new prior authorization requirement or restriction, or amends an existing requirement or restriction, with respect to any benefit under a health benefit plan, the insurer shall ensure that the new or amended requirement or restriction is posted on the insurer's public website before its implementation. For a benefit that does not involve coverage of a prescription drug, an insurer shall notify contracted health care providers via the insurer's provider portal of the new or amended requirement or restriction not less than 60 days before the requirement or restriction is implemented. For coverage of a prescription drug, an insurer shall make available on the insurer's public website or notify contracted health care providers via the insurer's provider portal of the new or amended requirement or restriction not less than 45 days before the requirement or restriction is implemented unless any of the following apply:

(a) The United States Food and Drug Administration has done any of the following:

(*i*) Issued a statement that calls into question the clinical safety of the drug.

(*ii*) Required the manufacturers to conduct postmarket safety studies and clinical trials after the approval of the drug.

(*iii*) Issued any drug safety-related labeling changes.

(*iv*) Required the manufacturers to implement special risk management programs.

(b) The drug receives a new United States Food and Drug Administration approval and has become available.

(c) The United States Food and Drug Administration has approved expanded use of the drug.

(4) The initial review of information submitted in support of a request for prior authorization may be conducted and approved by a health professional.

(5) For an adverse determination regarding a request for prior authorization for a benefit other than a prescription drug, the adverse determination must be made by a licensed physician. For an adverse determination of a health care service provided by a health professional that is not a licensed physician, a licensed physician may consider input from a health professional who is in the same profession as the health professional providing the health care service. The licensed physician shall make the adverse determination under this subsection under the general direction of the insurer's medical director who oversees the utilization management program. Medical directors under this subsection must be licensed to engage in the practice of medicine under part 170 of the public health code, 1978 PA 368, MCL 333.17001 to 333.17097, or the practice of osteopathic medicine and surgery under part 175 of the public health code, 1978 PA 368, MCL 333.17501 to 333.17556.

adverse determination must be made by a licensed pharmacist or licensed physician. The licensed pharmacist or licensed physician shall make the adverse determination under this subsection under the general direction of the insurer's medical director who oversees the utilization management program. Medical directors under this subsection must be licensed to engage in the practice of medicine under part 170 of the public health code, 1978 PA 368, MCL 333.17001 to 333.17097, or the practice of osteopathic medicine and surgery under part 175 of the public health code, 1978 PA 368, MCL 333.17501 to 333.17556.

(7) If an insurer described in subsection (1) denies a prior authorization, the insurer or its designee utilization review organization shall, on issuing a benefit denial, notify the health professional and insured or enrollee of all of the following:

(a) The reasons for the denial and related evidence-based criteria.

(b) The right to appeal the adverse determination.

(a) The health professional does not have a direct financial stake in the outcome of the appeal.

(b) The health professional has not been involved in making the adverse determination.

(c) The health professional considers all known clinical aspects of the health care services under review, including, but not limited to, a review of all pertinent medical records provided to the insurer or designee utilization review organization by the insured or enrollee's health care provider and any relevant records provided to the insurer or designee utilization review organization by a health care facility.

(d) The health professional may consider input from a health professional who is licensed in the same profession as the health professional providing the health care service or a licensed pharmacist if the adverse decision is regarding a prescription drug.

(9) An insurer or its designee utilization review organization shall not affirm the denial of an appeal under subsection (8) unless the appeal is reviewed by a licensed physician who is board certified or eligible in the same specialty as a health care provider who typically manages the medical condition or disease or provides the health care service. However, if an insurer or its designee utilization review organization cannot identify a licensed physician who meets the requirements described in this subsection without exceeding the applicable time limits imposed under subsection (10), the insurer or its designee utilization review organization may utilize a licensed physician in a similar specialty as considered appropriate, as determined by the insurer or its designee utilization review organization.

(10) Beginning June 1, 2023 through May 31, 2024, a prior authorization request under this section that has not been certified as urgent by the health care provider is considered granted by the insurer or its designee utilization review organization if the insurer or its designee utilization review organization fails to grant the request, deny the request, or require additional information of the health care provider within 9 calendar days after the date and time of submission of the prior authorization. If additional information is requested by an insurer or its designee utilization review organization, the prior authorization request is considered to have been granted by the insurer or its designee utilization review organization if the insurer or its designee utilization review

organization fails to grant the request, deny the request, or otherwise respond to the request of the health care provider within 72 hours after the date and time of the submission of additional information.

Sec. 2213b. (1) Except as otherwise provided in this section and section 2213e, an insurer that delivers, issues for delivery, or renews in this state a health insurance policy shall renew the policy or continue the policy in force at the option of the individual or, for a group plan, at the option of the plan sponsor.

(2) At the time of renewal of an individual health insurance policy, the insurer may modify the policy if the modification is consistent with state and federal law and is effective on a uniform basis among all individuals with coverage under the policy.

(3) At the time of renewal of a group health insurance policy issued under chapter 34, the insurer may modify the policy.

(4) Guaranteed renewal of a health insurance policy is not required in cases of fraud, intentional misrepresentation of material fact, lack of payment, noncompliance with minimum contribution requirements, or noncompliance with minimum participation requirements, if the insurer no longer offers that particular type of coverage in the market, or if the individual or group moves outside the service area.

(5) An insurer that delivers, issues for delivery, or renews in this state a health insurance policy shall not discontinue offering a particular plan or product in the nongroup or group market unless the insurer does all of the following:

(a) Provides notice to the director and to each covered individual or group, as applicable, provided coverage under the plan or product of the discontinuation at least 90 days before the date of the discontinuation.

(b) Offers to each covered individual or group, as applicable, provided coverage under the plan or product the option to purchase any other plan or product currently being offered in the nongroup market or group market, as applicable, by that insurer without excluding or limiting coverage for a preexisting condition or providing a waiting period.

(c) Acts uniformly without regard to any health status factor of enrolled individuals or individuals who may become eligible for coverage in making the determination to discontinue coverage and in offering other plans or products.

(6) An insurer shall not discontinue offering all coverage in the nongroup or group market unless the insurer does all of the following:

(a) Provides notice to the director and to each covered individual or group, as applicable, of the discontinuation at least 180 days before the date of the expiration of coverage.

(b) Discontinues all health benefit plans issued in the nongroup or group market from which the insurer withdrew and does not renew coverage under those plans.

(7) If an insurer discontinues coverage under subsection (6), the insurer shall not provide for the issuance of any health benefit plans in the nongroup or group market from which the insurer withdrew during the 5-year period beginning on the date of the discontinuation of the last plan not renewed under that subsection.

(8) Subsections (1) to (7) do not apply to a short-term or 1-time limited duration policy or certificate of not longer than 6 months.

(9) For the purposes of this section, a short-term or 1-time limited duration policy or certificate of not longer than 6 months is an individual health policy that meets all of the following:

(a) Is issued to provide coverage for a period of 185 days or less, except that the health policy may permit a limited extension of benefits after the date the policy ended solely for expenses attributable to a condition for which a covered person incurred expenses during the term of the policy.

(b) Is nonrenewable, provided that the health insurer may provide coverage for 1 or more subsequent periods that satisfy subdivision (a), if the total of the periods of coverage do not exceed a total of 185 days out of any 365-day period, plus any additional days permitted by the policy for a condition for which a covered person incurred expenses during the term of the policy.

(c) Does not cover any preexisting conditions.

(d) Is available with an immediate effective date, without underwriting, upon receipt by the insurer of a completed application indicating eligibility under the insurer's eligibility requirements, except that coverage that includes optional benefits may be offered on a basis that does not meet this requirement.

(10) By March 31 each year, an insurer that delivers, issues for delivery, or renews in this state a short-term or 1-time limited duration policy or certificate of not longer than 6 months shall provide to the director a written annual report that discloses both of the following:

(a) The gross written premium for short-term or 1-time limited duration policies or certificates issued in this state during the preceding calendar year.

(b) The gross written premium for all individual health insurance policies issued or delivered in this state during the preceding calendar year other than policies or certificates described in subdivision (a).

(11) The director shall maintain copies of reports prepared under subsection (10) on file with the annual statement of each reporting insurer.

(12) In each calendar year, an insurer shall not continue to issue short-term or 1-time limited duration policies or certificates if to do so the collective gross written premiums on those policies or certificates would total more than 10% of the collective gross written premiums for all individual health insurance policies issued or delivered in this state either directly by the insurer or through a person that owns or is owned by the insurer.

(g) Provide that a final determination will be made in writing by the insurer not later than 45 calendar days after a grievance is submitted in writing by the insured unless the insurer requires an extension of time to obtain additional information to make a determination with respect to the subject of the grievance. The extension may not exceed 45 days from the end of the initial period unless the initial period is extended due to the insured's failure to submit information necessary to decide the claim on appeal. If the extension is due to an insured's failure to submit information, the period for making the determination shall be tolled until the date the insured responds to the request for additional information.

(h) Provide for copies of all grievances and responses to be available at the principal office of the insurer for inspection by the commissioner for 2 years following the year the grievance was filed.

(2) By July 1, 2003, the commissioner shall develop a uniform prescription drug information card and uniform prescription drug information technology based on the standards and format approved by the national council for prescription drug programs pharmacy ID card implementation guide. The card and technology shall include all of the national council for prescription drug programs standard information required by the health plan for submission and adjudication of claims for prescription drug or device benefits, or at a minimum contain all of the following labeled information:

The content and format of all information required by subsection (2) shall be in the current content and format required by the health plan for electronic claims routing, submission, and adjudication.

(4) The uniform prescription drug information card or uniform prescription drug information technology developed under this section shall be issued by a health plan upon enrollment and reissued upon any change in coverage that impacts data contained on the card or technology. However, a health plan is not required to issue a new uniform prescription drug information card or other technology more often than once in a calendar year and if a health plan issues stickers or another similar mechanism to the insureds, enrollees, members, or participants to update the cards, then the health plan is not required to issue new uniform prescription drug information cards or other technology more often than once in 3 years from the issuance of the first stickers or other similar mechanisms. This subsection does not prevent a health plan from reissuing updated new uniform prescription drug information cards or other technology on a more frequent basis.

(5) The uniform prescription drug information card or other technology may be used for any and all health insurance coverage. Nothing in this section requires any person issuing, using, or requiring the uniform prescription drug information card or other technology to issue, use, or require a separate card for prescription coverage, provided that the card or other technology can accommodate the information necessary to process the claim as required by subsection (2).

(6) As used in this section, "health plan" means all of the following but does not include a department of community health pharmacy program:

500.2213e Rescission of health insurance policy; conditions; "rescind coverage" defined; application.

Sec. 2213e. (1) An insurer that delivers, issues for delivery, or renews in this state a health insurance policy with respect to an individual, including a group to which the individual belongs or family coverage in which the individual is included, shall not rescind coverage under the policy unless both of the following apply:

(a) Either of the following applies:

(*i*) The individual or a person seeking coverage on behalf of the individual performs an act, practice, or omission that constitutes fraud. For purposes of this subparagraph, a person seeking coverage on behalf of an individual does not include an employee or authorized representative of the insurer or a producer.

(*ii*) The individual makes an intentional misrepresentation of material fact.

(b) The insurer provides written notice to the individual at least 30 days before the recission.

(2) As used in this section, "rescind coverage" means a cancellation or discontinuance of coverage that has retroactive effect. A cancellation or discontinuance of coverage is not a rescission if any of the following apply:

(*i*) The cancellation or discontinuance of coverage has only a prospective effect.

(*ii*) The cancellation or discontinuance of coverage is effective retroactively, to the extent it is attributable to a failure to timely pay required premiums or contributions, including COBRA premiums, toward the cost of coverage. As used in this subparagraph, "COBRA" means the consolidated omnibus budget reconciliation act of 1985, Public Law 99-272.

(*iii*) The cancellation or discontinuance of coverage is initiated by the individual or by the individual's authorized representative and the sponsor, employer, plan, or issuer does not, directly or indirectly, take action to influence the individual's decision to cancel or discontinue coverage retroactively or otherwise take any adverse action or retaliate against, interfere with, coerce, intimidate, or threaten the individual.

(3) This section applies to a health insurance policy delivered, issued for delivery, or renewed in this state before, on, or after the date of the effective date of the amendatory act that added this section.

For purposes of this subsection, an application is not included in a policy unless the policy specifically states that it includes the application.

(2) If a policy described in subsection (1) that was delivered or issued for delivery to a person in this state is reinstated or renewed and the insured or a beneficiary or assignee of the policy makes a written request to the insurer for a copy of any application for reinstatement or renewal, the insurer shall, within 15 days after receiving the request at the home office or a branch office of the insurer, deliver or mail to the person making the request a copy of the application. If the copy is not delivered or mailed as required by this subsection, the insurer is precluded from introducing the application as evidence in an action or proceeding based on or involving the policy or the reinstatement or renewal.

500.2218 Disability insurance; false statement in application; effect.

Sec. 2218. The falsity of any statement in the application for any disability insurance policy covered by chapter 34 of this code may not bar the right to recovery thereunder unless such false statement materially affected either the acceptance of the risk or the hazard assumed by the insurer.

(1) No misrepresentation shall avoid any contract of insurance or defeat recovery thereunder unless the misrepresentation was material. No misrepresentation shall be deemed material unless knowledge by the insurer of the facts misrepresented would have led to a refusal by the insurer to make the contract.

(2) A representation is a statement as to past or present fact, made to the insurer by or by the authority of the applicant for insurance or the prospective insured, at or before the making of the insurance contract as an inducement to the making thereof. A misrepresentation is a false representation, and the facts misrepresented are those facts which make the representation false.

(3) In determining the question of materiality, evidence of the practice of the insurer which made the contract with respect to the acceptance or rejection of similar risks shall be admissible.

(4) A misrepresentation that an applicant for life, accident or health insurance has not had previous medical treatment, consultation or observation, or has not had previous treatment or care in a hospital or other like institution, shall be deemed, for the purpose of determining its materiality, a misrepresentation that the applicant has not had the disease, ailment or other medical impairment for which such treatment or care was given or which was discovered by any licensed medical practitioner as a result of such consultation or observation. If in any action to rescind any contract or to recover thereon, any misrepresentation is proved by the insurer, and the insured or any other person having or claiming a right under the contract, shall prevent full disclosure and proof of the nature of the medical impairment, the misrepresentation shall be presumed to have been material.

500.2227 Withholding final settlement amount; notice; escrow procedure to be followed by city, village, or township; disposition of money by local treasurer; commingling funds prohibited; retention of interest to defray expenses; forwarding policy proceeds; proof; effect of failure to provide reasonable proof; demolition of property; civil action for return of policy proceeds; liability; applicability of section; list of cities, villages, and townships; exception to withholding requirements; definitions.

Sec. 2227. (1) If a claim is filed for a loss to insured real property due to fire, explosion, vandalism, malicious mischief, wind, hail, riot, or civil commotion and a final settlement is reached on the loss to the insured real property, an insurer shall withhold from payment 25% of the actual cash value of the insured real property at the time of the loss or 25% of the final settlement, whichever is less. Until December 31, 2014, for residential property, the 25% settlement or judgment withheld shall not exceed $6,000.00 adjusted annually beginning June 1, 1999 in accordance with the consumer price index. Beginning January 1, 2015, for residential property, the 25% settlement or judgment withheld shall not exceed $12,000.00 adjusted January 1 of each year in accordance with the consumer price index. The director shall notify annually all insurance companies transacting property insurance in this state as to the new adjusted amount. At the time that 25% of the settlement or judgment is withheld, the insurer shall give notice of the withholding to the treasurer of the city, village, or township in which the insured real property is located, to the insured, and to any mortgagee having an existing lien or liens against the insured real property, if the mortgagee is named on the policy. For a judgment, notice shall also be provided to the court in which judgment was entered. The notice must include all of the following:

(a) The identity and address of the insurer.

(b) The name and address or forwarding address of each policyholder, including any mortgagee.

(c) The location of the insured real property.

(d) The date of loss, policy number, and claim number.

(e) The amount of money withheld.

(f) A statement that the city, village, or township may have the withheld amount paid into a trust or escrow account established for the purposes of this section if within 15 days after the mailing of the notice the city, village, or township states that the money should be withheld to protect the public health and safety; otherwise, the withheld amount shall be paid to the insured 15 days after the mailing of the notice.

(g) An explanation of the provisions of this section.

(2) For a city, village, or township to escrow the amount withheld by the insurer, and to retain that amount, the following procedure shall be used:

(a) An authorized representative of the city, village, or township shall request the insurer to pay the withheld amount into an escrow account maintained by the treasurer of the city, village, or township. A final settlement that exceeds 49% of the insurance on the insured real property is prima facie evidence that the damaged insured structure violates existing health and safety standards of the city, village, or township and constitutes cause for the escrowing of the withheld amount as surety for the repair, replacement, or removal of the damaged structure.

(b) For a settlement, the request under subdivision (a) shall be sent to the insurer with a copy to the insured and any mortgagees. The copy to the insured must contain the notice required under subdivision (d). On receipt of the request, the insurer shall forward the withheld amount to the treasurer of the city, village, or township, and shall provide notice of the forwarding to the insured and any mortgagees.

(c) For a judgment, the request under subdivision (a) shall be sent to the insurer with a copy to the insured, any mortgagees, and the court in which judgment was entered. The copy to the insured must contain the notice required under subdivision (d). On motion of the city, village, or township, the court shall order the withheld amount transmitted to the treasurer of the city, village, or township.

(d) The city, village, or township shall notify the insured that the insured has 10 days from the date of the mailing of the notice to object to the city's, village's, or township's retention of the withheld amount. The notice must identify the authorized representative of the city, village, or township to whom the insured should address his or her objections and must state that the insured may do either of the following:

(*i*) Seek resolution with the representative of the city, village, or township designated to receive and resolve objections under this section. The city, village, or township shall make a final determination and shall notify the insured of that determination not later than 30 days after receipt of notice that the insured wishes to seek resolution under this subparagraph. This final determination shall include notice to the insured that if the insured is still dissatisfied with the city's, village's, or township's determination, the insured may seek relief in circuit court.

(*ii*) Seek relief in the circuit court.

(3) Upon receipt of money and information from an insurer as prescribed in subsections (1) and (2), the local treasurer shall record the information and the date of receipt of the money and shall immediately deposit the money in a trust or escrow account established for the purposes of this section. The account may be interest-bearing. If a mortgage on the insured property is in default, the treasurer of the city, village, or township, upon written request from the first mortgagee of the property, shall release to the mortgagee all or any part of the policy proceeds received by the city, village, or township not later than 10 days after receipt of the written request by the mortgagee, to the extent necessary to satisfy any outstanding lien of the mortgagee.

(4) Except as provided in subsection (7), money deposited in an account under subsection (3) shall not be commingled with city, village, or township funds. Any interest earned on money placed in a trust or escrow account may be retained by the city, village, or township to defray administrative costs incurred under this section.

(5) Except as provided in subdivision (c), the policy proceeds deposited under subsection (3) shall immediately be forwarded to the insured when the authorized representative of the city, village, or township designated by the governing body of the city, village, or township receives or is shown reasonable proof of any of the following:

(a) That the damaged or destroyed portions of the insured structure have been repaired or replaced, except to the extent that the amount withheld under this section is needed to complete repair or replacement.

(b) That the damaged or destroyed structure and all remnants of the structure have been removed from the land on which the structure or the remnants of the structure were situated, in compliance with the local code requirements of the city, village, or township in which the structure was located.

(c) That the insured has entered into a contract to perform repair, replacement, or removal services for the insured real property and that the insured consents to payment of money directly to the licensed contractor performing the services upon completion. Money released under this subdivision may be forwarded only to a licensed contractor performing services on the insured property.

(6) Reasonable proof required under subsection (5) includes any of the following:

(a) Originals or copies of pertinent verifiable contracts, invoices, receipts, and other similar papers evidencing both the work performed or to be performed and the materials used or to be used by all contractors performing repair, replacement, or removal services for the insured real property, other than a licensed contractor subject to subdivision (b).

(b) An affidavit executed by the licensed contractor that has performed the greatest amount of repair or replacement work on the structure, or that has done most of the clearing and removal work if structure repair or replacement is not to be performed. The licensed contractor shall attach to the affidavit all pertinent contracts, invoices, and receipts and shall swear that these attached papers correctly indicate the nature and extent of the work performed to date by the licensed contractor and the materials used.

(c) An inspection of the insured real property to verify that repair, replacement, or clearing has been completed in accordance with subsection (5).

(7) Except as otherwise provided in this subsection, if with respect to a loss, reasonable proof is not received by or shown to an authorized representative of the city, village, or township designated by the governing body of the city, village, or township within 120 days after the policy proceeds portion was received by the treasurer, the city, village, or township shall use the retained proceeds to secure, repair, or demolish the damaged or destroyed structure and clear the insured property so that the structure and property comply with local code requirements and applicable ordinances of the city, village, or township. The city, village, or township shall return to the insured any unused portion of the retained proceeds. The city, village, or township may extend the 120-day time period under this subsection. A city, village, or township may retain and use policy proceeds for demolishing any property if on or before the effective date of the amendatory act that added this sentence the authorized representative had not received or been shown reasonable proof within 1 year after the insurer provided notice to the insured under subsection (1) and the insured property has been demolished. The insured may file a civil action against the city, village, or township for the return of the policy proceeds. An action filed under this subsection must be filed within 3 years after the insurer provided notice to the insured under subsection (1) or 1 year after the effective date of the amendatory act that added this sentence, whichever is later.

(8) There is no liability on the part of, and a cause of action does not arise against, an insurer or an agent or employee of an insurer for withholding or transferring money in the course of complying or attempting to comply with this section. If there is a dispute with a lienholder concerning the distribution of an amount withheld from payment under this section, the insurer may file an action in circuit court to identify all parties that may have a financial interest in the withheld amount and to determine how the withheld amount should be distributed.

(9) This section applies only to property located in a city, village, or township described in subsection (12)

if the city, village, or township under a resolution by its governing body notifies the director in writing that the city, village, or township has established a trust or escrow account to be used as prescribed in this section and intends to uniformly apply this section with respect to all property located within the city, village, or township following written notification to the director. The director shall prepare and distribute a list of all cities, villages, and townships that have elected to apply this section to all insurance companies transacting property insurance in this state.

(10) A city, village, or township may apply to be added to the list prepared under subsection (9) by making a written request for addition to the director. When a written request for addition from a city, village, or township has been received by the director, an amended list shall be prepared and distributed indicating the addition. The addition is effective on the date specified by the director in the amendment. The director shall notify the city, village, township, and insurance companies of the effective date of the addition which shall be effective not less than 30 days after receipt of notice by the insurance company. A city, village, or township shall not apply this section to any loss that occurred before the effective date of the addition.

(11) A city, village, or township may request to be deleted from the list prepared under subsection (9) or may cease to apply this section for a period of not less than 6 months upon not less than 30 days' written notice to the director. After receipt of a request to be deleted from the list, the director shall prepare and distribute an amendment to the list indicating the deletion. The deletion is effective on the date specified by the director in the amendment. The director shall notify the city, village, township, and insurance companies of the effective date of the deletion which shall be effective not less than 30 days after receipt of the notice by the insurance company. A city, village, or township shall continue to apply this section to any loss that occurred before the effective date of the deletion, notwithstanding the deletion.

500.2236 Forms generally; filing; approval; type size; membership in or subscription to rating organization; substitute form; readability score and other requirements; approval of changes or additions; notice of disapproval or withdrawal of approval; prohibition; hearing; separate violation; penalty; applicability of filing requirements; satisfaction of requirement for delivery of form or notice; "exempt commercial policyholder" and "insurer" defined; court review of order.

Sec. 2236. (1) Except as otherwise provided in this section, an insurer shall not deliver or issue for delivery in this state a basic insurance policy form or annuity contract form; a printed rider or indorsement form or form of renewal certificate; or a group certificate in connection with the policy or contract unless a copy of the form is filed with the department and approved by the director as conforming with the requirements of this act and not inconsistent with the law. A form is considered approved if the director fails to act within 30 days after its submittal under this section. Except for disability insurance as described in section 3400, an insurer shall plainly print the form with a type size of not less than 8-point unless the director determines that portions of the form that are printed with type less than 8-point are not deceptive or misleading.

(2) An insurer may satisfy its obligations to make form filings by becoming a member of, or a subscriber to, a rating organization licensed under section 2436 or 2630 that makes the filings that are required under this section. An insurer described in this subsection shall file with the director a copy of its authorization of the rating organization to make the filings on its behalf. Except as otherwise provided in this subsection, an insurer that is a member of or subscriber to a rating organization shall adhere to the form filings made on its behalf by the organization. An insurer may file with the director a substitute form and if a subsequent form filing by the rating organization after the filling of a substitute form affects the use of the substitute form, the insurer shall review its use and notify the director whether to withdraw its substitute form.

(3) The director shall not approve a form filed under this section that provides for or relates to an insurance policy or an annuity contract for personal, family, or household purposes if the form fails to obtain the following readability score or meet the other requirements of this subsection, as applicable:

(a) The readability score must not be less than 45, as determined by the method provided in subdivisions (b) and (c).

(b) The readability score is determined as follows:

(*i*) For a form containing not more than 10,000 words, the entire form must be analyzed. For a form containing more than 10,000 words, not fewer than two 200-word samples per page must be analyzed instead of the entire form. The samples must be separated by at least 20 printed lines.

(*ii*) Count the number of words and sentences in the form or samples and divide the total number of words by the total number of sentences. Multiply this quotient by a factor of 1.015.

(*iii*) Count the total number of syllables in the form or samples and divide the total number of syllables by the total number of words. Multiply this quotient by a factor of 84.6. As used in this subparagraph, "syllable" means a unit of spoken language consisting of 1 or more letters of a word as indicated by an accepted dictionary. If the dictionary shows 2 or more equally acceptable pronunciations of a word, the pronunciation containing fewer syllables may be used.

(*iv*) Add the figures obtained in subparagraphs (*ii*) and (*iii*) and subtract this sum from 206.835. The figure obtained equals the readability score for the form.

(c) For the purposes of subdivision (b)(*ii*) and (*iii*), the following procedures must be used:

(*i*) A contraction, hyphenated word, or numbers and letters when separated by spaces are counted as 1 word.

(*ii*) A unit of words ending with a period, semicolon, or colon, but excluding headings and captions, is counted as 1 sentence.

(d) In determining the readability score, all of the following apply to the method provided in subdivisions (b) and (c):

(*i*) It must be applied to an insurance policy form or an annuity contract together with a rider or indorsement form usually associated with the insurance policy form or annuity contract. It may be applied to a group of policy, contract, rider, or indorsement forms that have substantially the same language resulting in a single readability score for those forms.

(*ii*) It must not be applied to a word or phrase that is defined in an insurance policy form or an annuity contract or a rider, indorsement, or group certificate associated with the insurance policy form or annuity contract.

(*iii*) It must not be applied to language specifically agreed upon through collective bargaining or required by a collective bargaining agreement.

(*iv*) It must not be applied to language that is prescribed by or based on state or federal statute or any related rules, regulations, or orders.

(*v*) It must not be applied to medical terms that are included in the form for coverage purposes.

(e) The form must contain both of the following:

(*i*) Topical captions.

(*ii*) An identification of exclusions.

(f) Except as otherwise provided in this subdivision, an insurance policy or annuity contract that has more than 3,000 words printed on not more than 3 pages of text or that has more than 3 pages of text regardless of the number of words must contain a table of contents. This subdivision does not apply to riders or indorsements.

(g) Each rider or indorsement form that changes coverage must do all of the following:

(*i*) Contain a properly descriptive title.

(*ii*) Reproduce either the entire paragraph or the provision as changed.

(*iii*) At the time of filing, be accompanied by an explanation of the change.

(h) If a computer system approved by the director calculates the readability score of a form as being in compliance with this subsection, the form is considered in compliance with the readability score requirements of this subsection.

(i) A variable life product or variable annuity product approved by the United States Securities and Exchange Commission for sale in this state is considered in compliance with this section.

(4) An insurer shall submit for approval under subsection (3) a change or addition to a policy or annuity contract form for personal, family, or household purposes, whether by indorsement, rider, or otherwise, or a change or addition to a rider or indorsement form associated with the policy form or annuity contract form, if the form has not been previously approved under subsection (3).

(5) Upon written notice to the insurer, the director may, on a case-by-case review, disapprove, withdraw approval, or prohibit the issuance, advertising, or delivery of a form to any person in this state if the form violates this act, contains inconsistent, ambiguous, or misleading clauses, or contains exceptions and conditions that unreasonably or deceptively affect the risk purported to be assumed in the general coverage of the policy. The director shall specify in the notice the objectionable provisions or conditions and state the reasons for the decision. If the form is legally in use by the insurer in this state, the director shall give the effective date of the disapproval in the notice, which must not be less than 30 days after the mailing or delivery of the notice to the insurer. If the form is not legally in use, the disapproval is effective immediately.

(6) If a form is disapproved or approval is withdrawn under this act, the insurer is entitled on demand to a hearing before the director or a deputy director within 30 days after the notice of disapproval or of withdrawal of approval. After the hearing, the director shall make findings of fact and law and affirm, modify, or withdraw his or her original order or decision. An insurer shall not issue the form after a final determination of disapproval or withdrawal of approval.

(7) Any issuance, use, or delivery by an insurer of a form without the prior approval of the director as required under subsection (1) or after withdrawal of approval under subsection (5) is a separate violation for which the director may order the imposition of a civil penalty of $25.00 for each offense, not to exceed a maximum penalty of $500.00 for any 1 series of offenses relating to any 1 basic policy form. The attorney general may act to recover the penalty under this subsection as provided in section 230.

(8) The filing requirements of this section do not apply to any of the following:

(a) Insurance against loss of or damage to any of the following:

(*i*) Imports, exports, or domestic shipments.

(*ii*) Bridges, tunnels, or other instrumentalities of transportation and communication.

(*iii*) Aircraft and attached equipment.

straight-line hull length of more than 24 feet.

(b) Insurance against loss resulting from liability, other than worker's disability compensation or employers' liability arising out of the ownership, maintenance, or use of any of the following:

(*i*) Imports, exports, or domestic shipments.

(*ii*) Aircraft and attached equipment.

(*iii*) Vessels and watercraft that are under construction, are owned by or used in a business, or have a straight-line hull length of more than 24 feet.

(c) Surety bonds other than fidelity bonds.

(d) Policies, riders, indorsements, or forms of unique character designed for and used with relation to insurance on a particular subject, or that relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or disability insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. By order, the director may exempt from the filing requirements of this section and sections 3401a and 4430 for as long as he or she considers proper any insurance document or form, except that portion of the document or form that establishes a relationship between group disability insurance and personal protection insurance benefits subject to exclusions or deductibles under section 3109a, as specified in the order to which this section is not practicably applied, or the filing and approval of which are considered unnecessary for the protection of the public. Insurance documents or forms providing medical payments or income replacement benefits, except that portion of the document or form that establishes a relationship between group disability insurance and personal protection insurance benefits subject to exclusions or deductibles under section 3109a, exempt by order of the director from the filing requirements of this section and section 3401a are considered approved by the director for purposes of section 3430.

(e) An insurance policy to which both of the following apply:

(*i*) The insurance is sold to an exempt commercial policyholder.

(*ii*) The insurance policy contains a prominent disclaimer that states "This policy is exempt from the filing requirements of section 2236 of the insurance code of 1956, 1956 PA 218, MCL 500.2236." or words that are substantially similar.

(9) Notwithstanding any provision of this act to the contrary, a health insurer may satisfy a requirement for the delivery of an insurance form or notice required by this act to a subscriber, insured, enrollee, or contract holder by doing all of the following:

(a) Taking appropriate and necessary measures reasonably calculated to ensure that the system for furnishing a form or notice meets all of the following requirements:

(*i*) It results in the actual receipt of a delivered form or notice.

(*ii*) It protects the confidentiality of a subscriber's, insured's, enrollee's, or contract holder's personal information.

(b) Ensuring that an electronically delivered form or notice is prepared and furnished in a manner consistent with the style, format, and content requirements applicable to the particular form or notice.

(c) On request, delivering to the subscriber, insured, enrollee, or contract holder a paper version of an electronically delivered form or notice.

(10) Subject to the requirements of this section, an insurer may file health insurance policies, certificates, and riders quarterly. This subsection does not limit or restrict an insurer's ability to file large group health insurance policies, certificates, or riders at any time during the year.

(11) As used in this section and sections 2401 and 2601, "exempt commercial policyholder" means an insured that purchases the insurance for other than personal, family, or household purposes.

(12) As used in this section, "insurer" includes a nonprofit dental care corporation operating under 1963 PA 125, MCL 550.351 to 550.373.

The amendments to sections 2236, 2242, 3440, 3606, 3610, and 4430 of Act No. 218 of the Public Acts of 1956, being sections 500.2236, 500.2242, 500.3440, 500.3606, 500.3610, and 500.4430 of the Michigan Compiled Laws, pursuant to this amendatory act are intended to codify and approve long-standing administrative and commercial practice taken and approved by the commissioner pursuant to his or her legal authority. This amendatory act shall serve to cure and clarify any misinterpretation of the operation of such sections since the effective date of their original enactment. It is the intent of this amendatory act to rectify the misconstruction of the insurance code of 1956 by the court of appeals in Bill v Northwestern National Life Insurance Company, 143 Mich App 766, with respect to the power of the insurance commissioner to exempt certain insurance documents from filing requirements and the offsetting of social security benefits against disability income insurance benefits. Enacting section 3 of Act 276 of 2016 provides:

"Enacting section 3. On the effective date of this amendatory act, an insurer may submit to the director of the department of insurance and financial services for approval any modification to policies and certificates that were approved before or on the effective date of this amendatory act, to conform with amendments made to the insurance code of 1956, 1956 PA 218, MCL 500.100 to 500.8302, by this amendatory act. Sec. 2266. (1) Subject to the requirements of this section, a notice to a party or any other document that is required in an insurance transaction or that is to serve as evidence of insurance coverage may be delivered, stored, and presented by electronic means if it meets the requirements of the uniform electronic transactions act, 2000 PA 305, MCL 450.831 to 450.849.

(2) Electronic delivery of a notice or document as provided in this section is equivalent to any delivery method otherwise required by law, including delivery by first-class mail, first-class mail postage prepaid, certified mail, or certificate of mailing.

(3) If an insurer has reason to believe that a party is not receiving notices or documents that the insurer attempts to deliver by electronic means, including if the insurer attempts delivery by electronic means and receives a notice that the delivery by electronic means has failed, the insurer shall deliver the notices or documents by first-class mail or by any other delivery method required for the notices or documents.

(4) An insurer may use electronic delivery of a notice or a document to a party under this section if the insurer meets the requirements of subsection (5) and if all of the following requirements are met:

(*ii*) The right of the party at any time to withdraw consent to have a notice or document delivered by electronic means and any conditions or consequences imposed if consent is withdrawn.

(*iii*) The specific notice or document or categories of notices or documents that may be delivered by electronic means during the course of the relationship between the insurer and the party.

The party shall provide electronic consent to the hardware and software requirements or confirm consent electronically in a manner that reasonably demonstrates that the party can access information in the electronic form that will be used for notices or documents delivered by electronic means.

(5) After the party consents as provided in subsection (4), if a change occurs in hardware or software needed to access or retain a notice or document delivered by electronic means that creates a material risk that the party will not be able to access or retain a notice or document to which consent applies, the insurer shall provide the party with a statement that includes all of the following:

(a) Information regarding the revised hardware or software requirements for access to and retention of a notice or document delivered by electronic means.

(7) Except as otherwise provided in this subsection, withdrawal of consent by a party becomes effective 30 days after the insurer receives notice of the withdrawal. Consent is automatically withdrawn if the insurer learns that the electronic delivery method currently used is no longer an effective delivery mechanism.

(8) Failure by an insurer to comply with subsection (5) may be treated, at the election of the party, as a withdrawal of consent.

CHAPTER 24
CASUALTY INSURANCE RATES

500.2400 Purposes and interpretation of chapter.

Sec. 2400. (1) Except with respect to worker's compensation insurance, the purpose of this chapter is to promote the public welfare by regulating insurance rates to the end that they shall not be excessive, inadequate, or unfairly discriminatory, and to authorize and regulate cooperative action among insurers in rate-making and in other matters within the scope of the insurance code. Nothing in this chapter is intended (1) to prohibit or discourage reasonable competition, or (2) to prohibit, or encourage except to the extent necessary to accomplish the aforementioned purpose, uniformity in insurance rates, rating systems, rating plans, or practices.

(2) With respect to worker's compensation insurance, the purposes of this chapter are:

(a) To protect policyholders and the public against the adverse effects of excessive, inadequate, or unfairly discriminatory rates.

(b) To promote price competition among insurers writing worker's compensation insurance so as to encourage rates which will result in the lowest possible rates consistent with the benefits established in the worker's disability compensation act of 1969, Act No. 317 of the Public Acts of 1969, as amended, being sections 418.101 to 418.941 of the Michigan Compiled Laws, and with maintaining the solvency of insurers.

(c) To provide regulatory controls and other activity in the absence of competition.

(d) To improve the availability, fairness, and reliability of worker's compensation insurance.

(3) This chapter shall be liberally interpreted to carry into effect the provisions of this section.

Popular name: Act 218

500.2401 Applicability of chapter; insurance or coverage subject to regulation by another rate regulatory chapter; filing designation with commissioner; order for prior approval; absence of reasonable degree of competition.

Sec. 2401. (1) Except as provided in subsection (2), this chapter applies to the following kinds of insurance or coverages on risks or operations in this state:

(a) Casualty insurance, as defined in section 624, except as to livestock insurance.

(b) Surety and fidelity.

(c) Automobile insurance, as defined or included under the following sections:

(*i*) 624 (general definition of casualty insurance).

(*ii*) 7202 (insuring powers of reciprocal insurers).

(*iii*) 620 (automobile insurance (limited) defined).

(*iv*) 614 (marine insurance defined).

(d) Worker's compensation insurance, as defined or included under the following sections:

(*i*) 624 (general definition of casualty insurance).

(*ii*) 7202 (insuring powers of reciprocal insurers).

(e) To all insurance transacted by a reciprocal insurer pursuant to section 7202 (insuring powers of reciprocal insurers).

(f) Personal property floaters.

(g) Title insurance.

(2) This chapter does not apply to any of the following:

(a) Reinsurance, other than joint reinsurance to the extent stated in section 2464.

(b) Disability insurance.

(c) Insurance against loss of or damage to aircraft or against liability, other than worker's compensation and employers' liability, arising out of the ownership, maintenance, or use of aircraft.

(d) Insurance that meets both of the following and is not worker's compensation insurance:

(*i*) Is sold to an exempt commercial policyholder.

(*ii*) Contains a prominent disclaimer that states "This policy is exempt from the filing requirements of section 2236 of the insurance code of 1956, 1956 PA 218, MCL 500.2236." or words that are substantially similar.

(3) This chapter applies to all classes of insurers admitted to do business in this state, including stock, mutual, reciprocal, and interinsurers authorized to write any of the kinds of insurance to which this chapter applies under this act.

(4) If any kind of insurance, subdivision, or combination thereof, or type of coverage, subject to this chapter, is also subject to regulation by another rate regulatory chapter of this act, an insurer to which both chapter 24 and chapter 26 are otherwise applicable shall file with the commissioner, a designation as to which rate regulatory chapter shall be applicable to the insurer with respect to such kind of insurance, subdivision, or combination thereof, or type of coverage.

(5) If, pursuant to subsection (6), the commissioner certifies the absence of a reasonable degree of competition for a specified classification, type, or kind of insurance, the commissioner may order that each insurer file for prior approval, subject to the provisions of this chapter, any changes to its manuals of classification, manuals of rules and rates, and rating plans the insurer proposes to use for that specified classification, type, or kind of insurance. The order shall state, in writing, the reasons for the commissioner's decision to order the filing. An order issued under this subsection expires 2 years after the date of issuance. If such an order is in effect, rates to which the order applies shall be filed at least 30 days before their proposed effective date. Failure of the commissioner to act within 30 days after submittal constitutes approval.

(6) A determination concerning the absence of a reasonable degree of competition shall take into account a reasonable spectrum of relevant economic tests, including the number of insurers actively engaged in writing the insurance in question, the present availability of that insurance compared to the availability in comparable past periods, the underwriting return of that insurance over a reasonable period of time sufficient to assure reliability in relation to the risk associated with that insurance, and the difficulty encountered by new insurers entering the market in order to compete for the writing of that insurance.

500.2402 Definitions; data collection agency; creation; purpose; governing board; appointment, terms, and qualifications of members; conduct of business at public meeting.

Sec. 2402. (1) As used in this act with respect to worker's compensation insurance:

(a) "Data collection agency" means an agency established for the purpose of effectuating the worker's compensation data requirements of this chapter.

(b) "Designated advisory organization" means the advisory organization designated by the data collection agency pursuant to section 2407(2).

(2) There is created a data collection agency for the purpose of effectuating the worker's compensation data requirements of this chapter. The governing board of the data collection agency shall include all of the following:

(a) Three persons who represent private insurers in this state.

(b) One person who represents the general public.

(c) One person who represents employers in this state.

(d) One person who represents the executive branch of state government.

(e) One person who is an insurance agent.

(f) The commissioner of insurance.

(3) A member of the governing board of the data collection agency shall serve for a term of 1 year.

(4) The members specified in subsection (2)(b), (c), and (e) shall be appointed by the commissioner. The member specified in subsection (2)(d) shall be appointed by the governor with the advice and consent of the senate. Compiler's note: Section 3 of Act 200 of 1993 provides as follows:

"Section 3. This amendatory act shall not take effect unless the state administrative board certifies in writing to the secretary of state by December 31, 1994 that an agreement for the transfer of all or substantially all of the assets and the assumption of all or substantially all of the liabilities of the state accident fund has been consummated with a permitted transferee pursuant to the requirements of section 701a of the worker's disability compensation act of 1969, Act No. 317 of the Public Acts of 1969, being section 418.701a of the Michigan Compiled Laws."

500.2403 Rate-making provisions; uniformity among insurers.

Sec. 2403. (1) All rates shall be made in accordance with this section and all of the following:

(a) Due consideration shall be given to past and prospective loss experience within and outside this state; to catastrophe hazards; to a reasonable margin for underwriting profit and contingencies; to dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers; to past and prospective expenses, both countrywide and those specially applicable to this state; to underwriting practice, judgment, and to all other relevant factors within and outside this state. For worker's compensation insurance, in determining the reasonableness of the margin for underwriting profit and contingencies, consideration shall be given to all after-tax investment profit or loss from unearned premium and loss reserves attributable to worker's compensation insurance, as well as the factors used to determine the amount of reserves. For all other kinds of insurance to which this chapter applies, all factors to which due consideration is given under this subdivision shall be treated in a manner consistent with the laws of this state that existed on December 28, 1981.

(b) The systems of expense provisions included in the rates for use by any insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the requirements of the operating methods of the insurer or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable.

(c) Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans that measure variations in hazards, expense provisions, or both. The rating plans may measure any differences among risks that may have a probable effect upon losses or expenses as provided for in subdivision (a).

(d) Rates shall not be excessive, inadequate, or unfairly discriminatory. A rate shall not be held to be excessive unless the rate is unreasonably high for the insurance coverage provided and a reasonable degree of competition does not exist with respect to the classification, kind, or type of risks to which the rate is applicable. Except as otherwise provided in this subdivision, a rate shall not be held to be inadequate unless the rate is unreasonably low for the insurance coverage provided and the continued use of the rate endangers the solvency of the insurer; or unless the rate is unreasonably low for the insurance coverage provided and the use of the rate has or will have the effect of destroying competition among insurers, creating a monopoly, or causing a kind of insurance to be unavailable to a significant number of applicants who are in good faith entitled to procure the insurance through ordinary methods. For commercial liability insurance a rate shall not be held to be inadequate unless the rate, after consideration of investment income and marketing programs and underwriting programs, is unreasonably low for the insurance coverage provided and is insufficient to sustain projected losses and expenses; or unless the rate is unreasonably low for the insurance coverage provided and the use of the rate has or will have the effect of destroying competition among insurers, creating a monopoly, or causing a kind of insurance to be unavailable to a significant number of applicants who are in

good faith entitled to procure the insurance through ordinary methods. As used in this subdivision, "commercial liability insurance" means insurance that provides indemnification for commercial, industrial, professional, or business liabilities. For worker's compensation insurance provided by an insurer that is controlled by a nonprofit health care corporation formed pursuant to the nonprofit health care corporation reform act, Act No. 350 of the Public Acts of 1980, being sections 550.1101 to 550.1704 of the Michigan Compiled Laws, a rate shall not be held to be inadequate unless the rate is unreasonably low for the insurance coverage provided. A rate for a coverage is unfairly discriminatory in relation to another rate for the same coverage, if the differential between the rates is not reasonably justified by differences in losses, expenses, or both, or by differences in the uncertainty of loss for the individuals or risks to which the rates apply. A reasonable justification shall be supported by a reasonable classification system; by sound actuarial principles when applicable; and by actual and credible loss and expense statistics or, in the case of new coverages and classifications, by reasonably anticipated loss and expense experience. A rate is not unfairly discriminatory because the rate reflects differences in expenses for individuals or risks with similar anticipated losses, or because the rate reflects differences in losses for individuals or risks with similar expenses. Rates are not unfairly discriminatory if they are averaged broadly among persons insured on a group, franchise, blanket policy, or similar basis.

(2) Except to the extent necessary to meet the provisions of subsection (1)(d), uniformity among insurers in any matters within the scope of this section is neither required nor prohibited.

500.2404 Secondary or merit rating plan for commercial liability insurance rates; rating plan for medical malpractice insurance; limitations; "commercial liability insurance" defined.

Sec. 2404. (1) Each authorized insurer which delivers or issues for delivery commercial liability insurance policies in this state shall develop and establish a secondary or merit rating plan for commercial liability insurance rates. A merit rating plan required under this section shall adjust rates for commercial liability insurance policies on the basis of risk management technique implemented by the insured.

(2) An insurer's rating plan for medical malpractice insurance may provide for a premium surcharge based upon the filing of an action against the insured, subject to all of the following limitations:

(a) The surcharge plan shall be filed with the commissioner.

(b) A surcharge shall not be based on an action that was filed more than 3 years immediately preceding the issuance or renewal of the policy.

(c) A surcharge shall not be based on an action for which the insured has been adjudged not liable or which has been dismissed or settled without indemnity being paid on behalf of the insured.

(d) A surcharge shall not be based on an action for which the insurer pays, on behalf of the insured, indemnity and loss adjustment expenses with respect to such action in an amount that is less than 51% of the annual premium paid by the insured for the policy period covering such action.

(3) As used in this section, "commercial liability insurance" means insurance which provides indemnification for commercial, industrial, professional, or business liabilities.

500.2406 Required filings by insurers; insufficient information; supporting information; notice; public inspection; becoming member of or subscriber to licensed rating organization; rates and rating systems regarding worker's compensation insurance; filings; certification; trade secret.

Sec. 2406. (1) Except for worker's compensation insurance, an insurer shall file with the director a manual of classification, manual of rules and rates, rating plan, or modification of a manual of classification, manual of rules and rates, or rating plan that the insurer proposes to use. Each filing under this subsection must state the proposed effective date of the filing and must indicate the character and extent of the coverage contemplated. If a filing is not accompanied by the information on which the insurer supports the filing, and the director does not have sufficient information to determine if the filing meets the requirements of this chapter, the director shall within 10 days of the filing give written notice to the insurer to furnish the information that supports the filing. The information furnished in support of a filing may include the experience or judgment of the insurer or rating organization making the filing, its interpretation of any statistical data it relies on, the experience of other insurers or rating organizations, or any other relevant factors. Except as otherwise provided in subsection (6), the department shall make a filing under this subsection and any supporting information open to public inspection after the filing becomes effective.

(2) Except for worker's compensation insurance, an insurer may satisfy its obligation to make filings by becoming a member of, or a subscriber to, a licensed rating organization that makes filings, and by filing with the director a copy of its authorization of the rating organization to make filings on its behalf. This chapter does not require an insurer to become a member of or a subscriber to a rating organization.

(3) For worker's compensation insurance in this state, the insurer shall file with the director all rates and rating systems.

(4) The rates and rating systems for worker's compensation insurance must be filed not later than the date the rates and rating systems are to be effective. A filing under this subsection meets the requirements of this chapter unless and until the director disapproves a filing under section 2418 or 2420.

(5) A filing under subsections (3) and (4) must be accompanied by a certification by the insurer that, to the best of the insurer's information and belief, the filing conforms to the requirements of this chapter.

(6) An insurer or a rating organization filing on the insurer's behalf may designate information included in the filing or any accompanying information as a trade secret. The insurer or the rating organization filing on behalf of the insurer shall demonstrate to the director that the designated information is a trade secret. If the director determines that the information is a trade secret, the information is not subject to public inspection and is exempt from the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246. As used in this subsection, "trade secret" means that term as defined in section 2 of the uniform trade secrets act, 1998 PA 448, MCL 445.1902. However, trade secret does not include filings and information accompanying filings under this section that were subject to public inspection before the effective date of the amendatory act that added this subsection.

500.2407 "Pure premium data" defined; worker's compensation insurance; collecting, compiling, or making available to insurers certain information; filing rating system incompatible with approved statistical plans; proposed plan for reporting data; hearing; sharing information in establishing rates prohibited; exception; cost of operating data collection agency; rules; applicability of section.

Sec. 2407. (1) As used in this section, "pure premium data" means all historical data, including actual historical loss data by classification per payroll, except data prohibited by subsection (4). Pursuant to this section, insurers shall supply information regarding pure premium data to the designated advisory organization.

(2) With respect to worker's compensation insurance:

(a) The data collection agency shall designate 1 advisory organization for the purpose of collecting

historical data from all insurers and compiling pure premium data pursuant to the statistical plans of the designated advisory organization approved by the commissioner. All insurers shall make reports which conform to the data reporting requirements of the approved statistical plans of the designated advisory organization.

(b) The designated advisory organization shall make and file rates, rating systems and policy forms for the residual market in accordance with chapter 23.

(c) The data collection agency shall establish a plan providing for the collection of data, in addition to pure premium data, by the designated advisory organization to the extent necessary to establish proper residual market rates. The plan established pursuant to this subdivision shall be submitted to the commissioner for approval or amendment.

(d) The data collection agency shall authorize the designated advisory organization to compute how pure premium data which has been previously collected would have been affected by any significant change in a law resulting from a subsequent statute or subsequent court decision, if the change in the law were in effect before the pure premium data had been collected. The designated advisory organization shall determine the effect such a law change would have had in a manner which reasonably reflects the law change. The determination shall be disseminated only after approval or amendment by the commissioner. The commissioner shall approve, reject, or amend the determination to reasonably reflect the effects of the law change within 30 days after the determination is submitted to the commissioner. If the commissioner fails to approve, reject, or amend the determination with the 30 days, the determination shall be deemed approved.

(e) The designated advisory organization shall distribute to the data collection agency pure premium data for dissemination to all insurers.

(f) The designated advisory organization shall not:

(*i*) Collect any information other than historical data, except data collected pursuant to subdivisions (c) and (d).

(*ii*) Disseminate any data except as provided in this subsection.

(3) The data collection agency shall make available to insurers the information reported under subsection (2), except information necessary to operate the residual market.

(4) Neither the designated advisory organization nor the data collection agency shall collect, compile, or make available to insurers any information regarding the following except as provided in subsection (2)(b) to (d):

(a) Actuarial projections or trending factors.

(b) Profits.

(c) Expenses, except loss adjustment expenses.

(5) An insurer filing a rating system incompatible with the approved statistical plans shall file with the commissioner the proposed plan for reporting data which will conform with the data reporting requirements of the statistical plans approved by the commissioner and simultaneously furnish a copy of the filing with the data collection agency and the designated advisory organization. The data collection agency may request a hearing on any proposed plan for reporting data to determine if the plan will be compatible with the approved statistical plans. A request for a hearing under this subsection shall be made by first class mail, return receipt requested. The commissioner shall hold a hearing pursuant to Act No. 306 of the Public Acts of 1969, as amended, being sections 24.201 to 24.315 of the Michigan Compiled Laws, on a proposed plan not later than 30 days after receipt of the request for a hearing. At the hearing, consideration shall be given to the compatibility of the proposed plan with the data reporting requirements of the approved statistical plans of the data collection agency and the filer's practical capability of complying with those requirements. The commissioner shall issue a final order as to the compatibility of the proposed rating system and the capability of the filer within 30 days of the hearing. Unless the commissioner finds that the proposed system is compatible and the filer has the capability, the filer shall not use the proposed system but shall, at its option, use its prior rating system or file a new rating system.

(6) Except as provided in this section, insurers shall not share information in establishing rates or rating systems. A person, insurer, or organization that violates this subsection is subject to the penalties provided in section 2478. This subsection shall not prohibit an insurer from obtaining or utilizing information which is a matter of public record.

(7) The reasonable cost of the operation of the data collection agency shall be borne by the designated advisory organization.

(8) The commissioner shall promulgate rules pursuant to Act No. 306 of the Public Acts of 1969, as amended, being sections 24.201 to 24.315 of the Michigan Compiled Laws, for the purpose of establishing reporting periods and the method of reporting the information and data provided for under this section.

(9) This section only applies to and for the purposes of worker's compensation insurance.

Sec. 2408. (1) The commissioner shall review filings as soon as reasonably possible after they have been made in order to determine whether the filings meet the requirements of this chapter.

(2) Subject to the exception specified in subsection (3), each filing whether or not accompanied by supporting information shall be on file for a waiting period of 15 days before it becomes effective, which period may be extended by the commissioner for 1 additional period not to exceed 15 days if the commissioner gives written notice within the waiting period to the insurer or rating organization which made the filing that he or she needs additional time for the consideration of the filing. Upon written application by the insurer or rating organization, the commissioner may authorize a filing which he or she has reviewed to become effective before expiration of the waiting period or any extension thereof. A filing whether or not accompanied by supporting information shall be considered to meet the requirements of this chapter unless disapproved by the commissioner within the waiting period or extension thereof. Sec. 2411. (1) Rates and rating systems used by any insurer with regard to worker's compensation insurance within this state shall conform to the applicable requirements of this section.

Sec. 2420. (1) Any person or organization aggrieved with respect to any filing that is in effect may apply in writing to the commissioner for a hearing on the filing. The application shall specify the grounds to be relied upon by the applicant. If the commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if his or her grounds are established, and that the grounds otherwise justify holding a hearing, the commissioner shall, within 30 days after receipt of the application, hold a hearing upon not less than 10 days' written notice to the applicant and to every insurer and rating organization that made the filing.

(2) If, after a hearing under subsection (1), the commissioner finds that the filing does not meet the requirements of this chapter, the commissioner shall issue an order specifying in what respects he or she finds that the filing fails to meet the requirements of this chapter, and stating when, within a reasonable period thereafter, the filing shall be considered no longer effective. Copies of the order shall be sent to the applicant and to every insurer and rating organization. The request for this hearing shall be filed with the commissioner within 30 days of the date of the filing alleged to contain inadequate rates and shall state the grounds upon which a rate contained in the filing is alleged to be inadequate. The notice of hearing shall be served upon the insurer and shall state the time and place of the hearing and the grounds upon which the rate is alleged to be inadequate. Unless mutually agreed upon by the commissioner, the insurer, and the aggrieved person, the hearing shall occur not less than 15 days or more than 30 days after notice is served. Within 10 days of receipt of the request for hearing, the commissioner shall issue an order staying the use of any rate alleged to be inadequate and with respect to which, on the basis of affidavits and pleadings submitted by the aggrieved person and the insurer, it appears likely that the aggrieved person will prevail in the hearing. The nonprevailing party shall have the right to an interlocutory appeal to circuit court of the commissioner's decision granting or denying the stay, and the court shall review de novo the commissioner's decision.

(3) If, after a hearing, the commissioner finds that the furnishing of such information or assistance involves any act or practice which is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, he may issue a written order specifying in what respects such act or practice is unfair or unreasonable or otherwise inconsistent with the provisions of this chapter, and requiring the discontinuance of such act or practice.

(4) No insurer which makes its own filings nor any rating organization shall support its filings by statistics or adopt rate making recommendations, furnished to it by an advisory organization which has not complied with this section or with an order of the commissioner involving such statistics or recommendations issued under subsection (3) of this section. If the commissioner finds such insurer or rating organization to be in violation of this subsection he may issue an order requiring the discontinuance of such violation.

500.2468 Examination of rating organizations; report.

Sec. 2468. (1) The commissioner may make or cause to be made an examination of each rating organization licensed in this state under section 2436, each advisory organization referred to in section 2462, and of each group, association, or other organization referred to in section 2464. The reasonable costs of the examination shall be paid by the rating organization, advisory organization, or group, association, or other organization examined upon presentation to it of a detailed account of those costs. The officer, manager, agents, and employees of the rating organization, advisory organization, or group, association, or other organization may be examined at any time under oath and shall exhibit all books, records, accounts, documents, or agreements governing its method of operation. The examination is subject to the procedure provided for in section 222 relating to examinations of insurance companies.

500.2472 Statistical plans; exchange of data, consultation.

Sec. 2472. (1) The commissioner shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with him, which may be modified from time to time and which shall be used thereafter to the extent applicable to its particular rating system or systems, by each insurer in the recording and reporting of its loss and countrywide expense experience, in order that the experience of all insurers may be made available at least annually in such form and detail as may be necessary to aid him in determining whether rating systems comply with the standards set forth in section 2403. Such rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this state and are not susceptible of determination by a prorating of countrywide expense experience. In promulgating such rules and plans, the commissioner shall give due consideration to the rating systems on file with him and, in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states. No insurer shall be required to record or report its loss experience on a classification basis that is inconsistent with the rating system filed by it and no insurer shall be required to record or report its loss or expense experience on any basis or statistical plan that differs from that which is regularly employed and maintained in the usual course of such insurer's business, or to any rating organization or agency of which it is not a member or subscriber. The commissioner may designate 1 or more rating organizations or other agencies to assist him in gathering such experience and making compilations thereof, and such compilations shall be made available, subject to reasonable rules promulgated by the commissioner, to insurers and rating organizations.

(2) Reasonable rules and plans may be promulgated by the commissioner for the interchange of data necessary for the application of rating plans.

(3) In order to further uniform administration of rate regulatory laws, the commissioner and every insurer and rating organization may exchange information and experience data with insurance supervisory officials, insurers and rating organizations in other states and may consult with them with respect to rate making and the application of rating systems.

500.2478 Violation of chapter; imposition and disposition of civil fine; suspension or revocation of license.

Sec. 2478. (1) Subject to subsection (3), the commissioner may, if he or she finds that any person or organization has violated a provision of this chapter, previous to the date of his or her finding, impose a civil fine of not more than $300.00 for each violation, and if the violation is wilful, the commissioner may impose a civil fine of not more than $1,500.00 for each violation. A civil fine shall not be imposed for an offense that was committed more than 12 months prior to the date of the commissioner's findings. A fine collected under this subsection shall be turned over to the state treasurer and credited to the general fund of the state.

(2) The commissioner may suspend the license of any rating organization or insurer which fails to comply with an order of the commissioner within the time specified by the order, or any extension of the order which the commissioner may grant, but the suspension shall not affect the validity or continued effectiveness of rates previously filed and effective. The commissioner shall not suspend the license of any rating organization or insurer for failure to comply with an order until the time prescribed for an appeal from the order has expired, or, if an appeal has been taken, until the order has been affirmed. The commissioner may determine when a suspension of license shall become effective, and the suspension shall remain in effect for the period fixed by him or her, unless he or she modifies or rescinds the suspension, or until the order upon which the suspension is based is modified, rescinded, or reversed.

(3) A civil fine shall not be imposed and a license shall not be suspended or revoked except upon a written order of the commissioner, specifying the alleged violation and stating his or her findings, made after a hearing held upon not less than 10 days' written notice to the person or organization. An order issued by the commissioner pursuant to this section shall not require the payment of civil fines exceeding $10,000.00.

CHAPTER 26
FIRE AND INLAND MARINE RATES

500.2600 Purpose of chapter; construction.

Sec. 2600. The purpose of this chapter is to promote the public welfare by regulating insurance rates to the end that they shall not be excessive, inadequate or unfairly discriminatory, and to authorize and regulate cooperative action among insurers in rate making and in other matters within the scope of the insurance code. Nothing in this chapter is intended (1) to prohibit or discourage reasonable competition, or (2) to prohibit, or encourage except to the extent necessary to accomplish the aforementioned purpose, uniformity in insurance rates, rating systems, rating plans or practices. Conformity with this chapter shall not be deemed to be a violation of section 2075 (compacts to restrain competition prohibited). This chapter shall be liberally interpreted to carry into effect the provisions of this section.

History: 1956, Act 218, Eff. Jan. 1, 1957.

Popular name: Act 218

Administrative rules: R 501.251 et seq. of the Michigan Administrative Code.

500.2601 Scope of chapter.

Sec. 2601. (1) This chapter applies to the following kinds of insurance as written on risks located in this state by and companies, associations, or other carriers, including reciprocals:

(a) Property insurance, as defined in section 610.

(b) Marine insurance, as defined in section 614.

(c) Inland navigation and transportation insurance, as defined in section 616.

(d) Automobile insurance (limited), as defined in section 620.

(2) "Inland marine insurance" shall be considered to include:

(a) Insurance against loss of or damage to domestic shipments, bridges, tunnels, and other inland instrumentalities of transportation or communication, excluding buildings, their furniture and furnishings, fixed contents, and supplies held in storage.

(b) Insurance defined by ruling of the commissioner as inland marine insurance.

(3) This chapter does not apply to any of the following:

(a) Reinsurance, other than joint reinsurance to the extent stated in section 2658.

(b) Insurance against loss of or damage to:

(*i*) Imports, exports, or domestic shipments.

(*ii*) Bridges, tunnels, or other instrumentalities of transportation and communication.

(*iii*) Aircraft and attached equipment.

(*iv*) Vessels and watercraft under construction or owned by or used in a business or having a straight-line hull length of more than 24 feet.

(c) Insurance against loss resulting from liability arising out of the ownership, maintenance, or use of:

(*i*) Imports, exports, or domestic shipments.

(*ii*) Aircraft and attached equipment.

(*iii*) Vessels and watercraft that are under construction or owned by or used in a business or having a straight-line hull length of more than 24 feet.

(d) Motor vehicle insurance, nor to insurance against liability arising out of the ownership, maintenance, or use of motor vehicles.

(e) Companies organized and doing business under chapter 68.

(f) Insurance that meets both of the following:

(*i*) Is sold to an exempt commercial policyholder.

(*ii*) Contains a prominent disclaimer that states "This policy is exempt from the filing requirements of section 2236 of the insurance code of 1956, 1956 PA 218, MCL 500.2236." or words that are substantially similar.

(4) If any kind of insurance, subdivision, or combination thereof, or type of coverage, subject to this chapter, is also subject to regulation by another rate regulatory chapter of this act, an insurer to which both chapters are otherwise applicable shall file with the commissioner a designation as to which rate regulatory chapter shall be applicable to it with respect to such kind of insurance, subdivision, or combination thereof, or type of coverage.

(5) If, pursuant to subsection (6), the commissioner certifies the absence of a reasonable degree of competition for a specified classification, type, or kind of insurance, the commissioner may order that each insurer file for prior approval, subject to the provisions of this chapter, any changes to its manuals of classification, manuals of rules and rates, and rating plans the insurer proposes to use for that specified classification, type, or kind of insurance. The order shall state, in writing, the reasons for the commissioner's decision to order the filing. An order issued under this subsection expires 2 years after the date of issuance. If such an order is in effect, rates to which the order applies shall be filed at least 30 days before their proposed effective date. Failure of the commissioner to act within 30 days after submittal constitutes approval.

(6) A determination concerning the existence of a reasonable degree of competition shall take into account a reasonable spectrum of relevant economic tests, including the number of insurers actively engaged in writing the insurance in question, the present availability of that insurance compared to the availability in comparable past periods, the underwriting return of that insurance over a reasonable period of time sufficient to assure reliability in relation to the risk associated with that insurance, and the difficulty encountered by new insurers entering the market in order to compete for the writing of that insurance.

Popular name: Act 218

500.2603 Rate-making provisions; uniformity.

Sec. 2603. (1) All rates shall be made in accordance with the following provisions:

(a) Due consideration shall be given to past and prospective loss experience within and outside this state; to catastrophe hazards; to a reasonable margin for underwriting profit and contingencies; to dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers; to past and prospective expenses, both countrywide and those specially applicable to this state; and to all other relevant factors within and outside this state. In the case of fire insurance rates, consideration also shall be given to the experience of the fire insurance business during a period of not less than the most recent 5-year period for which that experience is available.

(b) The systems of expense provisions included in the rates for use by any insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the requirements of the operating methods of the insurer or group with respect to any kind of insurance or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable.

(c) Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which measure variations in hazards, expense provisions, or both. The rating plans may measure any differences among risks that may have a probable effect upon losses or expenses as provided for in subdivision (a).

(d) Rates shall not be excessive, inadequate, or unfairly discriminatory. A rate shall not be held to be excessive unless the rate is unreasonably high for the insurance coverage provided and a reasonable degree of competition does not exist with respect to the classification, kind, or type of risks to which the rate is applicable. A rate shall not be held to be inadequate unless the rate is unreasonably low for the insurance coverage provided and the continued use of the rate endangers the solvency of the insurer; or unless the rate is unreasonably low for the insurance provided and the use of the rate has or will have the effect of destroying competition among insurers, creating a monopoly, or causing a kind of insurance to be unavailable to a significant number of applicants who are in good faith entitled to procure the insurance through ordinary methods. A rate for a coverage is unfairly discriminatory in relation to another rate for the same coverage, if the differential between the rates is not reasonably justified by differences in losses, expenses, or both, or by differences in the uncertainty of loss for the individuals or risks to which the rates apply. A reasonable justification shall be supported by a reasonable classification system; by sound actuarial principles when applicable; and by actual and credible loss and expense statistics or, in the case of new coverages and classifications, by reasonably anticipated loss and expense experience. A rate is not unfairly discriminatory because the rate reflects differences in expenses for individuals or risks with similar anticipated losses, or because the rate reflects differences in losses for individuals or risks with similar expenses. Rates are not unfairly discriminatory if they are averaged broadly among persons insured on a group, franchise, blanket policy, or similar basis.

(2) Except to the extent necessary to meet the provisions of subsection (1)(d), uniformity among insurers in any matters within the scope of this section is neither required nor prohibited.

500.2606 Rate filings; proposed effective date; character and extent of coverage; insufficient information; public inspection; trade secret; inland marine rates; insurer as member of or subscriber to rating organization.

Sec. 2606. (1) Each insurer shall file with the director, except as to inland marine risks that by general custom of the business are not written according to manual rates or rating plans, every manual, minimum, class rate, rating schedule or rating plan and every other rating rule, and every modification of any of the foregoing that it proposes to use. In its filing, each insurer shall state the proposed effective date of the filing and shall indicate the character and extent of the coverage contemplated.

(2) If a filing is not accompanied by the information on which the insurer supports the filing, and the director does not have sufficient information to determine whether the filing meets the requirements of this chapter, the director shall require the insurer to furnish the information that supports the filing and the waiting period commences on the date the information is furnished. The information furnished in support of a filing may include the experience or judgment of the insurer or rating organization making the filing, its interpretation of any statistical data it relies on, the experience of other insurers or rating organizations, or any other relevant factors.

(3) Except as otherwise provided in this subsection, the department shall make a filing under this section and any supporting information open to public inspection after the filing becomes effective. An insurer or a rating organization filing on the insurer's behalf may designate information included in the filing or any accompanying information as a trade secret. The insurer or the rating organization filing on behalf of the insurer shall demonstrate to the director that the designated information is a trade secret. If the director determines that the information is a trade secret, the information is not subject to public inspection and is exempt from the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246. As used in this subsection, "trade secret" means that term as defined in section 2 of the uniform trade secrets act, 1998 PA 448, MCL 445.1902. However, trade secret does not include filings and information accompanying filings under this section that were subject to public inspection before the effective date of the amendatory act that

added this sentence.

(4) Specific inland marine rates on risks specially rated, made by a rating organization, must be filed with the director.

(5) An insurer may satisfy its obligation to make filings under this section by becoming a member of, or a subscriber to, a licensed rating organization that makes filings, and by filing with the director a copy of its authorization of the rating organization to make the filings on its behalf. This chapter does not require an insurer to become a member of or a subscriber to a rating organization.

Sec. 2608. (1) The commissioner shall review filings as soon as reasonably possible after they have been made in order to determine whether they meet the requirements of this chapter.

(2) Subject to the exception specified in subsection (3) of this section, each filing shall be on file for a waiting period of 15 days before it becomes effective, which period may be extended by the commissioner for an additional period not to exceed 15 days if he gives written notice within such waiting period to the insurer or rating organization which made the filing that he needs such additional time for the consideration of such filing. Upon written application by such insurer or rating organization, the commissioner may authorize a filing which he has reviewed to become effective before the expiration of the waiting period or any extension thereof. A filing shall be deemed to meet the requirements of this chapter unless disapproved by the commissioner within the waiting period or any extension thereof.

(3) Specific inland marine rates on risks specially rated by a rating organization shall become effective when filed and shall be deemed to meet the requirements of this chapter until such time as the commissioner reviews the filing and so long thereafter as the filing remains in effect.

Every such filing under this section shall state the effective date thereof, shall take effect on said date, shall not be subject to any waiting period requirements, and shall be deemed to meet the requirements of subdivision (d) of subsection (1) of section 2603 (rate

standards). A filing and any supporting information shall be open to public inspection, if the filing is not disapproved.

(2) At any time within 15 days from and after the date of any such filing, the commissioner may give written notice to the insurer or rating organization making such filing specifying in what respect and to what extent he contends such filing fails to comply with the requirements of subdivision (d) of subsection (1) of section 2603 and fixing a date for hearing not less than 10 days from the date of mailing of such notice. At such hearing the factors specified in subsection (2) of section 2606 shall be considered. If the commissioner after hearing finds that the filing does not comply with the provisions of this chapter, he may issue his order determining wherein and to what extent such filing is deemed to be improper and fixing a date thereafter, within a reasonable time, after which such filing shall no longer be effective. Any order of disapproval under this section must be entered within 30 days of the date of the filing affected.

(3) In the event that no notice of hearing shall be issued within 15 days from the date of any such filing, the filing shall be deemed to be approved. If such filing shall be disapproved, the insuring provisions of any contract or policy issued prior to the time the order becomes effective shall not be affected. But if the commissioner disapproves such filing as not being in compliance with subdivision (d) of subsection (1) of section 2603 (rate standards), he may order an adjustment of the premium to be made with the policyholder either by refund or collection of additional premium, if the amount is substantial and equals or exceeds the cost of making the adjustment. The commissioner may thereafter review any such filing in the manner provided in sections 2618 and 2620, but if so reviewed, no adjustment of premium may be ordered. Subsection (5) of section 2606 (filing may be made by rating organization), subsection (1) of section 2608 (commissioner shall review filing as soon as reasonably possible), and 2612 (insurer must adhere to filing) shall be applicable to filings made under this section.

If the commissioner finds that such rule or regulation is unreasonable in its application to subscribers, he shall order that such rule or regulation shall not be applicable to subscribers.

(3) If the rating organization fails to grant or reject an insurer's application for subscribership within 30 days after it was made, the insurer may request a review by the commissioner as if the application had been rejected. Sec. 2664. (1) The commissioner shall promulgate reasonable rules and statistical plans, reasonably adapted to each of the rating systems on file with him, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss and countrywide expense experience, in order that the experience of all insurers may be made available at least annually in such form and detail as may be necessary to aid him in determining whether rating systems comply with the standards set forth in section 2603. Such rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this state and are not susceptible of determination by a prorating of countrywide expense experience. In promulgating such rules and plans, the commissioner shall give due consideration to the rating systems on file with him and, in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states. No insurer shall be required to record or report its loss experience on a classification basis that is inconsistent with the rating system filed by it. The commissioner may designate 1 or more rating organizations or other agencies to assist him in gathering such experience and making compilations thereof, and such compilations shall be made available, subject to reasonable rules promulgated by the commissioner, to insurers and rating organizations.

(2) Reasonable rules and plans may be promulgated by the commissioner for the interchange of data necessary for the application of rating plans.

Group legal expense insurance is that form of voluntary legal expense insurance covering not less than 5 employees or members, with or without their eligible dependents, written under a master policy issued to any governmental corporation, unit, agency, or department thereof, or to any corporation, partnership, individual employer, or any association, upon application of any executive officer or trustee of such association having a constitution or bylaws, and formed in good faith for purposes other than that of obtaining insurance where officers, members, employees, or classes or departments thereof may be insured for their individual benefit.

Popular name: Act 218

500.2704 Rate-making procedure; uniformity among insurers; excessive rates.

Sec. 2704. (1) All rates shall be made in accordance with this section and all of the following:

(a) Due consideration shall be given to past and prospective loss experience within and outside this state; to catastrophe hazards; to a reasonable margin for underwriting profit and contingencies; to dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers; to past and prospective expenses, both countrywide and those specially applicable to this state; to underwriting practice, judgment, and to all other relevant factors within and outside this state. Experience rating is permitted for groups.

(b) The systems of expense provisions included in the rates for use by any insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the requirements of the operating methods

of the insurer or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable.

(c) Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which measure variations in hazards, expense provisions, or both. The rating plans may measure any differences among risks that may have a probable effect upon losses or expenses as provided for in subdivision (a).

(d) Rates shall not be excessive, inadequate, or unfairly discriminatory. A rate shall not be held to be excessive unless the rate is unreasonably high for the insurance coverage provided and a reasonable degree of competition does not exist with respect to the classification, kind, or type of risks to which the rate is applicable. A rate shall not be held to be inadequate unless the rate is unreasonably low for the insurance coverage provided and the continued use of the rate endangers the solvency of the insurer; or unless the rate is unreasonably low for the insurance provided and the use of the rate has or will have the effect of destroying competition among insurers, creating a monopoly, or causing a kind of insurance to be unavailable to a significant number of applicants who are in good faith entitled to procure the insurance through ordinary methods. A rate for a coverage is unfairly discriminatory in relation to another rate for the same coverage, if the differential between the rates is not reasonably justified by differences in losses, expenses, or both, or by differences in the uncertainty of loss for the individuals or risks to which the rates apply. A reasonable justification shall be supported by a reasonable classification system; by sound actuarial principles when applicable; and by actual and credible loss and expense statistics or, in the case of new coverages and classifications, by reasonably anticipated loss and expense experience. A rate is not unfairly discriminatory because the rate reflects differences in expenses for individuals or risks with similar anticipated losses, or because the rate reflects differences in losses for individuals or risks with similar expenses. Rates are not unfairly discriminatory if they are averaged broadly among persons insured on a group, franchise, blanket policy, or similar basis.

(2) Except to the extent necessary to meet the provisions of subsection (1)(d), uniformity among insurers in any matters within the scope of this section is neither required nor prohibited.

(3) Rates shall be considered excessive if the insurer fails to annually file an actuarial certification that the legal expense policies are expected to return to policyholders in the form of aggregate benefits under the policy, as estimated for the entire period for which rates are computed to provide coverage, on the basis of incurred claims experience and earned premiums for that period, and in accordance with accepted actuarial principles and practices, the following:

(a) In the case of group policies other than group employee benefit policies, at least 75% of the aggregate amount of premiums collected.

