339.202a Preliminary determination; procedure; effect.

Sec. 202a. (a) To obtain a preliminary determination under this section, an individual must file a request that meets all of the following:

(ii) Identifies the license or registration for which he or she may apply.

(iii) Includes a detailed description of any criminal proceedings that resulted in a judgment against him or her.

(d) The department or a board is not bound by a preliminary determination under this section if the individual applies for a license or registration under this act.

(e) The issuance of a preliminary determination under this section does not limit the authority of the department to review applications for a license or registration, or to issue or deny a license or registration.

(3) An individual shall not request more than 1 preliminary determination under this section in any 120-day period.

339.203 License or registration; issuance upon demonstration of unfair or inadequate requirements; review; fees; limitation; notice; approval or disapproval; practice by person licensed, registered, or certified under repealed act.

Sec. 203. (1) The department may issue a license or registration to a person pursuant to a specific article, if the person demonstrates to the satisfaction of the department and a board that the licensure or registration requirements do not constitute a fair and adequate measure of the person's knowledge and skills or that a required examination for receipt of a license or registration does not serve as an adequate basis for determining whether a person could perform an occupation with competence. The procedure to be followed in obtaining the review by the director and a board is prescribed in article 5. A person shall not have a license or registration issued under this section until the person pays the appropriate fees as prescribed in article 4.

(2) A license or registration issued under this article may be issued with a limitation. The department shall notify the appropriate board of the department's intent to impose a limitation on the issuance of a license or registration of a person seeking a license or registration in the occupation for which the board serves. The department may impose the limitation only with the approval of the notified board. However, if the notified board, within 60 days after receipt of the notification by the department, neither approves nor disapproves the imposition of a limitation, the department may impose the limitation. A person who receives a license or registration with a limitation may receive a review of the limitation as provided in section 519.

(3) Notwithstanding any other provision of this act, a person licensed, registered, or certified under an act repealed by this act to practice an occupation on the day immediately preceding the effective date of this act shall be considered to be appropriately licensed, registered, or certified under this act until the expiration of the licensure, registration, or certification granted under the repealed act.

339.204 License or registration; renewal; requirements; evidence of attendance in continuing education program; waiver; imposition of limitation; review; renewal as responsibility of licensee or registrant; renewal application; failure to notify department of change of address; delivery or service of notice or communication by electronic mail.

Sec. 204. (1) Unless otherwise provided in this act and subject to the limitations under this section, the department shall renew the license or registration of a person that does all of the following:

(a) Applies to the department on a form provided by the department for renewal of a license or registration.

The applicant must deliver the application for renewal to the department on or before the expiration date of the person's current license or registration.

(b) Pays the appropriate fees under article 4.

(c) Meets the renewal requirements set forth in a specific article or a rule or order issued under this act.

(2) Except as otherwise provided in this act, a board that requires evidence of attendance in a continuing

education program as a condition to license renewal may waive that requirement if, after receiving a written application, the board finds the failure of the licensee to attend was due to the licensee's disability, military service, or absence from the continental United States or due to circumstances beyond the control of the licensee that the board considers sufficient cause to waive the requirement.

(3) Except as otherwise provided in article 7, the department may renew a license or registration under this act with a limitation. The department shall notify the appropriate board of the department's intent to impose a limitation on the renewal of a license of a person seeking license renewal in the occupation for which the board serves. The department may impose the limitation only with the approval of the notified board. However, if the notified board, within 30 days after receipt of the notification by the department, does not approve or disapprove the imposition of a limitation, the department may impose the limitation. A person that receives a license or registration renewed with a limitation may receive a review of that limitation under section 519.

(4) It is the responsibility of the licensee or registrant to renew a license or registration. The department shall send a renewal application to the last known address of a licensee or registrant on file with the department. The failure of a licensee or registrant to notify the department of a change of address does not extend the expiration date of a license or registration and may result in disciplinary action.

(5) A licensee or registrant shall report to the department a change in name or mailing address, or a change of electronic mail address if the licensee or registrant has provided an electronic mail address under subsection (6), not later than 30 days after the change occurs.

(6) If the department is required or permitted under this act to deliver or serve a notice or other communication to a licensee or registrant by mail, the department may deliver or serve the notice or communication by electronic mail rather than by first-class mail if the licensee or registrant has provided an electronic mail address to the department, authorized the department in writing to deliver or serve notices and communications to the licensee or registrant at the electronic mail address, and agreed in writing that the licensee or registrant consents to the service of any notice or communication sent to the electronic mail address that the department would otherwise serve by mail.

