

THE PLAYGROUND EQUIPMENT SAFETY ACT (EXCERPT)
Act 16 of 1997

408.683 Public playground equipment; liability as to state civil infraction; separate civil action.

Sec. 3.

(1) The standards identified in section 4 determine responsibility for a state civil infraction under this act and do not establish liability in a separate civil action that is brought to recover damages caused by the maintenance, repair, upkeep, manufacture or assembly of public playground equipment.

(2) The standards identified in section 4 shall have only the relevance as allowed by law or court rule in a separate civil action.
