## MICHIGAN PUBLIC SERVICE COMMISSION (EXCERPT) Act 3 of 1939

## 460.10w Investor-owned electric utility; FERC approval.

Sec. 10w.

- (1) Each investor-owned electric utility in this state shall, at the utility's option, either join a FERC approved multistate regional transmission system organization or other FERC approved multistate independent transmission organization or divest its interest in its transmission facilities to an independent transmission owner.
- (2) An investor-owned electric utility that is party to a legitimate filing that was pending before the FERC on December 31, 2001 which is seeking FERC approval of a proposed multistate regional transmission system organization shall be considered to be in compliance with this section. Subsection (3) shall apply if FERC rejects a pending filing or if the electric utility withdraws from the filing or from a regional transmission system organization. This section does not provide guidance to FERC with respect to any pending filing.
- (3) If an electric utility has not complied with this section by December 31, 2001, the commission shall direct the electric utility to join a FERC approved multistate regional transmission system organization selected by the commission.