(b) In the case of individual policies, at least 65% of the aggregate amount of premiums collected.

500.2826 Liability for difference between actual value of property and amount expended to repair, rebuild, or replace.

Sec. 2826. An insurer may issue a fire insurance policy, insuring property, by which the insurer agrees to reimburse and indemnify the insured for the difference between the actual value of the insured property at the time any loss or damages occurs, and the amount actually expended to repair, rebuild, or replace with new materials of like size, kind, and quality, but not to exceed the amount of liability covered by the fire policy. A fire policy issued pursuant to this section may provide that there shall be no liability by the insurer to pay the amount specified in the policy unless the property damaged is actually repaired, rebuilt, or replaced at the same or another site.

500.2827 Fire policy providing reimbursement for lost or damaged property; maximum liability; cash settlement; payment of amount in excess of actual cash value of lost or damaged property.

Sec. 2827. (1) An insurer may issue a fire policy, insuring property, by which the insurer agrees to reimburse and indemnify the insured for the difference between the actual cash value of the lost or damaged insured property at the time of the loss or damage, and the amount actually necessary to repair, rebuild, or replace the lost or damaged insured property to a condition and appearance similar to that which existed at the time of the loss or damage based on the use of conventional materials and construction methods which are currently available without extraordinary expense. The insurer's liability shall not exceed the amount of liability covered by the contract of insurance.

(2) The contract of insurance established pursuant to subsection (1) shall not preclude an insured from selecting a cash settlement based on the actual cash value of the lost or damaged insured property at the time of the loss or damage, but not to exceed the amount of liability covered by the contract.

(3) The contract of insurance established pursuant to subsection (1) may provide that there shall be no liability on the part of the insurer to pay an amount in excess of the actual cash value of the lost or damaged insured property at the time of the loss or damage, unless the lost or damaged property is actually repaired, rebuilt, or replaced at the same or another contiguous site. However, this subsection shall not apply if the amount of loss or damage to the insured property under the standards of subsection (1) exceeds the amount of liability covered by the contracts.

500.2833 Fire insurance policy; mandatory provisions; coverage.

Sec. 2833. (1) Each fire insurance policy issued or delivered in this state shall contain the following provisions:

(a) That the policy shall provide, at a minimum, coverage for the actual cash value of the property at the time of the loss, subject to all other provisions contained herein.

(b) That the policy shall provide, at a minimum, coverage for direct loss by fire and lightning and pro rata coverage for 5 days for insured property removed to another location if it is moved to preserve it from damage by a covered peril.

(c) That the policy may be void on the basis of misrepresentation, fraud, or concealment.

(d) That property which is not covered under the policy.

(e) Those perils that are not covered under the policy.

(f) Those conditions which result in the suspension or restriction of insurance.

(g) A provision for waiving or changing a provision under the policy.

(h) That the policy may be canceled at any time at the request of the insured. The minimum earned premium shall not be less than the pro rata premium for the expired time or $25.00, whichever is greater.

(i) That the policy may be canceled at any time by the insurer by mailing to each insured named in the policy at the insured's address last known to the insurer or an authorized agent of the insurer, not less than 10 days before the cancellation, with postage fully prepaid, a written notice of cancellation with or without tender of the excess minimum earned premium. The minimum earned premium shall not be less than the pro rata premium for the expired time or $25.00, whichever is greater. The excess, if not tendered, shall be refunded on demand and the notice of cancellation shall state that the excess premium, if not tendered, will be refunded on demand.

(j) That if a loss is payable under the policy, in whole or in part, to a designated mortgagee not named in the policy as the insured, the interest in the policy may be canceled by the insurer by giving to the mortgagee not less than 10 days' written notice of cancellation. If the insured fails to render proof of loss, the mortgagee, upon notice, shall render proof of loss within 60 days after the notice. If the insurer claims that no liability existed as to the mortgagor or owner, it shall, to the extent of payment of loss to the mortgagee, be subrogated to all the mortgagee's rights of recovery, but without impairing the mortgagee's right to sue; or the insurer may pay off the mortgage debt and require an assignment of the debt and of the mortgage. Subrogation pursuant to this subdivision shall include contractual as well as tort rights of action, but only to the extent of the loss. An action may be maintained by either the insured or insurer or by both of them jointly, to recover their respective portions of the loss.

(k) That the insurer's liability shall not be greater than the pro rata share with other insurance for the peril involved.

(*l*) The notification requirements when a loss occurs.

(m) That if the insured and insurer fail to agree on the actual cash value or amount of the loss, either party may make a written demand that the amount of the loss or the actual cash value be set by appraisal. If either

makes a written demand for appraisal, each party shall select a competent, independent appraiser and notify the other of the appraiser's identity within 20 days after receipt of the written demand. The 2 appraisers shall then select a competent, impartial umpire. If the 2 appraisers are unable to agree upon an umpire within 15 days, the insured or insurer may ask a judge of the circuit court for the county in which the loss occurred or in which the property is located to select an umpire. The appraisers shall then set the amount of the loss and actual cash value as to each item. If the appraisers submit a written report of an agreement to the insurer, the amount agreed upon shall be the amount of the loss. If the appraisers fail to agree within a reasonable time, they shall submit their differences to the umpire. Written agreement signed by any 2 of these 3 shall set the amount of the loss. Each appraiser shall be paid by the party selecting that appraiser. Other expenses of the appraisal and the compensation of the umpire shall be paid equally by the insured and the insurer.

(n) That the insurer may repair, replace, rebuild, or take the property.

(o) That there can be no abandonment to the insurer of any property.

(p) Except as otherwise provided in section 2845, that the loss is payable within 30 days after receipt of proof of amount of loss.

(q) That an action under the policy may be commenced only after compliance with the policy requirements. An action must be commenced within 1 year after the loss or within the time period specified in the policy, whichever is longer. The time for commencing an action is tolled from the time the insured notifies the insurer of the loss until the insurer formally denies liability.

(r) That the insurer is subrogated to the insured's right of recovery from other parties.

(s) That each fire insurance policy subject to this section shall be effective at 12:01 a.m., standard time, at the location of the property involved.

(2) Except as otherwise provided in this act, each fire insurance policy issued or delivered in this state pursuant to subsection (1) shall contain, at a minimum, the coverage provided in the standard fire policy under former section 2832.

500.2845 Withholding 25% of actual cash value or final settlement where loss to insured real property due to fire or explosion; notice to city, village, or township treasurer, insured, and mortgagee; escrowing and retaining withheld amount; procedure; recording information and depositing money in trust or escrow account; releasing policy proceeds to mortgagee; commingling funds prohibited; retaining earned interest; forwarding money to insured; reasonable proof; using retained proceeds to secure, repair, or demolish damaged or destroyed structure and clear property; returning unused portion of retained proceeds; demolition of property; civil action for return of policy proceeds; liability of insurer; applicability of section; list of cities, villages, and townships; exception to withholding requirements; definitions.

Sec. 2845. (1) If a claim is filed for a loss to insured real property due to fire or explosion and a final settlement is reached on the loss to the insured real property, an insurer shall withhold from payment 25% of the actual cash value of the insured real property at the time of the loss or 25% of the final settlement, whichever is less. Until December 31, 2014, for residential property, the 25% settlement or judgment withheld shall not exceed $6,000.00 adjusted annually beginning June 1, 1999 in accordance with the consumer price index. Beginning January 1, 2015, for residential property, the 25% settlement or judgment withheld shall not exceed $12,000.00 adjusted January 1 of each year in accordance with the consumer price index. The director shall notify annually all insurance companies transacting property insurance in this state as to the new adjusted amount. At the time that 25% of the settlement or judgment is withheld, the insurer shall give notice of the withholding to the treasurer of the city, village, or township in which the insured real property is located, to the insured, and to any mortgagee having an existing lien or liens against the insured real property, if the mortgagee is named on the policy. For a judgment, notice shall also be provided to the court in which judgment was entered. The notice must include all of the following:

(a) The identity and address of the insurer.

(b) The name and address or forwarding address of each policyholder, including any mortgagee.

(c) The location of the insured real property.

(d) The date of loss, policy number, and claim number.

(e) The amount of money withheld.

(f) A statement that the city, village, or township may have the withheld amount paid into a trust or escrow account established for the purposes of this section if within 15 days after the mailing of the notice the city, village, or township states that the money should be withheld to protect the public health and safety; otherwise, the withheld amount shall be paid to the insured 15 days after the mailing of the notice.

(g) An explanation of the provisions of this section.

(2) For a city, village, or township to escrow the amount withheld by the insurer, and to retain that amount, the following procedure shall be used:

(a) An authorized representative of the city, village, or township shall request the insurer to pay the withheld amount into an escrow account maintained by the treasurer of the city, village, or township. A final settlement that exceeds 49% of the insurance on the insured real property is prima facie evidence that the damaged insured structure violates existing health and safety standards of the city, village, or township and constitutes cause for the escrowing of the withheld amount as surety for the repair, replacement, or removal of the damaged structure.

(b) For a settlement, the request under subdivision (a) shall be sent to the insurer with a copy to the insured and any mortgagees. The copy to the insured must contain the notice required under subdivision (d). On receipt of the request, the insurer shall forward the withheld amount to the treasurer of the city, village, or township, and shall provide notice of the forwarding to the insured and any mortgagees.

(c) For a judgment, the request under subdivision (a) shall be sent to the insurer with a copy to the insured,

any mortgagees, and the court in which judgment was entered. The copy to the insured must contain the notice required under subdivision (d). On motion of the city, village, or township, the court shall order the withheld amount transmitted to the treasurer of the city, village, or township.

(d) The city, village, or township shall notify the insured that the insured has 10 days from the date of the mailing of the notice to object to the city's, village's, or township's retention of the withheld amount. The notice must identify the authorized representative of the city, village, or township to whom the insured should address his or her objections and must state that the insured may do either of the following:

(*i*) Seek resolution with the representative of the city, village, or township designated to receive and resolve objections under this section. The city, village, or township shall make a final determination and shall notify the insured of that determination not later than 30 days after receipt of notice that the insured wishes to seek resolution under this subparagraph. This final determination shall include notice to the insured that if the insured is still dissatisfied with the city's, village's, or township's determination, the insured may seek relief in circuit court.

(*ii*) Seek relief in the circuit court.

(3) Upon receipt of money and information from an insurer as prescribed in subsections (1) and (2), the local treasurer shall record the information and the date of receipt of the money and shall immediately deposit the money in a trust or escrow account established for the purposes of this section. The account may be interest-bearing. If a mortgage on the insured property is in default, the treasurer of the city, village, or township, on written request from the first mortgagee of the property, shall release to the mortgagee all or any part of the policy proceeds received by the city, village, or township not later than 10 days after receipt of the written request by the mortgagee, to the extent necessary to satisfy any outstanding lien of the mortgagee.

(4) Except as provided in subsection (7), money deposited in an account under subsection (3) shall not be commingled with city, village, or township funds. Any interest earned on money placed in a trust or escrow account may be retained by the city, village, or township to defray administrative costs incurred under this section.

(5) Except as provided in subdivision (c), the money deposited under subsection (3) shall immediately be forwarded to the insured when the authorized representative of the city, village, or township designated by the governing body of the city, village, or township receives or is shown reasonable proof of any of the following:

(a) That the damaged or destroyed portions of the insured structure have been repaired or replaced, except to the extent that the amount withheld under this section is needed to complete repair or replacement.

(b) That the damaged or destroyed structure and all remnants of the structure have been removed from the land on which the structure or the remnants of the structure were situated, in compliance with the local code requirements of the city, village, or township in which the structure was located.

(c) That the insured has entered into a contract to perform repair, replacement, or removal services for the insured real property and that the insured consents to payment of money directly to the contractor performing the services upon completion. Money released under this subdivision may be forwarded only to a contractor performing services on the insured property.

(6) Reasonable proof required under subsection (5) includes any of the following:

(a) Originals or copies of pertinent verifiable contracts, invoices, receipts, and other similar papers evidencing both the work performed or to be performed and the materials used or to be used by all contractors performing repair, replacement, or removal services for the insured real property, other than a contractor subject to subdivision (b).

(b) An affidavit executed by the contractor that has performed the greatest amount of repair or replacement work on the structure, or that has done most of the clearing and removal work if structure repair or replacement is not to be performed. The contractor shall attach to the affidavit all pertinent contracts, invoices, and receipts and shall swear that these attached papers correctly indicate the nature and extent of the work performed to date by the contractor and the materials used.

(c) An inspection of the insured real property to verify that repair, replacement, or clearing has been completed in accordance with subsection (5).

(7) Except as otherwise provided in this subsection, if with respect to a loss, reasonable proof is not received by or shown to an authorized representative of the city, village, or township designated by the governing body of the city, village, or township within 120 days after the policy proceeds portion was received by the treasurer, the city, village, or township shall use the retained proceeds to secure, repair, or demolish the damaged or destroyed structure and clear the insured property so that the structure and property comply with local code requirements and applicable ordinances of the city, village, or township. The city, village, or township shall return to the insured any unused portion of the retained proceeds. The city, village, or township may extend the 120-day time period under this subsection. A city, village, or township may retain and use policy proceeds for demolishing any property if on or before the effective date of the amendatory act

that added this sentence the authorized representative had not received or been shown reasonable proof within 1 year after the insurer provided notice to the insured under subsection (1) and the insured property has been demolished. The insured may file a civil action against the city, village, or township for the return of the policy proceeds. An action filed under this subsection must be filed within 3 years after the insurer provided notice to the insured under subsection (1) or 1 year after the effective date of the amendatory act that added this sentence, whichever is later.

(8) There is no liability on the part of, and a cause of action shall not arise against, an insurer or an agent or employee of an insurer for withholding or transferring money in the course of complying or attempting to comply with this section. If there is a dispute with a lienholder concerning the distribution of an amount withheld from payment under this section, the insurer may file an action in circuit court to identify all parties that may have a financial interest in the withheld amount and to determine how the withheld amount should be distributed.

(9) This section applies only to property located in a city, village, or township described in subsection (12) if the city, village, or township pursuant to a resolution by its governing body notifies the director in writing that the city, village, or township has established a trust or escrow account to be used as prescribed in this section and intends to uniformly apply this section with respect to all property located within the city, village, or township following written notification to the director. The director shall prepare and distribute a list of all cities, villages, and townships that have elected to apply this section to all insurance companies transacting property insurance in this state.

(10) A city, village, or township may apply to be added to the list prepared under subsection (9) by making a written request for addition to the director. When a written request for addition from a city, village, or township has been received by the director, an amended list shall be prepared and distributed indicating the addition. The addition is effective on the date specified by the director in the amendment. The director shall notify the city, village, township, and insurance companies of the effective date of the addition which shall be effective not less than 30 days after receipt of notice by the insurance company. A city, village, or township shall not apply this section to any loss that occurred before the effective date of the addition.

(11) A city, village, or township may request to be deleted from the list prepared under subsection (9) or may cease to apply this section for a period of not less than 6 months upon not less than 30 days' written notice to the director. After receipt of a request to be deleted from the list, the director shall prepare and distribute an amendment to the list indicating the deletion. The deletion is effective on the date specified by the director in the amendment. The director shall notify the city, village, township, and insurance companies of the effective date of the deletion which shall be effective not less than 30 days after receipt of the notice by the insurance company. A city, village, or township shall continue to apply this section to any loss that occurred before the effective date of the deletion, notwithstanding the deletion.

(12) This section applies only to insured real property located in cities, villages, and townships that are located in counties with a population of less than 425,000 except that this section does not apply to insured real property located in cities, villages, and townships that are located in counties with a population of less than 425,000 if the city, village, or township has a population of 50,000 or more. This section applies to insured real property located in a city, village, or township that has elected to apply this section as provided in subsection (9) or (10).

(13) The withholding requirements of this section do not apply if all of the following occur:

(a) Within 15 days after agreement on a final settlement between the insured and the insurer, the insured has filed with the insurer evidence of a contract to repair as described in subsection (6).

(b) The insured consents to the payment of money directly to the contractor performing the repair services. Money released under this subdivision may be forwarded only to a contractor performing the repair services on the insured property.

(c) On receipt of the contract to repair, the insurer gives notice to the city, village, or township in which the property is located that there will not be a withholding under this section because of the repair contract.

(14) If the insured and the insurer have agreed on the demolition costs or the debris removal costs as part of the final settlement of the real property insured claim, the insurer shall withhold 1 of the following amounts, whichever is the largest, and shall pay that amount in accordance with this section:

(a) The agreed cost of demolition or debris removal.

(b) Until December 31, 2014, 25% of the actual cash value of the insured real property at the time of loss if this amount for residential property does not exceed $6,000.00 adjusted annually beginning June 1, 1999 in accordance with the consumer price index.

(c) Beginning January 1, 2015, 25% of the actual cash value of the insured real property at the time of the loss if this amount for residential property does not exceed $12,000.00 adjusted January 1 of each year in accordance with the consumer price index.

(d) Until December 31, 2014, 25% of the final settlement of the insured real property claim if this amount for residential property does not exceed $6,000.00 adjusted annually beginning June 1, 1999 in accordance with the consumer price index.

(e) Beginning January 1, 2015, 25% of the final settlement of the insured real property claim if this amount for residential property does not exceed $12,000.00 adjusted January 1 of each year in accordance with the consumer price index.

(15) This section applies only to final settlements that exceed 49% of the insurance on the insured real property.

(16) If an insurer withholds payment under a policy in good faith because of suspected arson, fraud, or other question concerning coverage, this section does not apply until the issue or question is resolved and final settlement is made.

(17) As used in this section:

(a) "Consumer price index" means that term as defined in section 2080.

(b) "Final settlement" means a determination of the amount due and owing to the insured for a loss to insured real property, but does not include contents damage, losses to personal property, or additional coverage not contained in the building coverage portion of the fire insurance policy, which determination is made by any of the following means:

(*i*) Acceptance of a proof of loss by the insurer.

(*ii*) Execution of a release by the insured.

(*iii*) Acceptance of an arbitration award by both the insured and the insurer.

(*iv*) Judgment of a court of competent jurisdiction.

(c) "Home insurance" means that term as defined in section 2103.

(d) "Residential property" means property on which home insurance can be issued.

Every insurer described in this subsection shall be a member of the pool, as a condition of its authority to continue to transact insurance in this state.

(2) The pool shall adopt a plan of operation and any amendments to the plan, not inconsistent with this chapter, necessary to assure the fair, reasonable, equitable, and nondiscriminatory manner of administering the pool, including compliance with chapter 21, and to provide for any other matters as are necessary or advisable to implement this chapter. The plan of operation and any amendments to the plan shall be subject to prior written approval by the commissioner. All members of the pool shall comply with the plan of operation.

(3) In accordance with its plan of operation the pool may designate 1 or more of its members as servicing facilities. Sec. 2930a. (1) Except as otherwise provided in subsection (5)(c), rates charged in each territory by the pool for home insurance shall be actuarially determined and calculated to generate a total premium sufficient to cover the expected losses and expenses that the pool will likely incur during the projected period for which the rates will be effective, subject to the following:

(a) If the pool's actuarially indicated overall rate change is greater than 5% but less than or equal to 20%, the pool shall take 1/2 of the actuarially indicated rate change amount.

(b) If the pool's actuarially indicated overall rate change is greater than 20%, the pool shall take the full amount that exceeds 20%, plus 10%.

(c) If the pool's actuarially indicated overall rate change is less than 5%, the pool shall take the entire indicated rate change amount.

(2) Rates developed under this section are subject to the following:

(a) The rates shall not be revised more than annually.

(b) The rates shall be filed with the commissioner for prior approval. A filing is considered to be approved unless it is disapproved by the commissioner within 30 days after it is received.

(c) If the commissioner disapproves a filing within 30 days after it is received, he or she shall send written notice of disapproval to the pool specifying in what respects the filing fails to meet the requirements of this act and stating that the filing shall not become effective.

(d) If at any time after the 30-day period specified in subdivision (b) the commissioner finds that a filing does not meet the requirements of this act, the commissioner shall, after a hearing held on not less than 10 days' written notice specifying the matters to be considered at the hearing, issue an order specifying in what respects the commissioner finds that the filing fails to meet the requirements of this act and stating when, within a reasonable period after the date of the order, the filing shall be considered no longer effective.

(3) In addition to the requirements of subsections (1) and (2), the premium established for the repair cost policy offered by the pool shall not exceed the premium for an amount of insurance equal to 80% of the replacement cost of the property under the replacement cost policy of the pool equivalent to the HO-2 form replacement cost policy filed and in effect in this state for a licensed rating organization. Premiums for dwellings with identical replacement costs shall vary on a schedule determined by the pool in accordance with the insured value of the dwelling.

(4) The pool or any other association or organization designated by the pool shall develop its own actuarially justified statistical plans, rating rules, classifications, territories, and rating calculation steps for home insurance issued on behalf of the pool consistent with this section.

(5) The pool shall offer at least the following home insurance policy forms:

(a) An HO-2 form replacement cost policy equivalent to the HO-2 form replacement cost policy filed and in effect in this state for a licensed rating organization.

(b) A repair cost policy providing the deductibles, terms and conditions, perils insured against, and types and amounts of coverage equivalent to those provided by the HO-2 replacement cost policy filed and in effect for a licensed rating organization.

(c) An HO-3 form replacement cost policy equivalent to the HO-3 form replacement cost policy filed and in effect in this state for a licensed rating organization. The rates established by the pool for the HO-3 form replacement cost policy offered pursuant to this subdivision shall be actuarially determined and calculated to generate a total premium sufficient to cover the expected losses and expenses of the pool related to the HO-3 replacement cost policy that the pool will likely incur during the projected period for which the rates will be effective. The premium shall be adjusted fully in a single period or over several periods in a manner provided for in the plan of operation for any excess or deficient premiums from previous periods. Rates established by the pool under this subdivision shall not be based upon the methodology provided for in subsection (1).

(6) Policy forms shall be filed with the commissioner for prior approval.

(2) In order to assure that property in areas of the state receives an equitable opportunity to utilize the pool up to its premium capacity, it shall be the operating principle of the pool to maintain a ratio of the total premiums written by or on behalf of the pool in any 1 county in the state in any 1 calendar year to the total authorized premiums for the pool in that same year to the same ratio that the aggregate assessed valuation of all taxable nonfarm property situated in such county, assessed at state equalized value, bears to the aggregate assessed valuation of all taxable nonfarm property in the state, assessed at state equalized value, according to the most recent available official assessed valuation figure. Pool premium writings in 1 or more counties may exceed the ratios for such counties, if it is determined by the commissioner that there is and will be authorized premium capacity in the pool which will not be required or utilized to meet basic property insurance needs in other counties in the state during the calendar year.

500.2932 Annual rate of assessment; establishment; purpose; basis; notice; payment of assessments; estimating assessable premiums; adjustment of premium rates; annual statement; assessments as income; deficit or surplus; advance assessments; exempting or deferring assessment; duration of certain rate adjustments; certain deficits carried forward; sharing assets, liabilities, income, and disbursements.

Sec. 2932. (1) At least once each calendar year, before October 1 for the succeeding calendar year, or at such other times as may be requested by the board of governors and approved by the commissioner, the board shall establish the annual rate of assessment needed to cover any anticipated deficit from the operation of the pool. There shall be separate assessments for anticipated deficits with respect to basic property insurance and with respect to home insurance. The rate of assessment established by the board shall be based upon a reasonable estimate of the deficit which will probably occur, taking into consideration the probable amount of premiums which will be written by the pool for basic property insurance and for home insurance during the year, the past experience of the pool, the premium rates to be used by the pool, and other relevant information. Upon determination of the rate of assessment by the board of governors, the board shall notify each participating member of its assessment before October 1 of each calendar year, and shall file the notice with the commissioner.

(2) Participating members shall pay assessments to the pool after the end of each calendar quarter at the rate established upon the assessable premiums for basic property insurance and for home insurance written by participating members during the most recently completed calendar quarter. Assessable premiums written during the first 3 calendar quarters of each year may be estimated, with a reasonable degree of accuracy, subject to adjustment at the end of the calendar year.

(3) Each participating member may adjust its premium rates, in accordance with appropriate provisions of this chapter relating to rates for all insurance included in the corresponding definitions of assessable premiums in section 2901, to provide for the amount of the assessment established by the board.

(4) At the end of each calendar year the pool shall prepare an annual statement on forms prescribed by the commissioner. The assessments paid to the pool on assessable premiums written during a calendar year shall be included as income in the annual statement of the pool for that calendar year. If the pool has a deficit or surplus at the end of the calendar year, the deficit or surplus shall be carried forward to the next year and shall be considered in determining the rate of assessment established for the next year.

(5) For purposes of paying claims and expenses at any time, the board may levy appropriate advance assessments on all participating members, which shall be credited against assessments payable subsequently.

(6) The board may exempt or defer, in whole or in part, the assessment of a participating member if the assessment would cause the participating member's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the participating member is authorized to transact insurance.

(7) Rate adjustments which have been approved prior to August 1, 1971 shall continue in effect until the end of the period for which they were approved. A deficit existing on August 1, 1971 shall be carried forward and assessed under the provisions of this section.

(8) Upon dissolution, the participating members of the pool shall share in the assets, liabilities, income, and disbursements of the pool, as shown in the most recent annual statement of the pool, in proportion to their assessable premiums for basic property insurance and for home insurance, respectively, for the same calendar year.

500.2952 Federal riot reinsurance reimbursement fund; contents, assessments, reimbursements, retroactive effect.

Sec. 2952. (1) There is created a fund to be known as the federal riot reinsurance reimbursement fund, hereinafter referred to as the fund, which shall be operated under the joint control of the state treasurer and the commissioner of insurance. The fund shall consist of all payments made to the fund by insurers in accordance with the provisions of this section. The state treasurer shall enforce the collection of the assessments provided hereunder as any other obligation due the state.

(2) The fund shall reimburse the secretary of the department of housing and urban development, hereinafter referred to as the secretary, in an amount up to 5% of the aggregate property insurance premiums earned in this state during the calendar year immediately preceding the calendar year, with respect to which the secretary paid losses on lines of insurance reinsured by him in this state during that year and for which he claims reimbursement from the fund in accordance with section 1223 of the housing and urban development act of 1968, Public Law 90-448, 90th congress, August 1, 1968, hereinafter referred to as the act.

(3) Whenever the secretary, in accordance with the act, shall present to the state a request for reimbursement under the act, the fund shall immediately assess all insurers which, during the calendar year with respect to which reimbursement is requested by the secretary, were reinsured under the act. The amount of each insurer's assessment shall be calculated by multiplying the amount of the reimbursement requested by the secretary by a fraction the numerator of which is the insurer's premiums actually reinsured in this state with the secretary in that calendar year and the denominator of which is the aggregate of such reinsured premiums for all insurers.

(4) The fund shall reimburse the secretary, up to amounts actually collected by it, upon drafts or vouchers duly authorized by the state treasurer with the approval of the commissioner of insurance.

(5) If any insurer fails, by reason of insolvency, to pay any assessment, the fund shall cause the reimbursement ratios, computed under subsection (3) to be immediately recalculated, excluding therefrom the insolvent insurer, so that, its assessment is in effect, assumed and redistributed among the remaining insurers.

(6) If the secretary determines that the provisions of this section are not sufficient to meet the requirements of section 1223 of the act, the fund shall assess, with respect to the calendar year in which the determination is made and for each calendar year thereafter, against each insurer, which during the applicable calendar year obtained reinsurance with the secretary on premiums earned in this state, an amount equal to the maximum for which the fund would be liable to the secretary for that calendar year multiplied by a fraction the numerator of which is the insurer's premiums actually reinsured in the state with the secretary during that calendar year and the denominator of which is the aggregate of such reinsured premiums for all insurers. As soon as practicable after the close of a calendar year, the fund, in accordance with the formula provided in subsection (3), shall calculate the actual liability of each insurer for reimbursement to the secretary for that calendar year. The difference between the actual liability so calculated and the amount previously assessed and paid with respect to that calendar year under this section shall be credited by the fund toward the assessment against each such insurer for the subsequent calendar year.

(7) In the event that the provisions of this section and the assessments made thereunder are no longer needed in order to effectuate the program for which they were intended, the amounts remaining in the fund shall be returned to the insurers in proportion to the amount which they paid.

(8) This section shall be retroactive to August 1, 1968.

Sec. 3017. (1) An authorized insurer that issues an insurance policy insuring a personal vehicle may exclude all coverage afforded under the policy for any loss or injury that occurs while a transportation network company driver is logged on to a transportation network company digital network or while a transportation network company driver is providing a prearranged ride. By way of example and not as limitation, all of the following coverages may be excluded under this section:

(a) Residual liability insurance required under sections 3009 and 3101.

(b) Personal protection and property protection insurance required under section 3101.

(c) Uninsured and underinsured motorist coverage.

(d) Comprehensive coverage.

(e) Collision coverage, including coverage required to be offered under section 3037.

(2) This section does not require an automobile insurance policy to provide coverage under any of the following circumstances:

(a) While a transportation network company driver is logged on to a transportation network company digital network.

(b) While a transportation network company driver is engaged in providing a prearranged ride.

(c) While a transportation network company driver otherwise uses a vehicle to transport passengers for compensation.

(3) This section does not preclude an insurer from providing coverage for a transportation network company driver's personal vehicle by contract or endorsement.

(4) An insurer that excludes the coverage described in subsection (1) does not have a duty to defend or indemnify for any claim that is expressly excluded. This section does not invalidate or limit an exclusion contained in a policy, including a policy in use or approved for use in this state before the effective date of this section, that excludes coverage for vehicles that are used to carry individuals or property for a charge or that are available for hire by the public. An insurer that defends or indemnifies for a claim against a transportation network company driver who is excluded under the terms of the policy has a right of contribution against other insurers that provided automobile insurance to the transportation network company driver in satisfaction of the coverage requirements of section 23 of the limousine, taxicab, and transportation network company act at the time of the loss.

(5) An insurer that provides automobile insurance to a transportation network company shall comply with section 23(5), (6), and (9) of the limousine, taxicab, and transportation network company act.

(6) During an investigation of whether a claim is covered under an insurance policy, a transportation network company and any insurer that provides coverage under section 23 of the limousine, taxicab, and transportation network company act shall cooperate to facilitate the exchange of relevant information with persons who are directly involved and any insurer of the transportation network company driver. Relevant information required to be exchanged under this subsection includes, but is not limited to, all of the following:

(a) The times that the transportation network company driver logged on to and logged off of the transportation network company digital network during the 12 hours preceding the accident and the 12 hours following the accident.

(b) A clear description of the coverage, exclusions, and limits under any insurance policy maintained as required by section 23 of the limousine, taxicab, and transportation network company act.

(7) As used in this section, all of the following terms mean those terms as defined in section 2 of the limousine, taxicab, and transportation network company act:

Sec. 3020. (1) A policy of casualty insurance, except worker's compensation and mortgage guaranty insurance, including all classes of motor vehicle coverage, shall not be issued or delivered in this state by an insurer authorized to do business in this state for which a premium or advance assessment is charged, unless the policy contains the following provisions:

(a) That the policy may be canceled at any time at the request of the insured, in which case the insurer shall refund the excess of paid premium or assessment above the pro rata rates for the expired time, except as otherwise provided in subsections (2), (3), and (4).

(b) Except as otherwise provided in subdivision (d), that the policy may be canceled at any time by the insurer by mailing to the insured at the insured's address last known to the insurer or an authorized agent of

the insurer, with postage fully prepaid, a not less than 10 days' written notice of cancellation with or without tender of the excess of paid premium or assessment above the pro rata premium for the expired time.

(c) That the minimum earned premium on any policy canceled pursuant to this subsection, other than automobile insurance as defined in section 2102(2)(a) and (b), shall not be less than the pro rata premium for the expired time or $25.00, whichever is greater.

(d) That an insurer may refuse to renew a malpractice insurance policy only by mailing to the insured at the insured's address last known to the insurer or an authorized agent of the insurer, with postage fully prepaid, a not less than 60 days' written notice of refusal to renew. As used in this subdivision, "malpractice insurance" means malpractice insurance as described in section 624(1)(h).

(2) An insurer may file a rule with the commissioner providing for a minimum retention of premium for automobile insurance as defined in section 2102(2)(a) and (b). (a) That a minimum retention shall be applied only when the amount exceeds the amount that would have been retained had the policy been canceled on a pro rata basis.

(b) That a minimum retention does not apply to renewal policies.

(c) That a minimum retention does not apply when a policy is canceled for the following reasons:

(*i*) The insured is no longer required to maintain security pursuant to section 3101(1).

(*ii*) The insured has replaced the automobile insurance policy being canceled with an automobile insurance policy from another insurer and provides proof of the replacement coverage to the canceling insurer.

(3) Notwithstanding subsection (1), an insurer may issue a noncancelable, nonrefundable, 6-month prepaid automobile insurance policy in order for an insured to meet the registration requirements of section 227a of the Michigan vehicle code, 1949 PA 300, MCL 257.227a.

(5) Cancellation as prescribed in this section is without prejudice to any claim originating before the cancellation. The mailing of notice is prima facie proof of notice. Delivery of written notice is equivalent to mailing.

(6) A notice of cancellation, including a cancellation notice under section 3224, shall be accompanied by a statement that the insured shall not operate or permit the operation of the vehicle to which notice of cancellation is applicable, or operate any other vehicle, unless the vehicle is insured as required by law.

(7) An insurer who wishes to provide for a short rate premium under subsection (4) shall file with the commissioner pursuant to chapter 24 or 26 a rule establishing a short rate premium. The rule shall describe the circumstances under which the short rate is applied and shall set forth the amount or percentage to be retained.

(a) Limited collision coverage, which must pay for collision damage to the insured vehicle without a deductible amount if the operator of the vehicle is not substantially at fault in the accident from which the damage arose.

(b) Broad form collision coverage, which must pay for collision damage to the insured vehicle regardless of fault, with deductibles in the amounts as approved by the director, which deductibles must be waived if the operator of the vehicle is not substantially at fault in the accident from which the damage arose.

The rejection statement must inform the applicant of his or her rights if there is damage to the insured vehicle under the alternative coverage option selected.

(5) If a written application is made by mail, and if the applicant fails to sign or return a written rejection statement as required by subsection (4), the requirements of subsection (4) are considered to be satisfied with respect to the insurer if all of the following occur:

(b) The collision coverages available under the policy and the rights of the insured under each collision option if the vehicle is damaged.

(c) Procedures for the policyholder to follow if he or she wishes to change the current collision coverage.

(8) As used in this section:

A policy of insurance represented or sold as providing security is considered to provide insurance for the payment of the benefits.

(5) Security required by subsection (1) may be provided by any other method approved by the secretary of state as affording security equivalent to that afforded by a policy of insurance, if proof of the security is filed and continuously maintained with the secretary of state throughout the period the motor vehicle is driven or moved on a highway. The person filing the security has all the obligations and rights of an insurer under this chapter. When the context permits, "insurer" as used in this chapter, includes a person that files the security as provided in this section.

Sec. 3101a. (1) An insurer, in conjunction with the issuance of an automobile insurance policy, shall provide to the insured 1 certificate of insurance for each insured vehicle and for private passenger nonfleet automobiles listed on the policy shall supply to the secretary of state the automobile insurer's name, the name of the named insured, the named insured's address, the vehicle identification number for each vehicle listed on the policy, and the policy number. The insurer shall transmit the information required under this subsection in a format as required by the secretary of state. Sec. 3102. (1) A nonresident owner or registrant of a motor vehicle or motorcycle not registered in this state shall not operate or permit the motor vehicle or motorcycle to be operated in this state for an aggregate of more than 30 days in any calendar year unless he or she continuously maintains security for the payment of benefits pursuant to this chapter.

(2) An owner or registrant of a motor vehicle or motorcycle with respect to which security is required, who operates the motor vehicle or motorcycle or permits it to be operated upon a public highway in this state, without having in full force and effect security complying with this section or section 3101 or 3103 is guilty of a misdemeanor. A person who operates a motor vehicle or motorcycle upon a public highway in this state with the knowledge that the owner or registrant does not have security in full force and effect is guilty of a misdemeanor. A person convicted of a misdemeanor under this section shall be fined not less than $200.00 nor more than $500.00, imprisoned for not more than 1 year, or both.

(3) The failure of a person to produce evidence that a motor vehicle or motorcycle has in full force and effect security complying with this section or section 3101 or 3103 on the date of the issuance of the citation, creates a rebuttable presumption in a prosecution under subsection (2) that the motor vehicle or motorcycle did not have in full force and effect security complying with this section or section 3101 or 3103 on the date of the issuance of the citation.

Sec. 3103. (1) An owner or registrant of a motorcycle shall provide security against loss resulting from liability imposed by law for property damage, bodily injury, or death suffered by a person arising out of the ownership, maintenance, or use of that motorcycle. The security shall conform with the requirements of section 3009(1).

(2) Each insurer transacting insurance in this state which affords coverage for a motorcycle as described in subsection (1) also shall offer, to an owner or registrant of a motorcycle, security for the payment of first-party medical benefits only, in increments of $5,000.00, payable in the event the owner or registrant is involved in a motorcycle accident. Sec. 3104. (1) The catastrophic claims association is created as an unincorporated, nonprofit association. Each insurer engaged in writing insurance coverages that provide the security required by section 3101(1) in this state, as a condition of its authority to transact insurance in this state, shall be a member of the association and is bound by the plan of operation of the association. An insurer engaged in writing insurance coverages that provide the security required by section 3103(1) in this state, as a condition of its authority to transact insurance in this state, is considered to be a member of the association, but only for purposes of premiums under subsection (7)(d). Except as expressly provided in this section, the association is not subject to any laws of this state with respect to insurers, but in all other respects the association is subject to the laws of this state to the extent that the association would be if it were an insurer organized and subsisting under chapter 50.

(2) For all motor vehicle accident policies issued or renewed before July 2, 2020 and for a motor vehicle accident policy issued or renewed after July 1, 2020 to which section 3107c(1)(d) applies, the association shall provide and each member shall accept indemnification for 100% of the amount of ultimate loss sustained under personal protection insurance coverages in excess of the following amounts in each loss occurrence:

(a) For a motor vehicle accident policy issued or renewed before July 1, 2002, $250,000.00.

(i) For a motor vehicle accident policy issued or renewed during the period July 1, 2009 to June 30, 2010, $460,000.00.

(j) For a motor vehicle accident policy issued or renewed during the period July 1, 2010 to June 30, 2011, $480,000.00.

(k) For a motor vehicle accident policy issued or renewed during the period July 1, 2011 to June 30, 2013, $500,000.00.

(*l*) For a motor vehicle accident policy issued or renewed during the period July 1, 2013 to June 30, 2015, $530,000.00.

(m) For a motor vehicle accident policy issued or renewed during the period July 1, 2015 to June 30, 2017, $545,000.00.

(n) For a motor vehicle accident policy issued or renewed during the period July 1, 2017 to June 30, 2019, $555,000.00.

(o) For a motor vehicle accident policy issued or renewed during the period July 1, 2019 to June 30, 2021, $580,000.00. Beginning July 1, 2021, this $580,000.00 amount must be increased biennially on July 1 of each odd-numbered year, for policies issued or renewed before July 1 of the following odd-numbered year, by the lesser of 6% or the Consumer Price Index, and rounded to the nearest $5,000.00. The association shall calculate this biennial adjustment by January 1 of the year of its July 1 effective date.

(3) An insurer may withdraw from the association only on ceasing to write insurance that provides the security required by section 3101(1) in this state.

(4) An insurer whose membership in the association has been terminated by withdrawal continues to be bound by the plan of operation, and on withdrawal, all unpaid premiums that have been charged to the withdrawing member are payable as of the effective date of the withdrawal.

(5) An unsatisfied net liability to the association of an insolvent member must be assumed by and apportioned among the remaining members of the association as provided in the plan of operation. The association has all rights allowed by law on behalf of the remaining members against the estate or funds of the

insolvent member for money due the association.

(6) If a member has been merged or consolidated into another insurer or another insurer has reinsured a member's entire business that provides the security required by section 3101(1) in this state, the member and successors in interest of the member remain liable for the member's obligations.

(7) The association shall do all of the following on behalf of the members of the association:

(a) Assume 100% of all liability as provided in subsection (2).

(b) Establish procedures by which members must promptly report to the association each claim that, on the basis of the injuries or damages sustained, may reasonably be anticipated to involve the association if the member is ultimately held legally liable for the injuries or damages. Solely for the purpose of reporting claims, the member shall in all instances consider itself legally liable for the injuries or damages. The member shall also advise the association of subsequent developments likely to materially affect the interest of the association in the claim.

(c) Maintain relevant loss and expense data relating to all liabilities of the association and require each member to furnish statistics, in connection with liabilities of the association, at the times and in the form and detail as required by the plan of operation.

(d) In a manner provided for in the plan of operation, calculate and charge to members of the association a total premium sufficient to cover the expected losses and expenses of the association that the association will likely incur during the period for which the premium is applicable. The total premium must include an amount to cover incurred but not reported losses for the period and must be adjusted for any excess or deficient premiums from previous periods. Excesses or deficiencies from previous periods must either be fully adjusted in a single period or be adjusted over several periods in a manner provided for in the plan of operation. Each member must be charged an amount equal to that member's total written car years of insurance providing the security required by section 3101(1) or 3103(1), or both, written in this state during the period to which the premium applies, with the total written car years of insurance multiplied by the applicable average premium per car. The average premium per car is the total premium, as adjusted for any excesses or deficiencies, divided by the total written car years of insurance providing the security required by section 3101(1) or 3103(1), or both, written in this state of all members during the period to which the premium applies, excluding cars insured under a policy with a coverage limit under section 3107c(1)(a), (b), or (c), cars as to which an election to not maintain personal protection insurance benefits has been made under section 3107d, or as to which an exclusion under section 3109a(2) applies, except for any portion of total premium that is an adjustment for a deficiency in a previous period. A member may not be charged a premium for a car insured under a policy with a coverage limit under section 3107c(1)(a), (b), or (c), as to which an election to not maintain personal protection insurance benefits has been made under section 3107d, or as to which an exclusion under section 3109a(2) applies, other than for the portion of the total premium attributable to an adjustment for a deficiency in a previous period. A member must be charged a premium for a historic vehicle that is insured with the member of 20% of the premium charged for a car insured with the member.

(e) Require and accept the payment of premiums from members of the association as provided for in the plan of operation. The association shall do either of the following:

(*i*) Require payment of the premium in full within 45 days after the premium charge.

(*ii*) Require payment of the premiums to be made periodically to cover the actual cash obligations of the association.

(f) Receive and distribute all money required by the operation of the association.

(g) Establish procedures for reviewing claims procedures and practices of members of the association. If the claims procedures or practices of a member are considered inadequate to properly service the liabilities of the association, the association may undertake or may contract with another person, including another member, to adjust or assist in the adjustment of claims for the member on claims that create a potential liability to the association and may charge the cost of the adjustment to the member.

(h) Provide any records necessary or requested by the director for the actuarial examination under subsection (21).

(i) Subject to subsection (23), obey an order of the director for a refund under subsection (22).

(8) In addition to other powers granted to it by this section, the association may do all of the following:

(a) Sue and be sued in the name of the association. A judgment against the association does not create any direct liability against the individual members of the association. The association may provide for the indemnification of its members, members of the board of directors of the association, and officers, employees, and other persons lawfully acting on behalf of the association.

(b) Reinsure all or any portion of its potential liability with reinsurers licensed to transact insurance in this state or approved by the director.

(c) Provide for appropriate housing, equipment, and personnel as necessary to assure the efficient operation of the association.

(d) Pursuant to the plan of operation, adopt reasonable rules for the administration of the association, enforce those rules, and delegate authority, as the board considers necessary to assure the proper administration and operation of the association consistent with the plan of operation.

(e) Contract for goods and services, including independent claims management, actuarial, investment, and legal services, from others in or outside of this state to assure the efficient operation of the association.

(f) Hear and determine complaints of a company or other interested party concerning the operation of the association.

(g) Perform other acts not specifically enumerated in this section that are necessary or proper to accomplish the purposes of the association and that are not inconsistent with this section or the plan of operation.

(9) A board of directors is created and shall operate the association consistent with the plan of operation and this section.

(10) The plan of operation must provide for all of the following:

(a) The establishment of necessary facilities.

(b) The management and operation of the association.

(c) Procedures to be utilized in charging premiums, including adjustments from excess or deficient premiums from prior periods. The plan must require that any deficiency from a prior period be amortized over not fewer than 15 years.

(d) Procedures for a refund to members of the association, for distribution to insureds as provided in subsection (24), as ordered by the director under subsection (22). The procedures must provide for a distribution of a refund attributable to a historic vehicle equal to 20% of the refund for a car that is not a historic vehicle.

(e) Procedures governing the actual payment of premiums to the association.

(f) Reimbursement of each member of the board by the association for actual and necessary expenses incurred on association business.

(g) The investment policy of the association.

(h) Any other matters required by or necessary to effectively implement this section.

(11) The board must include members that would contribute a total of not less than 40% of the total premium calculated under subsection (7)(d). Each board member is entitled to 1 vote. The initial term of office of a board member is 2 years.

(12) As part of the plan of operation, the board shall adopt rules providing for the composition of the board and the terms of board members, consistent with the membership composition requirements in subsections (11) and (13). Terms of the board members must be staggered so that the terms of all the board members do not expire at the same time and so that a board member does not serve a term of more than 4 years.

(13) The board must consist of 5 board members and the director, who shall serve as an ex officio member of the board without vote.

(14) The director shall appoint the board members. A board member shall serve until his or her successor is selected and qualified. The board shall elect the chairperson of the board. The director shall fill any vacancy on the board as provided in the plan of operation.

(15) The board shall meet as often as the chairperson, the director, or the plan of operation requires, or at the request of any 3 board members. The chairperson may vote on all issues. Four board members constitute a quorum.

(16) The board shall furnish to each member of the association an annual report of the operations of the association in a form and detail as determined by the board.

(17) Any amendments to the plan of operation are subject to majority approval by the board, ratification by a majority of the membership of the association having a vote, with voting rights being apportioned according to the premiums charged in subsection (7)(d), and approval by the director.

(18) An insurer authorized to write insurance providing the security required by section 3101(1) in this state, as provided in this section, is bound by and shall formally subscribe to and participate in the plan of operation as a condition of maintaining its authority to transact insurance in this state.

(19) The association is subject to all the reporting, loss reserve, and investment requirements of the director to the same extent as is a member of the association.

(20) Premiums charged members by the association must be recognized in the rate-making procedures for insurance rates in the same manner that expenses and premium taxes are recognized. If a member of the association passes on any portion of the premium payable under this section to an insured, the amount passed on must equal the portion of the premium payable by the member under this section attributable to the car or

historic vehicle insured, including any adjustments for excesses or deficiencies from a previous period.

(21) The director or an authorized representative of the director may visit the association at any time and examine any and all of the association's affairs. Beginning July 1, 2022, and every third year after 2022, the director shall engage 1 or more independent actuaries to examine the affairs and records of the association for the previous 3 years. The actuarial examination must be conducted using sound actuarial principles consistent with the applicable statements of principles and the code of professional conduct adopted by the Casualty Actuarial Society. By September 1, 2022 and by September 1 of every third year after 2022, the director shall provide a report to the legislature on the results of the audit conducted under this subsection.

(22) If the actuarial examination under subsection (21) shows that the assets of the association exceed 120% of its liabilities, including incurred but not reported liabilities, and if the refund will not threaten the association's ongoing ability to provide reimbursements for personal protection insurance benefits based on sound actuarial principles consistent with the applicable statements of principles and the code of professional conduct adopted by the Casualty Actuarial Society, the director shall order the association to refund an amount equal to the difference between the total excess and 120% of the liabilities of the association, including incurred but not reported liabilities, under subsection (10)(d) and order the members of the association to distribute the refunds under subsection (24).

(23) Within 30 days after receiving an order from the director under subsection (22), the association may request a hearing to review the order by filing a written request with the director. The department shall conduct the review as a contested case under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(24) A member of the association shall distribute any refund it receives under subsection (10)(d) to the persons that it insures under policies that provide the security required under section 3101(1) or 3103(1), or both, and that are subject to a premium under this section on a uniform basis per car and historic vehicle in a manner and on the date or dates provided by the director in accordance with an order issued by the director. A refund attributable to a historic vehicle must be equal to 20% of the refund for a car that is not a historic vehicle.

(25) By September 1 of each year, the association shall prepare, submit to the committees of the senate and house of representatives with jurisdiction over insurance matters, and post on the association website an annual consumer statement, written in a manner intended for the general public. The statement must include all of the following:

(a) The number of claims opened during the preceding 12 months, the amount expended on the claims, and the future anticipated costs of the claims.

(b) For each of the preceding 10 years, the total number of open claims, the amount expended on the claims, and the anticipated future costs of the claims.

(g) A statement of the assumptions, methodology, and data used to make revenue projections. As used in this subdivision, "revenue" means return on investments.

(h) A statement of the assumptions, methodology, and data used to make cost projections.

(i) A list of the association's assets, sorted by category or type of asset, such as stocks, bonds, or mutual funds, and the expected return on each asset.

(j) The total amount of the association's discounted and undiscounted liabilities and a description and explanation of the liabilities, including an explanation of the association's definition of the terms discounted and undiscounted.

(k) Measures taken by the association to contain costs.

(*l*) A statement explaining what portion of the assessment to insureds as recognized in rates under subsection (20) is attributable to claims occurring in the previous 12 months, administrative costs, and the amount, if any, to adjust for past deficits.

(m) A statement explaining any qualifications identified by the independent auditors in the most recent audit report prepared under subsection (21).

(n) A loss payment summary for each of the preceding years by category.

(o) For each of the preceding 10 years, an injury type summary, categorizing the injuries suffered by claimants the payment of whose claims are being reimbursed by the association, by brain injuries, injuries resulting in quadriplegia, injuries resulting in paraplegia, burn injuries, and other injuries.

(p) A summary of investment returns over the preceding 10 years showing the investment balance, the investment gain, and the percentage return on the investment balance.

(q) A summary of the mortality assumptions used in making cost projections.

(r) A summary of any financial practices that differ from those found in the National Association of Insurance Commissioners Accounting Practices and Procedures Manual.

(26) By September 1 of each year, the association shall prepare and provide to the committees of the senate and house of representatives with jurisdiction over insurance matters an annual report of the association. The report must contain all of the following:

500.3107 Expenses and work loss for which personal protection insurance benefits payable.

Sec. 3107. (1) Subject to the exceptions and limitations in this chapter, and subject to chapter 31A, personal protection insurance benefits are payable for the following:

(a) Allowable expenses consisting of reasonable charges incurred for reasonably necessary products, services and accommodations for an injured person's care, recovery, or rehabilitation. Allowable expenses do not include either of the following:

(*i*) Charges for a hospital room in excess of a reasonable and customary charge for semiprivate accommodations, unless the injured person requires special or intensive care.

(*ii*) Funeral and burial expenses in excess of the amount set forth in the policy, which must not be less than $1,750.00 or more than $5,000.00.

(b) Work loss consisting of loss of income from work an injured person would have performed during the first 3 years after the date of the accident if he or she had not been injured. Work loss does not include any loss after the date on which the injured person dies. Because the benefits received from personal protection insurance for loss of income are not taxable income, the benefits payable for the loss of income must be reduced 15% unless the claimant presents to the insurer in support of his or her claim reasonable proof of a lower value of the income tax advantage in his or her case, in which case the lower value must be applied. For the period beginning October 1, 2012 through September 30, 2013, the benefits payable for work loss sustained in a single 30-day period and the income earned by an injured person for work during the same period together must not exceed $5,189.00, which maximum must be applied pro rata to any lesser period of work loss. Beginning October 1, 2013, the maximum must be adjusted annually to reflect changes in the cost of living under rules prescribed by the director, but any change in the maximum must be applied only to benefits arising out of accidents occurring after the date of change in the maximum.

(c) Expenses not exceeding $20.00 per day, reasonably incurred in obtaining ordinary and necessary services in lieu of those that, if he or she had not been injured, an injured person would have performed during the first 3 years after the date of the accident, not for income but for the benefit of himself or herself or

of his or her dependent.

(2) Both of the following apply to personal protection insurance benefits payable under subsection (1):

The maximum shall apply to the aggregate benefits for all survivors payable under this section on account of the death of any one person.

Sec. 3109a. (1) An insurer that provides personal protection insurance benefits under this chapter may offer deductibles and exclusions reasonably related to other health and accident coverage on the insured. Any deductibles and exclusions offered under this section must be offered at a reduced premium that reflects reasonably anticipated reductions in losses, expenses, or both, are subject to prior approval by the director, and must apply only to benefits payable to the person named in the policy, the spouse of the insured, and any relative of either domiciled in the same household.

(2) For an insurance policy issued or renewed after July 1, 2020, the insurer shall offer to an applicant or named insured that selects a personal protection benefit limit under section 3107c(1)(b) an exclusion related to qualified health coverage. All of the following apply to that exclusion:

(a) If the named insured has qualified health coverage as defined in section 3107d(7)(b)(*i*) that will cover injuries that occur as the result of a motor vehicle accident and if the named insured's spouse and any relatives of either the named insured or the spouse domiciled in the same household have qualified health coverage that will cover injuries that occur as the result of a motor vehicle accident, the premium for the personal protection insurance benefits payable under section 3107(1)(a) under the policy must be reduced by 100%.

(b) If a member, but not all members, of the household covered by the insurance policy has qualified health coverage that will cover injuries that occur as the result of a motor vehicle accident, the insurer shall offer a reduced premium that reflects reasonably anticipated reductions in losses, expenses, or both. The reduction must be in addition to the rate rollback required by section 2111f and the share of the premium reduction for the policy attributable to any person with qualified health coverage must be 100%.

(c) Subject to subdivision (d), a person subject to an exclusion under this subsection is not eligible for personal protection benefits under the insurance policy.

(*i*) The named insured shall, within 30 days after the effective date of the termination of the qualified health coverage, obtain insurance that provides the security required under section 3101(1) that includes coverage that was excluded under this subsection.

(*ii*) During the period described in subparagraph (*i*), if any person excluded suffers accidental bodily injury arising from a motor vehicle accident, the person is entitled to claim benefits under the assigned claims plan.

(e) If the named insured does not obtain insurance that provides the security required under section 3101(1) that includes the coverage excluded under this subsection during the period described in subdivision (d)(*i*) and

the named insured or any person excluded under the policy suffers accidental bodily injury arising from a motor vehicle accident, unless the injured person is entitled to coverage under some other policy, the injured person is not entitled to be paid personal protection insurance benefits under section 3107(1)(a) for the injury that occurred during the period in which coverage under this section was excluded.

(3) An automobile insurer shall not refuse to prospectively insure, limit coverage available to, charge a reinstatement fee for, or increase the premiums for automobile insurance for an eligible person, as that term is defined in section 2103, solely because the person previously failed to obtain insurance that provides the security required under section 3101(1) in the time period provided under subsection (2)(d)(*i*).

500.3112 Persons to whom personal protection insurance benefits payable; claim to recover overdue benefits; discharge of insurer's liability.

Sec. 3112. Personal protection insurance benefits are payable to or for the benefit of an injured person or, in case of his or her death, to or for the benefit of his or her dependents. A health care provider listed in section 3157 may make a claim and assert a direct cause of action against an insurer, or under the assigned claims plan under sections 3171 to 3175, to recover overdue benefits payable for charges for products, services, or accommodations provided to an injured person. Payment by an insurer in good faith of personal protection insurance benefits, to or for the benefit of a person who it believes is entitled to the benefits, discharges the insurer's liability to the extent of the payments unless the insurer has been notified in writing of the claim of some other person. If there is doubt about the proper person to receive the benefits or the proper apportionment among the persons entitled to the benefits, the insurer, the claimant, or any other interested person may apply to the circuit court for an appropriate order. The court may designate the payees and make an equitable apportionment, taking into account the relationship of the payees to the injured person and other factors as the court considers appropriate. In the absence of a court order directing otherwise the insurer may pay:

(a) To the dependents of the injured person, the personal protection insurance benefits accrued before his or her death without appointment of an administrator or executor.

(b) To the surviving spouse, the personal protection insurance benefits due any dependent children living with the spouse.

500.3114 Persons entitled to personal protection insurance benefits or personal injury benefits; order of priority for claim of motor vehicle occupant or motorcycle operator or passenger; assigned claims plan; 2 or more insurers in same order of priority; partial recoupment; definitions.

Sec. 3114. (1) Except as provided in subsections (2), (3), and (5), a personal protection insurance policy described in section 3101(1) applies to accidental bodily injury to the person named in the policy, the person's spouse, and a relative of either domiciled in the same household, if the injury arises from a motor vehicle accident. A personal injury insurance policy described in section 3103(2) applies to accidental bodily injury to

the person named in the policy, the person's spouse, and a relative of either domiciled in the same household, if the injury arises from a motorcycle accident. If personal protection insurance benefits or personal injury benefits described in section 3103(2) are payable to or for the benefit of an injured person under his or her own policy and would also be payable under the policy of his or her spouse, relative, or relative's spouse, the injured person's insurer shall pay all of the benefits up to the coverage level applicable under section 3107c to the injured person's policy, and is not entitled to recoupment from the other insurer.

(2) A person who suffers accidental bodily injury while an operator or a passenger of a motor vehicle operated in the business of transporting passengers shall receive the personal protection insurance benefits to which the person is entitled from the insurer of the motor vehicle. This subsection does not apply to a passenger in any of the following, unless the passenger is not entitled to personal protection insurance benefits under any other policy:

(a) A school bus, as defined by the department of education, providing transportation not prohibited by law.

(b) A bus operated by a common carrier of passengers certified by the department of transportation.

(c) A bus operating under a government sponsored transportation program.

(d) A bus operated by or providing service to a nonprofit organization.

(e) A taxicab insured as prescribed in section 3101 or 3102.

(f) A bus operated by a canoe or other watercraft, bicycle, or horse livery used only to transport passengers to or from a destination point.

(g) A transportation network company vehicle.

(h) A motor vehicle insured under a policy for which the person named in the policy has elected to not maintain coverage for personal protection insurance benefits under section 3107d or as to which an exclusion under section 3109a(2) applies.

(3) An employee, his or her spouse, or a relative of either domiciled in the same household, who suffers accidental bodily injury while an occupant of a motor vehicle owned or registered by the employer, shall receive personal protection insurance benefits to which the employee is entitled from the insurer of the furnished vehicle.

(4) Except as provided in subsections (2) and (3), a person who suffers accidental bodily injury arising from a motor vehicle accident while an occupant of a motor vehicle who is not covered under a personal protection insurance policy as provided in subsection (1) shall claim personal protection insurance benefits under the assigned claims plan under sections 3171 to 3175. This subsection does not apply to a person insured under a policy for which the person named in the policy has elected to not maintain coverage for personal protection insurance benefits under section 3107d or as to which an exclusion under section 3109(2) applies, or who is not entitled to be paid personal protection benefits under section 3107d(6)(c) or 3109a(2)(d)(*ii*).

(5) Subject to subsections (6) and (7), a person who suffers accidental bodily injury arising from a motor vehicle accident that shows evidence of the involvement of a motor vehicle while an operator or passenger of a motorcycle shall claim personal protection insurance benefits from insurers in the following order of priority:

(a) The insurer of the owner or registrant of the motor vehicle involved in the accident.

(b) The insurer of the operator of the motor vehicle involved in the accident.

(c) The motor vehicle insurer of the operator of the motorcycle involved in the accident.

(d) The motor vehicle insurer of the owner or registrant of the motorcycle involved in the accident.

(6) If an applicable insurance policy in an order of priority under subsection (5) is a policy for which the person named in the policy has elected to not maintain coverage for personal protection insurance benefits under section 3107d, or as to which an exclusion under section 3109(2) applies, the injured person shall claim benefits only under other policies, subject to subsection (7), in the same order of priority for which no such election has been made. If there are no other policies for which no such election has been made, the injured person shall claim benefits under the next order of priority or, if there is not a next order of priority, under the assigned claims plan under sections 3171 to 3175.

(7) If personal protection insurance benefits are payable under subsection (5) under 2 or more insurance policies in the same order of priority, the benefits are only payable up to an aggregate coverage limit that equals the highest available coverage limit under any 1 of the policies.

(8) Subject to subsections (6) and (7), if 2 or more insurers are in the same order of priority to provide personal protection insurance benefits under subsection (5), an insurer that pays benefits due is entitled to partial recoupment from the other insurers in the same order of priority, and a reasonable amount of partial recoupment of the expense of processing the claim, in order to accomplish equitable distribution of the loss among all of the insurers.

(9) As used in this section:

(a) "Personal vehicle", "transportation network company digital network", and "transportation network company prearranged ride" mean those terms as defined in section 2 of the limousine, taxicab, and transportation network company act, 2016 PA 345, MCL 257.2102.

(b) "Transportation network company vehicle" means a personal vehicle while the driver is logged on to the transportation network company digital network or while the driver is engaged in a transportation network company prearranged ride.

500.3116 Value of claim in tort; subtraction from or reimbursement for benefits.

Sec. 3116. (1) A subtraction from personal protection insurance benefits must not be made because of the value of a claim in tort based on the same accidental bodily injury.

(2) A subtraction from or reimbursement for personal protection insurance benefits paid or payable under this chapter may be made only if recovery is realized on a tort claim arising from an accident that occurred outside this state, a tort claim brought in this state against the owner or operator of a motor vehicle with respect to which the security required by section 3101 was not in effect, or a tort claim brought in this state based on intentionally caused harm to persons or property, and may be made only to the extent that the recovery realized by the claimant is for damages for which the claimant has received or would otherwise be entitled to receive personal protection insurance benefits. A subtraction may be made only to the extent of the recovery, exclusive of reasonable attorney fees and other reasonable expenses incurred in effecting the recovery. If personal protection insurance benefits have already been received, the claimant shall repay to the insurers out of the recovery an amount equal to the benefits received, but not more than the recovery exclusive of reasonable attorney fees and other reasonable expenses incurred in effecting the recovery. The insurer has a lien on the recovery to this extent. A recovery by an injured person or his or her estate for loss suffered by the person may not be subtracted in calculating benefits due a dependent after the death and a recovery by a dependent for loss suffered by the dependent after the death may not be subtracted in calculating benefits due the injured person.

(3) A personal protection insurer with a right of reimbursement under subsection (1), if suffering loss from inability to collect reimbursement out of a payment received by a claimant on a tort claim, is entitled to indemnity from a person who, with notice of the insurer's interest, made the payment to the claimant without making the claimant and the insurer joint payees as their interests may appear or without obtaining the insurer's consent to a different method of payment.

(4) A subtraction or reimbursement is not due the claimant's insurer from that portion of any recovery to the extent that recovery is realized for noneconomic loss as provided in section 3135(1) and (2)(b) or for allowable expenses, work loss, and survivor's loss as defined in sections 3107 to 3110 in excess of the amount recovered by the claimant from his or her insurer.

500.3121 Liability for accidental damage to tangible property.

Sec. 3121. (1) Under property protection insurance an insurer is liable to pay benefits for accidental damage to tangible property arising out of the ownership, operation, maintenance, or use of a motor vehicle as a motor vehicle subject to the provisions of this section and sections 3123, 3125, and 3127. However, accidental damage to tangible property does not include accidental damage to tangible property, other than the insured motor vehicle, that occurs within the course of a business of repairing, servicing, or otherwise maintaining motor vehicles.

(2) Property protection insurance benefits are due under the conditions stated in this chapter without regard to fault.

(3) Damage to tangible property consists of physical injury to or destruction of the property and loss of use of the property so injured or destroyed.

(4) Damage to tangible property is accidental, as to a person claiming property protection insurance benefits, unless it is suffered or caused intentionally by the claimant. Even though a person knows that damage to tangible property is substantially certain to be caused by his or her act or omission, he or she does not cause or suffer such damage intentionally if he or she acts or refrains from acting for the purpose of averting injury to any person, including himself or herself, or for the purpose of averting damage to tangible property.

(5) Property protection insurance benefits consist of the lesser of reasonable repair costs or replacement costs less depreciation and, if applicable, the value of loss of use. However, property protection insurance benefits paid under 1 policy for damage to all tangible property arising from 1 accident shall not exceed $1,000,000.00.

(b) Property owned by a person named in a property protection insurance policy, the person's spouse or a relative of either domiciled in the same household, if the person named, the person's spouse, or the relative was the owner, registrant, or operator of a vehicle involved in the motor vehicle accident out of which the property damage arose.

(2) Property protection insurance benefits are not payable for property damage arising from motor vehicle accidents occurring outside the state.

(3) Property protection insurance benefits are not payable for property damage to utility transmission lines, wires, or cables arising from the failure of a municipality, utility company, or cable television company to comply with the requirements of section 16 of Act No. 368 of the Public Acts of 1925, being section 247.186 of the Michigan Compiled Laws.

500.3135 Tort liability for noneconomic loss; exceptions; cause of action for damages; "serious impairment of body function" defined.

Sec. 3135. (1) A person remains subject to tort liability for noneconomic loss caused by his or her ownership, maintenance, or use of a motor vehicle only if the injured person has suffered death, serious impairment of body function, or permanent serious disfigurement.

(2) For a cause of action for damages under subsection (1) or (3)(d), all of the following apply:

(a) The issues of whether the injured person has suffered serious impairment of body function or permanent serious disfigurement are questions of law for the court if the court finds either of the following:

(*i*) There is no factual dispute concerning the nature and extent of the person's injuries.

(*ii*) There is a factual dispute concerning the nature and extent of the person's injuries, but the dispute is not material to the determination whether the person has suffered a serious impairment of body function or permanent serious disfigurement. However, for a closed-head injury, a question of fact for the jury is created if a licensed allopathic or osteopathic physician who regularly diagnoses or treats closed-head injuries testifies under oath that there may be a serious neurological injury.

(b) Damages must be assessed on the basis of comparative fault, except that damages must not be assessed in favor of a party who is more than 50% at fault.

(c) Damages must not be assessed in favor of a party who was operating his or her own vehicle at the time the injury occurred and did not have in effect for that motor vehicle the security required by section 3101(1) at the time the injury occurred.

(3) Notwithstanding any other provision of law, tort liability arising from the ownership, maintenance, or use within this state of a motor vehicle with respect to which the security required by section 3101(1) was in effect is abolished except as to:

(a) Intentionally caused harm to persons or property. Even though a person knows that harm to persons or property is substantially certain to be caused by his or her act or omission, the person does not cause or suffer that harm intentionally if he or she acts or refrains from acting for the purpose of averting injury to any person, including himself or herself, or for the purpose of averting damage to tangible property.

(b) Damages for noneconomic loss as provided and limited in subsections (1) and (2).

(c) Damages for allowable expenses, work loss, and survivor's loss as defined in sections 3107 to 3110,

including all future allowable expenses and work loss, in excess of any applicable limit under section 3107c or the daily, monthly, and 3-year limitations contained in those sections, or without limit for allowable expenses if an election to not maintain that coverage was made under section 3107d or if an exclusion under section 3109a(2) applies. The party liable for damages is entitled to an exemption reducing his or her liability by the amount of taxes that would have been payable on account of income the injured person would have received if he or she had not been injured.

(d) Damages for economic loss by a nonresident. However, to recover under this subdivision, the nonresident must have suffered death, serious impairment of body function, or permanent serious disfigurement.

(e) Damages up to $1,000.00 to a motor vehicle or, for motor vehicle accidents that occur after July 1, 2020, up to $3,000.00 to a motor vehicle, to the extent that the damages are not covered by insurance. An action for damages under this subdivision must be conducted as provided in subsection (4).

(4) All of the following apply to an action for damages under subsection (3)(e):

(a) Damages must be assessed on the basis of comparative fault, except that damages must not be assessed in favor of a party who is more than 50% at fault.

(b) Liability is not a component of residual liability, as prescribed in section 3131, for which maintenance of security is required by this act.

(c) The action must be commenced, whenever legally possible, in the small claims division of the district court or the municipal court. If the defendant or plaintiff removes the action to a higher court and does not prevail, the judge may assess costs.

(d) A decision of the court is not res judicata in any proceeding to determine any other liability arising from the same circumstances that gave rise to the action.

(e) Damages must not be assessed if the damaged motor vehicle was being operated at the time of the damage without the security required by section 3101(1).

(5) As used in this section, "serious impairment of body function" means an impairment that satisfies all of the following requirements:

(a) It is objectively manifested, meaning it is observable or perceivable from actual symptoms or conditions by someone other than the injured person.

(b) It is an impairment of an important body function, which is a body function of great value, significance, or consequence to the injured person.

(c) It affects the injured person's general ability to lead his or her normal life, meaning it has had an influence on some of the person's capacity to live in his or her normal manner of living. Although temporal considerations may be relevant, there is no temporal requirement for how long an impairment must last. This examination is inherently fact and circumstance specific to each injured person, must be conducted on a case-by-case basis, and requires comparison of the injured person's life before and after the incident.

(2) Subject to subsection (3), if the notice has been given or a payment has been made, the action may be commenced at any time within 1 year after the most recent allowable expense, work loss, or survivor's loss has been incurred. However, the claimant may not recover benefits for any portion of the loss incurred more than 1 year before the date on which the action was commenced.

Sec. 3148. (1) Subject to subsections (4) and (5), an attorney is entitled to a reasonable fee for advising and representing a claimant in an action for personal or property protection insurance benefits that are overdue. The attorney's fee is a charge against the insurer in addition to the benefits recovered, if the court finds that the insurer unreasonably refused to pay the claim or unreasonably delayed in making proper payment. An attorney advising or representing an injured person concerning a claim for payment of personal protection insurance benefits from an insurer shall not claim, file, or serve a lien for payment of a fee or fees until both of the following apply:

(a) A payment for the claim is authorized under this chapter.

(b) A payment for the claim is overdue under this chapter.

(2) A court may award an insurer a reasonable amount against a claimant as an attorney fee for the insurer's attorney in defending against a claim that was in some respect fraudulent or so excessive as to have no reasonable foundation. 500.3172 Conditions to obtaining personal protection insurance benefits through assigned claims plan; collection of unpaid benefits; application and reasonable proof of loss; payment of interest; reimbursement from defaulting insurers; reduction of benefits;

definitions; effect of dispute between insurers; limitation on benefits.

Sec. 3172. (1) A person entitled to claim because of accidental bodily injury arising out of the ownership, operation, maintenance, or use of a motor vehicle as a motor vehicle in this state may claim personal protection insurance benefits through the assigned claims plan if any of the following apply:

(a) No personal protection insurance is applicable to the injury.

(b) No personal protection insurance applicable to the injury can be identified.

(c) No personal protection insurance applicable to the injury can be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss.

(d) The only identifiable personal protection insurance applicable to the injury is, because of financial inability of 1 or more insurers to fulfill their obligations, inadequate to provide benefits up to the maximum prescribed.

(2) Unpaid benefits due or coming due as described in subsection (1) may be collected under the assigned claims plan, and the insurer to which the claim is assigned is entitled to reimbursement from the defaulting insurers to the extent of their financial responsibility.

(3) A person entitled to claim personal protection insurance benefits through the assigned claims plan under subsection (1) shall file a completed application on a claim form provided by the Michigan automobile insurance placement facility and provide reasonable proof of loss to the Michigan automobile insurance placement facility. The Michigan automobile insurance placement facility or an insurer assigned to administer a claim on behalf of the Michigan automobile insurance placement facility under the assigned claims plan shall specify in writing the materials that constitute a reasonable proof of loss within 60 days after receipt by the Michigan automobile insurance placement facility of an application that complies with this subsection.

(4) The Michigan automobile insurance placement facility or an insurer assigned to administer a claim on behalf of the Michigan automobile insurance placement facility under the assigned claims plan is not required to pay interest in connection with a claim for any period of time during which the claim is reasonably in dispute.

(5) Except as otherwise provided in this subsection, personal protection insurance benefits, including benefits arising from accidents occurring before March 29, 1985, payable through the assigned claims plan must be reduced to the extent that benefits covering the same loss are available from other sources, regardless of the nature or number of benefit sources available and regardless of the nature or form of the benefits, to a person claiming personal protection insurance benefits through the assigned claims plan. This subsection only applies if the personal protection insurance benefits are payable through the assigned claims plan under subsection (1)(a), (b), or (d). As used in this subsection, "sources" and "benefit sources" do not include the program for medical assistance for the medically indigent under the social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, or health insurance for the aged and disabled under subchapter XVIII of the social security act, 42 USC 1395 to 1395*lll*.

(6) If the obligation to provide personal protection insurance benefits cannot be ascertained because of a dispute between 2 or more automobile insurers concerning their obligation to provide coverage or the equitable distribution of the loss, and if a method of voluntary payment of benefits cannot be agreed upon among or between the disputing insurers, all of the following apply:

(a) The insurers who are parties to the dispute shall, or the claimant may, immediately notify the Michigan automobile insurance placement facility of their inability to determine their statutory obligations.

(b) The Michigan automobile insurance placement facility shall assign the claim to an insurer and the insurer shall immediately provide personal protection insurance benefits to the claimant or claimants entitled to benefits.

(c) The insurer assigned the claim by the Michigan automobile insurance placement facility shall immediately commence an action on behalf of the Michigan automobile insurance placement facility in circuit court to declare the rights and duties of any interested party.

(d) The insurer to whom the claim is assigned shall join as parties defendant to the action commenced under subdivision (c) each insurer disputing either the obligation to provide personal protection insurance benefits or the equitable distribution of the loss among the insurers.

(e) The circuit court shall declare the rights and duties of any interested party whether or not other relief is sought or could be granted.

(f) After hearing the action, the circuit court shall determine the insurer or insurers, if any, obligated to provide the applicable personal protection insurance benefits and the equitable distribution, if any, among the insurers obligated, and shall order reimbursement to the Michigan automobile insurance placement facility from the insurer or insurers to the extent of the responsibility as determined by the court. The reimbursement

ordered under this subdivision must include all benefits and costs paid or incurred by the Michigan automobile insurance placement facility and all benefits and costs paid or incurred by insurers determined not to be obligated to provide applicable personal protection insurance benefits, including incurred attorney fees and interest at the rate prescribed in section 3175 applicable on December 31 of the year preceding the determination of the circuit court.

(7) The Michigan automobile insurance placement facility and the insurer to whom a claim is assigned by the Michigan automobile insurance placement facility are only required to provide personal protection insurance benefits under section 3107(1)(a) up to whichever of the following is applicable:

(a) Unless subdivision (b) applies, the limit provided in section 3107c(1)(b).

(b) If the person is entitled to claim benefits under the assigned claims plan under section 3107d(6)(c) or 3109a(2)(d)(*ii*), $2,000,000.00.

500.3173a Eligibility for benefits; initial determination; denial; notice; false statement.

Sec. 3173a. (1) The Michigan automobile insurance placement facility shall review a claim for personal protection insurance benefits under the assigned claims plan, shall make an initial determination of the eligibility for benefits under this chapter and the assigned claims plan, and shall deny a claim that the Michigan automobile insurance placement facility determines is ineligible under this chapter or the assigned claims plan. If a claimant or person making a claim through or on behalf of a claimant fails to cooperate with the Michigan automobile insurance placement facility as required by subsection (2), the Michigan automobile insurance placement facility shall suspend benefits to the claimant under the assigned claims plan. A suspension under this subsection is not an irrevocable denial of benefits, and must continue only until the Michigan automobile insurance placement facility determines that the claimant or person making a claim through or on behalf of a claimant cooperates or resumes cooperation with the Michigan automobile insurance placement facility. The Michigan automobile insurance placement facility shall promptly notify in writing the claimant and any person that submitted a claim through or on behalf of a claimant of a denial and the reasons for the denial.