(3) This section does not prevent the department from issuing a temporary license under section 213, a courtesy license under section 1806a, or issuing a license under section 726, 1108(2), 1211, 1806(9), 2013, 2209, or 2623.

339.411 Failure to renew license or registration; conditions to relicensing or reregistration; report; exceptions; mobilized for military duty status; temporary exemption; "completed application" defined.

Sec. 411. (1) Subject to subsection (2), a person that fails to renew a license or registration on or before the expiration date shall not practice the occupation, operate, or use the title of that occupation after the expiration date printed on the license or registration. A license or registration shall lapse on the day after the expiration date.

(2) A person that fails to renew a license or registration on or before the expiration date is permitted to renew the license or registration by payment of the required license or registration fee and a late renewal fee within 60 days after the expiration date.

(3) Except as otherwise provided in this act, a person that fails to renew a license or registration within the time period set forth in subsection (2) may be relicensed or reregistered without examination and without meeting additional education or training requirements in force at the time of application for relicensure or reregistration if all of the following conditions are met:

(a) The person applies within 3 years after the expiration date of the last license or registration.

(b) The person pays an application processing fee, the late renewal fee, and the per year license or registration fee for the upcoming licensure or registration period, subject to subsection (8).

(c) Any penalties or conditions imposed by disciplinary action in this state or any other jurisdiction have been satisfied.

(d) The person submits proof of having completed the equivalent of 1 year of continuing education within the 12 months immediately preceding the date of application or as otherwise provided in a specific article or by rule, if continuing education is required of licensees or registrants under a specific article.

(4) Except as otherwise provided in this act, a person may be relicensed or reregistered subsequent to 3 or more years after the expiration date of the last license or registration if the person shows that the person meets

the requirements for licensure or registration as established by the department in rules or procedures, which may require a person to pass all or part of a required examination, to complete continuing education requirements, or to meet current education or training requirements.

(5) Unless otherwise provided in this act, a person that seeks reinstatement of a license or registration shall file an application on a form provided by the department, pay the application processing fee, and file a petition to the department and the appropriate board stating reasons for reinstatement and including evidence that the person can and is likely to serve the public in the regulated activity with competence and in conformance with all other requirements prescribed by law, rule, or an order of the department or board. The procedure for conducting the review of a petition for reinstatement is prescribed in article 5. If approved for reinstatement, the person shall pay the per year license or registration fee for the upcoming license or registration period if appropriate, in addition to completing any requirements imposed under section 203(2).

(6) The department shall issue an initial or renewal license or registration not later than 90 days after the applicant files a completed application. The application is considered received on the date the application is received by any agency or department of this state. If the application is considered incomplete by the department, the department shall notify the applicant in writing, or make information electronically available, within 30 days after receipt of the incomplete application, describing the deficiency and requesting the additional information. The 90-day period is tolled from the date the department notifies the applicant of a deficiency until the date the requested information is received by the department. The determination of the completeness of an application does not operate as an approval of the application for the license or registration and does not confer eligibility of an applicant determined otherwise ineligible for issuance of a license or registration.

(7) Notwithstanding the time periods described in subsection (6), in the case of a real estate broker and associate broker licensed under article 25, the time period for approval by the department of a completed application is 30 days and the time period for notification sent in writing, or made electronically available, by the department to the applicant regarding an incomplete application is 15 days after the receipt of the application by any agency or department of this state.

(8) If the department fails to issue or deny a license or registration within the time required by this section, the department shall return the license or registration fee, and shall reduce the license or registration fee for the applicant's next renewal application, if any, by 15%. A failure to issue or deny a license or registration within the time required under this section does not allow the department to otherwise delay the processing of the application, and the department shall place that application, when completed, in sequence with other completed applications received at that same time. The department shall not discriminate against an applicant in the processing of an application based on the fact that the license or registration fee was refunded or discounted under this subsection.

(9) The director shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with occupational issues. The director shall include all of the following information in the report concerning the preceding state fiscal year:

(a) The number of initial and renewal applications the department received and completed within the 90-day time period described in subsection (6) and the 30-day time period described in subsection (7).

(b) The number of applications denied by the department.

(c) The number of applicants that were not issued a license or registration within the applicable time period and the amount of money returned to licensees and registrants under subsection (8).

(d) The number of applications denied by the department because of an applicant's lack of good moral character and a summary, by category of offense, of the criminal convictions on which those denials were based.

(10) Subsection (6) does not apply to a license or registration for any of the following:

(a) A certified public accountant and registered accountant under article 7.

(b) An agency non-owner manager of a collection agency under article 9.

(c) A barber, student barber, student instructor, or barber instructor under article 11.

