Sec. 21321. (1) Before issuance of a license under this article, the owner, operator, or governing body of the applicant shall give a bond with a surety approved by the department. - (a) Hold separately and in trust all resident funds deposited with the applicant.
- (b) Administer the funds on behalf of a resident in the manner directed by the depositor.
- (c) Render a true and complete account to the resident, the depositor, and the department when requested.
- (d) Account, on termination of the deposit, for all funds received, expended, and held on hand.

(2) The bond shall be in an amount equal to not less than 1-1/4 times the average balance of resident funds held during the prior year. The department may require an additional bond or permit filing of a bond in a lower amount, if the department determines that a change in the average balance has occurred or may occur.