(2) A claimant or a person making a claim through or on behalf of a claimant shall cooperate with the Michigan automobile insurance placement facility in its determination of eligibility and the settlement or defense of any claim or suit, including, but not limited to, submitting to an examination under oath and compliance with sections 3151 to 3153. There is a rebuttable presumption that a person has satisfied the duty to cooperate under this section if all of the following apply:

(a) The person submitted a claim for personal protection insurance benefits under the assigned claims plan by submitting to the Michigan automobile insurance placement facility a complete application on a form provided by the Michigan automobile insurance placement facility in accordance with the assigned claims plan.

(b) The person provided reasonable proof of loss under the assigned claims plan as described in section 3172.

(c) If required under this subsection to submit to an examination under oath, the person submitted to the

examination, subject to all of the following:

(*i*) The person was provided at least 21 days' notice of the examination.

(*ii*) The examination was conducted in a location reasonably convenient for the person.

(*iii*) Any reasonable request by the person to reschedule the date, time, or location of the examination was accommodated.

(3) The Michigan automobile insurance placement facility may perform its functions and responsibilities under this section and the assigned claims plan directly or through an insurer assigned by the Michigan automobile insurance placement facility to administer the claim on behalf of the Michigan automobile insurance placement facility. The assignment of a claim by the Michigan automobile insurance placement facility to an insurer is not a determination of eligibility under this chapter or the assigned claims plan, and a claim assigned to an insurer by the Michigan automobile insurance placement facility may later be denied if the claim is not eligible under this chapter or the assigned claims plan.

(4) A person who presents or causes to be presented an oral or written statement, including computer-generated information, as part of or in support of a claim to the Michigan automobile insurance placement facility, or to an insurer to which the claim is assigned under the assigned claims plan, for payment or another benefit knowing that the statement contains false information concerning a fact or thing material to the claim commits a fraudulent insurance act under section 4503 that is subject to the penalties imposed under section 4511. A claim that contains or is supported by a fraudulent insurance act as described in this subsection is ineligible for payment of personal protection insurance benefits under the assigned claims plan.

(5) The Michigan automobile insurance placement facility may contract with other persons for all or a portion of the goods and services necessary for operating and maintaining the assigned claims plan.

On an initial determination of a claimant's eligibility for benefits through the assigned claims plan, the Michigan automobile insurance placement facility shall promptly assign the claim in accordance with the plan and notify the claimant of the identity and address of the insurer to which the claim is assigned. 500.3175 Rules for assignment of claims; duties of insurer to whom claims assigned; compromises and settlements; procedures; limitation on action to enforce rights; interest on delinquent payments; installment payments; default.

Sec. 3175. (1) The assignment of claims under the assigned claims plan must be made according to procedures established in the assigned claims plan that assure fair allocation of the burden of assigned claims among insurers doing business in this state on a basis reasonably related to the volume of automobile liability and personal protection insurance they write on motor vehicles or the number of self-insured motor vehicles. An insurer to whom claims have been assigned shall make prompt payment of loss in accordance with this act. An insurer is entitled to reimbursement by the Michigan automobile insurance placement facility for the

payments, the established loss adjustment cost, and an amount determined by use of the average annual 90-day United States treasury bill yield rate, as reported by the Council of Economic Advisers as of December 31 of the year for which reimbursement is sought, as follows:

(a) For the calendar year in which claims are paid by the insurer, the amount must be determined by applying the specified annual yield rate specified in this subsection to 1/2 of the total claims payments and loss adjustment costs.

(b) For the period from the end of the calendar year in which claims are paid by the insurer to the date payments for the operation of the assigned claims plan are due, the amount must be determined by applying the annual yield rate specified in this subsection to the total claims payments and loss adjustment costs multiplied by a fraction, the denominator of which is 365 and the numerator of which is equal to the number of days that have elapsed between the end of the calendar year and the date payments for the operation of the assigned claims plan are due.

(2) An insurer assigned a claim by the Michigan automobile insurance placement facility under the assigned claims plan or a person authorized to act on behalf of the plan may bring an action for reimbursement and indemnification of the claim on behalf of the Michigan automobile insurance placement facility. The insurer to which the claim has been assigned shall preserve and enforce rights to indemnity or reimbursement against third parties and account to the Michigan automobile insurance placement facility for the rights and shall assign the rights to the Michigan automobile insurance placement facility on reimbursement by the Michigan automobile insurance placement facility. This section does not preclude an insurer from entering into reasonable compromises and settlements with third parties against whom rights to indemnity or reimbursement exist. The insurer shall account to the Michigan automobile insurance placement facility for any compromises and settlements. The procedures established under the assigned claims plan of operation must establish reasonable standards for enforcing rights to indemnity or reimbursement against third parties, including a standard establishing an amount below which actions to preserve and enforce the rights need not be pursued.

(3) An action to enforce rights to indemnity or reimbursement against a third party must not be commenced after the later of the following:

(a) Two years after the assignment of the claim to the insurer.

(b) One year after the date of the last payment to the claimant.

(c) One year after the date the responsible third party is identified.

(4) Payments for the operation of the assigned claims plan not paid by the due date bear interest at the rate of 20% per annum.

(5) The Michigan automobile insurance placement facility may enter into a written agreement with the debtor permitting the payment of the judgment or acknowledgment of debt in installments payable to the Michigan automobile insurance placement facility. A default in payment of installments under a judgment as agreed subjects the debtor to suspension or revocation of his or her motor vehicle license or registration in the same manner as for the failure by an uninsured motorist to pay a judgment by installments under section 3177, including responsibility for expenses as provided in section 3177(4).

500.3177 Recovery by insurer of benefits and costs from owner or registrant of uninsured

motor vehicle; written agreement to pay judgment in installments; notice.

Sec. 3177. (1) The insurer obligated to pay personal protection insurance benefits for accidental bodily injury to a person arising out of the ownership, maintenance, or use of an uninsured motor vehicle as a motor vehicle may recover all benefits paid, incurred loss adjustment costs and expenses, and incurred attorney fees from the owner or registrant of the uninsured motor vehicle or from his or her estate. Failure of the owner or registrant to make payment within 30 days after a judgment is entered in an action for recovery under this subsection is a ground for suspension or revocation of his or her motor vehicle registration and license as defined in section 25 of the Michigan vehicle code, 1949 PA 300, MCL 257.25. For purposes of this section, an uninsured motor vehicle is a motor vehicle with respect to which security as required by sections 3101(1) and 3102 is not in effect at the time of the accident.

(2) The Michigan automobile insurance placement facility may make a written agreement with the owner or registrant of an uninsured vehicle or his or her estate permitting the payment of a judgment described in subsection (1) in installments payable to the Michigan automobile insurance placement facility. The motor vehicle registration and license of an owner or registrant who makes a written agreement under this subsection must not be suspended or revoked and, if already suspended or revoked under subsection (1), must be restored if the payment of any installments is not in default.

(3) The secretary of state, on receipt of a certified abstract of court record of a judgment described in subsection (1) or notice from an insurer or the Michigan automobile insurance placement facility or its designee of an acknowledgment of a debt described in subsection (1), shall notify the owner or registrant of the provisions of subsection (1) at the owner or registrant's last address recorded with the secretary of state and inform the owner or registrant of the right to enter into a written agreement under this section with the Michigan automobile insurance placement facility or its designee for the payment of the judgment or debt in installments.

(4) Expenses for the suspension, revocation, or reinstatement of a motor vehicle registration or license under this section are the responsibility of the owner or registrant or of his or her estate. An owner or registrant whose registration or license is suspended under this section shall pay any reinstatement fee as required under section 320e of the Michigan vehicle code, 1949 PA 300, MCL 257.320e.

(a) The entire money and other considerations for the policy are expressed in the policy.

(b) The time at which the insurance takes effect and terminates is expressed in the policy.

Sec. 3402a. An insurer shall include all of the following provisions in a group disability insurance policy:

(a) That the policy, application of the employer or of an executive officer or trustee of an association, and the individual applications, if any, of the employees or members insured, constitute the entire contract between the parties. The insurer's identification of what constitutes the entire contract creates a rebuttable presumption that the identified items are the entire contract.

(b) That a statement made by the employer, the executive officer or trustee of an association, or an individual employee or member, in the absence of fraud, is a representation and not a warranty. An insurer shall not use a statement made by the employer, the executive officer or trustee of an association, or an individual employee or member as a defense to a claim under the policy, unless the statement is contained in a written application.

(c) That the insurer will issue to the employer or the executive officer or trustee of an association, for delivery to an employee or member who is insured under the policy, an individual certificate that states the insurance protection to which the employee or member is entitled and to whom benefits are payable.

500.3402b Group or nongroup disability insurance policy; coordination of benefits; provision; limitation; "other coverage" defined; payment by each insurer.

Sec. 3402b. (1) Subject to the coordination of benefits act, 1984 PA 64, MCL 550.251 to 550.255, an insurer may include in a group or nongroup disability insurance policy a provision for the coordination of benefits otherwise payable under the policy with benefits payable for the same loss under other group or nongroup disability insurance. An insurer that does not include in a group or nongroup disability insurance policy a provision for the coordination of benefits as described in this subsection shall coordinate benefits under the policy in the manner prescribed in the coordination of benefits act, 1984 PA 64, MCL 550.251 to 550.255.

(2) Subject to subsection (1), an insurer may include a provision in a group or nongroup disability insurance policy that benefits payable by the policy may be limited if there is other valid coverage with another insurer that provides benefits for the same loss on an expense-incurred basis. The insurer may provide that if it is not given written notice on the application for coverage that the other valid coverage exists, or if other coverage is acquired after the effective date of the coverage, the only liability under any expense-incurred coverage of the policy is the amount of the covered claim that exceeds the benefits payable

by the other coverage. An insurer shall apply benefits paid or payable by the primary insurer to satisfy any deductibles, coinsurance, and copayments with the policy. An insurer shall not apply payments made by a primary insurer to reduce the policy maximum limits on the policy. As used in this subsection, "other coverage" includes a plan that provides coverage under a health insurance policy, hospital or medical service subscriber contract, medical practice or other prepayment plan, or other expense-incurred plan or program. Other coverage does not include Medicaid, hospital daily indemnity plans, specified disease only policies, or limited occurrence policies that provide only for intensive care or coronary care at a hospital, first aid outpatient medical expenses resulting from accidents, or specified accidents such as travel accidents.

(3) If there are more than 1 group or nongroup disability insurance policies that cover the same loss and contain a provision described in subsection (2), and the insurers each pay a share of the covered expenses for the claim, neither insurer is required to pay more than it would have paid had it been the primary insurer.

(a) That the policy and the application signed by the individual acting as the head of the family for the purpose of family expense insurance constitute the entire contract between the parties. The insurer's identification of what constitutes the entire contract creates a rebuttable presumption that the identified items are the entire contract.

(b) That a statement made by the head of the family, in the absence of fraud, is a representation and not a warranty. An insurer shall not use a statement made by the head of the family as a defense to a claim under the policy, unless the statement is contained in a written application.

(c) That new members of the family who are eligible, on application of the head of the family, will be added to the family group originally insured.

500.3405 Prudent purchaser agreements with providers of hospital, nursing, medical, surgical, or sick-care services; rates; discrimination prohibited; optometry, chiropractic, and physical therapy service.

Sec. 3405. (1) For the purpose of doing business as an organization under the prudent purchaser act, 1984 PA 233, MCL 550.51 to 550.63, an insurer authorized in this state to write health insurance may enter into prudent purchaser agreements with providers of hospital, nursing, medical, surgical, or sick-care services pursuant to this section and the prudent purchaser act, 1984 PA 233, MCL 550.51 to 550.63.

(2) An insurer may offer health insurance policies under which the insured persons shall be required, as a condition of coverage, to obtain health care services exclusively from health care providers who have entered into prudent purchaser agreements.

(3) An insurer may offer health insurance policies under which insured persons who elect to obtain health care services from health care providers who have entered into prudent purchaser agreements realize a financial advantage or other advantage by selecting providers who have entered into prudent purchaser agreements. (4) An insurer shall not charge rates for coverage under policies issued under this section that are unreasonably lower than what is necessary to meet the expenses of the insurer for providing the coverage or that have an anticompetitive effect or result in predatory pricing in relation to prudent purchaser agreement coverages offered by other organizations.

(5) An insurer shall not discriminate against a class of health care providers when entering into prudent purchaser agreements with health care providers for its provider panel. This subsection does not do any of the following:

(a) Prohibit the formation of a provider panel consisting of a single class of providers if a service provided for in the specifications of a purchaser may legally be provided only by a single class of providers.

(b) Prohibit the formation of a provider panel that conforms to the specifications of a purchaser of the coverage authorized by this section if the specifications do not exclude any class of health care providers who may legally perform the services included in the coverage.

(c) Require an organization that has uniformly applied the standards filed under section 3(3) of the prudent purchaser act, 1984 PA 233, MCL 550.53, to contract with any individual provider.

(6) Notwithstanding any provision of this act to the contrary, if coverage under a prudent purchaser agreement provides for benefits for services that are within the scope of practice of optometry, an insurer is not required to provide coverage or reimburse for a practice of optometry service unless that service was included in the definition of practice of optometry under section 17401 of the public health code, 1978 PA 368, MCL 333.17401, as of May 20, 1992.

(7) Notwithstanding any provision of this act to the contrary, if coverage under a prudent purchaser agreement provides for benefits for services that are within the scope of practice of chiropractic, an insurer is not required to provide coverage or reimburse for a practice of chiropractic service unless that service was included in the definition of practice of chiropractic under section 16401 of the public health code, 1978 PA 368, MCL 333.16401, as of January 1, 2009.

Sec. 3406s. (1) Except as otherwise provided in this section, an insurer that delivers, issues for delivery, or renews in this state a health insurance policy shall provide coverage for the diagnosis of autism spectrum disorders and treatment of autism spectrum disorders. (b) Limit the number of visits an insured or enrollee may use for treatment of autism spectrum disorders covered under this section.

(c) Deny or limit coverage under this section on the basis that treatment is educational or habilitative in nature.

(d) Except as otherwise provided in this subdivision, subject coverage under this section to dollar limits, copays, deductibles, or coinsurance provisions that do not apply to physical illness generally. An insurer may limit coverage under this section for treatment of autism spectrum disorders to an insured or enrollee through 18 years of age and may subject the coverage to a maximum annual benefit as follows:

(*i*) For a covered insured or enrollee through 6 years of age, $50,000.00.

This section does not require an insurer to provide coverage for autism spectrum disorders to an insured or enrollee under more than 1 of its health insurance policies. If an insured or enrollee has more than 1 health insurance policy that covers autism spectrum disorders, the benefits provided are subject to the limits of this section when coordinating benefits.

500.3406aa Third party access; dental provider network; requirements; exceptions; definitions.

Sec. 3406aa. (1) A contracting entity may grant a third party access to a provider network contract, or a provider's dental services or contractual discounts provided under a provider network contract, if both of the following requirements are met:

(a) At the time the provider network contract is entered into or renewed, or when there are material modifications to a contract relevant to granting access to a provider network contract to a third party, the contracting entity allows a provider that is part of the carrier's provider network to choose to not participate in third-party access to the provider network contract or to enter into a contract directly with the health insurer that acquired the provider network. If a provider chooses not to participate in third-party access, the contracting entity must not cancel or otherwise end a contractual relationship with the provider. When initially contracting with a provider, a contracting entity must accept a qualified provider if a provider rejects participation in third-party access. This subdivision does not apply to a contracting entity that is not a health insurer or dental carrier. As used in this subdivision, "qualified provider" means a provider who meets the contracting entity's criteria to enter into the provider network.

(b) All of the following are met:

(*i*) The provider network contract specifically states that the contracting entity may enter into an agreement with third parties allowing the third parties to obtain the contracting entity's rights and responsibilities as if the third party were the contracting entity, and if the contracting entity is a dental carrier, the provider chose to participate in third-party access at the time the provider network contract was entered into or renewed. If the contracting entity is an insurer, the third-party access provision of a provider network contract must specifically state that the provider network contract grants third-party access to the provider network and, for provider network contracts with dental carriers, that the dentist has the right to choose not to participate in third-party access.

(*ii*) The third party accessing the contract agrees to comply with all of the provider network contract's terms.

(*iii*) The contracting entity identifies, in writing or in electronic form to the provider, all third parties that would have access to the dental services or contractual discounts of the provider network as of the date the contract is entered into or renewed.

(*iv*) The contracting entity identifies all third parties in existence in a list on its website that is updated at least once every 30 days and displays the date the list was last updated.

(*v*) The contracting entity requires a third party to identify the source of the discount on all remittance advices or explanations of payment under which a discount is taken. This subparagraph does not apply to electronic transactions mandated by the health insurance portability and accountability act of 1996, Public Law 104-191.

(*vi*) The contracting entity notifies the third party of the termination of a provider network contract not later than 30 days after the termination date with the contracting entity.

(*vii*) A third party's right to a provider's discounted rate ceases as of the termination date of the provider network contract.

(*viii*) The contracting entity makes available a copy of the provider network contract relied on in the adjudication of a claim to a participating provider within 30 days after a request from the provider.

(2) A provider is not bound by or required to perform dental treatment or services under a provider network contract that has been granted by a contracting entity to a third party if the contracting entity does not meet the requirements under subsection (1).

(3) This section does not apply if any of the following apply:

(a) Access to a provider network contract is granted to a dental carrier or an entity operating in accordance with the same brand licensee program as the contracting entity or to an entity that is an affiliate of the contracting entity. A list identifying each of the contracting entity's affiliates as affiliates must be made available to a provider on the contracting entity's website.

(b) Access to a provider network contract is granted by a dental carrier that retains the responsibility for administering the dental benefit plan in accordance with its applicable provider network contracts, including all fee schedules and processing policies.

(c) A provider network contract for dental services provided to beneficiaries under health care coverage that is established or maintained by a local, state, or federal government including any of the following:

(*ii*) The state children's health insurance program established under title XXI of the social security act, 42 USC 1397aa to 1397mm.

(*iii*) Medicare advantage as that term is defined in section 3801.

(a) "Contracting entity" means a person that enters into direct contracts with providers for the delivery of dental services in the ordinary course of business, including a third-party administrator and a dental carrier.

(b) "Dental benefit plan" means a benefits plan that pays or provides dental expense benefits for covered dental services and is delivered or issued for delivery by or through a dental carrier on a stand-alone basis.

(c) "Dental carrier" means a nonprofit dental care corporation or other entity authorized to provide dental benefits, or a health benefits plan that includes coverage for dental services.

(d) "Dental services" means services for the diagnosis, prevention, treatment, or cure of a dental condition, illness, injury, or disease. Dental services does not include services delivered by a provider that are billed as medical expenses under a health benefits plan.

(e) "Dentist" means that term as defined in section 2701 of the public health code, 1978 PA 368, MCL 333.2701.

(f) "Provider" means a person that, acting within the scope of licensure or certification, provides dental services or supplies defined by the health benefits or dental benefit plan. Provider does not include a physician organization or physician hospital organization that leases or rents the physician organization's or

physician hospital organization's network to a third party.

(g) "Provider network contract" means a contract between a contracting entity and a provider that specifies the rights and responsibilities of the contracting entity and provides for the delivery and payment of dental services to an enrollee.

Third party does not include an employer or other group for whom the dental carrier or contracting entity provides administrative services.

(2) For plan years beginning after the effective date of the amendatory act that added this section, the allowable variation in the actuarial value of a health insurance policy that does not result in a material difference in the true dollar value of the health insurance policy is the de minimis variation as described in 45 CFR 156.140.

(3) For purposes of determining compliance with subsections (1) to (2), an insurer described in subsection (1) must use the actuarial calculator developed and made available by the federal department of health and human services for the applicable plan year. Subject to subsection (4), if the federal department of health and human services has not developed and made available the calculator, an insurer described in subsection (1) may use the most recently issued calculator. If a health insurance policy's design is not compatible with the calculator, the insurer must submit an actuarial certification from an actuary, who is a member of the American Academy of Actuaries, using 1 of the following methodologies:

(a) Calculate the health insurance policy's actuarial value by:

(*i*) Estimating a fit of its plan design into the parameters of the calculator.

(*ii*) Having the actuary certify that the plan design fits appropriately in accordance with generally accepted actuarial principles and methodologies.

(b) Use the calculator to determine the actuarial value for the health insurance policy provisions that fit within the calculator parameters and have the actuary calculate and certify, in accordance with generally accepted actuarial principles and methodologies, appropriate adjustments to the actuarial value identified by the calculator, for plan design features that deviate substantially from the parameters of the calculator.

(4) The calculation methods described in subsection (3) may include only in-network cost-sharing, including multitier networks.

(5) This section does not apply to a short-term or 1-time limited duration policy or certificate of not longer than 6 months as described in section 2213b, a grandfathered plan as that term is defined in 45 CFR 147.140, or a catastrophic plan as described in 45 CFR 156.155.

500.3406ff Financial parity for orally administered, intravenously administered and injected antineoplastic (anticancer) medications.

Sec. 3406ff. (1) A health insurance policy delivered, issued for delivery, or renewed in this state that

provides coverage for prescribed orally administered antineoplastic medications and intravenously administered or injected antineoplastic medications must ensure either of the following:

(a) That financial requirements applicable to prescribed orally administered antineoplastic medications are not more restrictive than the financial requirements that apply to intravenously administered or injected antineoplastic medications that are covered by the health insurance policy.

(b) That the co-pay or coinsurance for orally administered antineoplastic medication does not exceed $250.00 per 30-day supply. Beginning January 1, 2026, and each January 1 after that date, the department shall adjust the financial requirement described in this subdivision by an amount determined by the state treasurer that reflects the cumulative annual change in the prescription drug index of the medical care component of the United States Consumer Price Index.

(2) An insurer cannot achieve compliance with this section by increasing cost-sharing requirements, reclassifying benefits with respect to antineoplastic medications, or imposing more restrictive treatment limitations on prescribed orally administered antineoplastic medications or intravenously administered or injected antineoplastic medications covered under a health insurance policy described in subsection (1).

(3) This section does not prohibit an insurer from applying utilization management techniques, including prior authorization, step therapy, limits on quantity dispensed, and days' supply per fill for any administered antineoplastic medication.

(4) As used in this section:

(a) "Antineoplastic medication" means a medication used to kill, slow, or prevent the growth of cancerous cells.

(b) "Cost-sharing requirement" means deductibles, copayments, coinsurance, out-of-pocket expenses, aggregate lifetime limits, and annual limits.

(c) "Treatment limitation" means limits on the frequency of treatment, days of coverage, or other similar limits on the scope or duration of treatment. Treatment limitation does not include the application of utilization management techniques described in subsection (3).

500.3406hh.added Coverage for mental health and substance use disorder services.

Sec. 3406hh. (1) An insurer that delivers, issues for delivery, or renews in this state a health insurance policy shall provide coverage for mental health and substance use disorder services. All of the following apply to the coverage required under this subsection:

(a) Any financial requirements or quantitative treatment limitations applicable to mental health and substance use disorder benefits in any classification must be no more restrictive than the predominant financial requirements or quantitative treatment limitations applied to substantially all benefits provided for medical/surgical benefits in the same classification and there must be no separate cumulative financial requirements that are applicable only with respect to mental health or substance use disorder benefits.

(b) Except as otherwise provided in subsections (3) and (4), nonquantitative treatment limitations may be imposed on mental health or substance use disorder benefits in any classification only if the processes, strategies, evidentiary standards, or other factors used in developing and applying the nonquantitative treatment limitation to mental health or substance use disorder benefits in the same classification are comparable to, and are applied no more stringently than, the processes, strategies, evidentiary standards, or other factors used in developing and applying the limitation with respect to medical/surgical benefits in the same classification.

(c) The insurer may divide its benefits furnished on an outpatient basis into the following subclassifications:

(*i*) Office visits, such as physician visits.

(*ii*) Any other outpatient benefit, such as outpatient surgery, facility charges for day treatment centers, laboratory charges, and other medical items.

(2) Benefits provided under subsection (1) must meet all applicable federal parity requirements, including, but not limited to, 42 USC 300gg-26 and the regulations promulgated under that section. An insurer that meets the federal parity requirements described in this subsection is considered to meet the requirements

under subsection (1) if the federal parity requirements are not less stringent than the requirements under subsection (1).

(3) If a health insurance policy provides benefits through multiple tiers of in-network providers, including an in-network tier of preferred providers with more generous cost-sharing to participants than a separate in-network tier of participating providers, the health plan may divide its benefits provided on an in-network basis into subclassifications that reflect network tiers, if the tiering is based on reasonable factors determined in accordance with the requirements for nonquantitative treatment limits and without regard to whether a provider provides services with respect to medical and surgical benefits or mental health or substance use disorder benefits. After the subclassifications are established, the health insurance policy must not impose any financial requirement or treatment limitation on mental health or substance use disorder benefits in any subclassification that is more restrictive than the predominant financial requirement or treatment limit that applies to substantially all medical and surgical benefits in the subclassification.

(4) If a health insurance policy applies different levels of financial requirements to different tiers of prescription drug benefits that are based on reasonable factors determined in accordance with the requirements for nonquantitative treatment limits and without regard to whether a drug is generally prescribed with respect to medical and surgical benefits or with respect to mental health or substance use disorder benefits, the health plan satisfies the parity requirements of this section with respect to prescription drug benefits. As used in this subsection, "reasonable factors" include cost, efficacy, generic versus brand name drugs, and mail order versus pharmacy pick-up.

(5) As used in this section:

(a) "Classification" means any 1 of the following:

(*i*) Inpatient in-network.

(*ii*) Inpatient out-of-network.

(*iii*) Outpatient in-network.

(*iv*) Outpatient out-of-network.

(*v*) Emergency services.

(*vi*) Prescription drugs.

(b) "Financial requirements" means deductibles, copayments, coinsurance, and out-of-pocket maximums. Financial requirements do not include aggregate lifetime or annual dollar limits.

(c) "Nonquantitative treatment limitations" means those limitations that are not expressed numerically but otherwise limit the scope or duration of benefits for treatment under a health insurance policy or coverage and includes, but is not limited to, the limitations described under 45 CFR 146.136. Nonquantitative treatment limitations do not include a complete exclusion of all benefits for a certain condition or disorder.

(d) "Predominant" means that term as defined in 45 CFR 146.136.

(e) "Quantitative treatment limitations" includes limitations that are expressed numerically, such as limits on benefits based on the frequency of treatment, number of visits, days of coverage, days in a waiting period, or other similar limits on the scope or duration of treatment, and includes, but is not limited to, the limitations described under 45 CFR 146.136. Quantitative treatment limitations do not include a complete exclusion of all benefits for a certain condition or disorder.

(f) "Substantially all" means that term as defined in 45 CFR 146.136.

(2) This section does not apply to any of the following:

(a) Grandfathered health plan coverage, as that term is defined in 45 CFR 147.140.

(b) Insurance coverage that provides benefits for any of the following:

(*viii*) Sickness or bodily injury, or death by accident, or both.

(*ix*) Retiree-only health insurance coverage.

(*x*) Stand-alone dental plans.

(*xi*) Stand-alone vision plans.

(*xii*) Other limited benefit policies.

(3) As used in this section, "preexisting condition exclusion" means a limitation or exclusion of benefits or a denial of coverage based on the fact that a physical or mental condition was present before the effective date of coverage or before the date coverage is denied, whether or not any medical advice, diagnosis, care, or treatment was recommended or received for the condition before the date of coverage or denial of coverage.

(a) Undergo genetic testing before issuing, renewing, or continuing the policy in this state.

(b) Disclose whether genetic testing has been conducted or the results of genetic testing or genetic information.

(2) As used in this section:

(a) "Clinical purposes" includes all of the following:

(*i*) Predicting risk of diseases.

(*ii*) Identifying carriers for single-gene disorders.

(*iii*) Establishing prenatal and clinical diagnosis or prognosis.

(*iv*) Prenatal, newborn, and other carrier screening, as well as testing in high-risk families.

(*v*) Testing for metabolites if undertaken with high probability that an excess or deficiency of the metabolite indicates or suggests the presence of heritable mutations in single genes.

(*vi*) Other testing if the intended purpose is diagnosis of a presymptomatic genetic condition.

(b) "Genetic information" means information about a gene, gene product, or inherited characteristic derived from a genetic test.

(c) "Genetic test" means the analysis of human DNA, RNA, chromosomes, and those proteins and metabolites used to detect heritable or somatic disease-related genotypes or karyotypes for clinical purposes. A genetic test must be generally accepted in the scientific and medical communities as being specifically determinative for the presence, absence, or mutation of a gene or chromosome to qualify under this definition. Genetic test does not include a routine physical examination or a routine analysis, including, but not limited to, a chemical analysis, of body fluids, unless conducted specifically to determine the presence, absence, or mutation of a gene or chromosome.

500.3408 Time limit on certain defenses; incontestable policy.

Sec. 3408. (1) An insurer shall include in a disability insurance policy, other than a health insurance policy, a provision that consists of both of the following:

(a) One of the following, as applicable:

(*i*) **TIME LIMIT ON CERTAIN DEFENSES:** After 3 years from the date of issue of this policy, the insurer will not use a misstatement, except a fraudulent misstatement, made by the applicant in the application for the policy to void the policy or to deny a claim for loss incurred or disability, as defined in the policy, beginning after the expiration of the 3-year period. This policy provision does not affect a legal requirement for avoidance of a policy or denial of a claim during the initial 3-year period, and does not limit the application of sections 3432, 3434, 3436, 3438, and 3440 if a misstatement with respect to age or occupation or other insurance is made.

(*ii*) Instead of the provision required under subparagraph (*i*), for a policy that the insured has the right to continue in force subject to its terms by the timely payment of premium until at least age 50 or, for a policy issued after age 44, for at least 5 years after its date of issue, an insurer may include the following in the policy, under the caption "**INCONTESTABLE":**

After this policy has been in force for a period of 3 years during the lifetime of the insured (excluding any period during which the insured is disabled), it becomes incontestable as to the statements contained in the application.

(b) A claim for a loss incurred or disability, as defined in the policy, beginning after 3 years from the date of issue of this policy will not be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss existed before the effective date of coverage of this policy.

(2) For the purpose of permitting insurers to use a uniform policy in several states, the insurer may print in the policy form in the provisions required under subsection (1)(a) and (b) the term of "3 years". Notwithstanding any provision of the contract or law to the contrary, the time limits for the defenses described in this section and included in a disability insurance policy, not including a health insurance policy, that is delivered or issued for delivery in this state must not exceed 2 years.

500.3409 Disability insurance policy; mandatory notices as to cancellation and refund of premium.

Sec. 3409. (1) Except as otherwise provided in this section, an insurer that delivers, issues for delivery, or renews in this state a disability insurance policy, other than a policy that provides group or blanket insurance, shall include the following notice, in substance printed or stamped on the front page and made a permanent part of the policy:

Cancellation during first 10 days: During a period of 10 days after the date the policyholder receives this policy, the policyholder may cancel the policy and receive from the insurer a prompt refund of any premium paid for the policy, including a policy fee or other charge, by mailing or otherwise surrendering the policy to the insurer together with a written request for cancellation. If a policyholder or purchaser pursuant to this notice returns the policy or contract to the company or association at its home or branch office or to the agent through whom it was purchased, it is void from the beginning and the parties are in the same position as if no

policy or contract had been issued.

Cancellation after 10 days: A policyholder may cancel this policy after the first 10 days after receipt of the policy by giving written notice to the insurer effective upon receipt or on a later date as may be specified in the notice. If this policy is canceled under this paragraph, the insurer will promptly refund to the policyholder the excess of paid premium above the pro rata premium for the expired time. Cancellation under this paragraph is without prejudice to any claim originating before the effective date of cancellation.

(2) An insurer that sells a disability insurance policy through solicitation to a person who is eligible for Medicare shall include the following notice, in substance printed or stamped on the front page and made a permanent part of the policy:

Cancellation during the first 30 days: During a period of 30 days after the date the policyholder receives this policy, the policyholder may cancel the policy and receive from the insurer a prompt refund of any premium paid for the policy, including a policy fee or other charge, by mailing or otherwise surrendering the policy to the insurer together with a written request for cancellation. If a policyholder or purchaser pursuant to this notice returns the policy or contract to the company or association at its home or branch office or to the agent through whom it was purchased, it is void from the beginning and the parties are in the same position as if no policy or contract had been issued.

Cancellation after 30 days: A policyholder may cancel this policy after the first 30 days after receipt of the policy by giving written notice to the insurer effective upon receipt or on a later date as may be specified in the notice. If this policy is canceled under this paragraph, the insurer will promptly refund to the policyholder the excess of paid premium above the pro rata premium for the expired time. Cancellation under this paragraph is without prejudice to any claim originating before the effective date of cancellation.

(3) If a policyholder cancels a disability insurance policy during the first 30 days after receipt of the policy, the policyholder is responsible for claims paid by the insurer that were incurred before the effective date of cancellation.

(A policy which contains a cancellation provision may add, at the end of the above provision, "subject to the right of the insurer to cancel in accordance with the cancellation provision hereof." A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision, "unless not less than 5 days prior to the premium due date the insurer has delivered to the insured or has mailed to his last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted,").

500.3411 Reinstatement; provision required.

Sec. 3411. (1) Subject to subsection (2), an insurer shall include the following provision in a disability insurance policy other than a health insurance policy:

REINSTATEMENT: If any renewal premium is not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by an agent duly authorized by the insurer to accept the premium, without requiring in connection with the acceptance of the premium an application for reinstatement, is a reinstatement of the policy. However, if the insurer or its agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy is reinstated upon approval of the application by the insurer or, if not approved by the insurer, on the forty-fifth day after the date of the conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of the application. Under the reinstated policy, the insurer will cover only loss resulting from accidental injury that is sustained after the date of reinstatement and loss due to sickness that begins more than 10 days after that date. In all other respects, the insured and insurer have the same rights under the policy as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed on the policy or attached to the policy in connection with the reinstatement. The insurer will apply any premium

accepted in connection with a reinstatement to a period for which premium has not been previously paid, but not to any period more than 60 days before the date of reinstatement.

(2) An insurer may omit the last sentence of the provision required under subsection (1) from a policy that the insured has the right to continue in force subject to its terms by the timely payment of premium until at least age 50 or, for a policy issued after age 44, for at least 5 years after its date of issue.

500.3412 Notice of claim; provision required.

Sec. 3412. (1) Except as otherwise provided in subsection (2), an insurer shall include in a disability insurance policy, other than a health insurance policy, a provision as follows:

NOTICE OF CLAIM: Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of a loss covered by the policy, or as soon after the loss as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at ..... (insert the location of the office the insurer designates for this purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, is considered notice to the insurer.

(2) For a policy that provides a loss-of-time benefit payable for at least 2 years, an insurer may at its option insert the following between the first and second sentences of the provision required under subsection (1):

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity is payable for at least 2 years, the insured will, at least once in every 6 months after having given notice of claim, give to the insurer notice of continuance of the disability, unless the insured is legally incapacitated. The period of 6 months following any filing of proof by the insured or any payment by the insurer on account of the claim or any denial of liability in whole or in part by the insurer is excluded in applying this provision. Delay in giving the notice required under this provision does not impair the insured's right to any indemnity that would otherwise have accrued during the 6 months preceding the date on which the notice is actually given.

If the forms are not furnished within 15 days after the giving of the notice, the claimant is considered to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which claim is made.

Proof of loss for a claim for loss for which this policy provides any periodic payment that is contingent upon continuing loss must be furnished within 90 days after the termination of the period for which the insurer is liable. Proof of loss for a claim for any other loss must be furnished within 90 days after the date of the loss. Failure to furnish the proof within the time required under this provision does not invalidate or reduce the claim if it was not reasonably possible to give proof within the time required if the proof is furnished as soon as reasonably possible and, unless the claimant is legally incapacitated, not later than 1 year after the time proof is otherwise required.

If a designation or provision is not in effect, the indemnity is payable to the estate of the insured. Other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to the beneficiary or to the estate. All other indemnities are payable to the insured.

(2) One or more of the following provisions may be included with the provision required under subsection (1) at the option of the insurer:

(insert an amount that does not exceed $1,000.00), to any relative by blood or connection by marriage of the insured or beneficiary who is determined by the insurer to be equitably entitled to the indemnity. Payment made by the insurer in good faith pursuant to this provision fully discharges the insurer to the extent of the payment.

(b) Subject to any written direction of the insured in the application or otherwise, all or a portion of any indemnities provided by this policy on account of health care services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of the loss, be paid directly to the hospital or person rendering the health care services.

However, if that filing was not required in that state, the classification of occupational risk and the premium rates must be those last made effective by the insurer in that state before the occurrence

500.3438 Insurance with other insurers; optional provision; expense incurred benefits.

Sec. 3438. (1) An insurer may include in an individual disability insurance policy a provision as follows:

INSURANCE WITH OTHER INSURERS: If this insurer has not been given written notice before the occurrence or commencement of loss that the insured under this policy has other valid coverage, not with this insurer, and that other valid coverage provides benefits for the same loss on a provision of service basis or on an expense incurred basis, the only liability under any expense incurred coverage of this policy is for the proportion of the loss as the amount that would otherwise have been payable under this policy plus the total of the like amounts under all other valid coverages for the loss of which this insurer had notice bears to the total like amounts under all valid coverages for the loss, and for the return of the portion of the premium paid that exceeds the pro rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the term "like amount" means with respect to the other coverage the amount that the services rendered would have cost in the absence of the coverage.

(2) If the policy provision described in subsection (1) is included in an individual policy of disability insurance that also contains the policy provision described in section 3440, the insurer shall add to the caption of the policy provision the phrase "**—EXPENSE INCURRED BENEFITS**". The insurer may, at its option, include in this provision a definition of "other valid coverage", approved as to form by the director, which definition must be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, to coverage provided by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the director. In the absence of a definition, the term must not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations, by union welfare plans, or by employer or employee benefit organizations.

(3) For the purpose of applying the policy provision under this section to any insured, any amount of benefit provided for the insured under a compulsory benefit statute, including a worker's disability compensation or employer's liability statute, whether provided by a governmental agency or other entity, must in all cases be considered to be other valid coverage of which the insurer has had notice. In applying the policy provision under this section, an insurer shall not include third party liability coverage as other valid coverage.

Sec. 3440. (1) An insurer may include in an individual disability insurance policy a provision as follows:

INSURANCE WITH OTHER INSURERS: If this insurer has not been given written notice before the occurrence or commencement of loss that the insured under this policy has other valid coverage, not with this insurer, and that other valid coverage provides benefits for the same loss on other than an expense incurred basis, the only liability for the benefits under this policy is for the proportion of the indemnities otherwise provided under this policy for the loss as the like indemnities of which the insurer had notice, including the indemnities under this policy, bear to the total amount of all like indemnities for the loss, and for the return of the portion of the premium paid that exceeds the pro rata portion for the indemnities determined under this provision.

(2) If the policy provision described in subsection (1) is included in an individual policy of disability insurance that also contains the policy provision described in section 3438, the insurer shall add to the caption of the policy provision the phrase **"—OTHER BENEFITS"**. The insurer may, at its option, include in this provision a definition of "other valid coverage", approved as to form by the director, which definition must be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which is approved by the director. In the absence of a definition, the term must not include group insurance or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the policy provision with respect to any insured, any amount of benefit provided for the insured under any compulsory benefit statute, including worker's disability compensation or employer's liability statute, whether provided by a governmental agency or other entity, must in all cases be considered to be "other valid coverage" of which the insurer has had notice, unless the policy contains provisions for the reduction of benefits otherwise payable under the policy by the amount of income from other sources that the insured or the insured's dependents are qualified to receive because of the insured's age or disability from worker's disability compensation or federal social security, if at the time the policy was issued, the premium had been appropriately reduced to reflect the anticipated reduction in benefits. In applying the policy provision, an insurer shall not include third party liability coverage as other valid coverage.

500.3517 Healthy lifestyle programs; emergency or out-of-area service; payment of expenses or fees.

Sec. 3517. (1) A health maintenance contract shall not provide for payment of cash or other material benefit to an enrollee other than as permitted under the law of this state or as approved by the director under section 2236.

(2) Subsection (1) does not prohibit a health maintenance organization from promoting optimum health by offering to all currently enrolled subscribers or to all currently covered enrollees 1 or more healthy lifestyle programs. As used in this subsection, "healthy lifestyle program" means a program recognized by a health maintenance organization that enhances health, educates enrollees on health-related matters, or reduces risk of disease, including, but not limited to, promoting nutrition and physical exercise and compliance with disease management programs and preventive service guidelines that are supported by evidence-based medical practice. A healthy lifestyle program may include other requirements in addition to those that enhance health, educate enrollees on health-related matters, or reduce risk of disease if the healthy lifestyle program, taken as a whole, meets the intent of this subsection. Subsection (1) does not prohibit a health maintenance organization from offering a currently enrolled subscriber or currently covered enrollee goods, vouchers, or equipment that supports achieving optimal health goals. An offering of goods, vouchers, or equipment under this subsection is not a violation of subsection (1) and is not valuable consideration, a material benefit, a gift, a rebate, or an inducement under this act.

(3) For an emergency episode of illness or injury that requires immediate treatment before it can be secured through the health maintenance organization, or for an out-of-area service specifically authorized by the health maintenance organization, an enrollee may use a provider in or outside of this state not normally engaged by the health maintenance organization to render service to its enrollees. The health maintenance organization shall pay reasonable expenses or fees to the provider or enrollee as appropriate in an individual case. These transactions are not acts of insurance and, except as provided in this chapter and section 3406k, are not otherwise subject to this act.

500.3519 Contract and contract rates; fairness; rate differential; basic health services to large employers required.

Sec. 3519. (1) A health maintenance organization contract and the contract's rates, including any deductibles, copayments, and coinsurances, between the organization and its subscribers must be fair, sound, and reasonable in relation to the services provided, and the procedures for offering and terminating contracts must not be unfairly discriminatory.

(2) A health maintenance organization contract and the contract's rates must not discriminate on the basis of race, color, creed, national origin, residence within the approved service area of the health maintenance

organization, lawful occupation, sex, handicap, or marital status, except that marital status may be used to classify individuals or risks for the purpose of insuring family units. The director may approve a rate differential based on sex, age, residence, disability, marital status, or lawful occupation, if the differential is supported by sound actuarial principles, a reasonable classification system, and is related to the actual and credible loss statistics or reasonably anticipated experience for new coverages. A healthy lifestyle program as defined in section 3517(2) is not subject to the director's approval under this subsection and is not required to be supported by sound actuarial principles, a reasonable classification system, or be related to actual and credible loss statistics or reasonably anticipated experience for new coverages.

(3) A health maintenance organization contract shall offer basic health services to large employers in at least 1 health maintenance contract.

500.3525 Proposal to revise contract or rate; approval of commissioner; approval with modifications; hearing; disposition; exception; notice.

Sec. 3525. (1) Except as otherwise provided in subsection (2), if a health maintenance organization desires to change a contract it offers to enrollees or desires to change a rate charged, a copy of the proposed revised contract or rate shall be filed with the commissioner and shall not take effect until 60 days after the filing, unless the commissioner approves the change in writing before the expiration of 60 days after the filing. If the commissioner considers that the proposed revised contract or rate is illegal or unreasonable in relation to the services provided, the commissioner, not more than 60 days after the proposed revised contract or rate is filed, shall notify the organization in writing, specifying the reasons for disapproval or for approval with modifications. For an approval with modifications, the notice shall specify what modifications in the filing are required for approval, the reasons for the modifications, and that the filing becomes effective after the modifications are made and approved by the commissioner. The commissioner shall schedule a hearing not more than 30 days after receipt of a written request from the health maintenance organization, and the revised contract or rate shall not take effect until approved by the commissioner after the hearing. Within 30 days after the hearing, the commissioner shall notify the organization in writing of the disposition of the proposed revised contract or rate, together with the commissioner's findings of fact and conclusions.

(2) If the revised contract or rate is the result of collective bargaining and affects only the members of the groups engaged in the collective bargaining, subsection (1) does not apply but the revised contract or rate shall be immediately filed with the commissioner.

(3) Except as provided in this subsection with respect to health maintenance contracts issued in connection with state and federal health programs under section 3571, not less than 30 days before the effective date of a proposed change in a health maintenance contract or the rate charged, the health maintenance organization shall issue to each subscriber or group of subscribers who will be affected by the proposed change a clear written statement stating the extent and nature of the proposed change. With respect to health maintenance contracts issued in connection with state and federal health programs under section 3571, advance notice is

not required if the change in a health maintenance contract or rate arises from a change in the law, a state or federal administrative order, or an executive order and the change does not provide for a reasonable period of time for a health maintenance organization to give the required notice. In that case, the health maintenance organization shall provide notice within 30 days after the effective date of the change. If the commissioner has approved a proposed change in a contract or rate in writing before the expiration of 60 days after the date of filing, the organization immediately shall notify each subscriber or group of subscribers who will be affected by the proposed change.

500.3528 Health maintenance organization; credentialing verification; accreditation by nationally recognized accredited body.

Sec. 3528. (1) A health maintenance organization shall establish written policies and procedures for credentialing verification of all health professionals with whom the health maintenance organization contracts. A health maintenance organization shall apply these standards consistently. This act does not require a health maintenance organization to select a provider as an affiliated provider solely because the provider meets the health maintenance organization's credentialing verification standards. This act does not prevent a health maintenance organization from using separate or additional criteria in selecting the health professionals with whom it contracts.

(2) A health maintenance organization is considered to meet the requirements of this section if the health maintenance organization is accredited by a nationally recognized accredited body approved by the director. As used in this subsection, "nationally recognized accredited body" includes the National Committee for Quality Assurance.

500.3529 Affiliated provider contracts; collection of payments from enrollees; contract provisions; waiver of requirement under subsection (2); contract format; evidence of sufficient number of providers.

Sec. 3529. (1) A health maintenance organization may contract with or employ health professionals on the basis of cost, quality, availability of services to the membership, conformity to the administrative procedures of the health maintenance organization, and other factors relevant to delivery of economical, quality care, but shall not discriminate solely on the basis of the class of health professionals to which the health professional belongs.

(2) A health maintenance organization shall enter into contracts with providers through which health care services are usually provided to enrollees under the health maintenance organization plan.

(3) An affiliated provider contract shall prohibit the provider from seeking payment from the enrollee for services provided pursuant to the provider contract, except that the contract may allow affiliated providers to collect copayments, coinsurances, and deductibles directly from enrollees.

(4) An affiliated provider contract shall contain provisions assuring all of the following:

(a) The provider meets applicable licensure or certification requirements.

(b) Appropriate access by the health maintenance organization to records or reports concerning services to its enrollees.

(c) The provider cooperates with the health maintenance organization's quality assurance activities.

(5) The commissioner may waive the contract requirement under subsection (2) if a health maintenance organization has demonstrated that it is unable to obtain a contract and accessibility to patient care would not be compromised. When 10% or more of a health maintenance organization's elective inpatient admissions, or projected admissions for a new health maintenance organization, occur in hospitals with which the health maintenance organization does not have contracts or agreements that protect enrollees from liability for

authorized admissions and services, the health maintenance organization may be required to maintain a hospital reserve fund equal to 3 months' projected claims from such hospitals.

(6) A health maintenance organization shall submit to the commissioner for approval standard contract formats proposed for use with its affiliated providers and any substantive changes to those contracts. The contract format or change is considered approved 30 days after filing unless approved or disapproved within the 30 days. As used in this subsection, "substantive changes to contract formats" means a change to a provider contract that alters the method of payment to a provider, alters the risk assumed by each party to the contract, or affects a provision required by law.

(7) A health maintenance organization or applicant shall provide evidence that it has employed, or has executed affiliation contracts with, a sufficient number of providers to enable it to deliver the health maintenance services it proposes to offer.

Sec. 3530. (1) A health maintenance organization shall maintain contracts with those numbers and those types of affiliated providers that are sufficient to assure that covered services are available to its enrollees without unreasonable delay. The commissioner shall determine what is sufficient as provided in this section and as may be established by reference to reasonable criteria used by the health maintenance organization, including, but not limited to, provider-covered person ratios by specialty, primary care provider-covered person ratios, geographic accessibility, waiting times for appointments with participating providers, hours of operation, and the volume of technological and specialty services available to serve the needs of enrollees requiring technologically advanced or specialty care.

(2) If a health maintenance organization has an insufficient number or type of participating providers to provide a covered benefit, the health maintenance organization shall ensure that the enrollee obtains the covered benefit at no greater cost to the enrollee than if the benefit were obtained from participating providers, or shall make other arrangements acceptable to the commissioner.

(3) A health maintenance organization shall establish and maintain adequate arrangements to ensure reasonable proximity of participating providers to the business or personal residence of enrollees. In determining whether a health maintenance organization has complied with this provision, the commissioner shall give due consideration to the relative availability of health care providers in the service area.

Sec. 3531. (1) This section applies if a health maintenance organization contracts with health care providers to become affiliated providers or offers a prudent purchaser contract.

(2) A health maintenance organization may enter into a contract with 1 or more health care providers to control health care costs, assure appropriate utilization of health maintenance services, and maintain quality of health care. The health maintenance organization may limit the number of contracts entered into under this section if the number of contracts is sufficient to assure reasonable levels of access to health maintenance services for recipients of those services. The number of contracts authorized by this section that are necessary to assure reasonable levels of access to health maintenance services for recipients shall be determined by the health maintenance organization as approved by the commissioner under this chapter. However, the health maintenance organization shall offer a contract, comparable to those contracts entered into with other affiliated providers, to at least 1 health care provider that provides the applicable health maintenance services and is located within a reasonable distance from the recipients of those health maintenance services, if a health care provider that provides the applicable health maintenance services is located within that reasonable distance.

(3) A health maintenance organization shall give all health care providers that provide the applicable health

maintenance services and are located in the geographic area served by the health maintenance organization an opportunity to apply to the health maintenance organization to become an affiliated provider.

(4) A contract shall be based upon the following written standards which shall be filed by the health maintenance organization with the commissioner on a form and in a manner that is uniformly developed and applied by the commissioner:

(a) Standards for maintaining quality health care.

(b) Standards for controlling health care costs.

(c) Standards for assuring appropriate utilization of health care services.

(d) Standards for assuring reasonable levels of access to health care services.

(e) Other standards considered appropriate by the health maintenance organization.

(5) If the commissioner determines that standards under subsection (4) are duplicative of standards already filed by the health maintenance organization, those duplicative standards need not be filed under subsection (4).

(6) A health maintenance organization shall develop and institute procedures that are designed to notify health care providers that provide the applicable health maintenance services and are located in the geographic area served by the organization of the acceptance of applications for a provider panel. The procedures shall include the giving of notice to those providers upon request and shall include publication in a newspaper with general circulation in the geographic area served by the organization at least 30 days before the initial provider application period.

(7) A health maintenance organization shall provide for an initial 60-day provider application period during which providers may apply to the health maintenance organization to become affiliated providers. A health maintenance organization that has entered into a contract with an affiliated provider shall provide, at least once every 4 years, for a 60-day provider application period during which a provider may apply to the organization to become an affiliated provider. Notice of this provider application period shall be given to providers upon request and shall be published in a newspaper with general circulation in the geographic area served by the organization at least 30 days before the commencement of the provider application period. Upon receipt of a request by a health care provider, the organization shall provide the written standards required under this chapter to the health care provider. Within 90 days after the close of a provider application period, or within 30 days following the completion of the applicable physician credentialing process, whichever is later, a health maintenance organization shall notify an applicant in writing as to whether the application to become an affiliated provider has been accepted or rejected. If an applicant has been rejected, the health maintenance organization shall state in writing the reasons for rejection, citing 1 or more of the standards.

(8) A health care provider whose contract as an affiliated provider is terminated shall be provided upon request with a written explanation by the organization of the reasons for the termination.

(9) A health maintenance organization that is providing prudent purchaser agreement services to an insurer shall provide the insurer on a timely basis with information requested by the insurer that the organization has and that the insurer needs to comply with section 2212.

Sec. 3563. (1) If a health maintenance organization becomes insolvent, upon the director's order all other health insurers that participated in the enrollment process with the insolvent health maintenance organization at a group's last regular enrollment period shall offer the insolvent health maintenance organization's group enrollees a 30-day enrollment period beginning on the date of the director's order. Each health insurer shall offer the insolvent health maintenance organization's enrollees the same coverages and rates that it had offered to the enrollees of the group at its last regular enrollment period.

(2) If no other health insurer was offered to some groups enrolled in an insolvent health maintenance organization, or if the director determines that the other health insurers lack sufficient health care delivery resources to ensure that health care services will be available and accessible to all of the group enrollees of the insolvent health maintenance organization, the director shall allocate equitably the insolvent health maintenance organization's group contracts for these groups among all health maintenance organizations that operate within a portion of the insolvent health maintenance organization's service area, taking into consideration the health care delivery resources of each health maintenance organization. Each health maintenance organization to which a group or groups are allocated under this subsection shall offer the group or groups the health maintenance organization's existing coverage that is most similar to each group's coverage with the insolvent health maintenance organization at rates determined in accordance with the successor health maintenance organization's existing rating methodology.

(3) The director shall allocate equitably the insolvent health maintenance organization's nongroup enrollees who are unable to obtain other coverage among all health maintenance organizations that operate within a

Each health maintenance organization to which nongroup enrollees are allocated under this subsection shall offer the nongroup enrollees coverage without a preexisting condition limitation for individual coverage as determined by the enrollee's type of coverage in the insolvent health maintenance organization at rates under the successor health maintenance organization's existing rating methodology. Successor health maintenance organizations that do not offer direct nongroup enrollment may aggregate all of the allocated nongroup enrollees into 1 group for rating and coverage purposes.

(4) If a health maintenance organization that contracts with a state funded health care program becomes insolvent, the director shall inform the state agency responsible for the program of the insolvency. Notwithstanding any other provision of this section to the contrary, enrollees of an insolvent health maintenance organization covered by a state funded health care program may be reassigned under state and federal statutes governing the program.

500.3705 Geographic areas; adjustment and determination of premiums; conditions; additional premium; small employer; rating factors.

Sec. 3705. (1) For adjusting premiums for health benefit plans subject to this chapter, a carrier shall use the defined geographic areas established by the director and allowed under federal law.

(2) Premiums for a health benefit plan under this chapter are subject to the following:

(a) For a health maintenance organization, only industry, age, and group size may be used for determining the premiums within a geographic area for a small employer located in the geographic area. For a commercial carrier, only industry, age, group size, and health status may be used for determining the premiums within a geographic area for a small employer located in the geographic area.

(b) For a health benefit plan delivered, issued for delivery, or renewed in this state on or after January 1, 2014, the premiums charged during a rating period to small employers must be determined only by using the rating factors set forth in section 3474a.

(c) The premiums charged during a rating period by a health maintenance organization or commercial carrier for a health benefit plan in a geographic area to small employers located in the geographic area must not vary from the index rate for the health benefit plan by more than 45% of the index rate.

(d) Except as otherwise provided in this section, the percentage increase in the premiums charged to a small employer in a geographic area for a new rating period must not exceed the sum of the annual percentage adjustment in the geographic area's index rate for the health benefit plan and an adjustment under subdivision (a). The adjustment under subdivision (a) must not exceed 15% annually and must be adjusted pro rata for rating periods of less than 1 year. This subdivision does not prohibit an adjustment because of change in coverage.

(3) Beginning January 23, 2005, if a small employer was covered by a self-insured health benefit plan immediately preceding application for a health benefit plan subject to this chapter, a carrier may charge an additional premium of up to 33% above the premium in subsection (2)(b) for no more than 2 years.

(4) Health benefit plan options, number of family members covered, and Medicare eligibility may be used in establishing a small employer's premium.

(5) A small employer carrier shall apply all rating factors consistently with respect to all small employers in a geographic area. Except as otherwise provided in subsection (4), a small employer carrier shall bill a small employer group only with a composite rate and shall not bill so that 1 or more employees in a small employer group are charged a higher premium than another employee in the small employer group.

Sec. 3717. (1) Upon a request for suspension by the small employer carrier and a finding by the commissioner after consulting with the attorney general that the suspension is reasonable in light of the financial condition of the carrier and that the suspension would enhance the efficiency and fairness of the marketplace for small employer health insurance, the commissioner may suspend all or any part of section 3705 as to the premiums applicable to 1 or more small employers for 1 or more rating periods and may suspend section 3712(1)(c) or (d).

500.3811b Medicare supplement policies or certificates for newly eligible individuals after December 31, 2019; exceptions to standards and requirements.

Sec. 3811b. (1) This section applies to all Medicare supplement policies or certificates delivered or issued for delivery in this state to individuals newly eligible for Medicare after December 31, 2019. A policy or certificate that provides coverage of the Medicare part B deductible must not be advertised, solicited,

delivered, or issued for delivery in this state as a Medicare supplement policy or certificate to individuals newly eligible for Medicare after December 31, 2019, unless it complies with the benefit standards provided in this section. Benefit plan standards applicable to Medicare supplement policies and certificates issued to individuals eligible for Medicare before January 1, 2020 remain subject to the requirements of section 3811a.

(2) The standards and requirements of section 3811a apply to all Medicare supplement policies or certificates delivered or issued for delivery to individuals newly eligible for Medicare after December 31, 2019, with the following exceptions:

(a) Standardized Medicare supplement benefit plan C is redesignated as plan D and must provide the benefits contained in section 3811a(6)(c), but must not provide coverage for 100% or any portion of the Medicare part B deductible.

(b) Standardized Medicare supplement benefit plan F is redesignated as plan G and must provide the benefits contained in section 3811a(6)(e), as applicable, but must not provide coverage for 100% or any portion of the Medicare part B deductible.

(c) Standardized Medicare supplement benefit plans C, F, and F high deductible may not be offered to individuals newly eligible for Medicare after December 31, 2019.

(d) Standardized Medicare supplement benefit plan F high deductible is redesignated as plan G high deductible and must provide the benefits in section 3811a(6)(e), as applicable, but must not provide coverage for 100% or any portion of the Medicare part B deductible. The Medicare part B deductible paid by the beneficiary is considered an out-of-pocket expense in meeting the annual high deductible.

(e) The reference to plan C or plan F contained in section 3811a(2) is deemed a reference to plan D or plan G, respectively, for purposes of this section.

(3) This section only applies to individuals that are newly eligible for Medicare after December 31, 2019 because of either of the following:

(a) By reason of attaining age 65 after December 31, 2019.

(b) By reason of entitlement to benefits under Medicare part A under section 226(b) or 226a of the social security act, or who is deemed to be eligible for benefits under section 226a of the social security act after December 31, 2019.

(4) For purposes of section 3830(5) to (8), for an individual newly eligible for Medicare after December 31, 2019, any reference to Medicare supplement policy or certificate plans C, F, or F high deductible is deemed to be a reference to Medicare supplement policy or certificate plans D, G, or G high deductible, respectively, that meet the requirements of subsection (2).

(5) After December 31, 2019, the standardized benefit plans described in subsection (2)(d) may be offered to an individual who was eligible for Medicare before January 1, 2020, in addition to the standardized plans described in section 3811a(6).

This outline shows benefits and premiums of policies sold for effective dates on or after June 1, 2010. Policies sold for effective dates before June 1, 2010 have different benefits and premiums. Plans E, H, I, and J are no longer available for sale. (This sentence must not appear after June 1, 2011.)

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to (insert insurer's address). If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do not cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

This policy may not fully cover all of your medical costs.

[For agent issued policies]

Neither (insert insurer's name) nor its agents are connected with Medicare.

[For direct response issued policies]

(Insert insurer's name) is not connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local social

security office or consult "The Medicare Handbook" for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. [If the policy or certificate is guaranteed issue, this paragraph need not appear.]

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

[Include for each plan offered by the insurer a chart showing the services, Medicare payments, plan payments, and insured payments using the same language, in the same order, and using uniform layout and format as shown in the charts that follow. An insurer may use additional benefit plan designations on these charts under section 3809(1)(k). Include an explanation of any innovative benefits on the cover page and in the chart, in a manner approved by the director. The insurer issuing the policy shall change the dollar amounts each year to reflect current figures. No more than 4 plans may be shown on 1 chart.] Charts for each plan are as follows:

Sec. 3817. (1) This section applies to medicare select policies and certificates.

(2) As used in this section:

(a) "Complaint" means any dissatisfaction expressed by an individual concerning a medicare select insurer or its network providers.

(b) "Grievance" means a dissatisfaction expressed in writing by an individual insured under a medicare select policy or certificate with the administration, claims practices, or provision of services concerning a medicare select insurer or its network providers.

(c) "Medicare select insurer" means an insurer offering, or seeking to offer, a medicare select policy or certificate.

(d) "Medicare select policy" or "medicare select certificate" means a medicare supplement policy or certificate that contains restricted network provisions.

(e) "Network provider" means a provider of health care, or a group of providers of health care, that has entered into a written agreement with the insurer to provide benefits under a medicare select policy or certificate.

(f) "Restricted network provision" means any provision that conditions the payment of benefits, in whole or in part, on the use of network providers.

(g) "Service area" means the geographic area approved by the commissioner within which an insurer is authorized to offer a medicare select policy or certificate.

(3) A policy or certificate shall not be advertised as a medicare select policy or certificate unless it meets the requirements of this section.

(4) The commissioner may authorize an insurer to offer a medicare select policy or certificate, pursuant to this section and section 1882 of part C of title XVIII of the social security act, 42 USC 1395ss, if the commissioner finds that the insurer has satisfied all necessary requirements.

(5) A medicare select insurer shall not issue a medicare select policy or certificate in this state until its plan

of operation has been approved by the commissioner.

(6) A medicare select insurer shall file a proposed plan of operation with the commissioner in a format prescribed by the commissioner. The plan of operation shall contain at least the following information:

(a) Evidence that all covered services that are subject to restricted network provisions are available and accessible through network providers, as follows:

(*i*) That services can be provided by network providers with reasonable promptness with respect to geographic location, hours of operation, and after-hour care. The hours of operation and availability of after-hour care shall reflect usual practice in the local area. Geographic availability shall reflect the usual travel times within the community.

(*ii*) That the number of network providers in the service area is sufficient, with respect to current and expected policyholders, either to deliver adequately all services that are subject to a restricted network provision or to make appropriate referrals.

(*iii*) That there are written agreements with network providers describing specific responsibilities.

(*iv*) That emergency care is available 24 hours per day and 7 days per week.

(*v*) That in the case of covered services that are subject to a restricted network provision and are provided on a prepaid basis, there are written agreements with network providers prohibiting such providers from billing or otherwise seeking reimbursement from or recourse against any individual insured under a medicare select policy or certificate. This subparagraph does not apply to supplemental charges or coinsurance amounts as stated in the medicare select policy or certificate.

(b) A statement or map providing a clear description of the service area.

(c) A description of the grievance procedure to be used.

(d) A description of the quality assurance program, including all of the following:

(*i*) The formal organizational structure.

(*ii*) The written criteria for selection, retention, and removal of network providers.

(*iii*) The procedures for evaluating quality of care provided by network providers and the process to initiate corrective action if warranted.

(e) A list and description, by specialty, of the network providers.

(f) Copies of the written information proposed to be used by the insurer to comply with subsection (10).

(g) Any other information requested by the commissioner.

(7) A medicare select insurer shall file any proposed changes to the plan of operation, except for changes to the list of network providers, with the commissioner prior to implementing any changes. An updated list of network providers shall be filed with the commissioner at least quarterly. Changes shall be considered approved by the commissioner after 30 days unless specifically disapproved.

(8) A medicare select policy or certificate shall not restrict payment for covered services provided by nonnetwork providers if the services are for symptoms requiring emergency care or are immediately required for an unforeseen illness, injury, or a condition and it is not reasonable to obtain such services through a network provider.

(9) A medicare select policy or certificate shall provide payment for full coverage under the policy or certificate for covered services that are not available through network providers.

(10) A medicare select insurer shall make full and fair disclosure in writing of the provisions, restrictions, and limitations of the medicare select policy or certificate to each applicant. This disclosure shall include at least all of the following:

(a) An outline of coverage sufficient to permit the applicant to compare the coverage and premiums of the medicare select policy or certificate with other medicare supplement policies or certificates offered by the insurer or offered by other insurers.

(b) A description, including address, phone number, and hours of operation, of the network providers, including primary care physicians, specialty physicians, hospitals, and other providers.

(c) A description of the restricted network provisions, including payments for coinsurance and deductibles if providers other than network providers are utilized. Except to the extent specified in the policy or certificate, expenses incurred when using out-of-network providers do not count toward the out-of-pocket annual limit contained in plans K and L.

(d) A description of coverage for emergency and urgently needed care and other out-of-service area coverage.

(e) A description of limitations on referrals to restricted network providers and to other providers.

(f) A description of the policyholder's rights to purchase any other medicare supplement policy or certificate otherwise offered by the insurer.

(g) A description of the medicare select insurer's quality assurance program and grievance procedure.

(11) Prior to the sale of a medicare select policy or certificate, a medicare select insurer shall obtain from

the applicant a signed and dated form stating that the applicant has received the information provided pursuant to subsection (10) and that the applicant understands the restrictions of the medicare select policy or certificate.

(12) A medicare select insurer shall have and use procedures for hearing complaints and resolving written grievances from subscribers. The procedures shall be aimed at mutual agreement for settlement and may include arbitration procedures. The grievance procedure shall be described in the policy and certificate and in the outline of coverage. At the time the policy or certificate is issued, the insurer shall provide detailed information to the policyholder describing how a grievance may be registered with the insurer. Grievances shall be considered in a timely manner and shall be transmitted to appropriate decision-makers who have authority to fully investigate the issue and take corrective action. If a grievance is found to be valid, corrective action shall be taken promptly. All concerned parties shall be notified about the results of a grievance. The insurer shall report no later than each March 31 to the commissioner regarding its grievance procedure. The report shall be in a format prescribed by the commissioner and shall contain the number of grievances filed in the past year and a summary of the subject, nature, and resolution of those grievances.

(13) At the time of initial purchase, a medicare select insurer shall make available to each applicant for a medicare select policy or certificate the opportunity to purchase any medicare supplement policy or certificate otherwise offered by the insurer.

(14) At the request of an individual insured under a medicare select policy or certificate, a medicare select insurer shall make available to the individual insured the opportunity to purchase a medicare supplement policy or certificate offered by the insurer that has comparable or lesser benefits and that does not contain a restricted network provision. The insurer shall make the policies or certificates available without requiring evidence of insurability after the medicare supplement policy or certificate has been in force for 6 months. For the purposes of this subsection, a medicare supplement policy or certificate shall be considered to have comparable or lesser benefits unless it contains 1 or more significant benefits not included in the medicare select policy or certificate being replaced. For the purposes of this subsection, a significant benefit means coverage for the medicare part A deductible, coverage for at-home recovery services, or coverage for part B excess charges.

(15) Medicare select policies and certificates shall provide for continuation of coverage if the secretary of health and human services determines that medicare select policies and certificates issued pursuant to this section should be discontinued due to either the failure of the medicare select program to be reauthorized under law or its substantial amendment. Each medicare select insurer shall make available to each individual insured under a medicare select policy or certificate the opportunity to purchase any medicare supplement policy or certificate offered by the insurer that has comparable or lesser benefits and that does not contain a restricted network provision. The issuer shall make the policies and certificates available without requiring evidence of insurability. For the purposes of this subsection, a medicare supplement policy or certificate will be considered to have comparable or lesser benefits unless it contains 1 or more significant benefits not included in the medicare select policy or certificate being replaced. For the purposes of this subsection, a significant benefit means coverage for the medicare part A deductible, coverage for at-home recovery service, or coverage for part B excess charges.

(16) A medicare select insurer shall comply with reasonable requests for data made by state or federal agencies, including the United States department of health and human services, for the purposes of evaluating the medicare select program.

500.3819 Minimum standards; suspension of benefits and premiums; notice; reinstitution; offer to exchange 1990 standardized plan to 2010 plan.

Sec. 3819. (1) An insurance policy shall not be titled, advertised, solicited, or issued for delivery in this state as a medicare supplement policy if the policy does not meet the minimum standards prescribed in this section. These minimum standards are in addition to all other requirements of this chapter.

(2) The following standards apply to medicare supplement policies:

(a) A medicare supplement policy shall not deny a claim for losses incurred more than 6 months from the effective date of coverage because it involved a preexisting condition. The policy or certificate shall not define a preexisting condition more restrictively than to mean a condition for which medical advice was given or treatment was recommended by or received from a physician within 6 months before the effective date of coverage.

(b) A medicare supplement policy shall not indemnify against losses resulting from sickness on a different basis than losses resulting from accidents.

(c) A medicare supplement policy shall provide that benefits designed to cover cost sharing amounts under medicare will be changed automatically to coincide with any changes in the applicable medicare deductible, copayment, or coinsurance amounts. Premiums may be modified to correspond with such changes.

(d) A medicare supplement policy shall be guaranteed renewable. Termination shall be for nonpayment of premium or material misrepresentation only.

(e) Termination of a medicare supplement policy shall not reduce or limit the payment of benefits for any continuous loss that commenced while the policy was in force, but the extension of benefits beyond the period during which the policy was in force may be predicated upon the continuous total disability of the insured, limited to the duration of the policy benefit period, if any, or payment of the maximum benefits. Receipt of medicare part D benefits will not be considered in determining a continuous loss.

(f) If a medicare supplement policy eliminates an outpatient prescription drug benefit as a result of requirements imposed by the medicare prescription drug, improvement, and modernization act of 2003, Public Law 108-173, the modified policy shall be considered to satisfy the guaranteed renewal of this subsection.

(g) A medicare supplement policy shall not provide for termination of coverage of a spouse solely because of the occurrence of an event specified for termination of coverage of the insured, other than the nonpayment of premium.

(3) A medicare supplement policy shall provide that benefits and premiums under the policy shall be suspended at the request of the policyholder or certificate holder for a period not to exceed 24 months in which the policyholder or certificate holder has applied for and is determined to be entitled to medical assistance under medicaid, but only if the policyholder or certificate holder notifies the insurer of such assistance within 90 days after the date the individual becomes entitled to the assistance. Upon receipt of timely notice, the insurer shall return to the policyholder or certificate holder that portion of the premium attributable to the period of medicaid eligibility, subject to adjustment for paid claims. If a suspension occurs and if the policyholder or certificate holder loses entitlement to medical assistance under medicaid, the policy shall be automatically reinstituted effective as of the date of termination of the assistance if the policyholder or certificate holder provides notice of loss of medicaid medical assistance within 90 days after the date of the loss and pays the premium attributable to the period effective as of the date of termination of the assistance. Each medicare supplement policy shall provide that benefits and premiums under the policy shall be suspended at the request of the policyholder if the policyholder is entitled to benefits under section 226(b) of title II of the social security act, and is covered under a group health plan as defined in section 1862(b)(1)(A)(*v*) of the social security act. If suspension occurs and if the policyholder or certificate holder loses coverage under the group health plan, the policy shall be automatically reinstituted effective as of the date of loss of coverage if the policyholder provides notice of loss of coverage within 90 days after the date of the loss and pays the premium attributable to the period, effective as of the date of termination of enrollment in the group health plan. All of the following apply to the reinstitution of a medicare supplement policy under this subsection:

(a) The reinstitution shall not provide for any waiting period with respect to treatment of preexisting conditions.

(b) Reinstituted coverage shall be substantially equivalent to coverage in effect before the date of the suspension. If the suspended medicare supplement policy provided coverage for outpatient prescription drugs, reinstitution of the policy for medicare part D enrollees shall be without coverage for outpatient prescription drugs and shall otherwise provide substantially equivalent coverage to the coverage in effect before the date of the suspension.

(c) Classification of premiums for reinstituted coverage shall be on terms at least as favorable to the policyholder or certificate holder as the premium classification terms that would have applied to the policyholder or certificate holder had the coverage not been suspended.

(4) If an insurer makes a written offer to the medicare supplement policyholders or certificate holders of 1 or more of its plans, to exchange during a specified period from his or her 1990 standardized plan to a 2010 standardized plan, the offer and subsequent exchange shall comply with the following requirements:

(a) An insurer need not provide justification to the commissioner if the insured replaces a 1990 standardized policy or certificate with an issue age rated 2010 standardized policy or certificate at the insured's original issue age and duration. If an insured's policy or certificate to be replaced is priced on an issue age rate schedule at that time of that offer, the rate charged to the insured for the new exchanged policy shall recognize the policy reserve buildup, due to the prefunding inherent in the use of an issue age rate basis, for the benefit of the insured. The method proposed to be used by an issuer must be filed with the commissioner.

(b) The rating class of the new policy or certificate shall be the class closest to the insured's class of the

replaced coverage.

(c) An insurer may not apply new preexisting condition limitations or a new incontestability period to the new policy for those benefits contained in the exchanged 1990 standardized policy or certificate of the insured, but may apply preexisting condition limitations of no more than 6 months to any added benefits contained in the new 2010 standardized policy or certificate not contained in the exchanged policy.

(d) The new policy or certificate shall be offered to all policyholders or certificate holders within a given plan, except where the offer or issue would be in violation of state or federal law.

(5) This section applies to medicare supplement policies or certificates delivered or issued for delivery with an effective date for coverage prior to June 1, 2010.

500.3819a Medicare supplement policies or certificates with effective date for coverage on or after June 1, 2010; minimum standards.

Sec. 3819a. (1) This section applies to all Medicare supplement policies or certificates delivered or issued for delivery with an effective date for coverage on or after June 1, 2010.

(2) An insurance policy must not be titled, advertised, solicited, or issued for delivery in this state as a Medicare supplement policy if the policy does not meet the minimum standards prescribed in this section. These minimum standards are in addition to all other requirements of this chapter. An issuer shall not offer any 1990 plan for sale on or after June 1, 2010. Benefit standards applicable to Medicare supplement policies and certificates issued before June 1, 2010 remain subject to the requirements of section 3819.

(3) The following standards apply to Medicare supplement policies:

(a) A Medicare supplement policy must not deny a claim for losses incurred more than 6 months from the effective date of coverage because it involved a preexisting condition. The policy or certificate must not define a preexisting condition more restrictively than to mean a condition for which medical advice was given or treatment was recommended by or received from a physician within 6 months before the effective date of coverage.

(b) A Medicare supplement policy must not indemnify against losses resulting from sickness on a different basis than losses resulting from accidents.

(c) A Medicare supplement policy must provide that benefits designed to cover cost-sharing amounts under Medicare will be changed automatically to coincide with any changes in the applicable Medicare deductible, copayment, or coinsurance amounts. Premiums may be modified to correspond with such changes.

(d) A Medicare supplement policy must be guaranteed renewable. Termination must be for nonpayment of premium or material misrepresentation only.

(e) Termination of a Medicare supplement policy must not reduce or limit the payment of benefits for any continuous loss that commenced while the policy was in force, but the extension of benefits beyond the period during which the policy was in force may be predicated on the continuous total disability of the insured, limited to the duration of the policy benefit period, if any, or payment of the maximum benefits. Receipt of Medicare part D benefits will not be considered in determining a continuous loss.

(f) A Medicare supplement policy must not provide for termination of coverage of a spouse solely because of the occurrence of an event specified for termination of coverage of the insured, other than the nonpayment of premium.