(d) An employment and consulting agent of a personnel agency under article 10.

(e) A cosmetologist, manicurist, natural hair culturist, esthetician, electrologist, instructor, or registered student under article 12.

(f) A hearing aid salesperson and trainee under article 13.

(g) A mortuary science licensee, embalmer, or resident trainee in mortuary science under article 18.

(h) An individual architect, surveyor, or engineer under article 20.

(i) An individual landscape architect under article 22.

(j) An individual residential builder and alteration and maintenance contractor or a salesperson for a

residential builder and alteration and maintenance contractor under article 24.

(k) A real estate salesperson under article 25.

(l) A real estate appraiser under article 26.

(11) Notwithstanding any provision in this act to the contrary, an individual or qualifying officer who is a licensee or registrant under this act and who is mobilized for military duty in the Armed Forces of the United States by the President of the United States is temporarily exempt from any renewal license fee, continuing education requirements, or other related requirements of this act applicable to that license or registration. It is the obligation of the licensee or registrant to inform the department by written or electronic mail of the desire to exercise the temporary exemption under this subsection. If the licensee applying for the temporary exemption is the individual responsible for supervision and oversight of licensed activities, the licensee shall provide notice of arrangements for adequate provision of that supervision and oversight to the department. The licensee or registrant shall accompany the request with proof, as determined by the department, to verify the mobilized duty status. If it receives a request for a temporary exemption under this subsection, the department shall make a determination of the requestor's status and grant the temporary exemption after verification of mobilized duty status under this subsection. A temporary exemption is valid until 90 days after the licensee's or registrant's release from the mobilized duty on which the exemption was based, but shall not exceed 36 months from the date of expiration of the license or registration.

(12) As used in this section, "completed application" means an application that is complete on its face and submitted with any applicable licensing or registration fees and any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of this state.

Sec. 915a. (1) A licensee shall not commit any of the following acts:

(a) Listing the name of an attorney in a written or oral communication, collection letter, or publication in an attempt to collect a debt on behalf of a person other than the licensee or an affiliate of the licensee. This subdivision does not apply if the attorney is an employee of the licensee and is engaged in collecting claims owned by the licensee or an affiliate of the licensee.

(b) Furnishing legal advice, or otherwise engaging in the practice of law, or representing that the person is competent to do so, or to institute a legal action on behalf of another person. This subdivision does not apply to an attorney who is an employee of the licensee and is furnishing legal advice to or representing the interests of the licensee or an affiliate of the licensee. However, an attorney who is an employee of a licensee may not institute a legal action to collect a claim unless the claim is owned by the licensee or an affiliate of the licensee.

(c) Sharing quarters or office space with a lender or with a practicing attorney who is not an employee of the licensee. This subdivision does not prohibit a licensee from occupying a separate space in the same building in which a practicing attorney has office space or sharing a common waiting area with a practicing attorney.

(d) Employing or retaining an attorney to collect a claim, unless the claim is owned by the licensee or an affiliate of the licensee. However, a licensee may exercise authority on behalf of a creditor to retain an attorney if the creditor has specifically authorized the collection agency in writing to do so and the licensee's course of conduct is at all times consistent with a true relationship of attorney and client between the attorney and the creditor. After referral to an attorney, the creditor is the client of the attorney, and the licensee shall not represent the client in court. The licensee may act as an agent of the creditor in dealing with the attorney only if the creditor has specifically authorized the licensee to do so in writing.

(e) Demanding or obtaining a share of the compensation for service performed by an attorney in collecting a claim or demand, or collecting or receiving a fee or other compensation from a consumer for collecting a claim, other than a claim owed to the creditor under the provisions of the original agreement between the creditor and debtor.

(f) Soliciting, purchasing, or receiving an assignment of a claim for the sole purpose of instituting an action on the claim in a court.

(g) Advertising or threatening to advertise for sale a claim as a means of forcing payment of the claim, unless the collection agency is acting as the assignee for the benefit of creditors or acting under an order of a court.

(h) Failing to deposit money collected into the trust account required under this article.

(i) Commingling money collected for a client with the collection agency's own general or operating funds.

(j) Using a part of a client's money in the conduct of a collection agency's business.

(k) Refusing or intentionally failing to remit to a client all money collected, due, and owing the client, less any commission owed to the licensee, within 45 days after the day on which the money is collected.

(l) Failing to give a debtor a written receipt for cash payment, or for any other payment if a receipt is specifically requested, showing the amount of money received, the debt to which the licensee is applying the money, and the name of the specific account receiving the money.

