The commissioner, upon the advice of the board, shall establish the standards for the manner and amount of the excess loss insurance required by this subsection. this act, including the renewal of that service contract.

(5) A service contract between a TPA and a governmental entity not subject to ERISA, whose plan provides coverage under a collective bargaining agreement utilizing a policy or certificate issued by a carrier before the signing of the service contract, is void unless the governmental entity has provided the written notice described in subsection (1) to the collective bargaining agent and to the members of the collective bargaining unit not less than 30 days before signing the service contract. The voiding of a service contract under this subsection shall not relieve the governmental entity of any obligations to the TPA under the service contract.

(6) Nothing in this act shall be construed to regulate or authorize an employee welfare benefit plan which is a multiple employer welfare arrangement. Nothing in this act shall be construed to permit an actionable interference by a TPA with the rights and obligations of the parties under a collective bargaining agreement.

If on the hearing before the court it appears that the record filed by the commissioner is incomplete, the court by appropriate order may direct the commissioner to certify any or all parts of the records so omitted. The commencement of proceedings under this section shall not operate as a stay of the enforcement of the commissioner's order or decision unless so ordered by the court or commissioner, and under such conditions as the court or commissioner may impose. The court shall have the jurisdiction to affirm, modify, or to set aside the order or decision of the commissioner and to restrain the enforcement thereof.
