

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.47353 Little Bay de Noquette, Big Bay de Noquette, and Green Bay.

Sec. 47353.

A person shall not in the waters of this state known as Little Bay de Noquette and Big Bay de Noquette, and that part of Green Bay lying north of a line drawn from the point where the south boundary of Delta county (being the south line of township 37 north) meets the west shore of Green Bay, thence easterly to the most southerly point of St. Martin Island, thence northeasterly through the most southeasterly point of Poverty Island to the most southeasterly point of Summer Island (also called Big Summer Island), thence northerly along the shore of Summer Island to the most easterly point thereof, thence northerly to the navigation buoy off the south end of Point Detour:

(a) Fish, set, use, or maintain in the water any pound net designed for the impounding of fish, unless the pound net is held in place solely by 10 or more stakes driven firmly into the ground beneath the water.

(b) Fish, set, use, or maintain any pound net in water having a depth greater than 50 feet.

(c) Fish, set, or have in the water any trap net, hoop net, fyke net, drop net, or gobbler net at any time from April 15 to May 20.

(d) Fish, set, use, maintain, or permit to remain in the water any net of any description, except minnow seines, between July 1 and September 10, in whole or in part within any of the areas described as follows:

(i) In Big Bay de Noquette north of a line from the southernmost tip of Porcupine Point to the westernmost tip of Valentine Point.

(ii) In Little Bay de Noquette between the westerly shore and a line drawn from the extreme end of Saunders Point to the extreme end of Squaw Point and thence to the mouth of the channel into the Gladstone yacht harbor.

(iii) In Little Bay de Noquette and Green Bay between the westerly shore and a line drawn from the most easterly point on Portage Point 1 and 1/2 miles south, thence in a general southerly direction parallel to the westerly shoreline and 1 and 1/2 miles out from shore to a point where the township line between town 37 n and 38 n, r 23 w intersect, thence west to the shore.

(e) Subdivisions (a) and (b) do not apply to or restrict the fishing, setting, use, or maintenance of pound nets otherwise lawfully used for the taking of smelt or herring during the winter months under the ice.
