

POISON CONTROL CENTER NETWORK (EXCERPT)
Act 606 of 1978

333.1011 State plan for poison control center network; establishment.

Sec. 1.

The department of public health shall establish a state plan for the creation and operation of a poison control center network, providing for regional poison control centers, including appropriate services in the Upper Peninsula.

History: 1978, Act 606, Imd. Eff. Jan. 5, 1979