(m) Refusing or intentionally failing to return to a creditor all original documents deposited with the claim when the claim is returned, if requested. If the licensee charges a closing out fee to the creditor for returning unpaid claims or discontinuing collection activities, the licensee shall enter into a written agreement with the creditor concerning those fees if requested by the creditor.

(n) Identifying the collection agency other than by the name that appears on the license.

(o) Permitting an employee to use a name other than the employee's own name or the assumed name registered by the licensee with the department in the collection of a debt.

(p) Operating under a name or in a manner that implies or states that the collection agency is a branch of, or associated with, or has been approved or licensed by, a department of federal, state, or local government, or that implies that the collection agency is a credit reporting agency that regularly provides credit reports about consumers unless it is a credit reporting agency.

(q) Accepting a check or other payment instrument postdated by more than 5 days unless the debtor is notified in writing of the person's intent to deposit a postdated check or instrument not more than 10 nor fewer than 3 business days before the deposit.

(r) Depositing or threatening to deposit a postdated check or other postdated payment instrument before the date on the postdated check or instrument.

(3) A person may only engage in the practice of mortuary science at a fixed location. A person shall not open or maintain a place for practice, or hold itself out as engaging in the practice of mortuary science, without an establishment license issued by the department. (a) Subject to subdivision (b), if the individual licensee obtained his or her initial license as a residential builder or a residential maintenance and alteration contractor on or after January 1, 2009, he or she must successfully complete at least 21 hours of activities that demonstrate continuing competence in each 3-year license cycle, including both of the following:

(i) At least 3 hours of activities that demonstrate continuing competency in each calendar year, during the first 6 calendar years of licensure.

(ii) At least 3 hours of activities designed to develop a licensee's understanding and ability to apply state building codes and laws relating to the licensed occupation, safety, and changes in construction and business management laws.

(b) If an individual licensee described in subdivision (a) was exempt from the precensure course requirements of subsection (1) under subsection (1)(b) when he or she obtained his or her initial license as a residential builder or residential maintenance and alteration contractor, the hours of activities that he or she must complete in the first year of his or her first 3-year license cycle under subdivision (a) must include successful completion of at least 1 hour of codes, 1 hour of safety, and 1 hour of legal issues described in this subsection.

(d) If the licensee has held a license for more than two 3-year license cycles, and the department has not taken disciplinary action against him or her for a violation of this act or a rule promulgated under this act, he or she must successfully complete at least 3 hours of activities demonstrating continuing competency in each license cycle that includes 1 hour of codes, 1 hour of safety, and 1 hour of legal issues as described in this subsection.

(3) In addition to the requirements of subsection (2), if the department has taken disciplinary action against a licensee for a violation of this act or a rule promulgated under this act, the licensee must successfully complete, during the next complete license cycle, at least 3 and not more than 21 hours of activities that demonstrate the development of continuing competency during that next license cycle as determined appropriate by order of the department. At least 3 hours of the continuing competency must include 1 hour of codes, 1 hour of safety, and 1 hour of legal issues as described in subsection (2).

(4) Any construction code update courses approved by the bureau of construction codes and any fire safety or workplace safety courses approved or sponsored by the department are also considered appropriate for fulfilling the continuing competency requirements of this section. The department may, by rule, amend, supplement, update, substitute, or determine equivalency regarding any courses or alternate activities for developing continuing competency described in this section.

(5) The subject matter of the preclosure and continuing competency activities required under this section may be offered by a high school, an intermediate school district, a community college, a university, the bureau of construction codes, the Michigan occupational safety and health administration, a trade association, or any other proprietary school that is licensed by the department.

(c) Acceptable distance learning.

(d) Alternate forms of continuing competency, including comprehensive testing, participation in mentoring programs, research, participation in code hearings conducted by the International Code Council, and publication of articles in trade journals or regional magazines as an expert in the field. The alternate forms must be designed to maintain and improve the licensee's ability to perform the occupation with competence and must prescribe proofs that are necessary to demonstrate that the licensee has fulfilled the requirements of continuing competency.

(7) Each licensee may select approved courses in his or her subject matter area or specialty. A licensee's service as a lecturer or discussion leader in an approved course must count toward his or her continuing competency requirements under this section. Alternate forms of continuing competency may be earned and documented as promulgated in rules by the department.

(8) The department may audit a predetermined percentage of licensees who renew in a year for compliance with the requirements of this section. Failure to comply with the audit or the requirements results in the investigation of a complaint initiated by the department, and the licensee is subject to the penalties prescribed in this act.

