The department may, within 10 days after responding to the request for a permit, attempt or recommend that the applicant attempt other methods for controlling or preventing damage caused by bear, if the applicant is not required to pay for those methods. Within 10 days after responding to a request for a permit, the department shall grant or deny the request in writing. In denying the request for a permit, the department shall advise the applicant on other techniques for controlling or preventing damage caused by bear. (2) In addition to the restitution value established in subsection (1), an individual convicted of the illegal killing, possessing, purchasing, or selling of an antlered white-tailed deer also shall pay an additional restitution value that is equal to \$1,000.00 plus 1 of the following:

- (a) For an antlered white-tailed deer with at least 8 but not more than 10 points, \$500.00 for each point.
- (b) For an antlered white-tailed deer with 11 or more points, \$750.00 for each point.

(3) In addition to the restitution value established in subsection (1), an individual convicted of the illegal killing, possessing, purchasing, or selling of an antlered elk shall pay an additional restitution value that is equal to 1 of the following:

- (a) For an antlered elk with at least 8 but not more than 10 points, \$250.00 for each point.
- (b) For an antlered elk with 11 or more points, \$500.00 for each point.

(8) If a defendant defaults in payment of the sum forfeited or of an installment, the court on motion of the department or upon its own motion may require the defendant to show cause why the default should not be treated as a civil contempt, and the court may issue a summons or warrant of arrest for his or her appearance. Unless the defendant shows that the default was not due to an intentional refusal to obey the order of the court or to a failure to make a good-faith effort to obtain the funds required for the payment, the court shall find that the default constitutes a civil contempt.

(9) If it appears that the defendant's default in the payment of the forfeiture does not constitute civil contempt, the court may enter an order allowing the defendant additional time for payment, reducing the amount of the forfeiture or of each installment, or revoking the forfeiture or the unpaid portion of the forfeiture, in whole or in part.

(10) A default in the payment of the forfeiture or an installment payment may be collected by any means authorized for the enforcement of a judgment under chapter 60 of the revised judicature act of 1961, 1961 PA 236, MCL 600.6001 to 600.6098.

(11) A court receiving forfeiture damages shall remit the damages to the county treasurer, who shall deposit the damages with the state treasurer, who shall deposit the damages in the game and fish protection account established in section 2010.

Sec. 41103. (1) If the department determines that any fish, game or fur-bearing animals, or game birds of any kind or species are in danger of depletion or extermination and require additional protection in any designated waters or area within the state, the department may issue an order suspending or abridging the open season on fish, game or fur-bearing animals, or game birds, or may regulate their taking or killing in the waters or area as the department considers necessary for the further protection of fish, game or fur-bearing animals, or game birds in those waters or areas. The orders shall clearly and distinctly describe and set forth the waters or area affected by each order, and whether the order is applicable to all fish, game or fur-bearing animals, or game birds, or only to certain kinds or species designated in the order, and shall also clearly specify and set forth the length of time during which the order shall remain in effect. The first newspaper publication shall appear at least once each week for 3 successive weeks. A copy of the order as printed in the newspaper shall be filed with the clerk of each county. Proof by affidavit of the newspaper publication or other form of publication allowed in this section shall be filed with the department, and a copy of the order, while it is in force and effect, shall be included and printed in the authorized biennial compilation of the Michigan fish and game laws. 324.41104 Suspended open season; rescission or modification; exception.

Sec. 41104. If the open season during which any species of fish, game or fur-bearing animals, or game birds may be taken or killed has been suspended or abridged in any waters or area by an order of the department as provided in this part, if that order is still in force, and if it appears to the department that the

conditions existing in the waters or area affected by the order no longer require that additional protection for those species, then the department shall cause a thorough investigation to be made of the waters or area and the conditions prevailing in the waters or area. If after the investigation the department is satisfied that because of the increase of the fish, game or fur-bearing animals, or game birds protected by the order in the waters or area, or because of the removal of the cause threatening those species with depletion or extermination, the additional protection afforded by the order is no longer needed, the department may rescind or modify the original order. Notices of the rescinding or modifying of the order shall be published in the same manner as notice of the original order and filed in the same manner in the office of the clerk of each county. This part does not suspend, abridge, or regulate the open seasons established by law for the taking of fish for commercial purposes from the waters of Lakes Superior, Michigan, Huron, and Erie, and the bays of those waters.