(4) A Medicare supplement policy must provide that benefits and premiums under the policy will be suspended at the request of the policyholder or certificate holder for a period not to exceed 24 months in which the policyholder or certificate holder has applied for and is determined to be entitled to medical assistance under Medicaid, but only if the policyholder or certificate holder notifies the insurer of the assistance within 90 days after the date the individual becomes entitled to the assistance. On receipt of timely notice, the insurer shall return to the policyholder or certificate holder that portion of the premium attributable to the period of Medicaid eligibility, subject to adjustment for paid claims. If a suspension occurs and if the policyholder or certificate holder loses entitlement to medical assistance under Medicaid, the policy must be automatically reinstituted effective as of the date of termination of the assistance if the policyholder or certificate holder provides notice of loss of Medicaid medical assistance within 90 days after the date of the loss and pays the premium attributable to the period effective as of the date of termination of the assistance. A Medicare supplement policy must provide that benefits and premiums under the policy will be suspended at the request of the policyholder if the policyholder is entitled to benefits under 42 USC 426(b), and is covered under a group health plan as defined in 42 USC 1395y(b)(1)(a)(*v*). If suspension occurs and if the policyholder or certificate holder loses coverage under the group health plan, the policy must be automatically

reinstituted effective as of the date of loss of coverage if the policyholder provides notice of loss of coverage within 90 days after the date of the loss and pays the premium attributable to the period, effective as of the date of termination of enrollment in the group health plan. All of the following apply to the reinstitution of a Medicare supplement policy under this subsection:

(a) The reinstitution must not provide for any waiting period with respect to treatment of preexisting conditions.

(b) Reinstituted coverage must be substantially equivalent to coverage in effect before the date of the suspension.

(c) Classification of premiums for reinstituted coverage must be on terms at least as favorable to the policyholder or certificate holder as the premium classification terms that would have applied to the policyholder or certificate holder had the coverage not been suspended.

(2) Interest under subsection (1) shall be calculated at 6-month intervals from the date the first premium payment was received at a rate of interest equal to 1% plus the average interest rate paid at auctions of 5-year United States treasury notes during the 6 months immediately preceding July 1 and January 1, as certified by the state treasurer, and compounded annually.

(2) A medicare supplement policy with benefits for outpatient prescription drugs in existence prior to January 1, 2006 shall be renewed for current policyholders who do not enroll in part D at the option of the policyholder.

(3) A medicare supplement policy with benefits for outpatient prescription drugs shall not be issued after December 31, 2005.

(4) After December 31, 2005, a medicare supplement policy with benefits for outpatient prescription drugs may not be renewed after the policyholder enrolls in medicare part D unless:

(a) The policy is modified to eliminate outpatient prescription coverage for expenses of outpatient prescription drugs incurred after the effective date of the individual's coverage under a part D plan.

(b) Premiums are adjusted to reflect the elimination of outpatient prescription drug coverage at the time of medicare part D enrollment, accounting for any claims paid, if applicable.

500.3827 Duplicate benefits prohibited; application; statements and questions whether another policy in force; list of policies sold to applicant; notice regarding replacement coverage.

Sec. 3827. (1) A Medicare supplement insurance policy or certificate must not be delivered or issued for

delivery in this state if the policy or certificate provides benefits that duplicate benefits provided by Medicare.

(2) Application forms or a supplementary application or other form to be signed by the applicant and agent for Medicare supplement policies, which may be provided in written or electronic format, must include the following statements and questions designed to inform and elicit information as to whether, on the date of the application, the applicant has Medicare supplement, Medicare advantage, Medicaid coverage, or another health insurance policy or certificate in force or whether a Medicare supplement policy or certificate is intended to replace any health policy or certificate presently in force:

[STATEMENTS]

(1) You do not need more than 1 Medicare supplement policy.

(2) If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.

(3) If you are 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.

(4) If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy will be suspended during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days after becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy, or, if that is no longer available, a substantially equivalent policy, will be reinstituted if requested within 90 days after losing Medicaid eligibility. If the Medicare supplement provided coverage for outpatient prescription drugs and you enrolled in Medicare part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

(5) If you are eligible for, and have enrolled in, a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy, or if that is no longer available, a substantially equivalent policy, will be reinstituted if requested within 90 days after losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare part D while your policy was suspended, the reinstituted policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

(6) Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning Medicaid.

One copy of the notice signed by the applicant and the agent, unless the coverage is sold without an agent, must be provided to the applicant and an additional signed copy must be retained by the insurer. A direct response insurer shall deliver to the applicant at the time of issuance of the policy or certificate the following notice, regarding replacement of Medicare supplement coverage. The notice regarding replacement of Medicare supplement coverage must be provided in substantially the following form and in not less than 12-point type:

"NOTICE TO APPLICANT REGARDING REPLACEMENT
OF MEDICARE SUPPLEMENT COVERAGE OR MEDICARE ADVANTAGE

(INSURANCE COMPANY'S NAME AND ADDRESS)

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to (your application) (information you have furnished), you intend to drop or otherwise terminate existing Medicare supplement coverage or Medicare advantage plan and replace it with a policy or certificate to be issued by (company name) insurance company. Your new policy or certificate provides 30 days within which you may decide without cost whether you desire to keep the policy or certificate.

You should review this new coverage carefully comparing it with all disability and other health coverage you now have and terminate your present coverage only if, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision.

Statement to applicant by insurer, agent, or other representative:

(Use additional sheets as necessary.)

I have reviewed your current medical or health coverage. The replacement of coverage involved in this transaction does not duplicate your existing Medicare supplement, or, if applicable, Medicare advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare advantage plan, to the best of my knowledge. The replacement policy is being purchased for the following reasons (check 1):

_____ Additional benefits

_____ No change in benefits, but lower premiums

_____ Fewer benefits and lower premiums

_____ My plan has outpatient prescription drug coverage and I am enrolling in part D

_____ Disenrollment from a Medicare advantage plan. Please explain reason for disenrollment. [Optional only for direct mailers.]

_____ Other. (Please specify)

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy. This paragraph may be deleted by an insurer if the replacement does not involve application of a new pre-existing condition limitation.

2. Your insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy or certificate for similar benefits to the extent such time was spent or depleted under the original coverage. This paragraph may be deleted by an insurer if the replacement does not involve application of a new preexisting condition limitation.

3. If, after thinking about it carefully, you still wish to drop your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the insurer to deny any future claims and to refund your premium as though your policy or certificate had never been in force. After the application has been completed, and before you sign it, review it carefully to be certain that all information has been properly recorded. (If the policy or certificate is guaranteed issue, this paragraph need not appear.)

4. Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

500.3829 Denying or conditioning issuance based on health status, claims experience, receipt of health care, or medical condition of applicant prohibited; condition; exclusion of benefits based on preexisting conditions; reduction; creditable coverage.

Sec. 3829. (1) An insurer shall not deny or condition the issuance or effectiveness of a Medicare supplement policy available for sale in this state, or discriminate in the pricing of such a policy, because of the health status, claims experience, receipt of health care, or medical condition of an applicant if an application for the policy is submitted during the 6-month period beginning with the first month in which an individual who is 65 years of age or older enrolled for benefits under Medicare part B. Each Medicare supplement policy currently available from an insurer must be made available to all applicants who qualify under this section without regard to age.

(2) If an applicant qualifies under subsection (1), submits an application during the time period provided in subsection (1), and as of the date of application has had a continuous period of creditable coverage of not less than 6 months, the insurer shall not exclude benefits based on a preexisting condition. If the applicant qualifies under subsection (1), submits an application during the time period in subsection (1), and as of the date of application has had a continuous period of creditable coverage that is less than 6 months, the insurer shall reduce the period of any preexisting condition exclusion by the aggregate of the period of creditable coverage applicable to the applicant as of the enrollment date. The secretary shall specify the manner of the reduction under this subsection.

(3) Except as provided in subsection (2) and section 3833, subsection (1) does not prevent the exclusion of benefits under a policy, during the first 6 months, based on a preexisting condition for which the policyholder or certificate holder received treatment or was otherwise diagnosed during the 6 months before the coverage became effective.

(4) As used in this section, "creditable coverage" does not include any of the following:

(a) One or more of the following:

(*i*) Coverage only for accident or disability income insurance, or any combination of accident or disability income insurance.

(*ii*) Coverage issued as a supplement to liability insurance.

(*iii*) Liability insurance, including general liability insurance and automobile liability insurance.

(*iv*) Workers' compensation or similar insurance.

(*v*) Automobile medical payment insurance.

(*vi*) Credit-only insurance.

(*vii*) Coverage for on-site medical clinics.

(*viii*) Other similar insurance coverage, specified in federal regulations, under which benefits for medical care are secondary or incidental to other insurance benefits.

(b) The following benefits if they are provided under a separate policy, certificate, or contract of insurance or are otherwise not an integral part of the plan:

(*i*) Limited scope dental or vision benefits.

(*ii*) Benefits for long-term care, nursing home care, home health care, community-based care, or any combination of long-term care, nursing home care, home health care, or community-based care.

(*iii*) Such other similar, limited benefits as are specified in federal regulations.

(c) The following benefits if offered as independent, noncoordinated benefits:

(*i*) Coverage only for a specified disease or illness.

(*ii*) Hospital indemnity or other fixed indemnity insurance.

(d) The following if it is offered as a separate policy, certificate, or contract of insurance:

(*i*) Medicare supplemental policy as defined in 42 USC 1395ss.

(*ii*) Coverage supplemental to the coverage provided under chapter 55 of title 10 of the United States Code, 10 USC 1071 to 1110b.

(*iii*) Similar supplemental coverage provided to coverage under a group health plan.

500.3829a Medicare supplement policies or certificates delivered, issued for delivery, or renewed on or after May 21, 2009; genetic test; definitions.

Sec. 3829a. (1) This section applies to all medicare supplement policies or certificates delivered, issued for delivery, or renewed on or after May 21, 2009.

(2) An insurer of a medicare supplement policy or certificate shall not do either of the following:

(a) Deny or condition the issuance or effectiveness of the policy or certificate, including the imposition of any exclusion of benefits under the policy based on a preexisting condition, on the basis of the genetic information with respect to that individual.

(b) Discriminate in the pricing of the policy or certificate, including the adjustment of premium rates, of an individual on the basis of the genetic information with respect to that individual.

(3) Nothing in subsection (2) limits the ability of an insurer, to the extent otherwise permitted by law, from doing either of the following:

(a) Denying or conditioning the issuance or effectiveness of a policy or certificate or increasing the premium for a group based on the manifestation of a disease or disorder of an insured or applicant.

(b) Increasing the premium for any policy issued to an individual based on the manifestation of a disease or disorder of an individual who is covered under the policy. However, the manifestation of a disease or disorder in 1 individual cannot be used as genetic information about other group members and to further increase the premium for the group.

(4) An insurer of a medicare supplement policy or certificate shall not request or require an individual or a family member of that individual to undergo a genetic test.

(5) Subsection (4) does not preclude an insurer of a medicare supplement policy or certificate from obtaining and using the results of a genetic test in making a determination regarding payment, as defined for the purposes of applying the regulations promulgated under part C of title XI and section 264 of the health insurance portability and accountability act of 1996, 42 USC 1320d to 1320d-8, and consistent with subsection (2).

(6) For purposes of carrying out subsection (5), an insurer of a medicare supplement policy or certificate may request only the minimum amount of information necessary to accomplish the intended purpose.

(7) Notwithstanding subsection (4), an insurer of a medicare supplement policy may request, but not require, that an individual, or a family member of that individual, undergo a genetic test if each of the following conditions is met:

(a) The request is made pursuant to research that complies with 45 CFR part 46, or equivalent federal regulations, and any applicable state or local law or regulations for the protection of human subjects in research.

(b) The insurer clearly indicates to each individual, or in the case of a minor child, to the legal guardian of that child, to whom the request is made, that compliance with the request is voluntary and that noncompliance will have no effect on enrollment status or premium or contribution amounts.

(c) Genetic information collected or acquired under this subsection shall not be used for underwriting, determination of eligibility to enroll or maintain enrollment status, premium rates, or the issuance, renewal, or replacement of a policy or certificate.

(d) The insurer notifies the commissioner in writing that the insurer is conducting activities pursuant to the exception provided for under this subsection, including a description of the activities conducted.

(e) The insurer complies with any other conditions as the commissioner may by regulation require for activities conducted under this subsection.

(8) An insurer of a medicare supplement policy or certificate shall not request, require, or purchase genetic information for underwriting purposes.

(9) An insurer of a medicare supplement policy or certificate shall not request, require, or purchase genetic information with respect to any individual prior to that individual's enrollment under the policy in connection with that enrollment.

(10) If an insurer of a medicare supplement policy or certificate obtains genetic information incidental to the requesting, requiring, or purchasing of other information concerning any individual, that request, requirement, or purchase is not a violation of subsection (9) if that request, requirement, or purchase does not violate subsection (8).

(11) As used in this section:

(b) "Genetic information" means, with respect to any individual, information about that individual's genetic tests, the genetic tests of family members of that individual, and the manifestation of a disease or disorder in family members of that individual. (e) "Insurer of a medicare supplement policy or certificate" includes a third-party administrator or other person acting for or on behalf of that insurer.

(1) An eligible person is an individual described in subsection (2) who applies to enroll under a medicare supplement policy during the period described in subsection (3), and who submits evidence of the date of termination or disenrollment or medicare part D enrollment with the application for a medicare supplement policy. For an eligible person, an insurer shall not deny or condition the issuance or effectiveness of a medicare supplement policy described in subsections (5), (6), and (7) that is offered and is available for issuance to new enrollees by the insurer, shall not discriminate in the pricing of the medicare supplement policy because of health status, claims experience, receipt of health care, or medical condition, and shall not impose an exclusion of benefits based on a preexisting condition under the medicare supplement policy.

(2) An eligible person under this section is an individual that meets any of the following:

(a) Is enrolled under an employee welfare benefit plan that provides health benefits that supplement the benefits under medicare and the plan terminates or the plan ceases to provide all those supplemental health benefits to the individual.

(*i*) The certification of the organization or plan has been terminated.

(*ii*) The organization has terminated or otherwise discontinued providing the plan in the area in which the individual resides.

(*iv*) The individual demonstrates, in accordance with guidelines established by the secretary, that the organization offering the plan substantially violated a material provision of the organization's contract in relation to the individual, including the failure to provide an enrollee on a timely basis medically necessary care for which benefits are available under the plan or the failure to provide covered care in accordance with applicable quality standards, or the organization, or agent or other entity acting on the organization's behalf, materially misrepresented the plan's provisions in marketing the plan to the individual.

(*v*) The individual meets other exceptional conditions as the secretary may provide.

(c) Is enrolled with an eligible organization under a contract under section 1876 of the social security act, a similar organization operating under demonstration project authority, effective for periods before April 1, 1999, an organization under an agreement under section 1833(a)(1)(A) of the social security act, health care prepayment plan, or an organization under a medicare select policy, and the enrollment ceases under the same circumstances that would permit discontinuance of an individual's election of coverage under subdivision (b).

(f) Upon first becoming eligible for benefits under part A of medicare at age 65, enrolls in a medicare advantage plan under part C of medicare, or with a PACE provider under section 1894 of the social security act, and disenrolls from the plan or program by not later than 12 months after the effective date of enrollment.

(g) Enrolls in a medicare part D plan during the initial enrollment period and, at the time of enrollment in part D, was enrolled under a medicare supplement policy that covers outpatient prescription drugs and the individual terminates enrollment in the medicare supplement policy and submits evidence of enrollment in medicare part D along with the application for a policy described in subsection (5).

(3) The guaranteed issue time periods under this section are as follows:

(a) For an individual described in subsection (2)(a), the guaranteed issue time period begins on the date the individual receives a notice of termination or cessation of all supplemental health benefits or, if a notice is not received, notice that a claim has been denied because of a termination or cessation, or the date that the applicable coverage terminates or ceases, whichever occurs later, and ends 63 days after that date.

(b) For an individual described in subsection (2)(b), (c), (e), or (f) whose enrollment is terminated involuntarily, the guaranteed issue time period begins on the date that the individual receives a notice of termination and ends 63 days after the date the applicable coverage is terminated.

(f) For an individual described in subsection (2) but not described in subdivisions (a) to (d), the guaranteed issue time period begins on the effective date of disenrollment and ends on the date that is 63 days after the effective date.

(4) For an individual described in subsection (2)(e) whose enrollment with an organization or provider described in subsection (2)(e) is involuntarily terminated within the first 12 months of enrollment, and who, without an intervening enrollment, enrolls with another such organization or provider, the subsequent enrollment shall be considered an initial enrollment described in subsection (2)(e). For an individual described in subsection (2)(f) whose enrollment within a plan or in a program described in subsection (2)(f) is involuntarily terminated within the first 12 months of enrollment, and who, without an intervening enrollment, enrolls in another such plan or program, the subsequent enrollment shall be considered an initial enrollment described in subsection (2)(f). For purposes of subsections (2)(e) and (f), an enrollment of an

individual with an organization or provider described in subsection (2)(e), or with a plan or provider described in subsection (2)(f), shall not be considered to be an initial enrollment after the 2-year period beginning on the date on which the individual first enrolled with such an organization, provider, or plan.

Sec. 3831. (1) Each insurer offering group expense incurred hospital, medical, or surgical policies or certificates in this state shall make available without restriction, to any person who requests coverage from an insurer and has been insured with an insurer, if the person loses coverage under a group policy after becoming eligible for Medicare, a right of continuation or conversion to 1 of the following Medicare supplement plans that is guaranteed renewable or noncancellable:

(a) A policy form or certificate form that contains the basic core benefits as described in section 3807 or 3807a.

(b) A policy form or certificate form that the insurer has chosen to offer that contains either standardized benefit plan C or standardized benefit plan F. For an individual newly eligible for Medicare after December 31, 2019, any reference to standardized benefit plan C or standardized benefit plan F is deemed a reference to Medicare supplement standardized benefit plan D or Medicare supplement standardized benefit plan G, respectively.

(2) A person who is hospitalized or has been informed by a physician that he or she will require

hospitalization within 30 days after the time of application is not entitled to coverage under subsection (1) until the day following the date of discharge. However, if the hospitalized person was insured by the insurer immediately before losing coverage under a group policy after becoming eligible for Medicare, the person is eligible for immediate coverage from the previous insurer under subsection (1). A person is not entitled to a Medicare supplemental policy under subsection (1) unless the person presents satisfactory proof to the insurer that he or she was insured with an insurer subject to this section. A person who wishes coverage under subsection (1) must request coverage within 180 days after losing coverage under a group policy. A person 60 years of age or older who loses coverage under a group policy is entitled to coverage under a Medicare supplemental policy without restriction from the insurer providing the former group coverage, if he or she requests coverage within 90 days before or 90 days after the month he or she becomes eligible for Medicare.

(3) Except as provided in section 3833, a person not insured under a group hospital, medical, or surgical expense incurred policy as specified in subsection (1), after applying for coverage under a Medicare supplemental policy required to be offered under subsection (1), is entitled to coverage under a Medicare supplemental policy that may include a provision for exclusion from preexisting conditions for 6 months after the inception of coverage, consistent with the provisions of section 3819(2)(a) or 3819a(3)(a).

(4) Each group policyholder providing hospital, medical, or surgical expense incurred coverage in this state shall give to each certificate holder who is covered at the time he or she becomes eligible for Medicare, written notice of the availability of coverage under this section.

(5) Notwithstanding the requirements of this section, an insurer offering or renewing group expense incurred hospital, medical, or surgical policies or certificates after June 27, 2005 may comply with the requirement of providing Medicare supplemental coverage to eligible policyholders by utilizing another insurer to write this coverage if the insurer meets all of the following requirements:

(a) The insurer provides its policyholders the name of the insurer that will provide the Medicare supplemental coverage.

(b) The insurer gives its policyholders the telephone numbers at which the Medicare supplemental insurer can be reached.

(c) The insurer remains responsible for providing Medicare supplemental coverage to its policyholders if the other insurer no longer provides coverage and another insurer is not found to take its place.

(d) The insurer provides certification from an executive officer for the specific insurer or affiliate of the insurer wishing to utilize this option. This certification must identify the process provided in subdivisions (a) to (c) and must clearly state that the insurer understands that the director may void this arrangement if the affiliate fails to ensure that eligible policyholders are immediately offered Medicare supplemental policies.

(e) If the insurer is unable to meet the requirements of subdivisions (a) to (d), the insurer certifies to the director that it is in the process of discontinuing in this state its offering of individual or group expense incurred hospital, medical, or surgical policies or certificates.

The provision shall include any reservation by the insurer of the right to change premiums and any automatic renewal premium increases based on the policyholder's age.

(2) If a medicare supplement policy is terminated by the group policyholder and is not replaced as provided under subsection (4), the issuer shall offer certificate holders an individual medicare supplement policy that at the option of the certificate holder provides for continuation of the benefits contained in the group policy or provides for such benefits as otherwise meet the requirements of section 3819 or 3819a.

Sec. 3841. (1) Except for riders or endorsements by which the insurer effectuates a request made in writing by the insured, exercises a specifically reserved right under a medicare supplement policy, or as required to reduce or eliminate benefits to avoid duplication of medicare benefits, all riders or endorsements added to a medicare supplement policy after date of issue or at reinstatement or renewal that reduce or eliminate benefits or coverage in the policy shall require signed acceptance by the insured. After the date of policy issue, any rider or endorsement that increases benefits or coverage with a concomitant increase in premium during the policy term shall be agreed to in writing and signed by the insured, unless the benefits are required minimum standards for medicare supplement policies or if the increase in benefits or coverage is required by law. If a separate additional premium is charged for benefits provided in connection with riders or endorsements, the

(7) An insurer may discontinue the availability of a medicare supplement policy form or certificate form if the insurer provides to the commissioner in writing its decision to discontinue at least 30 days prior to discontinuing the availability of the form of the medicare supplement policy. After receipt of the notice by the commissioner, the insurer shall no longer offer for sale the medicare supplement policy form or certificate form in this state.

(8) An insurer that discontinues the availability of a medicare supplement policy form or certificate form pursuant to subsection (7) shall not file for approval a new medicare supplement policy form or certificate form of the same type for the same standard medicare supplement benefit plan as the discontinued form for a period of 5 years after the insurer provides notice to the commissioner of the discontinuance. The period of discontinuance may be reduced if the commissioner determines that a shorter period is appropriate.

(9) The sale or other transfer of medicare supplement business to another insurer shall be considered a discontinuance for the purposes of this section. In addition, a change in the rating structure or methodology shall be considered a discontinuance under this section unless the insurer complies with the following requirements:

(a) The insurer provides an actuarial memorandum, in a form and manner prescribed by the commissioner, describing the manner in which the revised rating methodology and resultant rates differ from the existing methodology and existing rates.

(b) The insurer does not subsequently put into effect a change of rates or rating factors that would cause the percentage differential between the discontinued and subsequent rates as described in the actuarial memorandum to change. The commissioner may approve a change to the differential that is in the public interest.

(10) The experience of all medicare supplement policy forms or certificate forms of the same type in a standard medicare supplement benefit plan shall be combined for purposes of the refund or credit calculation prescribed in section 3853 except that forms assumed under an assumption reinsurance agreement shall not be

combined with the experience of other forms for purposes of the refund or credit calculation.

(11) Each insurer that issues medicare supplement policies for delivery in this state shall comply with sections 1842 and 1882 of title XVIII of the social security act, 42 USC 1395u and 1395ss, and shall certify that compliance on the medicare supplement insurance experience reporting form.

(12) For the purposes of this section, "type" means an individual policy, a group policy, an individual medicare select policy, or a group medicare select policy.

500.3851 Aggregate benefits; rates, rating schedules, and rate revisions.

Sec. 3851. (1) A medicare supplement policy form or certificate form shall not be delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to policyholders and certificate holders in the form of aggregate benefits, not including anticipated refunds or credits, the following:

(a) For group policies at least 75% of the aggregate amount of premiums earned calculated on the basis of incurred claims experience and earned premiums for the entire period for which rates are computed and in accordance with accepted actuarial principles and practices.

(b) For individual policies at least 65% of the aggregate amount of premium earned calculated on the basis of incurred claims experience and earned premiums for the entire period for which rates are computed and in accordance with accepted actuarial principles and practices.

(2) All filings of rates and rating schedules shall demonstrate that expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards.

500.3853 Refund or credit calculation; form; interest; due date.

Sec. 3853. If on the basis of the experience as reported by an insurer under section 3852 the benchmark ratio since inception (ratio 1) exceeds the adjusted experienced ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation shall be done on a statewide basis on a refund calculation form in a format prescribed by the commissioner for each type in a standard medicare supplement benefit plan. For purposes of the refund or credit calculation, only experience on policies issued within the reporting year shall be excluded. A refund or credit shall be made only where the benchmark loss ratio exceeds the adjusted experienced loss ratio and the amount to be refunded or credited exceeds the minimum level. The refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified by the secretary of health and human services, but not less than the average rate of interest for 13-week treasury notes. A refund or credit against premiums due shall be made by September 30 following the experience year upon which the refund or credit is based.

500.3855 Annual filing of rates, rating schedule, and supporting documentation; premium adjustments; public hearing for rate increase; failure to make premium adjustments.

Sec. 3855. (1) Each insurer that issues medicare supplement policies for delivery in this state shall file annually with the commissioner, on a form and in the manner prescribed by the commissioner, its rates, rating schedule, and supporting documentation including all claims experience of the insurer for medicare supplement coverage. The filings and schedules shall demonstrate that the actual and expected losses in relation to premiums are in compliance with the applicable loss ratio standards of this state. The supporting documentation shall also be in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are

computed excluding active life reserves. An expected third-year loss ratio that is greater than or equal to the applicable percentage under section 3851 shall be demonstrated for policies or certificates in force less than 3 years.

(2) An insurer shall make such premium adjustments as are necessary to produce an expected loss ratio under the medicare supplement policy as will conform with minimum loss ratio standards for medicare supplement policies and certificates and that are expected to result in a loss ratio at least as great as that originally anticipated in the rates used to produce current premiums by the insurer for such medicare supplement insurance policies. A premium adjustment that would modify the loss ratio experience under the policy shall not be made with respect to a policy at any time other than upon its renewal date or anniversary date.

(3) The commissioner may conduct a public hearing to gather information concerning a request by a medicare supplement insurer for an increase in a rate for a medicare supplement policy form or certificate form issued before or after the effective date of this chapter if the experience of the form for the previous reporting period is not in compliance with the applicable loss ratio standard. The determination of compliance shall be made without consideration of any refund or credit for the reporting period. Public notice of the hearing shall be furnished in a manner considered appropriate by the commissioner.

(4) If a medicare supplement insurer fails to make premium adjustments acceptable to the commissioner, the commissioner may order premium adjustments, refunds, or premium credits considered necessary to achieve the loss ratio required by this section.

Sec. 3859. A person who violates this subsection is guilty of a misdemeanor punishable by imprisonment for not more than 2 years, or a fine of not more than $10,000.00, or both. The court may order a person convicted under this subsection to pay restitution to individuals for expenses incurred as a result of violation of this subsection. The selling of a group certificate or contract of the trustees of a fund established by 1 or more employers, labor organizations, or both, for employees, former employees, or both, or for members or former members, or both, of labor organizations, shall not be considered to be a violation of this subsection.

Before the issuance of a notice of hearing, the commissioner shall give the person an opportunity to confer and discuss the possible complaint and proceedings in person with the commissioner or his or her representative, and the matter may be disposed of summarily upon agreement of the parties.

(2) The provisions of section 2030 shall apply with respect to a hearing held pursuant to subsection (1), except that the use of an independent hearing officer shall not be allowed.

(3) If, after opportunity for a hearing held pursuant to Act No. 306 of the Public Acts of 1969, the commissioner determines that the insurer or agent has violated this chapter, the provisions of sections 2038 to 2040 shall apply. Each medicare supplement policy issued or delivered in violation of any of the provisions contained in this chapter shall constitute a separate violation for purposes of assessing a civil fine.

(4) In addition to any other applicable penalties for violations of this act, the commissioner may require insurers violating this chapter to cease marketing any medicare supplement policy or certificate in this state that is related directly or indirectly to a violation or may require the insurer to take such actions as are necessary to comply with this chapter.

500.3906 Designation of person to receive notice of termination; reinstatement of coverage; effective date of section.

Sec. 3906. (1) An individual long-term care policy or certificate shall not be issued until the insurer has received from the applicant either a written designation of at least 1 person, in addition to the applicant, who is to receive notice of lapse or termination of the policy or certificate for nonpayment of premium, or a written waiver dated and signed by the applicant electing not to designate additional persons to receive notice. The applicant may designate at least 1 person who is to receive the notice of termination, in addition to the insured. A designation shall not constitute acceptance of any liability on the third party for services provided to the insured. The form used for the written designation shall provide space clearly designated for listing at least 1 person. The designation shall include each person's full name and home address. For an applicant who elects not to designate an additional person, the waiver shall state: "Protection against unintended lapse. I understand that I have the right to designate at least 1 person other than myself to receive notice of lapse or termination of this long-term care insurance policy for nonpayment of premium. I understand that notice will not be given until 30 days after a premium is due and unpaid. I elect NOT to designate a person to receive this notice." The insurer shall notify the insured of the right to change this written designation, no less often than once every 2 years.

(2) If the policyholder or certificateholder pays premium for a long-term care insurance policy or certificate through a payroll or pension deduction plan, subsection (1) does not apply until 60 days after the policyholder or certificateholder is no longer on such a payment plan. The application or enrollment form for such policies or certificates shall clearly indicate the payment plan selected by the applicant.

(3) An individual long-term care policy or certificate shall not lapse or be terminated for nonpayment of premium unless the insurer, at least 30 days before the effective date of the lapse or termination, has given notice to the insured and to those persons designated under subsection (1), at the address provided by the insured for purposes of receiving notice of lapse or termination. Notice shall be given by first-class United States mail, postage prepaid, and notice shall not be given until 30 days after a premium is due and unpaid. Notice shall be considered given 5 days after the date of mailing.

(4) A long-term care insurance policy or certificate shall provide for reinstatement of coverage if the insurer is provided proof that the policyholder or certificateholder was cognitively impaired or had a loss of functional capacity before the grace period contained in the policy expired. This option shall be available to the insured if requested within 5 months after termination and shall allow for the collection of past due premium, where appropriate. The standard of proof of cognitive impairment or loss of functional capacity shall not be more stringent than the benefit eligibility criteria on cognitive impairment or the loss of functional capacity contained in the policy and certificate.

(5) This section takes effect March 1, 2007 and applies to long-term care policies and certificates issued on or after March 1, 2007.

Sec. 3907. (1) Each individual long-term care policy shall contain a guaranteed renewable provision. An insurer shall not cancel or otherwise terminate a long-term care insurance policy on the grounds of the age or the deterioration of the mental or physical health of the insured.

(2) Each group long-term care certificate shall contain a conversion provision permitting an individual entitled to benefits under the group certificate to elect to convert from the group certificate to an individual long-term care policy with the option of receiving benefits substantially similar to the prior coverage. An individual shall be entitled to convert to the individual policy at all times except under the following circumstances:

(a) Termination of the individual's group coverage resulted from the individual's failure to make any required payment of premium when due.

(b) The terminating coverage is replaced by other group coverage effective on the day following the termination of the other group coverage.

(3) If existing coverage is converted to or replaced by a long-term care insurance policy with the same insurer, the long-term care insurance policy shall not contain a provision establishing a new limitation period except with respect to an increase in benefits voluntarily selected by the insured. The premium for the converted policy shall be calculated on the basis of the insured's age at inception of coverage under the group certificate.

(4) A long-term care insurance policy that provides coverage for care in an intermediate care facility or a skilled nursing facility shall also provide coverage for home care services that is a dollar amount equivalent to at least 1/2 of 1 year's coverage available for nursing home benefits under the policy at the time covered home health services are being received.

500.3909 Option to purchase inflation protection; summary of coverage; applicability of section.

Sec. 3909. (1) An insurer shall not offer a long-term care insurance policy unless the insurer also offers to the policyholder, in addition to any other inflation protection, the option to purchase a policy that provides for benefit levels to increase with benefit maximums or reasonable durations that are meaningful to account for reasonably anticipated increases in the costs of long-term care services covered by the policy. Insurers shall offer to each policyholder, at the time of purchase, the option to purchase a policy with an inflation protection feature no less favorable than 1 of the following:

(a) Increases benefit levels annually in a manner so that the increases are compounded annually at a rate not less than 5%.

(b) Guarantees the insured individual the right to periodically increase benefit levels without providing evidence of insurability or health status so long as the option for the previous period has not been declined. The amount of the additional benefit shall be not less than the difference between the existing policy benefit and that benefit compounded annually at a rate of at least 5% for the period beginning with the purchase of the existing benefit and extending until the year in which the offer is made.

(c) Covers a specified percentage of actual or reasonable charges and does not include a maximum specified indemnity amount or limit.

(2) If the policy is issued to a group, the required offer in subsection (1) shall be made to the group

policyholder. However, if the policy is issued to a group defined in section 3901(c)(*iv*) other than to a continuing care retirement community, the offering shall be made to each proposed certificate holder.

(3) Insurers shall include all of the following information in or with the summary of coverage:

(a) A graphic comparison of the benefit levels of a policy that increases benefits over the policy period with a policy that does not increase benefits. The graphic comparison shall show benefit levels over at least a 20-year period.

(b) Any expected premium increases or additional premiums to pay for automatic or optional benefit increases. If premium increases or additional premiums will be based on the attained age of the applicant at the time of the increase, the insurer shall also disclose the magnitude of the potential premiums the applicant would need to pay at ages 75 and 85 for benefit increases. An insurer may use a reasonable hypothetical, or a graphic demonstration, for the purposes of this disclosure.

(4) This section does not apply to life insurance products that accelerate the death benefit to provide long-term care benefits.

500.3910 Option of purchasing policy or certificate including nonforfeiture benefits; offer.

Sec. 3910. (1) This section does not apply to life insurance policies or riders containing accelerated benefits for long-term care.

(2) Except as provided in subsection (3), a long-term care insurance policy shall not be delivered or issued for delivery in this state unless the policyholder or certificateholder has been offered the option of purchasing a policy or certificate including a nonforfeiture benefit. An offer shall be in writing if the nonforfeiture benefit is not otherwise described in the outline of coverage or other materials given to the prospective policyholder or certificateholder. The offer of a nonforfeiture benefit may be in the form of a rider that is attached to the policy. If the policyholder or certificateholder declines the nonforfeiture benefit, the insurer shall provide a contingent benefit upon lapse that shall be available for a specified period of time following a substantial increase in premium rates.

(3) When a group long-term care insurance policy is issued, the offer required in subsection (2) shall be made to the group policyholder. However, if the policy is issued as group long-term care insurance as defined in section 3901(c)(*iv*), other than to a continuing care retirement community or other similar entity, the offering shall be made to each proposed certificateholder.

Sec. 3910a. (1) This section does not apply to life insurance policies or riders containing accelerated benefits for long-term care.

(2) A policy or certificate offered with nonforfeiture benefits shall have coverage elements, eligibility, benefit triggers, and benefit length that are the same as coverage to be issued without nonforfeiture benefits. The nonforfeiture benefit included in the offer shall be the benefits described in subsection (8).

(3) If the offer required to be made under section 3910 is rejected, the insurer shall provide a contingent benefit upon lapse as described in this section for individual and group policies without nonforfeiture benefits issued on and after June 1, 2007.

(4) If a group policyholder elects to make the nonforfeiture benefit an option to the certificateholder, a certificate shall provide either the nonforfeiture benefit or the contingent benefit upon lapse.

(5) Except as otherwise required, policyholders shall be notified not less than 45 days before the due date of a premium increase and of the amount of the increase.

(6) The contingent benefit on lapse is triggered every time an insurer increases the premium rates to a level that results in a cumulative increase of the annual premium equal to or exceeding the percentage of the insured's initial annual premium as follows based on the insured's issue age, and the policy or certificate lapses within 120 days of the due date of the premium so increased:

(7) On or before the effective date of a substantial premium increase as defined in subsection (6), the insurer shall do all of the following:

(a) Offer to reduce policy benefits provided by the current coverage without the requirement of additional underwriting so that required premium payments are not increased.

(b) Offer to convert the coverage to a paid-up status with a shortened benefit period as provided in subsection (8). This option may be elected at any time during the 120-day period under subsection (6).

(c) Notify the policyholder or certificateholder that a default or lapse at any time during the 120-day period under subsection (6) is considered to be the election of the offer to convert under subdivision (b).

(8) Benefits continued as nonforfeiture benefits, including contingent benefits upon lapse, are as follows:

(a) For purposes of this subsection, attained age rating is defined as a schedule of premiums starting from the issue date that increases age at least 1% per year prior to age 50 and at least 3% per year beyond age 50.

(b) For purposes of this subsection, the nonforfeiture benefit shall be of a shortened benefit period providing paid-up long-term care insurance coverage after lapse. The same benefits shall be payable for a qualifying claim, but the lifetime maximum dollars or days of benefits shall be determined as provided in subdivision (c). As used in this subdivision, "same benefits" means amounts and frequency in effect at the time of lapse but not increased thereafter.

(c) The standard nonforfeiture credit will be equal to 100% of the sum of all premiums paid, including the premiums paid prior to any changes in benefits. The insurer may offer additional shortened benefit period options, as long as the benefits for each duration equal or exceed the standard nonforfeiture credit for that duration. However, the minimum nonforfeiture credit shall not be less than 30 times the daily nursing home

benefit at the time of lapse. In either event, the calculation of the nonforfeiture credit is subject to the limitation of subsection (9).

(d) The nonforfeiture benefit shall begin not later than the end of the third year following the policy or certificate issue date. The contingent benefit upon lapse shall be effective during the first 3 years as well as thereafter. However, for a policy or certificate with attained age rating, the nonforfeiture benefit shall begin on the earlier of the end of the tenth year following the policy or certificate issue date or the end of the second year following the date the policy or certificate is no longer subject to attained age rating.

(e) Nonforfeiture credits may be used for all care and services qualifying for benefits under the terms of the policy or certificate, up to the limits specified in the policy or certificate.

(9) All benefits paid by the insurer while the policy or certificate is in premium paying status and in the paid-up status shall not exceed the maximum benefits that would be payable if the policy or certificate had remained in premium paying status.

(10) There shall be no difference in the minimum nonforfeiture benefits as required under this section for group and individual policies.

(11) This section is effective June 1, 2007 and shall apply as follows:

(a) Except as otherwise provided in subdivision (b), this section applies to any long-term care policy issued in this state on or after June 1, 2007.

(b) This section does not apply to certificates issued on or after June 1, 2007, under a group long-term care insurance policy as defined in section 3901(c)(*i*), which policy was in force at the time this section became effective.

(12) Premiums charged for a policy or certificate containing nonforfeiture benefits or a contingent benefit on lapse are subject to the loss ratio requirements of section 3926a treating the policy as a whole.

(13) To determine whether contingent nonforfeiture upon lapse provisions are triggered under subsection (6), a replacing insurer that purchased or otherwise assumed a block or blocks of long-term care insurance policies from another insurer shall calculate the percentage increase based on the initial annual premium paid by the insured when the policy was first purchased from the original insurer.

(14) For qualified long-term care insurance contracts that are level premium contracts, an insurer shall offer a nonforfeiture benefit that meets all of the following:

(a) Is appropriately captioned.

(b) Provides a benefit available in the event of a default in the payment of any premiums and states that the amount of the benefit may be adjusted subsequent to being initially granted only as necessary to reflect changes in claims, persistency, and interest as reflected in changes in rates for premium paying contracts approved by the commissioner for the same contract form.

(c) Provides at least 1 of the following:

(*i*) Reduced paid-up insurance.

(*ii*) Extended term insurance.

(*iii*) Shortened benefit period.

(*iv*) Other offerings approved by the commissioner that are similar to subparagraphs (*i*) to (*iii*).

500.3910b Reduction options; applicability of section to long-term care policies and certificates issued on or after June 1, 2007.

Sec. 3910b. (1) A long-term care insurance policy or certificate shall provide that a policyholder or certificateholder who wishes to reduce coverage and lower the policy or certificate premium may choose at least 1 of the following options:

(a) Reducing the lifetime maximum benefit.

(b) Reducing the daily, weekly, or monthly benefit amount.

(2) In addition to the reduction options listed in subsection (1), a long-term care insurer may offer additional reduction options that are consistent with the policy or certificate design or the insurer's administrative processes.

(3) A long-term care insurer shall include in the long-term care insurance policy or certificate a description of the ways in which coverage may be reduced and the process for requesting and implementing a reduction in coverage.

(4) The age to determine the premium for reduced coverage shall be based on the age used to determine the premiums for the coverage currently in force.

(5) A long-term care insurer may limit any reduction in coverage to plans available for that policy form and to those for which benefits will be available after consideration of claims paid or payable.

(6) If a long-term care insurance policy or certificate is about to lapse, the insurer shall provide written notice to the insured of the options in subsection (1) to lower the premium by reducing coverage and of the premiums applicable to the reduced coverage options. The insurer may include in the notice additional options to those required in subsection (1). The notice shall provide the insured at least 30 days in which to elect to reduce coverage, and the policy or certificate shall be reinstated without underwriting if the insured elects the reduced coverage.

(7) This section applies to long-term care policies and certificates issued on or after June 1, 2007.

500.3911 Preexisting condition; limitation period; definition.

Sec. 3911. (1) A preexisting condition limitation period in a long-term care insurance policy, other than a group long-term care certificate described in section 3901(c)(*i*), shall not exceed 1 of the following:

(a) Six months after the effective date of coverage.

(b) A period of time set by the commissioner if the commissioner has found that a longer limitation period than provided for in subdivision (a) is justified because the group is specially limited by age, group categories, or other specific policy provisions and that the longer limitation period will be in the best interest of the public.

(2) A long-term care insurance policy, other than a group long-term care certificate described in section 3901(c)(*i*) , shall not use a definition of preexisting condition that is more restrictive than the definition in section 3901.

(3) The definition of preexisting condition does not prohibit an insurer from using an application form designed to elicit the complete health history of an applicant and, on the basis of the answers on that application, underwrite in accordance with that insurer's established underwriting standards.

(4) Unless otherwise provided in the policy, a preexisting condition, regardless of whether it is disclosed on the application, need not be covered until after the limitation period. A long-term care insurance policy shall not exclude or use waivers or riders of any kind to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting conditions beyond the limitation period.

(3) If any medications listed in an application were known by the insurer or should have been known at the time of application to be directly related to a medical condition for which coverage would otherwise be denied, then the policy shall not be rescinded for that condition.

(4) Except for policies that are guaranteed issue, all of the following apply:

(a) The following language shall be set out conspicuously and in close conjunction with the applicant's signature block on an application for a long-term care insurance policy:

"Caution: If your answers on this application are incorrect or untrue, [company] has the right to deny benefits or rescind your policy."

Sec. 3925. (1) Except as provided in subsection (2), this section applies to any long-term care policy or certificate issued in this state on or after June 1, 2007.

(2) For a long-term care certificate issued on or after June 1, 2007 under a group long-term care insurance policy described in section 3901(c)(*i*), which policy was in force on June 1, 2007, this section applies on the policy anniversary date following June 1, 2007.

(3) Other than long-term care policies or certificates for which no applicable premium rate or rate schedule increases can be made, an insurer shall provide on forms approved by the commissioner all of the following information to the applicant at the time of application or enrollment or, if the method of application does not allow for delivery at that time, an insurer shall provide on forms approved by the commissioner all of the following information to the applicant no later than at the time of delivery of the policy or certificate:

(a) A statement that the policy may be subject to rate increases in the future.

(b) An explanation of potential future premium rate revisions, and the policyholder's or certificateholder's option in the event of a premium rate revision.

(c) The premium rate or rate schedules applicable to the applicant that will be in effect until a request is made for an increase.

(d) A general explanation for applying premium rate or rate schedule adjustments that shall include a description of when premium rate or rate schedule adjustments will be effective and the right to a revised premium rate or rate schedule if the premium rate or rate schedule is changed.

(e) Information concerning each premium rate increase on the policy or certificate or similar policies or certificates over the past 10 years for this state or any other state that, at a minimum, identifies all of the following:

(*i*) The policies or certificates for which premium rates have been increased.

(*ii*) The calendar years when the policy or certificate was available for purchase.

(*iii*) The amount or percent of each increase. The percentage may be expressed as a percentage of the premium rate prior to the increase and may also be expressed as minimum and maximum percentages if the

rate increase is variable by rating characteristics. An insurer may exclude from this disclosure premium rate increases that only apply to blocks of business acquired from another nonaffiliated insurer or the long-term care policies or certificates acquired from another nonaffiliated insurer when those increases occurred prior to the acquisition. If an acquiring insurer files for a rate increase on a long-term care policy or certificate acquired from a nonaffiliated insurer or a block of policies or certificates acquired from a nonaffiliated insurer before the later of June 1, 2007 or the end of a 24-month period following the acquisition of the block of policies or certificates, the acquiring insurer may exclude that rate increase from this disclosure. However, the nonaffiliated selling company shall include the disclosure of that rate increase as provided in subparagraph (*i*). If the acquiring insurer files for a subsequent rate increase, even within the 24-month period, on the same policy or certificate acquired from a nonaffiliated insurer or block of policies or certificates acquired from a nonaffiliated insurer, the acquiring insurer shall make all disclosures required by this subdivision, including disclosure of the earlier rate increase.

(4) The insurer may, in a fair manner, provide explanatory information related to the rate increases in addition to that required under subsection (3).

(5) Except as otherwise provided in this subsection, an applicant shall sign an acknowledgment at the time of application that the insurer made the disclosure required under subsection (3). If due to the method of application the applicant cannot sign an acknowledgment at the time of application, the applicant shall sign an acknowledgment that the insurer made the disclosure required under subsection (3) no later than at the time of delivery of the policy or certificate.

(6) An insurer shall provide notice of an upcoming premium rate schedule increase to all policyholders or certificateholders, if applicable, at least 45 days prior to the implementation of the premium rate schedule increase by the insurer. The notice shall include the information required by subsection (3) when the rate increase is implemented.

(7) A long-term care insurer shall provide to an applicant a long-term care insurance personal worksheet approved by the commissioner that the applicant can use for help in determining whether long-term care insurance should be purchased.

(8) A long-term care insurer shall provide to an applicant who is 60 years of age or older or who is disabled a current brochure, or the web address where the brochure can be obtained and the telephone number for the agency that can provide the brochure, from the state's medicare medicaid assistance program that contains information on the availability of free and independent insurance purchasing and public benefits counseling.

Sec. 3926. (1) This section applies to any long-term care policy or certificate issued in this state on or after June 1, 2007.

(2) An insurer shall provide all of the following information to the commissioner 30 days prior to making a long-term care insurance policy or certificate available for sale:

(a) A copy of the disclosure documents required in section 3925.

(b) An actuarial certification consisting of at least all of the following:

(*i*) A statement that the initial premium rate schedule is sufficient to cover anticipated costs under moderately adverse experience and that the premium rate schedule is reasonably expected to be sustainable over the life of the policy or certificate with no future premium increases anticipated.

(*ii*) A statement that the policy or certificate design and coverage provided have been reviewed and taken into consideration.

(*iii*) A statement that the underwriting and claims adjudication processes have been reviewed and taken into consideration.

(*iv*) A complete description of the basis for contract reserves that are anticipated to be held under the policy or certificate, with sufficient detail or sample calculations provided so as to have a complete depiction of the reserve amounts to be held, a statement that the assumptions used for reserves contain reasonable margins for adverse experience, a statement that the net valuation premium for renewal years does not increase except for attained-age rating where permitted, and a statement that the difference between the gross premium and the net valuation premium for renewal years is sufficient to cover expected renewal expenses or if such a

statement cannot be made, a complete description of the situations where this does not occur. An aggregate distribution of anticipated issues may be used as long as the underlying gross premiums maintain a reasonably consistent relationship. If the gross premiums for certain age groups appear to be inconsistent with this requirement, the commissioner may request a demonstration under subsection (3) based on a standard age distribution.

(*v*) A statement that the premium rate schedule is not less than the premium rate schedule for existing similar policies or certificates also available from the insurer except for reasonable differences attributable to benefits or a comparison of the premium schedules for similar policies or certificates that are currently available from the insurer with an explanation of the differences.

(3) Prior to the expiration of the 30 days under subsection (2), the commissioner may request an actuarial demonstration that benefits are reasonable in relation to premiums. The actuarial demonstration shall include either premium and claim experience on similar policies or certificates, adjusted for any premium or benefit differences, or relevant and credible data from other studies, or both. If the commissioner asks for this additional information, the 30-day time period under subsection (2) is tolled until the commissioner receives the requested information.

Sec. 3926a. (1) Except as provided in subsection (2), this section applies to any long-term care policy or certificate issued in this state on or after June 1, 2007.

(2) For certificates issued on or after June 1, 2007 under a group long-term care insurance policy described in section 3901(c)(*i*), which policy was in force on June 1, 2007, this section applies on the policy anniversary date following June 1, 2007.

(3) An insurer shall provide notice of a pending premium rate schedule increase, including an exceptional increase, to the commissioner at least 30 days prior to the notice to the policyholders. This notice to the commissioner shall include all of the following:

(a) Information required by section 3925.

(b) Certification by a qualified actuary that if the requested premium rate schedule increase is implemented and the underlying assumptions, which reflect moderately adverse conditions, are realized, no further premium rate schedule increases are anticipated and that the premium rate filing is in compliance with the provisions of this section.

(c) An actuarial memorandum justifying the rate schedule change request that includes all of the following:

(*i*) Lifetime projections of earned premiums and incurred claims based on the filed premium rate schedule increase and the method and assumptions used in determining the projected values, including reflection of any assumptions that deviate from those used for pricing other policies or certificates currently available for sale. Annual values for the 5 years preceding and the 3 years following the valuation date shall be provided separately. The projections shall include the development of the lifetime loss ratio, unless the rate increase is an exceptional increase. The projections shall demonstrate compliance with subsection (4). For exceptional increases, the projected experience shall be limited to the increases in claims expenses attributable to the approved reasons for the exceptional increase and if the commissioner determines that offsets may exist, the insurer shall use appropriate net projected experience.

(*ii*) If the rate increase will trigger contingent benefit upon lapse, disclosure of how reserves have been incorporated in this rate increase.

(*iii*) Disclosure of the analysis performed to determine why a rate adjustment is necessary, which pricing assumptions were not realized and why, and what other actions taken by the insurer have been relied on by the actuary.

(*iv*) A statement that policy design, underwriting, and claims adjudication practices have been taken into consideration.

(*v*) If it is necessary to maintain consistent premium rates for new certificates and certificates receiving a rate increase, the insurer will need to file composite rates reflecting projections of new certificates.

(d) A statement that renewal premium rate schedules are not greater than new business premium rate schedules except for differences attributable to benefits, unless sufficient justification is provided to the

commissioner.

(e) Sufficient information for review and approval of the premium rate schedule increase by the commissioner.

(4) All premium rate schedule increases shall be determined in accordance with the following requirements:

(a) Exceptional increases shall provide that 70% of the present value of projected additional premiums from the exceptional increase will be returned to policyholders in benefits.

(b) Premium rate schedule increases shall be calculated such that the sum of the accumulated value of incurred claims, without the inclusion of active life reserves, and the present value of future projected incurred claims, without the inclusion of active life reserves, will not be less than the sum of the following:

(*i*) The accumulated value of the initial earned premium times 58%.

(*ii*) Eighty-five percent of the accumulated value of prior premium rate schedule increases on an earned basis.

(*iii*) The present value of future projected initial earned premiums times 58%.

(*iv*) Eighty-five percent of the present value of future projected premiums not in subparagraph (*iii*) on an earned basis.

(c) If a policy or certificate has both exceptional and other increases, the values in subdivision (b)(*ii*) and (*iv*) shall also include 70% for exceptional rate increase amounts.

(d) All present and accumulated values used to determine rate increases shall use the maximum valuation interest rate for contract reserves as specified in section 733(1). The actuary shall disclose as part of the actuarial memorandum the use of any appropriate averages.

(5) For each rate increase that is implemented, the insurer shall file for review and approval by the commissioner updated projections, as described in subsection (3)(c)(*i*), annually for the next 3 years and include a comparison of actual results to projected values. The commissioner may extend the period to greater than 3 years if actual results are not consistent with projected values from prior projections. For group insurance certificates that meet the conditions in subsection (13), the projection required by this subsection shall be provided to the policyholder in lieu of filing with the commissioner.

(6) If any premium rate in the revised premium rate schedule is greater than 200% of the comparable rate in the initial premium schedule, lifetime projections, as described in subsection (3)(c)(*i*), shall be filed for review and approval by the commissioner every 5 years following the end of the required period in subsection (5). For group insurance certificates that meet the conditions in subsection (13), the projections required by this subsection shall be provided to the policyholder in lieu of filing with the commissioner.

(7) If the commissioner has determined that the actual experience following a rate increase does not adequately match the projected experience and that the current projections under moderately adverse conditions demonstrate that incurred claims will not exceed proportions of premiums specified in subsection (4), the commissioner may require the insurer to implement premium rate schedule adjustments or other measures to reduce the difference between the projected and actual experience. In determining whether the actual experience adequately matches the projected experience, consideration should be given to subsection (3)(c)(*iii*), if applicable.

(8) If the majority of the policies or certificates to which an increase is applicable are eligible for the contingent benefit upon lapse, the insurer shall file both of the following with the commissioner:

(a) A plan, subject to commissioner approval, for improved administration or claims processing designed to eliminate the potential for further deterioration of the policy or certificate requiring further premium rate schedule increases, or both, or to demonstrate that appropriate administration and claims processing have been implemented or are in effect.

(b) The original anticipated lifetime loss ratio, and the premium rate schedule increase that would have been calculated according to subsection (4) had the greater of the original anticipated lifetime loss ratio or 58% been used in the calculations described in subsection (4)(b)(*i*) and (*iii*).

(9) The commissioner shall review, for all policies and certificates included in a filing, the projected lapse rates and past lapse rates during the 12 months following each increase to determine if significant adverse lapsation has occurred or is anticipated for any rate increase filing meeting the following criteria:

(a) The rate increase is not the first rate increase requested for the specific policy or certificate.

(b) The rate increase is not an exceptional increase.

(c) The majority of the policies or certificates to which the increase is applicable are eligible for the contingent benefit upon lapse.

(10) If significant adverse lapsation has occurred, is anticipated in the filing, or is evidenced in the actual results as presented in the updated projections provided by the insurer following the requested rate increase, the commissioner may determine that a rate spiral exists. Following the determination that a rate spiral exists,

the commissioner may require the insurer to offer, without underwriting, to all in force insureds subject to the rate increase the option to replace existing coverage with 1 or more reasonably comparable products being offered by the insurer or its affiliates. An offer under this subsection is subject to the commissioner's approval, shall be based on actuarially sound principles, but shall not be based on attained age, and shall provide that maximum benefits under any new policy or certificate accepted by an insured shall be reduced by comparable benefits already paid under the existing policy or certificate. The insurer shall maintain the experience of all the replacement insureds separate from the experience of insureds originally issued the policy or certificate. If a rate increase is requested on the policy or certificate, the rate increase shall be limited to the lesser of the maximum rate increase determined based on the combined experience and the maximum rate increase determined based only on the experience of the insureds originally issued the policy or certificate plus 10%.

(11) If the commissioner determines that an insurer has exhibited a persistent practice of filing inadequate initial premium rates for long-term care insurance, the commissioner, in addition to the provisions of subsections (9) and (10), may prohibit the insurer from either of the following:

(a) Filing and marketing comparable coverage for a period of up to 5 years.

(b) Offering all other similar coverages and limiting marketing of new applications to the products subject to recent premium rate schedule increases.

(12) Subsections (1) to (11) do not apply to policies or certificates for which the long-term care benefits provided by the policy or certificate are incidental, if the policy or certificate complies with all of the following:

(a) For any plan that may have a cash value, the interest credited internally to determine cash value accumulations, including long-term care, if any, are guaranteed not to be less than the minimum guaranteed interest rate for cash value accumulations without long-term care set forth in the policy or certificate.

(b) The portion of the policy or certificate that provides insurance benefits other than long-term care coverage meets the nonforfeiture requirements as applicable in section 4060 or 4072.

(c) The policy or certificate meets sections 3928, 3933, 3951, and 3953.

(d) The portion of the policy or certificate that provides insurance benefits other than long-term care coverage meets, as applicable, the policy illustrations and disclosure requirements under section 4038.

(e) An actuarial memorandum is filed with the office of financial and insurance services that includes all of the following:

(*i*) A description of the basis on which the long-term care rates were determined.

(*ii*) A description of the basis for the reserves.

(*iii*) A summary of the type of policy, benefits, renewability, general marketing method, and limits on ages of issuance.

(*iv*) A description and a table of each actuarial assumption used. For expenses, an insurer shall include percent of premium dollars per policy or certificate and dollars per unit of benefits, if any.

(*v*) A description and a table of the anticipated policy or certificate reserves and additional reserves to be held in each future year for active lives.

(*vi*) The estimated average annual premium per policy or certificate and the average issue age.

(*vii*) A statement as to whether underwriting is performed at the time of application. The statement shall indicate whether underwriting is used and, if used, shall include a description of the type or types of underwriting used, such as medical underwriting or functional assessment underwriting. For a group certificate, the statement shall indicate whether the enrollee or any dependent will be underwritten and when underwriting occurs.

(*viii*) A description of the effect of the long-term care policy or certificate provision on the required premiums, nonforfeiture values, and reserves on the underlying insurance policy or certificate, both for active lives and those in long-term care claim status.

(13) Subsections (7), (8), and (9) do not apply to a group insurance policy described in section 3901(c)(*i*) if the policy insures 250 or more persons and the policyholder has 5,000 or more eligible employees of a single employer or the policyholder, and not the certificate holders, pays a material portion of the premium, which shall not be less than 20% of the total premium for the group in the calendar year prior to the year a rate increase is filed.

(14) Except as otherwise provided in this section, exceptional increases are subject to the same requirements as other premium rate schedule increases. The commissioner may request a review by an independent qualified actuary or a professional qualified actuarial body of the basis for a request that an increase be considered an exceptional increase. The commissioner, in determining that the necessary basis for an exceptional increase exists, shall also determine any potential offsets to higher claims costs.

(15) As used in this section:

(a) "Exceptional increase" means only those increases filed by an insurer as exceptional for which the commissioner determines the need for the premium rate increase is justified due to changes in laws or regulations applicable to long-term care coverage in this state or due to increased and unexpected utilization that affects the majority of insurers of similar products.

(b) "Incidental" means that the value of the long-term care benefits provided is less than 10% of the total value of the benefits provided over the life of the policy or certificate as measured on the date of issue.

(c) "Qualified actuary" means a member in good standing of the American academy of actuaries.

(d) "Similar policies" means all of the long-term care insurance policies and certificates issued by an insurer in the same long-term care benefit classification as the policy or certificate being considered. Certificates of groups described in section 3901(c)(*i*) are not considered similar to policies or certificates otherwise issued as long-term care insurance, but are similar to other comparable certificates with the same long-term care benefit classifications. For purposes of determining similar policies, long-term care benefit classifications are defined as follows: institutional long-term care benefits only, noninstitutional long-term care benefits only, or comprehensive long-term care benefits.

500.3928 Fixed indivisible premium life insurance policy funding long-term care benefits by accelerating death benefit; reasonableness of benefits relative to premiums; provisions.

Sec. 3928. A fixed indivisible premium life insurance policy that funds long-term care benefits entirely by accelerating the death benefit is considered to provide reasonable benefits in relation to premiums provided that the policy complies with all of the following provisions:

(a) Premiums required to be paid are fixed and guaranteed for the life of the policy.

(b) The guaranteed cash surrender value is stated in the policy.

(c) The death benefit and long-term care benefits are guaranteed for the life of the policy, and the policy contains the schedule of the guarantees.

(d) The risk charges for mortality and morbidity benefits and any other charges made internally to determine cash value accumulations, if any, are guaranteed not to exceed the maximum charges set forth in the policy.

(e) The interest credited internally to determine cash value accumulations, if any, are guaranteed not to be less than the minimum interest rate set forth in the policy.

(f) The benefits cannot be terminated by the insurer except for nonpayment of premium.

(h) At the time of issue, the policy is accompanied by an illustration that clearly discloses the year-by-year progression of cash values and face amount.

(i) The policy provides that the policy owner is supplied annually with a report showing the current cash value, death benefit, and long-term care benefits, and shows the calculation of the change in the cash value from the previous report by the addition of interest and premium payments, if any, and the deduction of the risk charges and any other charges.

500.3930 Acceleration of benefits under group or individual life policies or riders; determination of policy reserves.

Sec. 3930. (1) If long-term care benefits are provided through the acceleration of benefits under group or individual life policies or riders to those policies, policy reserves for the benefits must be determined in accordance with section 834(1)(g). Claim reserves must also be established if the policy or rider is in claim status.

(2) Reserves for policies and riders subject to subsection (1) must be based on the multiple decrement model utilizing all relevant decrements except for voluntary termination rates. Single decrement approximations may be used if the calculation produces essentially similar reserves, if the reserve is clearly more conservative, or if the reserve is immaterial. The calculations may take into account the reduction in life insurance benefits due to the payment of long-term care benefits. However, the reserves for the long-term care benefit and the life insurance benefit must not be less than the reserves for the life insurance benefit assuming no long-term care benefit.

(3) In the development and calculation of reserves for policies and riders subject to subsection (1), due regard must be given to the applicable policy provisions, marketing methods, administrative procedures, and all other considerations that have an impact on projected claim costs, including, but not limited to, all of the following:

(a) Definition of insured events.

(b) Covered long-term care facilities.

(c) Existence of home convalescence care coverage.

(d) Definition of facilities.

(e) Existence or absence of barriers to eligibility.

(f) Premium waiver provision.

(g) Renewability.

(q) Delay in eligibility for benefit.

(r) Inflation protection provisions.

(s) Guaranteed insurability option.

(4) Any applicable valuation morbidity table must be certified as appropriate as a statutory valuation table by a member of the American academy of actuaries.

Sec. 3933. An insurer that offers long-term care insurance shall provide to a prospective applicant before application and upon request before renewal a summary of coverage and shall obtain an acknowledgment of receipt of the summary on the application form or renewal form by obtaining the applicant's signature. An insurer using direct sales response shall provide the summary of coverage to an applicant in conjunction with the initial application and upon request before renewal. The summary of coverage shall be a free-standing document, using no smaller than 10-point type, and shall not contain advertising material. The summary of coverage shall be in substantially the following form:

(COMPANY NAME)
(ADDRESS: CITY AND STATE)
(TELEPHONE)
LONG-TERM CARE POLICY SUMMARY OF COVERAGE

[Policy number or group master policy and certificate number] Caution: The issuance of this long-term care insurance policy is based upon your responses to the questions on your application. A copy of your [application] [enrollment form] [is enclosed] [was retained by you when you applied]. If your answers are incorrect or untrue, the company has the right to deny benefits or rescind your policy. The best time to clear up any questions is now, before a claim arises. If, for any reason, any of your answers are incorrect, contact the company at this address: [insert address]

1. This policy is [use 1 of the following:] an individual policy of insurance; a group certificate that was issued in the [indicate jurisdiction in which group certificate was issued].

2. Purpose of the summary of coverage. This summary of coverage provides a very brief description of the important features of the policy. You should compare this summary of coverage to summaries of coverage for other policies available to you. This is not an insurance contract, but only a summary of coverage. Only the policy contains governing contractual provisions. This means that the policy sets forth in detail the rights and obligations of both you and the insurance company. Therefore, if you purchase this coverage, or any other coverage, it is important that you read your policy carefully.

3. The following are terms under which the policy may be returned and premium refunded:

(a) Your new policy provides 30 days within which you may decide, without cost, whether you desire to keep the policy.

(b) [Include a statement that the policy either does or does not contain provisions providing for a refund or partial refund of premium upon the death of an insured or surrender of the policy. If the policy contains these provisions, include a description of them.]

4. This is not medicare supplemental coverage. If you are eligible for medicare, review the medicare supplemental buyer's guide available from the insurance company. [For agents] neither [insert company name] nor its agents represent medicare, the federal government, or any state government. [For direct response] [insert company name] is not representing medicare, the federal government, or any state government.

5. Long-term care coverage. Policies of this category are designed to provide coverage for 1 or more necessary or medically necessary diagnostic, preventive, therapeutic, rehabilitative, maintenance, or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home. This policy provides coverage in the form of a fixed dollar indemnity benefit for covered long-term care expenses, subject to policy [limitations] [waiting periods] and [coinsurance] requirements. [Modify this paragraph if the policy is not an indemnity policy.]

6. Benefits provided by this policy are the following:

Category	Definition	Company Benefits
Skilled nursing care	Requires daily attendance, monitoring, evaluation and/or observation by licensed health personnel in a licensed skilled nursing care facility	$___ per day

Guaranteed renewal	As long as you pay your premiums on time, the company will continue to insure you.	
Waiver of premium	Are there circumstances under which you receive coverage, but do not have to pay the premium?	___Yes ___No

7. This policy may not cover all the expenses associated with your long-term care needs. [Provide a brief specific description of any policy provisions that limit, exclude, restrict, reduce, delay, or in any other manner operate to qualify payment of the benefits.]

8. Relationship of cost of care and benefits. Because the costs of long-term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted. [As applicable, indicate the following:

(a) That the benefit level will not increase over time.

(b) Any automatic benefit adjustment provisions.

(c) Whether the insured will be guaranteed the option to buy additional benefits and the basis upon which benefits will be increased over time if not by a specified amount or percentage.

(d) If there is such a guarantee, include whether additional underwriting or health screening will be required, the frequency and amounts of the upgrade options, and any significant restrictions or limitations.

11. Premium.

[(a) State the total annual premium for the policy.

(b) If the premium varies with an applicant's choice among benefit options, indicate the portion of annual premium that corresponds to each benefit option.]

500.3939 Application; questions relating to other policies in force or use as replacement; agent's list of other policies sold; notice to applicant and existing insurer; appropriateness of recommended purchase or replacement.

Sec. 3939. (1) Application forms shall include the following questions designed to elicit information as to whether, as of the date of the application, the applicant has another long-term care insurance policy or certificate in force or whether a long-term care policy or certificate is intended to replace any other accident and sickness or long-term care policy or certificate presently in force:

(a) Do you have another long-term care insurance policy or certificate in force?

(b) Do you have other long-term care coverage through a health care corporation or a health maintenance organization?

(c) Did you have another long-term care insurance policy or certificate in force during the last 12 months?

(3) With regard to a replacement policy issued to a group under section 3904(c)(*iv*), the questions in subsection (1) may be modified but only to the extent necessary to elicit information about health or long-term care insurance policies other than the group certificate being replaced and provided that the certificate holder has been notified of the replacement.

(5) Upon determining that a sale will involve replacement, an insurer, other than an insurer using direct response solicitation methods, or its agent, shall furnish the applicant, prior to issuance or delivery of the individual long-term care insurance policy, a notice regarding replacement of accident and sickness or long-term care coverage. One copy of such notice shall be retained by the applicant and an additional copy signed by the applicant shall be retained by the insurer. The required notice shall be provided in the following manner:

"Notice to applicant regarding replacement of individual accident and sickness or long-term care insurance

[Insurance company's name and address]

Save this notice! It may be important to you in the future. According to [your application] [information you have furnished], you intend to lapse or otherwise terminate existing accident and sickness or long-term care insurance and replace it with an individual long-term care insurance policy to be issued by [company name] insurance company. Your new policy provides 30 days within which you may decide, without cost, whether you desire to keep the policy. For your own information and protection, you should be aware of and seriously consider certain factors that may affect the insurance protection available to you under the new policy.

You should review this new coverage carefully, comparing it with all accident and sickness or long-term care insurance coverage you now have, and terminate your present policy only if, after due consideration, you find that purchase of this long-term care coverage is a wise decision. Statement to applicant by agent [broker or other representative]: (Use additional sheets, as necessary.)

I have reviewed your current medical or health insurance coverage. I believe the replacement of insurance involved in this transaction materially improves your position. My conclusion has taken into account the following considerations, which I call to your attention:

1. Health conditions that you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay in payment of benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate cannot contain new preexisting conditions or probationary periods. The insurer will waive any time periods applicable to preexisting conditions or probationary periods in the new policy for similar benefits to the extent such time was spent under the original policy.
3. If you are replacing existing long-term care insurance coverage, you may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
4. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

(c) Furnish to the policyholder the information provided in subsections (2) and (4).

(6) A policy shall not terminate in a policy year as the sole result of change in the interest rate during that policy year, and the insurer shall maintain coverage during that policy year until the time at which the policy would otherwise have terminated if there had not been a change during that policy year.

(7) This section shall not apply to any insurance or annuity contract issued before the effective date of this section unless the policyholder agrees in writing to the applicability of this section. Prior to the receipt of any policyholder's written agreement as to the applicability of this section, each insurer shall furnish to the policyholder written notice identifying all the changes in terms and conditions of the policy including information in subsections (2), (3), and (4). This written notice shall identify the benefits which may insure to the policyholder as a result of the applicability of this section.

500.4037 Universal life insurance policy; provisions required.

Sec. 4037. Each universal life insurance policy shall contain all of the following provisions:

(a) That the insurer will send to the policyholder without charge at least annually a report advising the policyholder as to the policy status. The end of the current report period shall be not more than 3 months prior to the date of the mailing of the report. The report shall include all of the following:

(*i*) The beginning and end of the current report period.

(*ii*) The policy value at the end of the previous report period and at the end of the current report period.

(*iii*) The total of all amounts, identifying each by type such as interest, mortality, expense, and riders, that have been credited or debited to the policy value during the current report period.

(*v*) The net cash surrender value of the policy as of the end of the current report period.

(*vi*) The amount of outstanding loans, if any, as of the end of the current report period.

(*vii*) For fixed premium universal life insurance policies, if, assuming guaranteed interest, mortality, and expense loads and continued scheduled premium payments, the policy's net cash surrender value is such that it would not maintain insurance in force until the end of the next reporting period, a notice to this effect.

(*viii*) For flexible premium universal life insurance policies, if, assuming guaranteed interest, mortality, and expense loads, the policy's net cash surrender value will not maintain insurance in force until the end of the next reporting period unless further premium payments are made, a notice to this effect.

(b) An illustrative report that will be sent to the policyowner upon request. This report shall contain the same minimum requirements as those set forth in the universal life disclosure requirements in section 4038.

(c) Guarantees of minimum interest credits and maximum mortality and expense charges, all values and data shown in the policy are based on guarantees, figures based on nonguarantees are not included in the

(d) At least a general description of the calculation of cash surrender values including all of the following information:

500.4038 "Policy cost factors" defined; initial disclosure; statement of policy information; delivery; extension of free-look period; furnishing statement at time of policy delivery.

Sec. 4038. (1) As used in this section, "policy cost factors" means those amounts that affect the price per thousand of life insurance coverage or other benefits. They include interest, mortality, expense charges, and fees, including any surrender or withdrawal charges, but not persistency assumptions.

(2) Unless a statement of policy information is provided pursuant to subsection (3), for initial disclosure in connection with any advertising, solicitation, or negotiation of a universal life insurance policy all of the following are required:

(a) Any statement of policy cost factors or benefits shall contain all of the following:

(*i*) The corresponding guaranteed policy cost factors or benefits, clearly identified.

(*ii*) A statement explaining the nonguaranteed nature of any current interest rates, charges, or other fees applied to the policy, including the insurer's rights to alter any of these factors.

(*iii*) Any limitation on the crediting of interest, including identification of those portions of the policy to which a specified interest rate shall be credited.

(b) Any illustration of the policy value shall be accompanied by the corresponding net cash surrender value.

(c) Any statement regarding the crediting of a specific current interest rate shall also contain the frequency and timing by which that rate is determined.

(d) If any statement refers to the policy being interest-indexed, the index shall be described. In addition, a description shall be given of the frequency and timing of determining the interest rate and of any adjustments made to the index in arriving at the interest rate credited under the policy.

(e) Any illustrated benefits based upon nonguaranteed interest, mortality, or expense factors shall be accompanied by a statement indicating that these benefits are not guaranteed.

(f) If the guaranteed cost factors or initial policy cost factor assumptions would result in policy values becoming exhausted before the policy's maturity date, that fact shall be disclosed, including notice that coverage will terminate under those circumstances.

(3) At the time the agent takes an application for a policy, except as provided in subsection (4), the agent shall furnish to the applicant a statement of policy information for the applicant in a format approved by the commissioner. The illustration of policy premium, death benefit, and cash value shall be shown for an interest rate no higher than the current interest rate actually being paid on the policy illustrated or to be issued and for the interest rate guaranteed in the policy. Interest rates higher than these shall not be illustrated. The commissioner shall issue guidelines for the statement of policy information.

(4) If the policy information for the applicant is not furnished at the time of application, it shall be

delivered within 15 working days after the application is taken, but at least 5 days before delivery of the policy.

(5) If the policy is delivered sooner than 5 days after the policy information for the applicant, the free-look period shall be extended to 15 days. If the statement of policy information for applicant is not delivered at the time of application, the disclosure shall be accompanied by a statement that it is delivered for the express purpose of allowing comparison with other policies.

(6) For direct response solicitation methods, the statement of policy information for the applicant in compliance with the guidelines may be furnished at the time of delivery of the policy, if the purchaser is given an unconditional refund provision of at least 10 days.

No such supplemental contract shall be issued or delivered to any person in this state unless and until a copy of the form thereof has been submitted to and approved by the commissioner, under such reasonable rules and regulations as he shall make concerning the provisions in such contracts and their submission to and approval by him.

(1) A provision for the forfeiture of the policy for failure to repay any loan on the policy or to pay interest on such loan while the total indebtedness on the policy is less than the loan value thereof; or any provision for forfeiture for failure to repay any such loan or to pay interest thereon, unless such provision contains a stipulation that no such forfeiture shall occur until at least 1 month after notice shall have been mailed by the insurer to the last known address of the insured and of the assignee, if any; or a provision contemplating any proposed benefit not essentially a part of the insurance contract or any connection of the insured with the insurer other than that of policyholder;

(2) A provision limiting the time within which any action at law or in equity may be commenced to less than 6 years after the cause of action shall accrue;

(3) A provision by which the policy shall purport to be issued or to take effect as of a date more than 6 months before the application therefor was made, if thereby the premium on such policy or contract is reduced below the premium which would be payable thereon as determined by the nearest birthday of the insured at the time when such application was made. Nothing contained in this subdivision shall invalidate

any contract made in violation of this subdivision. This subdivision shall not be construed to prohibit the exchange, alteration or conversion of policies of life insurance or annuity contracts as of the original date of such policies or contracts if the amount of insurance provided under the new policy does not exceed the amount of insurance under the original policy or the amount of insurance which the premium paid for the original policy or contract would have purchased if the new policy had been originally applied for, whichever is greater; nor to prohibit the exercise of any conversion privilege contained in any policy or contract;

If the premium charged for term insurance under a limited payment life preliminary term policy providing for the payment of all premiums thereon in less than 20 years from the date of the policy, or under an endowment preliminary term policy, exceeds that charged for life insurance under 20 pay life preliminary term policies of the same insurer at the same age, the reserve thereon at the end of any year, including the first, shall not be less than the reserve on a 20 pay life preliminary term policy issued in the same year and at the same age, together with an amount which shall be equivalent to the accumulation of a net level premium sufficient to provide for a pure endowment at the end of the premium payment period equal to the difference between the value at the end of such period for such 20 pay life preliminary term policy and the full reserve at such time of such a limited payment life or endowment policy: Provided, That this section

shall apply to all policies issued subsequent to January 1, 1930, and prior to the operative date of section 4060 (standard nonforfeiture law).