(9) Before September 16, 2014, a licensed residential builder or residential alteration and maintenance contractor may apply for inactive status by completing an application, made available by the department, in which he or she declares that he or she is no longer actively engaged in the practice authorized by his or her license and temporarily intends to suspend activity authorized by his or her license. If a completed application is submitted, the department shall designate the licensee as inactive and note that status on records available to the public. A licensee who is designated as inactive must have a current copy of the Michigan residential code and is exempt from the continuing competency requirements imposed under this section, but must still pay the per-year license fee. An inactive licensee may activate his or her license by submitting an application to the department requesting activation of the license. If the department activates an inactive license, the licensee must complete at least 1 credit hour of activities that demonstrate continuing competency for that calendar year.

(10) An individual licensee who applied for and was designated inactive under subsection (9) before September 16, 2014 may remain in inactive status after that date by complying with the requirements of subsection (9). If his or her license is activated, the licensee must complete at least 1 credit hour of activities that demonstrate continuing competency for that calendar year.

(4) An applicant for license renewal under section 2502a is subject to audit by the department for compliance with subsections (1) and (2), or (7), and may be required to submit the documentation described in subsection (3) to the department on request.

(5) If the department finds as the result of an audit under subsection (4) that an applicant for license renewal under section 2502a did not complete sufficient hours of eligible continuing education courses to renew his or her license, any penalty imposed by the department shall include a requirement that the licensee must complete both of the following, if applicable:

(a) A sufficient number of additional hours of continuing education to fulfill the requirements for the period determined by audit to be deficient.

(b) If the period determined by the audit to be deficient is at least 60 days, additional hours of continuing education in 1 of the following amounts:

(i) If the deficiency period is at least 60 days and less than 120 days, 4 hours.

(ii) If the deficiency period is 120 days or more, 8 hours.

(6) Hours of additional continuing education required under subsection (5)(b) do not apply toward continuing education required in a license cycle. The department may waive the requirement for additional hours under subsection (5)(b) if the applicant demonstrates to the department that the additional hours would present an undue hardship on the applicant.

(7) If a real estate broker, associate real estate broker, or salesperson receives a license that is issued after the beginning of the current license cycle for that license, the department may prorate the number of hours of eligible continuing education that licensee is required to complete under subsections (1) and (2) for the year of the license cycle in which the license is issued.

(8) Course credits used to meet continuing education requirements under this section do not apply toward the real estate broker's license preclicensure education requirements under section 2504, and course credits successfully completed under real estate broker's license preclicensure education requirements under section 2504 do not apply toward the continuing education requirements of this section.

(9) As used in this section, "eligible continuing education course" means a continuing education course that meets the standards established by the department by rule under subsection (2)(e) and, if successfully completed by a licensee, is counted toward the licensee's continuing education requirements under this section.

(d) If a licensee successfully completes an education course to obtain a professional designation, the number of hours of that course is counted toward the total number of hours of continuing education courses required in a license cycle.

(e) If a licensee successfully completes an eligible continuing education course, the licensee does not earn additional hours toward the requirements of this section if the licensee repeats that course.

(f) The department by rule shall do all of the following:

(i) Determine and provide for the publication of the number of hours of eligible continuing education courses a licensee must successfully complete in a license cycle, including the required hours in each year of a license cycle under subdivision (a). The department shall determine the number of hours that are required in a license cycle by multiplying the number of years in the license cycle by 6.

(ii) Establish the standards for determining if a continuing education course is an eligible continuing education course for purposes of this section.

(3) An applicant for license renewal under section 2502a shall certify compliance with subsections (1) and (2) to the department. (4) An applicant for license renewal under section 2502a is subject to audit by the department for compliance with subsections (1) and (2), or (6), and may be required to submit the documentation described in subsection (3) to the department on request.

(5) If the department finds as the result of an audit under subsection (4) that an applicant for license renewal under section 2502a did not complete sufficient hours of eligible continuing education courses to renew the licensee's license, any penalty imposed by the department must include a requirement that the licensee complete a sufficient number of additional hours of continuing education to fulfill the requirements for the period determined by audit to be deficient.

(6) If a real estate broker, associate real estate broker, or salesperson receives a license that is issued after the beginning of the current license cycle for that license, the department may prorate the number of hours of eligible continuing education that licensee is required to complete under subsections (1) and (2) for the year of the license cycle in which the license is issued.

(7) Course credits used to meet continuing education requirements under this section do not apply toward the real estate broker's license prelicensure education requirements under section 2504, and course credits successfully completed under real estate broker's license prelicensure education requirements under section 2504 do not apply toward the continuing education requirements of this section.