HUNTING AREA CONTROL

324.41901 Regulation and prohibitions in certain areas; powers of department; area closures; hearings, investigations, studies, and statement of facts; regulations.

Sec. 41901. (1) In addition to all of the department powers, in the interest of public safety and the general welfare, the department may regulate and prohibit hunting, and the discharge of firearms and bow and arrow, as provided in this part, on those areas established under this part where hunting or the discharge of firearms or bow and arrow may or is likely to kill, injure, or disturb persons who can reasonably be expected to be present in the areas or to destroy or damage buildings or personal property situated or customarily situated in the areas or will impair the general safety and welfare. In addition, the department may determine and define the boundaries of the areas. Areas or parts of areas may be closed throughout the year. The department, in furtherance of safety, may designate areas where hunting is permitted only by prescribed methods and weapons that are not inconsistent with law. Whenever the governing body of any political subdivision determines that the safety and well-being of persons or property are endangered by hunters or discharge of firearms or bow and arrows, by resolution it may request the department to recommend closure of the area as may be required to relieve the problem. Upon receipt of a certified resolution, the department shall establish a date for a public hearing in the political subdivision, and the requesting political authority shall arrange for suitable quarters for the hearing. The department shall receive testimony on the nature of the problems resulting from hunting activities and firearms use from all interested parties on the type, extent, and nature of the closure, regulations, or controls desired locally to remedy these problems.

(2) Upon completion of the public hearing, the department shall cause such investigations and studies to be made of the area as it considers appropriate and shall then make a statement of the facts of the situation as found at the hearing and as a result of its investigations. The department shall then prescribe regulations as are necessary to alleviate or correct the problems found.

If the governing body disapproves the prescribed controls, further action shall not be taken. If the governing body approves the prescribed controls, a local ordinance shall be enacted in accordance with the provisions of law pertaining to the enactment of ordinances, which ordinance shall be identical in all respects to the regulations prescribed by the department. A certified copy of the ordinance shall be forwarded to the department. The governing body of the political subdivision, having established such an ordinance, by majority vote, may repeal the ordinance at any time. The petitioning political subdivision shall place and maintain the signs and shall publish a notice of closure for 3 successive weeks, at

least once in each week, in a newspaper published in the county in which the area to be closed is located. If no newspaper is published in the county, then the notice shall be published in a newspaper published in an adjoining county. If, in the judgment of the department, closure signs are not maintained so as to adequately give notice of the closure to a careful and prudent person, the closure may be rescinded by service of notice of rescission on the clerk or recording officer of the political subdivision, and in such case the closure shall terminate 30 days after service of notice of rescission.

Sec. 42501. (1) A person shall not engage in the business of buying, selling, dealing, or the tanning and dressing of raw furs, hides, or pelts of beaver, otter, fisher, marten, muskrat, mink, skunk, raccoon, opossum, wolf, lynx, bobcat, fox, weasel, coyote, badger, deer, or bear and the plumage, skins, or hides of protected game birds or game animals except as authorized by a license issued by the department under part 13. A license application shall be accompanied by a fee as follows:

(a) For any person who engages in the business of buying and selling raw furs, hides, and pelts of fur-bearing animals or the plumage, skins, or hides of protected game birds or game animals, the fee is

\$10.00.

(b) Each person in the business of manufacturing furs who buys raw pelts is a dealer, and the fee for each individual or agent who buys furs is, for a resident, \$10.00 and, for a nonresident, \$50.00.

(c) For any person who engages in the business of custom tanning or dressing of raw furs, the fee is \$5.00. However, such a license does not authorize that person to buy or sell raw furs.

(2) Any person holding a fur dealer's license under this part is entitled to buy furs, hides, pelts, and the plumage, skins, or hides, and parts thereof, of protected game birds and game animals that are legally taken.

(3) The department may designate the plumage and skin of those game birds and game animals that may not be bought or sold if it determines that such a prohibition will best serve the public interest. Any fraudulent practice employed in connection with the buying or selling of the furs, hides, or pelts of any of the animals mentioned in this part and the plumage, skins, or hides of protected game birds and game animals, or the failure to make a report required by this part, is sufficient grounds for the revocation of a license issued under this part.