500.4058 Nonforfeiture benefits on old policies.

Sec. 4058. This section shall apply only to policies of life insurance other than industrial life insurance issued prior to the operative date of section 4060 (the standard nonforfeiture law).

The nonforfeiture benefit referred to in section 4024 shall be available to the owner of the policy in event of default in premium payments, after premiums shall have been paid for 3 years and shall be a stipulated form of insurance, the net value of which shall be at least equal to the reserve at the date of default on the policy and on any dividend additions thereto, specifying the mortality table and rate of interest adopted for computing such reserves, less a sum not more than 2 1/2% of the amount insured by the policy and of any existing dividend additions thereto, and less any existing indebtedness to the insurer on the policy. Such provision shall stipulate that the policy may be surrendered to the insurer at its home office within 1 month from date of default for a specified cash value at least equal to the sum which would otherwise be available for the purchase of insurance as aforesaid and may stipulate that the insurer may defer payment for not more than 6 months after the application therefor is made. This section shall not be applicable to term insurances of 20 years or less.

500.4060 Standard nonforfeiture law for life insurance.

Sec. 4060. (1) This section shall be known as the standard nonforfeiture law for life insurance and applies to life insurance contracts except as otherwise provided in section 4061 for universal life insurance contracts.

(2) Subject to subdivisions (g) and (h), for policies issued on and after the operative date of this section, as defined in subsection (10), a policy of life insurance, except as provided in subsection (9), may not be delivered or issued for delivery in this state unless it contains in substance all of the following provisions, or corresponding provisions that in the opinion of the director are at least as favorable to the defaulting or surrendering policyholder as are the minimum requirements specified in this subsection and are essentially in compliance with subsection (8):

(a) If there is a default in a premium payment, the company will grant, on proper request not later than 60 days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effective as of that due date, of an amount as specified in this section. Instead of the stipulated paid-up nonforfeiture benefit, the company may substitute, on proper request not later than 60 days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit that provides a greater amount or longer period of death benefits or, if applicable, a greater amount or earlier payment of endowment benefits.

(b) On surrender of the policy within 60 days after the due date of a premium payment in default, after premiums have been paid for not less than 3 full years for ordinary insurance or 5 full years for industrial insurance, the company will pay, in place of any paid-up nonforfeiture benefit, a cash surrender value of an

amount specified in this section.

(c) The specified paid-up nonforfeiture benefit will become effective as specified in the policy unless the person entitled to make the election elects another available option not later than 60 days after the due date of the premium in default.

(d) If the policy has become paid up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit that became effective on or after the third policy anniversary for ordinary insurance or the fifth policy anniversary for industrial insurance, the company will pay, upon surrender of the policy within 30 days after any policy anniversary, a cash surrender value of an amount specified in this section.

(e) For policies that cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or that provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy.

For all other policies, a statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary either during the first 20 policy years or during the term of the policy, whichever is shorter. The values and benefits must be calculated on the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the company on the policy.

(f) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or under the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the company on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated in the policy, a statement that the method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to calculate the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which the values and benefits are consecutively shown in the policy.

(g) Subdivisions (a) to (f) or portions of those subdivisions not applicable by reason of the plan of insurance, to the extent inapplicable, may be omitted from the policy.

(h) The company shall reserve the right to defer the payment of any cash surrender value for a period of 6 months after demand for the payment with surrender of the policy.

(3) A cash surrender value available under a policy if there is a default in a premium payment due on any policy anniversary, whether or not required by subsection (2), must be an amount not less than the excess, if any, of the present value, on the anniversary, of the future guaranteed benefits that would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of the then present value of the adjusted premiums as defined in subsection (5), corresponding to premiums that would have fallen due on and after the anniversary, and the amount of any indebtedness to the company on the policy. However, for a policy issued on or after the operative date of paragraphs 9 to 18 of subsection (5) that provides supplemental life insurance or annuity benefits at the option of the insured and for an identifiable additional premium by rider or supplemental policy provision, the cash surrender value must be an amount not less than the sum of the cash surrender value for an otherwise similar policy issued at the same age without the rider or supplemental policy provision and the cash surrender value for a policy that provides only the benefits otherwise provided by the rider or supplemental policy provision.

For a family policy issued on or after the operative date of paragraphs 9 to 18 of subsection (5) that defines a primary insured and provides term insurance on the life of the spouse of the primary insured expiring before the spouse's age 71, the cash surrender value must be an amount not less than the sum of the cash surrender value for an otherwise similar policy issued at the same age without the term insurance on the life of the spouse and the cash surrender value for a policy that provides only the benefits otherwise provided by the term insurance on the life of the spouse.

A cash surrender value available within 30 days after a policy anniversary under a policy paid up by completion of all premium payments or a policy continued under a paid-up nonforfeiture benefit, whether or not required by subsection (2), must be an amount not less than the present value, on the anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the company on the policy.

(4) A paid-up nonforfeiture benefit available under a policy if there is a default in a premium payment due on a policy anniversary must be such that its present value as of the anniversary must at least equal the cash

surrender value then provided for by the policy or, if the policy does not provide for a cash surrender value, that cash surrender value that would have been required by this section in the absence of the condition that premiums must have been paid for at least a specified period.

(5) Paragraphs 1 to 8 of this subsection do not apply to policies issued on or after the operative date of paragraphs 9 to 18 as defined in paragraph 18. Except as provided in paragraph 3 of this subsection, the adjusted premiums for a policy must be calculated on an annual basis and must be a uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, so that the present value, at the date of issue of the policy, of all the adjusted premiums equals the sum of (*i*) the then present value of the future guaranteed benefits provided for by the policy; (*ii*) 2% of the amount of insurance, if the insurance is uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (*iii*) 40% of the adjusted premium for the first policy year; (*iv*) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less. In applying the percentages specified in items (*iii*) and (*iv*) above, an adjusted premium must not be considered to exceed 4% of the amount of insurance or uniform amount equivalent to the amount of insurance. The date of issue of a policy for the purpose of this subsection is the date that the rated age of the insured is determined.

For a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount of the policy for the purpose of this subsection is considered to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy. However, for a policy providing a varying amount of insurance issued on the life of a child under age 10, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy before the attainment of age 10 were the amount provided by the policy at age 10.

The adjusted premiums for a policy providing term insurance benefits by rider or supplemental policy provision must be equal to (a) the adjusted premiums for an otherwise similar policy issued at the same age without the term insurance benefits, increased, during the period for which premiums for the term insurance benefits are payable, by (b) the adjusted premiums for that term insurance. Items (a) and (b) must be calculated separately and as specified in the first 2 paragraphs of this subsection. However, for the purposes of items (*ii*), (*iii*), and (*iv*) of the first paragraph of this subsection, the amount of insurance or equivalent uniform amount of insurance used in the calculation of the adjusted premiums referred to in (b) must be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (a).

Except as otherwise provided in paragraph 5 of this subsection, for all policies of ordinary insurance, all adjusted premiums and present values referred to in this section must be calculated on the basis of the commissioners 1941 standard ordinary mortality table. For a category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than 3 years younger than the actual age of the insured. Except as otherwise provided in paragraph 7 of this subsection, the calculations for all policies of industrial insurance must be made on the basis of the 1941 standard industrial mortality table. All calculations must be made on the basis of the rate of interest, not exceeding 3-1/2% per annum, specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than 130% of the rates of mortality according to the applicable table. For insurance issued on a substandard basis, the calculation of adjusted premiums and present values may be based on another table of mortality as specified by the company and approved by the director.

For ordinary policies issued on or after the operative date of this paragraph, as defined in paragraph 6, all adjusted premiums and present values referred to in this section must be calculated on the basis of the commissioners 1958 standard ordinary mortality table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits. However, the rate of interest may not exceed 3-1/2% per annum, except that a rate of interest not exceeding 4% per annum may be used for policies issued on or after October 21, 1974, and before October 1, 1980, and a rate of interest not exceeding 5-1/2% per annum may be used for policies issued on or after October 1, 1980. For a category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than 6 years younger than the actual age of the insured. In calculating the present value of a paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of

mortality assumed may be not more than those shown in the commissioners 1958 extended term insurance table. For insurance issued on a substandard basis, the calculation of adjusted premiums and present values may be based on another table of mortality as specified by the company and approved by the director.

After May 23, 1960, a company may file with the director a written notice of its election to invoke paragraph 5 after a specified date before January 1, 1966. After the filing of the notice, then on the specified date, that is the operative date for the company, paragraph 5 is operative with respect to the ordinary policies issued by the company and bearing a date of issue that is the same as or later than the specified date. If a company does not make an election, the operative date of paragraph 5 for the company is January 1, 1966.

For industrial policies issued on or after the operative date of this paragraph, as defined in paragraph 8, all adjusted premiums and present values referred to in this section must be calculated on the basis of the commissioners 1961 standard industrial mortality table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits. However, the rate of interest may not exceed 3-1/2% per annum, except that a rate of interest not exceeding 4% per annum may be used for policies issued after October 20, 1974, and before October 1, 1980, and a rate of interest not exceeding 5-1/2% per annum may be used for policies issued after September 30, 1980. In calculating the present value of paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioners 1961 industrial extended term insurance table. For insurance issued on a substandard basis, the calculation of adjusted premiums and present values may be based on another table of mortality as specified by the company and approved by the director.

After May 23, 1969, a company may file with the director a written notice of its election to invoke paragraph 7 after a specified date before January 1, 1968. After the filing of the notice, then on the specified date, which is the operative date for the company, paragraph 7 is operative with respect to the industrial policies issued by the company and that bear a date of issue the same as or later than the specified date. If a company does not make an election, the operative date of paragraph 7 for the company is January 1, 1968.

Paragraphs 9 to 18 apply to all policies issued on or after the operative date of those paragraphs as defined in paragraph 18. Except as provided in paragraph 15, the adjusted premiums for any policy must be calculated on an annual basis and must be a uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method that is used to calculate the cash surrender values and paid-up nonforfeiture benefits, so that the present value, at the date of issue of the policy, of all adjusted premiums is equal to the sum of (*i*) the then present value of the future guaranteed benefits provided for by the policy; (*ii*) 1% of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years; and (*iii*) 125% of the nonforfeiture net level premium as defined in this subsection. However, in applying the percentage specified in (*iii*), the nonforfeiture net level premium shall not be considered to exceed 4% of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years. The date of issue of a policy for the purpose of this subsection is the date on which the rated age of the insured is determined.

The nonforfeiture net level premium must be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of 1 per annum payable on the date of issue of the policy and on each anniversary of the policy on which a premium falls due.

For policies that cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or that provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values initially must be calculated on the assumption that future benefits and premiums will not change from those stipulated at the date of issue of the policy. At the time of a change in the benefits or premiums, the future adjusted premiums, nonforfeiture net level premiums, and present values must be recalculated on the assumption that future benefits and premiums will not change from those stipulated by the policy immediately after the change.

Except as otherwise provided in paragraph 15 of this subsection, the recalculated future adjusted premiums is a uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards and excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to calculate the cash surrender values and paid-up nonforfeiture benefits, so that the present value, at the time of change to the newly defined benefits or premiums, of all the future adjusted premiums is equal to the excess of the sum of the then present value of the then future guaranteed benefits provided for by the policy and the additional expense allowance, if any, over the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.

The additional expense allowance, at the time of the change to the newly defined benefits or premiums, is the sum of 1% of the excess, if positive, of the average amount of insurance at the beginning of each of the first 10 policy years after the change over the average amount of insurance before the change at the beginning of each of the first 10 policy years after the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and 125% of the increase, if positive, in the nonforfeiture net level premium.

The recalculated nonforfeiture net level premium is equal to the result obtained by dividing (a) by (b) where (a) equals the sum of (*i*) the nonforfeiture net level premium applicable before the change times the present value of an annuity of 1 per annum payable on each anniversary of the policy on or after the date of the change on which a premium would have fallen due had the change not occurred; and (*ii*) the present value of the increase in future guaranteed benefits provided for by the policy, and (b) equals the present value of an annuity of 1 per annum payable on each anniversary of the policy on or after the date of change on which a premium falls due.

Notwithstanding any other provisions of this subsection to the contrary, for a policy issued on a substandard basis that provides reduced graded amounts of insurance so that, in each policy year, the policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis that provides higher uniform amounts of insurance, adjusted premiums and present values for the substandard policy may be calculated as if it were issued to provide the higher uniform amounts of insurance on the standard basis.

All adjusted premiums and present values referred to in this section for all policies of ordinary insurance must be calculated on the basis of the commissioners 1980 standard ordinary mortality table or, at the election of the company for any 1 or more specified plans of life insurance, the commissioners 1980 standard ordinary mortality table with 10-year select mortality factors. All adjusted premiums and present values referred to in this section for all policies of industrial insurance must be calculated on the basis of the commissioners 1961 standard industrial mortality table. All adjusted premiums and present values referred to in this section for all policies issued in a particular calendar year must be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in this subsection for policies issued in that calendar year. However:

(a) At the option of the company, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in this subsection, for policies issued in the immediately preceding calendar year.

(b) Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by subsection (2), must be calculated on the basis of the mortality table and rate of interest used in determining the amount of that paid-up nonforfeiture benefit and paid-up dividend additions, if any.

(c) A company may calculate the amount of any guaranteed paid-up nonforfeiture benefit, including any paid-up additions, under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.

(d) In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the commissioners 1980 extended term insurance table for policies of ordinary insurance and not more than the commissioners 1961 industrial extended term insurance table for policies of industrial insurance.

(e) For insurance issued on a substandard basis, the calculation of adjusted premiums and present values may be based on appropriate modifications of the tables provided in subdivision (d).

(f) For a policy issued before the operative date of the valuation manual, any commissioners standard ordinary mortality tables, adopted after 1980 by the national association of insurance commissioners, that are approved by a rule promulgated by the director for use in determining the minimum nonforfeiture standard or as provided under section 838 may be substituted for the commissioners 1980 standard ordinary mortality table with or without 10-year select mortality factors or for the commissioners 1980 extended term insurance table.

(g) For policies issued on or after the operative date of the valuation manual, the valuation manual must provide the commissioners standard mortality table for use in determining the minimum nonforfeiture standard that may be substituted for the commissioners 1980 standard ordinary mortality table with or without 10-year select mortality factors or for the commissioners 1980 extended term insurance table. If the director approves by regulation any commissioners standard ordinary mortality table adopted by the national association of insurance commissioners for use in determining the minimum nonforfeiture standard for policies issued on or after the operative date of the valuation manual, the minimum nonforfeiture standard supersedes the minimum nonforfeiture standard provided by the valuation manual.

(h) For a policy issued before the operative date of the valuation manual, any commissioners standard industrial mortality tables, adopted after 1980 by the national association of insurance commissioners, that are

approved by a rule promulgated by the director for use in determining the minimum nonforfeiture standard may be substituted for the commissioners 1961 standard industrial mortality table or the commissioners 1961 industrial extended term insurance table.

(i) For policies issued on or after the operative date of the valuation manual, the valuation manual must provide the commissioners standard mortality table for use in determining the minimum nonforfeiture standard that may be substituted for the commissioners 1961 standard industrial mortality table or the commissioners 1961 industrial extended term insurance table. If the director approves by regulation any commissioners standard industrial mortality table adopted by the national association of insurance commissioners for use in determining the minimum nonforfeiture standard for policies issued on or after the operative date of the valuation manual, the minimum nonforfeiture standard supersedes the minimum nonforfeiture standard provided by the valuation manual. The following applies to the nonforfeiture interest rate:

(*i*) Subject to this subparagraph, for a policy issued before the operative date of the valuation manual, the nonforfeiture interest rate per annum for a policy issued in a particular calendar year is equal to 125% of the calendar year statutory valuation interest rate for the policy as defined in the standard valuation law, rounded to the nearest 0.25%. The nonforfeiture interest rate under this subparagraph may not be less than 4%.

(*ii*) For policies issued on and after the operative date of the valuation manual, the nonforfeiture interest rate per annum for any policy issued in a particular calendar year is provided by the valuation manual.

Notwithstanding any other provision in this act to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form that involves only a change in the interest rate or mortality table used to compute nonforfeiture values may not require refiling of any other provisions of that policy form.

After July 10, 1982, a company may file with the director a written notice of its election to comply with paragraphs 9 to 18 of this subsection at a specified date before January 1, 1989, that is the operative date of those paragraphs for that company. If a company does not make an election, the operative date of paragraphs 9 to 18 of this subsection for the company is January 1, 1989.

(6) For a plan of life insurance that provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or for a plan of life insurance as to which the minimum values cannot be determined by the methods described in subsections (2) to (5), all of the following apply:

(a) The director must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by subsections (2) to (5).

(b) The director must be satisfied that the benefits and the pattern of premiums of that plan are not misleading to prospective policyholders or insureds.

(c) The cash surrender values and paid-up nonforfeiture benefits provided by the plan must not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of this section, as determined by rules promulgated by the director.

(7) A cash surrender value and paid-up nonforfeiture benefit, available under the policy if there is a default in a premium payment due at a time other than on the policy anniversary, must be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to in subsections (3), (4), and (5) may be calculated on the assumption that a death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, must be not less than the amounts used to provide the additions. Notwithstanding subsection (3), additional benefits payable in any of the following ways, and premiums for all these additional benefits, must be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and the additional benefits are not required to be included in any paid-up nonforfeiture benefits:

(a) In the event of death or dismemberment by accident or accidental means.

(b) In the event of total and permanent disability.

(c) As reversionary annuity or deferred reversionary annuity benefits.

(d) As term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply.

(e) As term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if the term insurance expires before the child's age is 26, is uniform in amount after the child's age is 1, and has not become paid-up by reason of the death of a parent of the child.

(f) As other policy benefits additional to life insurance and endowment benefits.

(8) This subsection applies to all policies issued after December 31, 1985. Any cash surrender value available under the policy if there is a default in a premium payment due on any policy anniversary must be in an amount that does not differ by more than 0.2% of either the amount of insurance, if the insurance is

uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years from the sum of (a) the greater of zero and the basic cash value as specified in this subsection and (b) the present value of any existing paid-up additions less the amount of any indebtedness to the company under the policy.

The basic cash value must be equal to the present value on the anniversary of the future guaranteed benefits that would have been provided for by the policy, excluding any existing paid-up additions and before deduction of any indebtedness to the company, if there had been no default, less the then present value of the nonforfeiture factors, as defined in this subsection, corresponding to premiums that would have fallen due on and after the anniversary. However, the effects on the basic cash value of supplemental life insurance or annuity benefits or of family coverage must be the same as are the effects specified in subsection (3) or (5), whichever is applicable, on the cash surrender values.

The nonforfeiture factor for each policy year must be an amount equal to a percentage of the adjusted premium for the policy year, as defined in paragraphs 1 to 4 of subsection (5) or paragraphs 9 to 18 of subsection (5), whichever is applicable. The nonforfeiture factor:

(a) Must be the same percentage for each policy year between the second policy anniversary and the later of the fifth policy anniversary and the first policy anniversary at which there is available under the policy a cash surrender value in an amount, before including any paid-up additions and before deducting any indebtedness, of at least 0.2% of either the amount of insurance, if the insurance is uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years.

(b) Must be such that no percentage after the later of the 2 policy anniversaries specified in subdivision (a) may apply to fewer than 5 consecutive policy years.

However, the basic cash value may not be less than the value that would be obtained if the adjusted premiums for the policy, as defined in paragraphs 1 to 4 or paragraphs 9 to 18 of subsection (5), whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic cash value.

All adjusted premiums and present values referred to in this subsection must be calculated for a particular policy on the same mortality and interest bases as are used in demonstrating the policy's compliance with the other subsections of this section. The cash surrender values referred to in this subsection must include any endowment benefits provided for by the policy.

Any cash surrender value available other than if there is a default in a premium payment due on a policy anniversary and the amount of any paid-up nonforfeiture benefit available under the policy if there is a default in a premium payment must be determined in manners consistent with the manners specified for determining the analogous minimum amounts in subsections (2), (3), (4), and (7) and paragraphs 9 to 18 of subsection (5). The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those listed in subsection (7) must conform with the principles of this subsection.

(9) This section does not apply to any of the following:

(a) Reinsurance.

(b) Group insurance.

(c) Pure endowment.

(d) Annuity or reversionary annuity contract.

(e) A term policy of uniform amount that does not provide guaranteed nonforfeiture or endowment benefits, or renewal of guaranteed nonforfeiture or endowment benefits, of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy.

(f) A term policy of decreasing amount that does not provide guaranteed nonforfeiture or endowment benefits and on which each adjusted premium, calculated as specified in subsection (5), is less than the adjusted premium calculated under subsection (5), on a term policy of uniform amount, or the renewal of a term policy that does not provide guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance and for a term of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy.

(g) A policy that does not provide guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in subsections (3) to (5), exceeds 2.5% of the amount of insurance at the beginning of the same policy year.

(h) A policy that is delivered outside this state through an agent or other representative of the company issuing the policy.

For purposes of determining the applicability of this section, the age at expiry for a joint term life insurance policy is the age at expiry of the oldest life.

(10) After July 30, 1943, a company may file with the director a written notice of its election to comply

with this section after a specified date before January 1, 1948. After the filing of the notice, then on the specified date, that is the operative date for the company, this section is operative with respect to the policies thereafter issued by the company. If a company does not make an election, the operative date of this section for the company is January 1, 1948.

(11) As used in this section, "operative date of the valuation manual" means January 1 of the first calendar year that the valuation manual as that term is defined in section 836b is effective.

Popular name: Act 218

500.4061 Flexible premium universal life insurance policies; provisions applicable to minimum cash surrender values; minimum paid-up nonforfeiture benefits.

Sec. 4061. (1) All of the following apply to the minimum cash surrender values for flexible premium universal life insurance policies:

(a) Minimum cash surrender values for flexible premium universal life insurance policies must be determined separately for the basic policy and any benefits and riders for which premiums are paid separately. For a basic policy and any benefits and riders for which premiums are not paid separately, all of the following requirements apply:

(*i*) All accumulations must be at the actual rate or rates of interest at which interest credits have been made unconditionally to the policy, or have been made conditionally, but for which the conditions have since been met. The minimum cash surrender value, before adjustment for indebtedness and dividend credits, available on a date as of which interest is credited to the policy must be equal to the accumulation to that date of the premiums paid minus the accumulations to that date of all of the following minus any unamortized unused initial and additional expense allowances:

(A) The benefits charges.

(B) The averaged administrative expense charges for the first policy year and any insurance-increase years.

(C) Actual administrative expense charges for other years.

(D) Initial and additional acquisition expense charges not exceeding the initial or additional expense allowances, respectively.

(E) Any service charges actually made.

(F) Any deductions made for partial withdrawals.

(*ii*) Interest on the premiums and on all charges referred to in subparagraph (*i*) (A) through (F) must be accumulated from and to such dates as are consistent with the manner in which interest is credited in determining the policy value.

(*iii*) Service charges must exclude charges for cash surrender or election of a paid-up nonforfeiture benefit and include charges permitted by the policy to be imposed as the result of a policyowner's request for a service by the insurer, such as the furnishing of future benefit illustrations or of special transactions.

(*iv*) Benefit charges must include the charges made for mortality and any charges made for riders or supplementary benefits for which premiums are not paid separately. If benefit charges are substantially level by duration and develop low or no cash values, the director may require higher cash values unless the insurer provides adequate justification that the cash values are appropriate in relation to the policy's other characteristics.

(*v*) If the amount of insurance is subsequently increased on request of the policyowner or by the terms of the policy, an additional expense allowance and an unused additional expense allowance must be determined on a basis consistent with this subsection and with section 4060(5) paragraph 13 using the face amount and the latest maturity date permitted at that time under the policy.

(*vi*) The unamortized unused initial expense allowance during the policy year beginning on the policy anniversary at age x+t, where "x" is the same issue age, must be the unused initial expense allowance multiplied by

$$\frac{ax+t}{ax}$$

where ax+t and a x are present values of an annuity of 1 per year payable on policy anniversaries beginning at ages x+t and x, respectively, and continuing until the highest attained age at which a premium may be paid under the policy, both on the mortality and interest bases guaranteed in the policy. An unamortized unused additional expense allowance must be the unused additional expense allowance multiplied by a similar ratio of annuities, with a x replaced by an annuity beginning on the date as of which

the additional expense allowance was determined.

(b) As used in this subsection:

(*i*) "Additional acquisition expense charges" means the excess of the expense charges, other than service charges, actually made in an insurance-increase year over the averaged administrative expense charges for that year.

(*ii*) "Administrative expense charges" means charges per premium payment, charges per dollar of premium paid, periodic charges per thousand dollars of insurance, periodic per policy charges, and any other charges permitted by the policy to be imposed without regard to the policyowner's request for services.

(*iii*) "Averaged administrative expense charges" means those charges that would have been imposed in a year if the charge rate or rates for each transaction or period within that year had been equal to the arithmetic average of the corresponding charge rates that the policy states will be imposed in policy years 2 through 20 in determining the policy value.

(*iv*) "Initial acquisition expense charges" means the excess of the expense charges, other than service charges, actually made in the first policy year over the averaged administrative expense charges for that year.

(*v*) "Initial expense allowance" means the allowance provided by items (*ii*), (*iii*), and (*iv*) of section 4060(5) paragraph 1 or by items (*ii*) and (*iii*) of section 4060(5) paragraph 9, as applicable, for a fixed premium, fixed benefit endowment policy with a face amount equal to the initial face amount of the flexible premium universal life insurance policy, with level premiums paid annually until the highest attained age at which a premium may be paid under the flexible premium universal life insurance policy, and maturing on the latest maturity date permitted under the policy, if any, otherwise at the highest age in the valuation mortality table.

(*vi*) "Insurance-increase year" means the year beginning on the date of increase in the amount of insurance by policyowner request or by the terms of the policy.

(*vii*) "Unused initial expense allowance" means the excess, if any, of the initial expense allowance over the initial acquisition expense charges.

(2) All of the following provisions apply to the minimum cash surrender values for fixed premium universal life insurance policies:

(a) The minimum cash surrender values must be determined separately for the basic policy and any benefits and riders for which premiums are paid separately. All of the following requirements apply to a basic policy and any benefits and riders for which premiums are not paid separately:

(*i*) The minimum cash surrender value before adjustment for indebtedness and dividend credits that is available on a date as of which interest is credited to the policy is equal to (A - B - C - D).

(*ii*) Future guaranteed benefits are determined by both of the following:

(A) Projecting the policy value, taking into account future premiums, if any, and using all guarantees of interest, mortality, expense deductions, and other guarantees, that depend upon the policy value, contained in the policy or declared by the insurer.

(B) Taking into account any benefits guaranteed in the policy or by declaration that do not depend on the policy value.

(*iii*) All present values must be determined using an interest rate or rates specified by section 4060 for policies issued in the same year and the mortality rates specified by section 4060 for policies issued in the same year or contained in any other table as approved by the director for this purpose.

(b) As used in this subsection:

(*i*) "A" means the present value of all future guaranteed benefits.

(*ii*) "B" means the present value of future adjusted premiums. The adjusted premiums are calculated as described in section 4060(5) paragraphs 1 to 6 and 9, as applicable. If section 4060(5) paragraph 9 is applicable, the nonforfeiture net level premium is equal to the quantity

$$\frac{PVFB}{a_x}.$$

(*iii*) "C" means the present value of any quantities analogous to the nonforfeiture net level premium that arise because of guarantees declared by the insurer after the issue date of the policy. Also, a_x must be replaced by an annuity beginning on the date as of which the declaration became effective and payable until the end of the period covered by the declaration. The types of quantities included in "C" are increased current interest rate credits guaranteed for a future period, decreased current mortality rate charges guaranteed for a future period, or decreased current expense charges guaranteed for a future period.

(*iv*) "D" means the sum of any quantities analogous to "B" which arise because of structural changes in the policy.

(*v*) "PVFB" equals the present value of all benefits guaranteed at issue assuming future premiums are paid by the policyowner and all guarantees contained in the policy or declared by the insurer.

(*vi*) "Structural changes" means those changes that are separate from the automatic workings of the policy. Structural changes usually would be initiated by the policy owner and include changes in the guaranteed benefits, changes in latest maturity date, or changes in allowable premium payment period.

(*vii*) "ax" equals the present value of an annuity of 1 per year payable on policy anniversaries beginning at age x and continuing until the highest attained age at which a premium may be paid under the policy.

(3) All of the following apply to minimum paid-up nonforfeiture benefits:

(a) If a universal life insurance policy provides for the optional election of a paid-up nonforfeiture benefit, the present value of the paid-up nonforfeiture benefit must be at least equal to the cash surrender value provided for by the policy on the effective date of the election. The present value must be based on mortality and interest standards at least as favorable to the policyowner as 1 of the following:

(*i*) For a flexible premium universal life insurance policy, the mortality and interest bases guaranteed in the policy for determining the policy value.

(*ii*) For a fixed premium policy, the mortality and interest standards permitted for paid-up nonforfeiture benefits in section 4060.

(b) Instead of the paid-up nonforfeiture benefit, the insurer may substitute, on proper request not later than 60 days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit that provides a greater amount or longer period of death benefits, or, if applicable, a greater amount or earlier payment of endowment benefits.

(c) Any secondary guarantees should be taken into consideration when computing minimum paid-up nonforfeiture benefits.

(d) A charge may be made at the surrender of the policy if the result after the deduction of the charge is not less than the minimum cash surrender value required by this section.

(e) To preserve equity between policies on a premium paying basis and on a paid-up basis, present values must comply with subsection (1) for flexible premium universal life insurance policies and with subsection (2) for fixed premium universal life insurance policies.

Sec. 4062. (1) In the case of policies issued prior to the operative date of section 4060 (the standard nonforfeiture law), the loan value referred to in section 4022 shall be the reserve at the end of the current policy year on the policy and on any dividend additions thereto, specifying the mortality table and rate of interest adopted for computing such reserve less a sum not more than 2 1/2% of the amount insured by the policy and of any dividend additions thereto. Such policies may further provide that such loan may be deferred for not exceeding 6 months after the application therefor is made.

(2) In the case of policies issued on and after the operative date of section 4060 (the standard nonforfeiture law), the loan value referred to in section 4022 shall be the cash surrender value at the end of the current policy year as required by section 4060. The insurer shall reserve the right to defer such loan, except when made to pay premiums, for 6 months after application therefor is made.

500.4070 Insurance and annuities on same life; automatic conversion of deferred annuity into paid-up annuity.

Sec. 4070. (1) Contracts may be issued in this state providing for both insurance and annuities on the same life, and sections 4008 to 4036 (standard provisions), 4042 (limitation of liability), 4046 (prohibited provisions), 4204 to 4238, 4242, and 4244 shall apply only to that part of the contracts providing for insurance.

(2) Except a contract subject to section 4060 (standard nonforfeiture law for life insurance) or section 4072 (standard nonforfeiture law for individual deferred annuities), every contract prescribed in subsection (1) providing for a deferred annuity on the life of the insured only, or a deferred annuity issued on a single life,

unless paid for by a single premium, shall provide that in the event of the nonpayment of a premium after 3 full years of premiums have been paid, the annuity shall automatically become converted into a paid-up annuity for the proportion of the original annuity as the number of completed years of premiums paid bears to the total number of premiums required under the contract.

500.4072 Standard nonforfeiture law for individual deferred annuities.

Sec. 4072. (1) This section shall be known as the standard nonforfeiture law for individual deferred annuities.

(2) This section does not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under section 408 of the internal revenue code of 1986, 26 USC 408, premium deposit fund, variable annuity, investment annuity, immediate annuity, a deferred annuity contract after annuity payments have commenced, or reversionary annuity, or to a contract delivered outside this state through an agent or other representative of the company issuing the contract.

(3) Except as provided in subsection (2), a contract of annuity must not be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions that in the director's opinion are at least as favorable to the contract holder, on cessation of payment of consideration under the contract:

(a) That on cessation of payment of consideration under a contract, or on the written request of the contract owner, the company shall grant a paid-up annuity benefit on a plan stipulated in the contract of a value specified in subsections (8), (9), (10), (11), and (13).

(b) If a contract provides for a lump sum settlement at maturity, or at any other time, that on surrender of the contract at or before the commencement of any annuity payments, the company shall pay in place of any paid-up annuity benefit, a cash surrender benefit of an amount specified in subsections (8), (9), (11), and (13). The company may reserve the right to defer the payment of the cash surrender benefit for a period of 6 months after demand for the payment with surrender of the contract if the company makes a written request to the director showing the necessity and equitability to all policyholders of the deferral and the director gives written approval.

(c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender, or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of the benefits.

(d) A statement that any paid-up annuity, cash surrender, or death benefits that may be available under the contract are not less than the minimum benefits required by law of the state in which the contract is delivered, and an explanation of the manner in which the benefits are altered by the existence of additional amounts credited by the company to the contract, indebtedness to the company on the contract, or prior withdrawals from or partial surrenders of the contract.

(4) Notwithstanding the requirements of subsection (3), a deferred annuity contract may provide that if considerations have not been received under a contract for a period of 2 full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid before this period would be less than $20.00 monthly, the company may at its option terminate the contract by payment in cash of the then present value of that portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit. This payment relieves the company of further obligation under the contract.

(5) The minimum values as specified in subsections (8), (9), (10), (11), and (13) of any paid-up annuity, cash surrender, or death benefits available under an annuity contract must be based on the following:

(a) Until January 1, 2005 for contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or before the commencement of any annuity payments must be equal to an accumulation up to that time at a rate of interest of 1.5% per annum of percentages of the net considerations, as defined in subdivision (c), paid before that time, decreased by the sum of subparagraphs (*i*) and (*ii*), and increased by any existing additional amounts credited by the company to the contract:

(*i*) Prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of 1.5% per annum.

(*ii*) The amount of any indebtedness to the company on the contract, including interest due and accrued.

(b) The minimum nonforfeiture amount at any time at or before the commencement of any annuity payments must be equal to an accumulation up to that time at rates of interest as provided in subsection (6) of

the net considerations, as defined in subdivision (c), paid before that time, decreased by the sum of subparagraphs (*i*) to (*iv*):

(*i*) Prior withdrawals from or partial surrenders of the contract accumulated at rates of interest as provided in subsection (6).

(*ii*) An annual contract charge of $50.00, accumulated at rates of interest as provided in subsection (6).

(*iii*) Any premium tax paid by the company for the contract, accumulated at rates of interest as provided in subsection (6).

(*iv*) The amount of any indebtedness to the company on the contract, including interest due and accrued.

(c) The net consideration for a given contract year used to define the minimum nonforfeiture amount must be an amount equal to 87.5% of the gross considerations credited to the contract during that contract year.

(6) The interest rate used in determining minimum nonforfeiture amounts must be an annual rate of interest determined as the lesser of 3% per annum and the following, which must be specified in the contract if the interest rate will be reset:

(a) The 5-year constant maturity treasury rate reported by the Federal Reserve as of a date, or average over a period, rounded to the nearest 1/20 of 1%, specified in the contract no longer than 15 months before the contract issue date or redetermination date under subdivision (d).

(b) Reduced by 125 basis points.

(c) If the resulting interest rate is not less than 0.15%.

(d) The interest rate must apply for an initial period and may be redetermined for additional periods. The redetermination date, basis, and period, if any, must be stated in the contract. As used in this subdivision, "basis" means the date or average over a specified period that produces the value of the 5-year constant maturity treasury rate to be used at each redetermination date.

(7) During the period or term that a contract provides substantive participation in an equity indexed benefit, the contract may provide for an increase in the reduction described in subsection (6)(b) of up to an additional 100 basis points to reflect the value of the equity index benefit. The present value at the contract issue date, and at each redetermination date after the issue date, of the additional reduction must not exceed the market value of the benefit. The director may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit and, if the demonstration is unacceptable, may disallow or limit the additional reduction. The director may adopt rules to implement this subsection and to provide for further adjustments to the calculation of minimum nonforfeiture amounts for contracts that provide substantive participation in an equity index benefit and for other contracts that the director determines adjustments are justified.

(8) Any paid-up annuity benefit available under a contract must be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. This present value must be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

(9) For contracts that provide cash surrender benefits, the cash surrender benefits available before maturity must not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit that would be provided under the contract at maturity arising from considerations paid before the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract. The present value must be calculated on the basis of an interest rate not more than 1% higher than the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. However, a cash surrender benefit must not be less than the minimum nonforfeiture amount at that time. The death benefit under contracts that provide cash surrender benefits must be at least equal to the cash surrender benefit. Until January 1, 2005, as used in this subsection, "maturity value" means an accumulation up to the maturity date at the rate of interest guaranteed in the contract for accumulating the net considerations to determine the maturity value, but not less than 1.5% per annum, of the percentages of the net considerations, as defined in subsection (5), paid before that time, decreased by the sum of prior withdrawals from or partial surrenders of the contract accumulated at the rate of interest guaranteed in the contract for accumulating net considerations to determine the maturity value but not less than 1.5% per annum and the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by excess interest previously credited by the company to the contract. As used in this subsection, the excess interest is the amount credited over and above the guaranteed interest.

(10) For contracts that do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time before maturity must not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from

considerations paid before the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity. The present value must be calculated for the period before the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, and increased by any additional amounts credited by the company to the contract. For contracts that do not provide death benefits before the commencement of annuity payments, the present values must be calculated on the basis of the interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, the present value of a paid-up annuity benefit must not be less than the minimum nonforfeiture amount at that time.

(11) In determining the benefits calculated under subsections (9) and (10), for annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date is considered to be the latest date for which election shall be permitted by the contract, but must not be later than the anniversary of the contract next following the annuitant's seventieth birthday, or the tenth anniversary of the contract, whichever is later.

(12) A contract that does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount before the commencement of annuity payments must include a statement in a prominent place in the contract that those benefits are not provided.

(13) Any paid-up annuity, cash surrender, or death benefits available at any time, other than on the contract anniversary under a contract with fixed scheduled considerations, must be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.

(14) For a contract that provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits must be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding subsections (8), (9), (10), (11), and (13), additional benefits payable for total and permanent disability, as reversionary annuity or deferred reversionary annuity benefits, or as other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all additional benefits described in this subsection, must be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender, and death benefits that may be required by this section. The inclusion of the additional benefits is not required in any paid-up benefits, unless the additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender, and death benefits.

(15) Until January 1, 2005, an insurer may elect to proceed under subsection (5)(a) or (b). On and after January 1, 2005, an insurer shall proceed under subsection (5)(b).

500.4073 Annuity policy or contract; notice of right to cancel and receive refund; effect of returning policy or contract; variable annuity contract; exceptions.

Sec. 4073. (1) Subject to subsection (2), an annuity contract shall not be delivered or issued for delivery in this state unless the contract contains on the front page a notice, in substance printed or stamped made as a permanent part of the policy, that during a period of not less than 10 days after the date the policyholder receives the policy, the policyholder may cancel the policy and receive from the insurer a prompt refund of any premium paid for the policy, including a policy fee or other charge, by mailing or otherwise surrendering the policy to the insurer together with a written request for cancellation. If a policyholder or purchaser pursuant to the notice, returns the policy or contract to the company or association at its home or branch office or to the agent through whom it was purchased, it is void from the beginning and the parties are in the same position as if no policy or contract had been issued.

(2) For a variable annuity contract, the refund under subsection (1) shall equal the sum of the following:

(a) The difference between the premiums paid, including any policy or contract fees or other charges, and the amounts allocated to any separate accounts under the policy or contract.

(b) The value of the amounts allocated to any separate accounts under the policy or contract on the date the returned policy is received by the insurer or its insurance producer.

(3) This section does not apply to policies or contracts issued to an employee in connection with the funding of a pension, annuity or profit-sharing plan, qualified or exempt under section 401, 403, 404, or 501 of the internal revenue code of 1986, 26 USC 401, 403, 404, and 501 if participation in the plan is a condition of employment.

500.4101 Definitions.

Sec. 4101. As used in this chapter:

(a) "Interest credits" means all interest that is credited to a deferred annuity contract.

(b) "Modified guaranteed annuity" means a deferred annuity contract, the underlying assets of which are held in a separate account, and the values of which are guaranteed if held for specified periods. It contains nonforfeiture values that are based upon a market-value adjustment formula if held for shorter periods. This formula may, or may not, reflect the value of assets held in the separate account. The assets underlying the contract shall be in a separate account during the period the contract holder can surrender the contract.

(c) "Separate account" means a separate account established pursuant to this chapter or pursuant to the corresponding section of the insurance laws of the state of domicile of a foreign or alien insurer.

(1) An insurer shall not deliver or issue for delivery a modified guaranteed annuity within this state unless it is licensed or organized to do a life insurance or annuity business in this state, and the commissioner is satisfied that its condition or method of operation in connection with the issuance of such contracts will not render its operation hazardous to the public or its policyholders in this state. In making this determination, the commissioner shall consider among other things the insurer's history and financial condition, the character, responsibility, and fitness of the insurer's officers and directors, and the law and regulation under which the insurer is authorized in the state of domicile to issue such annuities.

(2) If the insurer is a subsidiary of an admitted life insurance company or affiliated with such insurer by common management or ownership, the commissioner may consider subsection (1) satisfied if either the subsidiary or affiliated insurer or the admitted life company satisfies subsection (1) and the insurer is licensed and has a satisfactory record of doing business in this state for a period of at least 3 years.

(3) Before an insurer delivers or issues for delivery a modified guaranteed annuity within this state, it shall submit to the commissioner the following:

(a) A general description of the kinds of modified guaranteed annuities it intends to issue.

However, hypothetical assumed interest credits may be used to illustrate possible levels of benefits.

(3) Before an insurer delivers or issues for delivery a modified guaranteed annuity contract in this state, the commissioner may require the filing of a copy of any prospectus or other sales material to be used in connection with the marketing of the insurer's modified guaranteed annuity contract. The sales material shall clearly illustrate that there can be both upward and downward adjustments due to the application of the market-value adjustment formula in determining nonforfeiture benefits.

500.4113 Modified guaranteed annuity contract; required provisions; market-value adjustment formula.

Sec. 4113. (1) A modified guaranteed annuity contract delivered or issued for delivery in this state shall contain a statement of the essential features of the procedures to be followed by the insurer in determining the dollar amount of nonforfeiture benefits.

(2) A modified guaranteed annuity contract calling for the payment of periodic stipulated payments shall not be delivered or issued for delivery in this state unless it contains in substance all of the following provisions:

(a) A grace period of 30 days or of 1 month during which the contract shall remain in force and within which any payment due to the insurer other than the first may be made. The contract may include a statement of the basis for determining the date as of which any such payment received during the grace period shall be applied to produce the values under the contract.

(b) A provision that, at any time within 1 year from the date of default, the contract may be reinstated upon payment to the insurer of the overdue payments as required by contract, and of all indebtedness to the insurer on the contract, including interest. Reinstatement may not occur if the cash value has been paid. The contract may include a statement of the basis for determining the date as of which the amount to cover the overdue payments and indebtedness shall be applied to produce the values under the contract.

(c) A provision that, to the extent set out in the contract, the portion of the assets of any separate account that equal the reserves and other contract liabilities of the account shall not be chargeable with liabilities arising out of any other business of the insurer.

(3) The market-value adjustment formula, used in determining nonforfeiture benefits, shall be stated in the contract and shall be applicable for both upward and downward adjustments. When a contract is filed, it shall be accompanied by an actuarial statement indicating the basis for the market-value adjustment formula and that the formula provides reasonable equity to both the contract holder and the insurer.

500.4115 Nonapplicability of section; required provisions; minimum values of paid-up annuity, cash surrender, or death benefits available under modified guaranteed annuity contract; nonforfeiture amounts; percentages of net considerations.

Sec. 4115. (1) This section does not apply to any of the following:

(a) Reinsurance.

(b) A group annuity contract purchased in connection with 1 or more retirement plans or plans of deferred compensation established or maintained by or for 1 or more employers, employee organizations, or any combination thereof, other than plans providing individual retirement accounts or individual retirement

annuities under section 408 of the internal revenue code of 1986, 26 U.S.C. 408.

(c) Premium deposit fund.

(d) Investment annuity.

(e) Immediate annuity.

(f) Deferred annuity contract after annuity payments have commenced.

(g) Reversionary annuity.

(h) A contract that is to be delivered outside this state through an agent or other representative of the insurer issuing the contract.

(2) A modified guaranteed annuity contract shall not be delivered or issued for delivery in this state unless it contains in substance both of the following provisions:

(a) That upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan described in the contract that complies with subsection (5). The description shall include a statement of the mortality table, if any, and guaranteed or assumed interest rates used in calculating annuity payments.

(b) If a contract provides for a lump sum settlement at maturity, or at any other time, that upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit as described in the contract that complies with subsection (6). The contract may provide that the insurer may defer payment of this cash surrender benefit for a period of 6 months after demand.

(3) The minimum values as specified in this section of any paid-up annuity, cash surrender, or death benefits available under a modified guaranteed annuity contract shall be based upon nonforfeiture amounts meeting the requirements of this subsection. Guaranteed interest credits in each year for any period of time for which interest credits are guaranteed shall be reasonably related to the average guaranteed interest credits over that period of time. The minimum nonforfeiture amount shall be the unadjusted minimum nonforfeiture amount adjusted by the market-value adjustment formula contained in the contract. The unadjusted minimum nonforfeiture amount on any date prior to the annuity commencement date shall be an amount equal to the percentages of net considerations as specified in subsection (4) increased by the interest credits allocated to the percentage of net considerations, which amount shall be reduced to reflect the effect of the following:

(a) Any partial withdrawals from or partial surrender of the contract.

(b) The amount of any indebtedness on the contract, including interest due and accrued.

(c) An annual contract charge not less than 0 and equal to the lesser of $30.00 and 2% of the end of year contract value, less the amount of any annual contract charge deducted from any gross considerations credited to the contract during the contract year. The $30.00 annual contract charge shall be adjusted as provided in subsection (4).

(d) A transaction charge of $10.00 for each transfer to another investment division within the same contract. The $10.00 transaction charge shall be adjusted as provided in subsection (4).

(4) The percentages of net considerations used to define the minimum nonforfeiture amount in subsection (3) shall meet the following requirements:

(a) For contracts providing for periodic considerations, the net considerations for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than 0 and shall be equal to the corresponding gross considerations credited to the contract during that contract year less an annual contract charge of $30.00 and less a collection charge of $1.25 per consideration credited to the contract during that contract year and less any charges for premium taxes. The percentages of net considerations shall be 65% for the first contract year and 87-1/2% for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be 65% of the portion of the total net consideration for any renewal contract year that exceeds by not more than 2 times the sum of those portions of the net considerations in all prior contract years for which the percentage was 65%. The $30.00 annual contract charge and the $1.25 collection charge shall be adjusted pursuant to subdivision (c).

(b) For contracts providing for a single consideration, the net consideration used to define the minimum nonforfeiture amount shall be the gross consideration less a contract charge of $75.00 and less any charge for premium taxes. The percentage of the net consideration shall be 90%. The $75.00 contract charge shall be adjusted pursuant to subdivision (c).

(c) The contract and collection charges shall be multiplied by the ratio of the consumer price index for June of the calendar year preceding the date of filing, to the consumer price index for June 1979. As used in this subdivision, the consumer price index means such index for all urban consumers for all items as published by the United States department of labor and as certified by the commissioner.

(5) A paid-up annuity benefit available under a modified guaranteed annuity contract shall be such that its present value on the annuity commencement date is at least equal to the minimum nonforfeiture amount on

that date. This present value shall be computed using the mortality table, if any, and the guaranteed or assumed interest rates used in calculating the annuity payments.

(6) For modified guaranteed annuity contracts that provide cash surrender benefits, the cash surrender benefit at any time prior to the annuity commencement date shall not be less than the minimum nonforfeiture amount next computed after the request for surrender is received by the insurer. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

(7) A modified guaranteed annuity contract that does not provide cash surrender benefits, or does not provide death benefits at least equal to the minimum nonforfeiture amount, prior to the annuity commencement date shall include a statement in a prominent place in the contract that such benefits are not provided.

(8) Notwithstanding the requirements of this section, a modified guaranteed annuity contract may provide that under either of the following situations the insurer, at its option, may cancel the annuity and pay the contract holder the larger of the unadjusted minimum nonforfeiture amount and the minimum nonforfeiture amount, and by such payment be released of any further obligation under the contract:

(a) If at the time the annuity becomes payable, the larger of the unadjusted minimum nonforfeiture amount and the minimum nonforfeiture amount is less than $2,000.00, or would provide an income the initial amount of which is less than $20.00 per month.

(b) If prior to the time the annuity becomes payable under a periodic payment contract no considerations have been received under the contract for a period of 2 full years and both the total considerations paid prior to such period, reduced to reflect any partial withdrawals from or partial surrenders of the contract, and the larger of the unadjusted minimum nonforfeiture amount and the minimum nonforfeiture amount is less than $2,000.00.

(9) For a modified guaranteed annuity contract that provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of subsection (2), additional benefits payable in the event of total and permanent disability, as reversionary annuity or deferred reversionary annuity benefits, or as other policy benefits additional to life insurance, endowment, and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender, and death benefits that may be required by this section. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender, and death benefits.

500.4119 Reserve liabilities.

Sec. 4119. Reserve liabilities for a modified guaranteed annuity shall be established in accordance with actuarial procedures that recognize that assets of the separate account are based on market values, the variable nature of benefits provided, and any mortality guarantees. At a minimum, the separate account liability shall equal the surrender value based upon the market-value adjustment formula contained in the contract. If that liability is greater than the asset's market value, a transfer of assets shall be made into the separate account so that the asset's market value at least equals that of the liabilities. Also, any additional reserve that is needed to cover future guaranteed benefits shall also be set up by the valuation actuary. The market-value adjustment formula, the interest guarantees, and the degree to which projected cash flow of assets and liabilities are matched shall also be considered. Each year, the valuation actuary shall provide an opinion on whether the assets in the separate account are adequate to provide all future benefits that are guaranteed.

CHAPTER 41A
ANNUITY RECOMMENDATION TO CONSUMERS

500.4151 Definitions.

Sec. 4151. As used in this chapter:

(a) "Annuity" means an annuity that is an insurance product under state law that is individually solicited, whether the product is classified as an individual or group annuity.

(b) "Cash compensation" means any discount, concession, fee, service fee, commission, sales charge, loan, override, or cash benefit received by a producer in connection with the recommendation or sale of an annuity from an insurer or intermediary, or directly from the consumer.

(c) "Consumer profile information" means information that is reasonably appropriate to determine whether a recommendation addresses the consumer's financial situation, insurance needs, and financial objectives, including, at a minimum, the following:

(*i*) Age.

(*ii*) Annual income.

(*iii*) Financial situation and needs, including debts and other obligations.

(*iv*) Financial experience.

(*v*) Insurance needs.

(*vi*) Financial objectives.

(*vii*) Intended use of the annuity.

(*viii*) Financial time horizon.

(*ix*) Existing assets or financial products, including investment, annuity, and insurance holdings.

(*x*) Liquidity needs.

(*xi*) Liquid net worth.

(*xii*) Risk tolerance, including, but not limited to, willingness to accept nonguaranteed elements in the annuity.

(*xiii*) Financial resources used to fund the annuity.

(*xiv*) Tax status.

(d) "Insurance producer" or "producer" means insurance producer as defined in section 1201 and includes a business entity described in section 1205(2) that is licensed as an insurance producer under this act. Insurance producer or producer includes an insurer if no producer is involved.

(e) "Intermediary" means an entity contracted directly with an insurer or with another entity contracted with an insurer to facilitate the sale of the insurer's annuities by producers.

(f) "Material conflict of interest" means a financial interest of the producer in the sale of an annuity that a reasonable person would expect to influence the impartiality of a recommendation. Material conflict of interest does not include cash compensation or noncash compensation.

(g) "Noncash compensation" means a form of compensation that is not cash compensation, including, but not limited to, health insurance, office rent, office support, and retirement benefits.

(h) "Nonguaranteed elements" means the premiums, credited interest rates, including any bonus, benefits, values, dividends, noninterest based credits, charges, or elements of formulas used to determine any of these, that are subject to company discretion and are not guaranteed at issue. An element is considered nonguaranteed if any of the underlying nonguaranteed elements are used in its calculation.

(i) "Recommendation" means advice provided by a producer to an individual consumer that was intended to result or does result in a purchase, exchange, or replacement of an annuity in accordance with that advice. Recommendation does not include general communication to the public, generalized customer services assistance or administrative support, general educational information and tools, prospectuses, or other product and sales material.

(j) "Replacement" or "replace" means a transaction in which a new annuity is to be purchased, and it is known or should be known to the proposing producer, or to the proposing insurer whether or not a producer is involved, that by reason of the transaction, an existing annuity or other insurance policy has been or is to be any of the following:

(*i*) Lapsed, forfeited, surrendered or partially surrendered, assigned to the replacing insurer, or otherwise terminated.

(*ii*) Converted to reduced paid-up insurance, continued as extended term insurance, or otherwise reduced in value by the use of nonforfeiture benefits or other policy values.

(*iv*) Reissued with any reduction in cash value.

(*v*) Used in a financed purchase.

500.4153 Scope of chapter.

Sec. 4153. (1) This chapter applies to any sale or recommendation of an annuity.

(2) Except as otherwise provided in this chapter, this chapter does not apply to any recommendation to purchase, exchange, or replace an annuity involving any of the following:

(a) Direct response solicitations if there is no recommendation based on information collected from the consumer.

(b) Contracts used to fund any of the following:

(*i*) An employee pension or welfare benefit plan that is covered by the employee retirement income security act of 1974, Public Law 93-406.

(*ii*) A plan described by 26 USC 401(a), 26 USC 401(k), 26 USC 403(b), 26 USC 408(k), or 26 USC 408(p), if established or maintained by an employer.

(*iv*) A nonqualified deferred compensation arrangement established or maintained by an employer or plan

sponsor.

(*v*) Settlements of or assumptions of liabilities associated with personal injury litigation or any dispute or claim resolution process.

(*vi*) Formal prepaid funeral contracts.

(3) This chapter does not require a producer to obtain any license other than a producer license with the appropriate line of authority to sell, solicit, or negotiate insurance in this state, including, but not limited to, any securities license, to fulfill the duties and obligations contained under this chapter if the producer does not give advice or provide services that are otherwise subject to securities laws or engage in any other activity requiring other professional licenses.

(4) This chapter does not create or imply a private cause of action for a violation of this chapter or subject a producer to civil liability under the standard of care outlined in section 4155 or under standards governing the conduct of a fiduciary or a fiduciary relationship.

History: Add. 2006, Act 399, Imd. Eff. Sept. 29, 2006;—Am. 2012, Act 544, Eff. June 1, 2013;—Am. 2020, Act 266, Eff. June 29, 2021.

500.4155 Purchase or exchange of annuity; recommendations; effort and obligation to act in best interest of consumer; reasonable basis; duties of producer; exceptions.

Sec. 4155. (1) A producer, when making a recommendation of an annuity, shall act in the best interest of the consumer under the circumstances known at the time the recommendation is made, without placing the producer's or the insurer's financial interest ahead of the consumer's interest. A producer is held to standards applicable to a producer with similar authority and licensure. A producer has acted in the best interest of the consumer if the producer has satisfied all of the following obligations regarding care, disclosure, conflict of interest, and documentation:

(a) Subject to subdivision (b), the producer, in making a recommendation, shall exercise reasonable diligence, care, and skill to do all of the following:

(*i*) Know the consumer's financial situation, insurance needs, and financial objectives.

(*ii*) Understand the available recommendation options after making a reasonable inquiry into options available to the producer.

(*iii*) Have a reasonable basis to believe the recommended option effectively addresses the consumer's financial situation, insurance needs, and financial objectives over the life of the product, as evaluated in light of the consumer profile information.

(*iv*) Communicate the basis or bases of the recommendation.

(b) All of the following apply to the obligation of exercising reasonable diligence, care, and skill under subdivision (a):

(*i*) To meet the obligations under subdivision (a), the producer must do all of the following:

(A) Make reasonable efforts to obtain consumer profile information from the consumer before the recommendation of an annuity. The consumer profile information, characteristics of the insurer, and product costs, rates, benefits, and features are those factors generally relevant in making a determination whether an annuity effectively addresses the consumer's financial situation, insurance needs, and financial objectives, but the level of importance of each factor under the care obligation of this subdivision may vary depending on the facts and circumstances of a particular case. However, each factor may not be considered in isolation.

(B) Consider the types of products the producer is authorized and licensed to recommend or sell that address the consumer's financial situation, insurance needs, and financial objectives. This sub-subparagraph does not require the producer to analyze or consider any products outside the authority and license of the producer or other possible alternative products or strategies available in the market at the time of the recommendation.

(C) Have a reasonable basis to believe the consumer would benefit from certain features of the annuity, such as annuitization, death or living benefit, or other insurance-related features.

(*ii*) The obligations under subdivision (a) apply to the particular annuity as a whole and the underlying subaccounts to which funds are allocated at the time of purchase or exchange of an annuity, and riders and similar product enhancements, if any.

(*iii*) The obligations under subdivision (a) do not require the producer to recommend the annuity with the lowest 1-time or multiple occurrence compensation structure.

(*iv*) The obligations under subdivision (a) do not mean the producer has ongoing monitoring obligations under the care obligation under subdivision (a), although the obligation may be separately owed under the terms of a fiduciary, consulting, investment advising, or financial planning agreement between the consumer and the producer.

(c) For an exchange or replacement of an annuity, the producer shall consider the whole transaction, which

includes taking into consideration all of the following:

(*i*) Whether the consumer will incur a surrender charge, be subject to the commencement of a new surrender period, lose existing benefits, such as death, living, or other contractual benefits, or be subject to increased fees, investment advisory fees, or charges for riders and similar product enhancements.

(*ii*) Whether the replacing product would substantially benefit the consumer in comparison to the replaced product over the life of the product.

(*iii*) Whether the consumer has had another annuity exchange or replacement and, in particular, an exchange or replacement within the preceding 60 months.

(d) Before the recommendation or sale of an annuity, the producer shall prominently disclose to the consumer on a form issued by the director all of the following information:

(*i*) A description of the scope and terms of the relationship with the consumer and the role of the producer in the transaction.

(*ii*) An affirmative statement on whether the producer is licensed and authorized to sell all of the following products:

(A) Fixed annuities.

(B) Fixed indexed annuities.

(C) Variable annuities.

(D) Life insurance.

(E) Mutual funds.

(F) Stocks and bonds.

(G) Certificates of deposit.

(*iii*) An affirmative statement describing the insurers the producer is authorized, contracted or appointed, or otherwise able to sell insurance products for, using any of the following descriptions:

(A) One insurer.

(B) From 2 or more insurers.

(C) From 2 or more insurers although primarily contracted with 1 insurer.

(*iv*) A description of the sources and types of cash compensation and noncash compensation to be received by the producer, including whether the producer is to be compensated for the sale of a recommended annuity by commission as part of premium or other remuneration received from the insurer, intermediary, or other producer or by fee as a result of a contract for advice or consulting services.

(*v*) A notice of the consumer's right to request additional information regarding cash compensation described in subdivision (e).

(e) On request of the consumer or the consumer's designated representative, the producer shall disclose both of the following:

(*i*) A reasonable estimate of the amount of cash compensation to be received by the producer, which may be stated as a range of amounts or percentages.

(*ii*) Whether the cash compensation is a 1-time or multiple occurrence amount and, if a multiple occurrence amount, the frequency and amount of the occurrence, which may be stated as a range of amounts or percentages.

(f) Before or at the time of the recommendation or sale of an annuity, the producer must have a reasonable basis to believe the consumer has been informed of various features of the annuity, such as the potential surrender period and surrender charge, potential tax penalty if the consumer sells, exchanges, surrenders, or annuitizes the annuity, mortality and expense fees, investment advisory fees, any annual fees, potential charges for and features of riders or other options of the annuity, limitations on interest returns, potential changes in nonguaranteed elements of the annuity, insurance and investment components, and market risk.

(g) A producer shall identify and avoid or reasonably manage and disclose material conflicts of interest, including material conflicts of interest related to an ownership interest.

(h) A producer shall at the time of recommendation or sale do all of the following:

(*i*) Make a written record of any recommendation and the basis for the recommendation subject to this chapter.

(*ii*) Obtain a consumer signed statement on a form that documents both of the following:

(A) The consumer's refusal to provide the consumer profile information, if any.

(B) The consumer's understanding of the ramifications of not providing his or her consumer profile information or providing insufficient consumer profile information.

(*iii*) Obtain a consumer signed statement on a form acknowledging the annuity transaction is not recommended if a consumer decides to enter into an annuity transaction that is not based on the producer's recommendation.

(2) The requirements under subsection (1) do not create a fiduciary obligation or relationship and create

only a regulatory obligation as established under this chapter.

(3) Any requirement applicable to a producer under subsection (1) applies to each producer who has exercised material control or influence in the making of a recommendation and has received direct compensation as a result of the recommendation or sale, regardless of whether the producer has had any direct contact with the consumer. Activities such as providing or delivering marketing or educational materials, product wholesaling, or other back office product support, and general supervision of a producer do not, in and of themselves, constitute material control or influence.

(4) Except as provided under subsection (5), a producer does not have any obligation to a consumer under subsection (1) related to any annuity transaction if any of the following apply:

(a) A recommendation is not made.

(b) A recommendation was made and was later found to have been prepared based on materially inaccurate information provided by the consumer.

(c) A consumer refuses to provide relevant consumer profile information and the annuity transaction is not recommended.

(d) A consumer decides to enter into an annuity transaction that is not based on a recommendation of the insurer or the insurance producer.

(5) An insurer's issuance of an annuity subject to subsection (4) must be reasonable under all the circumstances actually known to the insurer at the time the annuity is issued.

(6) Except as permitted under subsections (4) and (5), an insurer shall not issue an annuity recommended to a consumer unless there is a reasonable basis to believe the annuity would effectively address the particular consumer's financial situation, insurance needs, and financial objectives based on the consumer's consumer profile information.

History: Add. 2006, Act 399, Imd. Eff. Sept. 29, 2006;—Am. 2012, Act 544, Eff. June 1, 2013;—Am. 2020, Act 266, Eff. June 29, 2021.

500.4157 Repealed. 2012, Act 544, Eff. June 1, 2013.

Compiler's note: The repealed section pertained to system to supervise recommendations of insurance providers.

500.4158 Insurer's supervision system.

Sec. 4158. (1) An insurer shall establish and maintain a supervision system that is reasonably designed to achieve the insurer's and its producers' compliance with this chapter, including, but not limited to, all of the following:

(a) Establish and maintain reasonable procedures to inform its producers of the requirements of this chapter and incorporate the requirements of this chapter into relevant producer training manuals.

(b) Establish and maintain standards for producer product training and maintain reasonable procedures to require its producers to comply with section 4160.

(c) Provide product-specific training and training materials that explain all material features of its annuity products to its producers.

(d) Establish and maintain procedures for review of each recommendation before issuance of an annuity that are designed to ensure there is a reasonable basis to determine that the recommended annuity would effectively address the particular consumer's financial situation, insurance needs, and financial objectives. Review procedures may apply a screening system for the purpose of identifying selected transactions for additional review and may be accomplished electronically or through other means, including, but not limited to, physical review. An electronic or other system may be designed to require additional review only of those transactions identified for additional review by the selection criteria.

(e) Establish and maintain reasonable procedures to detect recommendations that are not in compliance with section 4155. These may include, but are not limited to, confirmation of the consumer's profile information, systematic consumer surveys, producer and consumer interviews, confirmation letters, producer statements and attestations, and programs of internal monitoring. This subdivision does not prevent an insurer from complying with this subdivision by applying sampling procedures or by confirming the consumer profile information or other required information under this section after issuance or delivery of the annuity.

(f) Establish and maintain reasonable procedures to assess, before or on issuance or delivery of an annuity, whether a producer has provided to the consumer the information required to be provided under section 4155.

(g) Establish and maintain reasonable procedures to identify and address suspicious consumer refusals to provide consumer profile information.

(h) Establish and maintain reasonable procedures to identify and eliminate any sales contests, sales quotas, bonuses, and noncash compensation that are based on the sales of specific annuities within a limited period of time. The requirements of this subdivision are not intended to prohibit the receipt of health insurance, office

rent, office support, retirement benefits, or other employee benefits by employees if those benefits are not based on the volume of sales of a specific annuity within a limited period of time.

(i) Annually provide a written report to senior management, including to the senior manager responsible for audit functions, that details a review, with appropriate testing, reasonably designed to determine the effectiveness of the supervision system, the exceptions found, and corrective action taken or recommended, if any.

(2) This section does not restrict an insurer from contracting for performance of a function, including maintenance of procedures, required under subsection (1). An insurer shall take appropriate corrective action and may be subject to sanctions and penalties under this act regardless of whether the insurer contracts for performance of a function and regardless of the insurer's compliance with subsection (3).

(3) An insurer's supervision system under this section must include supervision of contractual performance. This includes, but is not limited to, the following:

(a) Monitoring and, as appropriate, conducting audits to assure that the contracted function is properly performed.

(b) Annually obtaining a certification from a senior manager who has responsibility for the contracted function that the manager has a reasonable basis to represent, and does represent, that the function is properly performed.

(4) An insurer is not required to include either of the following in its system of supervision:

(a) A producer's recommendations to consumers of products other than the annuities offered by the insurer.

(b) Consideration of or comparison to options available to the producer or compensation relating to those options other than annuities or other products offered by the insurer.

History: Add. 2012, Act 544, Eff. June 1, 2013;—Am. 2020, Act 266, Eff. June 29, 2021.

500.4159 Dissuading consumer from certain acts prohibited.

Sec. 4159. A producer shall not dissuade, or attempt to dissuade, a consumer from any of the following:

(a) Truthfully responding to an insurer's request for confirmation of the consumer profile information.

(b) Filing a complaint.

(c) Cooperating with the investigation of a complaint.

History: Add. 2012, Act 544, Eff. June 1, 2013;—Am. 2020, Act 266, Eff. June 29, 2021.

500.4160 Sale of annuities; completion of annuity training course; requirements.

Sec. 4160. (1) A producer shall not solicit the sale of an annuity unless the producer has adequate knowledge of the product to recommend the annuity and the producer is in compliance with the insurer's standards for product training. A producer may rely on insurer-provided product-specific training standards and materials to comply with this subsection.

(2) A producer who engages in the sale of annuities shall complete a 1-time 4-credit training course approved by the director and provided by an insurance producer program of study registered under chapter 12. Insurance producers who hold a life insurance line of authority on June 1, 2013 and who desire to sell annuities shall complete the requirements of this subsection by December 1, 2013. Individuals who obtain a life insurance line of authority after May 31, 2013 shall not engage in the sale of annuities until the annuity training course required under this subsection has been completed.

(3) The minimum length of the training required under subsection (2) must be not less than 4 hours, as defined in section 1204c, and may be longer.

(4) The training required under subsection (2) must include information on all of the following:

(a) The types of annuities and various classifications of annuities.

(f) Appropriate standard of conduct, sales practices, and replacement and disclosure requirements.

(5) Registered insurance producer programs of study must cover all topics under subsection (4) and must not present any marketing information or provide training on sales techniques or provide specific information about a particular insurer's products. Additional topics may be offered in conjunction with and in addition to the topics under subsection (4).

(6) A provider of an annuity training course intended to comply with this section shall register with the director as a continuing education provider in this state and comply with any requirements of the director applicable to insurance producer continuing education.

(7) A producer who has completed an annuity training course approved by the director before the effective

date of the 2020 amendatory act that amended this section shall, within 6 months after the effective date of the 2020 amendatory act that amended this section, complete either of the following:

(a) A new 4-credit training course approved by the director after the effective date of the 2020 amendatory act that amended this section.

(b) An additional 1-time 1-credit training course approved by the director and provided by the department-approved education provider on appropriate sales practices, replacement, and disclosure requirements under this chapter.

(8) Annuity training courses may be conducted and completed by classroom or self–study methods in accordance with requirements of the director.

(9) Providers of annuity training shall comply with any reporting requirements imposed by the director and shall issue certificates of completion in accordance with any requirements of the director.

(10) The satisfaction of the training requirements of another state that the director determines to be substantially similar to this section satisfies the training requirements of this section.

(11) The satisfaction of the components of the training requirements of any course or courses with components substantially similar to this section satisfies the training requirements of this section.

(12) An insurer shall verify that an insurance producer has completed the annuity training course required under this section before allowing the producer to sell an annuity for that insurer. An insurer may satisfy its responsibility under this section by obtaining certificates of completion of the training course or obtaining reports provided by director-sponsored database systems or vendors or from a reasonably reliable commercial database vendor that has a reporting arrangement with a registered insurance producer program of study.

500.4163 Records; maintenance, availability.

Sec. 4163. (1) An insurer and an insurance producer shall maintain or be able to make available to the commissioner records of the information collected from the consumer and other information used in making the recommendations that were the basis for insurance transactions for 5 years after the insurance transaction is completed by the insurer. An insurer is permitted, but is not required, to maintain documentation on behalf of an insurance producer.

(2) Records required to be maintained by this chapter may be maintained in paper, photographic, microprocess, magnetic, mechanical, or electronic media or by any process that accurately reproduces the actual document.

History: Add. 2006, Act 399, Imd. Eff. Sept. 29, 2006.

500.4165 Applicability of subsections; definitions.

Sec. 4165. (1) Subject to subsection (2), a recommendation or sale made in compliance with comparable standards satisfies the requirements of this chapter. This subsection applies to a recommendation or sale of an annuity made by a financial professional in compliance with business rules, controls, and procedures that satisfy a comparable standard even if the standard would not otherwise apply to the product or recommendation at issue. However, this subsection does not limit the director's ability to investigate and enforce this chapter.

(2) Subsection (1) applies if the insurer does both of the following:

(a) Monitors the relevant conduct of the financial professional seeking to rely on subsection (1) or the entity responsible for supervising the financial professional, such as the financial professional's broker-dealer or an investment adviser registered under federal securities laws using information collected in the normal course of the insurer's business.

(b) Provides to the entity responsible for supervising the financial professional seeking to rely on subsection (1), such as the financial professional's broker-dealer or investment adviser registered under federal securities laws, information and reports that are reasonably appropriate to assist the entity to maintain its supervision system.

(3) Subsection (1) does not limit an insurer's obligation to comply with section 4155(6). However, an insurer may base its analysis on information received from either the financial professional or the entity supervising the financial professional.

(4) As used in this section:

(a) "Comparable standards" means all of the following, as applicable:

(*i*) With respect to broker-dealers and registered representatives of broker-dealers, applicable United States Securities and Exchange Commission and Financial Industry Regulatory Authority rules pertaining to best interest obligations and supervision of annuity recommendations and sales, including, but not limited to, Regulation Best Interest.

500.4166 Compliance with chapter; violation orders.

Sec. 4166. (1) An insurer is responsible for compliance with this chapter. If a violation occurs, either because of the action or inaction of the insurer or its producer, the director may order any of the following:

(a) The insurer to take reasonably appropriate corrective action for any consumer harmed by a failure to comply with this chapter by the insurer, an entity contracted to perform the insurer's supervisory duties, or the producer.

(b) The producer to take reasonably appropriate corrective action for any consumer harmed by the producer's violation of this chapter.

(c) Appropriate sanctions.

(2) Any order under subsection (1) for a violation of this chapter may be reduced or eliminated by the director if corrective action for the consumer was taken promptly after a violation was discovered or the violation was not part of a pattern or practice.

CHAPTER 47
SPECIAL PURPOSE FINANCIAL CAPTIVES

500.4701 Definitions.

Sec. 4701. As used in this chapter:

(a) "Affiliated company" means a company in the same corporate system as a parent, by virtue of common ownership, control, operation, or management.

(b) "Captive LLC" means a limited liability company established under the Michigan limited liability company act, 1993 PA 23, MCL 450.4101 to 450.5200, or a comparable law of another state, including the District of Columbia, by a parent, counterparty, affiliated company, or SPFC for the purpose of issuing SPFC securities, entering an SPFC contract with a counterparty, or otherwise facilitating an insurance securitization.

(c) "Contested case" means a proceeding in which the legal rights, duties, obligations, or privileges of a party are required by law to be determined by the circuit court after an opportunity for hearing.

(d) "Control" including the terms "controlling", "controlled by", and "under common control with" means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is presumed to exist if a person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing 10% or more of the voting securities of another person. This presumption may be rebutted by a showing that control does not exist. However, for purposes of this chapter, the fact that an SPFC exclusively provides reinsurance to a ceding insurer under an SPFC contract is not by itself sufficient grounds for a finding that the SPFC and ceding insurer are under common control.

(e) "Counterparty" means an SPFC's parent or affiliated company, or, subject to the prior approval of the director, a nonaffiliated company as ceding insurer to the SPFC contract.

(f) "Fair value" means the following:

(*i*) For cash, the amount of the cash.

(*ii*) For an asset other than cash, the amount at which the asset could be bought or sold in a current transaction between arm's length, willing parties. If available, the quoted mid-market price for the asset in active markets must be used; and if quoted mid-market prices are not available, a value must be determined using the best information available considering values of similar assets and other valuation methods, such as present value of future cash flows, historical value of the same or similar assets, or comparison to values of other asset classes, the value of which have been historically related to the subject asset.

(g) "Foreign captive" means a captive insurer formed under the laws of the District of Columbia or a state, commonwealth, territory, or possession of the United States other than this state.

(h) "Insolvency" or "insolvent" means 1 or more of the following:

(*i*) That the SPFC is unable to pay its obligations within 30 days after they are due, unless those obligations are the subject of a bona fide dispute.

(*ii*) That the admitted assets of the SPFC do not exceed liabilities plus minimum capital and surplus for a period of time in excess of 30 days.

(*iii*) That the Ingham County circuit court has issued an order as provided for in section 8113, 8117, or

8120 in connection with a delinquency proceeding under chapter 81 instituted against the SPFC.

(i) "Insurance securitization" means a package of related risk transfer instruments, capital market offerings, and facilitating administrative agreements by which all of the following apply:

(*i*) The proceeds of the sale of SPFC securities are obtained, in a transaction that complies with applicable securities laws, by an SPFC directly through the issuance of the SPFC securities by the SPFC or indirectly through the issuance of preferred securities by the SPFC in exchange for some or all of the proceeds of the sale of SPFC securities by the SPFC's parent, an affiliated company of the SPFC, a counterparty, or a captive LLC.

(*ii*) The proceeds of the issuance of the SPFC securities secure the obligations of the SPFC under 1 or more SPFC contracts with a counterparty.

(*iii*) The obligation to the holders of the SPFC securities is secured by assets obtained with proceeds of the SPFC securities in accordance with the transaction terms.

(j) "Irrevocable letter of credit" means a letter of credit that meets the description in section 1105(c).

(k) "Management" means the board of directors, managing board, or other individual or individuals vested with overall responsibility for the management of the affairs of the SPFC, including the election and appointment of officers or other agents to act on behalf of the SPFC.

(*l*) "Office" means the department.

(m) "Organizational document" means the SPFC's articles of incorporation, articles of organization, bylaws, operating agreement, or other foundational documents that establish the SPFC as a legal entity or prescribes its existence.