Sec. 2505. (1) An individual or business entity that is applying for a real estate broker's license shall file an application with the department. All of the following apply to an application for a real estate broker's license:

(a) The application must include the applicant's current business address; if the applicant is an individual, the address of his or her residence; and the complete address of each former place where the applicant resided or was engaged in business, or acted as a real estate salesperson, for a period of 60 days or more, during the 5 years immediately preceding the date of application.

(b) The application must include the name of the individual or business entity that is the proposed licensee; the location of the place for which the license is sought; and the period of time in which the applicant has been engaged in the business.

(c) The application must be executed by the applicant, if the applicant is an individual, or by a principal of the applicant if the applicant is a business entity.

(d) If the applicant is a business entity, the application shall designate which individuals who are control persons of the entity will be performing acts regulated by this article as principals. An applicant shall not designate a control person as a principal unless that control person is licensed as an associate real estate broker under this article.

(2) The department shall not issue a real estate broker's license to an individual who has been convicted of embezzlement or misappropriation of funds.

(3) A real estate broker shall maintain a place of business in this state. If a real estate broker maintains more than 1 place of business in this state, the real estate broker must obtain a branch office license for each of those additional places of business. If a branch office is located more than 25 miles from the nearest boundary of the municipality in which the main office of the real estate broker is located, the broker shall ensure that the branch office is under the direct supervision of an associate broker. As used in this subsection, "direct supervision" means that an associate broker is physically present at the branch office on a regular basis to supervise and manage the business during ordinary business hours.

(4) An application for a real estate salesperson's license shall be signed by the real estate broker that will employ the applicant. The department shall only issue a real estate salesperson's license to an individual.

(5) Before issuing a license, the department may require and procure satisfactory proof of the business experience, competence, and good moral character of an applicant for a license under this article if the applicant is an individual or of each principal if the applicant is a business entity. Subject to subsection (6), the department shall require that each of those individuals pass an examination developed by the department or contracted for with a recognized outside testing agency that establishes, in a manner satisfactory to the department, that he or she has a fair knowledge of the English language, including reading, writing, spelling, and elementary arithmetic; a satisfactory understanding of the fundamentals of real estate practice and of the laws and principles of real estate conveyancing, deeds, mortgages, land contracts, and leases; the obligations of a broker to the public and a principal; and the law defining, regulating, and licensing real estate brokers and salespersons. The department may require written examination or written reexamination of an individual described in this subsection, and if the department does require a written examination or reexamination under this subsection, the department shall not issue a license unless the individual taking the examination or reexamination achieves a passing score satisfactory to the department.

(6) All of the following apply to the written examination requirement described in subsection (5):

(a) The department may relicense without examination an individual who is applying for a real estate broker's or associate real estate broker's license; has previously held a real estate broker's or associate real estate broker's license that has lapsed; and has been continuously licensed as a real estate salesperson since the lapse of the previous license.

(b) A passing score on an examination, or on a portion of an examination if the examination is given in separate parts, is valid for 1 year from the date of the examination.

(7) The department shall require proof that each applicant for a real estate broker's license, if the applicant is an individual, or each principal if the applicant is a business entity, has the equivalent of 3 years of full-time experience in the business of real estate. All of the following apply in determining whether an individual

meets this experience requirement:

(a) If state law requires that a person hold a license to be licensed to perform an activity that is considered the business of real estate, an individual shall not receive credit for experience performing that activity without proper licensure.

(b) For purposes of calculating whether an individual has the equivalent of 3 years of experience, the department shall grant the following credit or credits toward that 3-year requirement:

(i) If the individual is a real estate salesperson, 1 year of credit for each 12-month period of licensure in which he or she closed 5 or more real estate transactions.

(ii) If the individual is a builder, 1 year of credit for each 12-month period in which he or she built and personally sold or leased at least 5 residential units, commercial units, or industrial units or a combination of those types of units.

(iii) If the individual is a real estate investor, 6 months of credit for each 5 real property transactions personally negotiated for a purchase or sale by the individual for his or her own account, with a maximum of 1 year of credit allowed. However, an individual shall not receive credit under this subdivision if he or she engaged in more than 5 sales in any 12-month period in violation of section 2502b.

(iv) If the individual is a land or condominium developer, 1 year of credit for each 2 developments or subdivisions that contain at least 10 units or parcels that he or she bought, subdivided, and improved for sale as lots or dwellings.

(v) If the individual is an attorney, 1 year of credit for each year in which he or she acted as the attorney for at least 6 real estate transactions.

(vi) If the individual is a real estate appraiser who is licensed under article 26, 1 year of credit for each period equivalent to at least 40 hours per week, and at least 48 weeks per year, in which he or she acted as a real estate appraiser.

