

**REVISED JUDICATURE ACT OF 1961 (EXCERPT)**  
**Act 236 of 1961**

**600.1203 Admission to veterans treatment court.**

Sec. 1203. (1) A veterans treatment court shall determine whether an individual may be admitted to the veterans treatment court. No individual has a right to be admitted into a veterans treatment court. However, an individual is not eligible for admission into a veterans treatment court if he or she is a violent offender. An individual is eligible for admission into a veterans treatment court if he or she has previously had an offense discharged or dismissed as a result of participation in a veterans treatment court, drug treatment court, or other specialty court, but he or she shall not have a subsequent offense discharged or dismissed as a result of participating in the veterans treatment court.

(2) In addition to admission to a veterans treatment court under this act, an individual who is eligible for admission under this act may also be admitted to a veterans treatment court under any of the following circumstances:

(a) The individual has been assigned the status of youthful trainee under section 11 of chapter II of the code of criminal procedure, 1927 PA 175, MCL 762.11.

(b) The individual has had criminal proceedings against him or her deferred and has been placed on probation under any of the following:

(i) Section 7411 of the public health code, 1978 PA 368, MCL 333.7411, or a local ordinance or another law of this state, another state, or the United States that is substantially similar to that section.

(ii) Section 4a of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.4a, or a local ordinance or another law of this state, another state, or the United States that is substantially similar to that section.

(iii) Section 350a or 430 of the Michigan penal code, 1931 PA 328, MCL 750.350a and 750.430, or a local ordinance or another law of this state, another state, or the United States that is substantially similar to those sections.

(3) To be eligible for admission to a veterans treatment court, an individual shall cooperate with and complete a preadmissions screening and evaluation assessment and shall agree to cooperate with any future evaluation assessment as directed by the veterans treatment court. A preadmission screening and evaluation assessment shall include all of the following:

(a) A determination of the individual's veteran status. A review of the DD Form 214 "certificate of release or discharge from active duty" satisfies the requirement of this subdivision.

(b) A complete review of the individual's criminal history and whether the individual has been admitted to, has participated in, or is currently participating in a veterans treatment court, drug treatment court, or other specialty court, whether admitted under this act or a law listed under subsection (2), and the results of the individual's participation. A review of the L.E.I.N. satisfies the requirements of this subdivision unless a further review is warranted. The court may accept other verifiable and reliable information from the prosecution or defense to complete its review and may require the individual to submit a statement as to whether or not he or she has previously been admitted to a veterans treatment court, drug treatment court, or other specialty court, and the results of his or her participation in the prior program or programs.

(c) An assessment of the risk of danger or harm to the individual, others, or the community.

(d) A review of the individual's history regarding the use or abuse of any controlled substance or alcohol and an assessment of whether the individual abuses controlled substances or alcohol or is drug or alcohol dependent. It is the intent of the legislature that, to the extent practicable, an assessment under this subdivision shall be a clinical assessment completed by the VA.

(e) A review of the individual's mental health history. It is the intent of the legislature that, to the extent practicable, this assessment shall be a clinical assessment completed by the VA.

(f) A review of any special needs or circumstances of the individual that may potentially affect the individual's ability to receive substance abuse treatment and follow the court's orders.

(4) Except as otherwise permitted in this act, any statement or other information obtained as a result of an individual's participation in a preadmission screening and evaluation assessment under subsection (3) is confidential, is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be used in a criminal prosecution, except for a statement or information that reveals criminal acts other than personal drug use.

(5) The court may request that the department of state police provide to the court information contained in the L.E.I.N. pertaining to an individual applicant's criminal history for the purposes of determining an individual's admission into the veterans treatment court and general criminal history review, including whether the individual has previously been admitted to and participated in a veterans treatment court, drug

treatment court, or other specialty court under this act or under a statute listed under subsection (2), and the results of the individual's participation. The department of state police shall provide the information requested by a veterans treatment court under this subsection.
