

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.16196 License or registration of individual inducted or entering into service; continuation; notice.

Sec. 16196. The license or registration of an individual practicing his or her profession while in active service in the military service of the United States, an auxiliary thereof, or the United States public health service, who was licensed or registered at the time of induction or entering into service, continues in effect without further action by the individual until discharge or leaving the service. The individual shall notify the board of the military service or federal employment and the cessation thereof.

History: 1978, Act 368, Eff. Sept. 30, 1978.

Popular name: Act 368