(vii) One year of credit for each period equivalent to at least 40 hours per week, and at least 48 weeks per year, in which the individual worked in a capacity directly related to the acquisition, financing, or conveyance of real estate, or in a position in which the individual was directly involved in a real estate business, including serving as the decision-making authority in any of the following positions:

Sec. 2506. (1) Except as provided in subsection (5), an individual shall not act as a real estate broker, associate real estate broker, or real estate salesperson if he or she has not received from the department his or her license and pocket card or received a temporary license. An individual licensed under this article shall not act as a real estate broker, associate real estate broker, or real estate salesperson if he or she does not have, on his or her person, his or her pocket card or temporary license or a photocopy or digital image of that pocket card or temporary license.

(2) The department shall deliver or mail the license of a real estate salesperson to the real estate broker that employs the real estate salesperson, and the broker shall retain custody and control of the salesperson's certificate of license and deliver the pocket card for that license to the salesperson.

(3) A licensee shall give written notice to the department of any change of either a principal or branch business location.

(4) If he or she receives notice that his or her license is suspended or revoked, a real estate salesperson, or an associate real estate broker that is not the sole associate real estate broker for a real estate broker that is a business entity, shall immediately forward his or her pocket card to the department and the real estate broker to which the individual was licensed shall immediately forward the salesperson's or associate real estate

broker's license to the department. If he or she receives notice that his or her license is suspended or revoked, a real estate broker who is an individual, or an associate real estate broker who is the sole associate real estate broker for a real estate broker that is a business entity, shall immediately forward to the department his or her license and pocket card, the licenses and pocket cards of all real estate salespersons and nonprincipal associate real estate brokers issued under the real estate broker, and all of the real estate broker's branch office licenses.

(5) If the department receives a completed application under section 2507 or 2508 for transfer of a real estate salesperson's license or an associate real estate broker's license to a new real estate broker and the applicable fees, the department shall consider the pocket card as proper evidence of licensing for 45 days from the latest date written on the back of the card. If the real estate salesperson or associate real estate broker who is applying for the license transfer is notified that the application is incomplete, or the real estate broker to which he or she is transferring his or her license is not licensed, his or her pocket card is no longer valid and the applicant must wait until the new broker receives his or her wall license and pocket card before engaging in activities that are regulated under this article.

(1) If a real estate salesperson is discharged or terminates employment with a real estate broker by giving the employer a written notice of the termination, the real estate broker shall deliver or mail by certified mail to the department, within 5 days, the real estate salesperson's license. If a written notice of termination of employment is not served on the real estate broker by the real estate salesperson, the department shall notify the real estate broker in writing that it has received an application for a transfer of license by the real estate salesperson. Sec. 2508. (1) The department may issue a real estate broker's license to an individual, sole proprietorship, partnership, association, corporation, limited liability company, common law trust, or a combination of those entities. A real estate broker's license that is issued to an individual or a sole proprietorship entitles the individual named on the license to perform acts regulated under this article. Subject to subsection (2), a real estate broker's license issued to a partnership, association, corporation, limited liability company, common law trust, or a combination of those entities entitles those individuals designated as principals under section 2505(1) to perform acts regulated under this article. A broker's license issued to a partnership, association, corporation, limited liability company, common law trust, or a combination of those entities is not transferable.

(2) Before performing acts regulated under this article, each principal shall apply for and obtain, and any other individual may apply for and obtain, an associate real estate broker's license. An applicant for an associate real estate broker's license is subject to the same requirements as an applicant for a real estate broker's license. The department shall only issue an associate real estate broker's license to an individual.

(3) The associate real estate broker's license of a principal who ceases to be connected with a partnership,

association, corporation, limited liability company, common law trust, or a combination of those entities is suspended automatically.

(ii) A real estate salesperson shall pay or deliver to the real estate broker, on receipt, a deposit or other money paid in connection with a transaction in which the real estate salesperson is engaged on behalf of the real estate broker.

A real estate broker may deposit not more than \$2,000.00 of its own money in each trust account to cover bank service charges and bank minimum balance requirements or to avoid the closing of the account because there is no money in the account. The real estate broker shall account for any of its own money in a trust account in the records described in subparagraph (vi).

(v) A real estate broker shall deposit, within 2 banking days after the broker has received notice that an offer to purchase is accepted by all parties, money that belongs to others and is made payable to the real estate broker into a separate custodial trust or escrow account maintained by the real estate broker with a bank, savings and loan association, credit union, or recognized depository until the transaction involved is consummated or terminated, at which time the real estate broker shall account for the full amount received.

