Act 116 of 1954

Sec. 758a.

(1) A citizen of the United States above the age of 18 years may vote by absent voter ballot for president and vice-president of the United States if he has either of the following qualifications:

(a) He has removed from a place within the United States or its possessions to this state, was qualified to vote for president and vice-president at the time of removal in the place from which he removed but is no longer qualified to vote in that place, produces evidence of these facts, and will have resided in this state for less than 6 months and in a city or township of this state for not less than 30 days next preceding an election at which candidates for president and vice-president are voted for.

(b) If he has removed from this state to another place within the United States or its possessions, was a duly qualified and registered elector in a city or township of this state at the time of removal, and produces evidence that he cannot yet qualify to so vote in his present place of residence.

(2) A citizen qualified to vote for president and vice-president under this act, upon making proper application shall be furnished with an absent voter ballot for president and vice-president only as provided in this act. The ballot shall be a regular paper ballot for the election but shall be plainly designated, in the manner prescribed by the secretary of state, "president and vice-president only". A vote shall not be counted on such a ballot other than the vote for president and vice-president of the United States.

(3) A person who qualifies to vote for president and vice-president under paragraph (1a) of this section may make application for a presidential ballot by delivering an application in person to the clerk of the city or township of present residence not later than 2 p.m. on the Saturday immediately prior to the election. The application shall contain a certificate of the voting officer of the place of previous residence which shall be completed at the time of filing and shall also contain a statement that the applicant possesses all the qualifications of an elector in Michigan except those relating to residence and that as to residence he will have resided in the state of Michigan for a period of less than 6 months and in the city or township of present residence at least 30 days immediately prior to the election. The application shall be sworn to before the clerk and upon acceptance by the clerk shall serve as a temporary registration which shall be valid for that election only. A temporary registration as herein set forth shall be delivered to the precinct inspectors with the absent voter ballots and shall be returned to the clerk following the election. The form of the combined application-temporary registration shall be prescribed by the secretary of state.

A voter who qualifies to vote for president and vice-president under paragraph (1b) of this section may make application to the city or township clerk of his last place of residence in Michigan not later than 2 p.m. on the Saturday immediately prior to the election, on a form prescribed by the secretary of state, which form shall include a certificate from the voting officer of the place of present residence stating that the applicant cannot qualify to vote because of failure to meet residence requirements. Any such application shall be deemed to be an authorization to, immediately following the election, cancel the registration of the applicant if it is still on the registration records.
