

THE GENERAL LAW VILLAGE ACT (EXCERPT)
Act 3 of 1895

67.36 Public wharves; conformity with grade; line limit.

Sec. 36.

The council shall have authority also to require and cause all docks, wharves and landings, whether upon public grounds or upon the property of private individuals, to be constructed and maintained in conformity with such grade as may be established therefor by the council, and to prescribe the line beyond which any such wharf, dock, or landing shall not be constructed or maintained.
