169.246 Adjustments to dollar value floor and contribution limits; "consumer price index" defined.

Sec. 46. (1) At the beginning of every odd numbered year, the secretary of state shall recommend adjustments to and which shall be approved by the legislature of the dollar value floor for reporting of the name, address, occupation, and employer, or principal place of business of persons who make contributions pursuant to this act, on the basis of the consumer price index and the number of registered voters in the state.

The secretary of state shall multiply that percentage change by the amounts in sections 52, 52a, and 69(1). The secretary of state shall round up each dollar value adjustment made under this subsection to the nearest \$25.00. The secretary of state shall announce the adjustments made under this subsection by December 15 of each year.