(n) "Parent" means a corporation, limited liability company, partnership, or individual that directly or indirectly owns, controls, or holds with power to vote more than 50% of the outstanding voting securities of an SPFC.

(o) "Permitted investments" means those investments that meet the qualifications in section 4727(1).

(p) "Preferred securities" means securities, whether stock or debt, issued by an SPFC to the issuer of the SPFC securities in exchange for some or all of the proceeds of the issuance of the SPFC securities.

(q) "Protected cell" means a segregated account established and maintained by an SPFC for 1 or more SPFC contracts that are part of a single securitization transaction as further provided for in chapter 48.

(r) "Qualified United States financial institution" means that term as defined in section 1101.

(s) "Reserves" means that term as used in chapter 8.

(t) "Safe, reliable, and entitled to public confidence" means that term as defined in section 116.

(u) "Securities" means those different types of debt obligations, equity, surplus certificates, surplus notes, funding agreements, derivatives, and other legal forms of financial instruments.

(v) "Securities commissioner" means the securities administrator in the department of licensing and regulatory affairs.

(w) "SPFC" or "special purpose financial captive" means a captive insurance company, a captive LLC, or a company otherwise qualified as an authorized insurer that has received a limited certificate of authority from the director for the purposes provided for in this chapter.

(x) "SPFC contract" means a contract between the SPFC and the counterparty pursuant to which the SPFC agrees to provide insurance or reinsurance protection to the counterparty for risks associated with the counterparty's insurance or reinsurance business.

(y) "SPFC securities" means the securities issued pursuant to an insurance securitization, the proceeds of which are used in the manner described in subdivision (i).

(z) "Surplus note" means an unsecured subordinated debt obligation possessing characteristics consistent with accounting practices and procedures designated by the director.

(aa) "Third party" means a person unrelated to an SPFC or its counterparty, or both, that has been aggrieved by a decision of a director regarding that SPFC or its activities.

(4) The organizational documents of an SPFC may contain a provision providing that a director is not personally liable to the corporation or its shareholders or policyholders for monetary damages for a breach of the director's fiduciary duty. However, the provision does not eliminate or limit the liability of a director for any of the following:

(a) A breach of the director's duty of loyalty to the corporation or its shareholders or policyholders.

(b) Acts or omissions not in good faith or that involve intentional misconduct or knowing violation of law.

(c) A transaction from which the director derived an improper personal benefit.

(5) Before the organizational documents shall be effective for the purposes of this chapter, the

If such documents are found to be in compliance with this chapter, the office of the attorney general shall so certify to the commissioner. Each applicant for an SPFC limited certificate of authority that submits its organizational documents to the office of the attorney general shall pay to the attorney general the examination fee provided in section 240(2).

(b) An SPFC shall pay an annual renewal fee by March 1 of each calendar year. However, an SPFC that is authorized under both chapter 46 and this chapter and that pays the renewal fee provided in section 4625(5) is exempt from paying this renewal fee. The annual renewal fee shall be calculated based upon the annual volume of insurance or reinsurance premiums received by the SPFC as follows:

500.4713 Protected cells; creation and use by SPFC; written approval of commissioner; possession of minimum capitalization; fraudulent purpose not inferred.

Sec. 4713. (1) This section and section 4715 provide a basis for the creation and use of protected cells by an SPFC. If a conflict occurs between a provision of chapter 46 or chapter 48 and either this section or section 4715, this section and section 4715 control.

(2) An SPFC may establish and maintain 1 or more protected cells with prior written approval of the commissioner and subject to compliance with the applicable provisions of this chapter and the following conditions:

(a) A protected cell shall be established only for the purpose of isolating and identifying the assets and liabilities attributable to the risk ceded to the SPFC by the counterparty pursuant to 1 or more SPFC contracts and the assets and liabilities of the SPFC arising out of the related insurance securitization.

(b) Each protected cell shall be accounted for separately on the books and records of the SPFC to reflect the financial condition and results of operations of the protected cell, including income, gain, expense, or loss; dividends; other distributions to the counterparty for the SPFC contract with each cell; and other items as may be provided in the SPFC contract, insurance securitization transaction documents, plan of operation, or business plan, or as required by the commissioner.

(c) Amounts attributed to a protected cell under this chapter, including assets transferred to a protected cell account, are owned by the SPFC, and the SPFC shall not be, or shall not hold itself out to be, a trustee with respect to those protected cell assets of that protected cell account.

(d) All attributions of assets and liabilities between a protected cell and the general account shall be in accordance with the plan of operation submitted to the commissioner. No other attribution of assets or liabilities shall be made by an SPFC between the SPFC's general account and its protected cell or cells. The SPFC shall attribute all insurance obligations, assets, and liabilities relating to an SPFC contract and all obligations, assets, and liabilities of the SPFC arising out of the related insurance securitization transaction to a particular protected cell. The rights, benefits, obligations, and liabilities of any securities attributable to that protected cell, the performance under an SPFC contract and the related securitization transaction, and any tax benefits, losses, refunds, or credits allocated at any point in time pursuant to a tax allocation agreement between the SPFC and the SPFC's counterparty, parent, or affiliated company, as the case may be, including any payments made by or due to be made to the SPFC pursuant to the terms of the tax allocation agreement, shall reflect the insurance obligations, assets, and liabilities relating to the SPFC contract and proceeds of the insurance securitization transaction that are attributed to a particular protected cell.

(e) The assets of a protected cell shall not be chargeable with liabilities arising out of an SPFC contract related to or associated with another protected cell. However, 1 or more SPFC contracts may be attributed to a protected cell so long as those SPFC contracts are intended to be, and ultimately are, part of a single securitization transaction.

(f) A sale, an exchange, or another transfer of assets shall not be made by the SPFC between or among any of its protected cells without the consent of the counterparty and each protected cell.

(g) Except as otherwise contemplated in the SPFC contract or related insurance securitization transaction documents, or both, a dividend or a distribution shall not be made from a protected cell to a counterparty, captive LLC, or parent or affiliated company of the SPFC without the commissioner's approval and shall not be approved if the dividend or distribution would result in insolvency or impairment with respect to a protected cell.

(h) Except as otherwise contemplated in the SPFC contract or related insurance securitization transaction documents, or both, a sale, an exchange, or a transfer of assets shall not be made from a protected cell to a counterparty, captive LLC, or parent or affiliated company of the SPFC if the sale, exchange, or transfer would result in insolvency or impairment with respect to the protected cell.

(i) An SPFC shall pay interest or repay principal or both or make distributions or repayments of any SPFC securities issued by the SPFC or make payments of preferred securities issued to a particular protected cell from assets or cash flows relating to or emerging from the SPFC contract and the insurance securitization transactions that are attributable to that particular protected cell as provided in this chapter or as otherwise approved by the commissioner.

(3) An SPFC contract with or attributable to a protected cell does not take effect without the commissioner's prior written approval. The commissioner may retain legal, financial, and examination services from outside the office to examine and investigate the application for a protected cell, the reasonable cost of which may be charged against the applicant, or the commissioner may use internal resources to examine and investigate the application the reasonable cost of which may be charged against the applicant up to a maximum of $1,200.00, or may use both retained services and internal resources.

(4) An SPFC utilizing protected cells shall possess minimum capitalization for each protected cell separate and apart from the capitalization required by section 4709. For purposes of determining the capitalization of each protected cell, an SPFC initially shall capitalize and after that time maintain capitalization in each protected cell in the amount and manner required for an SPFC in section 4709.

(5) The establishment of 1 or more protected cells alone does not constitute, and shall not be considered to be, a fraudulent conveyance, an intent by the SPFC to defraud creditors, or the carrying out of business by the SPFC for any other fraudulent purpose.

500.4715 Protected cell; consideration as separate person; purposes; distinct name or designation; subject to orders of court; service of process; contract with third party advisor or manager; recourse by creditors; availability of assets; attachment of security interest to protected cell; identification of protected cell assets and liabilities; provisions in contracts or other documentation; income; crediting to or charging against protected cell; investment or reinvestment of amounts; annual report; notification of insolvency.

Sec. 4715. (1) The creation of a protected cell does not create, with respect to that protected cell, a legal person separate from the SPFC.

(2) Notwithstanding subsection (1), if an order of conservation, rehabilitation, or liquidation is entered for a counterparty, the SPFC and each protected cell of the SPFC shall be considered separate persons for purposes of any offset undertaken as part of the conservation, rehabilitation, or liquidation, such that any offset of mutual debts and credits between the counterparty and either the SPFC or any protected cell shall not involve the debts and credits of any other protected cell or, if the offset involves a protected cell, the SPFC.

(3) Notwithstanding subsection (1), a protected cell shall have its own distinct name or designation that includes the words "protected cell". The SPFC shall transfer all assets attributable to the protected cell to 1 or more separately established and identified protected cell accounts bearing the name or designation of that protected cell.

(4) Although the protected cell is not a separate legal person, the property of an SPFC in a protected cell is subject to orders of a court by name as it would have been if the protected cell were a separate legal person.

(5) The property of an SPFC in a protected cell shall be served in its own name with process in all civil actions or proceedings involving or relating to the activities of that protected cell or a breach by the SPFC of a duty to the protected cell or to a counterparty to a transaction linked or attributed to it by serving the SPFC in the manner described in section 1920 of the revised judicature act of 1961, 1961 PA 236, MCL 600.1920.

(6) A protected cell exists only at the pleasure of the SPFC. At the cessation of business of a protected cell in accordance with the plan of operation submitted to the commissioner, the SPFC voluntarily shall close out the protected cell account.

(7) Nothing in this section shall be construed to prohibit an SPFC from contracting with, or arranging for, an investment advisor, commodity trading advisor, or other third party to manage the assets of a protected cell, if all remuneration, expenses, and other compensation of the third party advisor or manager are payable from the assets of that protected cell and not from the assets of other protected cells or the assets of the SPFC's general account.

(8) Creditors to a protected cell are not entitled to have recourse against the protected cell assets of other protected cells or the assets of the SPFC's general account. If an obligation of an SPFC relates only to the general account, the obligation of the SPFC extends only to that creditor for that obligation and that creditor is entitled to have recourse only to the assets of the SPFC's general account.

(9) The assets of the protected cell shall not be used to pay expenses or claims other than those attributable to the protected cell. Protected cell assets are available only to the SPFC counterparty and other creditors of the SPFC that are creditors only to that protected cell and, accordingly, are entitled, in conformity with this chapter, to have recourse to the protected cell assets attributable to that protected cell. Protected cell assets are absolutely protected from the creditors of the SPFC that are not creditors with respect to that protected cell and who, accordingly, are not entitled to have recourse to the protected cell assets attributable to that protected cell. If an obligation of an SPFC to a person or counterparty arises from an SPFC contract or related insurance securitization transaction or is otherwise incurred for a protected cell, both of the following apply:

(a) That obligation of the SPFC extends only to the protected cell assets attributable to that protected cell, and the person or counterparty, for that obligation, is entitled to have recourse only to the protected cell assets attributable to that protected cell.

(b) That obligation of the SPFC does not extend to the protected cell assets of another protected cell or the

assets of the SPFC's general account, and that person, for that obligation, is not entitled to have recourse to the protected cell assets of another protected cell or the assets of the SPFC's general account. The SPFC's capitalization of its protected cell or cells as required by section 4713(4) shall be available at all times to pay expenses of or claims against the SPFC and shall not be used to pay expenses or claims attributable to any protected cell.

(10) Notwithstanding any other provision of law, an SPFC may allow for a security interest in accordance with applicable law to attach to protected cell assets or a protected cell account when in favor of a creditor of the protected cell or to facilitate the insurance securitization, including, without limitation, the issuance of the SPFC contract, to the extent those protected cell assets are not required at all times to support the risk, but without otherwise affecting the discharge of liabilities under the SPFC contract, or as otherwise approved by the commissioner.

(11) An SPFC shall establish administrative and accounting procedures necessary to properly identify the 1 or more protected cells of the SPFC and the assets and liabilities of each protected cell. The directors of an SPFC shall keep protected cell assets and liabilities separate and separately identifiable from the assets and liabilities of the SPFC's general account. The assets and liabilities attributable to 1 protected cell shall be kept separate and separately identifiable from the assets and liabilities attributable to other protected cells.

(12) All contracts or other documentation reflecting protected cell liabilities shall indicate clearly that only the protected cell assets are available for the satisfaction of those protected cell liabilities. In all SPFC insurance securitizations involving a protected cell, including the issuance of preferred securities, the contracts or other documentation effecting the transaction shall contain provisions identifying the protected cell to which the transaction is attributed. In addition, the contracts or other documentation shall disclose clearly that the assets of that protected cell, and only those assets, are available to pay the obligations of that protected cell. Notwithstanding the provisions of this subsection and subject to the provisions of this chapter and any other applicable law or regulation, the failure to include this language in the contracts or other documentation shall not be used as the sole basis by creditors, insureds or reinsureds, insurers or reinsurers, or other claimants to circumvent this section.

(13) The income, and gains and losses, whether realized or unrealized, from protected cell assets and protected cell liabilities shall be credited to or charged against the protected cell without regard to other income and gains or losses of the SPFC, including income and gains or losses of other protected cells. Amounts attributed to any protected cell and accumulations on the attributed amounts may be invested and reinvested. The investments in a protected cell or cells shall not be taken into account in applying the investment limitations otherwise applicable to the investments of the SPFC.

(14) An SPFC with protected cells shall file annually with the office accounting statements and financial reports required by this chapter that, among other things, shall do all of the following:

(a) Detail the financial experience of each protected cell and the SPFC separately.

(b) Provide the combined financial experience of the SPFC and all protected cells.

(c) Account for the financial experience of each protected cell and the SPFC, both separately and on a combined basis, in satisfaction of section 4731(4).

(15) An SPFC with protected cells shall notify the commissioner in writing within 10 business days of a protected cell becoming insolvent.

500.4717 Issuance of SPFC securities.

Sec. 4717. (1) An SPFC may issue securities, including SPFC securities and preferred securities, surplus notes, and other forms of financial instruments, subject to and in accordance with applicable law, the SPFC's approved plan of operation, and its organizational documents.

(2) An SPFC, its parent or an affiliated company, its counterparty, or a captive LLC may issue SPFC securities and any other securities necessary to implement the insurance securitization.

(3) Preferred securities may be issued by the SPFC to the issuer of the SPFC securities in connection with the insurance securitization in order to facilitate distributions to service SPFC securities and these preferred securities shall identify the associated protected cell. The SPFC may lawfully account for preferred securities as surplus and not as debt for purposes of statutory accounting.

(4) An SPFC, in connection with the issuance of securities, may enter into and perform all of its obligations under any required contracts to facilitate the issuance of these securities.

(5) Subject to the commissioner's approval, the issuer of the SPFC securities or, if the issuer is a captive LLC, the party controlling the captive LLC, may lawfully account for the SPFC securities as surplus and not as debt for purposes of statutory accounting and submit for the commissioner's prior approval periodic written

requests for payments of interest on and repayments of principal of surplus notes.

(6) Surplus notes issued pursuant to this section constitute surplus or contribution notes of the type described in section 8142(1)(h).

(7) The commissioner, without otherwise prejudicing the commissioner's authority, may approve formulas for an ongoing plan of interest payments, principal repayments, or both interest payments and principal repayments, to provide guidance in connection with his or her ongoing reviews of requests to approve the payments on and principal repayments of the surplus notes.

(8) The obligation to repay principal or interest, or both, on the SPFC securities shall reflect, in whole or in part, the risk associated with the obligations of the SPFC to the counterparty under the SPFC contract, either directly or by being secured by assets, including the preferred securities, obtained with the proceeds of the sale of the SPFC securities.

(b) Obligates the SPFC to indemnify the counterparty for losses.

(c) Provides that contingent obligations of the SPFC under the SPFC contract are securitized through an SPFC insurance securitization and are funded and secured with assets held in trust for the benefit of the counterparty pursuant to this chapter and under agreements contemplated by this chapter and that are invested in a manner that meet the criteria under section 4727.

(2) An SPFC may enter into agreements with affiliated companies and third parties and conduct business necessary to fulfill its obligations and administrative duties incidental to the insurance securitization and the SPFC contract. (b) A stipulation that assets deposited in the trust account shall be valued according to their current fair value and shall consist only of permitted investments.

(c) A requirement for the SPFC, before depositing assets with the trustee, to execute assignments, endorsements in blank, or to transfer legal title to the trustee of all shares, obligations, or any other assets requiring assignments, in order that the counterparty, or the trustee upon the direction of the counterparty, may negotiate whenever necessary the assets without consent or signature from the SPFC or another entity.

(d) A requirement that all settlements of account between the counterparty and the SPFC be made in cash or its equivalent.

(e) A stipulation that the SPFC and the counterparty agree that the assets in the trust account, established pursuant to the SPFC contract, are under the control of the counterparty and may be withdrawn by the counterparty at any time, notwithstanding any other provisions in the SPFC contract, and shall be utilized and applied by the counterparty or any successor by operation of law of the counterparty, including, subject to the provisions of section 4741, but without further limitation, any liquidator, rehabilitator, receiver, or conservator of the counterparty, without diminution because of insolvency on the part of the counterparty or the SPFC, only for the following purposes:

(*i*) To transfer all of the assets into 1 or more trust accounts for the benefit of the counterparty pursuant to the terms of the SPFC contract and in compliance with this chapter.

(*ii*) To pay any other incurred and paid amounts that the counterparty claims are due pursuant to the terms of the SPFC contract and in compliance with this chapter.

(4) The SPFC contract may contain provisions that give the SPFC the right to seek approval from the counterparty to withdraw from the trust all or part of the assets, or income from them, contained in the trust and to transfer the assets to the SPFC, provided that at the time of the withdrawal, the SPFC shall replace the withdrawn assets, excluding any income withdrawn, with other assets having a fair value equal to the fair value of the assets withdrawn and that meet the provisions of section 4727; and after the withdrawals and transfer, the fair value of the assets in trust securing the obligations of the SPFC under the SPFC contract is no less than an amount needed to satisfy the funded requirement of the SPFC contract. The counterparty shall be the sole judge as to the application of these provisions but shall not unreasonably nor arbitrarily withhold its approval.

(a) The assets of an SPFC shall be preserved and administered by or on behalf of the SPFC to satisfy the liabilities and obligations of the SPFC incident to the SPFC contract with the counterparty, the issuance of preferred securities, or the insurance securitization and other related agreements.

(b) Assets held by an SPFC in trust shall be valued at their fair value.

(c) The proceeds from the sale of SPFC securities pursuant to the insurance securitization shall be deposited with the trustee to the extent required to secure the obligations of the SPFC under the SPFC contract as provided by this chapter and shall be held or invested by the trustee pursuant to section 4727 and an asset management agreement, if any.

(d) Assets of the SPFC, other than those held in trust for the counterparty, and income on trust assets received by the SPFC may be used to pay interest or other consideration on any SPFC securities or other securities or outstanding debt or payments on preferred securities or other obligation of the SPFC. Nothing in this chapter shall be construed or interpreted to prevent an SPFC from entering into a swap agreement or other asset management transaction that has the effect of hedging or guaranteeing the fixed or floating interest rate returns paid on the assets in trust or required for the securities issued by the SPFC generated from or other consideration or payment flows in the transaction.

(e) In the SPFC insurance securitization, the contracts or other relating documentation shall contain provisions identifying the SPFC.

(f) Unless otherwise approved by the commissioner, an SPFC shall not do any of the following:

Sec. 4727. (1) Assets of the SPFC held in trust to secure obligations under the SPFC contract shall at all times be held in cash and cash equivalents, securities listed by the securities valuation office of the national association of insurance commissioners, or another form of security acceptable to the commissioner.

(2) Assets of the SPFC that are pledged to secure obligations of the SPFC to a counterparty under an SPFC contract shall be held in trust and administered by a qualified United States financial institution that does not control, is not controlled by, or is not under common control with, the SPFC or the counterparty.

(3) The agreement governing a trust described in this section shall create 1 or more trust accounts into which all pledged assets shall be deposited and held until distributed in accordance with the trust agreement. The pledged assets shall be held by the trustee at 1 of the trustee's offices or branch offices in the United States and may be held in certificated or electronic form.

(4) The provisions for withdrawal by the counterparty of assets from the trust shall be clean and unconditional, subject only to the following:

(a) The counterparty has the right to withdraw assets from the trust account at any time, without notice to the SPFC, subject only to written notice to the trustee and the commissioner from the counterparty that funds in the amount requested are due and payable by the SPFC, pursuant to the SPFC contract.

(b) A statement or document does not need to be presented in order to withdraw assets, except the counterparty may be required to acknowledge receipt of withdrawn assets.

(c) The trust agreement shall indicate that it is not subject to any conditions or qualifications outside of the trust agreement.

(d) The trust agreement shall not contain references to any other agreements or documents.

(5) The trust agreement shall be established for the sole use and benefit of the counterparty at least to the full extent of the obligations of the SPFC to the counterparty under the SPFC contract. If there is more than 1 counterparty, or more than 1 SPFC contract with the same counterparty, a separate trust agreement shall be entered into with the counterparty and a separate trust account shall be maintained for each SPFC contract with the counterparty, unless otherwise approved by the commissioner.

(6) The trust agreement shall provide for the trustee to do all of the following:

(a) Receive assets and hold all assets in a safe place.

(b) Determine that all assets are in a form that the counterparty or the trustee, upon direction by the counterparty, may negotiate, whenever necessary, without consent or signature from the SPFC or another person or entity.

(c) Furnish to the SPFC, the commissioner, and the counterparty a statement of all assets in the trust account reported at fair value upon its inception and at intervals no less frequent than 45 days after the end of each calendar quarter.

(d) Notify the SPFC and the counterparty, within 10 days, of any deposits to or withdrawals from the trust account.

(e) Upon written demand of the counterparty, immediately take the necessary steps to transfer absolutely and unequivocally all right, title, and interest in the assets held in the trust account to the counterparty and deliver physical custody of the assets to the counterparty.

(f) Allow no substitutions or withdrawals of assets from the trust account, except pursuant to the trust agreement or SPFC contract, or as otherwise permitted by the counterparty.

(7) The trust agreement shall provide that at least 30 days, but not more than 45 days, before termination of the trust account, written notification of termination shall be delivered by the trustee to the counterparty with a copy of the notice provided to the commissioner.

(8) In addition to the requirement for the trust as provided in this chapter, the trust agreement may be made subject to and governed by the laws of any state. The state shall be disclosed in the plan of operation submitted to the commissioner.

(9) The trust agreement shall prohibit invasion of the trust corpus for the purpose of paying compensation to, or reimbursing the expenses of, the trustee.

(10) The trust agreement shall provide that the trustee is liable for its own negligence, willful misconduct, or lack of good faith.

(11) Notwithstanding subsection (4)(c) and (d), when a trust agreement is established in conjunction with an SPFC contract, then the trust agreement or SPFC contract, or both, may provide that the counterparty shall undertake to use and apply any amounts drawn upon the trust account, without diminution because of the insolvency of the counterparty or the SPFC, only for 1 or more of the following purposes:

(a) To pay or reimburse the counterparty for payment of the SPFC's share of premiums to be returned to owners of counterparty's policies covered under the SPFC contract on account of cancellations of the policies under the counterparties policies.

(b) To pay or reimburse the counterparty for payment of the SPFC's share of surrenders, benefits, losses, or other benefits covered and payable pursuant to the SPFC contract.

(c) To fund an account with the counterparty in an amount to secure the credit or reduction from liability for reinsurance coverage provided under the SPFC contract.

(d) To pay any other amounts the counterparty claims are legally and properly due under the SPFC contract.

(12) Any assets deposited into an account of the counterparty pursuant to subsection (11)(c) or withdrawn by the counterparty pursuant to subsection (11)(d) and any interest or other earnings on them, shall be held by the counterparty in trust and separate and apart from any general assets of the counterparty, for the sole purpose of funding the payments and reimbursements of the SPFC contract described in subsection (11).

(13) The counterparty shall return to the SPFC amounts withdrawn under subsection (11) in excess of actual amounts required under subsection (11)(a) to (c), and in excess of the amounts subsequently determined to be due under subsection (11)(d), plus interest at a rate not in excess of the prime rate for the amounts held pursuant to subsection (11)(c) unless a higher rate of interest has been awarded by an arbitration panel, and any net costs or expenses, including attorney fees, awarded by an arbitration panel.

(14) If the counterparty has received notification of termination of the trust account while any of the SPFC's obligations or liabilities under the SPFC contract that are secured by the trust account remain unliquidated as of 10 days prior to the termination date of the trust account, then the counterparty may withdraw amounts from the trust account equal to the unliquidated obligations and shall deposit such amounts in an account established by the counterparty, which account is separate and apart from the counterparty's general assets and is with a qualified United States financial institution, but only to the extent the obligations or liabilities have not been funded by the SPFC and only for those uses and purposes specified in subsection (11)(a) that may remain executory after the withdrawal and termination until such obligations or liabilities are discharged.

Sec. 4729. (1) An SPFC shall not declare or pay dividends in any form to its owners other than in accordance with the insurance securitization transaction agreements, and in no event shall the dividends decrease the capital of the SPFC below $250,000.00, and, after giving effect to the dividends, the assets of the SPFC, including assets held in trust pursuant to the terms of the insurance securitization, shall be sufficient to satisfy the commissioner that it can meet its obligations. Approval by the commissioner of an ongoing plan for the payment of dividends or other distribution by an SPFC with respect to securities shall be conditioned upon the retention, at the time of each payment, of capital or surplus equal to or in excess of amounts specified by, or determined in accordance with formulas approved for the SPFC by the commissioner.

(2) The dividends may be declared by the management of the SPFC if the dividends do not violate the provisions of this chapter or jeopardize the fulfillment of the obligations of the SPFC or the trustee pursuant to the SPFC insurance securitization agreements, the SPFC contract, or any related transaction and other provisions of this chapter.

(a) If included in the initial plan of operation, securities subsequently issued to continue the securitization activities of the SPFC either during or after expiration, redemption, or satisfaction, of part or all of the securities issued pursuant to initial insurance securitization transactions, shall not be considered a material change.

(b) A change and substitution in a counterparty to a swap transaction for an existing insurance securitization as allowed pursuant to this chapter shall not be considered a material change if the replacement swap counterparty carries a similar or higher rating to its predecessor with 2 or more nationally recognized rating agencies.

(2) No later than 5 months after the fiscal year end of the SPFC, the SPFC shall file with the commissioner audited financial statements of the SPFC and the trust accounts prepared by an independent public accountant. (4) Each SPFC shall file by March 1 of each year a statement of operations. An SPFC with a counterparty that is authorized as an insurance company shall report using statutory accounting principles and shall value its assets and liabilities pursuant to this act and in a manner consistent with the counterparty. An SPFC with a counterparty that uses GAAP may report using either GAAP or, with the approval of the commissioner, statutory accounting principles, with useful or necessary modifications or adaptations required or approved or accepted by the commissioner for the type of insurance and kinds of insurers to be reported upon, and as supplemented by additional information required by the commissioner. The statement of operations shall include a statement of income and a balance sheet and may include a detailed listing of invested assets, including identification of assets held in trust to secure the obligations of the SPFC under the SPFC contract and additional descriptions and accounting of the reserves required or maintained by the SPFC. The SPFC also may include with the filing risk based capital calculations and other adjusted capital calculations to assist the commissioner with evaluating the levels of the surplus of the SPFC for the year ending on December 31 of the previous year. An SPFC shall maintain its records in this state, or in 1 or more locations outside the state with the approval of the commissioner, and shall make its records available for examination by the commissioner at any time. The SPFC shall keep its books and records in such manner that its financial condition, affairs, and operations can be ascertained and so that the commissioner may readily verify its financial statements and determine its compliance with this chapter.

(6) The commissioner may require interim reporting on any or all of the SPFC's business, including any matter, condition, or requirement regulated by this chapter. The commissioner shall prescribe the format and content of the interim report.

(7) Each SPFC that fails to file a report required by this section, or fails to reply within 30 days to an inquiry of the commissioner, is subject to a civil penalty of not less than $1,000.00 or more than $5,000.00 per occurrence, and an additional $50.00 for every day that the SPFC fails to file a report or reply to the inquiry. In addition, each SPFC that fails to file a report, or fails to make a satisfactory reply to an inquiry of the commissioner concerning the SPFC's affairs, is subject to proceedings under section 4735(2).

(8) All original books, records, documents, accounts, and vouchers shall be preserved and kept available in this state for the purpose of examination. The original records, however, may be kept and maintained outside this state if, according to a plan adopted by the management of the SPFC and approved by the commissioner, it maintains suitable records. The books or records may be photographed, reproduced on film, or stored and reproduced electronically.

(a) Insolvency.

(b) Failure to meet the provisions of section 4709 or 4713(4).

(c) The SPFC is no longer safe, reliable, or entitled to public confidence or is unsound, or the SPFC is using financial methods and practices in the conduct of its business that render further transaction of insurance by the SPFC in this state hazardous to the public, the holders of the securities, or counterparties in the SPFC.

500.4741 Administrative supervision, conservation, rehabilitation, receivership, and liquidation of insurers.

Sec. 4741. (1) Except as otherwise provided in this section, the terms and conditions under chapter 81 pertaining to administrative supervision, conservation, rehabilitation, receivership, and liquidation of insurers apply in full to SPFCs or each of the SPFC's protected cells, individually or in combination, without causing or otherwise effecting an administrative supervision, conservation, rehabilitation, receivership, or liquidation of the SPFC or another protected cell.

(2) Notwithstanding any other provision of this act and without causing or otherwise affecting the conservation or rehabilitation of an otherwise solvent protected cell of an SPFC and subject to subsection (7)(e), the commissioner may petition the circuit court for an order authorizing the commissioner to conserve, rehabilitate, or liquidate an SPFC domiciled in this state on 1 or more of the following grounds:

(a) There has been embezzlement, wrongful sequestration, dissipation, or diversion of the assets of the SPFC intended to be used to pay amounts owed to the counterparty or the holders of SPFC securities.

(b) The SPFC is insolvent and the holders of a majority in outstanding principal amount of each class of SPFC securities request or consent to conservation, rehabilitation, or liquidation pursuant to this chapter.

(3) Notwithstanding any other provision of this act, the commissioner may petition the circuit court for an order authorizing the commissioner to conserve, rehabilitate, or liquidate 1 or more of an SPFC's protected cells, independently, without causing or otherwise effecting a conservation, rehabilitation, receivership, or liquidation of the SPFC generally or another of its protected cells, on 1 or more of the following grounds:

(a) There has been embezzlement, wrongful sequestration, dissipation, or diversion of the assets of the SPFC attributable to the affected protected cell or cells intended to be used to pay amounts owed to the counterparty or the holders of SPFC securities of the affected cell or cells.

(b) The affected protected cell is insolvent and the holders of a majority in outstanding principal amount of each class of SPFC securities attributable to that particular protected cell request or consent to conservation, rehabilitation, or liquidation pursuant to this chapter.

(4) The court may not grant relief provided by subsection (2)(a) or subsection (3)(a) unless, after notice and a hearing, the commissioner, who shall have the burden of proof, establishes by the applicable rules of evidence that relief must be granted. The court's order may be made in respect of 1 or more protected cells by

name, rather than the SPFC generally.

(5) Notwithstanding any other provision of this act, rules promulgated or regulations entered under this act, or other applicable law, rule, or regulation, a receiver appointed pursuant to any order or conservation, rehabilitation, or liquidation shall do all of the following:

(a) For an SPFC subject to an order of conservation, rehabilitation, or liquidation, manage the assets and liabilities of the SPFC pursuant to this chapter.

(b) For a protected cell or cells subject to an order of conservation, rehabilitation, or liquidation, manage the assets and liabilities of the protected cell or cells pursuant to this chapter and the SPFC contract.

(c) Ensure that the assets of 1 protected cell are not utilized to satisfy the liabilities of another protected cell or of the SPFC generally.

(6) With respect to amounts recoverable under an SPFC contract, the amount recoverable by the receiver, including all expenses of taking possession of the SPFC or 1 or more of the SPFC's protected cells, shall not be reduced or diminished as a result of the entry of an order of conservation, rehabilitation, or liquidation with respect to the counterparty, notwithstanding any other provision in the contracts or other documentation governing the SPFC insurance securitization.

(7) Notwithstanding any other provision of this act or other laws of this state:

(a) An application or petition, or a temporary restraining order or injunction issued pursuant to this act, with respect to a counterparty does not prohibit the transaction of a business by an SPFC, including any payment by an SPFC made pursuant to an SPFC security, or any action or proceeding against an SPFC or its assets.

(b) The commencement of a summary proceeding or other interim proceeding commenced before a formal delinquency proceeding with respect to an SPFC, and any order issued by the court does not prohibit the payment by an SPFC made pursuant to an SPFC security or SPFC contract or the SPFC from taking any action required to make the payment.

(c) A receiver of a counterparty shall not void a nonfraudulent transfer by a counterparty to an SPFC of money or other property made pursuant to an SPFC contract.

(d) A receiver of an SPFC shall not void a nonfraudulent transfer by the SPFC of money or other property made to a counterparty pursuant to an SPFC contract or made to or for the benefit of any holder of an SPFC security on account of the SPFC security.

(e) The commissioner shall not seek to have an SPFC with protected cells declared insolvent as long as at least 1 of the SPFC's protected cells remains solvent, and in the case of such an insolvency, the receiver shall handle SPFC's assets in compliance with subsection (5) and other laws of this state.

(8) Subsection (7) does not prohibit the commissioner from taking any action permitted under chapter 81 with respect only to the conservation or rehabilitation of an SPFC with protected cell or cells, provided the commissioner would have had sufficient grounds to seek to declare the SPFC insolvent, subject to and without otherwise affecting subsection (7)(e). In this case, with respect to the solvent protected cell or cells, the commissioner shall not prohibit payments made by the SPFC pursuant to an SPFC security, an SPFC contract, or otherwise made under the insurance securitization transaction that are attributable to these protected cell or cells or prohibit the SPFC from taking any action required to make these payments.

(9) With the exception of the fulfillment of the obligations under an SPFC contract, and notwithstanding any other provision of this chapter or other laws of this state, the assets of an SPFC, including assets held in trust, shall not be consolidated with or included in the estate of a counterparty in any delinquency proceeding against the counterparty pursuant to this chapter for any purpose including, without limitation, distribution to creditors of the counterparty.

CHAPTER 48
PROTECTED CELL INSURANCE COMPANIES

500.4801 Definitions.

Sec. 4801. As used in this chapter:

(a) "Domestic insurer" means an insurer domiciled in this state.

(b) "Fair value" means the following:

(*i*) For cash, the amount of the cash.

(*ii*) For assets other than cash, the amount at which that asset could be bought or sold in the current transaction between arm's length, willing parties. If available, the quoted mid-market price for the asset in active markets shall be used; and if quoted mid-market prices are not available, a value shall be determined using the best information available considering values of similar assets and other valuation methods, such as present value of future cash flows, historical value of the same and similar assets, or comparison to values of other asset classes, the value of which have been historically related to the subject asset.

(c) "Fully funded" means that, with respect to any exposure attributed to a protected cell, the fair value of the protected cell assets, on the date on which the insurance securitization is effected, equals or exceeds the maximum possible exposure attributable to the protected cell with respect to such exposures.

(d) "General account" means the assets and liabilities of a protected cell company other than protected cell assets and protected cell liabilities.

(e) "Indemnity trigger" means a transaction term by which relief of the issuer's obligation to repay investors is triggered by its incurring a specified level of losses under its insurance or reinsurance contracts.

(f) "Nonindemnity trigger" means a transaction term by which relief of the issuer's obligation to repay investors is triggered solely by some event or condition other than the individual protected cell company incurring a specified level of losses under its insurance or reinsurance contracts.

(g) "Protected cell" means an identified pool of assets and liabilities of a protected cell company segregated and insulated by means of this chapter from the remainder of the protected cell company's assets and liabilities.

(h) "Protected cell account" means a specifically identified bank or custodial account established by a protected cell company for the purpose of segregating the protected cell assets of 1 protected cell from the protected cell assets of other protected cells and from the assets of the protected cell company's general account.

(i) "Protected cell assets" means all assets, contract rights, and general intangibles, identified with and attributable to a specific protected cell of a protected cell company.

(j) "Protected cell company" means a domestic insurer or captive insurer that has 1 or more protected cells.

(k) "Protected cell company insurance securitization" means the issuance of debt instruments, the proceeds from which support the exposures attributed to the protected cell, by a protected cell company where repayment of principal or interest, or both, to investors pursuant to the transaction terms is contingent upon the occurrence or nonoccurrence of an event with respect to which the protected cell company is exposed to loss under insurance or reinsurance contracts it has issued.

(*l*) "Protected cell liabilities" means all liabilities and other obligations identified with and attributable to a specific protected cell of a protected cell company.

History: Add. 2008, Act 29, Imd. Eff. Mar. 13, 2008.

Popular name: Act 218

500.4803 Protected cells; establishment; written approval of commissioner; name or designation; attribution of assets and liabilities; attachment of security interest; contracting with third party; identification of protected cell assets and protected cell liabilities.

Sec. 4803. (1) A protected cell company may establish 1 or more protected cells with the prior written approval of the commissioner of a plan of operation or amendments submitted by the protected cell company with respect to each protected cell in connection with an insurance securitization. Upon the written approval of the commissioner of the plan of operation, which shall include, but is not limited to, the specific business objectives and investment guidelines of the protected cell, the protected cell company, in accordance with the approved plan of operation, may attribute to the protected cell insurance obligations for its insurance business and obligations relating to the insurance securitization and assets to fund the obligations. A protected cell shall have its own distinct name or designation, which shall include the words "protected cell". The protected cell company shall transfer all assets attributable to a protected cell to 1 or more separately established and identified protected cell accounts bearing the name or designation of that protected cell. Protected cell assets shall be held in the protected cell accounts for the purpose of satisfying the obligations of that protected cell.

(2) All attributions of assets and liabilities between a protected cell and the general account shall be in accordance with the plan of operation approved by the commissioner. No other attribution of assets or liabilities shall be made by a protected cell company between the protected cell company's general account and its protected cells. Any attribution of assets and liabilities between the general account and a protected cell, or from investors in the form of principal on a debt instrument issued by a protected cell company in connection with a protected cell company securitization, shall be in cash or in readily marketable securities with established fair values.

(3) The creation of a protected cell does not create, with respect to that protected cell, a legal person separate from the protected cell company. Amounts attributed to a protected cell under this chapter, including assets transferred to a protected cell account, are owned by the protected cell company, and the protected cell company shall not be, and shall not hold itself out to be, a trustee with respect to those protected cell assets of that protected cell account. Notwithstanding this subsection, the protected cell company may allow for a security interest to attach to protected cell assets or a protected cell account if in favor of a creditor of the protected cell and as otherwise allowed under applicable law.

(4) This chapter shall not be construed to prohibit the protected cell company from contracting with or arranging for an investment advisor, commodity trading advisor, or other third party to manage the protected cell assets of a protected cell, if all remuneration, expenses, and other compensation of the third party advisor or manager are payable from the protected cell assets of that protected cell and not from the protected cell assets of other protected cells or the assets of the protected cell company's general account.

(5) A protected cell company shall establish administrative and accounting procedures necessary to properly identify the 1 or more protected cells of the protected cell company and the protected cell assets and protected cell liabilities attributable to the protected cells. The directors of a protected cell company shall keep protected cell assets and protected cell liabilities separate and separately identifiable from the assets and liabilities of the protected cell company's general account and attributable to 1 protected cell separate and separately identifiable from protected cell assets and protected cell liabilities attributable to other protected cells. If this subsection is violated, the remedy of tracing is applicable to protected cell assets when commingled with protected cell assets of other protected cells or the assets of the protected cell company's general account. The remedy of tracing is not an exclusive remedy.

(6) When establishing a protected cell, the protected cell company shall attribute to the protected cell assets with a value at least equal to the reserves and other insurance liabilities attributed to that protected cell.

500.4805 Income credited to or charged against protected cell; insurance securitization; language to be contained in documentation; cessation of business of protected cell.

Sec. 4805. (1) The protected cell assets of a protected cell shall not be charged with liabilities arising out of any other business the protected cell company may conduct. All contracts or other documentation reflecting protected cell liabilities shall clearly indicate that only the protected cell assets are available for the satisfaction of those protected cell liabilities.

(2) The income, and gains and losses, whether realized or unrealized, from protected cell assets and protected cell liabilities shall be credited to or charged against the protected cell without regard to other income and gains or losses of the protected cell company, including income and gains or losses of other

protected cells. Amounts attributed to any protected cell and accumulations on the attributed amounts may be invested and reinvested. The investments in a protected cell or cells shall not be taken into account in applying the investment limitations otherwise applicable to the investments of the protected cell company.

(3) Assets attributed to a protected cell shall be valued at their fair value on the date of valuation or if there is no readily available market, as provided in the contract or the rules or other written documentation applicable to the protected cell.

(4) A protected cell company with respect to any of its protected cells shall engage in fully funded indemnity triggered insurance securitization to support in full the protected cell exposures attributable to that protected cell. A protected cell company insurance securitization that is nonindemnity triggered shall qualify as an insurance securitization under the terms of this chapter only after the commissioner by rule, regulation, or order addresses the methods of funding of the portion of this risk that is not indemnity based and addressing accounting, disclosure, risk based capital treatment, and risks associated with such securitizations. A protected cell company insurance securitization that is not fully funded, whether indemnity triggered or nonindemnity triggered, is prohibited. Protected cell assets may be used to pay interest or other consideration on any outstanding debt or other obligation attributable to that protected cell. Nothing in this subsection shall be construed or interpreted to prevent a protected cell company from entering into a swap agreement or other transaction for the account of the protected cell that has the effect of guaranteeing interest or other consideration.

(5) In all protected cell company insurance securitizations, the contracts or other documentation effecting the transaction shall contain provisions identifying the protected cell to which the transaction will be attributed. In addition, the contracts or other documentation shall clearly disclose that the assets of that protected cell, and only those assets, are available to pay the obligations of that protected cell. Notwithstanding this subsection and subject to the provisions of this chapter and any other applicable law, rule, or regulation, the failure to include such language in the contracts or other documentation shall not be used as the sole basis by creditors, reinsurers, or other claimants to circumvent this chapter.

(6) A protected cell company may attribute to a protected cell account only the insurance obligations relating to the protected cell company's general account. Under no circumstances shall a protected cell be authorized to issue insurance or reinsurance contracts directly to policyholders or reinsureds or have any obligation to the policyholders or reinsureds of the protected cell company's general account.

(7) At the cessation of business of a protected cell in accordance with the plan approved by the commissioner, the protected cell company voluntarily shall close out the protected cell account.

500.4807 Creditors; recourse; activities, assets, and obligations not subject to chapters 77 and 79; establishment of protected cell not considered fraudulent conveyance.

Sec. 4807. (1) Protected cell assets are only available to the creditors of the protected cell company that are creditors for that protected cell and are entitled, in conformity with this chapter, to have recourse to the protected cell assets attributable to that protected cell. Protected cell assets are absolutely protected from the creditors of the protected cell company that are not creditors for that protected cell and who, accordingly, are not entitled to have recourse to the protected cell assets attributable to that protected cell. Creditors for a protected cell are not entitled to have recourse against the protected cell assets of other protected cells or the assets of the protected cell company's general account. Protected cell assets are only available to creditors of a protected cell company after all protected cell liabilities have been extinguished or otherwise provided for in accordance with the plan of operation relating to that protected cell.

(2) When an obligation of a protected cell company to a person arises from a transaction, or is otherwise imposed, with respect to a protected cell, both of the following apply:

(a) That obligation of the protected cell company extends only to the protected cell assets attributable to that protected cell, and the person, with respect to that obligation, is entitled to have recourse only to the protected cell assets attributable to that protected cell.

(b) That obligation of the protected cell company does not extend to the protected cell assets of any other protected cell or the assets of the protected cell company's general account, and that person, with respect to that obligation, is not entitled to have recourse to the protected cell assets of any other protected cell or the assets of the protected cell company's general account.

(3) When an obligation of a protected cell company relates solely to the general account, the obligation of the protected cell company extends only to, and that creditor, with respect to that obligation, is entitled to have recourse only to, the assets of the protected cell company's general account.

(4) The activities, assets, and obligations relating to a protected cell are not subject to the provisions of

chapters 77 and 79, and neither a protected cell nor a protected cell company shall be assessed by, or otherwise be required to contribute to, any guaranty fund or guaranty association in this state with respect to the activities, assets, or obligations of a protected cell. Nothing in this subsection affects the activities or obligations of an insurer's general account.

(5) The establishment of 1 or more protected cells alone does not constitute, and shall not be considered to be, a fraudulent conveyance, an intent by the protected cell company to defraud creditors, or the carrying out of business by the protected cell company for any other fraudulent purpose.

(2) For amounts recoverable under a protected cell company insurance securitization, the amount recoverable by the receiver shall not be reduced or diminished as a result of the entry of an order of conservation, rehabilitation, or liquidation with respect to the protected cell company, notwithstanding any other provision to the contrary in the contracts or other documentation governing the protected cell company insurance securitization.

Sec. 5024. (1) Before securing subscribers, stockholders, or members of an insurance company, or taking subscriptions for, or negotiating for, the sale of any of the capital stock of the company or subscriptions for membership in the company, the incorporators shall do all of the following:

(a) Deliver to the commissioner such bond, deposit, or security for the protection of subscribers as the commissioner may require.

(b) Prepare and file with the commissioner duplicate copies of the articles of incorporation with the certificate of the attorney general attached, a statement showing in full detail the plan upon which the company proposes to transact business, a copy of all contracts, stocks or other instruments that it proposes to make with, or sell to, its stockholders or members, together with a copy of its prospectus and the proposed advertisements to be used in the solicitation of members or stockholders. The statement shall also show the name and location and main office of the company, the name, home and business address of each of the incorporators, the amount subscribed and paid in by each of them, and the manner in which future payments shall be made, together with 4 references as to the character and financial standing of each of the incorporators with the business address of each of the references.

(2) The commissioner shall examine the statements and documents presented and shall have power to conduct any investigation that the commissioner considers necessary and to hear the incorporators and to examine under oath any persons interested or connected with the proposed insurance company. If in the opinion of the commissioner the sale of capital stock in the proposed insurance company or soliciting of membership therein would work a fraud upon the persons subscribing to the capital stock or to such membership the commissioner may refuse to license the persons so associating to proceed in the organization and promotion of the insurance company. If, upon examination of the articles of incorporation, the documents, and instruments above mentioned and any further investigation as the commissioner may make, the commissioner is satisfied that the sale of the capital stock of the proposed insurance company or the subscription to membership therein would not work a fraud upon the persons solicited to become purchasers of such capital stock, or members of the insurance company, the commissioner shall return to the incorporators 1 copy of the articles of incorporation certified by the commissioner for the records of the company and shall retain 1 copy for the insurance bureau files. The commissioner shall then issue a certificate authorizing the incorporators to proceed with the organization of the insurance company through the sale of stock or taking of memberships.

(3) The commissioner shall have authority at any time to revoke any certificate, order, or consent made by him or her to such company to procure applications for stock or membership upon being satisfied that the further solicitation of stockholders, or members, in the corporation will work a fraud upon the persons so solicited and the commissioner may make any investigation from time to time as he or she considers best and to grant hearings to the incorporators concerning the revocation.

(4) The action of the commissioner provided for in this section shall not be in place of any action provided by law to be taken by the corporations and securities bureau of the state of Michigan in relation to the sale, taking subscriptions for, or offering for sale any stocks or securities within this state.

500.5208 Corporate powers; limitations; applicability of prohibition; services performed in connection with noninsured benefit plan; provisions; interference with rights and obligations under collective bargaining agreement prohibited; report; liability of employee covered under noninsured benefit plan; "noninsured benefit plan" or "plan" defined.

Sec. 5208. (1) The corporate powers of an insurer incorporated in this state is limited to the issuance of policies insuring persons or property or other hazards in the state of domicile and in other states from which it has received authority to transact insurance business from the insurance department of that state, and to the provision of services of the kind it performs in the normal conduct of its insurance business whether or not those services are performed in connection with an insurance contract. This section does not apply to insurers organized in compliance with the insurance laws of this state, which cannot be properly authorized in other states, because the laws of those states do not permit the writing of the class or kind of insurance written by those insurers.

(2) For services provided under subsection (1) that are performed in connection with a noninsured benefit plan, all of the following apply:

(a) An insurer's fees for services rendered shall be on a basis that precludes cost transfers between individuals receiving those services and policyholders of the insurer.

(b) Any insurer providing services described in subsection (1) in connection with a noninsured benefit plan shall offer a program of specific or aggregate excess loss insurance.

(c) Except as provided in subdivision (d), an insurer providing the services described in subsection (1) in connection with a noninsured benefit plan shall not enter into the service contract for a plan covering a group of less than 500 individuals. However, an insurer may continue a service contract for a plan covering a group of less than 500 individuals if the contract was in existence on December 29, 1981.

(d) An insurer may enter into a service contract for a plan covering a group of less than 500 individuals if either the insurer makes arrangements for excess loss insurance or the sponsor of the plan that covers the individuals is liable for the plan's liabilities and is a sponsor of 1 or more plans covering 500 or more individuals in the aggregate. The commissioner, upon obtaining the advice of insurers, shall establish the standards for the manner and amount of the excess loss insurance required by this subdivision. It is the intent of the legislature that the excess loss insurance requirements be uniform as between insurers and other persons authorized to provide similar services.

(e) An insurer providing the services described in subsection (1) in connection with a noninsured benefit plan shall comply with section 5208a.

(f) A service contract containing an administrative services only arrangement between an insurer and a governmental entity not subject to ERISA, whose plan provides coverage under a collective bargaining agreement utilizing a policy or certificate issued by an insurer, health care corporation, dental care corporation, or health maintenance organization before the signing of the service contract, is void unless the governmental entity has provided the notice described in section 5208a(8) to the collective bargaining agent and to the members of the collective bargaining unit not less than 30 days before signing the service contract. The voiding of a service contract under this subdivision does not relieve the governmental entity of any obligations to the insurer under the service contract.

(3) Nothing in this section shall be construed to permit an actionable interference by an insurer with the rights and obligations of the parties under a collective bargaining agreement.

(4) Services provided under subsection (1) that are performed in connection with a noninsured benefit plan shall be considered a business activity that is not an insurance carrier service and are subject to tax as authorized by the former single business tax act, 1975 PA 228, or the Michigan business tax act, 2007 PA 36, MCL 208.1101 to 208.1601.

(5) An insurer shall report with its annual statement the amount of business it has conducted as services provided under subsection (1) that are performed in connection with a noninsured benefit plan, and the commissioner shall annually transmit this information to the state commissioner of revenue.

(6) An employee covered under a noninsured benefit plan for which services are provided under a service contract authorized under subsection (1) is not liable for that portion of claims incurred and subject to payment under the plan if the service contract is entered into between an employer and insurer, unless that portion of the claim has been paid directly to the employee.

(7) As used in this section, "noninsured benefit plan" or "plan" means a benefit plan without insurance or the noninsured portion of a benefit plan that has specific or aggregate excess loss insurance.

Sec. 5208a. (1) As used in this section:

(a) "Noninsured benefit plan" means a benefit plan without insurance or the noninsured portion of a benefit plan which has specific or aggregate excess loss insurance.

(b) "Process a claim" means the services performed in connection with a claim for benefits including the disbursement of benefit amounts.

(2) An insurer providing services under section 5208 in connection with a noninsured benefit plan, with respect to such services, shall not do any of the following:

(a) Misrepresent pertinent facts relating to coverage.

(b) Fail to acknowledge promptly or to act reasonably and promptly upon communications with respect to a claim for benefits.

(c) Fail to adopt and implement reasonable standards for the prompt investigation of a claim for benefits.

(d) Refuse to process claims without conducting a reasonable investigation based upon the available information.

(e) Fail to communicate affirmation or denial of coverage of a claim for benefits within a reasonable time after a claim has been received.

(f) Fail to attempt in good faith to promptly, fairly, and equitably process a claim for benefits.

(g) Knowingly compel covered individuals to institute litigation to recover amounts due under a benefit plan by offering substantially less than the amounts due.

(h) For the purpose of coercing a covered individual to accept a settlement or compromise in a claim, inform the covered individual of a policy of appealing administrative hearing decisions which are in favor of covered individuals.

(i) Delay the investigation or processing of a claim by requiring a covered individual, or the provider of services to the covered individual, to submit a preliminary claim and then requiring subsequent submission of a formal claim, seeking solely the duplication of a verification.

(j) Fail to promptly provide a reasonable explanation of the basis for denial or partial denial of a claim for benefits.

(k) Fail to promptly process a claim where liability has become reasonably clear under 1 portion of a benefit plan in order to influence a settlement under another portion of the benefit plan.

(*l*) Refuse to enter into a service contract nor refuse to provide services under a service contract because of race, color, creed, marital status, sex, national origin, residence, age, disability, or lawful occupation.

(3) An insurer providing services under section 5208 in connection with a noninsured benefit plan shall not, in order to induce a person to contract or to continue to contract with the insurer for the provision of services under a service contract offered by the insurer; to induce a person to lapse, forfeit, or surrender a policy or service contract issued by the insurer; or to induce a person to secure or terminate coverage with another insurer, health care corporation, health maintenance organization, or other person, directly or indirectly:

(a) Issue or deliver to the person money or any other valuable consideration.

(b) Offer to make or make an agreement relating to a service contract other than as plainly expressed in the service contract.

(c) Offer to give or pay, or give or pay, directly or indirectly, a rebate or adjustment of the rate payable on the service contract, or an advantage in the services thereunder, except as reflected in the rate and expressly provided in the service contract. Readjustment of the rate for services provided under the service contract may be made at the end of any contract year or contract period and may be made retroactive.

(d) Make, issue, or circulate, or cause to be made, issued, or circulated, any estimate, illustration, circular, or statement misrepresenting the terms of a service contract, the advantages provided thereunder, or the true nature thereof.

(e) Make a misrepresentation in a comparison, whether oral or written, between service contracts of the insurer or between service contracts of the insurer and another insurer, health care corporation, health maintenance organization, or other person.

(4) When the commissioner has probable cause to believe that an insurer is violating, or has violated subsection (2), indicating a persistent tendency to engage in conduct prohibited by that subsection, or has probable cause to believe that an insurer is violating or has violated subsection (3), he or she shall give written notice to the insurer, pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, setting forth the general nature of the complaint against the insurer and the proceedings contemplated under this section. Before the issuance of a notice of hearing, the staff of the bureau of insurance responsible for the matters which would be at issue in the hearing shall give the insurer an opportunity to confer and discuss the possible complaint and proceedings in person with the commissioner or a representative of the commissioner, and the matter may be disposed of summarily upon agreement of the parties. This subsection shall not be construed to diminish the right of a person to bring an action for damages under this section.

(5) A hearing held pursuant to subsection (4) shall be held pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. If, after the hearing, the commissioner determines that the insurer is violating, or has violated subsection (2), indicating a persistent tendency to engage in conduct prohibited by that subsection, or has violated or is violating subsection (3), the commissioner shall reduce his or her findings and decision to writing, and shall issue and cause to be served upon the insurer a copy of the findings and an order requiring the insurer to cease and desist from engaging in the prohibited activity. The commissioner may at any time, by order, and after notice and opportunity for a hearing, reopen and alter, modify, or set aside, in whole or in part, an order issued by him or her under this subsection, when in his or her opinion conditions of fact or law have so changed as to require that action, or if the public interest so requires.

(6) An insurer providing services under section 5208 in connection with a noninsured benefit plan shall process claims for benefits on a timely basis. When not paid on a timely basis, benefits payable to a covered individual shall bear simple interest from a date 60 days after a satisfactory claim form was received by the insurer, at a rate of 12% interest per annum. The interest shall be paid by the noninsured benefit plan in addition to, and at the time of payment of, the claim.

(7) An insurer providing services under section 5208 in connection with a noninsured benefit plan shall specify in writing the materials which constitute a satisfactory claim form not later than 30 days after receipt of a claim, unless the claim is settled within 30 days. If a claim form is not supplied as to the entire claim, the amount supported by the claim form shall be considered to be paid on a timely basis if paid within 60 days after receipt of the claim form by the insurer.

(8) An insurer providing the services under section 5208 in connection with a noninsured benefit plan shall provide in its service contract a provision that the person contracting for the services in connection with a noninsured benefit plan shall notify each covered individual what services are being provided; the fact that individuals are not insured or are only partially insured, as the case may be; which party is liable for payment of benefits; and of future changes in benefits.

(9) An insurer which violates this section shall be subject to the same penalties as provided in section 2038.

(10) The sections and subsections of this act are declared to be severable and if any court of competent jurisdiction finds that any section or subsection is invalid, the remaining sections or subsections shall remain in full force and effect.

Sec. 5214. (1) An insurer may amend its articles of incorporation at any annual meeting of the stockholders or members or at any special meeting called by the directors for that purpose.

(2) Notice of any annual or special meeting and of the purpose for which it is called shall be served on each of the stockholders, or if it is a mutual company on each of the members, in the following prescribed manner:

(a) Notice by mail shall be considered sufficient if directed to the last known address of each stockholder or member, at least 21 days immediately preceding the meeting.

(b) Notice by publication shall be considered sufficient if published in a newspaper printed and published within this state, and having general circulation within the county or counties in which the company is transacting business. The notice shall be published each week for 3 consecutive weeks immediately preceding the date of the meeting provided that the last notice must be published at least 5 days before the meeting.

The insurer shall pay to the attorney general the examination fee provided for in section 240(2). The amendments shall be filed in duplicate with the commissioner, 1 copy to be retained by the commissioner and 1 copy to be returned to the insurer with a certified copy of the certificate of approval of the commissioner attached.

500.5215 Articles of domestic stock insurer; amendment as to increase, decrease, or reclassification of capital stock.

Sec. 5215. (1) A domestic stock insurer may increase or decrease its authorized capital stock or reclassify the same by changing the number, par value, designations, preferences or relative participating, optional or other special rights of the shares, or the qualifications, limitations, or restrictions of such rights as provided in this section. The par value of stock provided for in any amendment shall conform to the same limitations as to par value as provided for stock issued pursuant to original articles of incorporation.

(2) If a domestic stock insurer proposes to increase, decrease, or reclassify its capital stock, it shall first present its petition to the commissioner setting forth the reasons for the increase, decrease, or reclassification. The commissioner, if satisfied that the proposed increase or decrease is for the best interests of the insurer and its policyholders, and that no reasonable objection exists, may authorize and approve the proposed plan of increase or decrease, or may direct such modification of the plan as may seem proper. After the approval of the petition by the commissioner, the increase or decrease must be approved and the articles of incorporation amended in this respect, by written consent given without a meeting or by the affirmative vote in person or by proxy at a regular or special meeting of the stockholders of not less than a majority of the capital stock of the insurer having voting power. Notice of the meeting and the purpose for which the meeting is called shall be served on each of the stockholders, either personally or by mail to the last known address of each stockholder at least 3 weeks prior to the meeting. However, if any proposed amendment would alter or change the preferences, special rights, or powers given to any 1 or more classes of stock by the articles of incorporation so as to affect that class or those classes of stock adversely or would increase or decrease the amount of the authorized stock of that class or those classes of stock adversely or would increase or decrease the par value of 1 or more classes of stock, then the holders of the stock of each class of stock so affected by the amendment shall be entitled to give written consent or vote as a class upon the amendment regardless of whether the terms of the articles of incorporation entitle the class to vote or not, and the affirmative action of a majority in interest of each class of stock so affected by the amendment shall be necessary for its adoption in addition to the affirmative action of the majority of all stock entitled to vote on an amendment as is required by law for its adoption. Separate action of any class of stock proposed to be increased or decreased shall not be required if the provisions of the articles of incorporation or amendment to the articles creating the class shall have authorized the increase or decrease without separate action.

(3) An amendment to the articles of incorporation shall not become effective until finally approved by the commissioner and until submitted to the attorney general and certified by him or her as not to be in conflict with the constitution or laws of this state. Amendments to the articles of incorporation shall be filed in duplicate with the commissioner, 1 copy to be retained by the commissioner and 1 copy to be returned to the insurer with a certified copy of the certificate of the approval of the commissioner attached.

500.5216 Articles; amendment as to reduction of capital; condition; methods of effecting reduction.

Sec. 5216. (1) Any such stock life, disability, casualty, title or fidelity and surety insurer may by provision in its articles of incorporation or by amendment thereto made as in section 5215 provided authorized the reduction of its capital at any time and it may reduce its capital in conformity therewith. A certificate stating the fact that such reduction has been made in conformity with the articles of incorporation or amendments thereto, giving the wording of the resolution authorizing the same and the vote thereon, specifying the manner in and the extent to which the capital of the corporation is to be reduced, shall be made and filed as provided for certificates of amendment to the articles of incorporation.

(2) No such reduction, however, shall be made in the capital of the insurer unless the assets of the insurer remaining after such reduction are sufficient to pay any debts of the insurer, the payment of which shall not have been otherwise provided for, nor if in the opinion of the commissioner to whom such certificate shall be submitted before being filed such reduction of capital shall endanger the protection of policyholders. Upon such certificate being so made and filed, the capital of the insurer shall thereby be so reduced.

(3) Such reduction of the capital of the insurer may be effected by retiring or reducing the outstanding shares of any class or by drawing the necessary number of the outstanding shares of any class by lot for retirement or by the exchange by the holders of outstanding shares of any class of the shares of such class

held by them for a decreased number of shares of stock of the same or of a different class of stock or by reducing in the manner herein provided the par value of the shares of any class of stock having par value, or where the amount of capital represented by shares of stock having par value exceeds such par value by reducing the amount of capital represented by such shares by an amount not greater than such excess, or in case the capital shall have been increased by the transfer thereto from surplus pursuant to any provision of law so authorizing and the transfer shall not have been made in respect of any designated class or classes of stock by retransferring to surplus all or any part of the amount by which capital shall have been so increased or by the purchase of shares for retirement either pro rata from all holders of shares of that class or stock or by purchasing such shares from time to time in the open market or at private sale in both cases at not exceeding such price or prices as may be fixed or approved by the stockholders entitled to vote upon the reduction of capital to be effected in that manner or by retiring shares owned by the corporation. If such reduction of capital of the corporation be effected by retiring shares then if the consent or resolution of stockholders above referred to shall so provide an amount not exceeding that part of the capital of the insurer represented by such shares may be charged against or paid out of the capital of the insurer in respect of such shares. If such reduction of capital shall have been effected by retiring or reducing the outstanding shares of any class in any manner above mentioned including the retirement of shares already owned by the insurer, the filing of said certificate as herein provided containing a recital of such fact shall constitute an amendment to the articles of incorporation effecting a reduction of the authorized capital stock of the insurer to the extent of the aggregate par value of such shares and if such shares constitute all the outstanding shares of any particular class shall have the effect of eliminating from the articles of incorporation all reference to said particular class of stock.

Sec. 5222. An insurance corporation whose term is about to expire by limitation may, at any time within 2 years before the expiration of the term, by a vote of a majority of its capital stock or its members present and voting, or if a fraternal benefit society by a majority vote of its governing body or board, as the case may be, at any annual meeting or at any special meeting of its stockholders, or members, or governing body or board,

as the case may be, called for that purpose, upon such notice as is provided for in the case of amendments to articles of incorporation by section 5214, direct the continuance of its corporate existence for a further term, not less than 30 years from the expiration of the existing term, as may be expressed in a resolution for that purpose. The president and secretary of the members or governing body or board or stockholders' meeting shall make and sign duplicate copies of the resolution, and its passage shall be verified by the oath of the secretary attached to each of the copies. One of the copies shall be filed in the office of the commissioner and the filed copy or a certified copy of it shall be prima facie evidence of the passage of the resolution and of the extension of the corporate life. However, the filing fee prescribed by section 240(1)(a), for insurers organized in this state, shall be paid before the term shall be extended. This action may also be taken after the expiration of a charter, with the consent in writing of the commissioner. The commissioner shall give this consent only if the commissioner has determined, after examination of the corporation, that the corporation is safe, reliable, and entitled to public confidence. The renewal term of the corporation shall begin from the expiration of the former term, and the corporation whose term has thus been renewed shall be the same corporation and own all its property, and be subject to all its liabilities, and shall have the same stockholders and members and the same officers. The rights of all persons interested in the corporation shall continue as before such extension. The articles of incorporation and bylaws shall continue the same until changed or amended by the corporation in the manner required by law.

500.5241 Indemnification against expenses of action, suit, or proceeding generally.

Sec. 5241. A corporation has the power to indemnify a person who was or is a party or is threatened to be made a party to a threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, other than an action by or in the right of the corporation, by reason of the fact that he or she is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not, against expenses, including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit, or proceeding, if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or policyholders, and with respect to a criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful. The termination of an action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or policyholders, and, with respect to a criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Sec. 5242. A corporation has the power to indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not, against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or policyholders. However, indemnification shall not be made for a claim, issue, or matter in which the person has been found liable to the corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the person is fairly and reasonably entitled to indemnification for the expenses which the court considers proper.

(2) An indemnification under section 5241 or 5242, unless ordered by a court, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in sections 5241 and 5242. 500.5507 Notice and hearing of plan required; approval and filing with department; conditions of approval; confidentiality of certain financial information; payment of department expenses; order.

Sec. 5507. (1) A division does not become effective until it is approved by the director of the department after reasonable notice and a public hearing. A hearing conducted under this section must be conducted as a contested case subject to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(2) Subject to subsection (12), the director of the department shall approve a plan of division unless the director of the department finds any of the following:

(c) The division would substantially lessen competition in insurance in this state or tend to create a monopoly in this state.

(d) The financial condition of an acquiring party of a resulting insurer, if any, is such that it might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of a remaining shareholder that is unaffiliated with the acquiring party.

(e) The terms of the plan of division are unfair and unreasonable to the dividing insurer's policyholders or shareholders.

(f) An acquiring party of a resulting insurer, if any, has plans or proposals to liquidate the resulting insurer, sell its assets, or consolidate or merge the resulting insurer with a person, or to make any other material change in its business or corporate structure or management, that are unfair and unreasonable to the resulting insurer's policyholders, and not in the public interest.

(g) The competence, experience, and integrity of the persons who would control the operation of a resulting insurer are such that it would not be in the interest of the resulting insurer's policyholders or the general public to permit the division.

(h) The division is likely to be hazardous or prejudicial to the insurance-buying public.

(i) The proposed division violates the uniform voidable transactions act, 1998 PA 434, MCL 566.31 to 566.45.

(j) The division is being made for purposes of hindering, delaying, or defrauding any policyholders or other creditors of the dividing insurer.

(k) One or more resulting insurers will not be solvent on the consummation of the division.

(*l*) The assets allocated to 1 or more resulting insurers will be, on consummation of a division, unreasonably small in relation to the business and transactions in which the resulting insurer was engaged or is about to engage.

(3) If a division is undertaken in conjunction with the divestiture of 1 of the resulting insurers, the director shall not approve the division until the potential acquiring party has received the necessary approvals under section 1315 or 7604, as applicable.

(4) In determining whether the standards set forth in subsection (2)(i) have been satisfied, the director of the department shall only apply the uniform voidable transactions act, 1998 PA 434, MCL 566.31 to 566.45, to a dividing insurer in its capacity as a resulting insurer and shall not apply the uniform voidable transactions

act, 1998 PA 434, MCL 566.31 to 566.45, to any dividing insurer that is not proposed to survive the division.

(5) In determining whether the standards set forth in subsection (2)(i), (j), (k), and (*l*) have been satisfied, the director of the department may consider, among other things, all assets, liabilities, and cash flows.

(6) In determining whether the standards set forth in subsection (2)(i) have been satisfied, with respect to each resulting insurer, the director of the department shall, in applying the uniform voidable transactions act, 1998 PA 434, MCL 566.31 to 566.45, do all of the following:

(a) Treat the resulting insurer as a debtor.

(b) Treat liabilities allocated to the resulting insurer as obligations incurred by a debtor.

(c) Treat the resulting insurer as not having received reasonably equivalent value in exchange for incurring the obligations.

(d) Treat assets allocated to the resulting insurer as remaining property.

(7) All information, documents, materials, and copies of documents and materials submitted to, obtained by, or disclosed to the director of the department in connection with a plan of division or in contemplation of a plan of division, including any information, documents, materials, or copies provided by or on behalf of a domestic stock insurer in advance of its adoption or submission of a plan of division, are confidential and are subject to the same protection and treatment in accordance with section 1355 as information and documents disclosed to or obtained by the director of the department in the course of an examination or investigation made under sections 1351 and 1357 until the time, if any, that a notice of the hearing contemplated by subsection (1) is issued.

(8) From and after the issuance of a notice of the hearing contemplated by subsection (1), all business, financial, and actuarial information for which the domestic stock insurer requests confidential treatment, other than the plan of division and any materials incorporated by reference into or otherwise made a part of the plan of division that must not be eligible for confidential treatment after the issuance of a notice of the hearing, continues to be confidential and is not available for public inspection and must be subject to the same protection and treatment in accordance with section 1355 as information and documents disclosed to or obtained by the director of the department in the course of an examination or investigation made under sections 1351 and 1357. However, if the director of the department determines that the interest of the public in making the information available for public inspection outweighs the interest of the dividing insurer in keeping the information confidential, the director of the department may, after notice and an opportunity to be heard, make the information available to public inspection in accordance with the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(9) All expenses incurred by the director of the department in connection with proceedings under this section, including expenses for the services of any attorneys, actuaries, accountants, and other experts not otherwise a part of the director's staff as may be reasonably necessary to assist the director in reviewing the proposed division, must be paid by the dividing insurer filing the plan of division. A dividing insurer may allocate expenses described in this subsection in a plan of division in the same manner as any other liability.

(10) If the director of the department approves a plan of division, the director of the department shall issue an order approving the plan of division that must be accompanied by findings of fact and conclusions of law.

(11) The conditions in this section for freeing 1 or more of the resulting insurers from the liabilities of the dividing insurer and for allocating some or all of the liabilities of the dividing insurer are conclusively satisfied if the plan of division has been approved by the director of the department in a final order, after all relevant appeals relating to the final order have been exhausted.

(12) The director may establish any additional procedures necessary or appropriate in connection with his or her review of a plan of division.

(a) If the dividing insurer has survived the division:

(*i*) It continues to exist.

(*ii*) Its articles of incorporation must be amended, if at all, as provided in the plan of division.

(*iii*) Its bylaws must be amended, if at all, as provided in the plan of division.

(b) If the dividing insurer has not survived the division, its separate existence ceases to exist, subject to satisfying the other requirements of this state relating to the surrender of a certificate of authority to the extent applicable.

(c) All of the following apply to each new insurer:

(*ii*) It shall hold any capital, surplus, and other assets allocated to the new insurer by the plan of division as a successor to the dividing insurer, automatically, by operation of law and not by transfer, whether directly or indirectly.

(*ii*) If it is not allocated by the plan of division, it vests, if the dividing insurer survives the division, in the dividing insurer or, if the dividing insurer does not survive the division, equally in the resulting insurers as tenants in common.

(*iii*) Otherwise it vests as provided in this section without transfer, reversion, or impairment.

(e) A resulting insurer to which a cause of action is allocated as provided in subdivision (d) may be substituted or added in any pending action or proceeding to which the dividing insurer is a party when the division becomes effective.

(f) The liabilities, including policy liabilities, of the dividing insurer are allocated between or among the resulting insurers as provided in section 5513 and each resulting insurer to which liabilities are allocated is liable only for those liabilities, including policy liabilities, so allocated as successors to the dividing insurer, automatically, by operation of law, and not by transfer or assumption, whether directly or indirectly.

(g) The shares in the dividing insurer that are to be converted or canceled in the division are converted or canceled, and the shareholders of those shares are entitled only to the rights provided to them under the plan of division and any appraisal rights that they may have under section 5515.

(2) Except as provided in the articles of incorporation or bylaws of the dividing insurer, the division does not give rise to any rights that a shareholder, director of domestic stock insurer, or third party would have on a dissolution, liquidation, or winding up of the dividing insurer.

(3) The allocation to a new insurer of capital, surplus, or other assets that is collateral covered by an effective financing statement is not effective until a new financing statement naming the new insurer as a debtor is effective under the uniform commercial code, 1962 PA 174, MCL 440.1101 to 440.9994.

(4) Unless otherwise provided in the plan of division, the shares in and any securities of each new insurer must be distributed to either of the following:

(b) Shareholders of the dividing insurer that do not assert any appraisal rights that they may have under section 5515, pro rata.

(a) Individually, the liabilities, including policy liabilities, that the resulting insurer issues, undertakes, or incurs in its own name after the division.

(c) Jointly and severally with the other resulting insurers, the liabilities, including policy liabilities, of the dividing insurer that are not allocated by the plan of division.

(2) Except as otherwise expressly provided in this section, when a division becomes effective, a resulting insurer is not responsible for and does not have any liability or obligation in respect of either of the following:

(a) Any liabilities, including policy liabilities, that another resulting insurer issues, undertakes, or incurs in its own name after the division.

(b) Any liabilities, including policy liabilities, of the dividing insurer that are allocated to another resulting insurer in accordance with the plan of division.

(4) If, after the approval of a plan of division, it is found that the act of undertaking a division itself breached a contractual obligation of the dividing insurer when the division became effective, all of the resulting insurers are liable, jointly and severally, for the contractual breach, but the validity and effectiveness of the division, including, without limitation, the allocation of liabilities in accordance with the plan of division, is not affected by the contractual breach.

(5) A direct or indirect allocation of capital, surplus, assets, or liabilities, including policy liabilities, in a division must occur automatically, by operation of law, and is not treated as a distribution or transfer for any purpose with respect to either the dividing insurer or any of the resulting insurers.

(6) Liens, security interests, and other charges on the capital, surplus, or other assets of the dividing insurer are not impaired by the division, notwithstanding any otherwise enforceable allocation of liabilities, including policy liabilities, of the dividing insurer.

(7) If the dividing insurer is bound by a security agreement under article 9 of the uniform commercial code, 1962 PA 174, MCL 440.9101 to 440.9994, or the substantial equivalent enacted in any other jurisdiction, and the security agreement provides that the security interest attaches to after-acquired collateral, each resulting insurer is bound by the security agreement.

(8) An allocation of a policy or other liability does not do either of the following:

(a) Except as provided in the plan of division and specifically approved by the director, affect the rights that a policyholder or creditor has under other law in respect of the policy or other liability, except that those rights are available only against a resulting insurer responsible for the policy or liability under this section.

(b) Release or reduce the obligation of a reinsurer, surety, or guarantor of the policy or liability.

(9) A resulting insurer is only liable for the liabilities allocated to it in accordance with the plan of division and this section and is not liable for any other liabilities under the common law doctrine of successor liability or any similar theory of liability applicable to transferees or assignees of property.

(b) "Eligible member" except as otherwise provided in section 5915, means a member whose policy is in force on the date the mutual company's board of directors adopts a plan of conversion. A person insured under a group policy is not an eligible member. A person whose policy becomes effective after the board of directors adopts the plan but before the plan's effective date is not an eligible member but has the rights established under section 5919.

(c) "Plan of conversion" or "plan" means a plan adopted by a Michigan domestic mutual company's or mutual holding company's board of directors pursuant to this chapter to convert the mutual company into a Michigan domiciled stock company.

History: Add. 1987, Act 22, Imd. Eff. Apr. 24, 1987;—Am. 1995, Act 215, Imd. Eff. Nov. 29, 1995;—Am. 1998, Act 121, Imd. Eff. June 10, 1998;—Am. 2000, Act 8, Imd. Eff. Feb. 25, 2000.