(vi) A real estate broker shall keep records of money deposited in its custodial trust or escrow account, and indicate clearly in those records the date and from whom the money was received, the date deposited, the date of withdrawal, and other pertinent information concerning the transaction and shall show clearly for whose account the money is deposited and to whom the money belongs. Sec. 2517. (1) A licensee shall disclose to a potential buyer or seller in a real estate transaction all types of agency relationships available and the licensee's duties that each agency relationship creates before the

disclosure by the potential buyer or seller to the licensee of any confidential information specific to that potential buyer or seller.

(3) The disclosure of the type of agency relationship shall be in writing, shall be provided to the client, and shall substantially conform to the following:

DISCLOSURE REGARDING REAL ESTATE AGENCY RELATIONSHIPS

Before you disclose confidential information to a real estate licensee regarding a real estate transaction, you should understand what type of agency relationship you have with that licensee. A real estate transaction is a transaction involving the sale or lease of any legal or equitable interest in real estate consisting of not less than 1 or not more than 4 residential dwelling units or consisting of a building site for a residential unit on either a lot as defined in section 102 of the land division act, 1967 PA 288, MCL 560.102, or a condominium unit as defined in section 4 of the condominium act, 1978 PA 59, MCL 559.104.

Michigan law requires real estate licensees who are acting as agents of sellers or buyers of real property to advise the potential sellers or buyers with whom they work of the nature of their agency relationship.

Seller's Agents

A seller's agent, under a listing agreement with the seller, acts solely on behalf of the seller. A seller can authorize a seller's agent to work with subagents, buyer's agents and/or transaction coordinators. A subagent is one who has agreed to work with the listing agent, and who, like the listing agent, acts solely on behalf of the seller. Seller's agents and subagents will disclose to the seller known information about the buyer which may be used to the benefit of the seller. Individual services may be waived by the seller through execution of a limited service agreement. Only those services set forth in paragraph (2)(b), (c), and (d) above may be waived by the execution of a limited service agreement.

Buyer's Agents

A buyer's agent, under a buyer's agency agreement with the buyer, acts solely on behalf of the buyer. Buyer's agents and subagents will disclose to the buyer known information about the seller which may be used to benefit the buyer. Individual services may be waived by the buyer through execution of a limited

service agreement. Only those services set forth in paragraph (2)(b), (c), or (d) above may be waived by execution of a limited service agreement.

Dual Agents

A real estate licensee can be the agent of both the seller and the buyer in a transaction, but only with the knowledge and informed consent, in writing, of both the seller and the buyer.

In such a dual agency situation, the licensee will not be able to disclose all known information to either the seller or the buyer.

The obligations of a dual agent are subject to any specific provisions set forth in any agreement between the dual agent, the seller, and the buyer.

LIMITED SERVICE AGREEMENT

Pursuant to Michigan law certain services provided by a real estate licensee may be waived. A real estate licensee is required to perform certain services for his or her client unless these services are waived by the client. By signing below, you agree that the real estate licensee will not be required to perform the services initialed (only initial the services waived).

(5) This article does not prevent a licensee from acting as a transaction coordinator upon proper notice to all parties to a real estate transaction.

(6) A broker and a client may enter into a designated agency agreement. In the absence of a written designated agency agreement, a client is considered to have an agency relationship with the broker and all affiliated licensees.

(7) A designated agency agreement shall contain the name of all associate brokers who are authorized to act as supervisory brokers. If designated agents who are affiliated licensees represent different parties in the same real estate transaction, the broker and all supervisory brokers are considered disclosed consensual dual agents for that real estate transaction. Designated agents who are affiliated licensees representing different parties in the same transaction shall notify their clients that their broker represents both buyer and seller before an offer to purchase is made or presented.

(8) Except as otherwise provided in subsection (7), a client with a designated agency agreement is not considered to have an agency relationship with any affiliated licensees of the designated agent. Two designated agents who are affiliated licensees may each represent a different party in the same transaction and shall not be considered dual agents. The designated agent's knowledge of confidential information of a client is not imputed to any affiliated licensee not having an agency relationship with that client.

(9) A designated agent shall not disclose confidential information of a client to any licensee, whether or not an affiliated licensee, except that a designated agent may disclose to any supervisory broker confidential information of a client for purposes of seeking advice or assistance for the benefit of the client. A licensee who represents a client in an agency capacity does not breach any duty or obligation owed to that client by failing to disclose to that client information obtained through a present or prior agency relationship.

(10) A listing agreement or a buyer's agency agreement may be amended to establish a designated agency relationship, to change a designated agent, or to change supervisory brokers at any time pursuant to a written addendum signed by the parties.
