A district or intermediate district may pledge and assign to the Michigan municipal bond authority, as security for the bonds, all of the payments appropriated to it under section 11g but may not otherwise pledge or assign those payments. Bonds issued under this section are not subject to the municipal finance act, 1943 PA 202, MCL 131.1 to 139.3.

(3) Bonds issued under this section do not constitute a general obligation or debt of a district or intermediate district within the meaning of any constitutional or statutory debt limitation.

(4) This section shall be construed as cumulative authority for the exercise of the powers granted in this section and shall not be construed to repeal any existing law. The purpose of this section is to create full and complete additional and alternate methods for the exercise of existing powers, and the powers conferred by this section are not affected or limited by any other statute or by any charter or incorporating document.

(5) A pledge made by a district or intermediate district under this section is valid and binding from the time the pledge is made. The lien of such a pledge is valid and binding against a party having a claim of any kind in tort, contract, or otherwise against the district or intermediate district, irrespective of whether that party has notice of the pledge. The resolution or any other instrument by which a pledge is created is not required to be filed or recorded in order to establish and perfect a lien or security interest in the property pledged.

(6) Bonds issued under this section are not in any way a debt or liability of this state; do not create or constitute any indebtedness, liability, or obligation of this state; are not and do not constitute a pledge of the faith and credit of this state; and shall contain on their face a statement to that effect.
