211.152 State tax commission; inspection of assessment rolls; time; review procedure; complaints; hearing; notice; report; correction; contested case proceedings.

Sec. 152.

(1) After the various assessment rolls required to be made under this act or under the provisions of any municipal charter have been passed upon by the several boards of review, and prior to the making and delivery of the tax rolls to the proper officer for collection of taxes, and in no case later than the first Monday in May, the several assessment rolls shall be subject to inspection by the state tax commission or by any member or duly authorized representative thereof. If it appears to the commission after such investigation, or is made to appear to the commission by written complaint of any taxpayer, or assessing officer, that property subject to taxation has been omitted from or improperly described upon the roll or individual assessments have not been made in compliance with law, the commission may issue an order directing the assessor whose assessments are to be reviewed to appear with his assessment roll and the sworn statements of the person or persons whose property or whose assessments are to be considered at a time and place to be stated in the order, the time to be not less than 14 days from the date of the issuance of the order, and the place to be at the office of the board of supervisors at the county seat or at such other place in the county in which the roll was made as the commission shall deem most convenient for the hearing herein provided. A written complaint by a taxpayer or assessing officer shall be deemed to have been filed timely if it was deposited in the United States mail on or before the first Monday of May. No written complaint of any taxpayer shall be accepted by the state tax commission unless the taxpayer has protested the assessment from which he appeals to the board of review.

(2) A notice of the hearing shall be sent by registered mail, with return receipt requested, to all persons whose assessments are to be considered, at their last known address, except that where the commission shall conduct a

general review of all assessments within the taxing district, such notice shall be by publication in a newspaper published in the county, if there be any. If no newspaper is published in the county, then the notice shall be by publication in a newspaper with general circulation in the county, at least 5 days before the date of the hearings. A copy of the order shall also be served upon the supervisor or assessing officer in whose possession the roll shall be at least 14 days before he is required to appear with the roll. The commission, or any member or duly authorized representative thereof, shall appear at the time and place mentioned in the order, and the supervisor or assessing officer upon whom notice shall have been served shall appear also with the assessment roll. The commission or any member or duly authorized representatives thereof shall then and there hold a hearing as to the proper assessment of all property and persons mentioned in the notice, and all persons affected or liable to be affected by review of the assessments thus provided for may appear and be heard at the hearing. In any case where the hearings shall be held by a duly authorized representative of the state tax commission, he shall report the facts brought forth at the hearing to the members of the state tax commission, who will determine the true and lawful assessment or change in the description of property as found necessary.

(3) In case the commission, or member thereof, who shall act in the review, shall determine that the assessments so reviewed are not assessed according to law, he or they shall, in a column provided for that purpose, place opposite the property the true and lawful assessment of it. Any increase or decrease of the assessment by such action shall also increase or decrease the state equalized value of the local unit wherein the property is located by the amount that such property's state equalized value has been altered. As to the property not upon the assessment roll, the commission, or member thereof acting in the review, shall place it upon the assessment roll by proper description and shall place thereafter, in the proper column, the true cash value of the property. As to property not properly described upon the assessment roll, the commission, or member thereof acting in the review, shall make such change in the description of the property assessed as is found necessary. The commission shall also spread upon the roll a certificate, signed by the chairman, showing the day and date on which the assessment roll was reviewed. For appearing with the roll as required herein the supervisor or assessing officer shall receive the same per diem as is received by him while in attendance at the meeting of the board of supervisors, to be presented to and paid by the proper officer of the municipality of which he is the assessing officer in the manner as his other compensation is paid. In all of its proceedings the contested case provisions of Act No. 197 of the Public Acts of 1952 as amended, shall not be applicable to the state tax commission, and in its determination, article VI, section 28, of the constitution of the state of Michigan shall apply. If the final action of the commission or member results in a change in the assessment, the commission, on a form provided by the commission, shall notify each affected school district, county, township and city of its action. When the assessment of any property has been reviewed by the commission as herein authorized, such assessment shall not be changed for a period of 3 years without the written consent of the commission. Whenever a local assessing district fails to have an assessment roll prepared as required in this act and it becomes necessary for the commission to assess the properties in the district either by its own staff or the county equalization department under direction of the commission, the local assessing district shall bear the cost of such assessment and shall reimburse the state or county.

211.152a Apportionment and levy of tax where appeal filed with state tax commission; additional taxes; refunds.

Sec. 152a.

