(3) The department of management and budget shall calculate for each fiscal year any cost savings that have accrued to this state as a result of the implementation of 1996 PA 487 over the costs that would have been incurred by this state to fund premiums payable pursuant to section 68 had 1996 PA 487 not been implemented. The total amount of the cost savings, if any, shall be allocated to the health advance funding subaccount created under section 11(9).

(4) On and after March 31, 1997, the retirement system shall also pay health insurance premiums described in this section in the manner prescribed in section 68.