(1) A mutual company seeking to convert to a stock company shall adopt, by the affirmative vote of not less than 2/3 of its board of directors, a plan of conversion consistent with the requirements of sections 5905 to 5915. At any time before approval of a plan by the commissioner, the mutual company, by the affirmative vote of not less than 2/3 of its board of directors, may amend or withdraw the plan.

(2) Before a mutual company's eligible members may vote on approval of a plan, a mutual company whose board of directors has adopted a plan shall submit all of the following documents to the commissioner:

(a) The plan of conversion, including the independent evaluation of pro forma market value required by section 5905.

(b) The form of notice required by subsection (5).

(c) Any proxies to be solicited from eligible members pursuant to subsection (6).

(3) The commissioner shall approve or disapprove the plan by not later than 90 days after the filing of the documents under subsection (2). The commissioner shall approve the plan if he or she finds all of the following:

(a) The plan complies with this chapter.

(b) The plan will not prejudice the interests of the members.

(c) The plan's method of allocating subscription rights is fair and equitable.

(d) A substantial reason for and effect of the plan is to benefit the members of the company or additional capital is needed to implement the business plan filed pursuant to subsection (2)(f).

(4) The commissioner may retain, at the mutual company's expense, any qualified expert not otherwise a part of the commissioner's staff to assist in reviewing the plan and the independent evaluation of the pro forma market value required under section 5905.

(5) All eligible members shall be given notice of the members' meeting to vote upon the plan. The notice shall briefly but fairly describe the proposed conversion plan, shall inform the member of his or her right to vote upon the plan, and shall be mailed to each member's last known address, as shown on the mutual company's records, at least 21 days before the time fixed for the meeting. If the meeting to vote upon the plan is held during the mutual company's annual meeting of policyholders, only 1 combined notice of meeting is required.

(6) The plan shall be adopted upon receiving the affirmative vote of at least 2/3 of the votes cast by eligible members. Members entitled to vote upon the proposed plan may vote in person or by proxy. Any proxies to be solicited from eligible members shall be filed with and approved by the commissioner. The number of votes each eligible member may cast shall be determined by the mutual company's bylaws. If the bylaws are silent, each eligible member may cast 1 vote.

(7) The revised articles shall be considered at the meeting of the policyholders called for the purpose of adopting the plan of conversion and shall require for adoption the affirmative vote of at least 2/3 of the votes

cast by eligible members.

(8) After the eligible members have approved the plan, the converted stock company shall file both of the following documents with the commissioner:

500.5905 Conversion plan; contents; provisions applicable to subscription rights.

Sec. 5905. (1) The following provisions shall be included in the plan:

(a) The reasons for the proposed conversion.

(b) The effect of the conversion on existing policies, including all of the following:

(*i*) A provision that all policies in force on the effective date of conversion continue to remain in force under the terms of the policies, except that any voting rights of the policyholders provided for under the policies or under this chapter are extinguished on the effective date of the conversion.

(*ii*) A provision that holders of participating policies in effect on the date of conversion continue to have the right to receive dividends as provided in the participating policies, if any.

(*iii*) A provision that, except for the mutual company's life policies, guaranteed renewable accident and health policies, and guaranteed renewable, noncancelable accident and health policies, upon the renewal date of a participating policy, the converted stock company may issue the insured a nonparticipating policy as a substitute for the participating policy.

(c) The subscription rights to eligible members, including both of the following:

(*i*) A provision that each eligible member is to receive, without payment, subscription rights to purchase a portion of the capital stock of the converted stock company. Subscription rights shall be nontransferable unless otherwise provided in the plan. A plan providing for transferable subscription rights shall include whatever terms, conditions, and restrictions on transfers that the commissioner determines are reasonably necessary to protect the member's interests. As an alternative to subscription rights in the converted stock company, the plan may provide that each eligible member is to receive, without payment, subscription rights to purchase a portion of the capital stock of 1 of the following:

(A) A corporation organized for the purpose of purchasing and holding all the stock of the converted stock company.

(B) An unaffiliated corporation that will purchase all the stock of the converted stock company.

(C) A stock insurance company into which the mutual company will be merged.

(*ii*) A provision that the subscription rights shall be allocated in whole shares among the eligible members using a fair and equitable formula. This formula may but need not take into account how the different classes of policies of the eligible members contributed to the surplus of the mutual company or any other factors that may be fair or equitable.

(2) The plan shall provide a fair and equitable means for allocating shares of capital stock in the event of an oversubscription to shares by eligible members exercising subscription rights received under subsection (1)(c).

(3) The plan shall provide that any shares of capital stock not subscribed to by persons exercising subscription rights received under subsection (1)(c) shall be sold in a public offering through an underwriter.

If the number of shares of capital stock not subscribed by eligible members is so small in number that it does not warrant the expense of a public offering, the plan of conversion may provide for purchasing unsubscribed shares by a private placement or other alternative method approved by the commissioner that is fair and equitable to eligible members.

(4) The plan shall set the total price of the capital stock equal to the estimated pro forma market value of the converted stock company or the stock of another corporation that is participating in the conversion plan, as provided in subsection (1)(c)(*i*)(A), (B), or (C) based upon an independent evaluation by a qualified expert. This pro forma market value may be that value that is estimated to be necessary to attract full subscription for the shares, as indicated by the independent evaluation.

(5) The plan shall set the purchase price per share of capital stock equal to any reasonable amount.

(6) The plan shall provide for notice and a clear explanation to eligible members of their right to subscribe to stock of the converted stock company or the stock of another corporation that is participating in the conversion plan.

500.5907 Conversion plan; provisions applicable to operation as closed block of business.

Sec. 5907. (1) The plan shall provide that a mutual life insurance company's participating life policies in force on the effective date of the conversion shall be operated by the converted stock company for dividend purposes as a closed block of participating business, except that any and all classes of group participating policies may be excluded from the closed block.

(2) The plan shall establish 1 or more segregated accounts for the benefit of the closed block of business and shall allocate to those segregated accounts enough assets of the mutual company so that the assets together with the revenue from the closed block of business are sufficient to support the closed block, including, but not limited to, the payment of claims, expenses, taxes, and any dividends that are provided for under the terms of the participating policies, with appropriate adjustments in the dividends for experience changes. The assets allocated to the closed block of business at its establishment shall be at least equal to the amount of reserves then held in connection with the closed block of business or the minimum reserve permitted by statute or regulation for the closed block of business, whichever is greater.

(3) The amount of assets allocated to the segregated accounts of the closed block shall be based upon the mutual life insurance company's last annual statement, updated to the effective date of the conversion.

(4) The converted stock company shall keep a separate accounting for the closed block and shall make and include in the annual statement to be filed with the commissioner each year a separate statement showing the gains, losses, and expenses properly attributable to the closed block.

(5) The commissioner may waive the requirement for establishing a closed block of business if it is in the best interests of policyholders to do so. The commissioner may permit discontinuing a segregated account if its size does not warrant the expense of maintaining the segregated account.

(6) This section applies only to mutual life insurance companies.

This limitation does not apply to any entity that is to purchase 100% of the capital stock of the converted company as part of the plan of conversion approved by the commissioner.

(2) The plan shall provide that no director or officer or person acting in concert with a director or officer of the mutual company shall acquire any capital stock of the converted stock company or the stock of another corporation that is participating in the conversion plan, as provided in section 5905(1)(c)(*i*)(A), (B), or (C), for 3 years after the effective date of the plan, except through a broker/dealer, without the permission of the commissioner. This provision does not prohibit the directors and officers from purchasing stock through subscription rights received in the plan pursuant to section 5911(1) or from participating in a tax qualified stock benefit plan pursuant to section 5913.

(3) Stock options for the converted stock insurance company or the stock of another corporation that is participating in the conversion plan, as provided in section 5905(1)(c)(*i*)(A), (B), or (C), shall not be made

available to the directors or officers of the company during the 2-year period following the effective date of the plan if the aggregate stock holdings of directors and officers exceed, or would exceed if the options were exercised, 25% of the total number of shares issued by the converted company if total assets of the company are less than $50,000,000.00, or 15% of the total number of shares issued for the converted company if total assets are more than $500,000,000.00. For converted companies with total assets of or between $50,000,000.00 and $500,000,000.00, the company size threshold for limiting stock options shall be interpolated.

These subscription rights shall be allocated among the directors and officers by a fair and equitable formula.

(2) The total number of shares that may be purchased under subsection (1) shall not exceed 25% of the total number of shares to be issued for a mutual company if total assets of the company are less than $50,000,000.00 or 15% of the total number of shares to be issued for a mutual company if total assets of the company are more than $500,000,000.00. An alternative plan may include the merger of a domestic mutual insurer into a domestic or foreign stock insurer, issuing stock or cash to policyholders instead of subscription rights, or another plan approved by the commissioner. (*ii*) A provision that holders of participating policies in effect on the date of reorganization continue to have the right to receive dividends as provided in the participating policies, if any.

(*iii*) A provision that, except for a mutual company's life policies, guaranteed renewable accident and health policies, and noncancelable accident and health policies, the converted company may issue the insured a nonparticipating policy as a substitute for the participating policy upon the renewal date of a participating policy.

500.6009 Reorganization plan; operation and support of closed block of business.

Sec. 6009. (1) A plan of reorganization shall provide that a mutual life insurance company's participating life policies in force on the effective date of the conversion shall be operated by the converted company for dividend purposes as a closed block of participating business except that any or all classes of group participating policies may be excluded from the closed block.

(2) The plan shall establish 1 or more segregated accounts for the benefit of the closed block of business and shall allocate to those segregated accounts enough assets of the mutual company so that the assets together with the revenue from the closed block of business are sufficient to support the closed block including, but not limited to, the payment of claims, expenses, taxes, and any dividends that are provided for

under the terms of the participating policies, with appropriate adjustments in the dividends for experience changes.

(3) The plan shall be accompanied by an actuarial opinion as to the adequacy of reserves or assets by a qualified actuary or an appointed actuary who meets the standards required under this act or under regulations established under this act for the submission of actuarial opinions. The actuarial opinion shall relate to the adequacy of the assets allocated to the segregated accounts in support of the closed block of business. The actuarial opinion shall be based on methods of analysis considered appropriate for those purposes by the actuarial standards board and as certified by the commissioner. The amount of assets allocated to the segregated accounts of the closed block shall be based upon the mutual life insurance company's last annual statement that is updated to the effective date of the reorganization.

(4) The converted company shall keep a separate accounting for the closed block and shall make and include in the annual statement to be filed with the commissioner each year a separate statement showing the gains, losses, and expenses properly attributable to the closed block.

(5) Upon the commissioner's approval, assets allocated to the closed block that are in excess of the amount of assets necessary to support the remaining policies in the closed block shall periodically revert to the benefit of the converted company.

(6) The commissioner may waive the requirement for the establishment or continuation of a closed block of business if the commissioner considers it to be in the best interest of the participating policyholders of a converted company to do so.

(7) This section applies only to mutual life insurance companies.

9.	Cancellation of Policy	This policy shall be cancelled at any time at the request of the insured, in which case this company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rates for the expired time. This policy may be cancelled at any time by this company by giving to the insured a 5 days' written notice of cancellation, delivered personally or mailed to the insured at the last known post office address as shown by the company's records, with or without tender of the excess of paid premium above the pro rata premium for the expired time, which excess, if not tendered, shall be refunded on demand. Notice of cancellation shall state that said excess premium (if not tendered) will be refunded on demand.

11.	Pro Rata Liability	This company shall not be liable for a greater proportion of any loss than the amount hereby insured shall bear to the whole insurance covering the property against the peril involved, whether collectible or not.

The appraisers shall first select a competent and disinterested umpire; and failing for 15 days to agree upon such umpire, then, on request of the insured or this company, such umpire shall be selected by a circuit judge of the judicial circuit of this state in which the property covered is located. The appraisers shall then appraise the loss, stating separately actual cash value and loss to each item; and, failing to agree, shall submit their differences, only, to the umpire. An award in writing, so itemized, of any 2 when filed with this company shall determine the amount of actual cash value and loss. Each appraiser shall be paid by the party selecting him and the expenses of appraisal and umpire shall be paid by the parties equally.

15.Abandonment	There can be no abandonment to this company of any property.
16.When Loss Payable	The amount of loss for which this company may be liable shall be payable 60 days after proof of loss, as herein provided, is received by this company and ascertainment of the loss is made either by agreement between the insured and this company expressed in writing or by the filing with this company of an award as herein provided.
17.Suit	No suit or action on this policy, for the recovery of any claim, shall be sustainable in any court of law or equity unless all the requirements of this policy shall have been complied with, nor unless commenced within 12 months next after the loss shall have occurred.
18.Subrogation	This company may require from the insured an assignment of all right of recovery against any party for loss or damage to the extent that payment therefor is made by this company, and of all contractual rights against any third party (but without impairment of insured's right to sue for the full amount due such insured), to the extent that payment for loss or damage is made by this company. CHAPTER 76
CONSOLIDATION OR MERGER OF DOMESTIC INSURERS

500.7604 Procedure for consolidation, merger, or reinsurance of risks; waiver for domestic stock insurers; dissolution of corporation; cessation of liability; reinsurance of individual risks; fraternal benefit societies; acquisition of general abstract business; notice of merger of farmers mutual insurer with other mutual insurer.

Sec. 7604. (1) An insurer organized under the laws of this state and transacting business under this act may consolidate or merge with or reinsure all or any part of its outstanding risks for the purpose of effecting a merger or consolidating with an insurer of generally like character authorized to transact business in this state under terms that are reasonable and just. "Consolidation" and "merger", as used in this chapter, include a transaction in which an authorized insurer that is a wholly-owned subsidiary of a controlling corporation,

which need not be an insurer, distributes shares of the capital stock of the controlling corporation in merging another insurer into the subsidiary or in merging the subsidiary into another insurer. If an insurer proposes to consolidate or merge with, or reinsure all of its outstanding risk with, another insurer for the purpose of effecting a merger or consolidation, the following procedure must be followed:

(a) The insurers shall petition the director, setting forth the terms and conditions of the proposed consolidation, merger, or agreement of reinsurance, to which the director may grant preliminary, tentative, or conditional approval.

(b) After securing the approval from the director, the insurers shall give notice, either personally or through mailing at least 21 days before the time fixed for the meeting, to the last known postal address of each stockholder, subscriber, or member, that the question of the consolidation, merger, or reinsurance will be voted on at a regular or special meeting of the stockholders, subscribers, or members, which notice must fairly but briefly describe the proposed procedure.

(c) The consolidation, merger, or contract of reinsurance for the purpose of effecting a merger or consolidation must be approved at the regular or special meeting held in pursuance of the call and notice, by the affirmative vote of not less than a majority of the members or subscribers voting in person or by proxy if it is a mutual or a cooperative or assessment corporation or a reciprocal or interinsurance exchange, or not less than a majority of the outstanding capital stock, if it is a stock company.

(d) The consolidation or merger agreement or contract of reinsurance for the purpose of effecting a merger or consolidation, together with proper proof that it has been approved by the stockholders, subscribers, or members as provided in this section, must be submitted to the director for final approval. This contract is not effective until the director, in his or her discretion, issues a certificate of final approval to the petitioner. If the terms of the consolidation or merger or reinsurance contract for the purpose of effecting the merger or consolidation provide that securities must pass to an insurer assuming the liabilities for which the securities are held, a public official, or other person or company holding the securities, shall, on the written order of the director, deliver the securities to or credit the securities to the account of the corporation, corporations, person, or persons entitled to the securities by the terms of the contract and the order of the director.

(2) To facilitate the merger of any resulting insurer with and into another company simultaneously with the effectiveness of a division authorized by this act, a dividing insurer, including its officers, directors, and shareholders, may adopt and execute a plan of merger or consolidation on behalf of a resulting insurer and may execute and deliver documents, plans, certificates, and resolutions, and may make any filings, in each case, on behalf of the resulting insurer. If provided in a plan of merger or consolidation described in this subsection, the merger or consolidation is effective simultaneously with the effectiveness of a division authorized by this act. On request of the dividing insurer, the director may waive the other requirements of this section with respect to any merger or consolidation involving only domestic stock insurers and may issue its final approval of the merger or consolidation as part of its approval of a plan of division under this act.

(3) Consolidation, merger, or reinsurance for the purpose of effecting a merger or consolidation of all of the insurance risk of any membership corporation under this section, acts as a dissolution of the corporation except for a stock company, which must be dissolved in accordance with the business corporation act, 1972 PA 284, MCL 450.1101 to 450.2098. All liability on a stock company's certificates or contracts ceases on the expiration of 5 days after the consolidation, merger, or reinsurance for the purpose of effecting a merger or consolidation, but its officers may thereafter perform any act or acts necessary to close its affairs with the approval of the director.

(4) This section does not prohibit an insurer from reinsuring a fractional part or all of an individual risk in the usual or incidental conduct of its business.

(5) Consolidation, merger, or reinsurance for the purpose of effecting a merger or consolidation of all or a substantial portion of the risks of a fraternal benefit society is governed by this section insofar as not otherwise regulated by chapter 81a, specifically governing fraternal benefit societies.

(6) This section does not prohibit a title insurance corporation from acquiring by merger, exchange of stock, or otherwise, if permitted by and under the business corporation act, 1972 PA 284, MCL 450.1101 to 450.2098, a corporation engaged in the general abstract business or the assets of a corporation engaged in the general abstract business.

(7) Notwithstanding subsection (1), if a farmers mutual insurer organized under chapter 68 proposes to merge with any other mutual insurer, the surviving insurer may give notice to its members by publication as provided in section 5214(2).

500.7704 Coverages; liability of association; limitations.

Sec. 7704. (1) This chapter shall provide coverage for the policies and contracts specified in subsection (2) to the following persons:

(a) To a person, other than nonresident certificate holders under group policies or contracts, who, regardless of where he or she resides, is the beneficiary, assignee, or payee of a person covered under subdivision (b).

(b) To a person who is an owner of, or certificate holder under, a policy or contract described in subsection (2), other than an unallocated annuity contract or structured settlement contract, and which owner or certificate holder is 1 of the following:

(*i*) A resident.

(*ii*) Not a resident, if all of the following conditions are met:

(A) The insurer that issued the policy or contract is domiciled in this state.

(B) The state in which the person resides has an association similar to the association created by this chapter.

(C) The person is not eligible for coverage by an association in any other state because the insurer was not licensed in that state at the time specified in the state's guaranty association law.

(*iii*) Not a resident, if both of the following conditions are met:

(A) The person would have been considered a resident at the time the contract was obtained by the person.

(B) The person is not eligible for coverage by another guaranty association.

(c) For an unallocated annuity contract, except as provided in subsection (3), to either of the following:

(*ii*) To a person who is the owner of an unallocated annuity contract issued to or in connection with a government lottery if the owner is a resident of this state.

(d) For a structured settlement annuity, except as provided in subsection (3), to a person who is a payee under a structured settlement annuity, or a beneficiary of a payee if the payee is deceased, and the payee is either of the following:

(*i*) A resident, regardless of where the contract owner resides.

(*ii*) Not a resident, if either of the following conditions is met:

(A) The contract owner of the structured settlement annuity is a resident, and the payee or beneficiary is not eligible for coverage from the association where the payee or beneficiary resides.

(B) The contract owner of the structured settlement annuity is not a resident, and both of the following conditions are met:

(I) The insurer that issued the structured settlement annuity is domiciled in this state, and the state in which the contract owner resides has an association similar to the association created by this chapter.

(II) Neither the payee or beneficiary nor the contract owner is eligible for coverage by the association of the state in which the payee or contract owner resides.

(2) Except as provided in subsections (3), (4), and (5), this chapter provides coverage to a person specified in subsection (1) for direct, nongroup life, health, annuity, and supplemental policies or contracts, for certificates under direct group life, health, annuity, and supplemental policies and contracts, and for unallocated annuity contracts issued by member insurers, except as limited by this chapter.

(3) This chapter does not provide coverage to a person who is a payee or beneficiary of a contract owner that is a resident of this state, if the payee or beneficiary is afforded any coverage by the association of another state or to a person otherwise covered under subsection (1)(c), if any coverage is provided by the association of another state to that person.

(4) This chapter is intended to provide coverage to a person who is a resident of this state and, in special circumstances, to a nonresident. To avoid duplicate coverage, if a person who would otherwise receive coverage under this chapter is provided coverage under the laws of any other state, the person shall not be provided coverage under this chapter. In determining the application of the provisions of this chapter in situations where a person could be covered by the association of more than 1 state, whether as an owner, payee, beneficiary, or assignee, this chapter shall be construed in conjunction with other state laws to result in coverage by only 1 association.

(5) This chapter does not provide coverage for the following:

(a) A portion of a policy or contract not guaranteed by the insurer or under which the risk is borne by the policy or contract owner, including, but not limited to, the nonguaranteed portion of a variable or separate account product.

(b) A policy or contract of reinsurance, unless assumption certificates have been issued pursuant to the reinsurance policy or contract.

(c) A portion of a policy or contract to the extent that the rate of interest on which it is based or the interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value exceeds the following:

(*i*) Averaged over the period of 4 years prior to the date on which the member insurer becomes an impaired insurer or an insolvent insurer, whichever occurs first, the rate of interest determined by subtracting 2 percentage points from Moody's corporate bond yield average averaged for that same 4-year period or for a lesser period if the policy or contract was issued less than 4 years before the member insurer becomes an impaired insurer or an insolvent insurer, whichever occurs first.

(*ii*) On and after the date on which the member insurer becomes an impaired insurer or an insolvent insurer, whichever occurs first, the rate of interest determined by subtracting 3 percentage points from Moody's corporate bond yield average as most recently available.

(d) A portion of a plan or contract issued to a plan or program of an employer, association, or other person to provide life, health, or annuity benefits to its employees, members, or others to the extent that the plan or program is self-funded or uninsured, including, but not limited to, benefits payable by an employer, association, or other person under any of the following:

(*i*) A multiple employer welfare arrangement as defined in section 7001.

(*ii*) A minimum premium group insurance plan.

(*iii*) A stop-loss or excess-loss group insurance plan. This subparagraph does not apply to the insured portion of a stop-loss or excess-loss group insurance plan written pursuant to section 407a or 5208 or written by a member property casualty insurer if the premiums were identified as disability insurance premiums in its

annual statement.

(*iv*) An administrative services only contract.

(*iv*) An award of exemplary or punitive damages or statutory interest and claims related to bad faith in the payment of claims, and attorney fees and costs.

(*v*) A claim for penalties or consequential or incidental damages.

(j) A contractual agreement that establishes the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or its trustee, which in each case is not an affiliate of the member insurer.

(k) A portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but which have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired insurer or an insolvent insurer, whichever occurs first. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this subdivision, the interest or change in value determined by using the procedures defined in the policy or contract shall be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and is not subject to forfeiture.

(*l*) A portion of a policy or contract to the extent that the assessments required by section 7709 for the policy or contract are preempted by federal or state law.

(6) The benefits that the association may become obligated to cover shall not exceed the lesser of the following:

(a) The contractual obligations for which the insurer is liable or would have been liable if it were not an impaired insurer or an insolvent insurer.

(b) With respect to 1 life, regardless of the number of policies or contracts:

(*i*) $300,000.00 in life insurance death benefits, but not more than $100,000.00 in net cash surrender and net cash withdrawal values for life insurance.

(*ii*) Except as otherwise provided in subparagraphs (*iv*) and (*v*), $100,000.00 in health insurance benefits, including any net cash surrender and net cash withdrawal values.

(e) For either 1 contract owner provided coverage under subsection (1)(c)(*ii*) or 1 plan sponsor whose plans own directly or in trust 1 or more unallocated annuity contracts not included in subdivision (C), $5,000,000.00 in benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor. However, if 1 or more unallocated annuity contracts are covered contracts under this chapter and are owned by a trust or other entity for the benefit of 2 or more plan sponsors, coverage shall be afforded by the association if the largest interest in the trust or entity owning the contract or contracts is held by a plan sponsor whose principal place of business is in this state, but in no event is the association obligated to cover more than $5,000,000.00 in benefits for all those unallocated contracts.

(7) In no event is the association obligated to cover more than the following:

(a) An aggregate of $300,000.00 in benefits for any 1 life under subsection (6)(b)(*i*), (*ii*), (*iii*), and (*iv*), (c), and (d).

(8) The limitations under subsections (6) and (7) are limitations on the benefits for which the association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired insurer or insolvent insurer attributable to covered policies. The costs of the association's obligations under this act may be satisfied by the use of assets attributable to covered policies or reimbursed to the association pursuant to its subrogation and assignment rights.

(9) In performing its obligations to provide coverage under section 7708, the association is not required to guarantee, assume, reinsure, or perform, or cause to be guaranteed, assumed, reinsured, or performed, contractual obligations of the insolvent insurer or impaired insurer under a covered policy or contract that do not materially affect the economic benefits of the covered policy or contract.

Sec. 7705. As used in this chapter:

(a) "Account" means either of the 2 accounts created under section 7706.

(b) "Association" means the Michigan life and health insurance guaranty association created under section 7706.

(c) "Authorized assessment" or "authorized" when used in the context of assessments means a resolution or motion passed by the association's board of directors that directs that an assessment be called immediately or in the future from member insurers for a specific amount. An assessment is authorized when the resolution or motion is passed.

(d) "Benefit plan" means a specific employee, union, or association of natural persons benefit plan.

(e) "Called assessment" or "called" when used in the context of assessments means that a notice has been issued by the association to member insurers requiring that an authorized assessment be paid within the time frame set forth within the notice. An authorized assessment becomes a called assessment when notice is mailed by the association to member insurers.

(f) "Contractual obligation" means an obligation under covered policies.

(g) "Covered policy" means a policy, contract, or certificate under a group policy or contract, or portion of a group policy or contract, for which coverage is provided under section 7704.

(i) "Impaired insurer" means a member insurer considered by the director to be potentially unable to fulfill

the insurer's contractual obligations or that is placed under an order of rehabilitation or conservation by a court of competent jurisdiction. Impaired insurer does not mean an insolvent insurer.

(j) "Insolvent insurer" means a member insurer that becomes insolvent and is placed under an order of liquidation by a court of competent jurisdiction with a finding of insolvency.

(k) "Member insurer" means a person authorized to transact a kind of insurance or annuity business in this state for which coverage is provided under section 7704 and includes an insurer whose certificate of authority in this state may have been suspended, revoked, not renewed, or voluntarily withdrawn. (*iii*) A health maintenance organization authorized or licensed under chapter 35.

(*iv*) A mandatory state pooling plan.

(*v*) A mutual assessment or any person that operates on an assessment basis.

(*ix*) Any entity similar to the entities described in this subdivision.

(*l*) "Moody's corporate bond yield average" means the monthly average corporates as published by Moody's Investors Service, Inc., or a successor to that service.

(m) "Owner" of a contract or policy and "contract owner" and "policy owner" mean the person who is identified as the legal owner under the terms of the contract or policy or who is otherwise vested with the legal title to the contract or policy through a valid assignment completed in accordance with the terms of the contract or policy and properly recorded as the owner on the books of the insurer. The terms owner, contract owner, and policy owner do not include persons with a mere beneficial interest in a contract or policy.

(n) "Person" means an individual, corporation, partnership, association, or voluntary organization.

(o) "Plan sponsor" means the following:

(*i*) For a benefit plan established or maintained by a single employer, the single employer.

(*ii*) For a benefit plan established or maintained by an employee organization, the employee or organization.

(*iii*) For a benefit plan established or maintained by 2 or more employers or jointly by 1 or more employers and 1 or more employee organizations, the association, committee, joint board of trustees, or other similar group of representatives of the parties who establish or maintain the benefit plan.

(p) "Premiums" means amounts or considerations, by whatever name called, received on covered policies or contracts less returned premiums, considerations, and deposits and less dividends and experience credits. The term "premiums" does not include an amount or consideration received for a policy or contract, or a portion of a policy or contract for which coverage is not provided under section 7704. However, accessible premiums must not be reduced because of sections 7704(5)(c) relating to interest limitations and 7704(6)(b), (c), and (e) relating to limitations with respect to any 1 individual, any 1 participant, and any 1 contract holder. Premiums do not include premiums in excess of the following:

(*i*) $5,000,000.00 on an unallocated annuity contract not issued under a governmental retirement plan established under section 401(k), 403(b), or 457 of the internal revenue code of 1986, 26 USC 401, 403, and 457.

(q) "Principal place of business" of a plan sponsor or a person other than a natural person means the state in which the natural persons who establish policy for the direction, control, and coordination of the entity as a whole primarily exercise that function. In making this determination, the association, in its reasonable judgment, shall consider all of the following factors:

(*i*) The state in which the primary executive and administrative headquarters of the entity is located.

(*ii*) The state in which the principal office of the chief executive officer of the entity is located.

(*iii*) The state in which the board of directors, or the entity's similar governing person or persons, conducts the majority of its meetings.

(*v*) The state from which the management of the overall operations of the entity is directed.

(*vi*) For a benefit plan sponsored by affiliated companies comprising a consolidated corporation, the state

in which the holding company or controlling affiliate has its principal place of business as determined using subparagraphs (*i*) to (*v*). However, for a plan sponsor, if more than 50% of the participants in the benefit plan are employed in a single state, that state is the principal place of business of the plan sponsor.

(*vii*) For a plan sponsor of a benefit plan, the principal place of business of the association, committee, joint board of trustees, or other similar group of representatives of the parties who establish or maintain the benefit plan is based on the location of the principal place of business of the employer or employee organization that has the largest investment in the benefit plan instead of a specific or clear designation of a principal place of business.

(r) "Receivership court" means the court in the insolvent insurer's or impaired insurer's state having jurisdiction over the conservation, rehabilitation, or liquidation of the insurer.

(s) "Resident" means a person who resides in this state at the time a member insurer is determined to be an impaired insurer or insolvent insurer and to whom contractual obligations are owed. A person may be considered a resident of only 1 state, which, for a person other than a natural person, is its principal place of business. Citizens of the United States who are either residents of foreign countries or residents of the United States possessions, territories, or protectorates that do not have an association similar to the association created by this chapter are considered residents of this state if the insurer that issued the policies or contracts is domiciled in this state.

(t) "State" means a state, the District of Columbia, Puerto Rico, or a United States possession, territory, or protectorate.

(u) "Structured settlement annuity" means an annuity purchased in order to fund periodic payments for a plaintiff or other claimant in payment for or with respect to personal injury suffered by the plaintiff or other claimant.

(v) "Supplemental contract" means a written agreement entered into for the distribution of proceeds under a life, health, or annuity policy or contract.

(w) "Unallocated annuity contract" means an annuity contract or group annuity certificate that is not issued to and owned by an individual, except to the extent of an annuity benefit guaranteed to an individual by an insurer under the contract or certificate. Unallocated annuity contract includes, but is not limited to, a guaranteed investment contract or a deposit administration contract.

Sec. 7708. (1) In addition to the powers and duties enumerated in other sections of this chapter, the association has the powers and duties provided in this section.

(2) If a member insurer is an impaired insurer, the association, subject to conditions imposed by the association that do not impair the contractual obligations of the impaired insurer, and that are approved by the commissioner, may do any of the following:

(a) Guarantee, assume, or reinsure, or cause to be guaranteed, assumed, or reinsured, any or all of the covered policies of the impaired insurer.

(b) Provide money, pledges, notes, guarantees, or other means as are proper to effectuate subdivision (a), and to assure payment of the contractual obligations of the impaired insurer pending action under subdivision (a).

(c) Loan money to the impaired insurer.

(3) Subject to the conditions specified in subsection (4), if a member insurer is an impaired insurer, whether domestic, foreign, or alien, and the insurer is not paying claims timely, the association shall do either of the following:

(a) Take any of the actions specified in subsection (2).

(b) Provide substitute benefits in lieu of the contractual obligations of the impaired insurer solely for health claims, periodic annuity benefit payments, death benefits, supplemental benefits, and cash withdrawals for policy or contract owners who petition for them under claims of emergency or hardship in accordance with standards proposed by the association and approved by the commissioner.

(4) The association is subject to subsection (3) only if the following are met:

(a) The laws of the impaired insurer's state of domicile provide that until all payments of or on account of the impaired insurer's contractual obligations by all guaranty associations, along with all expenses thereof and interest on all such payments and expenses, have been repaid to the guaranty associations or a plan of repayment by the impaired insurer shall have been approved by the guaranty associations:

(*i*) The delinquency proceeding shall not be dismissed.

(*ii*) Neither the impaired insurer nor its assets shall be returned to the control of its shareholders or private management.

(*iii*) It shall not be permitted to solicit or accept new business or have any suspended or revoked license restored.

(b) If the impaired insurer is a domestic insurer, it has been placed under an order of rehabilitation by a court of competent jurisdiction in this state.

(c) If the impaired insurer is a foreign or alien insurer, any of the following has occurred:

(*i*) It has been prohibited from soliciting or accepting new business in this state.

(*ii*) Its certificate of authority has been suspended or revoked in this state.

(*iii*) A petition for rehabilitation or liquidation has been filed in a court of competent jurisdiction in its state of domicile by the commissioner of that state.

(5) If a member insurer is an insolvent insurer, the association shall do either of the following:

(a) Guarantee, assume, or reinsure, or cause to be guaranteed, assumed, or reinsured, the covered policies of the insolvent insurer or assure payment of the contractual obligations of the insolvent insurer; and provide money, pledges, notes, guarantees, or other means as are reasonably necessary to effectuate this subdivision.

(b) Provide benefits and coverage pursuant to subsection (6).

(6) If proceeding under subsection (3)(b) or (5)(b), all of the following apply:

(a) The association shall assure payment of benefits for premiums identical to the premiums and benefits, except for terms of conversion and renewability, that would have been payable under the policies or contracts of the insolvent insurer, for claims incurred as follows:

(*i*) For group policies or contracts, not later than the earlier of the next renewal date under the policy or contract or 45 days, but not less than 30 days, after the date on which the association becomes obligated with respect to the policies and contracts.

(*ii*) With respect to nongroup policies, contracts, and annuities, not later than the earlier of the next renewal date, if any, under the policies or contracts or 1 year, but not less than 30 days, from the date on which the association becomes obligated with respect to the policies or contracts.

(b) The association shall make diligent efforts to provide all known insureds or annuitants of nongroup contracts, or group policyholders of group policies and contracts, 30 days' notice of the termination of the benefits provided pursuant to subdivision (a).

(c) The association shall make available substitute coverage on an individual basis in accordance with the provisions of subdivision (d), to each known insured or an annuitant under nongroup life and health insurance policies and annuities covered by the association, or owner if other than the insured or annuitant, and to each individual formerly insured or formerly an annuitant under a group policy who is not eligible for replacement group coverage, if the insured or annuitant had a right under law or the terminated policy or annuity to convert coverage to individual coverage or to continue an individual policy or annuity in force until a specified age or for a specified time, during which the insurer had no right unilaterally to make changes in any provision of the policy or annuity or had a right only to make changes in premium by class.

(d) In providing the substitute coverage required under subdivision (c), all of the following apply:

(*i*) The association may offer either to reissue the terminated coverage or to issue an alternative policy.

(*ii*) Alternative or reissued policies shall be offered without requiring evidence of insurability, and shall not provide for any waiting period or exclusion that would not have applied under the terminated policy.

(*iii*) The association may reinsure an alternative or reissued policy.

(e) An alternative policy adopted by the association shall be subject to the approval of the commissioner. The association may adopt an alternative policy for future issuance without regard to any particular impairment or insolvency. An alternative policy shall contain at least the minimum statutory provisions required in this state and provide benefits that shall not be unreasonable in relation to the premium charged. The association shall set the premium in accordance with a table of rates which it shall adopt. The premium

shall reflect the amount of insurance to be provided and the age and class of risk of each insured, but shall not reflect any changes in the health of the insured after the original policy was last underwritten. An alternative policy issued by the association shall provide coverage of a type similar to that of the policy issued by the impaired or insolvent insurer, as determined by the association.

(f) If the association elects to reissue terminated coverage at a premium rate different from that charged under the terminated policy, the premium shall be set by the association in accordance with the amount of insurance provided and the age and class of risk, subject to approval of the commissioner or by a court of competent jurisdiction.

(g) The association's obligations with respect to coverage under a policy of the impaired or insolvent insurer or under a reissued or alternative policy shall cease on the date the coverage or policy is replaced by another similar policy by the policyholder, the insured, or the association.

(7) If proceeding under subsection (3)(b) or (5) for a policy or contract carrying guaranteed minimum interest rates, the association shall assure the payment or crediting of a rate of interest consistent with section 7704(5)(c).

(8) Nonpayment of premiums within 31 days after the date required under the terms of a guaranteed, assumed, alternative, or reissued policy or contract or substitute coverage terminates the association's obligations under the policy or coverage under this chapter with respect to the policy or coverage, except for a claim incurred or any net cash surrender value which may be due in accordance with the provisions of this chapter.

(9) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer belong to and are payable at the direction of the association, and the association is liable for unearned premiums due to policy or contract owners arising after the entry of the order.

(10) The protection provided by this chapter does not apply if guaranty protection is also provided to residents of this state by the laws of the domiciliary state of the impaired insurer or insolvent insurer.

(11) In carrying out its duties under this section, the association, subject to approval by a court in this state, may do the following:

(a) Impose permanent policy or contract liens in connection with a guarantee, assumption, or reinsurance agreement, if the association finds that the amounts that can be assessed under this chapter are less than the amounts needed to assure full and prompt performance of the association's duties under this chapter or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of the permanent policy or contract liens to be in the public interest.

(b) Impose temporary moratoriums or liens on payments of cash values and policy loans, or any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. In addition, if the receivership court imposes a temporary moratorium or moratorium charge on payment of cash values or policy loans, or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired insurer or insolvent insurer, the association may defer the payment of the cash values, policy loans, or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, but not for claims covered by the association that are to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.

(12) A deposit in this state, held pursuant to law or required by the commissioner for the benefit of creditors, including policy owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of an insurer domiciled in this state or in a reciprocal state, pursuant to section 8153, shall be promptly transferred to the association in accordance with section 8141a. The association may apply a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of all policy owners' claims related to that insolvency for which the association has provided or will provide statutory benefits by the aggregate amount of all policy owners' claims in this state related to that insolvency with the remainder used to pay claims pursuant to section 8141a(1)(a) to (e). Any amount remaining after the payment of claims under section 8141a(1)(a) to (e) shall be transferred to the domiciliary receiver.

(13) If the association fails to act as provided in subsections (3) and (5) within a reasonable period of time, the commissioner shall have the powers and duties of the association under this chapter with respect to impaired insurers or insolvent insurers.

(14) The association may render assistance and advice to the commissioner, upon his or her request, concerning rehabilitation, payment of claims, continuance of coverage, or the performance of other contractual obligations of an impaired insurer or insolvent insurer.

(15) The association has standing to appear or intervene before a court or agency in this state with jurisdiction over an impaired insurer or insolvent insurer concerning which the association is or may become

obligated under this chapter or with jurisdiction over any person or property that the association may have rights to through subrogation or otherwise. The standing shall extend to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring, modifying, or guaranteeing the covered policies or contracts of the impaired insurer or insolvent insurer and the determination of the covered policies and contractual obligations. The association may also appear or intervene before a court in another state with jurisdiction over an impaired insurer or insolvent insurer for which the association is or may become obligated or with jurisdiction over a third party against whom the association may have rights through subrogation of the insurer's policyholders.

(16) A person receiving benefits under this chapter shall be considered to have assigned the rights under, and any causes of action against any person for losses arising under, resulting from, or otherwise relating to, the covered policy or contract to the association to the extent of the benefits received because of this chapter whether the benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The association may require an assignment to the association of such rights and causes of action by a payee, policy or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of rights or benefits conferred by this chapter upon that person. The association shall be subrogated to these rights against the assets of an impaired insurer or insolvent insurer. The subrogation rights of the association under this subsection has the same priority against the assets of the impaired insurer or insolvent insurer as that possessed by the person entitled to receive benefits under this chapter. In addition, the association has all common law rights of subrogation and any other equitable or legal remedy that would have been available to the impaired insurer or insolvent insurer or owner, beneficiary, or payee of a policy or contract with respect to the policy or contract, including without limitation for a structured settlement annuity, any right of the owner, beneficiary, or payee of the annuity, to the extent of benefits received pursuant to this chapter, against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment of the annuity.

(17) If subsection (16) is invalid or ineffective for any person or claim for any reason, the amount payable by the association for the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies, or portions thereof, covered by the association.

(18) If the association has provided benefits for a covered obligation and a person recovers an amount that the association has rights to as described in subsection (16), the person shall pay to the association the portion of the recovery attributable to the policies, or portion thereof, covered by the association.

(19) In addition to other rights and powers under this chapter, the association may do the following:

(a) Enter into contracts necessary or proper to carry out the provisions and purposes of this chapter.

(b) Sue or be sued, including taking legal actions necessary or proper for recovery of unpaid assessments levied under section 7709 and to settle claims or potential claims against it.

(c) Borrow money to effect the purposes of this chapter. Notes or other evidence of indebtedness of the association not in default shall be legal investments for domestic insurers and may be carried as admitted assets.

(d) Employ or retain the people necessary to handle the financial transactions of the association and to perform other functions that become necessary or proper under this chapter.

(e) Negotiate and contract with a liquidator, rehabilitator, conservator, or ancillary receiver to carry out the powers and duties of the association.

(f) Take legal action necessary to avoid or recover payment of improper claims.

(g) Exercise, for the purposes of this chapter and to the extent approved by the commissioner, the powers of a domestic life or health insurer, but in no case may the association issue insurance policies or annuity contracts other than those issued to perform its obligations under this chapter.

(h) Join an organization of 1 or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association.

(i) Request information from a person seeking coverage from the association in order to aid the association in determining its obligations under this chapter to the person, and the person shall promptly comply with the request.

(j) Take other necessary or appropriate action to discharge its duties and obligations and to exercise its powers under this chapter.

(20) At any time within 1 year after the coverage date, the association may elect to succeed to the rights and obligations of the member insurer, that accrue on or after the coverage date and that relate to contracts, in whole or in part, by the association, under any 1 or more indemnity reinsurance agreements entered into by the member insurer as a ceding insurer and selected by the association; provided, however, that the association shall not exercise this election for a reinsurance agreement if the receiver, rehabilitator, or

liquidator of the member insurer has previously and expressly disaffirmed the reinsurance agreement on which the association becomes responsible for the obligations of a member insurer. The association shall make an election under this subsection by providing a notice to the receiver, rehabilitator, or liquidator and to the affected reinsurer. If the association makes an election, all of the following apply with respect to the agreements selected by the association:

(a) The association is responsible for all unpaid premiums due under the agreements for periods both before and after the coverage date, and for the performance of all other obligations to be performed after the coverage date, for contracts covered, in whole or in part, by the association. The association may charge contracts covered in part by the association, through reasonable allocation methods, the cost for reinsurance in excess of the obligations of the association.

(b) The association is entitled to any amounts payable by the reinsurer under the agreements for losses or events that occur in periods after the coverage date and that relate to contracts covered by the association, in whole or in part, provided that the association is obligated upon receipt of this amount to pay to the beneficiary under the policy or contract on account of which they were paid the amount received by the association that is in excess of the benefits paid by the association on account of the policy or contract less the retention of the impaired member insurer or insolvent member insurer applicable to the loss or event.

(c) Within 30 days following the association's election, the association and each indemnity reinsurer shall calculate the net balance due to or from the association under each such reinsurance agreement as of the date of the association's election, which calculation shall give full credit to all items paid by either the member insurer or its receiver, rehabilitator, or liquidator or the indemnity reinsurer during the period between the coverage date and the date of the association's election. Either the association or the indemnity reinsurer shall pay the net balance due the other within 5 days of the completion of this calculation. If the receiver, rehabilitator, or liquidator has received any amounts due the association pursuant to subdivision (b), the receiver, rehabilitator, or liquidator shall remit this amount to the association as promptly as practicable.

(d) If, within 60 days of the election, the association pays the premiums due for periods both before and after the coverage date that relate to contracts covered by the association, in whole or in part, the reinsurer shall not terminate the reinsurance agreements insofar as the agreements relate to contracts covered by the association in whole or in part and shall not set off any unpaid premiums due for periods prior to the coverage date against amounts due the association.

(e) As used in this subsection, "coverage date" means the date on which the association becomes responsible for the obligations of the member insurer.

(21) If the association transfers its obligations to another insurer, and if the association and the other insurer agree, the other insurer shall succeed to the rights and obligations of the association under subsection (20) effective on the date agreed to by the association and the other insurer and regardless of whether the association has made the election referred to in subsection (20). If this occurs, the indemnity reinsurance agreement automatically terminates for new reinsurance unless the indemnity reinsurer and other insurer agree to the contrary and the obligations described in subsection (20)(b) no longer apply on and after the date the indemnity reinsurance agreement is transferred to the third party insurer. This subsection does not apply if the association has previously expressly determined in writing that it will not exercise the election referred to in subsection (20).

(22) Subsections (20) and (21) shall be applied consistently with section 8132 and shall supersede the provisions of any affected reinsurance agreement that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the coverage date, to the receiver, liquidator, or rehabilitator or the insolvent member insurer. The receiver, rehabilitator, or liquidator remain entitled to any amounts payable by the reinsurer under the reinsurance agreement with respect to losses or events that occur in periods prior to the coverage date, subject to applicable setoff provisions.

(23) Except as otherwise expressly provided in subsections (20) to (22), this section does not do any of the following:

(a) Alter or modify the terms and conditions of the indemnity reinsurance agreements of the insolvent member insurer.

(b) Abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance agreement.

(c) Give a policy owner or beneficiary an independent cause of action against an indemnity reinsurer that is not otherwise set forth in the indemnity reinsurance agreement.

(24) The board of directors of the association, in the exercise of reasonable business judgment, may determine the means by which the association is to provide the benefits of this chapter in an economical and efficient manner.

(25) If the association has arranged or offered to provide the benefits of this chapter to a covered person

under a plan or arrangement that fulfills the association's obligations under this chapter, the person is not entitled to benefits from the association in addition to, or other than those provided under, the plan or arrangement.

(26) Venue in a suit against the association arising under this chapter shall be in Ingham county. The association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this chapter.

(27) In carrying out its duties in connection with guaranteeing, assuming, or reinsuring policies or contracts under subsection (3) or (5), the association may, subject to the commissioner's or the receivership court's approval, issue substitute coverage for a policy or contract that provides an interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value, by issuing an alternative policy or contract in accordance with the following provisions:

(a) Instead of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for a fixed interest rate, payment of dividends with minimum guarantees, or a different method for calculating interest or changes in value.

(b) There is no requirement for evidence of insurability, waiting period, or other exclusion that would not have applied under the replaced policy or contract.

(c) The alternative policy or contract is substantially similar to the replaced policy or contract in all other material terms.

500.7709 Assessments.

Sec. 7709. (1) Except as otherwise provided in this section, for the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after written notice to the member insurers and shall accrue interest at 12% per annum on and after the due date.

(2) There shall be 2 classes of assessments, as follows:

(a) Class A assessments shall be authorized and called for the purpose of meeting administrative and legal costs and other general expenses and may be authorized and called whether or not the assessment relates to a particular impaired insurer or insolvent insurer.

(b) Class B assessments shall be authorized and called to the extent necessary to carry out the powers and duties of the association under section 7708 for an impaired insurer or insolvent insurer.

(3) The amount of a class A assessment shall be determined by the board and may be authorized and called on a pro rata or nonpro rata basis. If pro rata, the board may provide that it be credited against future class B assessments. The total of all nonpro rata assessments shall not exceed $150.00 per member insurer in 1 calendar year.

(4) The amount of a class B assessment shall be allocated for assessment purposes among the accounts pursuant to an allocation formula that may be based on the premiums or reserves of the impaired insurer or insolvent insurer or any other standard considered by the board in its sole discretion as being fair and reasonable under the circumstances.

(5) A class B assessment against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account for the 3 most recent calendar years for which information is available preceding the year in which the insurer became impaired or insolvent bears to such premiums received on business in this state for those 3 most recent calendar years by all assessed member insurers.

(6) An assessment for funds to meet the requirements of the association with respect to an impaired insurer or insolvent insurer shall not be authorized or called until necessary to implement the purposes of this chapter. Classification of assessments under subsection (2) and computation of assessments under this section shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. The association shall notify each member insurer of its anticipated pro rata share of an authorized

assessment not yet called within 180 days after the assessment is authorized.

(7) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill that insurer's contractual obligations. If an assessment against a member insurer is abated or deferred, in whole or in part, the amount by which the assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the association.

(8) The total of all assessments authorized by the association for a member insurer for each subaccount of the life insurance and annuity account and for the health account shall not in 1 calendar year exceed 2% of that member insurer's average annual premiums received in this state on the policies and contracts covered by the account or subaccount during the 3 calendar years preceding the year in which the insurer became an impaired insurer or insolvent insurer, subject to the following:

(a) If 2 or more assessments are authorized in 1 calendar year for insurers that become impaired insurers or insolvent insurers in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation under this subsection are equal and limited to the higher of the 3-year average annual premiums for the applicable subaccount or account as calculated pursuant to this section.

(b) If the maximum assessment, together with the other assets of the association in an account, does not provide in 1 year, in either account, an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this chapter.

(9) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to 1 or more impaired insurers or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(10) If the maximum assessment for a subaccount of the life insurance and annuity account in any 1 year does not provide an amount sufficient to carry out the responsibilities of the association, then, pursuant to subsection (5), the board shall access the other subaccounts of the life insurance and annuity account for the necessary additional amount, subject to the maximum stated in subsection (8).

(11) The board may refund to member insurers, by an equitable method as established in the plan of operation and in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out future obligations of the association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in an account to provide funds for the continuing expenses of the association and for future claims. Instead of a class A assessment, the board may transfer on an equitable pro rata basis excess amounts from class B accounts to the class A account.

(12) In determining premium rates and policy owner dividends as to any kind of insurance within the scope of this chapter, a member insurer may consider the amount reasonably necessary to meet assessment obligations under this chapter.

(13) The association shall issue to an insurer paying an assessment under this chapter, other than a class A assessment, a certificate of contribution in a form prescribed by the commissioner for the amount of the assessment so paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in the insurer's financial statement as an asset in such form and for such amount, if any, and period of time as the commissioner may approve.

(14) A member insurer that wishes to protest all or part of an assessment shall pay when due the full amount of the assessment as stated in the notice provided by the association. The payment shall be available to meet association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a statement in writing that the payment is made under protest and setting forth a brief statement of the grounds for the protest. Within 60 days following the payment of an assessment under protest by a member insurer, the association shall notify the member insurer in writing of its determination with respect to the protest unless the association notifies the member insurer that additional time is required to resolve the issues raised by the protest. Within 30 days after a final decision has been made, the association shall notify the protesting member insurer in writing of that final decision. Within 60 days of receipt of notice of the final decision, the protesting member insurer may appeal that final action to the commissioner. Instead of rendering a final decision on a protest based on a question regarding the assessment base, the association may refer protests to the commissioner for a final decision, with or without a recommendation from the association. If the protest or appeal is resolved in the member insurer's favor, the amount paid in error or excess shall be returned to the member insurer. Interest on a refund due a protesting member insurer shall be paid at the rate actually earned by the association.

(15) The association may request information of member insurers in order to aid in the exercise of its power under this section, and member insurers shall promptly comply with this request.

500.7710 Plan of operation and amendments; submission to commissioner; effective date; failure to submit suitable plan or amendments; rules; compliance by member insurers; contents of plan; providing for delegation of powers and duties of association to other organization.

Sec. 7710. (1) The association shall submit to the commissioner a plan of operation and amendments to the plan necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and amendments to the plan shall become effective upon approval in writing by the commissioner or if he or she has not disapproved it within 30 days after submission.

(2) If the association fails to submit a suitable plan of operation within 60 days following the effective date of this chapter or if at any time the association fails to submit suitable amendments to the plan, the commissioner shall, after notice and hearing, promulgate rules reasonably necessary or advisable to effectuate this chapter. The rules shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

(3) All member insurers shall comply with the plan of operation.

(4) In addition to requirements enumerated elsewhere in this chapter, the plan of operation shall contain the following:

(a) Procedures for handling the assets of the association.

(b) The amount and method of reimbursing members of the board of directors under section 7707.

(c) Regular places and times for meetings of the board of directors.

(d) Procedures for records to be kept of financial transactions of the association, the association's agents, and the board of directors.

(e) Procedures for election of the board of directors and for submission of board members to the commissioner.

(f) Additional procedures for assessments under section 7709.

(g) Additional provisions necessary or proper for the execution of the powers and duties of the association.

(5) The plan of operation may provide that any or all powers and duties of the association, except those under sections 7708(16)(c) and 7709, are delegated to a corporation, association, or other organization which performs or will perform functions similar to those of the association, or the association's equivalent, in 2 or more states.

500.7711 Additional duties of commissioner; suspension or revocation of certificate of authority; forfeiture; appeal; judicial review; notice by liquidator, rehabilitator, or conservator.

Sec. 7711. (1) In addition to the duties enumerated elsewhere in this chapter, the commissioner shall:

(a) Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer.

(b) When an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer constitutes notice to that insurer's shareholders, if any. The failure of the insurer to promptly comply with the demand does not excuse the association from the performance of the association's powers and duties under this chapter.

(c) In a liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator.

(2) In addition to the powers enumerated elsewhere in this chapter, the commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this state of a member

insurer that fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the commissioner may levy a forfeiture on a member insurer that fails to pay an assessment when due. The forfeiture shall not exceed 5% of the unpaid assessment per month, but forfeiture shall not be less than $100.00 per month.

(3) A final action by the board of directors or the association may be appealed to the commissioner by a member insurer if the appeal is taken within 60 days of its receipt of notice of the final action being appealed. A final action or order of the commissioner is subject to judicial review in a court of competent jurisdiction in accordance with this state's laws applying to actions or orders of the commissioner.

(4) The liquidator, rehabilitator, or conservator of an impaired insurer may notify all interested persons of the effect of this chapter.

500.7712 Detection and prevention of insurer insolvencies or impairments; powers and duties of commissioner and board of directors; reports and recommendations.

Sec. 7712. (1) To aid in the detection and prevention of insurer insolvencies or impairments, the commissioner shall do the following:

(a) Notify the commissioners of all the other states, territories of the United States, and the District of Columbia when he or she takes any of the following actions against a member insurer:

(*i*) Revokes a certificate of authority.

(*ii*) Suspends a certificate of authority.

(*iii*) Makes a formal order that the company restricts its premium writing, obtains additional contributions to surplus, withdraws from the state, reinsures all or a part of its business, or increases capital, surplus, or any other account for the security of policyholders or creditors.

(b) Mail the notice under subdivision (a) to all commissioners within 30 days following the action taken.

(c) Report to the board of directors when he or she has taken any of the actions set forth in subdivision (a) or has received a report from any other commissioner indicating that such action has been taken in another state. The report to the board of directors shall contain all significant details of the action taken or the report received from another commissioner.

(d) Report to the board of directors when the commissioner has reasonable cause to believe from an examination, whether completed or in process, of a member insurer that the insurer may be an impaired insurer or insolvent insurer.

(e) Furnish to the board of directors the NAIC insurance regulatory information system (IRIS) ratios and listings of companies not included in the ratios developed by the national association of insurance commissioners. The board may use that information in carrying out its duties and responsibilities under this section.

(f) The report and the information furnished pursuant to this subsection shall be kept confidential by the board of directors until made public by the commissioner or other lawful authority.

(2) The commissioner may seek the advice and recommendations of the board of directors concerning a matter affecting his or her duties and responsibilities regarding the financial condition of a member company seeking to transact insurance business in this state.

(3) The board of directors, upon majority vote, may make reports and recommendations to the commissioner upon a matter germane to the solvency, liquidation, rehabilitation, or conservation of a member insurer or germane to the solvency of a company seeking to transact insurance business in this state. The reports and recommendations shall not be considered public documents.

(4) The board of directors, upon majority vote, may notify the commissioner of information indicating that a member insurer may be an impaired insurer or insolvent insurer.

(5) The board of directors, upon majority vote, may request that the commissioner order an examination of a member insurer that the board in good faith believes may be an impaired insurer or insolvent insurer. Within 30 days after the receipt of the request, the commissioner shall begin the examination. The examination may be conducted as a national association of insurance commissioners examination or may be conducted by a person whom the commissioner designates. The cost of the examination shall be paid by the association, and

the examination report shall be treated in the same manner as other examination reports. An examination report shall not be released to the board of directors before release to the public, but this does not preclude the commissioner from complying with subsection (1). The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but shall not be open to public inspection before release of the examination report to the public.

(6) The board of directors, upon majority vote, may make recommendations to the commissioner for the detection and prevention of insurer insolvencies.

(7) At the conclusion of an insurer insolvency in which the association was obligated to pay covered claims, the board of directors shall prepare a report to the commissioner containing information in the board's possession bearing on the history and causes of the insolvency. The board shall cooperate with the boards of directors of guaranty associations in other states in preparing a report on the history and causes for insolvency of a particular insurer and may adopt by reference a report prepared by such other associations.

500.7714 Liability for unpaid assessments of insureds on impaired or insolvent insurer operating under plan with assessment liability; records of negotiations and meetings; report; association as creditor of impaired or insolvent insurer; "assets attributable to covered policies" defined; disbursement of assets.

Sec. 7714. (1) This chapter shall not be construed to reduce the liability for unpaid assessments of the insureds on an impaired insurer or insolvent insurer operating under a plan with assessment liability.

(2) Records shall be kept of all meetings of the board of directors to discuss the activities of the association in carrying out powers and duties under section 7708. Association records concerning an impaired insurer or an insolvent insurer shall not be disclosed before the termination of a liquidation, rehabilitation, or conservation proceeding involving an impaired insurer or insolvent insurer, or before the termination of the impairment or insolvency of the insurer, or upon the order of a court of competent jurisdiction. This subsection does not limit the duty of the association to render a report of association activities under section 7715.

(3) For the purpose of carrying out obligations under this chapter, the association shall be considered a creditor of the impaired insurer or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the association is entitled as subrogee pursuant to section 7708(16). Assets of the impaired insurer or insolvent insurer attributable to covered policies shall be used to continue all covered policies and pay all contractual obligations of the impaired insurer or insolvent insurer as required by this chapter. As used in this subsection, "assets attributable to covered policies" means that proportion of the assets which the reserves that should have been established for the covered policies bear to the reserves that should have been established for all policies of insurance written by the impaired insurer or insolvent insurer.

(4) As a creditor of an impaired insurer or insolvent insurer as provided in subsection (3) and consistent with chapter 81, the association and other similar associations are entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this act. If the liquidator has not, within 120 days of a final determination of insolvency of an insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the association may make application to the receivership court for approval of its own proposal to disburse assets.

Sec. 7918. (1) The association may borrow funds when necessary to implement this act.

(2) The association, either in its own name or through a servicing facility, may sue or be sued, and may use the courts to assert or defend any rights the association may have under this chapter, to the extent necessary to fully exercise its rights and perform its duties under, and to implement, this chapter.

The association shall have the absolute right through emergency equitable relief to obtain custody and control of all claims information in the custody or control of the third party administrator, agent, attorney, or other representative of the insolvent insurer, regardless of where the information may be physically located. In bringing the action, the association is not subject to any defense, lien, possessory or otherwise, or other legal or equitable ground for refusal to surrender claims information that might be asserted against the liquidator of the insolvent insurers. If litigation is necessary for the association to obtain custody of the claims information requested and it results in the relinquishment of claims information to the association after refusal to provide the information in response to a written demand, the court shall award the association its costs, expenses, and reasonable attorney fees incurred in bringing the action. This section does not affect the rights and remedies that the custodian of the claims information may have against the insolvent insurers, so long as those rights and remedies do not conflict with the rights of the association to custody and control of the claims information under this act.

(5) Upon request of the commissioner, consent of the association, and appointment by the court, the association may act as deputy receiver in delinquency proceedings under chapter 81.

(e) Arise out of policy contracts of the insolvent insurer issued for all kinds of insurance except life and disability insurance.

(f) Arise out of insurance policy contracts issued on or before the last date on which the insolvent insurer was a member insurer.

(2) Covered claims shall not include any of the following:

(a) Obligations to refund unearned premiums above the first $500.00 of unearned premiums from each person from any 1 insolvent insurer. The maximum amount of unearned premiums which shall constitute a covered claim shall be adjusted annually to reflect changes in the cost of living under rules prescribed by the commissioner. A refund in an amount less than $50.00 shall not be made for unearned premiums.

(b) Obligations incurred after the expiration date of the insurance policy, after the insurance policy has been replaced by the insured, or after the insurance policy has been canceled by the association as provided in this chapter.

(c) Obligations arising out of sections 2001 to 2050, or similar provisions of law in another jurisdiction.

(3) Covered claims shall not include any amount due any reinsurer, insurer, insurance pool, underwriting association, health maintenance organization, or health care corporation as subrogation recoveries, contribution, indemnification, or other obligation. A claim for any amount due any reinsurer, insurer, insurance pool, underwriting association, health maintenance organization, or health care corporation shall not be brought against an insured or claimant under a policy issued by the insolvent insurer unless the claim exceeds the association's obligation limitations under subsection (6).

(4) Covered claims shall not include obligations for any first party or third party claim by or against an insured whose net worth exceeds $25,000,000.00 on December 31, or on the last date of the insured's fiscal period if that is other than December 31, of the year immediately preceding the date the insurer becomes an insolvent insurer. In determining net worth on this date, an insured's net worth shall include the aggregate net worth of the insured and all of its subsidiaries and affiliates as calculated on a consolidated basis. The $25,000,000.00 net worth limit shall be adjusted annually to reflect the aggregate annual percentage change in the consumer price index since the previous adjustment, rounded to the nearest $10,000.00. The effective date of the adjustment shall be January 1 of each year. The $5,000,000.00 claim cap shall be adjusted annually to reflect the aggregate annual percentage change in the

consumer price index since the previous adjustment, rounded to the nearest $10,000.00. The effective date of the adjustment shall be January 1 of each year and shall apply to claims made on or after that date. The claim cap in effect at the time of payment of a claim shall apply.

(8) As used in this section:

(a) "Consumer price index" means the consumer price index for all urban consumers in the U.S. city average, as most recently reported by the United States department of labor, bureau of labor statistics, and as certified by the commissioner.

500.7931 Payment and discharge of covered claims; association as party in interest; rights of association; cause of action against insureds; recoverable damages or benefits as credit against covered claim; action to recover excess payment; claims made under worker's disability compensation act; continuation and duration of coverage for covered claims; cancellation of insurance policies; notice; definitions.

Sec. 7931. (1) The association may pay or discharge covered claims directly, through a servicing facility, or through a contract for reinsurance or transfer of liabilities with a member insurer, in accordance with the plan of operation.

(2) The association shall be a party in interest in all proceedings involving a covered claim and shall have the same rights as the insolvent insurer would have had if not in receivership, including the right to appear, defend, and appeal a claim in a court of competent jurisdiction; to receive notice of, investigate, adjust, compromise, settle, and pay a covered claim; and to investigate, handle, and deny a noncovered claim. The association shall not have a cause of action against the insureds of the insolvent insurer for any sums it has paid out, except those causes of action that the insolvent insurer would have had if the sums had been paid by the insolvent insurer, or except as otherwise provided by this chapter.

(3) If damages or benefits are recoverable by a claimant other than from any disability policy or life insurance policy owned or paid for by the claimant or by a claimant or insured under an insurance policy other than a policy of the insolvent insurer, or under a self-insured program of a self-insured entity, the damages or benefits recoverable shall be a credit against a covered claim payable under this chapter. The claimant, insured, or self-insured entity shall first exhaust all coverage provided by any policy or the self-insured retention of an excess insurance policy. If damages against an insured who is not a resident of this state are recoverable by a claimant who is a resident of this state, in whole or in part, from any insurance guaranty association or fund or its equivalent in the state where the insured is a resident, the damages recoverable shall be a credit against a covered claim payable under this chapter. To the extent that the association's obligation is reduced by this section, the liability of the person insured by the insolvent insurer's policy shall be reduced in the same amount. An insurer, self-insured entity, or any other person shall not maintain an action against an insured of the insolvent insurer to recover an amount that constitutes a credit against a covered claim under this section. An amount paid to a claimant in excess of the amount authorized by this section may be recovered by an action brought by the association. If the claims made arise under the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941, this subsection does not provide credits in excess of those specified in section 354 of the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.354, and does not limit the liability of the guaranty association or the insured under a policy of the insolvent insurer for benefits provided under the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.101 to 418.941.

(4) The association shall continue coverage for covered claims under each insurance policy of the insolvent insurer that was in force on the date the receiver was appointed until the insurance policy has expired in accordance with its terms, has been replaced by the insured, or has been canceled by the association as provided in this chapter, but in no event for more than 30 days after the date the receiver was appointed.

(5) The association may cancel insurance policies of the insolvent insurer by mailing or delivering to the

insured at the last known address within this state a 10 days' written notice of cancellation, notwithstanding a statute or policy provision to the contrary.

(6) As used in this section:

(a) "Self-insured entity" means a person or employer that covers its liability through a qualified individual or group self-insurance program.

(b) "Self-insured program" means any formal program created for the specific purpose of covering liabilities typically covered by insurance.

(2) After the commissioner has entered an order restricting the certificate of authority of an insurer, the association shall render advice to the commissioner, upon his or her request, concerning rehabilitation, payment of claims, continuation of coverage, or the performance of other obligations of the insurer.

(3) Any reports, recommendations, and advice prepared in compliance with this section shall be exempt from public disclosure.

500.7935 Cooperation of insured with association; assignment of rights; indemnification from catastrophic claims association; options.

Sec. 7935. (1) Each insured entitled to the protection of this chapter shall cooperate with the association in accordance with the insured's policy in the same manner as the insured would have been required to cooperate with his or her insurer if it were not in receivership. Each insured shall be considered to have assigned to the association any right to make claim against the receiver for a refund of unearned premium for the period of coverage provided by the association beginning on the date of receivership.

(2) An insured or claimant entitled to the benefits of this chapter shall be considered to have assigned to the association, to the extent of any payment received from the association, his or her rights against the estate of the insolvent insurer, rights under the policy under which his or her claim arose, and any other rights the insured or claimant may have against another person for payment of the covered claim paid by the association.

(3) The association shall be entitled to receive, to the extent of the amount paid or payable by the association by reason of a covered claim, any amount recoverable by the receiver or the insolvent insurer by way of right of indemnification from the catastrophic claims association created in section 3104.

(4) The association shall be entitled to any option to take possession of, right of salvage in, or other right to proceeds from the sale or disposition of insured property which is the subject matter of a covered claim, to which the insolvent insurer would have been entitled had it paid the claim.

500.7941 Assessments on member insurers; purpose; allocation of claim payments and costs to categories; separate assessments for each category; use, amount, and rate of assessment; remittance and administration of assessments; notice; limitation; exemption or deferment; recognition of assessments in rate-making procedures; refunds; revocation of certificate of authority.

Sec. 7941. (1) To the extent necessary to secure funds for the association for payment of covered claims and for payment of reasonable costs of administering the association, including the cost of indemnifying members of the board of governors, other member insurers, officers, employees, and other persons acting on behalf of the association to the extent permitted by law and the plan of operation, the association shall levy assessments upon all member insurers. The association shall allocate its claim payments and costs to the following 5 categories:

(a) Worker's compensation insurance.

(b) Automobile insurance.

(c) Title insurance.

(d) Fire, allied lines, farm owner's multiple peril, homeowner's multiple peril, inland marine, earthquake, and credit insurance.

(e) All other kinds of insurance except life and disability insurance.

(2) Separate assessments shall be made for each category prescribed in subsection (1). The assessment for each category shall be used to pay the claim payments and costs allocated to that category. The assessment for each category shall be in proportion to the net direct premiums written, after deducting dividends paid or credited to policyholders, by each member insurer in this state for kinds of insurance included within each category, as reported in the most recent annual statement available at the time of assessment. The rate of assessment shall be a uniform percentage of the premiums for all member insurers. The assessments shall be remitted to and administered by the association in accordance with the plan of operation. Each member insurer assessed shall have not less than 30 days' advance written notice of the date the assessment is due and payable.

(3) A member insurer shall not be assessed during a calendar year for more than 1% of its net direct premiums written in this state during the previous calendar year. The commissioner may exempt a member insurer from all or part of an assessment or may defer, in whole or in part, the assessment of a member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. However, during the period of exemption or deferment, dividends shall not be declared or paid to shareholders or policyholders. If a member insurer is exempted from all or part of an assessment, or if an assessment against a member insurer is deferred in whole or in part, the amount of the exemption or deferred assessment may be assessed against the other member insurers in a manner consistent with the basis for assessments prescribed in this section. The commissioner may impose conditions on an exemption or deferral which he or she considers reasonable and necessary.

(4) The assessments shall be recognized in the rate-making procedures for insurance rates in the same manner that expenses and premium taxes are recognized. Unused assessments and reimbursements from the receiver remaining in a category in excess of covered claims and expenses allocated to that category shall be refunded by the association to each member insurer who paid the assessments for that category in proportion to its assessments paid. An insurer that ceases to be a member of the association shall not have a right to a refund of an assessment previously remitted to the association. The commissioner may revoke the certificate of authority to transact business in this state of a member insurer that fails to pay an assessment when due as provided in this act and after a demand has been made.

Sec. 8109. (1) If the commissioner has reasonable cause to believe and determines after a hearing held under subsection (5) that a domestic insurer has committed or engaged in, or is about to commit or engage in, an act, practice, or transaction that would subject it to delinquency proceedings under this chapter, the commissioner may make and serve upon the insurer and any other persons involved any order as is reasonably necessary to correct, eliminate, or remedy the conduct, condition, or ground.

(2) If upon examination or at any other time the commissioner has reasonable cause to believe that a domestic insurer is in such condition as to render the continuance of its business hazardous to the public or to holders of its policies or certificates of insurance, or if the domestic insurer gives its consent, then the commissioner shall upon his or her determination:

(a) Notify the insurer of his or her determination.

(b) Furnish to the insurer a written list of the commissioner's requirements to abate his or her determination.

(3) If the commissioner makes a determination to supervise an insurer subject to an order under subsection (1) or (2), the commissioner shall notify the insurer that it is under the supervision of the commissioner. During the period of supervision, the commissioner may appoint a supervisor to supervise the insurer. The order appointing a supervisor shall direct the supervisor to enforce orders issued under subsections (1) and (2) and may also require the following:

(a) That the insurer shall not do any of the following things during the period of supervision, without the prior approval of the commissioner or his or her supervisor:

(*i*) Dispose of, convey, or encumber any of its assets or its business in force including disposing, conveying, or encumbering its assets or business to affiliated companies, either domestic, foreign, or alien.

(4) An insurer subject to an order under this section shall comply with the lawful requirements of the commissioner and his or her supervisor and, if placed under supervision, shall have 60 days from the date the supervision order is served within which to comply with the commissioner's requirements. If the insurer fails to comply within that time, the commissioner may institute proceedings to have a rehabilitator or liquidator appointed under section 8112 or 8117, to extend the period of supervision pursuant to the commissioner's written order, or to suspend, revoke, or limit the insurer's certificate of authority to do business in accordance with section 437.

(5) The notice of hearing under subsection (1) and an order issued pursuant to subsection (1) shall be served upon the insurer pursuant to the applicable rules of the administrative procedures act of 1969, Act No. 306 of the Public Acts of 1969, being sections 24.201 to 24.328 of the Michigan Compiled Laws. The notice of hearing shall state the time and place of hearing, and the conduct, condition, or ground upon which the commissioner would base his or her order. Unless mutually agreed between the commissioner and the insurer, the hearing shall occur not less than 10 days or more than 30 days after notice is served and shall be either in Ingham county or in some other place convenient to the parties to be designated by the commissioner. (6) An insurer subject to an order under subsection (2) may request a hearing to review that order. Such a hearing shall be held as provided in subsection (5), but the request for a hearing shall not stay the effect of the order. If the commissioner issues an order under subsection (2), the insurer, at any time, may waive a commissioner's hearing and apply for immediate judicial relief by means of any remedy afforded by law without first exhausting administrative remedies. Subsequent to a hearing, a party to the proceedings whose interests are substantially affected shall be entitled to judicial review of an order issued by the commissioner.

(7) During the period of supervision, the insurer may request the commissioner to review an action taken or proposed to be taken by the supervisor, specifying wherein the action complained of is believed not to be in the best interest of the insurer.

(8) If a person has violated a supervision order issued under this section which as to him or her was then still in effect, he or she may be sentenced by the court to pay a fine not exceeding $10,000.00.

(9) The commissioner may apply for, and the circuit court may grant, a restraining order, preliminary injunction, permanent injunction, and any other order as may be considered necessary and proper to enforce a supervision order, including an order precluding a person or domestic insurer from transferring business to or writing new business with an affiliated domestic, foreign, or alien insurer so as to avoid the effects of a supervision as provided in subsections (3) and (4).

(10) If a person subject to the provisions of this chapter, including those persons described in section 8106(1), knowingly violates a valid order of the commissioner issued under the provisions of this section and, as a result of the violation, the net worth of the insurer is reduced or the insurer suffers loss it would not otherwise have suffered, that person is personally liable to the insurer for the amount of the reduction or loss. The commissioner or supervisor is authorized to bring an action on behalf of the insurer in the circuit court for Ingham county to recover the amount of the reduction or loss, together with cost.

(11) Reasonable costs and expenses incurred by the commissioner in conducting a supervision of an alien insurer or any investigation preliminary to that supervision under this chapter are an expense of administering a delinquency proceeding and are payable from the assets of the trust established pursuant to section 411(4).

500.8110 Seizure order.

Sec. 8110. (1) The commissioner may file in the circuit court for Ingham county a petition alleging, with respect to a domestic insurer:

(a) That there exists grounds justifying a court order for a formal delinquency proceeding against an insurer under this chapter.

(b) That the interests of policyholders, creditors, or the public will be endangered by delay.

(c) The contents of an order considered necessary by the commissioner.

(2) Upon a filing under subsection (1), the court may issue immediately and without a hearing the requested order directing the commissioner to take possession and control of all or a part of the property, books, accounts, documents, and other records of an insurer, and of the premises occupied by the insurer for the transaction of its business; and until further order of the court enjoin the insurer and its officers, managers, agents, and employees from disposition of its property and from the transaction of its business except with the commissioner's written consent.

(3) The court shall specify in the order the duration of the order, which shall be such time as the court considers necessary for the commissioner to ascertain the condition of the insurer. On motion of either party or in its own discretion, the court may hold hearings, from time to time, as it considers desirable after such notice as it considers appropriate, and may extend, shorten, or modify the terms of the seizure order. The court shall vacate the seizure order if the commissioner fails to commence a formal proceeding under this chapter after having had a reasonable opportunity to do so. An order of the court pursuant to a formal proceeding under this act shall vacate the seizure order.

(4) Entry of a seizure order under this section shall not constitute an anticipatory breach of any insurer contract.

(5) An insurer, subject to an ex parte order under this section, may petition the circuit court for Ingham county at any time after the order is issued, for a hearing and review of the order. The court shall hold a hearing and review not more than 15 days after the request. A hearing under this subsection may be held privately in chambers and shall be held privately in chambers if so requested by the insurer proceeded against.

