## PUBLIC HEALTH CODE (EXCERPT) Act 368 of 1978

333.17609 License; issuance requirements; eligibility of certified teacher endorsed in speech and language impairment or individual credentialed by American Speech-Language-Hearing Association; temporary license.

Sec. 17609.

- (1) The department shall, upon submission of a completed application and payment of the appropriate application processing and license fee, issue a license under this part to the following:
  - (a) An individual who meets the requirements of subsection (2) or (3).
- (b) An individual who possesses a master's or doctor of science or doctor of philosophy degree in speech-language pathology acceptable to the board, who has successfully completed an accredited speech-language pathology training program approved by the department and the board that has at least 9 months, or the equivalent, of full-time supervised postgraduate clinical experience in speech-language pathology, and who passes an examination acceptable to the board.
- (2) A certified teacher who, on January 12, 2009, was endorsed in the area of speech and language impairment for the sole purpose of providing services as a part of employment or contract with a school district, intermediate school district, nonpublic school, or state department that provides educational services is eligible for a license under this part. An individual who meets the requirements of this subsection shall first apply for a license on or before the expiration of 2 years after the effective date of the rules promulgated under this part. An individual who obtains a license under this subsection is eligible for renewal of that license under this part if he or she continues to meet the requirements of this subsection.
- (3) An individual who, on January 12, 2009, has the credential conferred by the American Speech-Language-Hearing Association as a certified speech-language pathologist is eligible for a license under this part. An individual who meets the requirements of this subsection and who maintains the credential conferred by the American Speech-Language-Hearing Association or a successor credential conferred by its successor organization shall first apply for a license on or before the expiration of 2 years after the effective date of the rules promulgated under this part. An individual who obtains a license under this subsection is eligible for renewal of that license under this part if he or she continues to meet the requirements of this subsection.
- (4) An individual may apply for a temporary license under this subsection for the purpose of completing a supervised postgraduate clinical experience. The department shall issue a temporary license under this subsection for a period not to exceed 24 months. A temporary license issued under this subsection may be renewed for 1 additional 12-month term if the applicant continues to meet the requirements of this subsection. An individual seeking a temporary license under this subsection shall obtain a temporary license before beginning the supervised postgraduate clinical experience. At the conclusion of the postgraduate clinical experience, the individual's supervisor shall sign and submit to the department a report that documents the individual's satisfactory completion of the supervised postgraduate clinical experience. To be eligible for a temporary license under this subsection, an applicant must meet all of the following requirements:
- (a) Possess a master's or doctor of science or doctor of philosophy degree in speech-language pathology acceptable to the board. An applicant shall have his or her academic transcripts provided directly to the department by the academic institution.
- (b) Submit a plan for supervised postgraduate clinical experience on a form approved by the board and signed by a licensed professional who will provide supervision.
