

THE REVISED SCHOOL CODE (EXCERPT)
Act 451 of 1976

380.1177a Meningococcal meningitis; human papillomavirus; vaccines; information to be provided to parents and guardians.

Sec. 1177a. (1) If, at the beginning of a school year, the board of a school district or board of directors of a public school academy provides information on immunizations, infectious disease, medications, or other school health issues to parents and guardians of pupils in at least grades 6, 9, and 12, then with that information the board or board of directors shall include information about meningococcal meningitis and the vaccine for meningococcal meningitis. The information shall include at least the causes and symptoms of meningococcal meningitis, how it is spread, and sources where parents and guardians may obtain additional information about meningococcal meningitis and may obtain vaccination of a child against meningococcal meningitis.

(2) If, at the beginning of a school year, the board of a school district or board of directors of a public school academy provides information on immunizations, infectious disease, medications, or other school health issues to parents and guardians of pupils in at least grades 6, 9, and 12, then with that information the board or board of directors shall include information about human papillomavirus and the vaccine for human papillomavirus. The information shall include at least the risks associated with human papillomavirus; the availability, effectiveness, and potential risks of immunization for human papillomavirus; and sources where parents and guardians may obtain additional information about human papillomavirus and may obtain vaccination of a child against human papillomavirus.

(3) The department, in cooperation with the department of community health, shall develop and make available to school districts, public school academies, and nonpublic schools information that meets the requirements of subsections (1) and (2). The department shall do this in the manner the department determines to be the most cost-effective and programmatically effective, which shall include at least posting the information on its website.
