

**MICHIGAN STATE UNIVERSITY (EXCERPT)**  
**Act 269 of 1909**

**390.108 State board of agriculture; courses of instruction; degrees and certificates.**

Sec. 8. The board shall have power to establish and regulate the courses of instruction and prescribe, with the advice of the faculty, the books to be used in the institution; and to confer such degrees and grant such diplomas and certificates as are usually conferred and granted by other institutions for similar attainments.
