(d) For medical, prescription drug, dental, and optical plans, a benefit summary for the current year's plan and, if benefits have changed during any of the 2 most recent 12-month periods for which claims utilization and cost information are provided, a brief benefit summary for each of those periods for which the benefits were different.

(4) Except as otherwise provided in subsection (3) and subject to subsection (5), claims utilization and cost information required to be compiled under this section must be compiled as follows:

- (a) On an annual basis.

(b) At the request of a public employer. A public employer may not request claims utilization and cost information more than 4 times per calendar year. Claims utilization and cost information compiled upon the request of a public employer must be compiled within 30 days after the request.

(5) Claims utilization and cost information compiled under this section must cover a relevant period. For purposes of this subsection, the term "relevant period" means the 24-month period ending no more than 60 days before the compilation of the information for the medical benefit plan under consideration. However, if the medical benefit plan has been in effect for a period of less than 24 months, the relevant period shall be that shorter period.

(6) A public employer or combination of public employers shall disclose the claims utilization and cost information required to be provided under subsections (1) and (2) to any carrier or administrator it solicits to provide benefits or administrative services for its medical benefit plan, and to the employee representative of employees covered under the medical benefit plan, and upon request to any carrier or administrator who requests the opportunity to submit a proposal to provide benefits or administrative services for the medical benefit plan at the time of the request for bids. The public employer shall make the claims utilization and cost information required under this section available within a reasonable period of time.

(7) The claims utilization and cost information required under this section shall include only de-identified health information as permitted under the health insurance portability and accountability act of 1996, Public Law 104-191, or regulations promulgated under that act, 45 CFR parts 160 and 164, and shall not include any protected health information as defined in the health insurance portability and accountability act of 1996, Public Law 104-191, or regulations promulgated under that act, 45 CFR parts 160 and 164.