(6) If, at any time after the issuance of an ex parte order, it appears to the court that a person whose interest is or will be substantially affected by the order did not appear at the hearing and has not been served, the court may order that notice be given. An order that notice be given shall not stay the effect of an order previously issued by the court.

(7) If a visiting or retired judge is assigned to the circuit court for Ingham county in any proceeding filed under this section or in any formal delinquency proceeding brought under this chapter because the estate of the insurer against which the proceeding has been brought is of such size or complexity that additional judicial resources are necessary to conduct the proceeding expeditiously so as to protect to the fullest extent possible the interests of the insurer, its policyholders and creditors, and the public, the expense of the assigned judge shall be an expense of administration of the proceeding and shall be reimbursable from the estate of the insurer against which the proceeding has been brought.

500.8112 Rehabilitation of insurer; petition; grounds.

Sec. 8112. The commissioner may apply by petition to the circuit court for Ingham county for an order authorizing the commissioner to rehabilitate a domestic insurer or an alien insurer domiciled in this state on 1 or more of the following grounds:

(a) The insurer is in such condition that the further transaction of business would be hazardous financially to its policyholders, creditors, or the public.

(b) There is reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer, or other illegal conduct in, by, or with respect to the insurer that, if established, would endanger assets in an amount threatening the insurer's solvency.

(c) The insurer has failed to remove a person who in fact has executive authority with the insurer, whether an officer, manager, general agent, employee, or other person, if the person has been found after notice and hearing by the commissioner to be dishonest or untrustworthy in a way affecting the insurer's business.

(d) Control of the insurer, whether by stock ownership or otherwise, and whether direct or indirect, is in a person or persons found after notice and hearing to be untrustworthy.

(e) A person who in fact has executive authority with the insurer, whether an officer, manager, general agent, director or trustee, employee, or other person, has refused to be examined under oath by the commissioner concerning its affairs, whether in this state or elsewhere, and after reasonable notice of the fact, the insurer has failed promptly and effectively to terminate the employment and status of the person and all of his or her influence on management.

(f) After demand by the commissioner, the insurer has failed to promptly make available for examination its property, books, accounts, documents, or other records, or those of a subsidiary or related company within the control of the insurer, or those of a person having executive authority with the insurer and pertaining to the insurer.

(g) Without first obtaining the commissioner's written consent, the insurer has transferred, or attempted to transfer, in a manner contrary to law, substantially its entire property or business, or has entered into a transaction the effect of which is to merge, consolidate, or reinsure substantially its entire property or business in or with the property or business of any other person.

(h) The insurer or its property has been or is the subject of an application for the appointment or a receiver, trustee, custodian, conservator, or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under the insurance laws of this state, and the appointment has been made or is imminent, and the appointment may deny the courts of this state of jurisdiction or might prejudice orderly delinquency proceedings under this chapter.

(i) Within the previous 4 years the insurer has willfully violated its charter or articles of incorporation, its bylaws, an insurance law of this state, or a valid order of the commissioner under section 8109.

(j) The insurer has failed to pay within 60 days after due date an obligation to a state or a subdivision of a state or a judgment entered in a state, if the court in which the judgment was entered had jurisdiction over the subject matter. However, nonpayment shall not be a ground until 60 days after a good faith effort by the insurer to contest the obligation has been terminated, whether it is before the commissioner or the court, or the insurer has systematically attempted to compromise or renegotiate previously agreed settlements with its creditors on the ground that it is financially unable to pay its obligations in full.

(k) The insurer has failed to file its annual report or other financial report required by statute within the time allowed by law and, after written demand by the commissioner, has failed to give immediately an adequate explanation.

(*l*) The board of directors or the holders of a majority of the shares entitled to vote request or consent to rehabilitation under this chapter.

(m) Is found, after examination, to be in a condition so that it could not presently meet the requirements for incorporation and authorization.

Sec. 8113. (1) An order to rehabilitate the business of a domestic insurer, or an alien insurer domiciled in this state, shall appoint the commissioner and his or her successors in office as the rehabilitator, and shall direct the rehabilitator to take immediate possession of the assets of the insurer, and to administer them under the court's general supervision. The filing or recording of the order with the clerk of the circuit court or register of deeds for the county in which the principal business of the company is conducted, or the county in which its principal office or place of business is located, shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that register of deeds would have imparted. The order to rehabilitate the insurer shall by operation of law vest title to all assets of the insurer in the rehabilitator.

(2) An order issued under this section shall require accounting to the court by the rehabilitator. Accountings shall be at such intervals as the court specifies in the order.

(3) Entry of an order of rehabilitation shall not constitute an anticipatory breach of any insurer contracts.

500.8114 Commissioner as rehabilitator; appointment of special deputies; employment of counsel, clerks, and assistants; compensation; terms; expenses; powers of rehabilitator; criminal or tortious conduct; breach of contractual or fiduciary obligation; plan to effect changes; avoidance of fraudulent transfers.

Sec. 8114. (1) The commissioner as rehabilitator may appoint 1 or more special deputies, including but not limited to the Michigan life and health insurance guaranty association and the Michigan property and casualty guaranty association, who shall have all the powers and responsibilities of the rehabilitator granted under this section, and the commissioner may employ such counsel, clerks, and assistants as considered necessary. The compensation of the special deputy, counsel, clerks, and assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be fixed by the commissioner, with the approval of the court and shall be paid out of the funds or assets of the insurer. The persons appointed under this section shall serve at the pleasure of the commissioner. If the property of the insurer does not contain sufficient cash or liquid assets to defray the costs incurred, the commissioner may advance the incurred costs out of an appropriation for the maintenance of the insurance bureau. Amounts advanced for expenses of administration shall be repaid to the commissioner for the use of the insurance bureau out of the first available money of the insurer.

(2) The rehabilitator may take such action as he or she considers necessary or appropriate to reform and revitalize the insurer including, but not limited to, the powers in section 8121(1)(f), (*l*), (m), (r), and (u). The rehabilitator has all the powers of the directors, officers, and managers, whose authority shall be suspended, except as they are redelegated by the rehabilitator. The rehabilitator has full power to direct and manage, to hire and discharge employees subject to any contract rights they may have, and to deal with the property and business of the insurer.

(3) If it appears to the rehabilitator that there has been criminal or tortious conduct or breach of a contractual or fiduciary obligation detrimental to the insurer by an officer, manager, agent, broker, employee, or other person, he or she may pursue all appropriate legal remedies.

(4) If the rehabilitator determines that reorganization, consolidation, conversion, reinsurance, merger, or other transformation of the insurer is appropriate, he or she shall prepare a plan to effect those changes. Upon application of the rehabilitator for approval of the plan, and after notice and hearings as the court may prescribe, the court may either approve or disapprove the plan proposed, or may modify it and approve it as modified. A plan approved under this section shall be, in the court's judgment, fair and equitable to all parties concerned. If the plan is approved, the rehabilitator shall implement the plan. For a life insurer, the plan proposed may include the imposition of liens upon the policies of the company, if all rights of shareholders are first relinquished. A plan for a life insurer may also propose imposition of a moratorium upon loan and cash surrender rights under policies, for such period and to such an extent as may be necessary.

(5) The rehabilitator shall have the power under sections 8126 and 8127 to avoid fraudulent transfers.

500.8115 Stay of action or proceeding; purpose; duties of rehabilitator; statute of limitations; laches; standing of guaranty association.

Sec. 8115. (1) A court in this state before which an action or proceeding in which the insurer is a party, or is obligated to defend a party, is pending when a rehabilitation order against the insurer is entered shall stay the action or proceeding for 90 days and such additional time as is necessary for the rehabilitator to obtain proper representation and prepare for further proceedings. The rehabilitator shall take action respecting the pending litigation as he or she considers necessary in the interests of justice and for the protection of creditors, policyholders, and the public. The rehabilitator shall consider immediately all litigation pending outside this state and shall petition the courts having jurisdiction over that litigation for stays if necessary to protect the insurer's estate.

(2) A statute of limitations or defense of laches shall not run with respect to an action by or against an insurer between the filing of a petition for appointment of a rehabilitator for that insurer and the order granting or denying that petition. An action by or against the insurer that might have been commenced when the petition was filed may be commenced for at least 60 days after the order of rehabilitation is entered or the petition is denied.

(3) A guaranty association or foreign guaranty association covering life or health insurance or annuities shall have standing to appear in a court proceeding concerning the rehabilitation of a life or health insurer if the association is or may become liable to act as a result of the rehabilitation.

500.8115a Netting agreement or qualified financial contract; rights; transfer; duties of receiver; exception; rights of counterparties; definitions.

Sec. 8115a. (1) Notwithstanding any other provision of this act, including section 8141, any provision of this act permitting the modification of contracts, or other law of this state, a person shall not be stayed or prohibited under this chapter from exercising any of the following:

(a) A contractual right to terminate, liquidate, or close out any netting agreement or qualified financial contract with an insurer because of the commencement of a formal delinquency proceeding under this chapter or the insolvency, financial condition, or default of the insurer at any time, provided that the right is enforceable under applicable law other than this act.

(b) Any right under any of the following:

(*i*) A pledge, security, collateral, reimbursement, or guarantee agreement or any similar security agreement with a bank established under the authority of the federal home loan bank act, 12 USC 1421 to 1449.

(*ii*) A pledge, security, collateral, reimbursement, or guarantee agreement or any similar security agreement or credit enhancement relating to at least 1 netting agreement or qualified financial contract.

(c) Subject to section 8130(2), any right to set off or net out any termination value, payment amount, or other transfer obligation arising under or in connection with a netting agreement or qualified financial contract where the counterparty or its guarantor is organized under the laws of the United States or a state or foreign jurisdiction approved by the securities valuation office of the national association of insurance commissioners and approved by the commissioner as eligible for netting.

(2) Upon termination of a netting agreement, the net or settlement amount, if any, owed by a nondefaulting party to an insurer against which an application or petition has been filed under this chapter shall be transferred to or on the order of the receiver for the insurer, even if the insurer is the defaulting party, notwithstanding any provision in the netting agreement that may provide that the nondefaulting party is not required to pay any net or settlement amount due to the defaulting party upon termination. Any limited 2-way payment provision in a netting agreement with an insurer that has defaulted shall be considered to be a full 2-way payment provision as against the defaulting insurer. Any such property or amount shall, except to the extent it is subject to 1 or more secondary liens or encumbrances, be a general asset of the insurer.

(3) In making any transfer of a netting agreement or qualified financial contract of an insurer subject to a proceeding under this chapter, the receiver shall do either of the following:

(a) Transfer to 1 party, other than an insurer subject to a proceeding under this chapter, all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding, including all rights and obligations of each party under each such netting agreement and qualified financial contract and all property, including any guarantees or credit support documents, securing any claims of each party under each such netting agreement and qualified financial contract.

(b) Transfer none of the netting agreements, qualified financial contracts, rights, obligations, or property referred to in subdivision (a) with respect to the counterparty and any affiliate of the counterparty.

(4) If a receiver for an insurer makes a transfer of 1 or more netting agreements or qualified financial contracts, the receiver shall use its best efforts to notify any person who is party to the netting agreements or qualified financial contracts of the transfer by 12 noon of the receiver's local time on the business day following the transfer. For purposes of this subsection, "business day" means a day other than a Saturday, Sunday, or any day on which either the New York stock exchange or the federal reserve bank of New York is closed.

(5) Except as provided in subsection (6), notwithstanding any other provision of this act, a receiver may not avoid a transfer of money or other property arising in connection with any of the following that is made before the commencement of a formal delinquency proceeding under this chapter:

(a) A netting agreement or qualified financial contract.

(b) A pledge, security, collateral, reimbursement, or guarantee agreement or similar security agreement with a bank established under the authority of the federal home loan bank act, 12 USC 1421 to 1449.

(c) A pledge, security, collateral, reimbursement, or guarantee agreement or any similar security agreement or credit enhancement relating to a netting agreement or qualified financial contract.

(6) Notwithstanding subsection (5), a transfer may be avoided under section 8126 if the transfer was made with actual intent to hinder, delay, or defraud the insurer, a receiver appointed for the insurer, or existing or future creditors.

(7) In exercising any of its powers under this chapter to disaffirm or repudiate a netting agreement or qualified financial contract, the receiver shall take action with respect to each netting agreement or qualified financial contract and all transactions entered into in connection with the netting agreement or qualified financial contract in its entirety. Notwithstanding any other provision of this chapter, any claim of a counterparty against the estate arising from the receiver's disaffirmance or repudiation of a netting agreement or qualified financial contract that has not been previously affirmed in the liquidation or immediately preceding rehabilitation case shall be determined and shall be allowed or disallowed as if the claim had arisen before the date of the filing of the petition for liquidation or, if a rehabilitation proceeding is converted to a liquidation proceeding, as if the claim had arisen before the date of the filing of the petition for rehabilitation. The amount of the claim shall be the actual direct compensatory damages determined as of the date of the disaffirmance or repudiation of the netting agreement or qualified financial contract.

(8) This section does not apply to persons who are affiliates of the insurer that is the subject of the proceeding.

(9) All rights of counterparties under this act apply to netting agreements and qualified financial contracts entered into on behalf of the general account or separate accounts if the assets of each separate account are available only to counterparties to netting agreements and qualified financial contracts entered into on behalf of that separate account.

(10) As used in this section:

(a) "Actual direct compensatory damages" includes normal and reasonable costs of cover or other reasonable measures of damages utilized in the derivatives market for the contract and agreement claims, but does not include punitive and exemplary damages, damages for lost profit or lost opportunity, or damages for pain and suffering.

(b) "Commodity contract" means any of the following:

(*i*) A contract for the purchase or sale of a commodity for future delivery on, or subject to the rules of, a board of trade designated as a contract market by the commodity futures trading commission under the commodity exchange act, 7 USC 1 to 27f, or board of trade outside the United States.

(*ii*) An agreement that is subject to regulation under section 23 of the commodity exchange act, 7 USC 23, and that is commonly known to the commodities trade as a margin account, margin contract, leverage account, or leverage contract.

(*iii*) An agreement or transaction that is subject to regulation under section 6c of the commodity exchange act, 7 USC 6c, and that is commonly known to the commodities trade as a commodity option.

(c) "Contractual right" includes any right, whether or not evidenced in writing, arising under statutory or common law, a rule or bylaw of a national securities exchange, national securities clearing organization, or securities clearing agency, a rule or bylaw, or a resolution of the governing body, of a contract market or its clearing organization, or under law merchant.

(d) "Forward contract" means a contract for the purchase, sale, or transfer of a commodity, as defined in section 1a of the commodity exchange act, 7 USC 1a, or any similar good, article, service, right, or interest that is presently or in the future becomes the subject of dealing in the forward contract trade, or product or by-product thereof, with a maturity date more than 2 days after the date the contract is entered into, including,

but not limited to, a repurchase transaction, reverse repurchase transaction, consignment, lease, swap, hedge transaction, deposit, loan, option, allocated transaction, unallocated transaction, or a combination of these or option on any of them. Forward contract does not include a commodity contract.

(e) "Netting agreement" means a contract or agreement, including terms and conditions incorporated by reference in the contract or agreement, that documents 1 or more transactions between the parties to the agreement for or involving 1 or more qualified financial contracts and that provides for the netting or liquidation of qualified financial contracts or present or future payment obligations or payment entitlements thereunder, including liquidation or close-out values relating to those obligations or entitlements, among the parties to the netting agreement. Netting agreement includes a master agreement that otherwise meets this definition. A master agreement includes all schedules, confirmations, definitions, and addenda to it and transactions under it, which shall be treated as 1 netting agreement.

(f) "Qualified financial contract" means a commodity contract, forward contract, repurchase agreement, securities contract, swap agreement, and any similar agreement that the commissioner determines by regulation, resolution, or order to be a qualified financial contract for the purposes of this chapter.

(g) "Repurchase agreement", including a reverse repurchase agreement, means an agreement, including related terms, that provides for the transfer of certificates of deposit, eligible bankers' acceptances, or securities that are direct obligations of, or that are fully guaranteed as to principal and interest by, the United States or an agency of the United States against the transfer of funds by the transferee of the certificates of deposit, eligible bankers' acceptances, or securities with a simultaneous agreement by the transferee to transfer to the transferor certificates of deposit, eligible bankers' acceptances, or securities as described above, at a date certain not later than 1 year after the transfers or on demand, against the transfer of funds. For the purposes of this definition, the items that may be subject to an agreement include mortgage-related securities, a mortgage loan, and an interest in a mortgage loan, and shall not include any participation in a commercial mortgage loan, unless the commissioner determines by regulation, resolution, or order to include the participation within the meaning of the term.

(h) "Securities contract" means a contract for the purchase, sale, or loan of a security, including an option for the repurchase or sale of a security, certificate of deposit, or group or index of securities, including an interest therein or based on the value thereof, or an option entered into on a national securities exchange relating to foreign currencies, or the guarantee of a settlement of cash or securities by or to a securities clearing agency. As used in this definition, "security" includes a mortgage loan, mortgage-related securities, and an interest in any mortgage loan or mortgage-related security.

(i) "Swap agreement" means an agreement, including the terms and conditions incorporated by reference in an agreement, that is a rate swap agreement, basis swap, commodity swap, forward rate agreement, interest rate future, interest rate option, forward foreign exchange agreement, spot foreign exchange agreement, rate cap agreement, rate floor agreement, rate collar agreement, currency swap agreement, cross-currency rate swap agreement, currency future, or currency option or any other similar agreement, and includes any combination of agreements and an option to enter into an agreement.

500.8116 Order of liquidation; petition; duties of circuit court; order terminating rehabilitation; restoration to possession of property and control of business.

Sec. 8116. (1) If the commissioner believes further attempts to rehabilitate an insurer would substantially increase the risk of loss to creditors, policyholders, or the public, or would be futile, the commissioner may petition the circuit court for Ingham county for an order of liquidation. A petition under this subsection shall have the same effect as a petition under section 8117. The circuit court shall permit the directors of the insurer to take such actions as are reasonably necessary to defend against the petition and may order payment from the insurer's estate for costs and other defense expenses as justice may require.

(2) The rehabilitator may petition at any time the circuit court for Ingham county for an order terminating rehabilitation of an insurer. The court shall also permit the insurer's directors to petition the court for an order terminating rehabilitation of the insurer and may order payment from the insurer's estate for costs and other expenses of the petition as justice may require. If the court finds that rehabilitation has been accomplished and that grounds for rehabilitation under section 8112 no longer exist, it shall order that the insurer be restored to possession of its property and the control of the business. The court may also make that finding and issue that order at any time upon its own motion.

The filing or recording of the order with the clerk of the circuit court and the register of deeds of the county in which its principal office or place of business is located or, in the case of real estate, with the register of deeds of the county where the property is located, shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded which the register of deeds would have imparted.

(2) Upon issuance of the order, the rights and liabilities of the insurer and of its creditors, policyholders, shareholders, members, and all other persons interested in its estate shall become fixed as of the date of entry of the order of liquidation, except as provided in sections 8119 and 8137.

The liquidator shall administer the trusteed assets in accordance with this chapter, subject at all times to the court's direction and supervision.

He or she shall also have power to execute, acknowledge, and deliver any and all deeds, assignments, releases, and other instruments necessary or proper to effectuate the sale of property or other transaction in connection with the liquidation except that for trusteed assets, any instruments necessary or proper shall be executed only pursuant to court order.

(k) To enter into contracts necessary to carry out the order to liquidate, and to affirm or disavow any contracts to which the insurer is a party.

(*l*) To continue to prosecute and to institute in the name of the insurer or in his or her own name suits and other legal proceedings, in this state or elsewhere, and to abandon the prosecution of claims he or she considers unprofitable to pursue further. If the insurer is dissolved under section 8120, he or she shall have the power to apply to any court in this state or elsewhere for leave to substitute himself or herself for the insurer as plaintiff.

(m) To prosecute an action that may exist on behalf of the creditors, members, policyholders, or shareholders of the insurer against an officer of the insurer or another person.

(n) To remove records and property of the insurer to the commissioner's offices or to such other place as may be convenient for the purposes of efficient and orderly execution of the liquidation. Guaranty associations and foreign guaranty associations shall have such reasonable access to the records of the insurer as is necessary for them to carry out their statutory obligations.

(o) To deposit in 1 or more banks in this state such sums as are required for meeting current administration expenses and dividend distributions.

(p) To invest all sums not currently needed, unless the court orders otherwise.

(q) To file any necessary documents for recording in the office of any register of deeds in this state or elsewhere where property of the insurer is located.

(r) To assert all defenses available to the insurer as against third persons, including statutes of limitation, statutes of frauds, and the defense of usury. A waiver of a defense by the insurer after a petition in liquidation has been filed does not bind the liquidator. If a guaranty association or foreign guaranty association has an obligation to defend a suit, the liquidator shall give precedence to that obligation and may defend only in the absence of a defense by the guaranty associations.

(s) To exercise and enforce all the rights, remedies, and powers of a creditor, shareholder, policyholder, or member, including the power to avoid a transfer or lien that may be given by the general law and that is not included in sections 8126 to 8128.

(t) To intervene in a proceeding wherever instituted that might lead to the appointment of a receiver or trustee and to act as the receiver or trustee whenever the appointment is offered.

(u) To enter into agreements with a receiver or commissioner of another state or country relating to the rehabilitation, liquidation, conservation, or dissolution of an insurer doing business in both states or countries.

(v) To exercise all powers now held or hereafter conferred upon receivers by the laws of this state not inconsistent with the provisions of this chapter.

(2) If a company placed in liquidation issued liability policies on a claims made basis, which provided an option to purchase an extended period to report claims, then the liquidator may make available to holders of those policies, for a charge, an extended period to report claims as stated in this chapter. The extended reporting period shall be made available only to those insureds who have not secured substitute coverage. The extended period made available by the liquidator shall begin upon termination of an extended period to report claims in the basic policy and shall end at the earlier of the final date for filing of claims in the liquidation

proceeding or 18 months from the order of liquidation.

(3) The extended period to report claims made available by the liquidator is subject to the terms of the policy to which it relates. The liquidator shall make available the extended period within 60 days after the order of liquidation at a charge to be determined by the liquidator subject to the court's approval. The offer shall be considered rejected unless the offer is accepted in writing and the charge is paid within 90 days after the order of liquidation. Commissions, premium taxes, assessments, or other fees shall not be due on the charge pertaining to the extended period to report claims.

(4) The enumeration in this section of the powers and authority of the liquidator shall not be construed as a limitation upon him or her, and it shall not exclude in any manner his or her right to do other acts not specifically enumerated in this section or otherwise provided for if necessary or appropriate for the accomplishment of or in aid of the purpose of liquidation.

(5) The liquidator may delay the sale of the assets of the company if the liquidator determines a delay in the sale would be prudent in order to obtain a more favorable rate of return on the sale of the assets.

500.8122 Notice of liquidation; filing claims; changes of address.

Sec. 8122. (1) Unless the court otherwise directs, the liquidator shall give or cause to be given notice of the liquidation order as soon as possible as follows:

(a) By first-class mail and either by telegram or telephone to the insurance commissioner of each jurisdiction in which the insurer is doing business.

(b) By first-class mail to each guaranty association or foreign guaranty association which is or may become obligated as a result of the liquidation.

(c) By first class mail to all insurance agents of the insurer.

(d) By first class mail to all persons known or reasonably expected to have claims against the insurer including all policyholders, at their last known address as indicated by the records of the insurer.

(e) By publication in a newspaper of general circulation in the county in which the insurer has its principal place of business and in other locations as the liquidator considers appropriate.

(2) Notice to potential claimants under subsection (1) shall require claimants to file with the liquidator their claims together with proper proofs as required under section 8136 on or before a date the liquidator shall specify in the notice. Although an earlier date may be set by the liquidator, the last day to file claims shall be not later than 18 months following the order of liquidation. The liquidator need not require persons claiming cash surrender values or other investment values in life insurance and annuities to file a claim. All claimants shall have a duty to keep the liquidator informed of any changes of address.

(3) If notice is given in accordance with this section, the distribution of assets of the insurer under this chapter shall be conclusive with respect to all claimants, whether or not they received notice.

500.8123 Notice by agent to policyholder; report of compliance; penalty; waiver.

Sec. 8123. (1) Every agent who receives notice in the form prescribed in section 8122 that an insurer which he or she represents as an agent is the subject of a liquidation order shall within 15 days of the notice give notice of the liquidation order to each policyholder or other person named in a policy issued through the agent by the insured. The notice shall be sent by first class mail to the last address contained in the agent's records for each policyholder or other person named in the policy issued through the agent by the insurer, if the agent has a record of the address of the policyholder or other person. A policy shall be considered issued through an agent, if the agent has a property interest in the expiration of the policy or if the agent has had in his or her possession a copy of the declarations of the policy at any time during the life of the policy, unless the property interest or the files of the insured have been transferred to another. The written notice shall include the name and address of the insurer, the name and address of the agent, identification of the policy impaired, and the nature of the impairment including termination of coverage, as described in section 8119. Notice by a general agent satisfies the notice requirement for an agent under contract to the general agent. Each agent obligated to give notice under this section shall file a report of compliance with the liquidator.

(2) An agent failing to give notice or file a report of compliance as required in subsection (1) may be subject to payment of a penalty of not more than $1,000.00 and may have his or her license suspended after a hearing held by the commissioner.

(3) The liquidator may waive the duties imposed by this section if he or she determines that other notice to

the policyholders of the insurer under liquidation is adequate.

500.8124 Order appointing liquidator as bar to action at law or equity; full faith and credit to injunctions; intervention; expense; institution of action or proceeding on behalf of estate of insurer; period of limitation; statute of limitation or defense of laches.

Sec. 8124. (1) Upon issuance of an order appointing a liquidator of a domestic insurer or of an alien insurer domiciled in this state, an action at law or equity shall not be brought against the insurer or liquidator, whether in this state or elsewhere, and any such existing action shall not be maintained or further presented after issuance of such order. The courts of this state shall give full faith and credit to injunctions against the liquidator or the company or the continuation of existing actions against the liquidator or the company, if such injunctions are included in an order to liquidate an insurer issued pursuant to corresponding provisions in other states. If, in the liquidator's judgment, protection of the estate of the insurer necessitates intervention in an action against the insurer that is pending outside this state, he or she may intervene in the action. The liquidator may defend an action in which he or she intervenes under this section at the expense of the estate of the insurer.

(2) The liquidator may, upon or after an order for liquidation, within 2 years or such time in addition to 2 years as applicable law may permit, institute an action or proceeding on behalf of the estate of the insurer upon any cause of action against which the period of limitation fixed by applicable law has not expired at the time of the filing of the petition upon which the order is entered. If, by agreement, a period of limitation is fixed for instituting a suit or proceeding upon a claim, or for filing a claim, proof of claim, proof of loss, demand, notice, or the like, or if in a proceeding, judicial or otherwise, a period of limitation is fixed, either in the proceeding or by applicable law, for taking action, filing a claim or pleading, or doing any act, and the period had not expired at the date of the filing of the petition, the liquidator may, for the benefit of the estate, take action or do an act required of or permitted to the insurer within a period of 180 days subsequent to the entry of an order for liquidation, or within such further period as is shown to the satisfaction of the court not to be unfairly prejudicial to the other party.

(3) A statute of limitation or defense of laches shall not run with respect to an action against an insurer between the filing of a petition for liquidation against an insurer and the denial of the petition. An action against the insurer that might have been commenced when the petition was filed may be commenced at least within 60 days after the petition is denied.

500.8124a Guaranty association or foreign guaranty association; court standing; right to intervene; jurisdiction.

Sec. 8124a. Any guaranty association or foreign guaranty association has standing to appear and may intervene as a party as a matter of right or otherwise appear and participate in any court proceeding concerning the rehabilitation or liquidation of an insurer if the association is or may become liable to act as a result of the liquidation. Exercise by any guaranty association or its designated representative of the right to intervene conferred under this subsection does not constitute grounds to establish general personal jurisdiction by the courts of this state. The intervening guaranty association or foreign guaranty association is subject to the court's jurisdiction only for the limited purpose for which it intervenes.

500.8125 List of insurer's assets; amendments and supplements; filing; reduction of assets to liquidity; submission of assets for disbursement.

Sec. 8125. (1) As soon as practicable after the liquidation order but not later than 120 days after the liquidation order, the liquidator shall prepare in duplicate a list of the insurer's assets. The list shall be amended or supplemented from time to time as the liquidator may determine. One copy shall be filed in the office of the clerk of the circuit court and 1 copy shall be retained for the liquidator's files. All amendments and supplements shall be similarly filed.

(2) The liquidator shall reduce the assets to a degree of liquidity that is consistent with the effective execution of the liquidation.

(3) A submission to the court for disbursement of assets in accordance with section 8134 fulfills the requirements of subsection (1).

500.8126 Transfers and obligations as fraudulent; avoidance by receiver; retention of property, lien, or obligation as security for repayment; preservation of transfer or obligation; perfection of transfer; transfer creating equitable lien; fraudulent transaction of insurer with reinsurer.

Sec. 8126. (1) Every transfer made or suffered and every obligation incurred by an insurer within 1 year prior to the filing of a successful petition for rehabilitation or liquidation under this chapter is fraudulent as to then existing and future creditors, if made or incurred without fair consideration or with actual intent to hinder, delay, or defraud either existing or future creditors. A transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this chapter, which is fraudulent under this section, may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor, or obligee, for a present fair equivalent value, and except that a purchaser, lienor, or obligee, who in good faith has given a consideration less than fair equivalent value for the transfer, lien, or obligation may retain the property, lien, or obligation as security for repayment. The court, on due notice, may order the transfer or obligation to be preserved for the benefit of the estate, and if so ordered, the receiver shall succeed to and may enforce the rights of the purchaser, lienor, or obligee.

(2) A transfer of property other than real property shall be considered to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceeding on a simple contract could become superior to the rights of the transferee under section 8128(5) and (6). A transfer of real property shall be considered to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee. A transfer which creates an equitable lien shall not be considered to be perfected if there are available means by which a legal lien could be created. A transfer not perfected prior to the filing of a petition for liquidation shall be considered to be made immediately before the filing of the successful petition. The provisions of this subsection apply whether or not there are or were creditors who might have obtained a lien or persons who might have become bona fide purchasers.

(3) A transaction of the insurer with a reinsurer shall be considered fraudulent and may be avoided by the receiver under subsection (1) if both of the following occur:

(a) The transaction consists of the termination, adjustment, or settlement of a reinsurance contract in which the reinsurer is released from any part of its duty to pay the originally specified share of losses that had occurred prior to the time of the transactions, unless the reinsurer gives a present fair equivalent value for the release.

(b) Any part of the transaction took place within 1 year prior to the date of filing of the petition through which the receivership was commenced.

500.8127 Transfer of insurer's real property; validity; constructive notice of commencement of proceeding in rehabilitation or liquidation; judicial sale of real property of insurer; validity of transfer against receiver; payment of indebtedness or delivery of property to insurer; knowledge of pending rehabilitation or liquidation; burden of proof; currency or negotiable instruments not impaired.

Sec. 8127. (1) After a petition for rehabilitation or liquidation has been filed, a transfer of the insurer's real property made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value, or if not made for a present fair equivalent value, then to the extent of the present consideration actually paid for the property for which amount the transferee shall have a lien on the transferred property. Constructive notice of the commencement of a proceeding in rehabilitation or liquidation shall be given upon the recording of a copy of the petition for or order of rehabilitation or liquidation with the register of deeds in the county where any real property in question is located. The exercise by a court of the United States or any state or jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state shall not be impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale.

(2) After a petition for rehabilitation or liquidation has been filed and before either the receiver takes possession of the insurer's property or an order of rehabilitation or liquidation is granted:

(a) A transfer of the insurer's property, other than real property, made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value, or if not made for a present fair

equivalent value, then to the extent of the present consideration actually paid for the property for which amount the transferee shall have a lien on the transferred property.

(b) A person indebted to the insurer or holding property of the insurer, if acting in good faith, may pay all or part of the indebtedness or deliver all or part of the property to the insurer or upon his or her order, with the same effect as if the petition were not pending.

(c) A person having actual knowledge of the pending rehabilitation or liquidation shall be considered not to act in good faith.

(d) A person asserting the validity of a transfer under this section shall have the burden of proof. Except as elsewhere provided in this section, no transfer by or on behalf of the insurer after the date of the petition for liquidation by a person other than the liquidator shall be valid against the liquidator.

(3) Nothing in this chapter shall impair the negotiability of currency or negotiable instruments.

500.8128 Preference generally; transfers considered made or suffered; lien obtainable by legal or equitable proceedings; dissolution of voidable lien; discharge of property from lien; summary jurisdiction; hearing; notice; order; liability of surety; set off against preference; examination of transactions; payment of attorney; personal liability; recovery of certain commissions in delinquency proceedings.

Sec. 8128. (1) A preference is a transfer of any of the property of an insurer to or for the benefit of a creditor, for or on account of an antecedent debt, made or suffered by the insurer within 1 year before the filing of a successful petition for liquidation under this chapter, the effect of which transfer may be to enable the creditor to obtain a greater percentage of this debt than another creditor of the same class would receive. If a liquidation order is entered while the insurer is already subject to a rehabilitation order, then a transfer shall be considered a preference if made or suffered within 1 year before the filing of the successful petition for rehabilitation, or within 2 years before the filing of the successful petition for liquidation, whichever time is shorter.

(2) A preference may be avoided by the liquidator if any of the following occurs:

(a) The insurer was insolvent at the time of the transfer.

(b) The transfer was made within 4 months before the filing of the petition.

(c) The creditor receiving the transfer or benefited by the transfer or his or her agent acting with reference to the transfer had, at the time the transfer was made, reasonable cause to believe that the insurer was insolvent or was about to become insolvent.

(d) The creditor receiving the transfer was any of the following:

(*i*) An officer of the insurer.

(*ii*) An employee, attorney, or other person who was in fact in a position of comparable influence with the insurer as an officer whether or not he or she held an officer position.

(*iii*) A shareholder holding directly or indirectly more than 5% of any class of any equity security issued by the insurer.

(*iv*) Another person, firm, corporation, or association with whom the insurer did not deal at arm's length.

(3) If the preference is voidable, the liquidator may recover the property or, if the property has not been converted, the property's value from a person who has received or converted the property. However, if a bona fide purchaser or lienor has given less than fair equivalent value, he or she shall have a lien upon the property to the extent of the consideration actually given by him or her. If a preference by way of lien or security title is voidable, the court may on due notice order the lien or title to be preserved for the benefit of the estate and if so ordered, the lien or title shall pass to the liquidator.

(4) A transfer of property other than real property shall be considered to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee. A transfer of real property shall be considered to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee. A transfer that creates an equitable lien shall not be considered to be perfected if there are available means by which a legal lien could be created. A transfer not perfected prior to the filing of a petition for liquidation shall be considered to be made immediately before the filing of the successful petition. The provisions of this subsection apply whether or not there are or were creditors who might have obtained liens or persons who might have become bona fide purchasers.

(5) A lien obtainable by legal or equitable proceedings upon a simple contract is a lien arising in the

ordinary course of such proceedings upon the entry or docketing of a judgment or decree, or upon attachment, garnishment, execution, or like process, whether before, upon, or after judgment or decree and whether before or upon levy. It does not include liens that under applicable law are given a special priority over other liens that are prior in time.

(6) A lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee within the meaning of subsection (4), if that superiority would follow only from the lien or purchase itself or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. Such a lien could not, however, become superior and such a purchase could not create superior rights for the purpose of subsection (4) through any acts subsequent to the obtaining of the lien or subsequent to the purchase which require the agreement or concurrence of a third party or which require further judicial action or ruling.

(7) A transfer of property for or on account of a new and contemporaneous consideration which is considered under subsection (4) to be made or suffered after the transfer because of delay in perfecting it does not thereby become a transfer for or on account of an antecedent debt if any acts required by the applicable law to be performed in order to perfect the transfer as against liens or bona fide purchasers' rights are performed within 21 days, or a period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if the loan is actually made, or a transfer that becomes security for a future loan, shall have the same effect as a transfer for or on account of a new and contemporaneous consideration.

(8) If a lien considered voidable under subsection (2) has been dissolved by the furnishing of a bond or other obligation and the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon the insurer's property before the filing of a petition under this chapter which results in a liquidation order, then that indemnifying transfer or lien shall also be considered voidable.

(9) The property affected by a lien considered voidable under subsections (1) and (8) shall be discharged from the lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety shall pass to the liquidator, except that the court, upon due notice, may order the lien to be preserved for the estate's benefit and the court may direct that a conveyance be executed as may be proper or adequate to evidence the liquidator's title.

(10) The circuit court shall have summary jurisdiction of a proceeding by the liquidator to hear and determine the rights of parties under this section. Reasonable notice of each hearing in the proceeding shall be given to all parties in interest, including the obligee of a releasing bond or other like obligation. If an order is entered for the recovery of indemnifying property or for the avoidance of an indemnifying lien, the court, upon application of any party in interest, shall ascertain in the same proceeding the value of the property or lien, and if the value is less than the amount for which the property is indemnity or than the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon payment of its value, as ascertained by the court, to the liquidator, within such reasonable times as the court shall fix.

(11) The liability of the surety under a releasing bond or other like obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided by the liquidator, or if the property is retained under subsection (10), to the extent of the amount paid to the liquidator.

(12) If a creditor has been preferred, and afterward in good faith gives the insurer further credit without security of any kind for property that becomes a part of the insurer's estate, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference that would otherwise be recoverable from him or her.

(13) If an insurer, directly or indirectly, within 4 months before the filing of a successful petition for liquidation under this chapter or at any time in contemplation of a proceeding to liquidate, pays money or transfers property to an attorney for services rendered or to be rendered, the transactions may be examined by the court on its own motion or shall be examined by the court on petition of the liquidator and shall be held valid only to the extent of a reasonable amount to be determined by the court and the excess may be recovered by the liquidator for the estate's benefit. If the attorney is in a position of influence with the insurer or an affiliate of the insurer, payment of any money or the transfer of any property to the attorney for services rendered or to be rendered shall be governed by the provision of subsection (2)(d).

(14) An officer, manager, employee, shareholder, member, subscriber, attorney, or other person acting on behalf of the insurer who knowingly participates in giving a preference if he or she has reasonable cause to believe the insurer is or is about to become insolvent at the time of the preference shall be personally liable to the liquidator for the amount of the preference. If a transfer was made within 4 months before the date of filing of a successful petition for liquidation, an inference may be made that reasonable cause existed to believe the insurer was or was about to become insolvent at the time of the preference. A person receiving

property or the benefit of the property from the insurer as a preference voidable under subsection (1) shall be personally liable for the property or benefit and shall be bound to account to the liquidator. Nothing in this subsection shall prejudice any other claim by the liquidator against any person.

(15) For delinquency proceedings commenced after January 1, 1990, and notwithstanding any other provision of law, commissions paid to insurance agents or agencies by an insurer in the ordinary course of business at a time when the insurer was authorized to transact such business are not recoverable unless the agent or agency is affiliated with the insurer or produces more than 10% of the insurer's premium.

500.8129 Claim of creditor; allowance; excused late filing.

Sec. 8129. (1) A claim of a creditor who has received or acquired a preference, lien, conveyance, transfer, assignment, or encumbrance voidable under this chapter shall not be allowed unless the creditor surrenders the preference, lien, conveyance, transfer, assignment, or encumbrance. If the avoidance is effected by a proceeding in which a final judgment has been entered, the claim shall not be allowed unless the money is paid or the property is delivered to the liquidator within 30 days from the date of the entering of the final judgment, unless the court having jurisdiction over the liquidation allows further time for an appeal or other continuation of the proceeding.

(2) A claim allowable under subsection (1) by reason of the avoidance, whether voluntary or involuntary, or a preference, lien, conveyance, transfer, assignment, or encumbrance, may be filed as an excused late filing under section 8135 if filed within 30 days from the date of the avoidance or within the further time allowed by the court under subsection (1).

500.8130 Setoff or counterclaim.

Sec. 8130. (1) Mutual debts or mutual credits, whether arising out of 1 or more contracts, between the insurer and another person in connection with an action or proceeding under this chapter shall be set off and the balance only shall be allowed or paid, except as provided in subsection (2) and section 8133.

(2) A setoff or counterclaim shall not be allowed in favor of a person if:

(a) The insurer's obligation to the person would not at the date of the filing of a petition for receivership entitle the person to share as a claimant in the assets of the insurer.

(b) The insurer's obligation to the person was purchased by or transferred to the person with a view to its being used as a setoff.

(c) The insurer's obligation is owed to an affiliate of the person or any other entity or association other than the person.

(d) The person's obligation is owed to an affiliate of the insurer or any other entity or association other than the insurer.

(e) The person's obligation is to pay an assessment levied against the insurer's members or subscribers, is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution.

(f) The obligations between the person and the insurer arise from business where either the person or the insurer has assumed risks and obligations from the other party and then has ceded back to that party substantially the same risks and obligations.

(3) The receiver shall provide persons with accounting statements identifying all debts that are due and payable. If a person owes to the insurer amounts that are due and payable, against which the person asserts setoff of mutual credits that may become due and payable from the insurer in the future, the person shall promptly pay to the receiver the amounts due and payable, provided that, notwithstanding section 8142 or any other provision of this chapter, the receiver shall promptly and fully refund, to the extent of the person's prior payments, any mutual credits that become due and payable to the person by the insurer. Prior to the termination of any proceeding under this chapter, the amount due the person shall be determined for the purpose of the receiver making a final refund, if any.

(4) Subsections (2)(c), (d), and (f) and (3) apply to all contracts entered into, renewed, extended, or amended on or after 1 year after the effective date of this subsection and to debts or credits arising from any business written or transactions occurring after the effective date of this subsection pursuant to any such contract. For purposes of this section any change in the terms of, or consideration for, any such contract shall be considered an amendment.

500.8130a Contributions of parties; determination by court; distribution to stockholders; recovery of distributions; limitations.

Sec. 8130a. (1) Prior to the termination of a liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders, and policyowners of the insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the insolvent insurer. In making a determination, consideration shall be given to the welfare of the policyholders of the continuing or successor insurer.

(2) A distribution to stockholders, if any, of an impaired or insolvent insurer shall not be made until and unless the total amount of valid claims of the association with interest thereon for funds expended in carrying out its powers and duties under section 7708 with respect to the insurer have been fully recovered by the association.

(3) If an order for liquidation or rehabilitation of an insurer domiciled in this state has been entered, the receiver appointed under the order shall have a right to recover on behalf of the insurer or from any affiliate that controlled it the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the 5 years preceding the petition for liquidation or rehabilitation subject to the following limitations:

(a) A distribution shall not be recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(b) A person who was an affiliate that controlled the insurer at the time the distributions were paid shall be liable up to the amount of distributions he or she received. A person who was an affiliate that controlled the insurer at the time the distributions were declared shall be liable up to the amount of distributions he or she would have received if they had been paid immediately. If 2 or more persons are liable with respect to the same distributions, they shall be jointly and severally liable. If a person liable under this subdivision is insolvent, all controlling affiliates at the time the distribution was paid shall be jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

(c) The maximum amount recoverable under this subsection shall be the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

500.8131 Report of liquidator to court; levy of assessment; order to show cause; notice; hearing; determination; enforcement.

Sec. 8131. (1) As soon as practicable but not more than 2 years from the date of an order of liquidation under section 8118 of an insurer issuing assessable policies, the liquidator shall report to the court on all of the following:

(a) The reasonable value of the insurer's assets.

(b) The insurer's probable total liabilities.

(c) The probable aggregate amount of the assessment necessary to pay all claims of creditors and expenses in full, including expenses of administration and costs of collecting the assessment.

(d) A recommendation as to whether or not an assessment should be made and in what amount.

(2) Upon the basis of the report provided in subsection (1), including supplements and amendments to the report, the circuit court may levy 1 or more assessments against all members of the insurer who are subject to assessment. Subject to applicable legal limits on assessability, the aggregate assessment shall be for the amount that the sum of the probable liabilities, the expenses of administration, and the estimated cost of collection of the assessment, exceeds the value of existing assets, with due regard being given to assessments that cannot be collected economically.

(3) After levy of assessment under subsection (2), the liquidator shall issue an order directing each member who has not paid the assessment pursuant to the order to show cause why the liquidator should not pursue a judgment against the respective members.

(4) The liquidator shall give notice of the order to show cause by publication and by first-class mail to each liable member, mailed to his or her last known address as it appears on the insurer's records, at least 20 days before the return day of the order to show cause.

(5) If a member does not appear and serve duly verified objections upon the liquidator on or before the return day of the order to show cause under subsection (3), the court shall make an order adjudging the

member liable for the amount of the assessment against him or her pursuant to subsection (3), together with costs, and the liquidator shall have a judgment against the member therefor. If on or before the return day the member appears and serves duly verified objections upon the liquidator, the commissioner may hear and determine the matter or may appoint a referee to hear the matter and make such order as the facts warrant. If the commissioner determines that the objections do not warrant relief from assessment, the member may request the court to review the matter and vacate the order to show cause.

(6) The liquidator may enforce any order or collect any judgment under subsection (5) by any lawful means.

500.8132 Amount recoverable by liquidator from reinsurers; reduction prohibited; reinsurer's obligation to insurer's estate; assumption of obligations by life and health insurance guaranty association.

Sec. 8132. (1) The amount recoverable by the liquidator from reinsurers shall not be reduced as a result of the delinquency proceedings, regardless of any provision in the reinsurance contract or other agreement. The reinsurance shall be payable pursuant to the terms of the reinsurance contract by the assuming insurer on the basis of reported claims allowed by the liquidation court, except as provided in subsection (2), without diminution because of the insolvency of the ceding insurer. Payment made directly to an insured or other creditor shall not diminish the reinsurer's obligation to the insurer's estate unless the reinsurance contract requires or an endorsement signed by the reinsurer to the policies reinsured requires the reinsurer to make payment to the payees under the policies reinsured if the ceding insurer became insolvent.

(2) If a life and health insurance guaranty association or its designated successor life or health insurer has assumed policy obligations as direct obligations of the insolvent ceding insurer and has succeeded to the rights of the insolvent insurer under the contract of reinsurance, then the reinsurer's liability shall continue under the contract of reinsurance and shall be payable pursuant to the direction of the guaranty association or its designated successor. As a condition to succeeding to the insolvent insurer's rights under the contract, the guaranty association or successor life or health insurer shall be responsible for premiums payable under the reinsurance contract for periods after the date of liquidation.

500.8133 Payment of unpaid earned premium; recovery of unearned premium; prohibited credits and setoffs; violation; penalty; notice; hearing; appeal.

Sec. 8133. (1) An agent, premium finance company, or any other person, other than the insured, responsible for the payment of a premium held by him or her shall be obligated to pay any unpaid earned premium due the insurer at the time of the declaration of insolvency. The liquidator shall also have the right to recover from that person any part of an unearned premium that represents that person's commission. Credits, setoffs, or both, shall not be allowed to an agent, broker, or premium finance company for an amount advanced to the insurer by the agent, broker, or premium finance company on behalf of, but in the absence of a payment by, the insured. An insured shall be obligated to pay any unpaid earned premium due the insurer at the time of the declaration of insolvency, as shown on the insurer's records.

(2) Upon satisfactory evidence of a violation of this section, the commissioner may pursue either 1 or both of the following courses of action:

(a) Suspend or revoke or refuse to renew the licenses of each offending party.

(b) Impose a penalty of not more than $1,000.00 for each and every act in violation of this section by each offending party.

(3) Before the commissioner takes action under subsection (2), the commissioner shall give written notice to the person, company, association, or exchange accused of violating the law, stating specifically the nature of the alleged violation and fixing a time and place, at least 10 days thereafter, for a hearing on the matter. After the hearing, or upon failure of the accused to appear at the hearing, the commissioner, if he or she finds

a violation, shall impose the penalties under subsection (2) as he or she considers advisable.

(4) If the commissioner takes action under subsection (2), the party aggrieved may appeal from that action to the circuit court.

500.8133a Deductible agreement; collateral as asset maintained and administered by receiver; jurisdiction of circuit court; rights of guaranty association or foreign guaranty association; applicability to delinquency proceedings; applicability to first party claims; definitions.

Sec. 8133a. (1) Notwithstanding any other law or contract to the contrary, any collateral held by or for the benefit of or assigned to the insurer or subsequently the receiver in order to secure the obligations of a policyholder under a deductible agreement shall not be considered an asset of the estate and shall be maintained and administered by the receiver as provided in this section.

(2) If collateral is being held by or for the benefit of or assigned to the insurer or subsequently the receiver to secure obligations under a deductible agreement with a policyholder, the collateral shall be used to secure the policyholder's obligation to fund or reimburse claims payment within the agreed deductible amount as provided in this section.

(3) If a claim that is subject to a deductible agreement and secured by collateral is not covered by any guaranty association or foreign guaranty association and the policyholder is unwilling or unable to take over the handling and payment of the noncovered claims, the receiver shall adjust and pay the noncovered claims using the collateral but only to the extent the available collateral after allocation under subsection (4) is sufficient to pay all outstanding and anticipated claims. If the collateral is exhausted and the insured is not able to provide funds to pay the remaining claims within the deductible after all reasonable means of collection against the insured have been exhausted, the receiver's obligation to pay the claims from the collateral terminates and the remaining claims shall be claims against the insurer's estate subject to complying with other provisions in this chapter for the filing and allowance of those claims. If the liquidator determines that the collateral is insufficient to pay all additional and anticipated claims, the liquidator may file a plan, subject to court approval, for equitably allocating the collateral among claimants.

(4) To the extent that the receiver is holding collateral provided by a policyholder that was obtained to secure a deductible agreement and to secure other obligations of the policyholder to pay the insurer directly or indirectly amounts that become assets of the estate, such as reinsurance obligations under a captive reinsurance program or adjustable premium obligations under a retrospectively rated insurance policy where the premium due is subject to adjustment based upon actual loss experience, the receiver shall equitably allocate the collateral among those obligations and administer the collateral allocated to the deductible agreement as provided in this section. For collateral allocated to obligations under the deductible agreement, if the collateral secured reimbursement obligation under more than 1 line of insurance, then the collateral shall be equitably allocated among the various lines based upon the estimated ultimate exposure within the deductible amount for each line. The receiver shall inform the guaranty associations and foreign guaranty associations of the method and details of all the foregoing allocations.

(5) Regardless of whether there is collateral, if the insurer has contractually agreed to allow the policyholder to fund its own claims within the deductible amount pursuant to a deductible agreement, either through the policyholder's own administration of its claims or through the policyholder providing funds directly to a third party administrator who administers the claims, the receiver shall allow this funding arrangement to continue and, where applicable, will enforce the arrangement to the fullest extent possible. The funding of these claims by the policyholder within the deductible amount will act as a bar to any claim for such amount in the liquidation proceeding, including, but not limited to, any claim by the policyholder or the third party claimant. This funding arrangement extinguishes both the obligation, if any, of any guaranty association to pay those claims within the deductible amount, as well as the obligations, if any, of the policyholder or third party administrator to reimburse the guaranty association. If a policyholder has entered into an agreement to which this subsection applies and is prevented from funding its own claims due to any proceeding under 11 USC 101 to 1330 and 1501 to 1532, then the guaranty funds that would otherwise be obligated to pay the claims shall pay the claims to the extent required by applicable state law and, in addition to any other rights of recovery arising from payment of the claims, shall have the full benefit of all collateral and other rights of reimbursement and recovery under this section from the bankruptcy court, liquidator, or receiver. No charge of any kind shall be made against any guaranty association on the basis of the policyholder funding of claim payments made pursuant to an arrangement described in this subsection.

(6) If the insurer has not contractually agreed to allow the policyholder to fund its own claims within the deductible amount, to the extent a guaranty association or foreign guaranty association is required by applicable state law to pay any claims for which the insurer would have been entitled to reimbursement from the policyholder under the terms of the deductible agreement and to the extent the claims have not been paid by a policyholder or third party, the receiver shall promptly bill the policyholder for reimbursement and the policyholder is obligated to pay the reimbursement amount to the receiver for the benefit of the guaranty association or foreign guaranty associations who paid the claims. Neither the insolvency of the insurer, nor its inability to perform any of its obligations under the deductible agreement, is a defense to the policyholder's reimbursement obligation under the deductible agreement. The receiver shall promptly reimburse the guaranty association or foreign guaranty association for claims paid that were subject to the deductible when the policyholder reimbursements are collected. If the policyholder fails to pay the amounts due within 60 days after the bill for the reimbursement is due, the receiver shall use the collateral to the extent necessary to reimburse the guaranty association or foreign guaranty associations, and, at the same time, may pursue other collections efforts against the policyholder. If more than 1 guaranty association or foreign guaranty association has a claim against the same collateral and the available collateral, after allocation under subsection (4), along with billing and collection efforts, are together insufficient to pay each guaranty association and foreign guaranty association in full, then the receiver will prorate payments to each guaranty association and foreign guaranty association based upon the relationship the amount of claims each guaranty association and foreign guaranty association has paid bears to the total of all claims paid by the guaranty association and foreign guaranty associations.

(7) The receiver is entitled to deduct from reimbursements owed to a guaranty association or foreign guaranty association or collateral to be returned to a policyholder reasonable actual expenses incurred in fulfilling the responsibilities under this section, not to exceed 3% of the collateral or the total deductible reimbursements actually collected by the receiver. For claim payments made by a guaranty association or foreign guaranty association, the receiver shall promptly provide the guaranty association or foreign guaranty association with a complete accounting of the receiver's deductible billing and collection activities, including copies of the policyholder billings when rendered, the reimbursements collected, the available amounts and use of collateral for each account, and any proration of payments when it occurs. If the receiver fails to make a good faith effort within 120 days of receipt of claims payment reports to collect reimbursements due from a policyholder under a deductible agreement based on claim payments made by the guaranty association or foreign guaranty association, the guaranty association or foreign guaranty association may pursue collection from the policyholders directly on the same basis as the receiver, and with the same rights and remedies, and shall report any amounts collected from each policyholder to the receiver. To the extent that a guaranty association or foreign guaranty association pays claims within the deductible amount, but is not reimbursed by either the receiver under this section or by policyholder payments from the guaranty association's or foreign guaranty association's own collection efforts, the guaranty association or foreign guaranty association shall have a claim in the insolvent insurer's estate for unreimbursed claims payments.

(8) The receiver shall adjust the collateral being held as the claims subject to the deductible agreement are run off, so long as adequate collateral is maintained to secure the entire estimated ultimate obligation of the policyholder plus a reasonable safety factor. The receiver shall make these adjustments periodically, but is not required to adjust the collateral more than once a year. The guaranty association and any foreign guaranty association shall be informed of all such collateral reviews, including, but not limited to, the basis for the adjustment. Once all claims covered by the collateral have been paid and the receiver is satisfied that no new claims can be presented, the receiver will release any remaining collateral to the policyholder.

(9) The Ingham county circuit court having jurisdiction over the liquidation proceedings shall have jurisdiction to resolve disputes arising under this section.

(10) This section does not limit or adversely affect any right a guaranty association or foreign guaranty association may have under applicable state law to obtain reimbursement from certain classes of policyholders for claims payments made by the guaranty association or foreign guaranty association under policies of the insolvent insurer or for related expenses the guaranty association or foreign guaranty association incurs.

(11) This section applies to all delinquency proceedings that are open and pending on the effective date of this section.

(12) This section does not apply to first party claims or to claims funded by a guaranty association or foreign guaranty association net of the deductible unless subsection (5) applies.

(13) As used in this section:

(a) "Deductible agreement" means any combination of 1 or more policies, endorsements, contracts, or security agreements that provide for the policyholder to bear the risk of loss within a specified amount per

claim or occurrence covered under a policy of insurance and may be subject to aggregate limit of policyholder reimbursement obligations.

(b) "Noncovered claim" means a claim that is subject to a deductible agreement, may be secured by collateral, and is not covered by a guaranty association or foreign guaranty association.

500.8134 Proposal to make early access disbursements; effect of insufficient assets; report; provisions of proposal; notice of application; action on application; return of early access funds; limitation.

Sec. 8134. (1) Within 120 days of a final determination of insolvency of an insurer by a court of competent jurisdiction of this state, the liquidator shall make application to the court for approval of a proposal to make early access disbursements out of marshaled assets, to any guaranty association or foreign guaranty association having obligations because of the insolvency. If the liquidator determines that the estate will not have sufficient assets to make any early access disbursements to a guaranty association or foreign guaranty association under this section, the liquidator shall file a report with the court supporting this determination. Notice to the state insurance commissioners, guaranty associations, and foreign guaranty associations and court review of the report shall be provided under subsection (5). This report may be given instead of an application for a proposal to make early access disbursements. However, if at any time the estate obtains sufficient assets to support an early access disbursement under this section, the liquidator shall file an application for a proposal to make early access disbursements within 60 days of the estate obtaining those assets. If, within 120 days of a final determination of insolvency, the liquidator fails to file an application with the court for approval of a proposal to make early access disbursements or, alternatively, fails to file a report with the court supporting the determination that the estate will not have sufficient assets to make early access disbursements, any guaranty association or foreign guaranty association that may become obligated to pay claims as a result of the insolvency may file this application. An application filed by an association shall be reviewed by the court and, if the proposal submitted by the association meets the requirements set out in this section, the application shall be approved by the court. Upon court approval of the guaranty association or foreign guaranty association proposal, the liquidator shall begin making early access disbursements in accordance with the proposal.

(2) A proposal under subsection (1) shall at least include provisions for all of the following:

(a) Reserving amounts for the payment of expenses of administration and the payment of claims of secured creditors, to the extent of the value of the security held, and claims falling within the priorities established in section 8142(1)(a) and (b) and (2). When a reserve for uncovered claims under section 8142(2) is appropriate, the amount of estate assets to be reserved for those claims shall be a percentage of the uncovered claims under section 8142(2), equal in proportion to the percentage of assets distributed, or proposed for distribution, to the guaranty association or foreign guaranty association with respect to covered obligations at the time the reserve for uncovered claims is calculated. Reserves shall be established based on the best available information at the time the distribution is calculated and modified from time to time as more refined information becomes available.

(b) Disbursement of the assets marshaled to date and subsequent disbursement of assets as they become available.

(c) Equitable allocation of disbursements to each of the guaranty associations and foreign guaranty associations entitled to disbursements.

(d) The securing by the liquidator from each of the associations entitled to disbursements pursuant to this section of an agreement to return to the liquidator such assets, together with income earned on assets previously disbursed, as may be required to pay claims of secured creditors and claims falling within the priorities established in section 8142 in accordance with those priorities. A bond shall not be required of any such association.

(e) A full report to be made by each association to the liquidator accounting for assets disbursed to the association, all disbursements made from the assets, interest earned by the association on the assets, and any other matter as the court directs.

(3) The liquidator's proposal shall provide for disbursements to the associations in amounts estimated at least equal to the claim payments made or to be made thereby for which the associations could assert a claim against the liquidator, and shall further provide that if the assets available for disbursement from time to time do not equal or exceed the amount of claim payments made or to be made by the association, then disbursements shall be in the amount of available assets.

(4) The liquidator's proposal shall, with respect to an insolvent insurer writing life or health insurance or

annuities, provide for disbursements of assets to any guaranty association or any foreign guaranty association covering life or health insurance or annuities or to any other entity or organization reinsuring, assuming, or guaranteeing policies or contracts of insurance under the acts creating the associations.

(5) Notice of application shall be given to the association in each state and to the commissioners of insurance of each state. Notice shall be considered to have been given when deposited in the United States certified mails, first-class postage prepaid, at least 30 days before submission of the application to the court. Action on the application may be taken by the court if the notice under this subsection has been given and if the liquidator's proposal complies with subsection (2)(a) and (b).

(6) The liquidator shall not offset the amount to be disbursed to any guaranty association or foreign guaranty association by any special or statutory deposit or any other asset of the insolvent insurer except to the extent the deposit or asset has been paid to the association for the purpose of satisfying the association's claims. If a guaranty association or foreign guaranty association has received an early access distribution and thereafter also receives a special or statutory deposit or any other asset of the insolvent insurer, the liquidator may request the return of the early access funds up to the amount of the special or statutory deposit or other asset of the insolvent insurer.

500.8135 Proof of claims; filing; circumstances permitting late filing; receipt of distributions by late filing claimants.

Sec. 8135. (1) Proof of all claims shall be filed with the liquidator in the form required by section 8136 on or before the last day for filing specified in the notice required under section 8122, except that proof of claims for cash surrender values or other investment values in life insurance and annuities need not be filed unless the liquidator expressly so requires.

(2) The liquidator may permit a claimant making a late filing to share in distributions, whether past or future, as if he or she were not late, to the extent that the payment will not prejudice the orderly administration of the liquidation, under the following circumstances:

(a) The existence of the claim was not known to the claimant and that he or she filed his or her claim as promptly thereafter as reasonably possible after learning of it.

(b) A transfer to a creditor was avoided under sections 8126 to 8128, or was voluntarily surrendered under section 8129, and that the filing satisfies the conditions of section 8129.

(c) The valuation under section 8141 of security held by a secured creditor shows a deficiency, which is filed within 30 days after the valuation.

(3) The liquidator shall permit late filing claims to share in distributions, whether past or future, as if they were not late, if those claims are claims of a guaranty association or foreign guaranty association for reimbursement of covered claims paid, expenses incurred, or both, after the last day for filing and if the payments were made and expenses incurred as provided by law.

(4) The liquidator may consider a claim filed late which is not covered by subsection (2) and permit it to receive distributions which are subsequently declared on any claims of the same or lower priority if the payment does not prejudice the orderly administration of the liquidation. The late filing claimant shall receive, at each distribution, the same percentage of the amount allowed on his or her claim as is then being paid to claimants of any lower priority. This shall continue until his or her claim has been paid in full.

(a) The particulars of the claim, including the consideration given for it.

(b) The identity and amount of the security on the claim.

(c) The payments made on the debt, if any.

(d) That the sum claimed is justly owing and that there is no setoff, counterclaim, or defense to the claim.

(e) Any right of priority of payment or other specific right asserted by the claimants.

(f) A copy of the written instrument which is the foundation of the claim.

(g) The name and address of the claimant and the attorney who represents him or her, if any.

(2) A claim need not be considered or allowed if it does not contain all the information in subsection (1) which may be applicable. The liquidator may require that a prescribed form be used and may require that other information and documents be included.

(3) The liquidator may request the claimant to present information or evidence supplementary to that required under subsection (1) at any time and may take testimony under oath, require production of affidavits or depositions, or otherwise obtain additional information or evidence.

(4) A judgment or order against an insured or the insurer entered after the date of filing of a successful petition for liquidation and a judgment or order against an insured or the insurer entered at any time by default or by collusion need not be considered as evidence of liability or of quantum of damages. A judgment or order against an insured or the insurer entered within 4 months before the filing of the petition need not be considered as evidence of liability or of the quantum of damages.

(2) A claim may be allowed even if contingent, if it is filed in accordance with section 8135. It may be allowed and may participate in all distributions declared after it is filed to the extent that it does not prejudice the orderly administration of the liquidation.

(3) Claims that are due except for the passage of time shall be treated as absolute claims are treated, except that those claims may be discounted at the legal rate of interest.

(4) Claims made under employment contracts by directors, principal officers, or persons in fact performing similar functions or having similar powers are limited to payment for services rendered prior to the issuance of an order of rehabilitation or liquidation under section 8113 or 8118.

Sec. 8138. (1) If a third party asserts a cause of action against an insured of an insurer in liquidation, the third party may file a claim with the liquidator.

(2) Whether or not the third party files a claim, the insured may file a claim on his or her own behalf in the liquidation. If the insured fails to file a claim by the date for filing claims specified in the order of liquidation or within 60 days after mailing of the notice required by section 8122, whichever is later, he or she is an unexcused late filer.

(3) The liquidator shall make his or her recommendations to the court under section 8142 for the allowance of an insured's claim under subsection (1) after consideration of the probable outcome of a pending action against the insured on which the claim is based, the probable damages recoverable in the action, and the probable costs and expenses of defense. After allowance by the court, the liquidator shall withhold dividends payable on the claim pending the outcome of litigation and negotiation with the insured. If appropriate, the liquidator shall reconsider the claim on the basis of additional information and amend his or her recommendations to the court. The insured shall be afforded the same notice and opportunity to be heard on all changes in the recommendation as in the initial determination. The court may amend the allowance as the court considers appropriate. As claims against the insured are settled or barred, the insured shall be paid from the amount withheld the same percentage dividend as was paid on other claims of like property, based on the lesser of the amount actually recovered from the insured by action or paid by agreement plus the reasonable costs and expense of defense, or the amount allowed on the claims by the court. After all claims are settled or barred, any sum remaining from the amount withheld shall revert to the undistributed assets of the insurer. Delay in final payment under this subsection shall not be a reason for unreasonable delay of final distribution and discharge of the liquidator.

(4) If several claims founded upon 1 policy are filed, whether by third parties or as claims by the insured under this section, and the aggregate allowed amount of the claims to which the same limit of liability in the

policy is applicable exceeds that limit, each claim as allowed shall be reduced in the same proportion so that the total equals the policy limit. Claims by the insured shall be evaluated as in subsection (3). If any insured's claim is subsequently reduced under subsection (3), the amount thus freed shall be apportioned ratably among the claims which have been reduced under this subsection.

(5) A claim may not be presented under this section if it is or may be covered by a guaranty association or foreign guaranty association.

Within 60 days from the mailing of the notice, the claimant may file his or her objections with the liquidator. If a filing of objection is not made, the claimant shall not further object to the determination.

(2) If objections are filed with the liquidator and the liquidator does not alter his or her denial of the claim as a result of the objections, the liquidator shall ask the court for a hearing as soon as practicable and shall give notice of the hearing by first-class mail to the claimant or his or her attorney and to any other persons directly affected, not less than 10 nor more than 30 days before the date of the hearing. In the absence of an agreement with the creditor to the contrary, the other person shall not be entitled to any distribution until the amount paid to the creditor on the undertaking plus the distributions paid on the claim from the insurer's estate to the creditor equals the amount of the entire claim of the creditor. (a) By converting the same into money according to the terms of the agreement pursuant to which the security was delivered to the creditors.

(b) By agreement, arbitration, compromise, or litigation between the creditor and the liquidator.

(2) The determination shall be under the court's supervision and control with due regard for the liquidator's recommendation. 500.8142 Priority of distribution of claims from insurer's estate; class of claims; subclasses prohibited; order of distribution; assets in separate account; definitions.

Sec. 8142. (1) Except as provided in subsection (2), the priority of distribution of claims from the insurer's estate shall be in accordance with the order in which each class of claims is set forth in this section. Every claim in each class shall be paid in full or adequate funds retained for their payment before the members of the next class receive payment. Subclasses shall not be established within a class. The order of distribution of claims is as follows:

(a) Class 1. The costs and expenses of administration, including, but not limited to, the following:

(*i*) The actual and necessary costs of preserving or recovering the insurer's assets.

(*ii*) Compensation for all services rendered in the liquidation.

(*iii*) Any necessary filing fees.

(*iv*) The fees and mileage payable to witnesses.

(*v*) Reasonable attorney's fees.

(*vi*) The reasonable expenses of a guaranty association or foreign guaranty association in handling claims.

(*vii*) Debts due to employees for services performed to the extent that they do not exceed $1,000.00 and represent payment for services performed within 1 year before the filing of the petition for liquidation, if the court determines that the payments are reasonably necessary to an orderly and effective administration for the protection of class 2 claimants. Officers and directors are not entitled to the benefit of this priority. This priority is in lieu of any other similar priority authorized by law as to wages or compensation of employees.

(*viii*) Beginning January 3, 1990, the actual and necessary fees of a supervisor appointed pursuant to section 8109 if the liquidation was preceded by supervision pursuant to section 8109 and the fees were not paid at the date of liquidation.

(b) Class 2. Except as otherwise provided in this section, all claims under policies for losses incurred, including third party claims, and all claims of a guaranty association or foreign guaranty association. However, obligations of an insolvent insurer arising out of reinsurance contracts shall not be included in this class. All claims under life insurance and annuity policies, whether for death proceeds, annuity proceeds, or investment values, shall be treated as loss claims. For purposes of this section, life insurance and annuity policies include, but are not limited to, individual annuities, group annuities, guaranteed investment contracts, and funding agreement contracts, issued by an insurer. That portion of any loss, indemnification for which is provided by other benefits or advantages recovered by the claimant, shall not be included in this class, other than benefits or advantages recovered or recoverable in discharge of familial obligation of support or by way of succession at death or as proceeds of life insurance, or as gratuities. A payment by an employer to his or her employee shall not be treated as a gratuity.

(c) Class 3. Claims of the federal government.

(d) Class 4. All claims against the insurer for liability for bodily injury or for injury to or destruction of tangible property that are not under policies and, to the extent not included in class 1, debts due to employees for services performed to the extent that they do not exceed $1,000.00 and represent payment for services performed within 1 year before the filing of the petition for liquidation. Officers and directors are not entitled to the benefit of the priority for debts due to employees for services performed. The priority for debts due to employees for services performed is in lieu of any other similar priority authorized by law as to wages or compensation of employees.

(e) Class 5. Claims under nonassessable policies for unearned premium or other premium refunds and claims of general creditors.

(f) Class 6. Claims of any state or local government. Claims, including those of any governmental body for a penalty or forfeiture, are allowed in this class only to the extent of the pecuniary loss sustained from the act,

transaction, or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs incurred. The remainder of the claims shall be postponed to the class of claims under subdivision (i).

(g) Class 7. Claims filed late or any other claims other than claims under subdivisions (h) and (i).

(h) Class 8. Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Payments to members of domestic mutual insurance companies are limited in accordance with law.

(i) Class 9. The claims of shareholders or other owners. In paying claims pursuant to this class, disinterested shareholders have priority over interested shareholders who are directors or officers who fail to exercise their duties in accordance with section 5240.

(2) If it is provided by written agreement, statute, or rule that the assets in a separate account are not chargeable with liabilities arising out of any other business of the insurer, that part of a claim that includes a separate account shall be satisfied out of the assets in the separate account equal to the reserves maintained in the separate account under the separate account agreement. The remainder of the claim shall be treated as a Class 2 claim against the insurer's estate to the extent that reserves have been established in the insurer's general account pursuant to statute, rule, or the separate account agreement.

(3) As used in this section:

(a) "Separate account" means a separate account authorized under section 925 and established in accordance with the terms of a written agreement or a contract on a variable basis.

(b) "Insurer's estate" means all of the assets of the insurer less any assets held in separate accounts. The following assets shall not be considered separate account assets:

(*i*) Assets that represent money provided by the insurer initially to fund the separate account.

(*ii*) Assets that represent policy reserves that are properly allocable to the general account.

(*iii*) General account investments held in the separate account.

Sec. 8150. (1) If a domiciliary liquidator has not been appointed, the commissioner may apply to the circuit court by verified petition for an order directing him or her to act as conservator to conserve the property of an alien insurer not domiciled in this state or a foreign insurer on any 1 or more of the following grounds:

(a) Any of the grounds in section 8112.

(b) That any of its property has been sequestered by official action in its domiciliary state, or in any other state.

(c) That enough of its property has been sequestered in a foreign country to give reasonable cause to fear that the insurer is or may become insolvent.

(d) That its certificate of authority to do business in this state has been revoked or that none was ever issued, and that there are residents of this state with outstanding claims or outstanding policies.

(2) If an order is sought under subsection (1), the court shall cause the insurer to be given notice and time to respond as is reasonable under the circumstances.

(3) The court may issue the order in whatever terms it considers appropriate. The filing or recording of the order with the clerk of the circuit court or the recorder of deeds of the county in which the principal business of the company is located shall impart the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that recorder of deeds would have imparted.

(b) If the protection of creditors or policyholders in this state requires.

(2) The court may issue an order appointing an ancillary receiver in terms as the court considers appropriate. The filing or recording of the order with the register of deeds in this state imparts the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with that register of deeds.

(2) A person may be indemnified and reimbursed by a society for expenses reasonably incurred by, and liabilities imposed upon, that person in connection with or arising out of an action or proceeding, whether civil, criminal, administrative, or investigative, or the threat thereof, in which the person may be involved by reason of the fact that he or she is or was a director, officer, employee, or agent of the society or of any firm, corporation, or organization which he or she served in any capacity at the request of the society. A person shall not be indemnified or reimbursed in relation to any matter in an action or proceeding if he or she is finally adjudged to be or have been guilty of breach of a duty as a director, officer, employee, or agent of the society or for any matter in an action or proceeding, or the threat thereof, which has been made the subject of a compromise settlement, unless in either case, the person acted in good faith for a purpose the person reasonably believed to be in or not opposed to the best interests of the society and, for a criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The termination of an action or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, as to the person shall not in itself create a conclusive presumption that the person did not meet the standard of conduct required in order to justify indemnification and reimbursement. This right of indemnification and reimbursement shall not be exclusive of other rights to which the person may be entitled as a matter of law and shall inure to the benefit of the person's heirs, executors, and administrators.

(3) A society may purchase and maintain insurance on behalf of a person who is or was a director, officer, employee, or agent of the society, or who is or was serving at the request of the society as a director, officer, employee, or agent of any other firm, corporation, or organization against any liability asserted against the person and incurred by him or her in his or her official capacity or arising out of his or her status as such, whether or not the society would have the power to indemnify the person against the liability under this section.

The articles of incorporation and all other proceedings thereunder shall become null and void after 1 year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society has completed its organization and received a certificate of authority to do business as provided in this section.

(4) Upon receipt of a preliminary certificate of authority from the commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than 1 regular monthly premium in accordance with its table of rates, and shall issue to each applicant a receipt for the collected amount. A society shall not incur any liability other than for the return of the advance premium, issue any certificate, or pay, allow, or offer or promise to pay or allow, any benefit to any person until all of the following have been met:

(b) At least 10 subordinate lodges have been established into which the 500 applicants have been admitted.

(c) There has been submitted to the commissioner, under oath of the president or secretary, or corresponding officer of the society, a list of the applicants, giving their names, addresses, date each was admitted, name and number of the subordinate lodge that each applicant is a member of, amount of benefits to be granted, and premiums for those benefits.

(d) It has been shown to the commissioner, by sworn statement of the society's treasurer or the society's corresponding officer, that at least 500 applicants have each paid in cash at least 1 regular monthly premium as provided in this section and the premiums in the aggregate amount to at least $150,000.00. The advance premiums shall be held in trust during the period of organization, and if the society has not qualified for a certificate of authority under this section within 1 year, the premiums shall be returned to the applicants.

(5) The commissioner may make examination and require further information as the commissioner considers advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of law, the commissioner shall issue to the society a certificate of authority to that effect authorizing the society to transact business pursuant to the provisions of this chapter. The certificate of authority shall be prima facie evidence of the existence of the society at the date of the certificate. The commissioner shall cause a record of the certificate of authority to be made. A certified copy of the record may be given in evidence with like effect as the original certificate of authority.

(4) The affidavit of any officer of the society or of anyone authorized by the society to mail any notice or document, stating that the notice or document has been duly addressed and mailed, is prima facie evidence that the notice or document has been furnished the addressees.

(5) All necessary and actual expenses and compensation incident to the proceedings for consolidation or merger shall be paid as provided by the contract of consolidation or merger except that a brokerage or commission shall not be included in the expenses and compensation, shall not be paid to any person by either of the parties to a contract in connection with the negotiation or execution of the contract, and compensation shall not be paid to any officer or employees of either of the parties to the contract for directly or indirectly aiding in effecting the contract of consolidation or merger.