(1) Notwithstanding any other provision of the law to the contrary if an appeal is filed with the state tax commission under section 152 the taxes shall be apportioned and levied on the valuation of the property as fixed by the board of review and equalized under section 34. The taxes shall be due and payable and subject to the same collection fees and interest in the same manner and amount as if an appeal had not been filed. When the valuation is established by the state tax commission appeals decision the tax collecting officer having the tax roll in his possession shall make the necessary adjustments to the tax liability.

(2) If additional taxes are due they may be paid to the collecting officer with the addition of a collection fee of 1% of the additional tax for a period of 60 days after the taxpayer receives notification of the increased tax liability. After the 60-day period such taxes shall be considered delinquent and commencing March 1 following the year of the levy shall be subject to the same collection fees and interest charges as other delinquent taxes. The notification

of increased tax liability shall be sent to the taxpayer shown in the roll by the collecting officer by certified mail, return receipt requested, within 5 days after receiving notification from the tax commission of the valuation established. The notification shall be sent by the state tax commission to all taxing units involved, to the county treasurer and the city or township treasurer.

(3) If the tax liability is decreased due to a decreased valuation and an overpayment of taxes has been made to the collecting officer, the tax collecting officer having possession of the tax roll or delinquent tax roll shall make a refund of the tax overpayment. There shall be added to the tax overpayment refund a proportionate share of the collection fees paid. The collection fee rebate shall be computed by multiplying the total collection fee paid by a fraction the numerator of which is the amount of tax refund and the denominator of which is the total tax paid. The officer making the refund shall charge back such refund to all taxing units in the same proportion as the originally collected tax was distributed. The chargeback may be made prior to or subsequent to the payment of the refund to the taxpayer in the discretion of the county, city or township treasurer.

Real property returned for delinquent taxes under this section, and upon which taxes, interest, penalties, and fees remain unpaid after the property is returned as delinquent to the county treasurer, is subject to forfeiture, foreclosure, and sale for the enforcement and collection of the delinquent taxes as provided in sections 78 to 79a.

(3) Except as otherwise provided in subsection (4), a corrected tax bill based on an assessment roll corrected for incorrectly reported or omitted personal property that is issued after the effective date of the amendatory act that added this subsection shall include penalty and interest at the rate of 1.25% per month or fraction of a month from the date the taxes originally could have been paid without interest or penalty. If the tax bill has not been paid within 60 days after the corrected tax bill is issued, interest shall again begin to accrue at the rate of 1.25% per month or fraction of a month.

(4) If a person requests that an increased assessment due to incorrectly reported or omitted personal property be added to the assessment roll under this section before March 1, 2004 with respect to statements filed or required to be filed under section 19 for taxes levied before January 1, 2004, and the corrected tax bill issued under this subsection is paid within 30 days after the corrected tax bill is issued, that person is not liable for any penalty or interest on that portion of the additional tax attributable to the increased assessment resulting from that request. However, a person who pays a corrected tax bill issued under this subsection more than 30 days after the corrected tax bill is issued is liable for the penalties and interest imposed under subsection (3).

(5) Except as otherwise provided in this section, the treasurer of the local tax collecting unit or the county treasurer shall disburse the payments of interest received to this state and to a city, township, village, school district, county, and authority, in the same proportion as required for the disbursement of taxes collected under this act. The amount to be disbursed to a local school district, except for that amount of interest attributable to mills levied under section 1211(2) or 1211c of the revised school code, 1976 PA 451, MCL 380.1211 and 380.1211c, and mills that are not included as mills levied for school operating purposes under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, shall be paid to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963. For an intermediate school district receiving state aid under section 56, 62, or 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, of the interest that would otherwise be disbursed to or retained by the intermediate school district, all or a portion, to be determined on the basis of the tax rates being utilized to compute the amount of the state school aid, shall be paid instead to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(6) If an assessment change made under this section results in a decreased tax liability, a refund of excess tax payments shall be made by the county treasurer and shall include interest at the rate of 1% per month or fraction of a month for taxes levied before January 1, 1997 and interest at the rate provided under section 37 of the tax tribunal act, 1973 PA 186, MCL 205.737, for taxes levied after December 31, 1996, from the date of the payment of the tax to the date of the payment of the refund. The county treasurer shall charge a refund of excess tax payments under this subsection to the various taxing jurisdictions in the same proportion as the taxes levied.

(7) A person to whom property is assessed under this section may appeal the state tax commission's order to the Michigan tax tribunal.
